## President's Report Sue Híll

We all are easing into summer after enjoying the very nice hospitality of the Kansas crew who put on this year's NDS. We were also treated to some good old Kansas weather with the storms that rolled through during the weekend and made for some interesting driving on the way back to Wisconsin. The drive down was also memorable; Melody Stremkowski, Warren Wiltman and I drove together in my van. Mel and I were so busy talking rabbits (imagine that!) that we completely missed our exit to head south, and before we knew it, we were seeing signs for Nebraska. Warren was sleeping in the back seat, and was surprised indeed when he found out where we were. I think I remember him muttering, "a guy can't go to sleep with a woman behind the wheel!".

To top this off, we hit a part of the drive that left us dependent on the wind and some prayers to get us to the next gas station. It did prove that there is gas in the tank well beyond the lowest line on the gauge though. After finding a gas station in a very confusing little town in the middle of nowhere, prairie fires eating away at the old dead grass around us, we turned down a street we thought was going towards the interstate. Instead, it led us to the front gate of a military compound. Here the observant guard exclaimed, "You guys look lost!" I'm thinking he concluded this because three people showed up with rabbit shirts on instead of camouflage and had rabbits piled high in the back of a vehicle... We eventually got back on target and with Warren driving, we pulled into the fairgrounds a mere two or three hours later than we should have. But think of the memories we have now!

Congratulations to our winners in all the classes shown! Aaron Martin had a very nice blue doe that took BOB in Open, and the Mixdorfs had a classy Steel buck that was our BOS. In the Youth, Trevor Marquis was able to see the result of his years of hard work when he won BOB with a Steel Jr. doe. And Marissa Wells came back again this year to take BOS with a Steel Jr buck. As you can see, it was definitely the "year of the Steel"!

Our Dutch Seller's Class went very well this year with a couple pricey animals finding new homes with buyers who are eager to add them to their breeding programs! It has taken a couple years but the guidelines the Board adopted back in Michigan a few years ago are helping to keep quality rabbits coming to the auction block. A big Thank You goes to Rick Lehmann who helped to once again make the sale entertaining. Please be sure to read the minutes from the meetings as we do have a few items to be following. First, we have an ongoing survey on our web site for you as members to be involved in so we have YOUR input. You can also read what others have been saying. This is in regards to varieties that are in the making with breeders holding a Certificate of Development (or COD). One of the goals of the Standards Committee is to be monitoring progress of the varieties being worked on, providing information on how the variety would possibly enhance those we already have (if applicable), and to be getting your reaction on them to see if the membership is at all interested in a new variety possibly joining the six we have now.

I cannot emphasize enough how important it is to be checking our web site regularly for information that may be new, or some item we want you to be aware of. Julie Hume updates the site frequently, and works hard at getting the quarterly sweepstakes standings up as soon as she can after receiving them from Dick and Norma. Julie is continuing to put old DR articles on the web site, and is always coming up with ideas to improve an already great spot to highlight our club and club activities.

Our Dutch Reporter has really become a very strong publication indeed with Dick Gehr at the helm. He has suggested a possible change to our present DR with decreasing the overall size and bringing in full color covers and some colored inserts. The smaller size, according to what Dick has told us, would be less expensive to run and mail, and the savings could then be funneled back into bringing in full color pages to enhance our current DR. What we will see in the coming year is one of our DR's published in the smaller format to get your thoughts on this. Again, we can gather your input via the web site with the help of a survey. For those of you that do not have access to the internet, your Directors are there to give your thoughts to so they can be included in on the membership input.

Our Hall of Fame is now ready to be up and running for the next NDS in 2010. If anyone would like to nominate a member for this most prestigious award, the forms can be obtained through either the web site or through our secretary. There are dates that need to be adhered to for nominees to be considered so be sure to read the rules and guidelines the Board adopted as presented by the Hall of Fame Committee Chair, Rick Lehmann.

The Constitution and Bylaws have had the first major overdraft and will be coming to the Board for their vote by the end of summer. The goal is to have them ready for the membership to see late in the year. Since the document is a longer one, we are hoping to put sections of it in the DR over several issues for you to read. Reading Bylaws is not necessarily everyone's favorite choice when wanting to relax and we realize this. Therefore, the hope is to present it in a manner that makes it fairly easy to follow and understand.

The Guidebook put out by the American Netherland Dwarf Club was on display in KS for people to peruse when they had a moment. It is truly a spectacular collection of photos, articles and educational tools. We had wanted to consider the binder, such as the ANDRC has, which would make it easier to add or replace sections when in need of being updated. Our committee of Kelli Slack (Chair), Julie Hume, Rick Billups and Norma Hart will be starting the first draft in the coming months. We think this will take a good two to three years to complete. In the meantime, our Secretary, Barb Kline, will continue to send out our current Guidebooks from the supply we have now. Be watching for updates on how it is going and if you can think of something you feel would be worth including in the new book, give Kelli or one of the committee members a jingle or send an email their way.

We'll be going to PA in 2012 for our National Dutch Show! The Board was very impressed with the Chesapeake Regional Dutch Breeder Association's bid presented by Mr. John Graybeal. The facility looks very nice and John said his group would love to have our members look at this show as a vacation as well. Cooping will be available as early as Wednesday of NDS week to accommodate exhibitors coming in early. There are plenty of things to see in the area (Hershey, PA is a mere 30 minutes away for all you Chocolate Lovers!!) so this show promises to have visitor appeal to the area for everyone.

The Dutch part of the fall ARBA convention will be under the guidance of Director Troy Irhke and the crew from California. There are several very enthusiastic families that will be helping with the convention and all the planning involved. They will be doing the booth themselves and have been working on award suggestions, our banquet facility, and making sure all the fine details are attended to. This is one of the big reasons we implemented a Convention Liaison committee so that there is a contact for the hosting club to talk with for any guidance with the show preparations.

Since the NDS convention, I have been contacted by several members by phone, emails or while talking at shows with suggestions they had for the future. It has been nice to know people are willing to send out an email or give me a call with what they are thinking. It might not be something we can do right away but I do keep a log of talking with people so I can refer back to it when talking with our Board. Thank you to those that took the time to get in touch with your thoughts!

I had a chance to talk with Dr. Scott Williamson from CA while he was taking a well deserved break during judging in KS. I had a concern about parental involvement with the youth—once again something that can be a hot button with some members and we had a short talk about it. It is important that the YOUTH are the ones doing the grooming and prepping of the rabbits at the shows and NOT the parents. If the rabbit is entered in the youth show, the youth should have the brush in hand... One of the

concerns he had was with the competitiveness he sees between some youth while judging across the country as he does. Hopefully, our youth are being encouraged to look at this Dutch project as one to help build responsibility, friendships and respect towards fellow breeders. Are they congratulating the winner and walking away from the table without being mad the "other guy" won? The sweepstakes as we have it does have some exhibitors really going all out to win at the end of the year. I've often wondered what it would be like if we were to say we were discontinuing the keeping of Sweepstakes points as a club (this is completely hypothetical!!)? Would we still be enjoying the raising and breeding of our rabbits, going to shows, winning ribbons and perhaps some money if we were not out to accrue a bunch of points? Would we still have that level of satisfaction when we saw that good one in the nestbox? Would we want to drive the hours we do to a show and have our rabbits place under a judge, feeling pleased with first, second, or third place? Do we derive enjoyment out of developing and improving a line of Dutch that continually produces nice animals that bring us to a halt in front of their pen because they are so eye catching? It's worth thinking about what our goals are within our hobby and how we can help to make the hobby equally enjoyable for those we show with.

I want to thank two directors that are going off the board this year. Jill Pfaff from OR has decided she would like to return to the land of the exhibitor during the shows, and Warren Wiltman is turning his attention to the Cabin In The Woods here in Wisconsin, as well as to a grandchild that will be making an appearance in the next few weeks. Thank You to you both for your contributions over the years and I very much enjoyed working with you!

Best of luck with your Dutch litters, shows and upcoming summer!

Sue Hill & Jill Pfaff

## Vice-President's Report Rick Billups

he Nationals are now behind us and owe a BIG thanks to Bob, Nancy and the Kansas crew! The show facility was wonderful and everything went smoothly. I was concerned with

the heat as we drove in on Thursday but the weather broke Friday night and Saturday was comfortable. The show room was set up with permanent cages which made everyone's life a little easier.

Congratulations are in order to Aaron Martin for winning BOB Open with a nice Blue Junior Doe and Eric and Sharon Mixdorf for taking BOS honors with a Steel Sr. Buck. Trevor Marquis won the

NDS entrance

Youth Show with a Steel Jr. Doe, what a great way to end his days as a youth exhibitor. Marissa Wells won BOS with a Steel Jr. Buck.

