President's MESSAGE

The 2002 National Dutch Show was a big success. This was our largest show ever with 360+ in youth and around 750 in open! That blows away our previous largest show by about 110 Dutch. The mild winter that most of us had this past year sure helps build up the shows. The same thing happened the last time the Ohio group hosted in 1997.

A BIG thank you goes out to the Hoosier Dutch Club for doing a nice job in hosting the show. This was the first time it had been in Indiana in about 50 years, so many were putting one on for the first time. It is a lot of work, more than you might think. It takes a lot of planning and help to pull off a successful show. We (the Board) were concerned whether we had enough personnel to manage five open judges' tables, along with two youth tables. However, everyone seemed to pull together and the rabbits got to the table and were put away in a timely manner. Thanks to all!

The Board voted to try a different method of selecting the awards in each variety, as well as for picking the BOB. It took a little longer, but it seemed to be effective. We will need to revisit this to see what we need to do to make it a bit quicker.

Now..... Congratulations go out to John "Jay" Imes for his Best Dutch in the open with a Gray R Doe, and Best PP to Ed McKinley with a Gray Jr Buck. No one could remember the Grays ever taking both of the top awards. To complete the open sweep, a Gray Sr Doe was selected for Best Sr All Colors, and also for Best Fur! The Grays were the third largest variety this year.

The youth honors went to Adrienne and Mac Gearhart with a sharp Black Jr Doe, and Stephen Stump had BOS with a nice Steel Jr Buck. There was outstanding quality in the youth show as well as the open. Those of you who are looking for some breeding stock shouldn't be afraid to buy from some of these youth breeders. Many of these animals are as good, if not

better than those in the open.

The Board awarded the 2003 NDS to the ADRC. (a legality). The work will be done by the Washington county PA RBA, and held in Washington, PA. This is about 20 miles south of Pittsburgh. I have heard nothing but good things about the facility, and the workers from this club. Howard "Howdy" Dumire is spearheading this effort. Please see elsewhere in this issue for more details.

The 2004 NDS will be going back to Ohio. This will be celebrating the 75th year of the ADRC. The show will be in Greenville, Ohio once again. It will be a bit earlier than usual, April 16-18. We wanted the following weekend, but the facility was booked by a chicken show.

We made some changes to how the ADRC Hall of Fame nomination process works. There were several changes made which should make the process easier. Look for these changes in Doreen's minutes from the Board meeting.

You should have received your new Guide book by the time you see this. Many people contributed articles to make this a success. We hope you like what you see. Read it and take what you read and adapt it to how you breed and raise your Dutch.

One item to mention that is new to the Publicity Department is a full color Dutch poster. The poster is quite nice and very reasonably priced. It not only has all of the Dutch colors, but it also shows the proper markings, and proper ring color. This is a must for the new Dutch

breeder. It is one thing to see a drawing of what a marking is supposed to look like, but it is another to see the proper marking in a photo. There is also a great shot of Gray ring color. If you have ever wondered what this is supposed to look like, this shows it. Contact the Publicity Chairmen to order yours!

Any ideas that you may have should be submitted to any of the Board members for their consideration. We value your input, so make your voice heard.

Respectfully submitted,

Sec/Treas MESSAGE

Hello Friends; Mega Kudos to the Indiana group for the 2002 National Dutch Show. It was quite a large show with some really nice looking animals on display. I especially liked seeing everyone pulling together to help get the judging done in record time. Thanks again, Indiana breeders.

Thank you to all the members who presented animals for the Seller's Class. You will find the full report on another page of the Dutch Reporter. Thank you to the buyers, and we all hope that your purchases will create some new gene pools in your rabbitries.

Just before leaving for the National Dutch Show, I was working at getting my reports together and I noted that in the two years that I have had the Postal meter here, I have run, 2,827 pieces of mail through it and if you add the DR mailings, and the ballots, the total is over 10,827 pieces of mail from this office in the last two years. It will be helpful if when you send something to this office, you make sure that it is complete, and please - separate memberships and sanctions.

Election time will be upon us soon. Resumes have been received and once again we could really use some more candidates for our election process. If anyone has any ideas about how we can find more candidates, we sure would like to hear them. If you are an adult member of the ADRC you should receive a ballot about mid August. It will contain information about voting for the director in your area and the opportunity to vote for judges for future National Dutch Shows. Please take a moment to fill out the ballot and drop it in the mail. The response has been really great the last couple of years and I am sure it will continue.

I would like to call your attention to the Hall of Fame. There were no inductees this year, not because there were not suitable candidates, but the nomination process was falling short of what the committee needed to make their decisions. The Board made a few changes hoping that the new process will improve the completeness of the nominations. The change from 15 to 10 years of membership will open additional quality breeders to the list. The nomination forms will be turned into any ADRC Director and it will be the responsibility of the Director to check the application and help complete it if necessary. This office should receive the complete form by January 10 each year for consideration in that year. Please check this Dutch Reporter for new forms and remember that any ADRC member can nominate another member for the Hall of Fame.

