President's MESSAGE

I would like to start off by offering a BIG THANK YOU to the Washington Co., Pa RBA. This is the group that headed up this years NDS. The spearhead for this effort was Howdy Dunmire. Counting this year, Howdy has been to THREE National Dutch Shows!! Howdy expressed interest prior to him attending his second NDS! There is the common sports term of "stepping up" when someone has to take the place or leadership role of a player who is no longer there. Well, no one fits this phrase better than Howdy and his crew who stepped up, and put on the 2003 NDS! Thanks to all of you who pitched in and helped to put on a successful NDS in the 74th year of the ADRC!

Now, for the big winners! The top honors in open went to a very happy Warren Wiltman from Wisconsin, with a nice Black Junior Buck. Best Opp went to a nice Blue Junior Doe of Dan Nixon from Ohio. The winners in open and youth were scattered among various breeders this year. Best of Breed in the youth went to a nice Gray Sr Doe, belonging to Katie Bickelhaupt of Ohio, and Best Opp Dutch was a Gray Sr Buck of Janet Wickerham (MD). Congratulations to all who won and attended!

The Board has decided we need to put together a planning aid/ checklist for those groups who may have interest in putting on the National Dutch Show. I don't believe there is a lack of interest, but maybe a lack of know how. This will be available soon, and will be sent out to all Dutch specialty clubs. It will also be printed in the DR.

Bob Bergene will be taking over writing the ADRC article for the Domestic Rabbits magazine. Any items you want in the Domestic Rabbits should be sent to Bob prior to the submission deadline as listed in the Domestic Rabbits.

We again tried a balloting system for selection of the BOV and BOB awards. The Board is currently tinkering with this system to improve the speed and process. This topic took up more time than any other item during Friday nights Board meeting. It definitely takes too long! We finished judging in good time, but it took way too long to select the awards. As we discuss this further (We want to have this settled before the ARBA Convention this fall.), we would like your input. I can see where a system is needed when you have three or more judges. I don't think it is needed when we only have two

judges (ARBA Convention) See my article on judging the Dutch.

Now for the main topic of my report. This years NDS was a big success. However, some things need to change! I judged youth at this years show. I had one new youth breeder who helped carry all day. Some other breeders carried, but many didn't carry at all. This was not just in the youth. This was the case on many of the open tables. There are several people who carry every year, and those who don't ever carry anything! This is a cooped show. Your rabbits will get to the table if you send them to the show and you are not able to attend. HOWEVER, this system is being abused! I know it is nice to enjoy yourself at the show and visit with those who you have known for years. I do this too. But, when work needs done, it needs done!

Let's say that Steve, Sam, and Cheryl (all fictional to protect the workers) carry every year. But after this years show, they decide that they will carry only their Dutch, and those of their best Dutch friends who are writing at a couple of the judges tables. They carry theirs up, and then sit down. Now out of a class of 44, 11 are on the table.

Now what negative things happen? The judge can't judge the whole class and must wait for the others to show up. The show is delayed. The classes are smaller because some rabbits don't get to the table. Breeders are mad because their rabbits missed the class (while they were talking).

What positive things happen? Steve, Sam and Cheryl can sit and relax, actually eat a good lunch. Get some sleep, and not have to take a day to recover once they get home (even though they have no time to rest). Best yet, they don't get burned out, and actually look forward to the next NDS.

Hypothetical??? Maybe. A lot of truth to this - yes. The host clubs do their best to make the show easy on you. They want you to have a good time. Leaders of the ADRC do the same. But they don't want to wear themselves out trying, while watching others take it for granted. We need more people to pitch in and carry rabbits!!!!!! That does not mean just getting them to the table, but getting them back to the cage. Remember, most of those who carry learned to carry just by seeing others carry. Most who carry are not going to ask those who watch them carry to help. Most have a sense of what needs done, and just pitch in and do it! You don't have to carry all day, if every one pitches in then it is not that much work on anyone!

Thanks to those who always pitch in and do their share. Thanks in advance to those of you who will pitch in and help at the next show.

Speaking of the next show Bob Bergene is heading things up at this years ARBA Convention in Wichita, KS. If you would like to donate for the awards for the show or offer your help, contact Bob Bergene.

Any comments, complaints or ideas are welcome. Contact any of your Directors or myself.

Respectfully Submitted,

Kevin Hooper

Sec/Treas MESSAGE

Someone sent us perfect National Dutch Show weather. The trip to Pennsylvania was cool and pleasant. Temperatures in the upper 50's. A little drizzle/rain here and there.

The rabbits traveled very well. They seemed to be relaxed and enjoyed the trip. I would like to thank the NDS sponsors for a fine effort. Howard Dunmire, Sue Toth and the rest of the group did a fine job. The signs that led to the showroom helped all of us find our way to the showroom and the hotel. It was a lot of fun to see everyone again. The banquet was delicious, and could have fed more people than were there. I saw lots of left over food.

The Hall of Fame Committee completed its work and presented with the approval of the Board of Directors the inductees for 2003. From Pennsylvania, John Innes, from Michigan Edward McKinley, and from Indiana Bob Worden were welcomed into the Hall of Fame. Congratulations to them!

stood at 729 at the end of March. It has been around that number for a long time now. Anyone have any ideas to increase those numbers a bit? Let us hear from you if you do.

We said goodbye to Rick and Julie Billups at the NDS. No, they aren't leaving the ADRC, just the Publicity Department. The Board voted to extend our thanks to them for their hard work and I would like to add to that. Julie spent many hours holding down the booth at NDS's and Conventions. I hope that more of our members pitch in to help in that area in the future. We could all spend an hour or so in the booth and make it a little easier on the Publicity people. I have asked Angie to prepare a sign up sheet for Wichita, so when you get there, ask to see the sign up sheet.