Please take time to review the minutes from the general membership meeting in this issue. The meeting went very well and I think it was productive. Several issues were discussed with a brief conversation on possibly reducing the size of the Dutch Reporter and the format of the new Guide Book. The Dutch Reporter can be downsized by simply reducing the margin by an inch, nothing would be lost or removed from our current format. A Guidebook committee has been formed with Kelly Slack as the chairperson. We discussed making the guidebook a 3-hole punched document in a binder versus our normal book format. The format will be very similar to the Netherland Dwarfs guidebook with full color photos and listings of all the past NDS and ARBA Convention winners.

This issue will also have resumes from those individuals running for office in the ADRC, please review them and make a point to vote when you receive your ballot. My current term as Vice President is up and I'm seeking reelection, I hope you will consider me when casting your ballot.

I'm already looking forward to working with the Ohio State Dutch Club to host the 2010 NDS in Ohio. The show room and hotel accommodations are ideal for the NDS

Enjoy your summer and keep the bunnies cool,

Rick

Secretary -Treasurer's Report Barb Kline

I would like to thank Nancy Kennedy, Bob Bergene, Daryl Gardner, Allan Kennedy and all the rest of the members of the Kansas Dutch Rabbit Club. You put on a wonderful National Dutch Show and can be proud of all your hard work....it paid off! Next I would like to congratulate all the winners, Aaron Martin, Eric and Sharon Mixdorf, Trevor Marquis and Marissa Wells. You all had great Dutch rabbits and can be very proud of your big win!

I would like to remind all members that if you ever have a question regarding any of the financial statements that I have prepared, please ask. I use Quickbooks and I can provide you with any detail that you may want. As of May 10, 2009 we have had seventy-nine new members join the ADRC this year. Please encourage new Dutch breeders to join the club. Also please let Dutch breeders know that they are appearing as expired members in the Dutch Reporter and on the website. I send postcards out to expiring members, lists are printed in the Dutch Reporter and on the website but it still seems like we lose some newer members that don't renew their membership.

I won't be able to attend the ARBA Convention in California but I am sure that Troy Ihrke and his crew will do a great job. Please don't forget to start membership 5 yr making your plans for the 2010 National Dutch Show to be held in Wilmington, Ohio.

Barb

And a Great Time was had by all !!

I would like to thank that Kansas Dutch Club for hosting such a fabulous NDS. Everything was just great from the building, to the food, to the awards.

I would also like to congratulate all the winners. Trevor Marquis won BOB in youth with a nice looking Steel Jr Doe and Marissa Wells had BOS with a Steel Jr Buck, Best Sr Overall went to Quinn and Peyton Evans with another Steel, the Sr Doe.

In the open congratulations to Aaron Martin for winning BOB with a Blue Jr Doe, and to the Mixdorfs for winning BOS with a Steel Sr Buck. There sure was a lot of quality Dutch at the show with many in good condition.

After BOB in open was announced, I took a quick picture of the judge's results, (I hope Dick includes the photo in this report). We had a clear winner for BOB with two, 1st place votes for Aaron's Blue Doe, but what caught my eye was no rabbit on the board received points from all three judges, most received points from two judges. I don't know what this means I just thought it was interesting and I let you come up with your own conclusions. On a closing note the board had a very productive meeting with some good committee reports. We have lots of good things happening within our Club, a new guide book being developed, standard's committee, additions to website, new Hall of Fame procedure, Historian information that's being compiled, the 2010 NDS in Ohio, just to name a few. The board did receive and approve a bid for the 2012 NDS, this was presented by John Graybeal on behalf of the Chesapeake Regional Dutch Breeders Association. John did a great job presenting this bid to the board it was well thought out, included a lot of detail, and good information. So it looks like we will be in Lebanon PA April 12-15, 2012, mark your calendars.

Hope everyone has a great summer, and keep those nest boxes full.

District One Bílly Bounds

The Dutch Nationals are over and now everyone's attention is probably breeding for the winners at the fall shows or Convention in San Diego.

Thank you to the Kansas Dutch Club for hosting a fine Dutch National. The building, caging, and show personnel was outstanding. Judges were all quality Dutch judges and the entire two days ran very smoothly.

Congratulations to all Open and Youth winners. I'm sure a list of winners will be listed elsewhere in this issue.

The Hall of Fame final draft presented to the board was approved and should again be accepting nominations for this honor next year.

Also coming up are updated Bylaw proposals to be voted on by the membership. Keli Slack and the Guidebook committee are busy working on the next edition.

As I have said in the past, please talk to your Directors and various committee members at the shows to keep abreast of the various activities involving our club. This gives all members a chance for

their input and for the Board to know their wishes.

Again, thank you Kansas Dutch Club for a great show!!

## Director's Report District One Dennís Klíne

Hello everyone! Another National Dutch Show has come and gone and I must say Kansas did a wonderful job! I would like to take this time to thank the Kansas Dutch Rabbit Club for their hospitality and generosity. Also congratulations to Aaron Martin for winning open BOB, Eric and Sharon Mixdorf for winning open BOS, Trevor Marquis for winning youth BOB and Marissa Wells for winning youth BOS. They all were very nice animals. Congratulations to all the members who either won a class or placed an animal in the top ten of a class. There were lots of wonderful rabbits competing this year.

I must say our fifteen hour drive was worth it. It is always great to see the people we don't see very often. The conversation and looking at other breeders rabbits is what I love to do and it seems like I never have enough time to do it! The trip this year was very interesting since Barb and I had Phil, Sara and Dan Lape travel with us. Boy, was that a blast!

Ok, now for a different note. There are a few things that I guess are bothering me or should I say I really don't understand. One of them is the opinion of lack of ring color by some judges. What I deem as ring color but might not be the bright ring some judges will DQ for lack of ring. Some of these rabbits have been judged by many good judges and may have even won Best in Show! I just wish it would be consistent across the board. But I guess it is an opinion. The other one is light tails on torts. What is too light? I have seen judges DQ for light tails and others let them go. I guess it is a judgment call but it just seems like there is no consistency. I would love to get some feedback on these two items.

Well I guess I have rambled on long enough. I must say before I end this article, the American Dutch

Rabbit Club is the best! I have made many friends and look forward to seeing them. I hope to see everyone in Ohio next spring for a great show. Keep the litter boxes full and hope to see everyone soon.

s Theresa and I planned our weekend to Kansas, we had a lot of extras to pack and plan for. We would be bringing our best junior along; she was just over five months old and needed to be continuously cared for. I was very concerned how she would behave during the twelve hour drive. I normally drive til the truck needs gas or Theresa has to go so bad her eyes turn yellow. This time would be different, we would need to stop to feed and change diapers. We left a day earlier to see how far we would make it. Luckily she was great and slept like her mother used to before she was born. Our daughter, Delainey, has her first NDS behind her.

The 2009 NDS is only a memory now as we look forward to the National ARBA Convention in San Diego or 2010 NDS for many of us. For those exhibitors that can't make it to convention this year because of the distance, many are trying to get others to drive a couple hours farther to make a few local shows a little larger and give everyone a chance to visit with each other and show off their new prospects.

This year's NDS happened to be the same weekend that one of my buddies, who stood up in my wedding, was getting married. I asked many people for a good excuse not to go to the wedding but received none. Not being able to go to convention this fall and only able to attend the last convention for 2 days because of the baby, gave me no choice but to call by buddy and tell him I had a rabbit show to go to. He said OK, but I'm sure he wasn't happy. It makes me wonder how many of us have gone to a show rather than some other big event.

Congratulations to all the winners and losers, but special congrats to Trevor Marquis with Best of Breed in youth. I met Trevor about five years ago as I ventured south to a show in Peoria, IL. He was one of several youth breeders who drew my attention because of their competitive spirit. Trevor has grown into a nice young man with much Thanks to his parents especially Debbie, his Mom, for hauling him all over the country with his rabbits. I think every youth breeder wants to go out on top their last year at NDS and Trevor you did it. I look forward to seeing you make it up to the big boys table at the next show.

Ienjoy seeing all the kids involved in the showmanship and royalty. As a county 4-H poultry leader, I feel it should be required to do showmanship. It's so important to get started at an early age because when kids get older they are afraid of doing poorly and getting embarrassed by their peers. I've never done anything with royalty but I know kids study hard for showmanship and when they get to NDS they just want to get it over with so they can enjoy the weekend with friends. Good job to everyone who was involved in these contests.

So often you read a director's article how the host club did a great job putting on an NDS. As a new exhibitor to the national shows (this is my sixth NDS) I see there are a lot of details and a lot of work. This crew did a great job! Ask Theresa, I'm picky. I look at a lot of the little things. The Kansas crew did many of the things I would like to do. When we received the show catalog I liked seeing all the sponsors for the awards printed in it as well as the big poster at the entry table. Getting rabbits put into cages, fed, watered, writing coop numbers and for sale signs takes so much time that finding time for supper is difficult, so a free supper in the show room was great. Thank you to Manna Pro!

