## President's MESSAGE

**M**y congratulations go out to the Upper Midwest Dutch Rabbit Club for hosting one of the smoothest running National Dutch Shows ever! There just seemed to be very few problems that came up, and it went very well.

Congratulations go out to the Big Winners as well. Bob Hessick from Ohio won with a sharp Black Jr Doe in the open, and Fritz Trybus won again in the youth with a nice Gray Jr Doe. There were a lot of nice Dutch at this show. Congratulations go to all of the winners.

We had quite a busy Board meeting on Friday night. The biggest item that was discussed and then brought up during the General Membership meeting, was the possibility of lengthening the NDS. The discussion was based around the fact that our NDS has grown in numbers and activities. Most felt that it would be better to start sometime on Friday with part of the judging, so that we were not so rushed on Saturday. Most seemed not to like the idea of part of the show on Sunday. A couple of possibilities exist here. We could have the fur class judged on Friday. We would have one of the youth judges judge the open fur, and one of the open judges, judge the youth Fur. Disqualification's would apply. Any rabbit that was DQ'ed during regular judging of the NDS, would be DQ'ed from the fur class, and the placements would be adjusted accordingly. We could also have the animals due in by 12:00 noon and the regular class judging could start at 2:00 or 3:00. We may be able to get through the blacks on Friday, and that would lighten the load on Saturday. What does the membership think? Let your board representative or myself know what you think.

The computer program that we have had developed is up and running. We are in a transition period to get it to our Sweepstakes Chairman. Fran Schettler has been doing the input and will be

working with Jeff Andrews to get him up to speed on how to operate the system. The first reports processed from this system are printed in this issue.

One issue that I brought up was the freckle DQ in the Dutch. I also mentioned this in the last issue. The majority of those present seemed to agree with the "if it detracts from the appearance of the animal" then it would be a DQ. I will be in contact with the ARBA Standards Committee on this.

Doreen had reported to me that we had over 100 ballots on the proposed standard changes this time. That is a much better turnout than the 23 ballots the last time. The results should be printed somewhere in this issue.

The resumes for those wanting to run for office are in this issue as well. Please take the time to look these over. the ballot will appear in the next DR.

The Board is also looking at the creation of a web page. Alan Kennedy of Kansas was involved in the creation of the Kansas RBA's web page and has volunteered to create one for us based on their page. We would have to find someone who would do the updates. What would you like to see on it? Send your ideas to us and we will proceed.

Anyone who has an interest in the 2001 NDS? We are going to York, Pa the last weekend in April of 2000. Ohio has an interest in the 2004 NDS. The Ohio bunch can host before that if we have no bids, but they need to know soon if they will have to get busy on 2001.

What can we do as a club to make raising the Dutch more interesting, more enjoyable or more challenging? Let us know your ideas.

*Kevin Hooper*  
*New Vienna, Ohio*  
*khoop1@juno.com*

### DISCLAIMER

Articles, statements, and opinions printed or expressed in the DR may not be those of the ADRC or the editor and are solely the responsibility of the authors.

## Sec/Treas MESSAGE

**T**hank you, Thank you, Thank you. That covers, the National Dutch Show the balloting and an extra Thank you just in case. You will find the standards balloting report elsewhere in this DR, but you are to be congratulated on your response. This was such an important balloting because it will send a strong message to the ARBA standards committee that Dutch members feel strongly about their breed and are willing to put forth the necessary extra effort to let their opinions be heard. Thank you to Eric Mixdorf and the ADRC standards committee for all of their efforts. Now we need to watch and see if the changes produce what we are looking for and we must be prepared to evaluate carefully and thoughtfully again in a few years. Although not everyone voted for all of the items on the list, your no vote and your comments have been carefully listened to. Let's all give the changes that we approved a chance and keep in mind that if need be they can again be amended in 5 years.

Special mention must be made to Sue Strandwitz and Roger Guetschow who worked and worked and worked to keep the NDS going. I am sure that they are finally now enjoying a respite from the HUGE task.

Your next election ballot will probably arrive before your next Dutch Reporter, so please read over the resumes printed in this issue and cast your ballot in August for your choices, and I must Thank the candidates for thinking enough of the ADRC to present their names for consideration. Can you send a little to Rick and Julie Billups to help with the ARBA Convention? If so, please do it now before you forget.

And then remember that the 2000 NDS also will need our support. It seems sometimes that the NDS has gotten to be such a large event that people are afraid to tackle hosting it. Maybe if those of us that enjoy that weekend so much would

offer our services in whatever way we could it would make the burden just a little lighter. Hope you have some little fellows in the nest boxes by now for the Convention this fall.

## DISTRICT ONE REPORTS

### NEWS FROM SUE

**H**i Everyone, Just got back from the National Dutch Show in Oshkosh yesterday. We took a shortcut via northern Wisconsin to visit my parents.

The Upper Midwest Dutch Rabbit Club did an absolutely wonderful job of making this show an unqualified success. Everything ran so smoothly. The facilities are fabulous. Just wish we could move these facilities around the country. Plenty of room to move around, excellent ventilation, and everything in one place. Also the motel facilities were very nice. We really appreciated all of the work that went into this and wish to thank everyone involved for a truly enjoyable experience.

Also, I want to congratulate all of the winners. Best of Breed went to Bob Hessick from Ohio, who won with a stunning black junior doe. It was a thrill to see Bob win. He has excellent stock, and truly deserved the win. Also, congratulations to Don Johnson for Best Opposite. He traveled quite a distance to get to this National Dutch Show.

Sharon Mixdorf brought up something at the show that I am quite concerned about. She said that they are seeing excellent rabbits disqualified for "flesh spots" or "freckles" that in some cases are barely visible. Does this mean that we are to put spots on the skin above type and fur? I think we will be doing the breed a great disservice as we will be culling out otherwise excellent animals for something that is very minor. I just spoke with a

Dutch breeder in Ohio this morning, who had a very nice doe disqualified for a freckle on her gums. This is getting very petty. I would like to suggest that the standard be changed to say that a few points be deducted if an animal has a mark that is truly visible, rather than checking inside body cavities to see if there is a freckle. The deducted points could be increased or decreased according to how unsightly the mark actually was. It is difficult enough to raise a good Dutch rabbit without adding these ridiculous requirements. Marks do not appear generally to be hereditary, and often are the result of injuries when the animal was young. This will be one more reason people will prefer to raise solid colored rabbits.

I recently talked with Joe Henry of Marietta, Ohio. He has a lovely little chocolate doe that took Best in Show a couple of weeks ago in the lennerhasset show held there in Marietta. Congratulations, Joe. Many of you probably don't know Joe Henry, as Joe can't attend the national shows, but he raises some truly beautiful Dutch rabbits. He had some other really good news, too. His doctors have given him a clean bill of health after a serious bout with cancer. We praise the Lord for that, don't we Joe?

I guess that this is about all for now. There are several good shows coming up, and Penn and I will be looking forward to seeing many of you there.

**Sue Peters**  
**Morgantown, WV**  
**PENNSUE2@aol.com**

### NEWS FROM MARTY

**M**ark and I got home safely after a wonderful time we had at Oshkosh. We stopped along the way to load up on some delicious Wisconsin cheese to bring home with us and to eat along the way. I can not thank the Upper Midwest Dutch Rabbit Club enough for putting on such a terrific National Dutch Show, especially Roger Guetschow and Sue Strandwitz..

I applaud all the winners. Everyone who

attended had a wonderful experience, and the weather just doesn't get any better than that. The Eastern Dutch held their spring show for open and youth in Fredericksburg, PA. Many thanks go to John Graybeal for organizing and planning the show. We had our meeting and are eagerly anticipating sponsoring the 2000 NDS in York. We committed ourselves to making it the best NDS ever.

Summer is fast approaching. Keep those bunnies cool and give them plenty of fresh water. Hopefully every one of us has a winner for the fall. I hope to see all of you at the upcoming shows and look forward to going to the Convention in Louisville, Kentucky.

I am running for District #1 Director. Please vote for me.

**Marty Preede**  
**Westwood, New Jersey**  
**mpreede@bellatlantic.net**

## DISTRICT TWO REPORTS

### NEWS FROM TROY

**I** hope everyone was at the NDS in Oshkosh. Congratulations to Bob Hessick with that BOB win and Don & Carol Johnston with BOS. I believe that Fred & Kathy Mullinax should be mentioned in winning Best Senior with that Steel Doe. I am sorry to everyone that I was late on Friday. That whole weekend never went right for me.

This is my opinion on the proposed standard changes; #4 adding the feet, legs and tail section is not the answer to cow-hock legs. The development of the kit in the nest box the first two weeks, adds to the cow-hocks problem. So all what we need to do is flip the kits in the nest box and work on lower HQ's. The point distribution looks great, except for the feet and leg section. The other thing that could make a Dutch stronger in years to come is add five more points to body from fur and color, which is ten points each. Move those down to a total of 15 points is a very slight change that really does not affect our Dutch, except in body points where body and markings would be equal!!!

