President's Report Kevin Hooper

The ARBA Convention which just recently ended, was a very nice show. The hosts were very hospitable, and the show was well organized. exhibit hall where the Dutch and a few other breeds were cooped was nice and we had ample show tables for the show! Not only that, but for the first time since the ARBA began requiring Best in Show be selected (1971), the Dutch was selected for BEST ÌN ŚHOW in open! (In 1988, a Dutch won the Youth portion of the show, What an but never in open.) accomplishment to see a Dutch win! We have had many good ones in the running before, with at least one Best 4 Class (Jill Pfaff), and two Best of Group (Stan Goeglein and Rick Lehman), but we were never fortunate to have one selected as BIS! More on this

We did have a nice turn out of Dutch in Texas, more than I expected again! 520 were entered in open with 502 shown, and 228 being entered in the youth. In open, we had only three Dutch from PA, about three from IN, none that I know of from IL, none form east Pennsylvania, only Ricky Wood from the east, and Herb Kelso sent a few from Carolina. I was the only one from Ohio, along with two I took for Rick Billups. We did have good numbers from Louisiana, some from Texas, Oklahoma, and New Mexico, along with a bunch from Wisconsin, California, Oregon and Washington. The youth had similar representation.

I would like to congratulate our youth winners in Texas. BOB went to Rachel Zimbars of Wisconsin with a nice Gray Sr buck, while Clair Carlson of Kansas had BOS with a Black junior doe I believe. Congratulations to you both!

This issue of the Dutch Reporter should put us back on schedule! It was a quick turn around from the last one which came out in November, so some of you may not have had a chance to submit anything for this issue before seeing the last one. Thanks for your patience and we will be on schedule for the upcoming year. The NEW DEADLINES FOR SUBMISSION OFARTICLES/INFORMATION FOR THE DR, will be: Jan 15, April 15, July 15, and October 15. We will be sticking to thesedeadlines, so submit early and often!

Speaking of back on schedule, Barb Kline has things up and running with the Secretary's office! She has been receiving and processing many new members! You will find the "Welcome New Members" column back in this issue. If you need anything, drop her an email or a call and she does respond promptly.

We have been making quite a few changes/additions to how we do our business in the ADRC. One of those changes involves our memberships. We are becoming more proactive in getting new members. The first change was initiated through the Secretary. We sent invitations to those who have dropped their memberships in the last couof years. We working with the Sweepstakes Chair, and will be sending an invitation to join to anyone who shows up as a nonmember on show reports. On top of this, we have set up a committee to discuss some other ideas which were surfaced during the General Membership meeting in Texas. Many good ideas came out of that meeting! Theresa Kortbein is the Chair of this committee and will be communicating with those on the committee to further develop those ideas into workable plans.

Also discussed at the Board meeting was the idea of changing our ADRC logo. After a bit of discussion, it was decided to open this up to the membership. What we would like are ideas / new designs that we could use for the various publicity items that we We have ADRC offer. shirts. jackets, hats, patches, mugs, etc. While it was decided not to do away with our old logo, we will offer it on some items. and new ones others. Send any ideas you may have to either your District Director, or to Publicity Chair Angie Aisbet.

Elsewhere in this issue, please find the scholarship information. This will be the second year that we have a scholarship(s) available. Last year, we gave away two \$750 scholarships. The amount and numberwere determined by the ADRC Scholarship committee. The members of thescholarship committee were Todd Uran, Barb Kline, and Jill Pfaff. Barb served as the original chair of this committee, but since she has over as Secretary, she has asked to be So, with that being replaced. said, we are in need of a chair of the Scholarship Committee, as well as a member to replace Jill, who has asked off as she is on sooooo many committees already. We have had one member come forward and offered to serve on this committee. Now, we need one more, and one of those will need to chair the committee.

One of the means that we use to fund the scholarship program is the submission of the Purina feed circles form bags of Purina feed. So if you are using Purina, cut those circles out and send them to the ADRC Secretary.

I am in the process of appointing committees for the upcoming year, as well as appointing members to fill in for those Board positions where no one submitted a resume for office. Those appointments will be listed in the first DR to be out around March 1.

There was also action taken at the Board meeting in Texas making those who have already been inducted into the ADRC Hall of Fame, and the future Hall of Fame inductees, life members. This is something that most thought was being done, but the HOF was never set up that way. We also will be having a new Hall Of Fame Chair in Bob Bergene. Bob knows most who had made a difference in the ADRC and will do a very good job as Hall of Fame Chair. This is another committee I will be appointing in the next month.

Speaking of Hall of Fame, as you saw, accepted nominations again for the ADRC Hall of Fame through our balloting procedure. Last year was the first time we tried this, and we received nominations for many were already in the HOF. So, this year, we listed those who were already in the Hall so as to not have the membership nominating those who need not be. Well, many of you did not read the instructions prior to voting and simply circled one of those who were listed, as opposed to nominating someone else. So, we will look at our ballot to determine if changes need to be made before the ballot is issued next year.

We will also be looking at our process of nominating members for Hall of Fame consideration in the upcoming months. This has been an area where we have changed the process several times for various reasons. Mainly, the original process took a good bit of effort, and it seemed as though we were not getting nominees. Last year, we were behind due to numerous reasons, and the committee simply voted on the nominees submitted by the membership. This is not how the program was designed, but was done this way due to time considerations.

One additional item that was discussed at the Board meeting - the Seller's Class. The original intent of the Seller's Class was to offer everyone a chance to buy quality animals, while the auction also served as a fund raiser for the ADRC. Now, it still has been raising some good funds for the ADRC, and there are still some quality animals in the class, but many feel it has become a dumping ground for those animals which individuals don't sell, so they put them in the

Seller's Class auction? This does indeed happen as many times there are a glut of tort or gray bucks, for which there is not a high demand. So we are looking at making a few more changes, in addition to enforcing those rules already in place. One of the main rules which will be enforced is that the Seller's Class Committee will look over those entered to ensure only quality animals. This has been done on and off in the past, but will be done from now on. Two members have been appointed as the Co-Chairs of the Seller's class, while one more member will be appointed. The Cochairmen are Dan Schwandt and Denny Kline.

I am looking forward to the upcoming year in the ADRC! We are making great strides forward and soon you will start seeing the results.