Plaques for the 2001 sweepstakes winners went into the mail May 23, 2002. If you have not received yours, please let me know so we can trace it. Congratulations to all the winners and to everyone that supported our favorite breed by attending and participating in a show.

And remember, even though some folk's think they can, we all know that "You can't beat the Dutch".

NEWS FROM RICK B.

The 2002 NDS is over and congratulations go out to all the winners of the Open and Youth shows. I would also like to take this time and salute the Hoosier Dutch Club for hosting a very nice National. I will admit that I had some doubt as to the way things would go on Saturday with five judges and so many animals but it went superb. Hats off to the host and all the members of the ADRC for stepping up to the plate and making it work. The teamwork and cooperation of our membership are what puts us apart from other National Clubs.

The 2003 National will be in Washington PA and Howard Dunmire has taken the task of organizing the event. The Board also approved the 2004 NDS bid from the Ohio State Dutch Club to be held in Greenville, Ohio. So mark your calendars and get your maps ready to travel to PA and Ohio during the next two years, both shows should be big. The Board also made changes to several other items so please review the minutes from our meeting in this issue of the Dutch Reporter.

Start breeding your animals for the ARBA 2002 convention in Peoria, IL in October. Kevin Hooper and Scott Williamson will have the task of judging our Dutch in the Open show this fall so lets make sure they have plenty of work. The publicity department will only be able to have one booth at the convention so there will be no hospitality area or raffle area as in the past.

until next time....

NEWS FROM TOM

Thanks to the Hoosier Dutch Club for a memorable National Dutch Show experience. Fun was had by all.

The local shows continue in a busy way and the quality continues to be excellent. Numerous youth exhibitors could compete against the open competitors.

Tony Micallef is home and recuperating. He had a good NDS as several of his rabbits did well in other people's names.

I am looking forward to the ARBA convention in Peoria as my young junior crop of rabbits is as good as I have raised overall.

The interest in Dutch rabbits in my area continues to escalate. And I see several youth who I feel will be significant contributors to the betterment of the fascinating world of the Dutch Rabbit.

I am going to St. Louis on the weekend of May 18 to do a presentation on Dutch rabbits at the Purina Mills Rabbit School Day. Should be fun!

NEWS FROM SUE

We're still trying to figure out if summer will ever make it up here to the Midwest. In the past few weeks, there has been a combination of frost, heavy rain, and a dose of heat, which has been confusing us all. Our annual trek to NDS in Indy was fairly warm on Friday, but then on show day we had quite an impressive all day downpour. Thankfully, our showroom was nice and dry, and we

weathered Mother Nature just fine.

Until we went to go home...the winds were SO intense that it was difficult to keep the car going in a straight line. At one point, our little caravan of travelers passed the Wayne family from MN in their van. I could have sworn I saw Milt rocking back and forth behind the wheel, trying in vain to get his van to go faster.

The National Dutch show was a show to remember. The group running it spent countless long hours (and sleepless nights) preparing for our group to come in for that weekend. They blended some new ideas with the old and ended up having one of the biggest shows yet to be held. We were done judging remarkably early so there was plenty of time for us all to mill around and visit. I have to commend the Indy group for setting up an extra row of sale cages. Exhibitors were able to bring a few more animals to sell that may have stayed home. It gave breeders the opportunity to buy animals they may not have been able to purchase otherwise.

True to the nature of rabbit raisers, conversations during the banquet vary as much as markings on a Dutch. This time I sat near Mr. Pete Nelsen, from WA, along with several of our Wisconsin people. Pete has come up with a theory he felt inclined to share with us all. He feels one can predict the health, as well as overall ability for a doe to raise a good sized litter by—I kid you not—the size

of the rabbit's droppings. A doe that will raise a good-sized litter and not have babies that are failure to thrive babies has very large droppings. On the opposite end of the spectrum, does with smaller droppings have smaller litters and fail to have babies that have that solidness we all want to see in a young age. After we laughed ourselves silly, a very serious Pete then proceeded to support this thought. By the end of his lecture, he had us all anxious to go home and dig in manure. I confess that I did. And I would venture to say others did as well.

I also talked (or I should say 'was lectured') briefly by Erik Bengtson as he was loading up animals he had bought at NDS to go home. He feels some of our blues are not what the standard is calling for. We are to breed for a "Medium blue color", whereas many of what we are seeing today are so deep blue that, at first glance, it's hard to tell if they are blue and not black. After thinking about it on the way home, and then seeing animals on the table at the next show, I have to agree with him. Those stunning deep blue Dutch are what are winning, but if we compare with what are standard calls for, they are a bit too deep in color. This year, I'm keeping a buck that is more what I think is "medium" blue, and I'm going to see what happens in my coming litters. What do you all think? Do you agree or disagree.