We still have no bids for the NDS in 2005. Please let me know if there is anyone wanting more information. I would be happy to visit with you to see if you think it might be workable for you to host a NDS.

We will print Convention information as soon as it is available, but make plans now for Wichita.

Thanks to everyone that helped at the NDS. Exhibitors, Sponsors, Special Ads, Writers, Carriers, Winners, Losers. It was fun.

Vice President's Message

By Fran Schettler, California
May 18, 2003

The next round of ADRC elections is rapidly approaching. Kevin has inquired from those of us who are coming up for election as to whether we are going to run again. Since I have been unable to attend any of the national shows in the last couple of years partly due to work commitments that require me to work the first several days of each month getting the corporate books closed (there goes ARBA Convention last year and this), and the high cost of cross country flying plus the current difficulties in flying with rabbits without Convention arrangements (NDS), I have decided not to file a petition to run for office. So if anyone out there is really anxious to become Vice President, here's your chance. If you are interested, you may want to contact Kevin and see what he has to say.

Out here in California, the numbers of Dutch seem to be on the rise. The youth Dutch group is frequently surpassing the numbers of open Dutch, and shows in the Central portion of the state are seeing very healthy quantities being shown in the range of 100+. Youth membership in the California Dutch Rabbit Club is rising steadily. The number of open exhibitors however, is still somewhat minimal. I myself have continued to cut back on the number of shows that I attend, although I still have the same number of rabbits.

We are all very happy though to welcome Chris Lowey back into the Dutch habit. After amassing quite a herd, he got out in order to accommodate his family's interest in some other breeds. However, their interest has passed, and all those other breeds are going and Dutch are back in! Way to go Chris! Fortunately he has been able to reacquire some of his former animals or their offspring. Having Chris around again will certainly help bolster up the number of open Dutch at many of the shows.

I hope that many of the California Dutch Rabbit Club membership will attend the specialty shows to be held in July at Corralitos, near Santa Cruz (as in beach and Boardwalk). There is nothing quite like a rabbit show under giant redwood trees. Then we move on to the fairgrounds the next day for a double open show.

I have heard that Larry Bengtson has passed away and my thoughts are with the entire Bengtson family.

NEWS FROM RAY

Another National Dutch show has now come and gone. This one was truly first class! Howdy Dunmire, Sue Toth and all the members of the Washington County RBA are to be congratulated for their efforts. They sure made my time in Pennsylvania enjoyable. Being selected to judge at an event such as this is always quite an honor for me. In addition, my grandson got to show in his first National, Margie and I sold some rabbits to some notable breeders, and we picked up a first place in the sellers class. The most fun of all at the National events has to be seeing old friends and putting faces together with the names we read about in the

D.R. Unlike some specialty clubs that I've been a part, there are actually lots and lots of very nice people in the Dutch Club! I especially appreciated all the positive things these nice folks have had to say about my efforts at placing their animals. Of course congratulations also go out to the winners. I thought that the depth of quality was quite nice for all but one of the classes and all four-class winners for each of the six varieties were exceptional. There are some really nice Dutch around these days! I would point out that there were more than a few animals shown that exhibited one or more of the following faults: 1) pinched hindquarters, 2) long stops, and/or 3) long, thin coats. Any of these faults almost guaranteed a placement near the bottom of the class. If we could get rid of these pesky problems, we would have lots more Dutch winding up in the winners circle for BIS!

It's a small world - especially the rabbit world. At the other National Show that I judged this spring (N. Dwarf), a coincidence occurred that I would like to share with you. I drew the "self group". And, the winner was Dawn & Dan Swartz with a REW sr. buck. Go figure, A Dutch Judge at a Dwarf show picks a Dwarf raised by Dutch breeders??? I know that lots of Dutch folks have "second" breeds that often do quite well. Even so, there is nothing that will beat our first love - "Dutch"!

I'll be sixty years old next month; but, you know something? I'm still learning. (I plan to hang up my judging coat when I stop.) I got to spend some time with Wayne MacKinnon on Friday before the judging. I almost always learn something from Wayne. This time he came up and handed me some money stating that he wanted to buy one of the rabbits I had for sale. I was a little surprised because I had better marked rabbits than the one he wanted. (Wayne, I hope I'm not giving away a trade secret here.) His reason for wanting that doe? He liked her fur and the way she felt. The sense of touch sends a strong message to the judge's brain and nothing feels better than a Dutch that is smooth and round in type, carries a thin layer of fat over its flesh, and is adorned with a prime coat. What makes a great coat of fur? It's got to be slick and quick! Our standard calls for a short dense coat. When stroked towards the head you should feel only a slight resistance (slick). When released, the coat should flyback to its original position (quick). To win, an exhibitor has to have an edge. Most Dutch have fairly good markings; what separates the best from the rest are: type, fur and flesh.

By now most you have heard that Larry Bengtson is not doing well. I have lots of great memories of Larry and his talent for judging. I can recall the 1990 convention where we watched Larry place several of our Dutch high

up in their classes. Those wins were nice; however, my most significant experience with Larry came thanks to a call from the Dutch Club to judge at the 1995 Convention. I had only had my judge's license for a couple of years and after the initial wave of euphoria wore off, I realized that not only was this a big honor, it was an awesome responsibility. That's when some nagging fears began to creep into my head. What if I missed a really good one way down in a big class? And, what are the exhibitors going to think of me if in my efforts to do well, I am a lot slower than that other guy? Then I remembered, the "other guy" was Larry Bengtson. I knew I could count on Larry to give me a few pointers and sound advice. As it turned out, I didn't even have to seek him out. Larry came over and sat down next to me at the judge's conference the Sunday before the judging and told me what he wanted me to do. Larry's straightforward approach sure helped put my mind at ease! Thanks to Larry, my first convention assignment went better than I could even have hoped. It's always gratifying to me when another judge likes the rabbits that I have judged. And, Larry sure liked the Black Senior Doe that I had picked- he insisted that we make her Best of Breed! In my opinion Larry Bengtson truly deserves his spot in the Dutch Hall of Fame.