The banquet was affordable, you got the same type of food for \$12 that we normally get for close to \$20 at other shows and there was plenty of it. They actually collected food tickets and had a variety of door prizes. The start of an auction at the banquet is a good way to raise funds for the future show. Some of the awards were unique and I only wish I could have gotten a coaster set. Sure there are always things to improve upon, but I just want to say thanks to the Kennedy family and the rest of the crew who put on a great show and look forward to the next time they host NDS. (Too bad Kansas isn't closer to Wisconsin) Not having to clean cages was also a huge bonus.

In the last issue of the DR, I brought up some topics which have occurred recently with the hope of getting some response from the membership. When I have asked others about the increase of fees and the recharging of sanctions for sanctioned shows with no Dutch exhibitors I have heard much negative responses. Since the article I haven't heard from anyone. I don't think it's because no one cares about these topics, just no one is taking action. It's like the people who complain about taxes but they don't vote or never call their elected representatives to voice their opinions. I am here to represent you no matter what district you are from, so if you ever have any concerns, contact me at (262)470-6708 or schwandtdutch@aol.com or at W8839 Well Road, Reeseville, WI 53579.

Soon you will receive your ballots so please make time to fill it out when you receive it so it doesn't get forgotten.

Keep your does working, so you keep your nest boxes full, so we keep the judges impressed and our Dutch better than all the rest.

nother National Dutch Show has come and gone. It's always great to visit with people you haven't seen in a while and of coarse talk Dutch. The Kansas group did a great job as I expected they would and the show went very well. Congratulations not only to the big winners but everyone who placed rabbits in the top ten of their classes. Great Job!

I had the opportunity to look over some of the Chin Dutch being worked on by Jill Ihrke. They are improving more each year. There were also a few Lilac Dutch in the AOV class that were very nice. What is your opinion? Should these colors be added to the six we already have or is the National Dutch Club sitting just fine how it is? Visit the Dutch web page and take part in the survey. Let others know how you feel and share your concerns. We aren't all going to agree on everything but wouldn't life be boring if we did.

And last of all, what do you look for when you look at a pedigree for a rabbit you would like to purchase? Is it important to you that it's sire and dam were both grand champions? Do winners produce all winners? Is it important to you that the Tort Dutch you want to buy has chocolate in the pedigree? Well, if you are getting funky colors in your litters and wondering why, wonder no more. What is important to you in your breeding program?

Warren

We came all the way to Kansas for the NDS.....hey, is that really Dorothy and the Scarecrow ??

The 2009 NDS is now a memory, and from what I have heard and the pictures I have viewed, it appears the event was again, one that everyone could enjoy.

Congratulations to everyone that exhibited at the event, and especially those that were fortunate enough to win. I wish I could have been there to see Trevor Marquis win BOB in the Youth this year. Trevor has been a great supporter of the breed, and one of the premier Dutch breeders in Illinois for the past several years. He is also a very hard worker, and one of the Youth we are most proud of in our area. I actually had the opportunity to judge his Steel Doe a couple of weeks after the NDS, and I can certainly see why she was the winner!

It looks like Illinois had a couple of other Youth members that did well on the judging tables also. Morgan Leka is another great Youth member from Illinois, and the past few times I have judged her animals, I have been most impressed with the progress she has made over the past few years. Erica Haas might be the newest member of the Illinois Youth group, and is showing that she has a good eye for the Dutch. She had several impressive placements at the NDS. We are indeed proud of all our Illinois Youth Dutch breeders, and look forward to many more wins by them.

I was glad to see the Chesapeake Regional Dutch Breeders Association offer, and be awarded, the bid for the 2012 NDS. This club has a number of outstanding Dutch breeders and supporters, and make their presence known at every NDS and ARBA Convention. They not only show a lot of good quality animals in the open and youth, but they extend a tremendous amount of class and cameraderie throughout their membership. I look forward to them sponsoring the NDS, and wish them the greatest of success. I know I'll be there!

As I am uncertain if we will be able to make the ARBA Convention this year, it may be a while before the chance comes to see many of you. Norma and I have plans at this time to try and make the Dutch show being planned in October in Ohio, so perhaps our paths will cross there. Until then, I wish you all success in the nest boxes and on the judging tables.

Make sure to read the Board and General Membership Meeting minutes.

## Director's Report District Three Ríck Lehmann

SPRING is here and summer is a mere 20 degrees away. The 2009 National Dutch Show is now history. Big congratulations to Aaron Martin on his BOB award and to Eric and Sharon Mixdof for their BOS in open. In youth, BOB went to Trevor Marquis and BOS to Marissa Wells. (Complete results can be found in this issue and on the ADRC website). The Kansas Dutch Rabbit Club wants to thank all who made it a huge success and to everyone who traveled so many miles for a weekend of fun, and when I say "many miles", I'm not kidding--from Connecticut, Maryland, Virginia, Michigan, Washington, Oregon, California, and New Mexico. Now that is dedication.

The weather was Atypical for this time of year; it was pleasant one day, cold the next and then monsoon rain. In fact on Sunday, I believe I saw some guy named Noah with a homemade boat loading two of every variety on board-----OK maybe I dreamt that part!

I knew it was going to be an out of the ordinary NDS when I arrived Thursday morning. I backed my car up to the off loading area and when I got out of my car, a nice police S.W.A.T team member was lying in the prone position on the ground in full S.W.A.T attire (helmet, flack jacket, radio ear piece, and a glock pistol). He was watching a school bus parked some 50 feet away. He said to me, "Sir, could you move your car...you're in my line of fire". Well, I was very surprised and felt this incredible rush of adrenaline. At least I think it was adrenaline! (Note to me, drink fewer diet cokes while traveling). The local Hutchinson police department didn't know the NDS attendees were going to arrive before Friday. So, they were using the barn and surrounding area for a "mock" hostage situation training. I must admit it was odd putting rabbits in their cages while stepping over police S.W.A.T team members lying in the aisles---Hmm, this was a first.

Overall, I feel those that attended really enjoyed themselves and of course much laughter was everywhere. Isn't that what it's all about--FUN? Special thanks to Stacey Sauter for judging the "Best Hindquarters" fun class and the "Sellers Class" and Briony Barnes for judging the "Future Champions" fun class.

Rick

I hope to see you all very soon.

Congratulations to all of the winners in Open and Youth. If you missed the NDS you missed a good show! The Kansas club did an excellent job. The BBQ was fantastic! It was great to see the participation in the Friday fun classes.

On the way home our flight and another judges flight was cancelled due to weather (thanks to the great thunderstorms of Kansas). Walking into the airport and finding out your flight is cancelled is such a helpless feeling. This was my first time my flight has been cancelled. At that point I missed living in the Mid-West. The next day at our lay-over in Denver it was snowing really hard, then I was happy I live in California.

This NDS got me thinking about how the youth can have more say in their judges. At an ARBA convention show, we (open & youth) vote for our BIS judges. At an NDS the hosting club picks the judges for the youth. Why can't they youth vote for who they want as the overall senior judge? This vote wouldn't affect the judging order already assigned but only come into play for best of breed. This could be a baby step to sometime in the near future that the youth could vote for their own judges like open.

I was able to meet with a member of the Southwest Dutch group and to several of the Northwest Dutch members and we will all be working together to make this year's ARBA convention a big success. Look to the next issue of the Dutch Reporter for more information and updates on the ARBA convention in San Diego. Finally, if you are interested in flying your rabbits to California via cargo please get in contact with me or Jill at www.Westcoastrabbits@yahoo. com. The California Dutch Rabbit Club members will be willing to pick up rabbits at the airport and shuttle them to and from the convention center.

## Director's Report District Three Jill Pfaff

ello again fellow Dutch fanciers, We are finally getting some spring weather and the rabbits seem to be feeling it too. We've been breeding for ARBA Convention prospects and looking forward to the trip to San Diego in the fall. Matt & I drove to Hutchinson, Kansas for NDS and it was quite a trip, haven't had a chance to add up the miles but think it was more than the estimated 1700 miles each way. The trip was well worth it!! It was a great show and the Kansas bunch were great hosts. Was nice to have coops for the rabbits after they traveled in the carriers on the road for two days. The weather cooperated and cooled down for Saturday but we were surprised to arrive Wednesday afternoon to 85 degrees. We were a bit worried about getting over the Rocky Mountains but had no problem coming across from Wyoming. Going home was another story, we traveled west through Kansas to Denver and hit lots of storms. Monday morning we woke up to several inches of snow and had to wait a bit for the roads to clear before we could make the trek over the mountains.

I'm very proud of our Western States Dutch Fanciers who brought rabbits to NDS, newcomer Ronda Huff only brought one rabbit, a sweet little Tort doe and won her class and was BOSV Tort! Gene Knieling had several top 10 placings but showed his strength in the Steels winning the Jr buck class and Best Display. Briony Barnes was beaming on Friday night winning a big Fur class and the Ladies Choice with Blue bucks that are father & son. I brought three rabbits for youth breeder Katie Kimmel and her Steel Jr doe won the Seller's class so I was able to bring her home a nice trophy. I also noticed in the youth winner's list it showed Katie won Best Blue Fur! And don't forget that you and Matt placed in the top 10 as well...