Gosh, it's hard to believe the ARBA convention has already taken place and that we are now gearing our breeding up for the coming Spring shows. As you all are most likely aware, Kevin and his super little gray doe took TOP honors out of the 17,000+ animals shown in Fort Worth. What an exciting feat for our Dutch breed!! And to have it done with a gray is even more of a challenge due to getting that ring color just right. If anyone has some pictures they took at the convention, we'd love to have you send a copy to Dick Gehr so we can get them in the DR.

For those of you that were unable to make it down south, you missed one really nice convention. The facility itself was really laid out well. The youth Dutch were in the main room with all the hustle and bustle and had ample room to walk around to enjoy the show during that week. The open Dutch were in a side room so we did not have to battle the crowds on the actual day of judging. Even though the convention center was right down town, it was not difficult in the least to find parking. Many of us from the midwest found that lunch at a little local burger joint was worth checking out after the word got out on how good their burgers were

Speaking of judging, it went very well with both open and youth exhibitors pitching in to help things run smoothly. Most of the animals were well behaved except

for one excitable junior buck that left his teeth marks on judge Dave Hauser's finger. After taking a break to get his wound cleaned and bandaged, we went back and evaluated "Jaws" once again, saying the little buck was just worked up. Most of us standing around Dave after he returned to judging were holding our breath, hoping we'd not see a repeat performance. Make sure to congratulate the winners from your district when you see them at the coming shows! We have the complete list of all the winners in this edition of the DR.

One of the people that impressed me most while down in Fort Worth was Bob Bergene. He had quite the entry of blues and blacks. Type, color and markings were consistant and very eye catching. Warren Wiltman and I had a chance to talk with him for a few minutes about his herd. Bob said he keeps approximately 25 breeding blue does alone! If Bob is breeding these ladies three to four times a year, that is alot of blue babies right there to chose from, so it's no wonder he can churn out an entry such as the one we saw in Texas.

Our next convention in Grand Rapids, Michigan is already being highly anticipated for those that plan to make the trip. If you are thinking of going, and are interested in staying at the Amway Grand Plaza Hotel, the ARBA headquarters that is adjacent to the showroom, you can make your reservations for a room now, and judging by what people were saying around the showroom, alot of people plan on booking at that hotel.

Thank you to all the Dutch members who have been so patient with the club as we went through the changes we have in the past year. Things are finally getting back to an even plane. We are targeting the first of the year to be all caught up. It has taken an incredible amount of time and effort between the board to get this all done that is not apparent to many from the outside. Some new faces will be on some committees being appointed and with them will come fresh ideas. Please remember to talk with your district director if you have any concerns or news you want to share.

Good luck with all your breedings for the spring shows. Get the lights on in the barn to stimulate those does into being receptive, and plan ahead for juniors for NDS in April. Looking forward to seeing you all as the new year brings samples of what is in your bunny barn!

Secretary-Treasurer Report

Barb Kline

First I would like to congratulate all the winners at this year's ARBA Convention in Ft. Worth, Texas, Youth BOB, Rachel Zimdars of Wisconsin, Youth BOS, Claire Carlson of Kansas and Open BOB and BOS and Convention BIS, Kevin Hooper of Ohio. I really missed not being able to go but thanks to lots of phone calls, I was kept informed of all the happenings! I would like to also thank Jill Pfaff for filling in for me at Convention.

The idea of Jill being able to have her own account to deposit sanctions is not going to happen due to the requirements of the bank. I have purchased Jill her own deposit stamp to insure the safety of the checks she is sending me in the mail. We are on a very timely schedule now with Jill sending me sanction checks once a month along with her commission invoice. Monthly checks are also going to the Publicity and Contingency Fund along with my secretary's commission. As soon as Dick has the DR in the mail, I am processing his editor's fee and Valerie is getting paid whenever she sends me her invoice. All in all, the bills are back to getting paid timely and deposits are being made once a week. I have published a 13 month financial statement in this issue since none have been published for quite sometime. In the future, the financial statement will be for a 3 month period.

Membership renewals are being received daily largely due to the letter that was sent to all the members that had expired one to two years ago and the letter that I am sending at the beginning of each month to members expiring that month. Whatever members that I have on file with an expiration of one year or more at the beginning of 2007 will be dropped from the membership. This will enable us to have an accurate membership listing. I have processed seventy-four new memberships! A new edition to the DR will be a listing of new members to the ADRC welcoming them to the club. Dick Gehr has modified the membership card so that starting the beginning of 2007 all the cards will have the membership number and the dates will be the date the member joined to the date the member expires. This way at anytime a member can see how long they have been a member in the ADRC. It will also help me in issuing the membership pins.

Many of you have given me your email addresses and birthdates. The membership application has been modified also to include this information. In the next sev-

eral months I will be working on the membership list and the email addresses will be added to the next edition of the DR. I am still working on the birthday greetings and hope to see this added to the DR mid-2007. I have set up a PayPal account for the ADRC and I am testing a feature that

will allow me to email a member with a membership renewal invoice which will allow them to the ADRC by using PayPal or the traditional mail method. I am still looking into setting up a PayPal cart on the ADRC website to enable new members to join this way.

I look forward to seeing everyone at the National Dutch Show in Kalamazoo, Michigan in April and hope that everyone has a great holiday season and lots of successful litters to make this NDS one of the biggest!

Director's Report

District One Ray Brewer

Boy, did I pick the wrong ARBA Convention to miss! A dutch winning Best in Show? That has got to be one terrific dutch! Congratulations Kevin. Your many years of hard work has paid off big time.

Maybe it's just me; but, I believe that the quality of our favorite breed has improved significantly over the past few years. At least they have down here in the South. Hey, interest in dutch and the numbers shown here are up this year. Case in point, I judged a show recently in NC where about 75 dutch showed up. There were 15 black junior does of which 10 were of superior quality. The winner of the class went on to win BOB. This was an event with several speciality clubs hosting 2 shows apiece. At the end of the day that little black jr. doe was selected "Best of the Best" by a panel of judges from all the specialty show winners.. Fred Mullinax asked me later if I had ever judged a junior doe class with the quality of the animals shown that day. Well, the truth is that I've never encountered a class of dutch like that at a local show! OK, maybe the top 15 at a National show; but, never at the local level.