NEWS FROM RICK B.

Well the 2003 Nationals is over and congratulations go out to the winners and the hosting club. I would like to thank Howdy and Colleen Dunmire, Mike and Sue Toth, and Bill McCurry and the other members of the Washington County RBA for doing a wonderful job. It goes to show you that determined minds would get the job done. I would like to congratulate Warren Wiltman on winning BOB in the Open Show with a Black JB and BOS went to Dan Nixon of Ohio with a Blue JD. Katie Bickelhaupt won BOB in the youth show with a Gray SD and BOS went to Janet Wickerham with a Gray SB. I had the privilege of working with Chris Hayhow all day and was reminded of the demands placed upon a judge. A big thanks to everyone who helped make this show a success! It takes several helping hands to make the day go smoothly and efficient. The one thing I did notice is the number of members whom either stood around or sat and did nothing while a small group hustled all day. The National Dutch show is held for the benefit of all members and requires the efforts of many. Too often it's the efforts of a select few and not the majority of the exhibitors. The group that hustles at the NDS is often the same group that helps with the judging during ARBA Conventions. Our membership needs to step up and help at the shows and relieve the work load put upon a handful of members.

Enjoy your summer,

NEWS FROM TOM

It is always a refreshing experience to go to a National Dutch Show, thanks to all who had a hand in this.

The show season is slowing down as the summer approaches. The local area Michigan, Indiana, Ohio group that show in Michigan are a friendly and enjoyable group of people to socialize with. We (the Michigan Dutch club) will continue to explore the feasibility to hosting a National Dutch Show. (We did this in 1992)

Some thoughts on the recent National Dutch Show - the judging for Best of Variety- Best of Breed ETC will need some refinement to the voting system but I feel a system like this gives all the judges a voice in picking their choices and lets the exhibitors know what judge voted for what. (List who picked what at show room or in Dutch reporter). We need to make the National Dutch Show a 2 day show - with judging to start on Friday pm, I have always thought the National Dutch Show was a day too short and the ARBA convention was a day too long.

Even though Tony Micallef did not attend the National Dutch Show he still had a good show as several of his line did well for others.

Best of everything

NEWS FROM SUE

One of the nicest reasons to drive the distance to a National Show is to be able to appreciate how the landscape differs from what we are familiar with around home. That was the case with the drive to the 2003 NDS in Pennsylvania this April. As we wound our way through the hilly terrain towards the town of Washington, the Redbuds were in full bloom, giving us all a show of their own. Once we arrived, we checked our animals into a very generous and airy building that Howdy and his group had secured for our show. The biggest challenge by far was finding the hotel for the first time, which was accessible by going down a series of side roads that had invisible street signs. Thank goodness Kevin Hooper and Rick Billups were heading back to the hotel when we were ready to check in. After that, traveling back and forth to the showroom was a piece of cake.

The show turned out to be quite nice and the weather blanketed us with warmth the entire time. The winners are mentioned elsewhere in this edition of the DR so be sure to visit there and see who all took home honors. Please congratulate them all when you see them at the shows! The youth had some amazing looking rabbits in their section and could easily have competed against the open division.

There were several issues that were brought up during this time. Wayne MacKinnon said he was amazed at the variation of eye color of many of the chocolates that were shown under him. According to our standard, we are to have a "dark brown" eye. It was easy to see what Wayne was talking about once people started staring into the eyes of the chocolates. What are your thoughts on this everyone? Have you noticed the eye color lightening up at all?

Another issue was the time allowed to pick the final winners. This is something the board is hard at work with and is more than willing to listen to anyone's input on how they think things could move along at a better pace. Please call, write or email your director with your thoughts. We want to hear from you!

Yet another was how to encourage groups to bid for an NDS in their area. To do this, President Hooper has begun putting together a guide for members that will outline the "how to's" and help make the task that much more manageable. We will be talking about this in the coming months and should have it available by the fall convention.

One of our newer breeders, Ogden Holschbach, from Wisconsin has had some

challenging moments this past year. He spends a lot of time with his animals and has tried very hard to learn as much as he could. He works hard to earn money to buy caging and rabbits. One thing that has been especially frustrating to him is getting pedigrees on animals he's purchased and finding them incomplete in regards to weights. I'm mentioning this only because it is an issue and I, for one, am guilty of it. I may enter the pedigree of a junior into my system and not go back to enter a weight when he/she reaches adulthood. So, Ogden, you have made me more aware of a practice I need to get better at, as well as many others out there. It goes to prove that even the new guys can influence those of us that have been around for some time.

Another Dutch breeder, Joy Barney and her girls are still trying to figure out the genetics thing and what colors go with what. When we come across people that need a bit of guidance in these areas, please remember how it once was with ourselves when we started out and how important it was to enjoying our hobby when someone took the time to help. It's a great way to meet people and share enthusiasm for our Dutch rabbit.

I'm looking forward to perusing the show reports that come in to see who seems on top of the game so far this year. Breeders are reporting babies in abundance so we should be having a very, very good show in KS. It will be a bit easier to travel and relax since it'll be over the course of five days instead of a weekend like NDS. Even so, exhibitors like Beau Williamson come for a good time, although, if I recall, he spent much of Saturday propped up on carriers and chairs as he caught some sleep. We have pictures to prove it, Beau!

I wish everyone the best of luck this spring and into the summer and fall with showing. If you have any concerns or exciting news, please let some of us know about it. If you have a new barn, or have come up with a neat setup for caging, share with us! It is always fun to hear about what works for another person.