We have noticed the numbers showing are down this year which I believe is mainly a result of the economy. Our Western States Dutch Fanciers held a double Dutch Specialty with the Fire Mountain Netherland Dwarf club on March 28th at the home of John & Nancy Nyberg in Newburg, Oregon which is a bit SW of Portland. We only had 60+ Dutch shown but the quality was high and many of the animals went to NDS.

The morning show was judged by Julie Sennes from Washington. BOB went to our Tort Jr. Doe and BOS was a handsome Blue Jr Buck raised by Jeff & Terisa Silbernagel, Sublimity, Oregon. The afternoon show was judged by WSDF charter member Briony Barnes from Kansas, she picked a cute pair of Steels raised by Gene Knieling for BOB & BOS. All colors were represented except Chocolates that are not even present at most Oregon shows. Hopefully that will change with the new infusion

of breeding stock acquired at NDS by Ronda Huff, Gene Knieling and Shylo Walker.

## **Publicity Committee**

Well another NDS has come and gone and what a great one it was. The Kansas crew did an excellent job as expected. The publicity committee (Todd, Dan and Rick) would like to thank the Kansas club for providing a great location for us to set up and all the equipment we needed. We also want to thank everyone who took time to do some shopping with us. We had excellent sales and as always we enjoyed talking to everyone that stopped over to see us.

As you can see from our financial report the publicity department is doing well. We try our best to bring in new things that you will be interested in. The lap top bags were a huge success this year. We wish we could carry those more often but it was a once in a life time deal when Dan was able to get them at such a low cost that we could keep them affordable. We are always on the lookout for just such deals so we plan on having some new and exciting items for the ARBA convention this fall.

We have already rented the booth space which you will see is a pretty big investment (\$435.00). Dan and I will not be making the trip so we will need those who are going to be there to help with the publicity booth and the raffle. If you are not able to attend keep your west coast breeders in mind and send raffle items. If you want to send an item for the raffle let us know and we will let you know who to send your item to as soon as we have the information or we may collect the items and send them when we send out the publicity items. The proceeds from the raffle will help cover the cost of the booth rental. Being one of the largest breed entries and being the best breed club it is important that we are represented at each and every ARBA convention. Our booth and our raffle represent our club and it is important that regardless of the location of the convention that we all pull together to put on a good display for our breed.

Again thanks to everyone for your support in Kansas

Todd and Dan

#### Resume for Vice President

It's hard to believe how quickly a year can go by. It seems like it was just yesterday when Sue Hill called and asked if I would take on the responsibilities of the Vice President of this great club. This past year has been a learning experience for all the officers and has increased my respect for

the office of the Presidency. I hope you view this past year as one which saw positive changes and steps towards improved membership benefits.

I'm submitting my name for reelection into the office of Vice President of the American Dutch Rabbit Club. I have served the ADRC for 1 year as Vice President and over a decade as a Director and I wish to continue serving the membership. I have been a member of the ADRC since the late 70's and have held the office of Director several times starting with my first term in 1984. I also served with my wife Julie as the Publicity Department Chairman for 6 years. Julie and I are currently heading up the ADRC Historical committee and have successfully saved 90% of the past Dutch Reporters into PDF files for future generations to enjoy.

Although my weekends limit the number of local shows I attend, I always try to make all the National Dutch Shows and ARBA Conventions that I can. If reelected, I pledge to continue to represent the best interest of the membership and the overall well being of the American Dutch Rabbit Cub.

I would appreciate your vote in the upcoming elections.

Thanks

#### **Resume for District 1 Director**

I would like to submit my name for re-election to the position of District I Director of the ADRC.

My interest in rabbits started as a kid, when my great-grandfather gave me a pair of New Zealands. I kept these through my

school days, showing only local fairs. My daughter had mini-lops through her 4-H years and they were eventually passed on to my wife. Kathy started showing at sanctioned shows, and I would go along. At a show, suddenly I had a thought-if I'm going to come to the shows, then why not have my own breed to show? After talking to different breeders

Bat: Are Dut serv cha orga not will

and looking at the different breeds, it wasn't hard to make my decision. I knew very quickly that Dutch people are the best and the Dutch breed was definitely my passion. To this day, I still feel that Dutch breeders are the best and are always willing to share with others.

I joined the ADRC in 1993 and have been actively raising and showing only Dutch since. I have had all six colors, but Gray has always been my favorite. I presently only raise Grays and dabble a bit with Steels.

Presently, I serve on the Standards Committee and also on the Convention Judge Selection Committee.

I live in a small farming town of Girdletree, Maryland. It is located approximately a mile from the Atlantic Coast. Girdletree is 15 miles south of Ocean City, MD on the MD/VA line.

I look forward to continuing to work with our club and feel that it is very important to listen to what the membership is asking. In order to progress our club, it is important to get new ideas and input from both our older and newer members.

In closing, I would very much appreciate your support for re-election to District I Director.

Thank you,

Billy Bounds

#### Resume for District 2 Director

My name is Julie Hume; though my name may be unfamiliar many of you will know of my step-daughter, Kristy Hume. I wish to run as a candidate for the District 2 board of directors.

To give a bit of background on my services to other organizations; I have served on boards of the Buckskin Horse Association of Michigan, Battle Creek Over 30 Hockey League, Great Lakes Area Show Series - Educational Dressage, Michigan Dutch Rabbit Club, and as a 4-H project leader. I have served as secretary, treasurer, webmaster, banquet chair, and creator of an omnibus in the various organizations. When I belong to a group, I wish to not only be a member but one who is involved and willing to work.

When I married into the Hume family in 1998, Kristy became involved with horses and all the rabbits they had were sold. In 2003 she bought a horse that was not longer suitable to go to the fair (a dressage horse) so she decided to get back into rabbits. Because I was a newbie, I looked for informational articles on the website and also in the Dutch Reporter. There were some, but not nearly the amount of information I was looking for; anything from successfully raising babies to proper procedure at the show table. So I asked if

I could develop some articles for the Dutch Reporter, namely "Ask the Judge" and "Ask the Breeder". I became the Michigan Dutch Rabbit Club webmaster in 2006 and the ADRC webmaster in 2007. I feel the website is a primary source of information for our club, as it can be updated quickly and frequently. I have also added many new features to the website. Since I have been webmaster I have expanded the information about NDS & Convention, added topics such as Past Winners, articles sorted by topics from the Dutch Reporter, Hall of Fame, old issues of the Dutch Reporter, new varieties and a survey to discuss the issue, and the Winners Circle. I also run photography and art contests for the membership to participate in to advertise the National Dutch Show and ARBA Convention. As webmaster, when I am sent updated information for the site, my goal is to have the information posted within 48 hours. I am proud to say that I am successful with this goal most of the time (I do get bogged down just after NDS and Convention due to the amount of information I am imputing).

I was one of the people who helped run the 2007 National Dutch Show in Kalamazoo; not only with setup and takedown, but organized the banquet and the arts and crafts competition. As for regular rabbit shows, most often you will find me writing comments for the judges. The question has been posed as to whether I "actively breed Dutch rabbits" which is a requirement to run for the board. Though our rabbits are shown under Kristy's name and we consider them "Kristy's rabbits", this is a family project. Kristy and I share chores, me doing morning and she does evening feeding. When it comes time to breed, it is an active and drawn out discussion between Kristy and myself about who is bred and to whom and we are both involved in the process. We both go through the nestboxes to decide our future champions. And the three of us are constantly discussing improvements to the rabbitry, leaving it up to Dave to implement any new designs and concepts. Most nights at the supper table consist of talking about rabbits and horses (poor Dave!)

I hope this gives you a feel for the type of director I can be; innovative, dynamic, and responsive to the needs of others.

Respectfully submitted,

Julie Hume

#### Resume for District 3 Director

My name is Anthony Campbell, and I am seeking your vote as a District 3 Director. My involvement with show rabbits began when my younger sister received a trio of Mini Rex about 11 years ago. After a

few months I couldn't stand it and had to get some of my own. That is when I met Sharon Mutal and received my very first trio of rabbits, Dutch! In about a years period we expanded to include about 40 holes, having Dutch and Mini Rex. As the years went on I experimented with a number of different breeds but kept the dutch throughout, ultimately increasing to about 80 holes.

From the age of 9 I have been very active in 4-H, showing all species including cattle, hogs, poultry and rabbits. I was fortunate to serve as an officer in 4-H, both locally and on the state level. During that period of time I also competed in Open ARBA shows in California, Arizona, Utah and Colorado. However, all good things must come to an end, and for me that was during my later years of high school, as my sister lost interest in the rabbits, the burden of maintaining all the rabbits became too much for me. It was then that I sold out. It wasn't until I attended college, at Oregon State Univ., that I was given the great opportunity to get involved again with the tremendous help of Jill Pfaff. Last year (2008) was my first NDS that I was able to attend. I did plan on attending the most recent NDS but having recently finished college, and pursuing a new job opportunity, my schedule did not allow. I do however plan on attending the ARBA Convention in San Diego this fall.