I am sorry to those of you that I represent. My job and some other personal things going on in my life have kept me from fulfilling my obligation to you. Hopefully most of that stuff is now done and I can concentrate on the Dutch club.

I hope everyone has all their does bred or nest boxes full of high quality baby Dutch for Louisville, Kentucky. The spring/summer show season is in full bloom up here. Good Luck to everyone (remember to beat a Black for me)!!!

**Troy Ihrke**  
Owatonna, Minnesota  
t ihrkechoc@aol.com

## NEWS FROM SHARON

I hope everyone and their rabbits survived the tornadoes. The weather in Oshkosh was perfect. Everyone seemed to have a good time. I liked having the membership meeting be seated, as it seems, it wasn't so rushed and members actually got to voice their opinions. If you have ideas or strong feelings on any things discussed there, you should write an article to the Dutch Reporter. We need to know what everyone is thinking.

I need to clarify my opinion on the freckle situation. I only brought up the issue because a couple of members had asked me, as a director, to try to get the freckle DQ out of the standard. At least this is what I think they wanted.

It seems that where they have been showing, there are some new judges that have gone out of their way to really look for these freckles. I myself feels that rabbits should be disqualified for having a freckle, as I feel it is an inherited trait. If you know the animal had a dark spot because of an injury, then certainly use it for breeding, but you just won't be able to show it. A few years back there was much talk of freckles, and people got rid of rabbits for having them. I don't see nearly as many anymore, but did find 2 or 3 bunnies with them this Spring at our house. It was explained at the meeting that there would not be time before the next standard to change anything about

this. But certainly the judges could somehow be informed to not go out of their way just looking for any little thing, so they won't have to place so many rabbits.

Somehow all the judging in Oshkosh, got done in good time. So many people just jumped right in and helped. Sue Strandwitz says if they had all the cooping permanently there, she would not mind holding more National Dutch Shows.

Thank you to everyone who helped make it a wonderful time.

**Sharon Mixdorf**  
Waterloo, Iowa

## NEWS FROM RICK

The 1999 National Dutch show is now behind us and I want to congratulate all of the winners. I was extremely happy to see Bob Hessick from Ohio win BOB with a very sharp black junior doe and Fritz Trybus won BOB in the Youth show. The Upper Midwest club did another great job of hosting this years show, many thanks go out to everyone involved in the show. It takes months of preparation and sacrifice to host such an event that is over within one short weekend.

The Louisiana Dutch Club has hosted several shows this spring with great success and is continuing to gain momentum. Jimmie Daniel from Louisiana won Best in Show this spring, which helps to increase the awareness of the Dutch Rabbit in the southern portion of the country. The Southern Dutch Fanciers teamed up with the Louisiana Dutch Club and hosted a triple show at the beginning of March. Julie and I were not able to attend but I understand everyone had fun and enjoyed the wonderfully wet weather.

The Southern Dutch Fanciers continues to grow despite the normal growing pains of any club. A specialty show was hosted in conjunction with the Smoky MT. RBA in Knoxville, TN on May 8th with Fred and Kathy Mullinax winning BOB and BOS in the open show. Kevin Hooper did the judging for the open and youth shows

with over 100 Dutch being handled. Their next Specialty is scheduled for July 3rd in South Carolina. Keep your bunnies cool and will see ya in Louisville.

**Rick Billups**  
Goodlettsville, Tenn.  
rjbillups@juno.com

## DISTRICT THREE REPORTS

## NEWS FROM FRAN

My husband Jim and I have just returned from the National Dutch Show in Oshkosh. Our thanks go to the hard working crew who put on this successful show. Although I wasn't certain until practically the last minute about whether we could go or not, our travel arrangements flying with the rabbits ran very smoothly. I was certainly nervous about it as we had to travel on United Airlines so that I could use a frequent flyer ticket. Fortunately United worked out very well and the rabbits traveled well. There was no mention from United about having to put the animals inside a dog kennel.

It is with great sadness that I have to announce that the biggest news in California is the tragic death of Lynn Gillis of Indio. Lynn, 44, and his father before him were dedicated breeders of Dutch rabbits. Lynn was the President of the Southern California Dutch Rabbit club, and he was the club historian for the California Dutch Rabbit club. Lynn was one of those people who would always volunteer to help out and would work quietly behind the scenes getting the job done. He was always willing to help, and it was this very characteristic that may have led to his death. Lynn died in his own home, the victim of random gang violence. Two youth are apparently in custody for his murder.

Joanne Purpus of Leucadia, California is spear-heading a drive to raise enough funds (\$500) to have a plaque donated in Lynn's name to the Doc Reed Memorial Library at ARBA. Lynn was very much

interested in the history of the Dutch, and it was felt that this was a fitting tribute to his life. I want to thank my fellow ADRC Directors for approving my motion for the ADRC to donate \$25 to this fund. Anyone else interested in contributing to this worthy cause should send their donation to Glen Carr at ARBA and be sure to notate that it is being donated in Lynn Gillis' name.

The Northwest Dutch club is gearing up for their 1999 year, and it sounds likethey have another exciting year planned. The Double Dutch Club is about to have several specialty shows in May in Stockton and in Reno. The California Dutch Rabbit Club will be having a double specialty in July in Corralitos, near Santa Cruz on the coast. The Southern California Dutch club is trying to regroup following the death of their President, and Vice President John Eubanks will step up to the Presidency. The Roadrunner Dutch club is busy planning their 1999 specialty shows.

*Fran Schettler*  
*Danville, Calif.*

## NEWS FROM BRIONY

**H**i Dutch Breeders! I don't know about the rest of you, but I'm not fully recovered from NDS yet! The trip home took about 16 hours, but we did take a side trip through Madison, Cave of the Mounds, and my favorite outlet mall in Iowa. We arrived home early Monday morning, and were soon greeted by a Kansas-style tornado warning. Fortunately all rabbit breeders were safe from this one.

If you missed this year's NDS, you missed a great one! My only complaint would be the layout of the roads in Oshkosh, which made it very easy for me to spend an hour and a half (including the first part of the Board meeting) lost in and around the city. Somehow I made it out to see the docks at the lake, nice residential areas and one-way streets, and the highway about 10 miles outside of town. Alan's car and I made it back all right but after that I made sure I had directions!

Other than that and about 6 total hours of

sleep I think this was the best NDS I have ever attended. The facility was excellent, the show was well organized, and as always I had a wonderful time seeing all of my Dutch friends and getting to know lots of new ones.

So far the show season has been almost nonexistent in my part of District III. Between one regular show not being held, and being snowed in for another I have only been able to attend one show with a specialty so far. The Kaw Valley show was held March 13th in Gardner. In Open Best in Show went to Rick Lehmann with a Blue Sr. Buck. Rick also won BOS Open. In Youth, BOB and BOS went to Debra Mandich. The Capital City show in Lawrence on March 27th was my first show in nearly 4 months. I don't have the results of the specialty show but in the all breed BOB and BOS Open went to Rick Lehmann. BOB Youth went to Todd Turner and BOS went to Ben Cole. Congratulations!!

I think the weather has played no small part in messing up this spring. Raising litters is extremely difficult with wild temperature swings and it was all I could do just to keep my juniors on feed. In the weeks leading up to NDS it had been so humid that the rabbits' coats were sticky. It wasn't until I got to Oshkosh that I was pleasantly surprised to learn that my juniors did indeed have flyback!

While serving as co-chair in the Youth show I got a chance to talk to and watch some of our younger Youth breeders. It scares me to say this, but I felt like a real grownup when I saw some of the childlike perspective on rabbit shows they have which I have lost. I saw some small boys hauling full carriers which were nearly their size to and from one table all day long, and later they told me how much fun they had had. At another table another young group of carriers waited enthusiastically to take rabbits off the table or bring the next class up. I had forgotten how much fun it is to have a responsibility and someone trusting you to help out. In talking to another youth, we got onto the subject of why we showed rabbits. He informed me that he showed because it was fun, not to win. He added that he didn't want to win all the time anyway because he wanted other people to

win too, and he figured a shelf full of trophies was enough. Wouldn't it be great if everyone had that attitude? And as I watched several spoiled rabbits sit on laps and receive plenty of petting and love, regardless of placing, I realized how long it had been since I had just made a pet out of one.

I hope you all have good luck keeping your bunnies cool in the summer. Start breeding for Louisville, I hope to see every single one of my Dutch friends there!

*Briony Barnes*  
*El Dorado, Kansas*  
[bunnybri@yahoo.com](mailto:bunnybri@yahoo.com)

## CONGRATULATIONS JEFF!

Our sweepstakes chairperson graduated this past year with a BS in Meteorology and is now working at a TV station part time. He also works another part time job and is hoping his meteorologist job turns into full time. He is going to try to see everyone in Louisville this fall. He has not been able to make many national conventions because of his school schedule.