I want to pass along my thanks to my good friend, Herb Kelso for his efforts here in the Carolinas. Herb is a tireless promoter of our breed who never seems to run out of quality dutch to sell (or give away) to help newcomers to our hobby get started on the right foot. He is also the type of fellow who enjoys seeing our breed handled and judged well whether he wins or not.

Director's Report

District One Rick Billups

Well the 2006 ARBA Convention is now behind us and a big congratulation goes to Kevin Hooper for winning Best in Show! Kevin had the honor of winning an award that many dream of but few have achieved. Kevin won BOB Dutch with a Gray Jr. Doe and he also won BOS with a Black Jr. Buck. The youth show was won by Rachal Zimdars from Wisconsin with a Gray Sr. Buck and Claire Carlson from Kansas won BOS with a Black Jr. Doe. It's time for all of us to start planning to attend the 2007 Nationals in Michigan. I'm sure the Michigan group is hard at work planning for a successful show. Please look for the NDS information in this issue of the Dutch Reporter.

As many of you know Barb Kline assumed the role of Secretary-Treasurer a couple months ago and she's doing a great job. Please remember to direct all correspondence to Barb. Barb's article in the last DR shows how organized and dedicated she is to her new position.

I don't have much news to report from my district. I don't make it to local shows since the majority of them are held on Sundays. The Ohio State Dutch Fall Show will be history by the time you get this issue and I hope I can report a successful show in the next DR. I know one topic of discussing at the show will be possibilities of the Ohio Club hosting a National Dutch Show in the near future. The Ohio Club is always eager to host an NDS and always strives to put on one of the best.

As many of you know I've been serving as a Director of the ADRC for the past 10 years and prior to that during the mid 80's. Julie and I also served as the Publicity Department chairman for 5 years and thoroughly enjoyed the learning experience. I have always looked at serving the ADRC as an honor and a privilege and not something you take lightly. I know many of you don't see me at your local show and you probably wonder why I'm holding this office versus someone who attends most of the local shows. I once asked a good friend his thoughts on this and he responded "how many times have you been to a local show and someone came up to you with a question concerning the ADRC", my response was very seldom. But I do think 10 years is too long for one person to hold one office. I will not run for reelection next year but will agree to fill the vacancy if no one steps forward.

My passion is to continue to serve the ADRC in what ever manner the membership requires, I will probably run for an office again in the future. It will be hard to sit on the sidelines for very long without getting involved or voicing my opinion. The ADRC has been part of my life for almost 30 years.

Enjoy your Christmas Holiday

Director's Report District Two Dawn Schwartz

Hello Everyone,

Well all are back safe & sound from the ARBA Convention- I'm assuming. That was one long weekend for me, i lost track of how many times Dan said "Boy I wish we were in Texas". We were lucky in the fact that a very good friend of ours kept us posted on all of the highlights. And when I say highlights I mean HIGHLIGHTS! I think i got the phone call but a couple of minutes after the BIS was picked, what a GREAT surprise when we heard a Dutch had one. Even happier when we heard that it was Kevin Hooper with a Grey. I was able to talk to Kevin on a cell phone while they were just finishing up taking pictures, I don't think it had even sunk in as of yet. What a wonderful accomplishment for Kevin & our ADRC. Dan & I can not think of a more deserving individual to be given this tremendous honor. Kevin we believe is the Heart & Soul of this Dutch Club! It is great to know that his name will go down in history books for many future Dutch breeders to read about, this will be only one of his many accomplishments in his rabbit breeding. CON-GRATULATIONS Kevin you deserved it! For those of you who have not heard, Dan injured his knee about 6 weeks ago, that is the reason we did not attend ARBA. He's looking at a minimum of one surgery, possibly three. He tore his ACL/MCL & cartildge in his knee. We are hoping on attending our Illinois shows which will be starting up in February. To say the least Dan & I are anxious to get back to showing our bunnies.

See you at the shows (we hope)

Director's Report District Two Dick Gehr

As the holiday season nears, I am sure we can all find many things for which we can be Thankful...... Friends, Family, Health, Happiness, and more.

I am Thankful for the many friends I have made in this rabbit hobby over a span of 30+ years. I reflect back on times when I was considered the "new kid" on the block, and the "dummy" that had the wild and inconceivable ideas.

It is now my turn to sit back and designate others as the "new kids", and watch them in their attempts to make a difference. I do not believe anyone's ideas are "wild or inconceivable", as it is dreams and visions of things to reach for that make us all progress and grow with the times

The often times asked question of "Do the men make the times, or do the times make the men?" haunts me nearly every day. Have some of the decisions and efforts I have made over the years helped to shape the future, or was the future already shaped and I just happened to fall into it at the right time and moment for my ideas to be fitting?

I know.....who really cares?? I guess that is what most of you are asking yourselves right now, amid the self comments of "I never knew he could be that deep in thoughts", or "is he hitting the juice again?"

Actually, without visions and foresight, I believe we would all remain stagnant and not make any progress. Look at the evolvement of the computers, wrist watches, television sets, telephones, etc. Without vision and progress we would still be counting our fingers and toes, looking at a sundial, having to look at each other in the evening instead of ESPN, depending on the pony express to get a message to someone in the next town or state, etc.

Where is all of this going, you ask? I am not really sure. But I can tell you one thing that has reamined constant throughout all of this. Rabbits.... their makeup, the pleasure obtained from them, the camaraderie and friendships we have all gained, and the relaxation we all get from them.

Without the furry little critters to draw us together on the weekends, what would we do? I would have a lot less experiences, friends, travels, and enjoyment. I certainly would not have been in Fort Worth, Texas a couple of weeks ago visiting with people from all over the United States as well as other countries. I would not have had the pleasure of meeting new people that I hope will call me their friend in the future (Hi, Joseph!). I would not have seen Kevin Hooper win Best In Show

at the ARBA National Convention, beating well over 17,000 other rabbits. And I would not be writing this article right now.

I am indeed Thankul for being right here, right now, whether I have created this moment, or whether it was created for me. Working on rabbit things, being a part of rabbit clubs, having the rabbit friends that I do, and looking forward to more rabbit stuff each day has become my passion. I know I am not alone, and am sure I will never be alone as long as I have one little rabbit outside, whether it be a Mini Rex or a Dutch.