As I stated above I recently graduated college in Oregon and have returned to Arizona with the rabbits in tote. I soon hope to be able to get Dutch numbers on the rise in AZ and the southwest in general. I am also starting the process of studying to get my registrars license and eventually my judging license.

I feel that I have all of the necessary requirements to be an effective director in the American Dutch Rabbit Club. I have served as an officer in many different organizations at Oregon State University. I also actively help at 4-H functions whenever possible. Currently I am also serving as a director for the Western States Dutch Fanciers.

I have lots to offer and just need the opportunity to prove that, to this district as well as the ADRC. My activity in other species organizations, as well as other rabbit breeds has allowed me to observe changes, both positive and negative. I think that through these experiences I will be able to benefit all those involved. I ask for your support in electing me as one of your District 3 Directors.

Sincerely,

Anthony Campbell

\*\* NOTE: All candidates are running unopposed. Thus all are elected by acclamation, and will begin their terms effective January 1, 2010.

### Minutes of ADRC Board Meeting April 24, 2009

The meeting was called to order by President Sue Hill. Members in attendance were: President Hill, Vice President Rick Billups, Secretary-Treasurer Barb Kline, District 1 Directors Billy Bounds, Dennis Kline and Allan Gerhart, District 2 Directors Warren Wiltman and Dan Schwandt, District 3 Directors Rick Lehmann, Jill Pfaff and Troy Ihrke (arrived late)

Rick Lehmann moved to approve the minutes from the board meeting held at the ARBA Convention in Louisville, KY that were printed in the Dutch Reporter and Jill Pfaff seconded. Motion passed.

Barb Kline gave the treasurer's report of bank balances of \$2,192.85 in the operating fund, \$2,132.66 in the scholarship fund, \$1,000.00 in the best in show fund and \$9,876.63 in the contingency fund for a total of \$15,202.14. Warren Wiltman moved to accept the Treasurer's report as presented and Allan Gerhart seconded. Motion passed.

#### **Committee Reports**

<u>ARBA Booth Decorating:</u> Jill Pfaff made a motion to establish a liability account for decorations and supplies for the ADRC booth at the ARBA Convention. Each year \$100.00 is to be put in this account along with any balance remaining from the previous year. Any winnings will be added back to other income. Dan Schwandt seconded the motion. Motion carried

<u>Website</u>: Sue Hill reported that Julie Hume wants to encourage everyone to check out the website. There is information missing on the previous NDS and ARBA Convention Winners page. Rick Billups will supply Julie with that missing information.

<u>Sweepstakes:</u> Dennis Kline made a motion to change the date that all show reports must be received by the sweepstakes chair to be included in the prior year's sweepstakes contests from March 15 to March 1. Rick Billups seconded the motion. Motion carried.

<u>Sanctions</u>: Jill Pfaff made a motion that no free sanctions be issued with the exception of a cancelled show and the ARBA Convention. If a show is cancelled, the free sanction will only be given in the same calendar year as the cancelled show. Dennis Kline seconded the motion. Motion carried with one opposed.

<u>Seller's Class</u>: Kevin Hooper reported that the seller's class will be judged and then the rabbits will be arranged by varieties to help expedite the examination of rabbits by potential buyers.

<u>Scholarship</u>: Sue Hill reported that neither of the two applicants qualified for the ADRC Scholarship this year. One was due to their membership being expired and the other had not been a member yet for three years. Both members were contacted and told they could reapply next year. Sue Hill donated a camera to be raffled off at this year's NDS for the ADRC Scholarship. Sue brought up that maybe the guidelines should be re-evaluated. Sharon Mixdorf will present her suggestions to the board at a later date.

<u>Publicity</u>: Todd Uran submitted a financial report to the board. Publicity has rented two booths for the 2009 ARBA Convention. Todd and Dan will not be able to attend the convention and are looking for some people to volunteer to run the publicity at the ARBA Convention. They will ship items to be sold at convention. Todd will get with Troy regarding this matter.

Standards: Warren Wiltman reported that all items that were on the ballot were approved by the membership. ARBA Standards Committee did not approve the replacement of the picture of the Dutch rabbit due to the fact that a new picture was not submitted as the replacement. Members will be asked to submit photos and may also have pictures taken at the NDS. The ARBA Standards committee also did not approve the replacement of the drawing depicting the body type of a Dutch rabbit since no drawing was submitted as the replacement. Sue Hill will do some drawings to submit to Warren. The ARBA Standards committee also did not approve #12 "Coat too coarse or too soft; Guard hairs too long or too wavy in appearance; Coat weak in density." The words "too wavy" should have read "wavy". Warren Wiltman is to check with the ARBA Standards committee to see if this item needs to be voted upon by the membership or if the correction can be made by the board. Warren Wiltman made a motion that if ARBA allows the ADRC to change the phrase "too wavy" to "wavy" then the description is changed but if ARBA does not allow the change then the description that is currently in the standard remains as is. Dennis Kline seconded the motion. Motion carried.

<u>Dutch Reporter</u>: Rick Billups made a motion to have the Dutch Reporter editor reformat the next issue of the Dutch Reporter into a smaller issue like what the Fuzzy Tales is and send it to all ADRC board members to evaluate. The Dutch Reporter editor is also to do a comparison of printing costs and mailing costs between the larger and smaller issue. Dan Schwandt seconded the motion. Motion carried. Sue Hill informed the board that the Dutch Reporter editor will be responsible for personally contacting all members having ads in the Dutch Reporter when their ads are expiring.

<u>Historian:</u> Rick Billups reported that all previous issues that he has of the Dutch Reporter have been saved to an electronic file and he will be getting with Stan Goeglein to attain the issues that are missing. Old ADRC Guidebooks have also been saved to an electronic file. Rick Billups purchased a USB drive and placed all the prior issues of the Dutch Reporter on it to give to Julie Hume for her to place prior issues of the Dutch Reporter on the website and prior articles. Rick will discuss this with Julie.

<u>Hall of Fame</u>: Billy Bounds made a motion to accept the Hall of Fame standards and procedures that were presented by Rick Lehmann, chairman of the Hall of Fame committee. Rick Billups seconded the motion. Motion carried. Youth Liaison: Sue Hill reported that Sara Lape had nothing to report at this time.

<u>NDS/Convention Liaison:</u> Dennis Kline reported that this year's host club for the NDS had everything in place after a problem with hiring of a judge was corrected. Also this year's ARBA Convention crew has a plan in place and will be reporting to the committee as the time gets closer to the convention.

<u>Audit:</u> Jim Rydell requested that the term "audit" be replaced with the term "review" to better describe the scope of this committees work. Jim also requested that checks should not be written to and signed by the same person. Since all ADRC accounts have two signors, if a check needs to be written to one signor then the other signor needs to write the check. Furthermore, all accounts need to have a statement cutoff date of the end of the month or a letter from the bank stating what the month end bank balance is. All bank statements balanced to the ADRC financial statement for the operating fund, contingency fund, scholarship fund and best in show fund. The publicity fund did not balance. Several debits and credits could not be accounted for but the bank balance was higher than the financial statement.

#### Old Business

<u>Constitution & By-Laws</u>: Sue Hill reported that the ADRC board will receive the rewritten constitution and by-laws by September 1, 2009 for their review.

<u>New ADRC Guidebook</u>: Sue Hill reported that Kelly Slack has been appointed to head the ADRC Guidebook committee. At this point we have enough of the 2002 ADRC Guidebooks to last approximately three years.

<u>Publicity Fund</u>: Jill Pfaff made a motion to continue paying the ADRC Publicity Fund a commission rate of 12.5% of all membership income, with the exception of lifetime memberships. Rick Lehmann seconded the motion. Motion carried with one opposed.

#### New Business

Present and Future Presentations/Bids for NDS: Kevin Hooper presented info on the 2010 NDS to be held in Wilmington, OH Sue Hill presented the 2011 NDS to be held in Manitowoc, WI. John Graybeal presented a bid on behalf of the Chesapeake Dutch Rabbit Club for the 2012 NDS to be held in Lebanon, PA. Dan Schwandt made a motion to accept the bid for the 2012 NDS to be held in Lebanon, PA by the Chesapeake Dutch Rabbit Club. Dennis Kline seconded the motion. Motion carried.

<u>Guidelines for Financial Review</u>: Barb Kline presented to the board items that the Financial Review committee should be reviewing. This will help provide a more thorough review.

<u>Postal Service Permit Refund</u>: Barb Kline reported that the US Postal Service in Winona, MN sent a letter informing the ADRC of a balance on account of \$109.08. Barb has sent a letter and form requesting this balance be refunded to the ADRC.

<u>ARBA 2009 Info</u>: Troy Ihrke reported that a host hotel and breakfast location has been selected and more information will be coming.

