FROM OUR MEMBERS.....Norman McNary, McNary's Rabbitry.....

I am writing in regard to an article that appeared in September issue of 1970. The article entitled, "is it Fair?"

This set-up would provide a lot of work for secretary's and if we were to have a standard set up on points it would work a lot easier.

Say we try it this way....50 points for BOB. 25 points for BOS, 25 points for BV and 15 points for BOV. Then if desired you could add 25 points for Best Senior all colors. 25 points for Best Junior, all colors. This system can do the same as the other article stated, promote larger entries, This is something to think about, it will help the single rabbit in the class and give more points to the rabbit in the larger classes.....(thank you Norm, for expressing your opinion, Ed,

From: Director Clyde and Doris Jones

I know you have wondered why you haven't heard from Clyde recently. I had back surgery and can't do anything until June. So poor Clyde has been working overtime on his job, taking care of me and doing housework, cooking, etc. and the rabbits. He's so tired at night he doesn't feel like doing anything. I was down practically all year with my back and got very little breeding of the Dutch done.

We are looking forward to going to the A.R.B.A. Convention this year if everything goes well with my back.

Hope the National Dutch Show is a big success, wish we could go!

DUTCHENG TIPS

By: Tom Shufflebotham

I would like to make a few comments on some of my remarks in the March issue of the Dutch Reporter relative to the attitude of our judges, their nomination and election to judge our two top shows (the Convention and the National Dutch Show). Well, it has happened again, at the last minute, they decide not to fulfill the appointment. The next in line is asked to take his place, and I feel this is very unfair to the members and the other judges. I had been looking forward very much to exhibiting at this show along with my partner R. K. Brown who has been very good and kind to me the past few years - working with my stock and driving to most of the shows with me and actually running the rabbitry. He is a hard worker, a good showman and above all a good sport. When I was asked by our president if I would be willing to judge the show, I told him I would leave it up to Mr. Brown as I knew how much he was looking forward to exhibiting our own rabbits. Knowing how I feel about the A.D.R.C., he said, go ahead and accept the appointment, my wife and I will still drive out to the show with you. This will make every show with the exception of one that I have attended since its reorganization, Detroit 1934. I feel it is a real honor to be nominated to judge either of these two shows. I urge that in the future elections that judges turn down the nomination if they feel there is the possibility they will not be able to fulfill the appointment.

There is a very interesting point about the election of our new secretary - This is the first time the Dutch Club has had the PEOPLES CHOICE as secretary, all others have been appointed to the office in their first term by the board of directors. On reorganization, our first secretary Mat Welling was appointed, after him came R. L. Souress, then Mrs. Neubauer, followed by Madeline Grables, then Mrs. Weinhardt and now Doris Leibel. This is a very hard position to fill and I hope that the membership has made a wise selection and give her their all out cooperation so that she will be a credit to our club, and always work towards its success!

DUTCH DEN NEWS by DORIS

Another month as your new secretary has rolled by. I haven't heard from anyone regarding our incorporation but can see that many things will be discussed at the upcoming National in Maryland.

I have double checked the membership files as best as I can but if a name doesn't appear in one of three places I have no other reference to go to, so there will be isolated instances that will have to work themselves out.

We had roughly 20 D.R.'s returned in Feb. for address corrections and to date only two for March have come back. This is a good sign. I am sure that we are all aware that once in awhile things will go astray in the mails, but will have to keep trying.

Regarding the format of the show reports. I had been informed that apparently too much space was being wasted, however if you will note the over all effect, we still are only getting two and occasionally three on a page and readability has been lost. Readability was one of the "big" deals when I first took over the D.R. Many members wrote in on this topic and that is why I am so conscious of it.

I had hoped to hear from some of you "old timers" that you didn't want ribbons, but no luck...

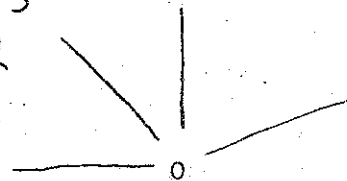

As I see it, financely speaking we are going in the hole. Mrs. Weinhardt turned over a check for \$600.00, but the earmarked funds against it totaled \$496.17. The cost of the trip to Manchester to pick up the records was \$80.00 (Gas, \$52.02. Tolls \$8.10 and trailer rental, \$19.88) went a total of 1,391 miles. Basicly a total of \$23.83 general fund was turned over. D.R. expenses have been heavy but am re-stocked now on supplies and the rate they are used depends on the size of the D.R.