In the next few weeks, many of the shows will be winding down until the fall. It's

difficult to travel with bunnies when it's really hot out. Hopefully, all of you are pleased with litters you've gotten and how they are turning out. Don't hesitate to email, call or write a more experienced breeder if you have questions or need advice. There is always something you can learn from another breeder, regardless of how long you've been at it.

With our National ARBA show in Peoria this October, perhaps some of you that have not shown much can come and participate. I'll never forget Warren Wilt man, from Manitowoc, WI. He has some dynamite animals! For years, we tried to convince him to attend a National. We even offered to bring his critters for him. He always said he didn't feel his animals were "good enough" to compete at that level. Warren finally attended the ARBA show in Madison, WI in '97, and ended up at the top of both classes he entered in. So...anyone thinking that showing nationally is beyond his or her realm can find out differently by coming to one.

Dutch people are, and always will, be the best breed out there!

NEWS FROM DAWN

Hello Everyone, Hope I make the deadline for the Dutch Reporter. Julia sent me an e mail that she needed our articles, it definitely was put on the back burner due to the fact that we had a triple dwarf show at our house this past weekend. Finally I will have a small breather to get this off to her.

The National Dutch Show was a success! They did things a little differently, however everything seemed to run smoothly. Thank you to all the people that jumped in & help get the rabbits to the tables, without this help the show would have not run so smoothly. A Big Thank you to the Indiana Club for hosting the big event.

Well I talked to Kevin & he believes that it is a first! I am sure the Grey breeders are riding on cloud 9, not only Best of Breed honors, but Best Opposite & Best Junior. Congratulations to all of the winners at the National Dutch Show, I know what an extraordinary feeling it is to have such a win.

The Peoria ARBA Convention will be here before we know it. I think we have pretty much everything in place. I'd like to thank everyone that donated towards the specials for this show. If there is anyone else interested in donating please don't be SHY! The awards are costing a little more than anticipated so we need some help. All monies can be sent to me,

it is \$10.00 to sponsor an award. All of the info for this show should be in this issue of the reporter. Hope you all have a great summer.

DISTRICT THREE REPORTS

NEWS FROM PETE

Happy Spring from the North west! I know that everyone in the Northwest doubts that it really is spring, because, just last week, May 7th, we had SNOW and HAIL. Take my word for it that is unusual. When I woke up that morning our deck was cover with about 1/2 an inch of little white hailstones. How CRAZY!! Then I found out, east of the mountains in Washington they had some obscene amount of snow for May (like 14 inches). This has got to be Guinness Book kinda stuff.

Enough of that. I know some of you in different parts of the country will be saying... "What whimps," and we are; it's usually so mild here. But, in all seriousness, it did catch us off guard. So I was thinking, if I am this confused, imagine

how my Does must feel? One day it is 70 degrees with birds chirping, apple blossoms on all the trees and a beautiful smell of flowers in the air. The next morning temps in the 30's with frost on the car windows, with snow and hail to come. I don't expect that this will ever happen again, because I can't remember it happening in 35 yrs. So, I will make a small observation/recommendation that might be helpful to anyone who has Does kindling during this time and in this unique situation. A friend of mine taught me this a long time ago for winter.

I always keep a bag of Angora wool in the rabbitry. When it's really warm, like it has been lately, and my Does are preparing nestboxes, I think that they instinctually recognize it's warm and they don't need as much fur. Then, when we all, get caught off guard by this huge swing in the temperature, I just put a little angora wool over the kits in the one or two nestboxes Since January, it's been so busy for Dutch around the Northwest. Our local club the NWDRC has sponsored three shows. One in Canada, one in Eastern Washington and one in Oregon (only 30 miles from the California border). Now, that is a geographical enormity. For those of you not from here, the distance from our show in Canada to Oregon along the coast is over 600 miles. The NWDRC club members came out and attended all the shows in record numbers and there were some nice animals. 2002 has been an amazing year for Dutch so

PUBLICITY DEPARTMENT

We were finally able to show off our new ADRC Full Color Poster during the NDS weekend. The Poster measures 23"x35" and shows each of the six varieties of the Dutch and several markings as well as the point schedule. The poster can be purchased via mail for \$5.00 plus \$2.00 for the shipping tube, which can hold up to 5 posters. Julie and I are still looking for candidates to take over the Publicity Department in case Marty Preede decides to pass on the opportunity to take the position.

This years ARBA convention will only allow Specialty Clubs to purchase one booth so we can't offer a hospitality area. We will reduce the raffle table down to just two or three large ticket items in an effort to save space but make some money. Julie and I are looking to put a DVD player and one or two other items in the raffle so call with suggestions or donations.

far. Dutch rabbits around here are always serious contenders for Best in Show (BIS) or Reserve in show (RIS). Tiffany Dills took BIS in Yakima, WA with a Choc Jr Doe. Sarah Cleavenger had a BIS in Monroe, WA at the Youth Show with her Black Jr. Buck. Pete & Debra's Blue Jr Doe had a RIS in Canada and in Bremeton, WA. All NWDRC club members. The NWDRC is preparing for their biggest show of the year, The "Nothing But Dutch Show" May 25th. We have an Open and a Youth show. There's a Potluck lunch during our Awards Ceremony where we recognizes the 2001 Sweepstakes winners (1-10). It is a great show and lots of fun.