Looking forward to meeting many of you in the coming year at shows and at the ARBA Convention.

NEWS FROM DAWN

Hello Everyone,

Recently returned from the Dutch National in Washington PA. Would like to thank the hosting club & all who helped to make such a great success. You never could imagine what an endeavor it is to put on a National Dutch show or an ARBA convention, until you've done it. Once you have, you truly begin to APPRECIATE the club that is hosting it. It's always nice if on the way out of the showroom if you can take a minute to shake the hands of the people that put on these shows. Believe you me, these are the things that you remember.

Last week Erik Bengtson came up to get some cages from Dan & I. We had some good rabbit conversation, however when Erik was getting ready to leave Doreen called him & said Larry was not doing well at all. I'm sure that had to be a very long ride home for Erik. We were thinking about him the whole rest of the night. Dan & I know personally what a very difficult time this is for everyone. Our thoughts & prayers for everyone in the Bengtson family.

Keep the bunnies cool & may you all have a Great summer.

Happy Spring Dutch Breeders... hope everyone's nest boxes are full. It's time to start thinking about ARBA Convention in the fall. Another NDS has passed, congratulations to all the winners, sounds like there were several very nice animals judged. I really missed not being there and commiserated with Briony Barnes, who couldn't go this year either.

Briony has been busy judging and has even made it out to Oregon for a few shows. The spring season has brought an increase in new youth breeders, which always warms my heart.

I'm still waiting to hear more genetics questions from the membership and would especially like to hear from Steel breeders on the agouti problem.

Sincerely yours in Dutch,

DUTCH IN ARIZONA

Show season is over for the long HOT summer. We are scheduled to start up again in September. We have no Dutch specialties planned before December. All Arizona shows are currently double. We hold Specialties each February with Arizona State Convention shows plus one or two in conjunction with a double show when feasible.

Final show of the season was held March 8. Wenton Carlton and I were the only Dutch breeders at the show but it turned out to be a special day for the Dutch anyway. Wenton has a stunning chocolate buck, DAN. DAN was selected BOV chocolate at the ARBA Convention in Peoria last Fall. On March 8, DAN captured BOB in both shows. Then, he went on to be honored with Reserve in Show for both shows. 21-BUN salute to DAN and Wenton.

Wenton was recently featured in an article in The Arizona Daily Star. Thanks to George and Laura McNeill for sending a copy of the article to me.

Wishing everyone a pleasant summer with plenty of healthy, well-marked and good type Dutch in those nest boxes.

LDRC NEWS

Hi Dutch folks!

Once again, Dutch rose to occasion for the State show March 15. Dutch were the 2nd largest entry, coming in only behind Mini Rex. There were a little over 100 entries between open and youth in both our Specialty show and the State's all breed state show. That's awesome!

I wrote comments for the youth in our show and I can tell you there lots of nice Dutch shown. I was very pleased with the condition of the rabbits the kids put on the table. Most all of the animals were in prime, so I know the judge had to rely on his knowledge of markings and type to do the job of judging the classes properly. It was the same way in the open show. I guess folks were ready for the state show this year! Competition was really tough!! When all the fur settled, members Ray Durham/Luke McLean won BOS Youth in the specialty with a really nice Black Sr. Buck. In the open specialty, yours truly won BOB with a Black Sr. Doe.:

Youth:

BOV Black Drew Patton
BOV Blue Thomas Lee Trosclair
BOV Gray Thomas Lee Trosclair
BOV Tort Thomas Lee Trosclair

Open

BOV Blue Judy Duthu
Best Fur Barbara/LuCristia Stanga

Now over in the open all breed state show, LDRC

showed 'em how to do it! Danica Norred took best of Breed with a shiny little Black Jr Doe and I won BOS with a Blue Sr. Buck. What made these wins extra sweet was the fact that Lawrence Weeks is an out of state judge who has never seen our Dutch before. I simply love it! I don't have any other results from the state show yet, but as soon as I can get them, I will post them to our website. The LDRC website has been updated with our show results and photos (state show results are not totally complete pending verification from the state show secretary, but there are some photos.)

http://ladutchrabbitclub.homestead.com/LDRC_Home_Page.html

You may remember that member Jill Pfaff, Oregon, has been working so very hard to get Harlequin Dutch accepted. The working standard and some really nice photos can be found on Jill's website. Charly Linton had her Harlequin Dutch at the show Saturday and I have posted photos of the variety winners on the website. The doe and litter Charly had displayed by our raffle table gathered a lot of attention. We may see this class of Dutch approved by the ARBA in the future. Thanks for introducing Harlequin Dutch to the local Dutch folks, Charly!

I want to thank everyone who worked so hard to make our Saturday show a class act. I don't have much time to visit during our specialty shows, so I rely on others to give me feedback from the public. I have heard so many good things!!!! It seems we always make a statement with our raffle tables, our friendliness and our general good will. I was told that there are even a few people who, even though they don't have Dutch now, may be getting some just to join and become a part of the fellowship that our club is known for. What does that tell you? You guys are just the greatest!!!! And it shows!!!

"Keeping The Competition On The Table"

FLORIDA NEWS-Part One

Hello to everyone. We are new members of the Florida Dutch Rabbit Breeders Association. And we are very excited about joining such a great club. We are new to the breed and just getting started. We love every minute of it so far. Dutch are a wonderful breed. Everyone should have one.

I would like to thank Dale Grabenbauer for getting us started with the breed and for selling us such great Dutch. Our first litter of 5 arrived in August 2002 and 4 out of 5 hit the show table and are doing great. A black doe, #16, finished out in three shows with a couple of extra wins. She was also best black at a specialty show. She is out of Dale's Zig Zag and Dale's Mike Tyson. Mike Tyson is a son of the famous Dale's Hurricane.