Elsewhere in this bulletin you will find listed the winners of the 69-70 Sweepstakes Series winners. If there are any questions, please notify me at once. I will be taking the trophies to Maryland with me and will be sending those to the West Coast winners about that time. I have sent the 1st place trophy for the 68-69 winner to Clipfort Rabbitry and Mrs. Weinhardt tells us that the rest of the details pertaining to this mix up has been taken care of.

A sincere "thanks" to the members of the Suburban Twins R.C. who have been helping assemble and type the bulletins. Linda, the number one daughter, has been faithful in doing the ads. Don Unruh typing the show reports and figuring points. The Gitzens helping to assemble. All of these things have helped me to get over the hump....

From Our Directors

Patrick P. Herman

SHAME SHAME ON ME!

'71-'72 ADRC Director

I have non-chalantly been letting the American Dutch Rabbit Club fall into a state of complete financial embarrassment. Too many years I have felt it sufficient to merely pay my membership dues or make an occasional support to advertising or pay for a sweep-stake show sanction and paying little or no attention to the financial struggles of the American Dutch Rabbit Club.

Per Doris's letter to the Directors on her return from Manchester Michigan it is very obvious that we must come up with some financial solution.

For Shame we ask Doris Leibel to be our Secretary-Treasurer without first penalizing her. To begin with, we have no money to reimburse her for the accrued expenses of this trip. She indicates actual outlay of \$79.85 but as sure as the good Lord made little green applies, she spent more than that; also there is this item of car expense and/or depreciation. I would hate to be requested to latch on to a trailer and haul across country for anything less than 15¢ per mile.

After several days of soul searching, I can only conclude that we must pay her back and the sooner the better. I think this should be done by cracking down on the membership; after all this club does not only belong to the officers, but to an excess of 550 members.

Initially on a quick money raising program we could perhaps start a buck a month booster membership system that would have some fringe benefits. The rules could be simple; it would be voluntary with members having choice to pay retroactive up to five years or initiate their boostership with the present. Five year paid boostership would have special privileges for the booster; such as one-half rate advertising benefits in the Dutch Reporter and/or the Dutch Guide book for the remainder of the boosters life. Also buck a month boosters having advance paid for a total of one year, the booster would have such recognition in the Dutch Reporter. Further a five year paid booster would be listed as a life booster. Life boosters would be listed in the guide book. Sixty dollars would be the maximum a buck a month booster would pay to gain this special recognition and added privilege. So much for what we might offer to the voluntary supporter.

On the compulsory side, we must rake the entire membership. We all realize the existing three dollar per annum dues is much to little to meet the cost of adequately operating our club. Repeatedly we must function as though we are garbage pickers, when in reality

SHAME SHAME ON ME! (Continued)

the Dutch is a first class breed of rabbits; we that keep them should represent them in kind. It is my opinion that our dues must be raised to either \$5.00 or \$6.00 per Annum. Such membership boost would help the general fund between \$450.00 and \$600.00 per year. Naturally it would strengthen our show fund and assist our publicity and secretarial outlay. To say the least, alot of help is needed in all these departments.

In my carful consideration of both of these proposals, I tried to be mindful of the fact that this should not be a short lived undertaking. I am confident that after you will have studied them a little there won't be any doubt that we must adopt something of this sort soon.

Did you realize that less than 8% of our membership advertised in our last guide book? The last Dutch Reporter has only about 4% in support. We are approximately a 96% non-supporting membership.

A REASONABLE VERDICT

In the good old days of the roaring west, a trial was held after one feared gun-toter had been shot dead by a ranchman always considered most peaceable.

After due deliberation, the jury reached its conclusions and read this verdict to the assemblage:

"We find that the deceased through his own misjudgment did committ suicide - by means of opening fire with a .45 revolver at a range of over 100 yards upon the said Link Johnson, he being armed with a rifle....."

WE WISH YOU
A CAY DAY

In those days before baseball grounds were lighted many a game had to be called on account of darkness and many were the arguments ensuing. The story is told of one pitcher and catcher pair who won an argument without saying much.