However, I can honestly say that without the Dutch rabbit, I would not have met those of you reading this message, and that would make me a much poorer person.

The ADRC Board meeting in Ft Worth resulted with actions being discussed and taken that will shape the future of the ADRC. Or will they? Perhaps the shape was already there, and we all just happened to be called to that Board meeting by some uncontrollable force that already had our future planned. No matter, I look forward to some tremendous strides being made within the ADRC in the very near future. Good people, new people, old people, or whatever, this club is on the move and will continue to progress and be one of the leading forces in the rabbit industry. Stay onboard and be a part of it all.

I am sure the ADRC will move forward with our new secretary, Barb Kline. Most know Barb for her involvment in the Ohio State Dutch Rabbit Club, and are aware of the efforts and leadership she offers within that club. I can tell you that she has made every effort to get the ADRC on the right track, and has a lot of foresight and plans in motion. I am sure we will flourish under her guidance, because she will make things happen.

I look forward to an excellent 2007 NDS being held in Michigan. I know most of the players, and they have quite a game planned for us all. I am sure their efforts will produce one of the best NDS we have experienced. They will make it happen (or will it happen because they have been drawn to the times?). No matter, show up and I am sure you will go home with a feeling of having attended a great show, seen great people and great rabbits, and having great expectations for the next ARBA Convention and NDS.

May you all be blessed with a great Holiday Season. Happy Thanksgiving, Merry Christmas, and Happy New Year.

(I have given up on asking Santa for anything, because I am quite sure after Kevin getting his early Christmas present that there isn't much left for you and me!)

Director's Report District Two Warren Wiltman

Here in Wisconsin, the show season is over. The last of the rabbit shows are usually in October and they will start up again in February. It will be good to see your friends again after a Winter lull in the action. It was good to see that the Upper Midwest Dutch Rabbit Club was so well represented in Texas. That's great! I believe the club did very well and it was good to see that so many made the trip. Everyone was talking about Texas in the Summer, looking forward to having a good time. Like every trip, the time goes too quickly and you don't get out much to see the sights.

Over the year in the Dutch Reporter, there have been opinions on the point system for judging the Dutch rabbit. It has sparked some discussion among the breeders in this area. Since it appears that at least a couple people I know agree with me, I would like to give you my opinion on the matter.

I don't believe the judging standard needs to be changed. The Dutch rabbit is the king of the marked breeds out there and we shouldn't do anything with the point system to distract from that. Good judges use the word balance, which seems to automatically shift more emphasis to good body type, fur condition, and color. A judge does not want to send a rabbit up for Best of Breed that he or she is not completely happy with, it's a matter of pride and knowledge knowing it won't go far in Best of Breed competition.

Let's say you're at a rabbit show and it's time to pick the Best of Breed in Dutch. How is the judge doing it? I usually see them doing a lot of rabbit posing and checking the condition with a glance at the markings. Do you really think the best marked rabbit won or the one with the best overall balance which means a good typed rabbit with good condition too? If you believe this as I do, then the judge is already allowing more for type and for fur condition.

So why doesn't Dutch win more Best in Shows? It's just natural with all the marked breeds. The animal needs very good type, very good condition, and marked according to the standard very well. It's the same in poultry. Usually an all white or all black bird will win. With a marked or colored animal it's just easier to find something wrong with it.

Director's Report District Three Jill Pfaff

Hello fellow Dutch Fanciers....wow what a year for Dutch with our largest ever entry for National Dutch show in Washington, PA and now to top of the year our club President Kevin Hooper wins Best In Show at the ARBA Convention in Fort Worth, Texas with a Gray doe!!

I talked with Dick Gehr who told me that the official ARBA records for Best In Show only go back to 1971. I happen to know that back in 1969 Calgary, Canada Mr. Leonard Weir of California won Best In Show with a Blue Dutch, he won BOB & BOS with a pair of Blues that year. The only two people I know of to come close in the Open Division are Rick Lehmann in 2002 with "Percy" a Blue buck at the Peoria, Illinois Convention winning group and myself in 1993 at Puyallup, WA winning Best 4 Class (before the group method) with a Black buck. I know there have been big wins in Youth also by Megan Kline and Katie Bicklehaupt but don't have all the dates. Well I hope this grand event will inspire Dutch breeders everywhere.

It was great to see all the breeders that made the trip to Texas this year at ARBA Convention we had a fine showing of quality Dutch with just over 500 in open and 219 in Youth. Congratulations to all the winners.

Here in Oregon we have just finished our last show of the year with a double open and double Dutch Specialty hosted by the NW Dutch RC. We had 88 entries and the stand out winners were the Steels with Graham Shields taking BOB three times and Reserve In Show on the second day with a beautiful Steel doe. Hilary Wittrock had BOB once and BOS twice during the weekend with her Steel buck. The weather was a bit cold and dreary but the companionship in Dutch breeders was warm. We had Ms Marijean Whyte all the way from Sooke, BC Canada along with Washingtonians Arnold Ferguson, Hilary & Lisa Wittrock. We plan to have our next double Dutch Specialty show with the Fire Mountain Netherland Dwarfs February 17, 2007 in Newberg just south of Portland.

Best wishes to all for a happy, healthy holiday season.

May Your Holidays Be Merry !!!

Director's Report

District Three Bob Bergene

History was made as we all scooted our boots to Texas. The Dutch was to win Best In Show at the ARBA convention for the first ever. What a history making event!! Congratulations Kevin on such a great win, with your Gray junior doe. Kevin also won BOS with a sharp black junior buck.

In the youth division Rachel Zimbars won Best of Breed with a Gray Sr buck and Claire Carlson won Best Opposite with a nice Black Jr Doe. Congratulations Rachel and Claire and to all the youth that showed Dutch down in Fort Worth, I know it was a great experience and a lot of fun for you.

The awards from the ADRC at the Fort Worth convention were very nice considering that we forgot to pass the hat in Indianapolis at the previous ARBA convention. Thanks to all who contributed money for these awards. Especially, thanks to the Sparks family of Texas for donating the towel awards. This year we did remember to pass the hat at Fort Worth, so we can anticipate some nice awards again at Grand Rapids, Michigan for next year's ARBA convention.