My children are enjoying their Dutch and their wins. I would also like to thank everyone for making us a part of the Dutch Club. I hope we can get a lot of new members to join and start showing those Dutch. Thanks to Laura Mango for doing such a great job for the Dutch Club. Laura will answer any questions you may have. We also have a great president and vice president. Way to go Dutch Club.

Again a special thank you goes out to dale. Thanks for

all the information you have given us on Dutch and for being a great friend.

Gotta love those Dutch.

FLORIDA NEWS-Part Two

By Dale Grabenbauer

March 1, 2003 – Orlando: This was a compact show, a real togetherness, shoulder to shoulder. Sometimes difficult to find a lane bringing you from one point to the next. Sharing spaces with the youngsters and their fowl. The Rooster Crowing contest – this was fund an exciting to watch. The rooster and his coach, standing in from of their hopeful loud mouth champion. Coaxing the rooster to open his mouth. Some of the birds were big, some were small. They had 15 minutes of fame. A medium sized black rooster opened up with a crow 24 times in 15 minutes. A nice sized crowd was watching this event.

If you had a little extra time when your rabbits were not being judged, you could walk across the drive way and watch the youth parading their sheep. They and their sheep were both decked out in some fancy clothing. It was a contest for who looked and dressed the best.

Back to the rabbits. Laura Mango was busy babysitting and running around doing paperwork. The Barry Neis family – Peaches and her son from my area, the Garrison family, getting into Dutch. Kimberly Pridgen and her mom. Plus several friends and folks showing Dutch that are relative new comers. I believe we had 25 Dutch in Show A and 45 Dutch in Show B. The youth had 24 Dutch. Two ARBA judges, Rusty Westoff and David Somers were standing along side of me watching the Dutch being judges. They were giving me the raspberries. "How much are you paying them this time to make their selection?", etc ... It was fun. Dale won Best of Breed in Show A, judged by David Cardinal of Wis. And in Show B, judged by Greg West of Florida.

You didn't know I raised Mini Rex. I was told from the mouth of a little girl and her mother, "Look at our broken black Mini Rex you sold us. It won BIS in the youth show!"

All in all it was a crowded, fun day. — Dale.

1939 - 2003

He is survived by his wife Doreen, and five children Kirsten, Erik, Neil, Melinda, and Paul and five grandchildren. HALL OF FAME 2003
Ed McKinley

It was a great honor to be inducted into the Hall of Fame. I never thought about the possibility and was in shock when my name was called. This award brought back so many memories of friends that I have made through the years because of this hobby. I could not begin to name them all.

I started breeding rabbits in 1941 with a pair of New Zealand Whites and within a year I had my first Dutch. I still have the Dutch Guide Book of Standards issued in 1944 and also some copies of the Dutch Reporter in 1945. The Dutch Reporter at that time consisted of seven pages and it cost one cent to mail.

In those days the rabbit shows were at least a two-day exhibit. Since there were no youth shows at that time, I exhibited with the adults. I would ship to the shows by Rail express. I still have a 1st place ribbon

won by a blue Jr buck in 1946 in Sikeston, MO. I also have the rail express agency ticket showing that I shipped three crates (5 rabbits) at a total cost of .97 cents to a 5-day show in Ann Arbor, MI, a distance of about 80 miles from Saginaw.

There was a lapse of several years for my college, and the Army, but as soon as my children wanted a hobby, we went into Dutch. Once the youngest left for college, rabbits became my hobby again.

I have won Best Opposite of Breed with a junior black doe at the 1996 National Dutch Convention in Greenville, Ohio. I also won Best Opposite of Breed with a junior gray buck at the 2002 National Dutch Show in Indianapolis, IN. However the Hall of Fame honor tops both of these wins.

Thanks to all. You can't beat the Dutch or its breeders!!!!

ADRC YOUTH REP

Once again another great NDS is behind us. Congratulations go to Katie Bickelhaupt and Janet Wickerham! It was great to see so many youth helping out at the tables, carrying and loading rabbits. Congratulations also go to all the ARDC Royalty. It was nice to hear some new youth names taking part in the contests. With warm weather coming and the shows slowing down, I hope everyone has lots of does bred for the ARBA Convention coming up in Wichita. I will be attending the convention this year. This will be the furthest that I have ever traveled to a rabbit show! I hope to meet some of the youth from the West that I haven't been able to meet yet. We have had lots of numbers in the youth in Ohio so far this year. Several BIS for the Dutch youth also! With the fair season soon approaching, please remember to help out that new Dutch breeder in your county. By helping them out, you help promote the Dutch breed and remember you were that new breeder not too long ago! I hope everyone has a great summer and see you at the shows this Fall!

MINNESOTA ROYALTY

Hi! My name is Steffi. I am 11 years old. I am the Minnesota State Rabbit Breeders Assn. Youth Royalty Princess for this year. I am also the Best Jr Showmanship in Minnesota for this year. But, enough about me, let's talk about my rabbit, Gorgeous!

She was the best in a litter of 4 wonderful black Dutch does that I bred. She won Best 4 Class in the Minnesota State Show and a Best in Show at Borderline in October. She has also won many Best of Breeds. And when I won Best Jr. Showmanship award, she was my rabbit.

That is all about my great rabbit, Gorgeous. Good luck with your rabbits.

ARBA SCHOLARSHIP WINNER Kelli Slack

I feel very fortunate and honored to have been selected to receive one of the five 2002 ARBA scholarships. Without the support of the many people who take time to buy raffle tickets, make donations, and give in other ways, the ARBA Youth scholarships would not have been possible. I thank them for their contribution to the rabbit industry and affirm that I will continue to give in many ways too.