<u>ARBA 2010 Banner</u>: Sue Hill reported that the host club of the 2010 ARBA Convention sent a letter informing each National specialty club of a banner that they will display in the showroom where the cages for that breed are located. The cost of this banner would be \$200 and would be turned over to the ADRC at the completion of the convention. Allan Gerhart made a motion that the ADRC not purchase the banner. Warren Wiltman seconded the motion. Motion carried.

<u>Resumes for Directors/Officer</u>: Sue Hill reminded the board that the due date for submitting a resume for election is due to the ADRC secretary by May 1, 2009.

<u>Other items</u>: The ADRC board will not further investigate the realignment of districts at this point in time.

A motion was made by Rick Billups to adjourn the meeting and Dennis Kline seconded. Motion was carried.

### Minutes of ADRC General Membership Meeting April 25, 2009

The meeting was called to order by President Sue Hill. Members in attendance were: President Hill, Vice President Rick Billups, Secretary-Treasurer Barb Kline, District 1 Directors Billy Bounds, Dennis Kline and Allan Gerhart, District 2 Directors Warren Wiltman and Dan Schwandt, District 3 Directors Rick Lehmann, Jill Pfaff and Troy Ihrke

Kevin Hooper moved to approve the minutes from the board meeting held at the ARBA Convention in Louisville, KY that were printed in the Dutch Reporter and Dennis Kline seconded. Motion passed.

Janet Bowers moved to accept the Treasurer's report that were printed in the Jan-Feb-Mar issue of the Dutch Reporter and Lynn Herbert seconded. Motion passed.

#### Committee Reports

<u>ARBA Booth Decorating</u>: Sue Hill informed the membership this year there will be a beach theme for the ARBA Convention booth contest. Sue also informed the membership that the board voted to establish a liability account for decorations and supplies for the ADRC booth at the ARBA Convention. Each year \$100.00 is to be put in this account along with any balance remaining from the previous year. Any winnings will be added back to other income.

<u>Website</u>: Sue Hill encouraged everyone to check out the website. There is a survey regarding AOV's and old Dutch Reporters are being added to the website.

<u>Sweepstakes:</u> Sue Hill informed the membership that the board voted to change the date that all show reports must be received by the sweepstakes chair to be included in the prior year's sweepstakes contests from March 15 to March 1. Sue also informed the membership that a survey will be posted on the website to get members opinions on the current plaques that are awarded for final Sweepstakes standings.

<u>Sanctions</u>: Sue Hill informed the membership that the board voted that no free sanctions be issued with the exception of a cancelled show and the ARBA Convention. If a show is cancelled, the free sanction will only be given in the same calendar year as the cancelled show.

<u>Seller's Class</u>: Sue Hill reported that the seller's class will be judged and then the rabbits will be arranged by varieties to help expedite the examination of rabbits by potential buyers.

One was due to their membership being expired and the other had not been a member yet for three years. Both members were contacted and told they could reapply next year. Sue Hill donated a camera to be raffled off at this year's NDS for the ADRC Scholarship. Sue encouraged members to continue to save Purina points and turn them into Barb Kline. The ADRC Scholarship fund receives \$.50 for each point redeemed.

<u>Publicity</u>: Sue Hill informed the membership that Todd and Dan will not be able to attend the convention and are looking for some people to volunteer to run the publicity at the ARBA Convention. They will ship items to be sold at convention. Sue also encouraged members to check out the new merchandise for sale.

<u>Standards:</u> Sue Hill reported that all items that were on the ballot were approved by the ADRC membership. ARBA Standards Committee did not approve three of those items but the ADRC Standards committee is in the process of contacting the ARBA Standards committee on these items.

<u>Dutch Reporter</u>: Sue Hill informed the membership that the board is looking into a more cost efficient Dutch Reporter and will be reporting to the membership their findings. The Dutch Reporter editor will be responsible for personally contacting all members having ads in the Dutch Reporter when their ads are expiring.

<u>Historian:</u> Sue Hill reported that all previous issues of the Dutch Reporter that Rick Billups has have been saved to an electronic file and he will be getting with Stan Goeglein to attain the issues that are missing. Old ADRC Guidebooks have also been saved to an electronic file

<u>Hall of Fame</u>: Sue Hill informed the membership that the board voted to accept the Hall of Fame standards and procedures that were presented by Rick Lehmann, chairman of the Hall of Fame committee. 2010 will be the first year that these standards and procedures will be used.

Youth Liaison: Sue Hill encouraged members to contact Sara Lape regarding any ADRC youth concerns.

<u>NDS/Convention Liaison:</u> Sue Hill reported that this year's ARBA Convention crew has a plan in place and will be reporting to the committee as the time gets closer to the convention.

<u>Audit:</u> Sue Hill informed the membership that the term "audit" is being replaced with the term "review" to better describe the scope of this committees work. The committee also noted several items that will be corrected this year in the ADRC accounting and Publicity accounting.

#### Old Business

<u>Constitution & By-Laws</u>: Sue Hill reported that the ADRC board will receive the rewritten constitution and by-laws by September 1, 2009 for their review.

## 2009 NDS OPEN BEST OF BREED

pril 25 and 26, 2009 proved to be a weekend of many firsts and surprises.

It was the first time my wife, Luann, and I were in Kansas, and the first time I showed rabbits west of the Mississippi. We found the Kansas State Fairgrounds to be quite impressive. For the first time I had an entry in the Friday night Fun Class. My 2  $\frac{1}{2}$  month old black doe was selected for first place by Briony Barnes in the Future Champion Class. I was very excited to win that class because there were many impressive rabbits also entered.

I entered four junior blue does and was thrilled that M453 won the class. The first time I ever had a first with a blue at a National Dutch Show. When it came time for best blue I thought the junior buck would win. I was stunned when the judges selected my junior doe for best blue. This was extra special because blue is my favorite Dutch color.

I started to watch the judges begin the selection process for best of breed. Usually feeling calm, I became quite nervous and had to walk away. I returned to the judges table when they marked their selections and gave the paper to Barb Kline. Best Opposite Sex was selected first. When the final numbers were put on the board, I realized I had won. It seemed as if time stood still. I started walking back to get my rabbit off of the table and was humbled that so many people congratulated me.

I didn't realize the background of M453 until LuAnn and I returned home to Pennsylvania. For the past two years Todd Biddle has been the agriculture teacher for grades 9-12 at Cumberland Valley High School. I have loaned him 6 does and 1 buck for his life science unit. This class includes breeding and raising the rabbits. At the end of the unit Todd returns the rabbits and their off spring.

This year when he returned the rabbits a couple of the blues caught my eye. M453 was one of them. I told Todd that I won Best of Breed with one of the rabbits his students raised. He shared this information with his students and they were extremely excited.

I would like to say thank you to my wife LuAnn for spending four days in the van with me and the rabbits; our daughter Laura for feeding the rest of the herd when we were gone; the Kansas Dutch Club for putting on a fantastic, well-run show; Judge Tex Thomas for selecting M453 for first place and BOB; and Judge Scott Williamson for selecting M453 for BOB.

I enjoy showing rabbits, but I am truly grateful and cherish the friendships that have developed from all over the country.

Aaron Martin

## JUDGING AT THE 2009 NDS

would like to thank everyone who helped out on my table. The only problem we had was on coop numbers that didn't correspond to ear numbers and a few coop numbers with letters at the end. Like I said at the banquet, I will always remember this National Dutch Show since it was the first one I judged at. I enjoyed judging with Kevin Hooper. I thought that we picked a lot of similar Dutch.

What do I say about the Dutch I judged? I use to think this would be such an easy article to write. The one thing that everyone needs to watch is the hindquarters. Remember they should be rounded in shape and full all the way to the table. The one thing about color that surprised me was the number of sun faded animals. A lot of them were high quality animals but maybe housed in less than ideal locations leading to sun fading.

Blacks: While they were competitive, they were not at the level you would expect from the variety.

Blues: The classes I had were the deepest of all the colors I judged. When I got down to the top five in each class I could have gone in any order.

Chocolates: They surprised me. Of course they need the typical darker color and shorten up the body.

Torts: I commend the breeders for working on the color by getting rid of the smut over the body. They really look attractive when you have good color.

Steel: They won, what more can I say. The top animals were really the top Dutch.

Gray: I only judged one class, but in that class they needed some improvement, especially in surface color and bodies.

Even though there were a few "winners" all youth are winners in my eyes. It's always an honor to judge the youth. It would be an honor to do it again.

You Can't Beat The Dutch

Some comments on the 80th Anniversary of the National Dutch Show. Well the dust has settled and 2009 National Dutch Show in Hutchinson, Kansas is now over. For those of you that attended, you may not know this, but the dust has now settled today on Monday, --- for on Sunday as you were going home there were three tornadoes that I know of in Kansas. On Saturday night there was a tornado in Burns, KS which is about 70 miles south east of Hutch and then on Sunday there was one down in the Wichita area and also an E1 tornado (small one) up in the Lawrence area in a small town of Linwood. The Kansas crew hopes that all made a safe return home.