## STANDARD'S BALLOT RESULTS

|  | <u>YES</u> | <u>NO</u> |
|--|------------|-----------|
| 1. Change Brown-Gray back to Gray.           | 78         | 12        |
| 2. Judging order: Blk, Blu, C, T, S, G.      | 63         | 27        |
| 3. Jr. Minimum weight — 1 3/4 lbs.           | 69         | 22        |
| 4. Change last sentence of body description. | 73         | 16        |
| 5. Reword body faults.                       | 80         | 10        |
| 6. Change steel ring pattern DQ.             | 74         | 11        |
| 7. Add DQ for Tortoise color.                | 77         | 13        |
| 8. Simplify gray color description.          | 82         | 5         |
| 9. Change hairline description               | 78         | 10        |
| 10. Change undercut DQ.                      | 86         | 6         |
| Change MARKING POINT DISTRIBUTION            | 63         | 27        |
| 11. Clarify Dutch Drawing Captions.          | 81         | 7         |

### A COMMENT ON THE STANDARD

I don't understand why we continue to fiddle with the Dutch Standard of Perfection. By and large it has withstood the test of time and come through with flying colors.

I compared the 1976 thru 1980 markings point distribution with the current standard and they are identical, no change for twenty years. In spite of this, the majority of Dutch shown in this area exhibit fair to outstanding type.

Don't know how the current voting turned out. Hopefully, all changes were rejected. In the future let's avoid trying to make changes for change sake.

Sincerely,

Salvador Licciardi  
Picayune, MS

## GOOD-BYE FRIEND

Lynn Gillis, a long time Dutch and Satin breeder passed away on April 23, 1999. He was 44 years old and the son of the late breeder, Jack Gillis. Lynn was active in the rabbit world and well respected as a tireless worker and good friend in many clubs in southern California. He was the current president of the Southern California Dutch Rabbit Club. He was the current writer, contributing many articles to SCDRC'S *PAWPRINTS*. His kind and gentle manner and willingness to help at shows endeared him to all. We shall miss him.

Contributions in his memory may be sent to the ARBA Library Fund. Please note the donations are in his memory.

Thank you,

## MY 50 YEARS IN DUTCH

by Roger Eich

It was April 2, 1949 when I walked into the Vet's hospital in Omaha, NE, knowing I had an ulcer. I left my wife and one employee to run my garage & repair shop I had in Lempleton, IA. I thought I knew my way around at the hospital because we visited a friend there a year earlier. They told me I would have to go through the channels. I told them there wasn't any channel to it when I was drafted. Finally, they decided to have someone talk to me. I thoroughly impressed him because I told him that one of our best work horses on the farm was named "Colonel."

It was close to noon and he said to come back at 1:15. Then he had a doctor talk to me and after he heard I had been working from 7 AM to 10 PM six days a week, he told me I needed to close my shop at 5:30 PM and I should have a hobby. Knowing my love for animals and being raised on a farm & I should have a hobby. Knowing my love for animals and being raised on a farm he said maybe I would like to raise show chickens, geese, guinea pigs or rabbits.

The doctor said he has a friend, a neighbor that raises rabbits here in town. His name was Earl Dalbert. He said I believe he told me that they were going to have a rabbit show in town this week end. So he gave Earl a call & explained the purpose of his call. Earl told him to have me stop down to the show they were having in the park on Saturday & to look him up.

Saturday, my wife & family & I drove to Omaha & met Earl Dalbert at the show. He was very busy but kept talking to me all the time about rabbits. He raised New Zealands but also had a few Dutch. He sold me a pair of black Dutch plus four new cages the size I needed for Dutch. Along with that he gave me a bundle of information on how to raise rabbits, in fact, so much I could hardly remember it all.

He told me that there was to be a show in Mason City, Iowa in about a month and that the rabbit I bought from him would be big enough to show.

About a week before the show they sent me a catalog, evidently Earl had told them about me. It was a struggle for me to fill out the forms as everything was so new to me. I was so very happy for their help.

It so happened that the two Dutch went BOB & BOS. Being so new and green, I felt other breeders were unfair as they kept pushing me to sell the rabbits. I didn't want to sell because I wanted to start raising my own. Knowing this hobby was beneficial to my health, I wanted to raise some Dutch rabbits. I wasn't in it for a profit, but I needed something to get my mind off of my business and relax.

After 2 1/2 years of enjoying this special therapy, I had a physical and the doctor said I no longer had an ulcer, just a small scar. Today I can eat anything I want, only I choose not to use cinnamon or mustard.

During this period of time I really fell in love with the Dutch. I had met some very nice exhibitors and good sports. One must remember you can't always win and you always have those few who are poor losers.

Over the 50 years I have had a tremendous rabbit business and have won my share of trophies but I could not have done it if my family had not been involved. My children always had rabbit chores to do after school and had limited time to get into mischief. As I look back at this now, I feel that was very important. My one son went along to a convention in Little Rock, Ark and entered the youth judging contest and won first place. That was the same year of the racial unrest in Little Rock and we were restricted to a particular part of the city.

I remember one year LaVerne Earls of Ft Dodge, IA and I decided to enter a lot of rabbits at the Iowa State Fair. So I entered 99 and LaVerne entered 101, making a total of 200. As we checked in they complained because we had so many, saying it made too much work. So the next year we decided if they wanted to be that way we would only enter 10 a piece. They wanted to know what happened to all of our rabbits, so I politely told them you complained of exhibiting to many last year and now you complain that we aren't exhibiting enough. I guess you can't satisfy everyone.

I was a director of the Dutch Club for a period of years. I felt it was a serious position. There are always those in it for prestige that is harmful for the club. Working with this type of person you wonder if the right decisions are being made and if they are for the club or for themselves.

An old time rabbit judge once told me that some people like to always be in the lime light and that you should stand 3 ft back from them if you don't want to get burnt.

When we sell rabbits to the youth, we should sell them good quality rabbits, not junk. Good quality means good type and color. Markings are eventually essential but without type or color they mean nothing.

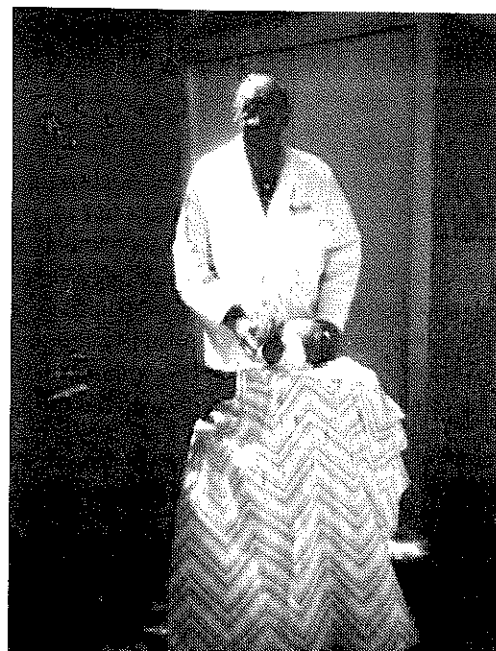

During my 50 years of raising rabbits I have always admired two rabbit judges, the late Darrel Bramhall and our present ARBA Sec. Glen Carr. Neither of these judges would show favoritism when they were judging a rabbit that they had given or knew it was given BOB two or three weeks before. I know of a particular case when a judge at an NDS was not even recognized by the club at the banquet because they were upset that one of the local exhibitors didn't receive BOB. It always amazes me that some exhibitors think they know more than the judge. That judge is a top notch judge and is very active today. We have some very good judges in the ARBA, but if you are that critical just become a judge and test the waters.

In the last two years here in Arizona, I have cut back to two dozen holes. Even this last year of my 50 years I have been fortunate to have raised one of the best Tort bucks I have ever

raised. The first six times I showed it here in Arizona it was BOB 5 times, BOS once. The one time I stayed to the end of the entire show, I entered it for BIS and was given "Reserve in Show." This buck has been an uplift for me as my health has failed the last couple of years. Seems no matter how one might feel you are always able to enjoy talking about your rabbits.

I feel the fellowship with other Dutch breeders at the NDS and ARBA conventions far over shadows my many winnings. They feel like family and I look forward to seeing them every year. Bonnie and I have always enjoyed the conventions. In fact, we went to a national Dutch Convention in Sidney, OH on our honeymoon.

It has been a pleasure to be a part of my club that has so many nice members. May you continue to be a strong and prosperous club.

*Roger Eich*

God Bless You,  
*Roger Eich*

## SOUTHERN DUTCH FANCIERS MEMBERSHIP

We are forming to promote, encourage, and increase the awareness of the Dutch rabbit in the Southern region of the United States.