Don't forget to make those hotel reservations at the Dutch headquarter's hotel (Clarion) for next springs NDS in Kalamazoo, Michigan. Have a great Holiday season!

Best regards

ED: We welcome articles from all members pertaining to their rabbitry, breeding program, how you got started in Dutch, influential people in your Dutch hobby, or any article that would be of interest to the ADRC membership.

Please feel free to submit an article with pictures if desired. If it is something that may be questionable as to whether we can publish it, we will contact you with any concerns.

Those that may take pictures at any show, NDS, or ARBA National Convention, please share the pics with us so we may possibly use them. Just send any digital pics to me at

Adrceditor@aol.com

We will try to use as many pics as we can in each issue, so send 'em on!

Winning Best Youth Dutch at the ARBA 2006 Nationals

By Rachel Zimdars

This year I was fortunate to win Best of Breed for Dutch at the ARBA nationals in Texas. This was my first time at a national show and I was very excited not only when I won, but also with beings able to attend such a big and important show. My fortune of being able to attend and of being awarded at this prominent event was possible because of my commitment to raising rabbits. Further more I must give credit to benevolent people who guided and supported me and my interest. Through my efforts and others help I discovered much gratification in the hobby of rabbit showing.

I got started in rabbit showing through 4-H when I was in third grade. My first rabbit was a gray Dutch, whom I named Cotton. By the end of my first year showing, I knew that this was going to be a long term hobby.

I had to try and learn much on my own because there were not many people who I knew to help me in my first few years in the rabbit business. About two years ago, though, I meet Dan Schwandt and Theresa Kortbein. They shared with me what to look for when buying a Dutch, and that markings are not everything with these rabbits. On the day of judging, they were there to support me, which made me feel not so nervous. They have been so helpful in getting me good starts for my lines. They have shared all their knowledge with me which I am truly grateful for.

As I said earlier, this year was my first time attending any nationals with my rabbits. I brought four Dutch, a chocolate junior doe, gray senior doe, gray senior buck and a tort senior doe. I was very excited about being there, though a little nervous. I did not know what to expect, or what to do once I got there. But I traveled with people who had gone to nationals last year, and they helped me through check in. After check in, I went to the Dutch booth where I met Jill Pfaff. She helped me understand what to expect on judging day, such as I do not take my rabbit to the table. She also explained and helped me to put a rabbit in the Dutch rabbit auction, informed me as to where and when the Dutch banquet was to be, and how to become a member of the ADRC.

On Monday, the judging day, I was very excited to show my Dutch. At the affair, I could not believe the number of youth Dutch there, which was 220, and how long it took to judge them. When the judge made it to the first variety I was showing in, chocolates, I was grateful I finally got to see one of my rabbits get judged.

I was not expecting any of my rabbits to do very well; they were going up against all these impressive other rabbits, and I thought mine could not possibly be that good. Boy was I wrong. My first rabbit up on the table, chocolate junior doe, took first place. I could not believe it. My gray senior buck also took first. I thought there had to be a mistake. Then, when it came time to pick the varieties, I figured that was where I could expect another's rabbit to beat mine. I was proven wrong again. By this time, some of the open people were over watching and helping write for the judge. When the judge picked the Best and Best Opp. Varieties, I was shocked. My chocolate took Best Opposite Variety, and my gray buck took Best of Variety. The judge pondered a very long time in deciding BOB and BOS, and I was getting more and more restless. When he had decided, he talked about two very nice animals and how hard it was to pick between them. It came down to one having just a little bit better markings than the other. He said that the Best of Breed was going to be my gray senior buck. After hearing this, I nearly passed out. I was overwhelmed and could not stop smiling.

This was such a good experience for me. For all the care I give to my rabbits and all the support and knowledge I receive from others to help me care for my rabbits, I feel very appreciative of the awards my rabbits and I receive. I am planning to attend NDS this coming year for the first time and the ARBA nationals for a second. In the mean time, I will continue to do my best to raise my rabbits with tremendous care; not necessarily for awards, but for the love of the hobby, which is a great reward in itself.

Claire Carlson - Shawnee, KS

Best Opposite Sex Youth Dutch 2006 Nationals

I love both playing sports and showing rabbits. Some of my favorite memories include making the only hit in a national softball tournament game against a formidable Oklahoma team, winning my first medal in Junior Varsity cross country and scoring a goal that helped my soccer team win the league championship. But perhaps the biggest thrill of my life occurred at this year's ARBA Convention in Ft. Worth, Texas when the little Black Junior doe that I bred and showed won Best Black, Best Junior, and then Best Opposite Sex Dutch. Here is my story.

Hi, my name is Claire Carlson, and I am a freshman at an all-girls high school in Kansas City. I am the Co-President of my 4-H Club, Blue Rivers Wranglers, and I enjoy judging rabbits and livestock (hogs, cattle & sheep) as well as 4-H public speaking on both county and state levels. I have been breeding and showing rabbits since the 2003 Wichita ARBA convention. My dad teaches me to be competitive in everything I do, but that does not mean winning all the time. He just expects that I put my best foot forward. For example when my rabbit goes on the table, it has been trained to sit and the shine on its coat illustrates it has been well taken care of. If I win, great! And if I do not, that's okay too.

I show New Zealand Whites and have been fortunate to win several Best-In-Shows including the 2005 Missouri State show. In addition my New Zealands won three classes at the New Zealand Nationals last spring including Champion Meat Pen. On the other hand, my Dutch have been a different story. It's been difficult to raise Dutch rabbits that are good enough to show. The first rabbit I ever showed was a blue Dutch buck. When the judge turned him over, looked up his nose to find a freckle, and then disqualified him, it was quite a shock. At that time I did not even know what a freckle was, let alone it being a disqualification!

Now to tell you about my Best Opposite Sex Junior Black Doe, Thunder. Breeding a rabbit of this caliber took great genetics and lots of luck. The three keys to Thunder's genetics are:

At our 2004 local county fair, I bought a buck from fellow 4-Her Julie Bergene. He is a great bodied buck whose mother was a littermate to Rick Lehmann's famous Best-In-Show buck, Percy.