I started with rabbits in 1993 with two Californian does and one buck. I hit my stride in 1994 when Dr. Scott Williamson bought a black Dutch doe from Bob Bergene of Kansas and gave it to me. I will never forget when Scott walked me over to the tailgate of a truck and asked four of the well-established Dutch breeders "which one of you is going to breed this little girl's doe for her"? That is when I met one of the most influential people in my life. "Grandpa" Bob Worden offered to breed my doe and at that show a lifelong bond was formed.

His help and guidance continued throughout the next eight years, and was further enriched by Kay Stearns and Dick Evenburg. "Grandpa" Bob was a solid foundation and his integrity and belief in helping others was a large part of my learning experience. Kay and Dick taught me that you have to breed a lot of rabbits, and cull even harder to make a good Dutch. By learning from all of them, I was able to achieve many of my dreams and goals.

In the ten years that I have raised rabbits and from my love of rabbits and Dutch, I have accomplished many things. Among these are several Best and Best opposite of verities at national shows & BOS at the 1999 ARBA Convention - BOB at the 2000 ARBA Convention. In 1999 I was fortunate enough to be given a little blue buck by "Grandpa" Bob that won BIS at the 4-H Indiana State Fair Rabbit Show and the Indiana State convention. His help and guidance also motivated me to study for and attain my rabbit registrar's license in 1998 at the age of 15. "Aunt" Kay, "Uncle" Dick and "Grandpa" Bob also encouraged me to further my rabbit education by studying to become a judge. They also felt that I could easily handle the position of superintendent at the 2002 NDS in Indianapolis, IN.

This past December I passed my judge's test. This spring I hope to finish my apprenticeship, but plan to keep learning about rabbits for as long as I live. My goals have changed in the years that I have shown rabbits. Now many of the things I wish to accomplish are related to

giving guidance and helping others just starting their rabbit projects. I hope to be a teacher and give much like I experienced with Kay, Dick, Bob and Scott. But without my mother, none of my rabbit projects and activities would have been possible. There were many 5 or 6 O'clock starts to rabbit shows that are memorable because no matter how early we left, we always seemed to be late. Through her love and support my rabbit project grew from a small herd of decent rabbits to a herd of over 80 quality Dutch in my rabbitry at West Lafayette, where I am a freshman in the Animal Science Department at Purdue University.

I would like to thank every person that takes time to help a first year rabbit member because you never know how much that person will appreciate it and what he or she will accomplish through rabbits. I would like to thank the late Bob Worden, Kay Stearns, Dick Evenburg, Dr Scott Williamson and my mother Val Slack for helping me so much during my rabbit career. I look forward to my next rabbit show with anticipation for the friendships I might make and regret for the people who will no longer enrich my life.

NDS YOUTH BOB WINNER

Hi my name is Katie Bickelhaupt. I live in Medina, Ohio, am 15 years old and a freshman at Medina High School. I've been raising Dutch for 6 years now, and I'd like to let people know how honored I am to have won Best of Breed this past National Dutch Show.

My Gray Sr. Doe, Addi, is one I take great pride in. She will turn 3 years old this June, making her a bit older than most of my show animals. With a big cage, a jump-board, and lots of love, age doesn't matter!

My house is located in the city on a 1/2 acre lot that backs up to the woods. Slightly tucked up into the woods is a 10'x12' shed that looks more like a doll house. This is home to 36 of my 40 rabbits.

Only around 25 of the rabbits are Dutch, which includes both breeding and show stock. The rest are Holland Lops, Britannia Petites, my sister's Mini Rex, and four hutches that house our seasonal 4-H meat pen projects. The Dutch are limited to three colors, Black, Blue, and Gray. I only have around seven or eight in each color.

The rabbit project has always been small due to our in-city location. It must be constantly cleaned as not to attract too much attention from the neighbors. To do this, thirty cages are stacked three holes high on a gutter system. Twenty four of these are 18"x 24". The other six on the gutters are 24"x 24" and 30"x 30". Six other 24"x 24" cages are stacked three high and are on pans.

I feed all my rabbits Nutritional Research 17% protein, and fresh water daily. Everyone has bowls for food and water, and their cages must be opened to give these to them. This small amount of time allows me to give them a quick pat on the head and take notice of anything unusual.

At the shows, I only bring around six to enter, and a few to sell. These are the six I showed at Nationals. All of these are 'homegrown' and chosen very selectively. I pay for my own entry fees and half of food, hotel, and much of gas and cages. My mom is the driver, and she also has fun traveling to the shows and meeting up with friends and new faces.

Some of those faces are the ones that helped me produce Lone Ranger, the blue buck that won Best Group 2 at the ARBA National Convention last year. Kevin Hooper set me up with Keith Weber's buck to breed to one of my does. Thanks you-guys! Addi herself is out of one of my gray bucks and a Hooper doe. From there back in the pedigree is complete Hooper. Thank you genetics!

I cannot even express how I still feel about these accomplishments. I owe my thanks to the breeders who have helped me this far: Kevin Hooper (whom my stock first originated), Keith Weber, Bob Hessick, and Jay Innes are just a few. Also, a special thanks to my mom, who I couldn't have gone this far without, and to Robbie Hubbard who has doubled my

passion for my rabbitry. To the many others I did not mention... THANKS!

The April NDS show was great. Howard Dunmire, Sr. and the rest of the Washington County Rabbit Breeders Club did an excellent job attending to the many details. Also, a very nice job goes to those who put on the Youth Royalty. Congrats to those who participated and an extra 'good job' to those that won! I also owe congratulations to Janet Wickerham for BOS Youth, Warren Wiltman for BOB Open, and Dan Nixon for BOS Open. All the 1st place rabbits on the table at the end were awesome, as well as many others...so many amazing rabbits to be proud of! Also, great job to the judges whose back-breaking job it was to assess close to 1,000 rabbits. Just think, that's over 2 tons of Lagomorpha!