### OFFICERS:

President: Rick Billups - Nashville, TN  
Vice President: Ray Brewer - Saluda, SC  
Sec/Treas: Marty Dill - Toney, AL

### Directors:

District 1 (NC, SC, VA) Bobby Calwell - Mooresville, NC  
District 2 (FL, GA, TN) Marge Drake - McMinnville, TN  
District 3 (AL, MS, LA) Judy Duthu, Chauvin, LA

I hereby make application for membership in the Southern Dutch Fanciers. I agree to abide by your Constitution and By-Laws and to promote the interest of the American Dutch Rabbit in every way possible.

## 76th ARBA Annual Convention and Show "Make Kentucky Shine in '99" Louisville Ky. October 10-14, 1999

By the time you get this issue the convention will be a little over three months away. Our open judge will be Mike D'Amico with Erik Bengtson serving as the backup judge. If this year is a repeat of the last time we were in Louisville, we should have a big show. The **Banquet** will be on **Wednesday morning October 13th at 8:30** at the Holiday Inn Southwest on Dixie Highway. We will need to get your reservations by Monday 12 noon on October 11th to ensure everyone gets a seat. It will be a Breakfast buffet and will cost around \$11.00 per person.

We are continuing to ask for donations and that they be sent to **Julie Billups 1219 Willis Branch Road, Goodlettsville TN 37072**. You can also call with your pledges on her Toll Free number at work between the hours of 8:00am to 5:00pm Central Time. The number is (800)264-5309 and if she is busy then ask for me and I will help with your pledge.

Please contact Bonnie Phile for the **show catalog** at (502)924-5832. or write to her at 66 Edgewater Dr., Cadiz, KY 42211-8695. Include a check made out to the Kentucky State RBA, Inc. for \$8.00 for each catalog requested. **Entries must be postmarked no later than Sept. 9. This will be a no ear number entry show.**

## YOUTH ROYALTY WINNERS

### **1999 DUTCH LORD Danny Lape**

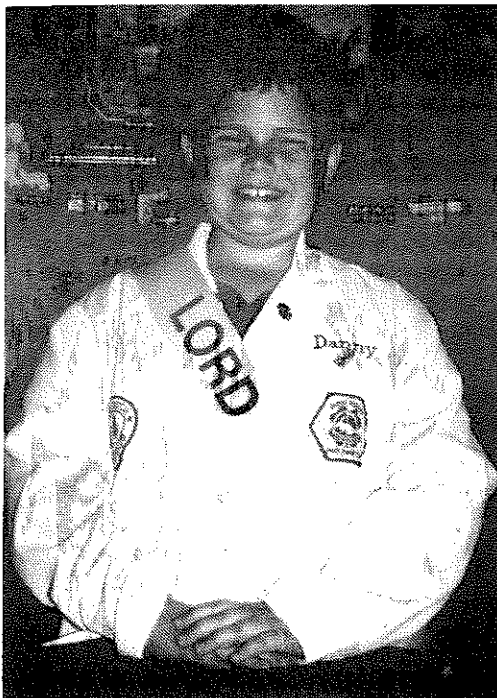

Hi, my name is Danny Lape, I live in Van Wert, Ohio. I am a second grader at Lincolnview Local School. I am the new Dutch Lord. I have been raising rabbits for over five years now.

I really enjoyed participating in the royalty contest. I also enjoyed meeting new and interesting people. I would like to thank Alan Kennedy and all the other people who helped with the contest.

One thing, I learned during the royalty contest is "YOU CAN'T BEAT THE DUTCH". While at the National Dutch Show I met many new friends. I hope to see everyone again next year in Pennsylvania.

### **Cody Lape VanWert, Ohio**

### **1999 DUTCH PRINCESS Sarah MacCombie**

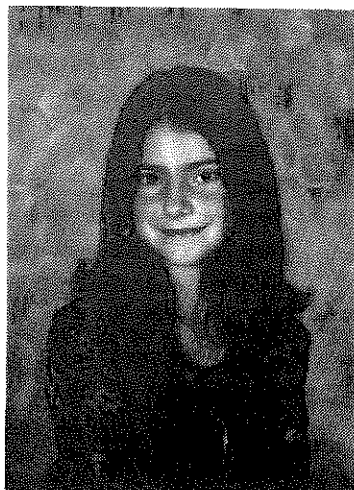

Hi! I am Sarah MacCombie. I live on a peaceful street in Hillsboro, NJ. I am in 5th grade and I go to public school. Besides my rabbits I have 2 rats, 1 dog and 2 cats. In my spare time I like to go on the computer, draw, play with my animals, or just have fun with my friends.

I started off with a Flemish Giant. Then I joined 4-H and my leader gave me a Dutch tort doe. I liked this breed so much I decided to breed them. The first litter turned out great and one became a grand champion. I like this breed a lot because Dutch is a very gentle breed and they are very pretty. I hope to continue breeding Dutch for a long period of time and teach my children all about them.

I'd like to thank a few people for helping me out on my breeding project. Thank you mom and dad for encouraging me to do my best and for pushing me to learn all I can about rabbits. Thank you Cookie Gittleman for getting me started on Dutch and learning about them. I also want to thank Jessica Gittleman for teaching me how to handle my rabbits and care for them.

I am the 1999 Dutch Princess. All of my friends and I are very proud and I hope to do as good next year and learn a lot more over the year!

### **Sarah MacCombie Belle Mead, New Jersey**

### **1999 DUTCH PRINCE Reece Farness**

My name is Reece Farness, and I am the 1999 Dutch Prince. I am 11 years old and live in Idalia, Colorado. I am in the 6th grade. Idalia is a very small farming community on the Eastern plains of Colorado. I have never competed in royalty before, but Jill Dobson and Alan Kennedy encouraged me to give it a try. I was surprised and honored to be chosen Prince.

I play soccer and baseball, and belong to the Boy Scouts and the Idalia Starlighters 4-H club. These keep me busy all year. My favorite classes are social studies and art. In my spare time I love to read books, play Nintendo, and draw.

I started out with Dutch in January of 1996 when my parents bought my brother and me two rabbits at the Denver Stock Show. Mine was a chocolate Dutch and his was a broken Mini-Rex. When I wanted to find a mate for my Dutch, I discovered that there were very few Dutch breeders in Colorado. It has been hard to get stock, but with help from a lot of people, I think I have a good start. I'd like to thank the following people for helping me build a good foundation for our rabbitry: Sue & Penn Peters, Mark Pecaric, Jody Bean, Bob & Terri Lang, Justin & Bobby Land, Freda Kraus, Roger Guetschow, Jill Dobson, Troy Ihrke, Rick Lehmann, Fritz Trybus, and Eric & Sharon Mixdorf.

Sue Strandwitz, Roger Guetschow, and the entire club in Wisconsin put on a great National show. One of the highlights of rabbit shows for me, is visiting different places and meeting new people. We try to see what is in the town, hosting the show, so that each show is a little vacation. We got to see cheese being made, Miller Brewing Company, and the air museum in Oshkosh. We met lots of new friends too. My most amazing achievement while in Oshkosh, was getting Best Black Fur. The competition was tough. The black senior doe is one I raised from a baby from two Dutch I bought from Mark Pecaric and brought to me by Freda Kraus when she came to judge in Colorado.

The goals I have for this year are to get more kids raising Dutch and to improve the type in my herd. I want to say thank you again to all the people who have helped me get started and encouraged me to try something new and learn more.

### **Reece Farness Idalia, Colorado**

## National Dutch Show Youth Best of Breed Winner Fritz Trybus

For a second year in a row I was fortunate enough to take Best of Breed at the National Dutch Show. It was thrilling! I won with one of my does named "Trybus' Faith F105." She is a Junior Gray and was in really prime condition for the show! In addition to Faith taking BOB, she also won Best Fur all colors and Best Hindquarters! This win was very fulfilling, as she is the daughter of my doe that won Best of Breed at last year's NDS in Kansas. I would like to again thank Kevin Hooper for starting me in Grays two years ago.

Going to Oshkosh, Wisconsin I didn't think that this little doe would come home with the honors of BOB. In fact, I had other animals in my mind that I thought would have been my shot at winning something "big." But to my

surprise they weren't the ones to do it for me! However, in addition to winning BOB, Best Fur and Best Hindquarters I also won best Blue fur, best Tortoise fur, 1st place Sr. Gray doe, best senior Gray, and I was 1st in the youth sweepstakes for 1998. I also won a class in the AOV's! I brought 22 rabbits, and two were for the AOV fun class (and it was fun). In addition I was awarded the ADRC King, which was a big honor.

I would like to thank the Show Committee for a good show! The building was great for the show. I would also like to say a thank you to all the Dutch breeders at the show. Everyone is very friendly and pleasant to be around. So many people gave me "congratulations" and I just wanted to say that I appreciate it. It means a lot to me to see that my hard work is noticed. We wait all year for Dutch breeders to be together and support the

breed as well as each other. Since I am a youth exhibitor, I have grown from a six-year-old with three Dutch rabbits in my backyard, to now almost a seventeen-year-old with about fifty Dutch rabbits. Having the BIS NDS Dutch rabbit in my herd is an honor I will always cherish especially as I try to find a way to balance raising rabbits and college next year.