In Spring 2005, I could not go to Dutch Nationals, so Rick Lehmann picked out a Howdie Dunmire black doe for my rabbitry. The mating of these two produced Carlson's 16, the mother of my show winner.

Next, we went to Bergene Rabbitry to look for a buck. Mr. Bergene sold me a gorgeous blue buck that he was taking to Nationals. When he sent me the pedigree, I was surprised to see the buck had three open show legs and already qualified to be an ARBA champion.

If I never have as great of a day showing my Dutch again as I did in Ft. Worth this year, it will be okay. The thrill of winning 2006 Best Opposite Sex Dutch will last a lifetime. I want to thank the judge, Eric Mixdorf, for selecting my rabbit.

I would also like to thank all those adults that make youth projects such a fun filled learning experience. Keep it up because your smile, enthusiasm and sharing of knowledge do make a difference. And thanks to Pam and Jenna Persons for letting my mom and me tag along with them to the 2006 and 2005 ARBA shows. And last but not least, please look up Cedar Hollow Rabbitry (that's me!) at this year's shows to say hello because "We're not just about New Zealands anymore!"

The Stars Must Align!

by Kevin Hooper

Wow! That was about all I could utter after my Gray Jr Doe was selected for Best In Show at the ARBA Convention in Texas! Yes, that's correct, a Dutch won Best In Show!

I was fortunate enough to be the owner of this Dutch. As I mentioned in my President's Report, we have been close before, with at least one Best Four Class and a couple of Group winners. But, this time it happened!

Now, believe it or not, in the mid to late 90's, I said then that one of my goals ways to win the ARBA Convention, but I wanted to do it with a GRAY. Now, the chances of that are extremely slim - kinda' like winning the lottery or something. Everything has to fall into place, or in other words, the Stars must align!

What does it take for a Dutch to win? If it is the best in the building, does it automatically win? Not hardly! This is one of those things that after it occurs you hear people talking about that place that is really, really hot, is freezing over!

A great Dutch on the table for BIS has no chance - if the judge does not care for Dutch! Many judges (and I have heard this from judges who were not there) think they must be perfectly marked to win! It sure would help, but they don't have to be perfectly marked. None of the Convention winners were ever perfect! They usually are pretty close, but I have yet to see a rabbit that could not be improved?

Here is how the alignment happened, starting in February of this year. I had been having trouble getting any Gray babies. I had two nice bucks and several good does. But, either the does were not conceiving, or they were not raising their litters. So, step one was to bring in a couple of does. I contacted youth breeder Katie Bickelhaupt of Ohio to see if she might have any gray does available. I would be seeing her at a show the end of February. Her grays go back to some of

mine and she had a few available. I bought one older brood doe, and one young one. The young one was a bit longer and narrow, but was marked well with very good stops (what I have been lacking on my grays). Star number 1 - aligned!

I did not have any luck with the older brood doe, and the younger one would not breed. I was using my better Gray buck (Best Sr Gray at this Convention), but she would not conceive. Finally, I tried his father and she conceived. Star number 2 - aligned!

Now this young doe was something else! I hated her! Not for how she looked, but how she acted! She never quit running around her pen. She did not want to be carried to or from the bucks cage. She proved this by biting my shirt over and over. She was not pleasant. I decided after her litter was weaned, she was out!

Well, she had 5 that first litter on June 20. I sold one as a pet and initially kept four, one buck and three does. Two of these were very well marked, and resembled the mother mostly, with some characteristics of the father. I sold off one of the does, with intentions to sell one the remaining does. I did not have many looking for gray does, so the sale doe went to Convention as well.

I began showing the best buck and doe in late September as they matured quickly. Both were doing well, with the doe winning her class all three times at a triple show, including a BOV and a BOSV to her brother.

The Monday before the Convention, I made "For Sale" signs for all of my sale rabbits. I was not sure which ones I was selling, but I knew some I was not selling. The winning doe, had a "For Sale" sign! (I still have it for proof!)

I looked though all of my entry on Thursday to make final decisions on who was staying, and who would go. I had two good young senior Gray does, and several junior does. Since the seniors were at breeding age, those two stayed. Now for the junior does? Here is how I look at my animals. Do I really need them???? Well, I decided the winning doe should probably stay, but I'll take her sign and pedigree just in case. She looked good, and I felt she probably had my best chance at Best Dutch. Star number 3 - aligned!

Sunday evening, both myself and Valerie Worzella were in the building grooming/ feeding our animals. I told her she should do well with her blues. She then asked me would do well in blacks, chocs, and on down the line. I told her I had not looked at all of the blacks, but I had some black bucks that would do well. I thought Ricky Wood had the chocs with his choc buck, was not sure on torts, I had a good steel Jr doe, and I had the gray.

The show went well. I was not there for the first four colors as I was judging Fuzzy lops. I finished about the time the steels began. Glen Carr and Dave Hauser were our judges. Glen was finished before Dave, so he did the Gray Jr Doe class. The doe won, while her sale sister went third. Star 4 aligned!

Now those were the easy stars! Now the hurdles began to get higher, and the stars much harder to move! Dave was the Senior buck judge of the Grays, so he was selecting BOV. Would he like the doe, after all he did not judge the class? He did! Star 5......

Glen was selecting BOB. I knew he liked the Gray doe, but I did not know how well he liked Mixdorf's Black doe, or Ricky Woods' choc buck, or It came down to the black doe and the gray doe. He looked at them each a few times. The he went to the bucks for BOS, and the best Sr of each color for Best Sr. Then he looked at the black doe again. Usually you can tell which way the judge is going. My Gray doe was done! He did not look at her again, he was going with the black! I had never won a big show under Glen. Always did well, but never won. He announced Best Dutch as theGray doe! Sure fooled me! Big Star number 6, aligned!

The next afternoon, the Best In Show selection began. They first did Cavies, followed by youth rabbits, then open. I had seen what the groupings were when I was in the office the day before. The Dutch was with the other marked breeds. and the full arched breeds. Now, there would be some good ones in there, but I thought this was a winnable group! Star number 7, aligned!

Now who would be the judge! I had heard a rumor of who had it, and I thought, if that was the case, I was done! They had all of the group judges judging at the same time, then the Best in Show selection was made. The arena where the judging was held was warm, while our area where the Dutch were cooped was nice and cool. so, she stayed in her cage until the BIS youth was complete. It seemed to take forever!