Finally, I just got back from the National Dutch Show (NDS) in Indianapolis, Indiana. I report this every year, but it is just so much FUN. I wish every club member had the opportunity to attend just one NDS. I don't know the exact numbers, but there were about 1000 Dutch and 150 exhibitors from all over the country. And, oh my, the Dutch you would see, were beautiful. Jay Imes won BOB with a Gray Jr. Doe and BOS went to Ed McKinley with his Gray Jr. Buck. Congratulations to them both and Congrats also, to the Indiana committee who put on a good show. A personal "Hey Hey Jay, way to go"! And then .hurray for Grays!! It was awesome to see Grays as BOB & BOS. They are the second biggest class, behind Blacks, at most of our Northwest shows. They are a much-loved variety here. So, it was fun to see and great for me to report to all my club members in the Northwest.

I guess that is it from "crazy weather central" here in the Washington. Have a good summer.

NEWS FROM RICK L

I'm just back from the NDS in Indianapolis, IN and recuperating from the drive as the rain falls steadily here in Kansas City.

First I would like to thank the group of dedicated people who put on the National Dutch Show. The folks from Indiana went above and beyond the call of duty to make sure the show ran smoothly and they certainly succeeded. Special thanks to all the ladies and gentlemen who worked in the show office. They didn't get to see much of what was taking place on the showroom floor because of their tireless efforts to keep the paperwork flowing seemingly effortlessly. So to Kay Stearns and everyone involved thank you, thank you, thank you!

My sincere apologies go out to District 3 member Beau Williamson on the disappearance of his Black Junior Doe at the NDS. I truly hope the mysterious vanishing of the doe was a simple mistake. The thought of a member of this great organization purposely taking this animal is extremely troubling to me. I remember in 1997 when Val Slack experienced a very similar situation while "convention-sitting" for a Black Senior Buck of Bob Worden's. My suspicions surrounding the culprit remain but without hard evidence to back up my nagging intuition, I keep silent in my conviction and rejoice that the suspect is no longer a member of the ADRC.

As you know, it takes a lot of work, dedication and of course, some luck, to raise a great rabbit and I know Beau has many, many more successful breeding years ahead of him. This however, is not the point. We, as a group, must make an effort to insure that situations, such as these, never happen again.

As far as the loss of prize money and the cage, all I can do is shake my head. I cannot explain this away as a case of mistaken identity. To steal from anyone is wrong, to steal from a child is just about as low as one can get. My

apologies if it sounds as if I have climbed on a soapbox but I needed to speak my mind.

Other than the aforementioned glaring mishaps, the show was a rousing success with loads of incredible animals and tons of great folks with whom to spin a yarn.

I would be remiss if I neglected to thank everyone who baked the scrumptious goodies such as cakes, cookies and brownies that were in the showroom for Dutch members to sample, and if like me, make a meal of! I tracked down the young lady who made the brownies with the caramel and chocolate inside and...well, I told her I loved her and her husband ever so gently punched me in the eye! As most of you know, this is a joke because I've got a quick wit and really, really fast feet! The brownies were great and I love my wife (her right hook is pretty mean so I thought it wise to put it on paper!).

Recently Tonna Thomas, of the American Rabbit Breeders Association Publicity Committee, contacted me and we are currently in the planning stages to film and narrate a series of videos for the ARBA. Our first visual offering begins with a ½ hour program on the purchase and care of your first rabbit and moves onto rabbitry construction and cleanliness and eventually videos for each of the recognized breeds of rabbits. This will be a long and expensive project however one that will take the ARBA into the new millennium with a bang! The Dutch, without a doubt, will prove to hold the starring role if I have anything to say about it!

Shows are now underway in our area and it looks as if the breeder to beat in my neck of the district will be Judge Marvin Cole who has some outstanding Torts.

I hope you have a wonderful summer and can keep your Dutch cool and their ears short! I myself will keep cool without my shorts...

NATIONAL DUTCH SHOW 2003

Washington, PA

The 2003 NDS will be on Washington, PA on April 25, 26 and 27 2003. The ADRC has approved the Washington County Rabbit Club to host the show they are sponsoring. As the Show Director, we hope to put on the best show possible for all the Dutch exhibitors.

We have received the monies from the NDS banquet from the passing of the hat. However, this level of funding is not sufficient to put on the kind of show we like. Therefore, we are asking the exhibitors, vendors and others to make a cash donation for general use or it may be made for a specific award, division and etc. Such specific requests will be honored whenever possible; however it is first come, first served. Any Dutch related items for awards would also be graciously accepted.