I also want to offer my congratulations to the Lape's who won BOS in the youth with a great rabbit! Also congratulations to the open winners. I watched the Open BOB and BOS judging, and the rabbits I saw looked really great! Lastly I'd like to thank my Dad for taking me to the National Dutch Show.

Dutch rabbits and breeders are the best. I look forward to seeing everyone at the ARBA convention in Louisville and at next year's NDS in Pennsylvania.

## National Dutch Show Youth Best Opposite Sex Winners Cody & Danny Lape

After traveling for what seemed to be forever, we finally made it to Oshkosh. The convention center was great. We quickly checked in, unloaded and settled the rabbits in for the weekend.

After leaving the rabbits, we went to the headquarters hotel for the pool and pizza party. Everyone was so friendly, but what do you expect from Dutch rabbit people? After being on the road all day, a great meal, and a dip in the pool, it didn't take long to fall asleep.

Morning came early and we were back at the convention center. We did our chores and groomed the rabbits, getting them ready for the big show. We were very pleasantly surprised with our senior black buck when he won his class.

We kept busy all day long. We helped carry rabbits and held rabbits on the show table. We also spent time with our old friends and making new ones. AS the show was coming to an end, all the first place animals were brought to the table. The judges really took their time and carefully went over all the rabbits. When the black senior buck was chosen Best Black, Best Sr. all colors and then Best Opp Breed, we could not believe it. We were very surprised and happy. We

thought he was nice, but didn't expect him to do this well.

The banquet and awards topped off the perfect day. The food was excellent and the friendship will always be remembered. It was a great feeling to know we had done so well, but it would not have been possible without some great Ohio Dutch breeders who have helped improve our herd, such as Bob Hessick, Kevin Hooper and Todd Uran. These and many other breeders have always been there to help and encourage the youth. To all of those, Thank you very much.

We had a great time in Oshkosh. Everyone involved in putting on the Dutch Nationals did a great job. We also want to thank the Judges for all their hard work. We wish everyone best of luck in the nest boxes, as well as on the show tables. We hope to see all our friends again next year in Pennsylvania.

**Correction:** Michael Smith  
won Best in Show with a  
Dutch on October 10, 1998  
at the White Tail RBA in  
Gaylord, Michigan.

Congratulations to Kevin Hooper  
on his wedding on July 10 at a  
country church near Wilmington  
to Sherri. We welcome her into  
the Dutch family.

AND: Erik Bengtson and Mandy  
Anderson will be tying the knot  
on August 21 in a small church  
just outside of Portage, Wis.

We wish both of these couples  
much happiness!!!

## NEWS FROM FLORIDA

Gene Styles of Holland Lop fame has recently become interested in Dutch. He is doing well with them. Gene returned home from the hospital, recovering from E-Coli in the blood stream. Best wishes Gene.

I am wondering. Has a Dutch every won BIS at an ARBA national convention? If not, why not?

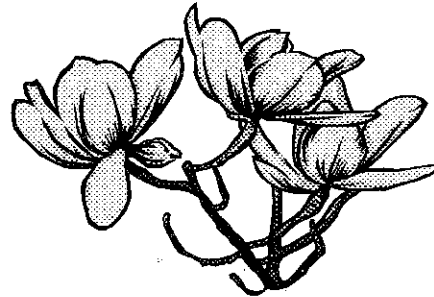

We have a charity show every year in Florida. We use all Florida judges. We do not give trophies or money. Everyone brings a pot luck dinner. We charge \$3 for the dinner. The profit goes in the bank.

Then when a member has a difficulty, this money is used to help them.

At our charity show in Deland, in April, we showed 55 Dutch with Dale's K6 black JB getting BOB and Dale's K5 brown grey BOS in show A. In show B Dale's black JB took BOB and Gene Styles steel doe was BOS.

On May 29, Winter Haven, Florida, in show a two judges from Louisiana picked Dale's Sweetness reserve winner. In show B, the same rabbits won BIS.

## LETS HEAR IT FROM THE NDS JUDGES

### OPEN JUDGES REPORTS

I wish to express my sincere gratitude to all of the members of our American Dutch Rabbit Club who in any part contributed to the production and administration of the national show held in Oshkosh. It was a dandy show in every respect.

The building was modern, clean, and quite spacious. The judging area was roomy and most importantly well lighted via natural sun light.

The classes that I was privileged to judge were represented by many superb specimens. After more than thirty years of judging it takes a bit for me to become tense about my decisions and placements. When I considered the last dozen junior black does in a class of forty some, my hands were actually trembling as the pressure to get them right was heavy. This assignment really challenged my judging skills and I truly enjoyed it.

The selection of the specials can be "suspenseful" at times, but not at this show. We were directed to select them by committee with each of the three judges having an input into every special selected. This was done with Conall, Ray, and myself discussing, coming to a mutual agreement, and sharing the announcement of every special award.

The banquet being held at the same facility was delightful saving many the time of travel and getting all dressed up! The banquet area was beautifully decorated and the catered food was plentiful and delicious. I was very impressed with the many beautiful plaques and awards that were presented. I plan to contact the manufacturer of the plaques for possible use for ARBA awards.

The combination of friendly fellowship with old friends and new, a wonderful facility, dedicated workers, great animals, and bright spring weather, this show will rank as one of the best shows I have had the pleasure to be a part. It was fun, fun, fun!

With regards,

**Glen C. Carr**  
**ARBA Secretary**

**Dear Fellow Dutch Club Members,**

I want to thank you, the members of the Dutch Club, and the Upper Midwest Dutch Club for giving me the opportunity to judge at the recent National Dutch Show. Congratulations to all the winners and kudos to those runner-ups. It is all the anticipation and excitement that makes this show the caliber that it has become. It is great to see so many good quality and type animals and the depth in the classes that crossed my table. It made my job exciting, challenging, and enjoyable. It was a real pleasure to pick specials with my fellow judges.

One of the greatest assets the Dutch Club has going for itself, is the camaraderie between exhibitors. The true sportsmanship exhibited was unbelievable. I truly believe this is why the Dutch Breed has so many deeply devoted supporters. It was great to witness the presentation of the Hall of Fame award to whom I consider a good friend, Roger Guetschow. The banquet was superb and the atmosphere outstanding. Each National takes on its own characteristics, but one of the outstanding features of this National was the facility. It was spacious, airy, well lighted, convenient, and attractive.

Thanks once again for a very memorable show.

**Conall E. Addison**  
**Open Judge**

**Dear Dutch Breeders,**

I was asked to write an article on the 1999 National Dutch Show from my perspective as one of the judges. Let me say at the outset, nothing in my experience as a judge compares with the thrill of judging Dutch at a National Dutch Show. I count myself extremely fortunate in having been selected to judge at two of the past three.

This particular NDS was exceptional in lots of ways. We must never forget that an event such as this requires months of hard work and planning. Then there has to be a dedicated and capable team to execute the plan. Roger, Sue, Eric,

Doreen and all the rest of the Oshkosh bunch provided us with an absolutely wonderful facility, great teamwork and organization, a good meal and beautiful weather. What more could you ask from a host club?

The quality of the Dutch that went across the tables was evident in the fact that each of the six varieties was well represented by four very nice class winners. Glen, Conall and I were presented with the difficult task of selecting the winners from a very balanced field of top notch Dutch. The vote for best black and later BOB was unanimous; but, some of the other placements took a little more negotiation. A feeling of camaraderie quickly developed as we each in turn expressed our views about the animals in contention. I rarely enjoy working on a committee of judges to make decisions. This time I did. It is indeed an honor to work with judges of this caliber!

I've mentioned the sponsors, the building, the rabbits, the other judges and some might say that I've covered all the bases. But no, the most important aspect of National Dutch shows is the enduring friendships that have developed over the years. Though some have left us, much of the old guard is still around. Their names are mentioned often and their example continues to lead us - striving for perfection, while honoring the old timers and including the new comers. It is, after all, that quality of our organization, making everyone feel welcome and included, that makes the ADRC the best specialty club in the rabbit world.

The spirit of friendly competition and sportsmanship was very much in evidence the way folks cheered when Bob Hessick won best of Breed. What a special moment that was with Bob and his granddaughter receiving the acclamation of their peers. There was more than one grizzled old veteran with tears in their eyes. Dutch rabbits are truly unique and marvelous creations; Dutch people, even more so. Congratulations to all the winners - there were no losers in Oshkosh!

**Ray Brewer**  
**ray\_brewer@milliken.com**

## YOUTH SENIOR JUDGE

Well, as expected, it was a blast! Great facility, great people, great food and superior animals! Even the weather was great. It was cooler in Virginia than it was in Wisconsin. My hat is off to the Midwest Dutch Club and in particular Roger Guetschow, Doreen Bengtson and family, and Sue Strandwitz (Wow, is that cheese good!!) I know there were other persons involved, but I don't know all the names. Anyway, thanks to everyone.