It feels great to have those six years of hard work pay-off with some wins at the National level. Knowing the quality of stock and the dedication of the ARBA breeders I have competed against, this is truly an honor. I thank again those that have helped me as well as my friends who make this hobby all the more enjoyable. I hope to see you at the shows and maybe meet some new faces along the way. See you then!

Katie Bickelhaupt
Blue Barn Bunnies Medina, OH
NDS YOUTH BOS WINNER

Hi, my name is Janet Wickerham, I am 7 years old and I am excited to write this article for the Dutch Reporter. I first was interested in the bunnies when I was 3 years old. My mom was raising Mini-Lops then and she thought I was too little to carry a full-grown Mini, and, not wanting to have another breed where one has to wait four months to see full development, she thought the Dutch would be

perfect. I fell in love with their small size, nice personalities and cute markings.

I bought my first bunnies (the blacks) from Jay Innes. I first met Jay at the NDS in York, PA. He was really wonderful. He talked to my mom and me all about the Dutch breed and how they were shown and he started us with the best bunnies he had. From there, things went well and my mom ended up getting rid of a lot of her Mini-Lops to make room for my Dutch. Playing with the babies when I was 3 and 4 years old was my most important job and I would love taking young bunnies to the shows and stroll them around in my baby doll strollers. To help me show the bunnies, my mom bought me a stool to stand on and a friend of ours, Mary Jean Poole made me a really cute bunny holder out of a canvas bag to help me carry the bunnies to the tables.

When I turned six, I fell in love with the grays and again, Jay sold me the best he had and those, along with a few bunnies that Billy Bounds sold us, have produced a few more winners. Jay and Billy are the most wonderful people and it really shows that they love helping kids like me get a good start. Without them, I would never be where I am today and I would never have won BOS at NDS with one of my favorite bunnies, To Be (or not to be). To Be got his name because my favorite rabbit is One Bee, his Daddy (purchased from Jay Innes). I wanted to name One Bee's son, Two Bee but my mom thought she would change it around to ask is he "To Be (a winner) or not to be a winner (To Be is a grand champion so he did turn out "to be" a winner)". To Be's mom, I named Bounds' Gift (after Billy looked at a litter for me and suggested I keep her), is a doe we bred from Billy's and Jay's lines.

Thank you Mr. Jay and Mr. Billy so much for all your help and support and for getting me where I am today. I hope to continue being successful and make even more lasting friendships along the way.

**YOUTH NDS JUDGE
KEVIN HOOPER**

I again had the pleasure of being one of the youth judges at the NDS. It is a pleasure to see all of those good Dutch in one show.

I referred to the voting procedure that the Board decided to use this year in my President's report.. It was very similar to last year. It was decided that we would also try it for youth, even though we had two judges.

The voting system worked like this. We placed each animal 1st through 4th. points were given to each animal (4 for 1st, 3 for 2nd, 2 for 3rd, and 1 for 4th.) We agreed exactly on the Grays. We had a tie vote for a couple of colors. In these instances, whichever one was judged by the senior buck judge in that color, won the tiebreaker. This worked the same, as it would have if we had tied on the one we liked. The senior buck judge has the final say in that color.

However, there are some flaws to this system. The one major problem other than the time it takes, is that what do you do, as a judge if you find a DQ on one of the animals the other judge selected? I know this was the case in the open, as well as the youth. Normally, if the two judges were picking together, and discussing, you would point out that you could not go for that animal because..... That system is absent in this procedure, and therefore, if you are the only one out of four who sees it, then a disqualified animal may win BOB?? My thinking is that with only two judges, the discussion method works fine. This would be the case for the youth NDS, as well as the open and youth at the ARBA Convention.

Now to the quality. The two best classes were the Chocolate junior does and the Gray senior does. Both of these classes were very deep. The choc Jr doe class had about 16 animals, with the top 13 being very good. My favorites in this class were the 4th place doe, -too much baby coat, but exceptional, and I believe the 6th place doe. Best choc color and eye color I have seen in a long time- not finished in coat either if I remember correctly.. The top three animals in this class were very sharp and in condition, older juniors that had finish, type and coat.

We still need to work on eye color on our Chocs! I know I DQ'ed one, and saw

others that were questionable. Wayne DQ'ed several in the open for the same thing.

Gray does were nice. Top ten looked like a bunch of clones with the top two being outstanding. I really liked the second place doe also, and she could have won Best Gray if not for the first place doe.

The Black junior doe class was nice, but not as deep. I really liked the top five in the Blue senior doe class. I didn't like the blue junior buck class at first, but then I found a few that really looked nice. I liked the black Sr buck class, but a few of these had some age and just were not in the best condition. The class winner was sharp however. The torts and steel need some work. I didn't get to see them all, but nothing in the torts stuck out, and only a few of the Steel senior bucks jumped out at me. Gray junior buck class was nice.

Bill and I both agreed that we really liked all of the blues who won their classes. Those could have gone many different ways as they were all very nice animals.

Thanks for the opportunity, Kevin Hooper

**OPEN NDS JUDGE
Chris Hayhow, DVM, PhD**

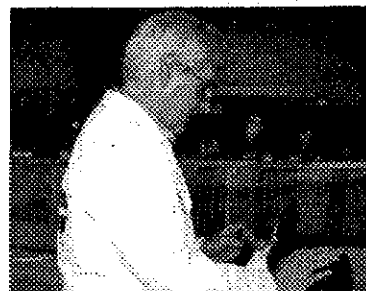

The National Dutch Show is the Kentucky Derby and Indianapolis 500 of rabbit shows. Judging the National Dutch Show is one of the most exciting privileges an ARBA judge can have. Everyone is enthusiastic and friendly at the show. It is a magnificent site to walk into the showroom and see your old friends as well as fantastic rabbits. This year the show topped all expectations. The set-up was outstanding and the sportsmanship excellent!