We hope that many of you will be exhibiting and visiting in our Washington, PA area; therefore, would you please consider helping out with the cost of awards and show expenses. We cannot begin to formulate plans until we know how much money we have to work with, we would appreciate receiving your donation as soon as possible.

RESUMES

Candidate Ray Brewer

District One

My Rabbit Odyssey began when I was about twelve. While playing near my home, I discovered Dutch rabbits in cages in the backyard of a neighbor. That neighbor, Parks Farrow was a "straight-arrow" rabbit breeder and judge - a man destined to have a major impact on my life. Judge Farrow shared his love of the rabbit fancy with me, took me to rabbit shows, and helped me start my own small rabbitry. Over the years, I have come to appreciate just how fortunate I was to have had rabbit judge for a role model and mentor.

Margie and I married during my senior year at the College of Engineering of the University of South Carolina. Demands of family and career took me away from rabbits for a time... Then, a little over twenty years ago, while attending the S.C. State Fair and hearing me tell of those rabbit shows of long ago, my three sons decided that they too should raise Dutch rabbits. It's a familiar story from there? The kids eventually left the rabbit scene, the parents didn't.

There have been many who have helped us along the way; however, our most notable benefactor was Lowell Jones of Cleveland, Tenn. I met Lowell at the All Southern Finals at Gadsden Alabama in 1982. In the weeks that followed, I called Lowell several times requesting stock. He had a big demand for his stock and a long waiting list. But, sometimes, good things come to those who persevere. After what seemed a very long wait, Lowell called and told me that he had eighteen Dutch he wanted me to have. All I had to do was to drive up to Tennessee and get them. It took all the carriers we could muster and all the space in our little Chevy Citation to hold all those Dutch. Looking back, I see that a considerable part of the fun of the hobby for Lowell was sharing. Sharing his rabbits, and sharing in the accomplishments of those he had chosen to help. A couple of years

later at the Orlando Convention, thanks to Lowell, the Brewer family won 5 Dutch classes including BOV Steel, BOV Gray and Best Sr. Tort.

My judge's license came just before our first grandson was born. J.J. is now a nine-year-old, third generation Dutchman, who enjoys going to the shows and telling all who will listen that he is going to be a rabbit judge just like his Grandpa. We found out recently at Indianapolis that J.J. really likes Dutch auctions!

Our Hobby has afforded Margie and I many memorable experiences. We've traveled to about half the states in this great country; I've judged Dutch and other breeds at National Specialty Shows and ARBA Conventions. And, we've even had our expenses paid to go to Bermuda to judge there. The rabbit - God's marvelous little creation, the wonderful hobby associated with it, and all the pleasure that we derive from both could never equal the true measure of this endeavor? The many lasting friendships that we've made along the way.

Margie and I have held just about every leadership position in our local and state clubs and I recently had the honor of being elected as an A.R.B.A. Director (zone 9). In spite of all that, I have always wanted to serve on the ARDC Board - I haven't run before because I could not stand the thought of running against friends like Marty Preede or Sue Peters. After Marty resigned last fall, Kevin Hooer called and asked me to complete his term. Now, I have decided that I would like to continue as director. Therefore, I place my name in nomination for the position.

If elected, I promise to listen to what you have to say, to convey your thoughts to the board, to keep you informed, to be accessible (by mail, phone or e-mail), and to promote, to the best of my abilities, Dutch rabbits and the objectives of the A.D.R.C.

Thank you!
Ray Brewer Saluda, SC

Resume for ADRC President Kevin Hooper

Most of you who have been in Dutch for a while probably know me. Here is a bit of info about me for those of you who don't.

I have been raising Dutch since 1975. I am now 36 years old, and I'm married to Sherri. (She is not involved in the rabbits due to her allergies.) I currently only raise Dutch, although I have raised a few other breeds from time to time.

I have been on the ADRC Board since about 1992. I have served as president for the past five and a half years. We have made many changes in the ADRC the last few years. We have adopted many current technologies that have made many of these changes possible. We have computerized the Sweepstakes report processing, and added a web site, www.Dutchrabbit.com

. Many other changes have taken place during my tenure as President. I can't and won't take credit for all of the changes. That credit should go to our Board of Directors who has had the vision to spend a little money to make many of these changes possible. I am also the President of the Ohio State Dutch Rabbit Club.

I don't plan on being the president of the ADRC forever. We need others to step in and take leadership roles and be active in the support of our wonderful Dutch rabbit. I would encourage each and every one of you to consider running for president of the ADRC in the future. You do have to put out a few fires and act as a mediator on occasion, but it is all in support of the ADRC.

Thank you in advance for your support as President of the ADRC.

youth HAPPENINGS

.....our future stars

2002 NDS YOUTH BOB

I don't think that anyone comes to a National Dutch Show expecting to walk away with best of breed. Unless of course they think very highly of themselves. I know that I sure didn't! I was happy with a few seconds! Winning the National Dutch Show was a huge surprise to my brother and me! It also is a huge accomplishment. It told me that all my hard work in breeding and showing paid off. I also realize that it is probably a one in a lifetime thing. It may never happen again. I just enjoy being at the shows and seeing all of my friends and having a good time.