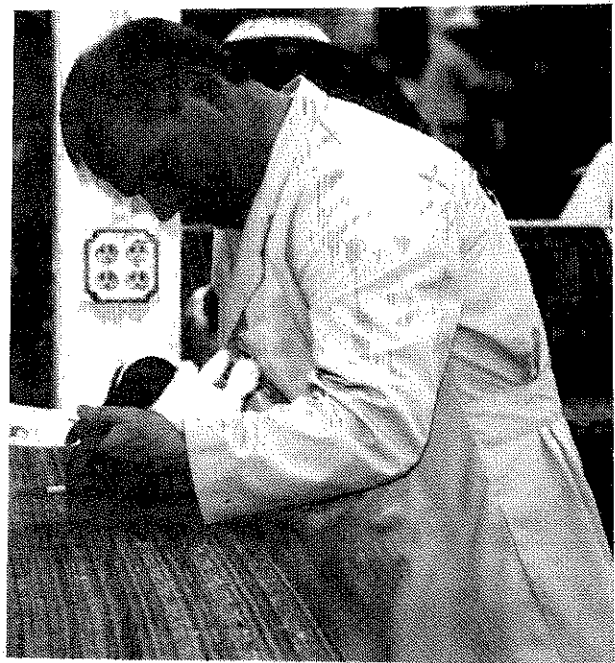

I really enjoyed working with the Youth of our ADRC. They ran a tight show and were very courteous and helpful. If most of these young people will stick with it, the ADRC has nothing to worry about!

The Youth rabbits at the top of the classes were very good and I was very impressed with the fur entry — somewhere over 30. The depth in the fur classes was outstanding. It is good to see emphasis on good Dutch fur. I'd like to see all breeders and shows put more emphasis here. The Dutch fur structure is very unique and if it isn't proper, those markings will never show-off as sharp as they should.

I do think we should give serious consideration to extending the NDS, as mentioned at the business meeting. It's just too much to cram into one day and evening. Two days, or at least a day and a half would be nice. Half the fun is visiting with old and new friends, trading, selling, swapping, re-living past shows and related events, etc., etc. There just is not enough time in one day!

Thanks for allowing me to be a part of the annual event. Hope to see most of you in Louisville, KY this fall.

## OPEN BEST OPPOSITE SEX 1999 NDS

We are just back from Oshkosh and anxiously awaiting some eventful spring litters. The past winter was disappointing when our most reliable does failed to kindle.

I would like to express my appreciation for a fine NDS and relate here how meaningful these shows have been for me. My first was in 1995 when I was to acquire foundation stock. Only missing one show since my wife, Carol, having retired from teaching, was also able to attend this year. Being new to Dutch in 1995, this first show provided an opportunity to have many questions answered and receive particular guidance from Fred Mullinax and John Bach, who were extremely helpful in pointing out the characteristics of quality Dutch. Every show since has contributed greatly to our education and growth.

Our foundation stock largely came from Wayne MacKinnon and Roger Guetschow, both of whom have been wonderful mentors; always willing to provide guidance and invaluable information. The willingness to impart knowledge to fellow breeders seems to me a hallmark of the ADRC, and makes new breeders feel especially welcome.

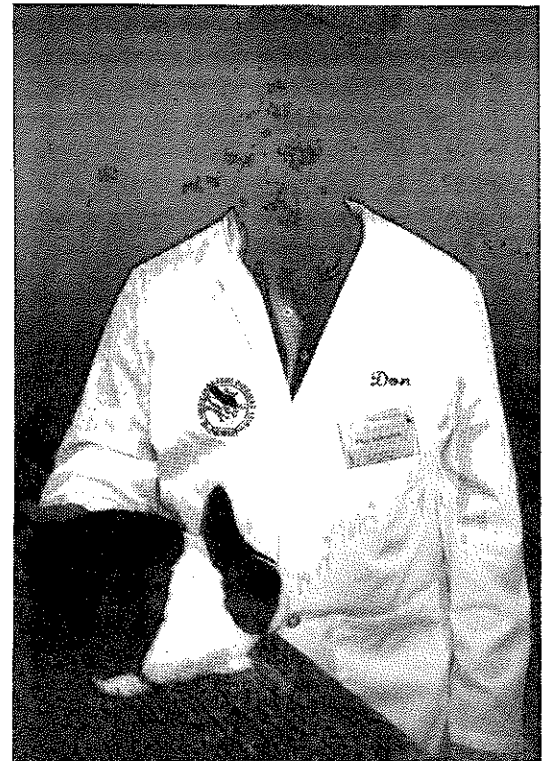

As a kid, I was a faithful subscriber to a now defunct magazine entitled "The Small Stock Farmer". It contained a lot of useful information and I can recall even creating my own medical remedies following the magazine's formulas and buying the ingredients over the counter at the local drug store.

Regretfully we do not have any local veterinarians knowledgeable about rabbits, and after recently phoning to Oregon State University and then on to Mississippi State University I was unable to obtain the medical information I sought for a particularly vexing breeding problem. The need for greater scientific information to aid us in our efforts would certainly be welcome. There is too much guess work and reliance upon pure chance that could be greatly reduced with more scientific marshaling of our rabbit

husbandry.

With the peak of the breeding season now upon us and some luck, maybe we will have some decent juniors for Louisville. Hope to see you there.

**Don Johnston**  
**Kirkland, WA**

## 1999 NDS FINAL THOUGHTS

Geez...all this planning for two years, and it's over in a heartbeat! The 1999 NDS in Oshkosh was a smashing success largely due to the wonderful turn out by both exhibitors and Dutch bunnies. Mother Nature even cooperated this time (remember the snow flying at NDS in '95?) by blessing us with great weather for the show and for traveling.

One of the best elements to this year's show was the even pace it took. The annual meeting started as planned, judging smoothly followed, and the rest of the day fell pleasantly into place. The banquet was a great way to end a long day as we shared a delicious meal together.

Roger and I would like to once again thank our youth committee headed by Alan Kennedy and Briony Barnes, for all their very, very hard work in making the youth show so successful. We both had several chances to meander into that area and saw everyone having such a good time! We found it extremely exciting to see the group of kids that are showing in our

club. You took on the responsibility of making your part of the show go well and did a great job doing so. Good job!

We'd also like to thank those who came early and helped us set up, as well as those who stayed late to take down caging. To put on a show of this magnitude takes help from many to even out the workload. It was nice to be able depend on people who could lend a hand. Of course, Mark Pecaric's brother disappears everytime there's work to be done, but, oh, well...

So...those of us from the Upper Midwest Dutch club would once again like to thank you for making our show a success. We enjoyed seeing all our friends again and look forward to sharing more laughter and Dutch stories when we come together for ARBA Nationals in Kentucky this fall.

Best wishes with your Spring litters! May that winner be peeking back out at you~

**Sue & Roger**

SCENES FROM THE 1999 NATIONAL DUTCH SHOW IN OSHKOSH, WISCONSIN

# TOPICS OF THE QUARTER

## CULLING AT A YOUNG AGE

We let all the bunnies live. Around 4 weeks old, we go through the litters and look them over good. It's best to write down your findings to help you remember. At this age, we take the ones that are marked good enough we should consider keeping them and pose the. You should be able to tell at this age if they are going to be smooth in the rump, or flat. Sometimes you can even notice problems with the legs just not tucking in right. You should also be able to tell if they head is going to be long and narrow.

It really helps if you compare different litters, as one might look real good until you put it by a better one.

The shoulders will not be developed at this age, so we don't cull for not having as good of shoulders then. If the bunny is going to be long in body or hips sticking up it is usually noticeable even at this age. The markings don't really ever change, but sometimes they look better as the animal matures. There have been a couple of rabbits we've kept here; just on their type that we thought we would never be seen showing.

The one doe is 2 1/2 now and has two legs won this Spring. She had one really long stop. We took her along because she did look real nice and also to try to get her in the mood to breed.

If there is a runt in the litter, then sometimes I just write down — too small, look at when older.

Eric believes that really good rabbits never go through "the gangly stage." I'm not sure because I see nice ones that we sold, that turned out better than we thought they'd be.

If you can't tell what the little bunnies are like, just start practicing now and you can learn to do it.

**Sharon Mixdorf**  
**Waterloo, Iowa**

## Culling at an Early Age by Kevin Hooper

This topic can have different meanings. To me this topic means selecting which ones to keep at three to six weeks of age. Some may think it means culling at birth. I will touch on both.