The classes I judged were Black Senior Does, Blue Senior Bucks, Chocolate Junior Does, Steel Senior Does, Tortoise Junior Bucks, and Gray Senior Bucks. The type on the Dutch continues to improve. There were only a handful of animals that did not have good type. However, several of the Tortoise Junior Bucks were rather long and rangy. The heads on most of the animals were fantastic. The top 9 Blue Senior Bucks and top 8 Gray Senior Bucks were a joy to handle. The animals at the top of each class were very well marked. Unfortunately, some of the better animals were not quite finished in coat and color, which prevented them from competing for Best of Breed.

The only recommendation I have is for the Steel and Tortoise breeders to keep working on color as there was a vast difference in color in these varieties. As a class the Chocolate Junior Does were the deepest class I judged as the top five were excellent and the difference between 6th and 20th was very minor. The Chocolate doe that won the class was outstanding.

It was a pleasure to handle the Blue Senior Buck. If his coat was finished he would have been very difficult to beat for Best of Breed. I want to congratulate everyone that exhibited at the show. The owners of the Black Junior Buck and Blue Junior Doe deserve special recognition; however, to each of the class winners I salute you. Savor the victory as wins at national shows are usually few and far between!

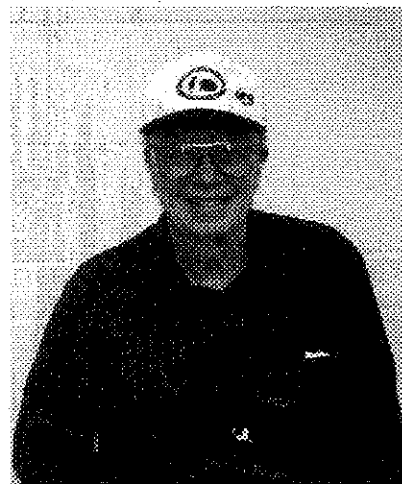

Finally, congratulations and thank you for everyone that contributed to making the show a success. The writers and rabbit carriers were dedicated, organized and courteous. I hope to get the opportunity to judge the show again in the future.

ROGER EICH

Jack Wireman writes that he received a call from Bonnie Eich that Roger Eich passed away on March 7. He was 81 years old.

He had been under the weather for some time. He was a long time well known Dutch breeder and had lived in Iowa until moving to Sun City, Arizona.

Our condolences go out to his family.

Hare-y Tales

submitted by Megan Gottschalk

In India... there's a story about a hare that saved the life of Buddha. The hare jumped into a fire and offered his body as food. To reward the hare, Buddha made a picture of the hare appear on the moon. Can you see it?

In a Chinese story... the hare is a wise animal that save other animals from being trampled to death by elephants.

In North America... some Indians say that the hare was their first ancestor.

From Greece... comes Aesop's fable called, "The Tortoise and the Hare". In this story the hare and the tortoise race each other. The quick hare is so sure he will win that he takes a nap - and the slo-but steady tortoise gets to the finish line first.

In Northern Europe... the hare was the favorite animal of spring name Eostre. From that story, some people believe, came the Easter Bunny. A grass-filled basket is its nest.

Pedigree- the ingredients By Tom Dietrich

The best opposite sexes in open and youth 2002 National Dutch Show had their beginnings from this story. At the 1999 NDS during the youth seller's class a young girl (who will remain nameless) had a steel doe due who was not getting any bids. I had looked at the doe earlier and due to a confirmation fault I had ruled the doe out, but I'd had seen her litter brother and sister at previous shows and they were outstanding show rabbits who did not have her faults. Plus they came from Kevin Hooper's stock that has been the dominant Dutch show person for the last 10 years or so. So after the young lady started crying because of no bids on her rabbit. I bid up to \$35.00 as she had purchased rabbits from me at this price, so I owned the doe after the bidding was done.

I told my friend Ed McKinley that he could have partnership option on the doe and we could breed her to the Preede buck (A buck we owned together) and if any it looked like the does sister or brother we would be very happy.

So the resulting litter produced 3 outstanding animals. Ed took a steel doe; I took a black buck and a black doe. Lisa and Steven stump bought the black buck and he was part of the ingredients of the best opposite sex youth at the 2002 National Dutch Show. Ed crossed his steel doe with Kevin Hooper's best opposite sex buck from the 2000 National Dutch Show and his gray buck resulted who was best opposite sex at the 2002 National Dutch Show.

The moral of the story is if you see a young lady crying because of no bids on her rabbit BUY IT! GOOD THINGS HAPPEN.

and I got started with Dutch probably in 1958 and I have had Dutch ever since. Shortly after getting rabbits gain, I started showing at the fair and at that time about the only other shows were the Orlando and Jacksonville Fairs. Also there was an open rabbit show at the Palmetto fair, which I attended.

In the sixties there was an older man by the name of James Collins who lived in Bradenton. He raised a lot of Dutch, mostly Chocolate. We became good friends and I registered a lot of Dutch for him.

There were times when Dutch had a hundred or more in a show, and I also remember when there were just 5 or 6. So the numbers have fluctuated quite a bit.

I have always enjoyed the Dutch. I served as a director for the ADRC for a couple of terms. I have been raising Dutch for 45 years.

Jack Wireman writes that longtime Ohio Dutch breeder Mike Stineheiffer is in a care center. He would love to hear from his old Dutch friends. Letters and cards can be sent to:

Heartland of Bucyrus
1170 W Mansfield St
Bucyrus, Ohio 44820

Please let DR editor know if there are any other of our Dutch extended family that can't get to shows any longer and would love to hear from their old friends. Cards and letters mean a lot. It helps brighten up their days.