We would also like to thank some people that have helped me along the way! Such as Kevin Hooper for selling us our number one brood buck 3 years ago. The rabbit is a Steel Buck KSS7; we used him almost exclusively to breed all our does for the first year that we had him. He has produced some very nice steel, good blacks, and a few good grays. I think now he is the oldest rabbit in the barn. Also I would like to thank all my friends that are involved with Dutch, like the Kline's, the Webbers, the Lape's, and the Bickelhaupt's, and I am sure that there is many more that I haven't mentioned! Without their support, help and encouragement I know I wouldn't be here today! My brother who is eight years old also helps me show and care for my rabbits and he said that he would like to thank the judges and all the writers! We also would like to thank the Hoosier Dutch Rabbit Fanciers for putting on a great National Dutch Show.

In closing we would like to congratulate all the other winners especially Steven Stump for winning BOS in the youth, and Jay Innes for winning BOB in the Open.

Adrienne and Mac Gerhart

Somerville, Ohio

2002 NDS YOUTH BOS

My name is Steven Stump and I had the honor of winning Best Opposite Sex at the National Dutch Show In Indianapolis this year. This was my first NDS. I would like to thank the Hoosier Dutch Rabbit Fanciers, for putting on a great show. It sure seems like a lot of work.

I got started in raising Dutch 5 years ago, when I was old enough for 4-H. The Sequins, which are family friends and my 4-H leader, were getting out of showing rabbits, so they gave me on steel buck. Without their help, I would not know half of what I do about rabbits. But I have to give Trina Sequin a special thank you for all of her help.

I could not have gotten off to such a good start without the good stock and good advice of Tom Dietrich, Thank you Tom. Other help along the way were Kevin Hooper, for writing good articles and also for good stock. The Michigan Dutch Rabbit Club is the best group to be around. They make the shows so much fun. I am getting to know the Ohio group and they are great too. Tony Micallef has helped me also and I hope he gets better soon.

The bunny that won BOS is a little steel buck out of my best doe. Her last litter produced four bunnies that were entered at nationals and all showed great. I didn't think they would be big enough to do well, as they were only 2 1/2 months old.

This is a great thrill for me; my plaque is hanging in our living room for all to see. The competition was tough. I have never seen so many nice rabbits. The judges sure had their work cut out for them. Congratulations to all of the winners. As for the Best of Breed winner - Adrienne Gerhart, that is one nice rabbits. Congrats to you.

I had a great time in Indy. I hope all the nationals are that much fun. Thank you.

BREEDING QUALITY BLACK DUTCH

by Cody & Danny Lape

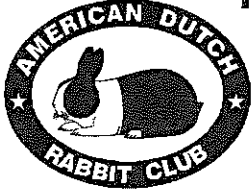

There are many features that we consider necessary in raising good quality black Dutch. Three important ones are purchasing good quality breeding stock, culling for good body type as well as markings, and having lots of patience.

When starting in black Dutch we purchased good quality breeding stock from reputable Dutch breeders. Your beginning stock is your foundation for your herd and without a good foundation you cannot produce good quality.

We try to focus on good body type. We look for a nice rounded, cobby bunny with straight hind legs. We like to see good width between the hind legs and strong shoulders. We always check and cull for disqualifications. Although, we are not afraid to keep a mis-marked typed doe as a brood doe if she has other body type features that we like. We also like the young that have dense black fur that seems to reach prime at a young age.

The last thing we must have is patience. Don't give up if the first breeding does not produce exactly what you are looking for. Breed does to bucks that have features that will complement each other. If the does may be weak in the shoulder, try breeding with a buck that has strong shoulders. Keep trying different combinations and do not give up. Remember each nest box is like a Christmas present, waiting to be unwrapped. Be patient because the best presents are always worth waiting on.

Stan Freed— Open Judge 2002 National Dutch Show

Being selected again to be one of the open judges at the 2002 National Dutch Show was one of the highlights of my 36-year ARBA Judging experience. It was even more exciting due to the fact that the show was held in Indiana where I was born and raised and where my rabbit raising, showing and judging experiences all began. Thanks so much for asking me to join this year's judging team.

I want to extend a very BIG thank you to the ramrod at my table, Mark Pecaric, along with the writers and carriers. What a grand job they all did and we never had to wait on a single class nor were there any foul ups in paperwork, etc. Kay Stearns, Val Slack, the "Fab Five" Show Superintendents, and the entire Hoosier Dutch Rabbit Fanciers crew did a GREAT job. It could now have gone any smoother!!