I generally start looking at the litters at about 18 days of age. It's easy to pick out some of the ones that you won't be keeping. The hard part is determining which ones you will end up keeping for you. Once the babies start venturing from the box, I will start checking them out for body type. I want to see width, and hopefully depth. Some of my line will carry a belly until 7-8 weeks of age. These babies will look a little flat until they burn off this baby fat. They will then develop their depth. I want to see roundness in their bodies. I want them round over the top. Round over the rump from side to side, and round around the base of the rump when veiled from above. This is the same body type that I will look for in an adult Dutch.

A couple of things that are a must. (Yes, I do make an occasional exception). I want a Dutch with a short or nonexistent neck. The Dutch is to be a cobby animal. That in part, means short. A long neck will detract from that cobbiness. The other thing that I look for are good straight hind legs with good width. (Be careful in how you turn them over so that your hand doesn't move the legs out of their natural position.)

The markings that I will look for need to be balanced. I want nothing to look out of place. I want the cheeks to match, whether they are slightly high, or slightly low. I want the stops to match whether they are slightly long or lightly short. I want balance! These are the same traits that I look for in Jr and Sr Dutch.

Culling at birth is something that some breeders do. I rarely do this, unless I have a doe that does not milk

well and she has had a large litter. I will try to find a doe to foster the babies to first. I have a good market for culls at weaning age that helps to pay the feed bill. Some breeders will cull all of the mismarks at birth. The one thing that I would wonder about when doing this, is what if one of those mismarks was very sharp otherwise? I have used does with exceptionally nice markings and type, except for a split stop, or a tied elbow, or a spot in the saddle. My Best Opp Tort at this years NDS is out of a doe with a two inch spot in the saddle. That doe has had 5 litters and has yet to reproduce her spot. I'm not saying this is wrong, it just would make me wonder what I was culling.

Picture the perfect Dutch in your mind. Then look at your young Dutch and try to find the ones who most closely match that picture.

## BREEDING GRAYS by Kevin Hooper

The Gray Dutch are one of the easier colors to breed. You breed gray to gray and you almost always will get grays. Here is my recipe for producing good grays.

Start with two things in your first grays. Good ring color over the center of the back, without many black guard hairs, and a fairly clean pedigree. I would want a pedigree with no torts, no chocs, no blacks, and few if any blues and steels. A pure gray pedigree would be ideal. Starting with a clean pedigree will enable you to get few surprises. You'll get grays and little else. The presence of the steels and the blues or blacks will increase the amount of black guard hairs and the tendency for the grays to darken with age. I have used plenty of blues, steels and blacks in the past, but more in an effort to produce steels. The by-product of that steel breeding has been quite a few good grays. I have two grays (out of 17) that are not gray to gray breeding. Once you get the ring over the back, and a clean

pedigree, then you'll get more consistent color.

One thing to try to avoid are those grays that change their color in patches. I have some of these but I would rather not. These grays will change part of their color each molt. They will then look patchy in color with different shades of gray. The best ones will molt evenly and will only briefly look patchy.

There has been much attention paid to the definition of the ring color in the last several years. One thing that I must point out here is that the longer coat of fur will have a much broader tan band, and more definition of ring. The shorter coat of fur will not have as broad of a ring. The more narrow ring with the shorter coat of fur generally has less definition as well. The inner tan ring also will lose definition as the gray switches coats. that doesn't mean it lacks ring color and should be a DQ. It means they have two lengths of fur coming through at the same time, which will cause more of a blending of the rings.

The best, most consistent way to produce good grays, is to breed grays to grays, and concentrate on good body type, color, fur and markings.

## ADRC BOARD MEETING MINUTES

The American Dutch Rabbit Club Board Meeting was called to order at about 8 PM on Friday April 30, 1999 at the Washington County Fairgrounds in Oshkosh, Wisconsin by President Hooper. Answering roll call were: President Kevin Hooper, Vice President Roger Guetschow, Secretary/Treasurer Doreen Bengtson, District 1 Directors Sue Peters, Todd Uran, and Martin Preede, District 2 Director Rick Billups, District 3 Directors Steve Blythe and Fran Schettler & Youth Representative Alan Kennedy. District 2 Director Sharon Mixdorf & District 3 Director Briony Barnes arrived a little later.

A motion by Rick Billups and seconded by Sue Peters and Todd Uran that we dispense with the reading of the minutes since they had been previously printed in the Dutch Reporter was carried.

### Report of Officers:

**Fran Schettler** reported the untimely death of the President of the California Dutch Rabbit Club and asked that the ADRC remember him with a monetary donation.

**Sue Peters** indicates renewed interest in breeding stock in her area which means added enthusiasm and more exhibitors on the horizon.

**Martin Preede** reported that the Eastern Dutch Fanciers had a good show on the 15th of April and that their bid for the 2000 National Dutch Show is here and the show date is set for April 28-30, 2000.

**Rick Billups** presented the story of the Southern Dutch Fanciers and their shows approaching 80-100 head per show. They expect 100-125 in their next exhibition.

**Todd Uran** sees youth exhibitors really coming out in his area. They are seeing numbers well over a hundred head in that area.

**Roger Guetschow** heaved a sigh of relief and mentioned something about a busy week, but also that youth seem to be showing a comeback in his area.

**Steve Blythe** wants everyone to know that not only the numbers in his area are up, but also the quality.

**Sharon Mixdorf** discussed the removal of freckles as a disqualification and separate judges for fur.

**Alan Kennedy** (youth Director) reported on the activities in the youth and Kansas area. They had a show in Lawrence Kansas with 150 head.

**Doreen Bengtson** reported that family memberships are catching on like wildfire.

### Committee Reports:

Publicity reports new jackets available, also gift certificates and the advisability of joining with other specialty clubs on orders and items. They are exploring the possibility of a colored Dutch Poster.

**Standards committee** is monitoring the ballots. As the ADRC membership votes to voice it's approval of the committee's work and proposals.

**Guidebook committee** is working, headed by Shelly Thompson and Todd Uran. They are collecting articles at this time for the new Guidebook.

**Sweepstakes/Computer Committee** reports that the program is up and running. Some little glitches are being tended to and the Sweepstakes as in the past and a new variety sweepstakes will be available soon.

### Unfinished Business:

**Royalty guidelines** were again discussed and it was suggested there be some flexibility built in to the document to allow for times

when conditions make it impossible to have a full contest, such as times when numbers are very small or facilities inadequate. It was decided to carry this matter over to the ARBA convention in Kentucky and then present it for a vote.

**Sweepstakes update** was discussed and a motion by Todd Uran, seconded by Martin Preede that the report be approved and presented to the membership at the membership meeting was carried. A motion by Martin Preede, seconded by Rick Billups and Steve Blythe that the American Dutch Rabbit Club purchase a second hand computer from Fran Schettler that is large enough to run the Sweepstakes program for \$600. was carried.

**Bid for 2000 National Dutch Show** was presented by Martin Preede for April 28-30, 2000 in York, Pennsylvania. A motion by Rick Billups, seconded by Briony Barnes was passed.

**Hall of Fame committee** presented the names of Roger Guetschow and Lynn Shaw as new Hall Of Fame award winners. A motion by Rick Billups, seconded by Fran Schettler, to approve that award was carried.

### New Business:

A Dutch Reporter change was discussed. A motion by Steve Blythe seconded by Roger Guetschow that the Constitution and By-Laws

be printed in the July August September issue of the Dutch Reporter was carried.

Some kind of program to charter a little more formally the ARBA chartered Dutch clubs with the ADRC was discussed with no action.

**National Dutch Show** was discussed and it was suggested that since the show is becoming so large it might be necessary for everyone to pitch in a give a hand. Perhaps other clubs could help, such as someone from another area running the Sellers Class or the rabbit raffle. The possibility of adding some time to the show was discussed with perhaps some classes on Friday.

The national Dutch show guidelines were presented with a motion by Briony Barnes and seconded by Roger Guetschow that they be approved. The motion passed with nay votes from Fran Schettler, Todd Uran, & Sharon Mixdorf.

**Sellers Class** was discussed and the limits of 2 entries per exhibitor and a cut off of 10AM was discussed.

Bids are being called for to have web site. If anyone would like to present a bid, send information to the secretary.

**Dutch Reporter** topics are again being called for by the President, so if you have an idea let him know.

A motion to approve the donation of \$25 to the **Doc Reed memorial** in the name of Lynn Gillis was approved.

The announcement by the secretary that Sweepstakes awards would be presented to 20th place for this year because of an anonymous donator was made.

Rick Billups called for an indication as to the feeling of the board about a breakfast banquet at the National ARBA convention in Kentucky and the board like the idea.

A motion by Biony Barnes, seconded by Sharon Mixdorf to adjourn was carried.

*Respectfully submitted*  
**Doreen Bengtson, Secretary**

### **ADRC GENERAL MEMBERSHIP MEETING**

The membership meeting of the American Dutch Rabbit Club was called to order by President Hooper at 8:00 am Saturday May 1, 1999 at the fairgrounds in Oshkosh, Wisconsin. **Roll call** showed Kevin Hooper, Roger Guetschow, Doreen Bengtson, Sue Peters, Todd Uran, Martin Preede, Sharon Mixdorf, Rick Billups, Steve Blythe, Fran Schettler, Briony Barnes, and Alan Kennedy of the board in attendance.