The dark was thickening and things were hard to see but the stubborn umpire refused to call the game. So, after a mound conference, the pitcher wound up, threw and there was a thump, as the catcher took the supposed ball in his mitt. "Strrrrrrike one," yelled the official. "Strike nuttin", complained the batter, "that was way wide".

The game was called as the pitcher showed the ball still in his possession and the catcher displayed an empty mitt....

More from our members.....

From Dave Paul: Referring to the letter from Sandy Fisk and C.C. Hutchins about the point for BOB, 1/2 point for BOS, point for Best in Variety and 1/2 point for Best Opposite Variety, I think this is real good and would like to see it brought to vote.

From Theodore Stewart: Buena Park, Ca....Now regarding the Fisk-Hutchins article. It sounds like a very good system to me and I would certainly vote for it if it comes to a vote of the membership.

From Letha Lindsay, Hamilton, Ohio...I think that the Fisk-Hutchins ideas of credit ing extra points to winners is good. As Mr. Carter says, there are a lot of Dutch Shows that win BOB & BOS and there are only 4 or 5 in the class. I, for one, am that way. You have my vote on this....

From Roy Fox, Cridersville, Oh...We have a Dutch Fancy and in my belief the sweep-stakes rules are laid out to help the large as well as the small fancier. Perhaps I would gain in one show and lose in another. I can't see where this would make any difference to most breeders. It would help those that get their pints at Fairs and I, like many others, won't waste my animals a week away from home for a few lousy points. I have too many reasons against the idea of extra points as advanced by Sandy Fisk and C.C. Hutchins, therefore I would vote against it.....

YOU CAN'T BEAT THE DUTCH

To the Officers of the American Dutch Rabbit Club

Friends:

Since there is no State Dutch Club in the state of Washington at the present time we the undersigned, all members in good standing of the National Dutch Club, wish to submit a bid for the 1972 National Dutch Show and Convention to be hosted by the Three Rivers Rabbit Growers in Kennewick, Washington.

We have excellent show facilities which include a new show barn, completely air conditioned and facilities to hold at least 1,000 rabbits.

There is quite an interest in the Dutch rabbit in Washington and the Pacific North west and if we are successful in our bid we can assure you of a good show.

Kennewick, City in the Sun, can offer you excellent motel accomodations and restaurant facilities at reasonable prices and we also have a nice banquet room.

The Three River Rabbit Growers of the Tri-Cities are hosting the 1971 National Palomino show and 1971 Washington State Show and Convention. With the great backing we are receiving from our Tri-City Chamber of Commerce and the Benton-Franklin Fair Board we feel that you would be proud to promote the Dutch rabbit in our great area.

Signed by: Charles L. Creech, John T. Miller, Charles G. Chinn, Susan Wortman, Larry M. Dugan, Tammy Gordon, Jim Kelly (V-P Three Rivers Club) We also have the backing of Norris Barber and Lester Helm, A.R.B.A. Judge.....

(From Doris, thank you for submitting this bid. I will forward it to President Reid and it will be acted upon at the Board meeting, 1971 National Dutch Show)

May 15, 1971	Lawrence Co. RBA at Fairgrounds, Lawrenceburg, Tn. Sec. Mrs. Rosemary Buckner, R#2 Lawrenceburg, Tn. 38464.

Remember, there is delay when sanction requests and membership applications are sent to Mrs. Weinhardt, who in turn must forward them on to me. Sometimes this takes three weeks and makes it hard to list your show in advance. May I quote our Official Sweepstakes Rules. RULE 1, A show must be sanctioned by the ARBA and ARBA sanction number must accompany application to the ADRC. Rule 2, The club wishing to sponsor a Dutch Sweepstakes must write the Secretary of the ADRC for permission to hold such a show. Request to be accompanied by a fww of \$6.00 which included a one dollar listing fee in the Dutch Reporter and MUST BE PLACED AT LEAST 60 DAYS PRIOR TO DATE OF SHOW.....

Many requests neglect to mention the ARBA sanction number and the fee sent omits the listing fee, many sending \$5.00 instead of \$6.00. This causes delay in processing your sanction request.