The Kansas Dutch Club received many comments on how they enjoyed the show and the banquet and the facilities. Really when I as superintendent think about it, it is everyone that should be thanking themselves. The Kansas Dutch Club is a small club and although our club did a lot of preparatory work, it was all the willing and energetic members of the American Dutch Rabbit Club that made this show a success. We had a good entry totalling 1,164 entries and about 200 animals entered in the sales area. But this show was successful because of those ADRC members that were willing to assist us in comment taking, manning the judging tables and carrying rabbits. We also had many people that assisted in all the youth contests. Each year it seems the youth showmanship, royalty and judging contests get larger and larger. Many people volunteered to help with the royalty interviews and showmanship and judging contests.

Our judges, Scott Williamson, Tex Thomas and Erik Bengston in the open and Kevin Hooper and Troy Ihrke in the youth did a splendid job. Congratulations go out to Aaron Martin and Eric & Sharon Mixdorf for winning BOB and BOS respectively in the open and Trevor Marquis and Marissa Wells for winning BOB and BOS in the youth.

Once again, thanks to all that attended and showed at 80th Anniversary of the NDS in Hutchinson, Kansas. I hope you all had a great time and our now thinking about next year's NDS in Ohio which also be a great one.

Bob Bergene 09 NDS Superintendent

## Winners Circle

A new feature on the ADRC website giving recognition to Dutch winners. Rules as follows:

Owner must be a current member of ADRC

• Rabbit is to have won a Best in Show, Best Group, Best 4 Class, or Best of Breed or Best Opposite Sex at either the ARBA Convention or ADRC Nationals Please send a photograph; it can be of just the rabbit, the owner, judge, and rabbit, or the owner, rabbit, and award. Also send the following information:

## Youth Representative and NDS Youth Best of Breed

by Trevor Marquis, District 2

Wow! What a great weekend! Thank you Kansas Dutch Rabbit Club for putting on a great show! Congratulations to all the winners. I know I had a good time.

A list of winners is stated elsewhere in the reporter but I

want to add special congratulations to all the Illinois winners. We had a great showing of Illinois youth at NDS. There were 4 rabbits up on the table from Illinois that was in contention for BOB out of 394 youth rabbits which was awesome.

Morgan Leka - 1<sup>st</sup> place black jr. buck/BOSV.

Erica Haas - 1<sup>st</sup> place blue jr. buck/best blue jr.

I won - 1<sup>st</sup> place tort sr. buck/best tort sr. and 1<sup>st</sup> place steel jr. doe/best steel jr./best jr. overall/ BOB

I want to thank everyone who has helped me along the way since I started showing rabbits in 2002. There are way too many to list but you all know who you are. The longer you show the more friends you make in the rabbit world. Without the adults helping the youth, there would be no youth. I think I am still in shock and can't believe that I won Best of Breed. The week prior to the show I was looking at my steel doe and told my Mom that she was really nice and I should do good with her. Never in my wildest dreams that I thought I would win with her. As you know, tort is my favorite color and I work on them the most. Thank you again to the judges, Kevin Hooper and Troy Ihrke, and everyone who has helped me attain one of my goals. I also want to thank my mom for taking me to all the shows and helping out (she still drives while I sleep) and my dad for taking care of the rabbits when we are gone on our trips. Without their support, I wouldn't be where I am today. Back in 2002 I started out with 2 bunnies and 2 colors. Now I have around 50 and 4 colors and I have downsized too. Isn't it funny how they multiply.

Whenever you get a chance to help a youth breeder or 4-Her with a bunny, help them out and show them as much as you can, you never know when the next Best of Breed might be showing up in the future.

I still have not heard from anybody on any other wins in the District.

My email is marquisdutch@aol.com so please let me know of anything exciting happening in your area.

## SURVEY ON THE ADRC WEBSITE

Many of you have noticed we have a new topic for education and discussion on the website, called "Varieties with a COD". At this time, only the Chinchilla Dutch has a current Certificate of Development. You will find information on the proposed standard and pictures. The standards committee would like to hear comments from the membership concerning the development of non-recognized varieties. This venture should help educate us all on the possibilities of this new color. After all, at some point we will need to make a decision whether or not we will add this variety to the Standard of Perfection. After viewing the information, there is a survey you can fill out regarding your opinions. The replies will be posted on the website for others to read and comment on. Keep in mind that everyone is entitled to an opinion and

please do not attack or take offense if others have different ideas. We would like to make this forum productive and educational.

These are the questions posted on the website:

When using other breeds of rabbits in the development of these new colors, it will take many years to get animals that consistently show a good Dutch type. What about the colors we could have just crossing the varieties we already have? Lilac Dutch for example were very popular back in the days of the AOV class.

• If we start adding new colors of Dutch to the Standard will we get carried away with the entire thing? For example, the Netherland Dwarfs and Mini-Rex. Will this benefit our club or the Dutch breed?

- Will the Chinchilla Dutch complement the Gray and/or Steel varieties? This would still need to be proven.
- Would the Red Dutch complement any other colors?

• Instead of adding more classes of Dutch to be judged, would it be better to have an agouti class in place of the Gray?

• At many shows the number of Steels shown is not very good. Will more colors hurt the Steel numbers even more? Plus will it add to having more varieties with poor showings?

Having more colors of Dutch may just add interest from people who haven't raised Dutch before.

Please check out the responses to these questions on the site. If you would like to submit a response to the questions and do not have access to a computer, please send your answers to me and I will post them on the site so all have an equal opportunity to voice their opinion.

Respectfully submitted,

Julie Hume 1396 W Kinsel Hwy Charlotte, MI 48813 517-543-3358 e-mail: odie@cablespeed.com

## The Art and Photography Contest for the 2009 ARBA Convention!

We are looking for an art picture, drawing, or photograph to advertise the 2009 ARBA Convention for the website. It will appear on the Home Page of the American Dutch Rabbit Club website to promote the show. The following rules apply:

Must have a Dutch rabbit displayed.

Must be an original art project or photograph done by the person submitting the picture.

Person submitting the item must be a current member of the American Dutch Rabbit Club.

Open to all ages.

Deadline for submitting online is July 20th, 2009 and by mail must be postmarked by July 15th, 2009.

All entries complying with the rules will be considered.

One entry per person.

Items will be judged by a three person panel selected from the board of directors and will be judged without benefit of knowledge on who the pictures have been submitted by.

The winning picture will be displayed on the home page of the website starting August 1st until October 31st.

Some additional guidelines:

Pictures that have relevance to the show are encouraged. The 2009 ARBA Convention is being held in San Diego, California and the slogan is "The Endless Summer". The person submitting the picture may use a caption, but it is not a requirement.

Please send all entries to: Julie Hume 1396 W Kinsel Highway Charlotte MI 48813 odie@cablespeed.com

J you have a question you wish to pose for either the **Jadge**" or "**Ask the Breeder**" columns, just e-mail or mail your question to me. These columns are an avenue where you can ask questions and advice from the professionals in our organization. For the judge's column, you may ask questions such as judging criteria, presentation on the show table, what it takes to become a judge, and proper etiquette as a few examples. For the breeder's column, questions can range from feeding, conditioning, breeding techniques, rabbit care, how to improve your herd, anything that people who have been breeding Dutch rabbits for many years might have suggestions on. If you would like to participate on the panels, just drop me an e-mail and I will add your name to our groups. The questions will be e-mailed

What is the proper way to determine if a rabbit has a tied elbow?

#### From Kevin Hooper:

Determining if a Dutch has a tied elbow is quite easy, providing that the Dutch has a typical tie? For most Dutch, the easiest way is to turn the rabbit over while maintaining its' posed position, then place your thumb on the elbow. Is the color touching the elbow joint? If so, it is tied.

Now, there are some which look tied while moving in the pen, yet when you turn them over, they do not appear tied. They then get the benefit of the doubt. Others may have a drag running up the inside or outside of the leg, not touching the elbow, again, benefit of the doubt to the rabbit.

Lastly, as a judge, you have another option. Let's say a Dutch has a big drag running up between his front legs, yet it does not touch the elbows? What do you do? In this case, unworthy of award comes into play. This is not to say the rabbit is disqualified, but that the fault is so severe that it should not get first in a class of one.

#### ASK THE BREEDER

The question that was listed in the magazine was as follows:

#### How do you feel about the proposed new varieties? In what ways do you feel the addition of these colors will help or detract from the breed?

There were no replies to that question, but I will take one of the questions that are listed on the website survey on varieties and list the replies we have received on that:

# Will the Chinchilla Dutch complement the Gray and/or Steel varieties? This would still need to be proven.

• I think the Chin would compliment the Steel much more than the Gray, especially when the ring colors between the two Agoutis are so different. The Chins would be able to be bred with a straight line bred Black. Other breeds have had trouble with brown tint to their Chins and breeders are finding it best to keep Chin to Chin. And again, with our varieties, the Black could also be worked into the mix.