They finished the youth. I brought the doe over, and waited in line while all of the breed winner were filed through a small opening and told which table to take their breed. After getting cut off by several breeders, I made my way over to the Group two table.

The judges were announced. Group 1 was Bruce Ormsby, Group 3 was Chris Hayhow, Group 4 was Alan Ormond, and Group 5 was Connall Addison. All of which I knew liked Dutch! All of which I kind of knew what they liked in a Dutch. The Group 2 judge - which I knew nothing about - Cliff Dick. I had no chance! The biggest Star yet - would not budge!

Cliff began judging the group. First the Britannia, then the nice looking Tan, a Spot, my Dutch, the Checker..... He flew through the Group! He did set my doe up well, and took as much time with her as any. He looked at each one once, and left the floor! Wow, that was quick. A few minutes later, he came back and looked at the Britannia, then the Harley, the Tan, even the Belgian. He never glanced at the Dutch. I thought she would at least get a second look. Stupid Star!

They had each judge announce the group winner. Bruce selected the English Angora for Group 1. They asked the winners to come down. I had sunken back in my seat by now, knowing he was picking anything but the Dutch! Cliff announces the winner as being...... the Dutch! As I pulled myself out of the depths of my seat, I could not believe it! Wonderful Star!

Now, what would win the other Groups. I knew the Mini Rex was out as

it had been beaten in Group1. I did not want to see a Mini Lop, New Zealand, Californian, Silver Marten, Havana, Florida White, Dwarf, or Holland lop! Those seemed to be the normal winners. The next Group was won by the English Lop. Hmm. Group 4 was won by the Dwarf - ooh! Now, what would come out of the commercial group? It was announced that the Group 5 winner was the Champaign! So, I had to beat only four others now, the English Angora, English Lop, Netherland Dwarf, and the I thought, this was Champaign! winnable! I have a shot, but who would be the judge?

They did not announce the names of the winners so the selecting judge would not know who had animals in the final bunch. The Best In Show selection would be made byGlen Carr! number? - aligned or not?? This could go one of two ways. He would either not pick the Dutch as he judged her and she would have to be far superior to the others. or he would simply pick the best one.

Glen spent equal time with each. The Champaign looked really good. Dwarf did not show herself that well. The English lop looked fantastic! The Angora looked wooly. After a few words Glen announced the winner as the Dutch! The final Star - priceless!

Now, I'm usually not speechless, but I sure was here. Stunned was also a good description. All I could do was shake my head in disbelief! I would have liked to have been all smiley, but as happy as I was, you just don't know how to react.

The Stars did align! But in retrospect the most important star was getting the mother of the winner from Katie Bickelhaupt! So, something that may seem very small and insignificant, may be the most important step on a long journey!

Ŋi.

Ask the Judge/Breeder

by Julie Hume

If you have a question you wish to pose for either the "Ask the Judge" or "Ask the Breeder" columns, just e-mail or mail your question to me. These columns are an avenue where you can ask questions and advise from the professionals in our organization. For the judge's column, you may ask questions such as judging criteria, presentation on the show table, what it takes to become a judge, and proper etiquette as a few examples. For the breeder's column, questions can range from feeding, conditioning, breeding techniques, rabbit care, how to improve your herd, anything that people who have been breeding Dutch rabbits for many years might have suggestions on. If you would like to participate on the panels, just drop me an e-mail and I will add your name to our groups. The questions will be e-mailed and each participant has the option to answer or not. This is the chance to get a lot of viewpoints from across the country!

E-mail your questions to: odie@cablespeed.com

ASK THE JUDGE

If a junior matures early, is it better to move it up to the senior class? Do you fault a rabbit in a junior class if it looks like a senior?

Do you fault a rabbit in a junior class if it looks like a senior?

From Ray Brewer:

I can see no legitimate reason to bump a junior up in class. Most of us know that our Dutch hit their show prime (bloom) at 5 to 6 months. As there is no max weight limit on juniors (other than the max wt. for any class of 5 ½ lbs,) why not just show the rabbit in class based on age? OK, OK, sometimes an exhibitor owning a junior who has won several legs may bump it up to get that sometimes elusive senior leg before the bunny starts to slip. I don't guess I have a serious problem with that practice.

Oh boy! This one is a real "can of worms" and a sore spot with me! There are lots of stories out there about those "toy" Dutch who never reach senior weight and yet get shown as juniors year after year. Our standard allows a judge to deem any animal obviously a senior and being shown in a junior class "unworthy of award". I've sent off a few that I thought were seniors and put even more down at the bottom of the class.

From Kevin Hooper:

The answer to this question depends a lot upon the breed. Since we are talking Dutch here, there are a couple of ways to look at this.

First, maturity does not necessarily mean size. Many times a junior may have the size to be shown as a senior, but if it has not matured, it will not do as well. A young senior will have started to thicken up a bit, usually more than a large junior who is five months old or so. The head will be more developed - USUALLY - and the mature rabbit will have a better feel than the large junior will.

On the other hand, it is not uncommon to see a mature junior who has not yet hit the size or age for the senior class. Those juniors who show the traits of seniors usually do quite well on the table.

If I see a large, mature looking animal in the junior class, it is placed accordingly based on the competition, with the comment being made that they should bump it up to senior, based on its' development. I have faulted a few for being too large in the class, but that is rare, especially now that most breeds have maximum junior weights (not the Dutch).

Now sometimes, that junior you bump up will do well against good competition to a certain point. They will be sleeker in coat, and usually have better color than some of the veteran seniors. If they have the maturity along with the sleek coat and color, then they will do quite well.

From Jan Coffelt:

I feel an animal should be placed in the class in which it will best compete. I have never faulted an animal for being too young or too old looking for the class it is placed in.

I tend to have a group of rabbits in my own herd that sometimes just make senior weight being just close to four pounds. It has annoyed me that judges will make remarks that the animal looked like a junior, or faulting it for not being a good sized Dutch. As far as I am concerned, as long as the animal is within the limits of the weight requirements for the class, it is not a concern. I proceed to judge on the merits of the animal in type, markings, fur, and color.