Now for some comments regarding the animals: The depth and quality of all the classes I was privileged to judge, was very good—especially that Black Senior Doe class. The last 20, at least, were good enough for any show and anybody's barn. The Blue Junior Buck class was also excellent and the winning animal was enough to make any Dutch Fancier drool!! If his markings would have been just slightly better and if he had just a little more finish, he would have been hard to beat for BOB! There was another outstanding animal in this class that had to be disqualified due to a tooth broken off and hanging by a thread. He had great type and finish and would have been right at the top of the class.

The only negatives are these: 1. Too many Black does had to be disqualified for white spots. This shouldn't happen at a NDS! Breeders need to look over their animals more closely before entering. A lot of money went down the drain here! 2. I did not have the opportunity to judge TWO varieties, Gray and Tortoise. So, I did not even get to see or handle these two varieties until we judges picked best of varieties, etc. I would have liked to

have known more about the overall depth and quality of these two varieties. However, the Grays that won it all were certainly outstanding animal.

Congratulations to all the winners and everyone involved in putting on this year's NDS—it was a DANDY!!

Stan Freed, ARBA Judge #251

NDS OPEN BOB John Imes

I left home at 6:05 AM and headed west. I arrived at Megan's Dutch Hutch at 10:00 AM. Dennis, Barb and Megan loaded all of my rabbits as well as theirs and Renee Russ in the truck. Barb and Megan were going to have to walk, so Barb decided to take her car, with Megan and one cart, all our cloths and supplies in the car. Dennis and I had the truck. Our load consisted of one car, equipment and 67 rabbits. We left New Reigel, Ohio at 11:20 AM once again heading West. We had nice weather for the trip. We arrived at the Indiana State Fair Grounds and noted we passed ourselves as we had gained an hour. My total mileage was 435 miles and I am only supposed to drive no more than two hours.

We were greeted by members of the Hoosier Dutch Club and there was no way anyone could have been more helpful. We got the rabbits put away. Billy Bounds from Maryland was my roommate for this show. Billy had arrived on Thursday and had a room at the Super 8 Motel. Our motel was the Hampton Inn, because it has a pool. I got in bed at 12:00, which to my boy was really 1 AM.

Up at 4:45 AM. We met the Lape's Bogan's and Feather's along with the Kline's and headed for Bob Evans (my favorite). Arrived at the show room and watered the herd. I did not attend the meeting as it takes me three times as long as it once did to just do my chores.

The show started and I found lots of places to sit. I only went to the tables twice – once to see how Mr. Erik was doing on the Gray Sr Bucks. I did see

him place the last six. I had 6-4 and 1.

I did not go to the Sr Gray Doe table. I stopped by the Jr Buck table and noticed that Tammy Loomis was about half way thru the class (I took 7th).

I was talking to Sue Peters when Billy Bounds came up and said I had 1st Jr Doe – also 4-5-10-11.

I watched the variety judging as I had the Sr Buck and Jr Doe in the rear pens.

I was very happy to win Best Gray with my Jr Doe. I was just about as happy to see my friend Ed McKinley win best Opp with his Jr Buck. Now its time, for Best in Show. It seemed like it took forever. I know I moved my chair 10 times during the deliberations. Finally some one said it was between the chocolate and the gray was the winner. Well my life long dream has now been achieved.

I want to give credit to some very important people on this life long dream. Harry Rice for telling me in 1951 to kill what I had and go see Andy Barton. Andy sold me a black doe and George Camp sold me a blue buck. I did reasonably. Well - with this cross -black, blues, steels and a gray buck. That was some mixture. However it got me started in Grays.

Over the years I want to thank in addition to the above, Mr. Wayne MacKinnon for letting me have some very nice Blues and Blacks. And Mr. Kevin Hooper for letting me have a couple of good Gray Does.

The Doe that won, JG31, is out of one of my bucks and one of the does that Kevin let me have. I will never forget him for this.

Well, I got home finally at 6:05 PM Sunday. Washed my face after putting the rabbits away, and headed for church. I had an awful lot to be thankful for.

See everyone in Washington, PA

4-Applications must be turned in to your area ADRC Director. (Previously applications were turned into the ADRC Sec.)

5-Applications received by January 10 of each year will be considered for that year. (same as previously)

A motion to approve the new Hall of Fame Rules made by Pete Nelsen was seconded by Rick Billups and passed.

The 2003 NDS, represented by Howard Dunmire presented information about the 2003 NDS to be held in Washington, PA.

New Business:

The Ohio State Dutch Rabbit Club presented a bid for the **2004 NDS, to be held in Greenville, Ohio April 16-18, 2004.** A motion by Tom Dietrich, seconded by Briony Barnes to accept the bid was passed.

A discussion of NDS judges followed. It was the feeling of the board the NDS judges need to be approved by the ADRC board.

A motion by Pete Nelsen to award life membership to Lloyd Greg was seconded and carried.

A motion to adjourn by Rick Lehmann, seconded by Rick Billups was passed.

The meeting was adjourned.