• The addition of the Chinchilla gene will allow for a true silver-tipped steel. In my experience, judging breeds that recognize both silver- and goldtipped steels (such as Mini Lops) the silver-tipped steels are usually more even in color. Our Standard has been changed since I started raising Dutch (calling for "off-white" ticking) but still prefers a silver-tipped steel, whereas our gene pool only allows for a gold-tipped steel. Chins and Grays will not help each other much, and should be kept separate to avoid muddying up the Chin color.

• In my herd steels far out number any of the other colors. I have always been drawn to this color. However according to our standard we are asked to have an off white or cream ticking. This is not what we have and a common comment on the tables is that the steels are too brassy. This, in my opinion is due to the fact that we are producing a steel on a gold background, getting the ticking from the grays in the breed.

I think that by adding the chin (if type can be maintained) to our breed we will better be able to produce what our steel variety standard calls for. Building a steel from a chin base will give us the desired off white ticking, thus a silver tipped steel.

Lops(minis) are a great place to observe these two different types of steels. Ones that are based on a chin back have silver tips and ones that are based on a chestnut are gold tipped.

• This is unknown at this point. But even if it does, that does not mean we have to add that variety to our show room classes.

• I think Chin would spark interest in steels, if it could help produce a steel more consistently. Many smaller breeders don't/won't raise steel because of the hodgepodge of animals they must have to produce the color. Then throw the markings in on top of that. That's tough!

You Can't Beat The Dutch

• I believe the Chinchilla Dutch will eventually compliment our steel Dutch as well as making a positive impact on grays. I feel that the Chin Dutch will be widely accepted and a very popular variety when it is finally approved and I applaud those that take the time and dedication it requires to develop this new variety.

• Chinchilla is to close too the gray and steel. I feel it will not help.

• Not sure, but why fix something that's not broken?

• IF and I don't have any experience in breeding chins, they MAY help with the steels. The steels are TOO brassy now. I raise steel as my main color now after many years at torts. I have found that the older animals go very brassy. The chin color will make them more of a gray tipped steel instead of a gold tipped steel.

• I would like to see it stand alone.

• As I also raise French Lops, I will say that the Gray/Chestnut and Steels do cross very well with Chins. I can't say how it will run with Dutch, but if it did that'd be grand.

• There seems to be a hypothesis that the Chinchilla can help our steel. If this is true, it may be something that needs to be considered. But the problem that I have with the Chinchillas and the Reds, is that another breed has to be used to introduce the color. I really do not support creating colors with other breeds that will affect the type we want to see on the Dutch.

• ???? In mini rex, I believe the chinchilla has something to do with himis, seals, and sables?????

• I'm not sure. From what I've heard, it might, but it could also just as easily end up making the color get even worse as time and generations go on.

• Based on genotypes and the fact our steel Dutch presently are a gold tipped due to the gray agouti gene, the chinchilla could enhance to the silver tipped called for in the standard. But, in dealing with the chin gene, the breeding line for steels must be carefully monitored to be kept separate from being introduced in other varieties.

• I don't know how the chin gene works with the steel gene. I am not sure that it would complement either the gray or the steel variety.

• It may, I am willing to try, but the question is: will it breed true or is it a "man-made" color, like the steel.

• Chins should be breed to chins, best case.

Since they are both AGOUTI pattern varieties you can bred them together without worry about any DQ's.

When breeding chin to steels remember that a steel is an add or take out color. So a steel is bred to a self/agouti pattern depending on its color. Plus the Chin will bring back the silver steels that we have lost to the gold steels.

• That's hard to say, I do believe (don't quote me on this) that the chin and the gray have a different ring color pattern so I'm not sure if they would compliment so well together. I have also seen in other breeds where you get a chin with an agouti or gray coloring to it. Same with the steels.

\*\* Editor's note: I find it interesting that a number of the comments above give reference to the Chinchilla helping the Steel color "get back to what it used to be" or "what it should be", yet one BOB and 2 BOS from the NDS this year were Steels..... hmmmm, maybe the Steel color is not really as bad as many think.

#### Questions for the Jul/Aug/Sep issue.

We would like to see more suggestions, opinions, and views for our breeder's and judge's questions. Therefore, the questions for the upcoming issue are listed below. We welcome any of the members of the American Dutch Rabbit Club to submit an answer to the breeder's question and any judge to submit an answer to the judge's question. Entries must be postmarked by July 24<sup>th</sup> or e-mailed by July 28<sup>th</sup>. Mail to:

Julie Hume 1396 W Kinsel Hwy Charlotte MI 49913 e-mail: <u>odie@cablespeed.com</u>

<u>Breeder's question:</u> How do you get started in raising Dutch? How do you choose a breeder to purchase from? Do you ask for a pair of Dutch or a trio? What should a breeder sell you (type, color, markings)?

<u>Judge's question:</u> A member mentioned a bit of frustration while a class was being judged and people were chitchatting at length with the judge. Can the judge fairly view the rabbit while holding a conversation? On the other hand, some judges stop judging to hold conversations of several minutes in length, thereby creating delays in judging the classes. As a judge, how do you handle it when someone wants to talk to you while you are judging a class, or even if you wish to talk to someone? And, can you fairly evaluate the rabbits if you are holding a conversation?

As well as doing the "Ask the Judge" and "Ask the Breeder" column, Julie also handles the ADRC website. And...... when she is not doing any of that, she has a modeling career !!!!

Thanks, Julie.....for all you do for the ADRC !

## DR Editor Report

Spring is here, and Summer is right around the corner. I can't say that I am sorry to see Winter go, but I am sure before long I will be cursing the hot weather and wishing for those cool days again... notice I didn't say "cold".....

Summer is a time to really get the Dutch in front of the general public at the Fairs, however we should all make sure the animals are "safe" from the heat if we take them to those events. As hard as it is to get a good showable (and breedable) Dutch, we don't need to be jeopardizing them for the sake of the \$2.00 premium. There are a number of Fairs that provide good conditions for the animals, and many have gone to a one day show so you don't have to leave your animals for several days. Good Luck to those that show at the Fairs.

This issue is loaded with good material from the 2009 National Dutch Show in Hutchinson. From the articles and pictures, I would say the Kansas Dutch Rabbit Club did a fine job of sponsoring the premier event of our breed for the year. Thanks to all those that worked in any way to make the NDS a success. I wish I could have been there.

I have not received information on the 2010 NDS at this time, but if I happen to get anything before going to press, I will try to squeeze it in if possible. I know we all like to start making arrangements early.

The minutes from the Board and General meetings held in Hutchinson are orinted in this issue. Make sure to read through them and contact any of your officers or directors if you have questions or concerns.

I would once again like to offer my THANKS to Steve Wilch for taking pictures for the DR. Steve goes the extra mile at the NDS as well as the ARBA Convention, to insure that we all have excellent quality pictures of both events. You must realize what a sacrifice this is for Steve, as he misses out on a lot of his own leisure time in order to provide us with visual memories of the rabbits and people. Next time you see Steve at a show, whether he is taking a picture or

not, stop and tell him how much we all appreciate his never ending efforts for the ADRC and the membership.

For those of you that may not recognize Steve or know who he is, here is his picture. Someone finally caught him out from behind his camera. Not sure which show this is at, but I'm glad they captured him.

## From the Sweepstakes Chair

le Sweepstakes for 2008 is now history. Congratulations to the winners, and better luck next year to the rest of us. What we must remember is that as long as we are showing and competing with our Dutch rabbits, we are all winners in the long run, regardless of how many points we earn. The camaraderie and enjoyment of the Dutch breed and people are all the awards we need.

The ADRC offers several variations of the Dutch Sweepstakes, and I hope it is realized that when

Scott Williamson 2008 Open Sweepstakes Rabbit of the Year & BOB Quality Points

a youth shows in an Open show, the points earned by that Youth for the show are counted in the Open sweepstakes. This sometimes may make it seem that a Youth is not getting credit for all of their points won, but they are. It is just that some of the points may appear in the Open sweepstakes standings.

For anyone that wishes to keep an accurate count of their sweepstakes points through the year, I would suggest using a spreadsheet or something similar. The method for figuring each aspect of the sweepstakes is outlined on the ADRC website, and if anyone has questions regarding how a particular facet of the sweepstakes is tallied, please feel free to contact me and I will see that you get a copy of the sweepstakes Guidelines.

The sweepstakes standings listed on the following pages are the FINAL STANDINGS for the 2008 sweepstakes year. I will also try to list (if space permits) the 2009 sweepstakes for those shows which have been received and recorded at this time. At this moment, we have received and recorded 329 show reports. A list of the 2009 Standings has been sent to Julie Hume for posting on the ADRC website in the event there is not enough space to list them in this edition of the DR.

Please remember that IF your membership is not renewed within 60 days of your expiration date, you will lose all points accumulated for the sweepstakes year. No points will be reinstated once they are lost.

Please do not hesitate to contact me if you have any questions or concerns regarding the ADRC sweepstakes.

You may email me at: normahart1@cbcast.com

Enjoy the shows!