A motion to dispense with the reading of the minutes since they had been printed in the Dutch Reporter by Rick Lehman, seconded by Dan Nesbitt was carried.

Officers Reports: Please see minutes of Board meeting Committee reports.

Publicity committee reports new shirts and jackets, also gift certificates.

Royalty committee is charged with adding flexibility to their document for approval in Kentucky.

Standards committee is accepting ballots on their proposals.

#### **Unfinished business:**

New Sweepstakes program update.

Discussion of awards brought a call for a committee to present award ideas for future vote.

Freckles were discussed. It is the feeling that they should be a disqualification when they detract from the appearance of the animal in a natural pose.

#### **New Business:**

A discussion of large National Dutch shows culminated in a show of hands by members in attendance of those exhibitors

willing to arrive in time for a few classes to be judged on Friday late afternoon or evening. (About 2/3 of the members raised their hands in approval.)

Rick Billups reported that the ARBA Convention in Kentucky would have a Breakfast Buffet Banquet. Rick also called for specials donations for the show.

A call for bids for a Dutch Club Web Page was again made. Bids can be sent to the secretary.

A motion by Fred Mullinax, seconded by Valerie Worzella to adjourn was carried.

*Respectfully submitted,*  
**Doreen Bengtson, Secretary**

### **HELP! 1999 NDS Trophies need to go their home!**

I have two wayward NDS trophies sitting at my home, awaiting their final destination. Should any of you know who they belong to, I'll send them out.

Sue Strandwitz  
Bunnisoo@aol.com  
(920)729-9577

### **SHOW REPORT FORMS**

As show secretary for many, many shows, my experience has taught me to list anything higher than a BOB or BOS on any breed's show report, whether it is asked for or not.

Are you aware that The Dutch Club's show report form does NOT ask for anything other than BOB or BOS? If our wonderful little rabbit wins Best in Show, Best 4 Class, 1st Runner-up or any other win higher than a BOB or BOS, it may or may not be listed, according to the experience of the show sec. A case in hand is the recent win of the Louisiana Dutch RC's President, Jimmie Daniel.

In Nov. of 1998 in Picayune, MS, Jimmie won BIS and Best of the Best OPP.

Sex with Dutch. Although the show sec. was of a long time experience, his win(s) were not listed on the show report, and has not received any credit for those win(s). I am wondering just how many other big Dutch wins are not being credited because there is nothing on our report forms asking those questions.

I would like to request that our report form be changed to include the questions "Did a Dutch win Best in Show - Best 4

Class- 1st or 2nd runner-up", etc...etc.. This will help locate those big wins for our Dutch.

*Thank you for your consideration.*  
**Judy Duthu...Louisiana**

*Editors note:* The ADRC is working at revising the show report form.

This issue has been addressed and is currently in the process of being changed. The new sweepstakes program that the ADRC is working with will need that information for certain point awards. There is a large number of old forms in circulation and it could take upto a year to get the new forms out to everyone.

### **1999 Hall of Fame Winners: Lynn Shaw & Roger Guetschow**

**BOB & BOS ????????**

# RESUMES

## DISTRICT ONE

### Martin Preede

I am submitting my name for re-election as District #1 Director for the ADRC. I was appointed as Director to fill the vacancy when Kevin became President. I also serve on the Standards Committee.

I began raising Dutch, along with my son Ken, in 1983. It was his 4-H project. I spent 10 years as a 4-H leader. Ken and I spent many fun years showing Dutch together. He is now married and lives in Falls Church Virginia. Me, I still raise Dutch.

My wife, of 35 years, Marguerite and I have a small backyard rabbitry, only 21 holes. We live in Westwood, New Jersey. I raise blacks and blues. I have been fortunate over the years, winning BOB at many local shows. Hopefully one day I will win the big one at a national show. But what is most important, I have met wonderful Dutch people from all over the country.

I promise to continue to do my best to serve the members of the District and the club. I am committed to making the Dutch Club the best national club in the A.R.B.A. and improving the Dutch rabbit. Vote for me as District #1 Director.

*Respectfully submitted*  
*Martin Preede*  
*Westwood, New Jersey*

## DISTRICT 2

### Rick Billups

This letter is to announce my intentions of seeking reelection as Director for district two in the ADRC. I have just completed my first term as your director and would like to continue working for you and the club. I have been raising Dutch since the 70's and served on the Board during the 1980's for one term before attending College. My wife Julie and I are currently

serving our fifth year as the Publicity Department coordinators for the ADRC. I am currently active in the Ohio State Dutch club as well as the newly formed Southern Dutch Fanciers and a member of the Louisiana Dutch Club. I hope that everyone feels the ADRC is making progress and will vote to keep me in office.

*Rick Billups*

## DISTRICT THREE

### Fran Schettler

Although most of you know me by now, I am once again submitting my resume to run for District Three Director. I have been a District Director for more than 10 years now, and am still very committed to the club and to the Dutch rabbit. I try to make all of the National Dutch Shows and ARBA Conventions that I can, which can be challenging to squeeze in between being a full-time C.P.A., a more than full-time mother of two, and all of the responsibilities of the rabbits, rabbit shows and other rabbit clubs. My most recent significant accomplishment for the ADRC has been the completion of the programming and debugging of a computerized sweepstakes program that will enable the ADRC to institute some sweepstakes contests that I have long wanted to see. Unfortunately, one contest that I had hoped to see, the quality points sweepstakes, is still only a dream, due to cost considerations in the program. I have always felt that the current general sweepstakes was too biased towards those who could show a lot of rabbits at a time and tended to exclude those who could only show a handful of rabbits. I believe that quality is much more important than quantity. The general sweepstakes is very biased in that it would be very hard for someone regularly showing 6 rabbits to amass the equivalent points to beat someone who regularly shows 20, 30 or 40 or more rabbits.

If reelected, I pledge to continue to represent the interests of my district, and

to challenge the ADRC to better itself in a rational manner. I feel that our current Board is one of the best that I have had the honor of serving with through all of these years and I am hoping that you will vote to keep me on as your District Director for another two years!

*Fran Schettler*  
*Danville, California*

### Pete Nelsen

FROM WASHINGTON STATE  
Hello to everyone! My name is Pete Nelsen and I would like to declare my candidacy for District III Director for ADRC. I understand that a resume is needed and at this opportunity it would be appropriate to list my qualifications. When I made up the list of activities and credentials, I realized that they all have one very obvious thing in common. My first qualification is birthed from my deep admiration and respect for my Dutch rabbits and for the people who raise Dutch. The idea to promote Dutch rabbits was why I became President of the Northwest Dutch Rabbit Club almost 4 years ago. The club currently has 80 active members and sponsors 9 shows a year in Oregon and Washington. Even though I am involved in many other clubs, the NWDRRC is my first love because we have so many opportunities to work with kids, new breeders and the club is always evolving and growing.

#### **Other involvements...**

President of the Northwest Rabbit Breeders Assoc. (sponsor of the largest show in WA state)  
Board of Directors of the Washington State Rabbit Breeders  
Board of Directors of the Great Northwest Show Circuit  
Member of Emerald Empire Rabbit Breeders (Oregon)  
Member of Cascade Rabbit Breeders (Washington)  
Member of Oregon League of Rabbit & Cavy Breeders (Oregon)  
Member of Vancouver Island Rabbit Breeders (Canada)

I am currently on a Board for Washington Rabbit and Cavy Shows Inc. feverishly working on a bid for 2001 ARBA convention in WA state. I am also working on my Registrar's license and hope to be a judge someday. I would consider it a privilege and honor to represent the people in District III and their Dutch rabbits, and thank you for your consideration.  
 God Bless you!

*Pete Nelsen*   
 Everett, Washington

**Candidate for President**  
**Kevin Hooper**

This resume is to announce that I'm running for a second term as President of the ADRC.

I have been raising Dutch continuously since 1975. I have been a member for over twenty years. I first was elected to the Board in 1991. I received my judges license last year, and I was recently appointed to the ARBA advertising committee. I am 33, and will be married this July 10.

We have accomplished quite a bit in the first two years that I have been in office. I am not taking credit for all of it, as most of the credit goes to those who have served on committees and the Board in the last two years.

We have been working to upgrade and expand our Sweepstakes Contest. This has led us to have a computer program developed which is currently in use. We have been working to modify the current NDS show rules, and sellers class rules. We have restructured our membership categories to include a family membership, which is reported to be going over well with the members. There are many more items that have been accomplished, and more are underway. I will not list everything for space purposes. The point of this is that in the first two years that I have been in office we have accomplished much.

I wish to continue to help the ADRC prosper and grow. You as members can help to do just that.

Thanks,  
*Kevin Hooper*