*Respectfully submitted,
Doreen Bengtson, Sec.*

Publicity Committee presented NEW colored Dutch Posters at \$5 cash or 2/\$9. The call is still out for a NEW publicity director as the Billup, s family wishes to take a break.

The lateness of the Dutch Reporter is an issue that everyone is aware of, and we are all working to get things back on schedule.

Old Business:

2003 National Dutch Show will be in Washington, Pennsylvania. Howard Dunmire was at the meeting to answer any questions.

The new ADRC Guidebook is nearing completion. Will be printing soon.

Call for Stacy Bollinger answered new author for the Domestic Rabbits Dutch Column. We thank you Stacy, especially Briony.

Hall of Fame new rules were presented. No inductees to the ADRC Hall of Fame this year.

New Business:

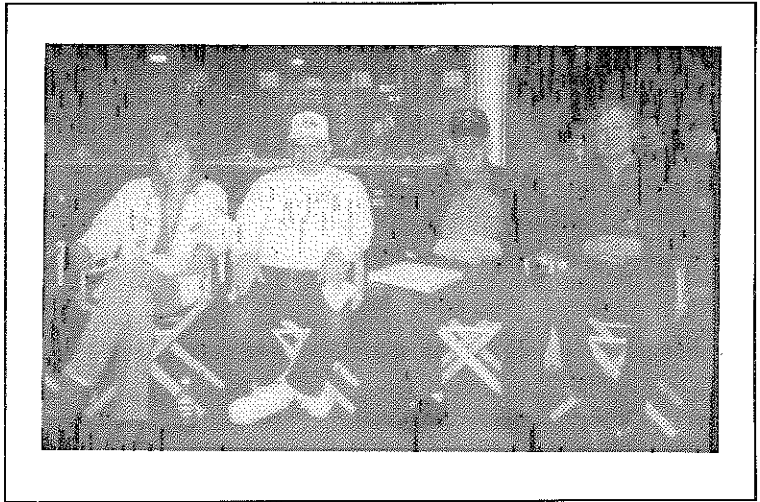

The bid for the 2004 National Dutch Show has been awarded to the Ohio State Dutch Club. The dates are April 15-17 in Greenville, Ohio.

Résumé's are being accepted for candidates for offices on the ADRC board up for election this year.

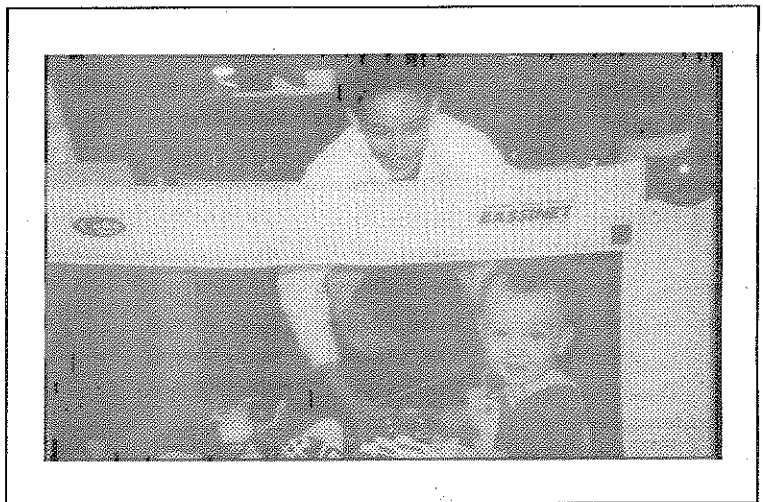

Val Slack was introduced to give directions for today's show.

A motion by Chris Paul, seconded by Mark Pecaric to adjourn the meeting was passed.

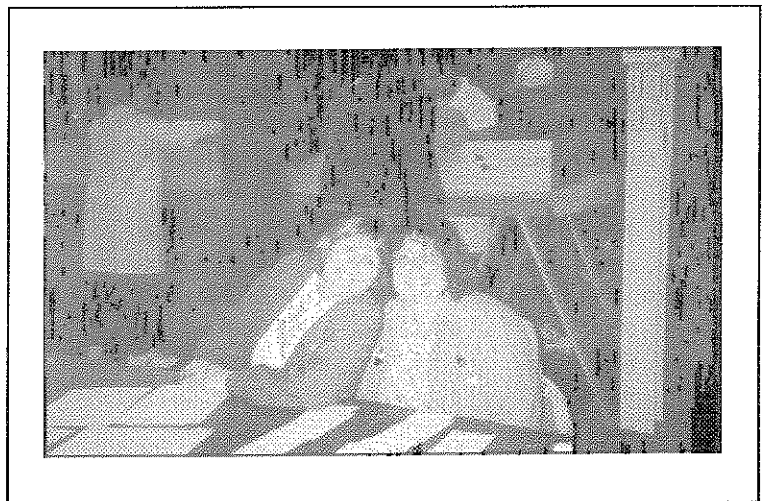

*Respectfully submitted,
Doreen Bengtson
ADRC Sec.*