ASK THE BREEDER

What do you know about pimples on rabbits and what do you do to treat them? (For those who are unfamiliar with this problem, it is a pimple that appears on the genitals, mainly bucks, and will disqualify the animal from that class.)

From Fran Schettler:

By pimples on rabbits, I assume that you mean pimples in the sheath area, primarily on bucks, but sometimes on does too. Usually just popping the pimple and emptying it thoroughly works. Be aware though that this may cause a raw sore that could get the animal disqualified by the judge so try not to do it right before the show unless you have to. Also be aware that the animal is not going to appreciate your efforts and will undoubtedly put up a fuss about the process, especially if you have a pimple that does not want to be popped. You can follow this treatment with some sort of antiseptic too. I usually use my fingernail to pop the pimple, but some people use a needle.

In a more chronic or infectious situation, a shot or two of penicillin i.m. (intra muscular) seems to help. I think that sometimes the pimple is from a dirty cage or the heat of summer, but sometimes I can't figure out why they get it. Other times it may be a sign of an infection. This infection does seem to be transmittable to others during the breeding or kindling process and it may be some sort of syphilis. I can remember asking Doc Reed about it once years ago and that's what he said it might be. Usually though syphilis would also present with more symptoms such as general redness, swelling and soreness in the genital area.

I had an instance a few years back where all of my chocolates, even the unbred juniors, had to be treated with penicillin in order to combat the widespread problem. I believe the does caught it from a single buck, and then the general breeding and kindling process continued to spread it until all had it. A course of two shots a few days apart solved the problem.

Another thought worth mentioning; I have one buck now that seemed to have a chronic pimple problem. Nothing worked, including the shot. I have now replaced my penicillin with a fresh bottle, administered another shot, and it is working. So be aware of the efficacy of your medicines, even though the expiration date may not have come yet.

From Kevin Hooper:

This was a big problem I ran into in the early nineties. I had some lab work done on this by Doc Reed. Without going into the details, there is little that can be done. The bacteria were resistant to antibiotics. *Genticin (may not be spelled correctly) was the only drug which would have any

affect on it, and if you were to do an injection which would be the best way to treat them, you could count on loosing 20% due to the digestive reaction to the drug.

I did find a Gentamicin ophthalmic ointment which was somewhat effective. The best way to handle this is to cull for those who seem to have the tendency of getting pimples.

My whole herd had them after I brought in one buck. They did not have to have any contact with the buck; it just spread to all. I culled the most severe until it was no longer an issue. I still have rabbits get them, but not frequently.

*Note from Julie: searching the Internet, Genticin seems connected to Gentamicin and was the only reference for the ophthalmic ointment.

From Jill Pfaff:

I'm assuming you are referring to vent abscesses. These appear most commonly in bucks (I think because they are always spraying urine and get grimy) on the sheath of the penis but I have also seen them on the female vent area. I think we call them pimples because they are similar to the facial pimples we have all dealt with as teenagers. A skin pore gets dirt or debris in it and the bodies reaction is to send white blood cells to attack the foreign object or seal it off from spreading to the rest of the body which become pus. As for treatment I usually try to squeeze out all the pus till there is just a pinkish fluid and then liberally dab on mouthwash with a cotton ball for a couple of days. I use mouthwash because it is an affective antiseptic yet mild enough not to damage the tissues in the area. The cells in the mouth and vent area are similar. I don't believe using alcohol or peroxide is any more affective and a lot more painful. To squeeze out the pus may take two people so one person can hold the animal on its hindquarters and the other person will have both hands free to do the squeezing though I've done the procedure by myself. Expressing the pus takes a bit of patience because it is usually thick like toothpaste. The area will get a bit red and also be tender. Sometimes the procedure may need to be repeated for a few days to get it all cleaned out. All wounds/sores etc need to heal from the inside out or can become a cyst, which may need to be surgically removed.

From Bob Bergene:

When I tip over the rabbit and see a small white pimple or pimples, I feel that it is an inflammation or minor infection caused by bacteria on the cage floor or even on the skin in the genital area. To treat it, I will rub the area with rubbing alcohol and then proceed to pop the pimple. After that is done, I apply a "mastitis treatment". What this is, is penicillin in oil

suspension in a tube. I apply it to the infected area, so as to heal, and prevent further infection. This penicillin in a tube which just squirts on to apply is difficult to get in Kansas where I live, but am able to get it in Wisconsin at almost any farm store. It is used widely by the dairy industry up there. You can also apply Vaseline or Dr. Watkins salve, (also great for healing sore hocks in other rabbit breeds). Vaseline and Dr. Watkins salve are good to use if the soreness has progressed and is red due to cage infection and urine caking.

My neighbor, who is a DVM and is very experienced with treatment and diseases of rabbits, feels the pimple is an "inflammation of the hair shaft" in the genital area. This can be caused by bacterial infection.

First of all, I hope that you do not have this condition in your rabbits, but as it is fairly common, if you do, maybe the above steps will help.

AMERICAN DUTCH RABBIT CLUB YOUTH SCHOLARSHIP FOUNDATION 4664 S. Co. Rd. 591 New Riegel, OH 44853 PROCEDURES FOR YOUTH SCHOLARSHIP APPLICANTS

- 1. All applications must be submitted on forms obtained from Scholarship Committee member.

 Computer forms will not be accepted unless in original format.
- 2. Applicant must have held continuous ADRC membership for at least three (3) years preceding application for scholarship.
- 3. Applicants are eligible to apply only if they are a high school graduate under the age of 21 and currently have 12 credit hours of college education.
- 4. Applicants must have completed high school with a minimum cumulative GPA of 3.00 (unweighted) on a grade scale of 4.00, and have been in the top 50% of graduating class.
- 5. Home schooled applicants are eligible, but must submit SAT or ACT scores, and a letter of recommendation from a person outside the immediate family.
- 6. All applications must include a complete High School and College transcript.
- 7. Scholarship proceeds may be used to further education at any accredited four (4) year college, two (2) year college, vocational, or technical school.
- 8. Scholarships will be paid to the member and school upon receipt of confirmation of college enrollment.
- 9. All applications must be postmarked by March 15th of application year and returned to the ADRC Youth Scholarship Foundation.
- 10. Applicant is only eligible to win scholarship one time.
