DUTCH RUMBLINGS

G. C. Leisenring
 Publicity Director

We received this week with deep sorrow word of the death of Ralph Walborn, Dayton, Ohio. Ralph suffered a heart attack Saturday June 26 and was placed under oxygen where he succumbed to a second attack at 7:00 P. M. Friday July 1st. Ralph, as you may know was an outstanding Dutch breeder for many years and a past Officer of the ADRC; he was respected by all who knew him as a Gentleman of unquestionable character and a helping hand at all times. He possessed one of the finest personalities of any man I have ever had the pleasure of knowing. His passing is indeed a great shock to the Dutch Fancy. The American Dutch Rabbit Club extends heart-felt sympathy to his family and loved ones.

We hope to have the new Guide Book and Standard in the mail soon, our very capable Guide Book Committee has spent many long hours preparing for you a new edition that we can all be proud of and I am sure you will be well pleased with it.

Time for the 32nd. annual ARBA Convention is fast approaching, our breed Chairman, Ray Hickok reports we have a nice lot of Specials to date with more pledged to come in later. We sincerely hope all you Dutch Breeders will place a large entry and help put the DUTCH at the front in Columbus, Ohio, October 22-26. Your Dutch Judges for the Convention will be two very capable men Karl Sautters; Canton, Ohio and George Bayliss; Hayward, California. These men received the highest number of votes in a poll of the membership.

On Sunday June 19, the Ohio State Dutch Club held a most successful 1-day Dutch Trophy show at the Van Wert, Ohio Fairgrounds. There were approximately 160 head of Dutch entered and the quality was very good. The show was well attended by Dutch breeders from Ohio, Indiana, Michigan and Kentucky, all net proceeds from the show will go for Dutch Specials at the ARBA Convention in October.

The American Dutch Rabbit Club is steadily

Please notify us immediately of any change in address so that you will not miss copies of the Dutch Reporter

on the march. Our membership is on the increase, still there are many enthusiastic Dutch Breeders throughout the country who do not belong to our organization. We have a great deal to offer them for a \$2.00 membership so why not help us grow by signing a new member?

TWO PROMINENT DUTCH BREEDERS GO HAYWIRE

James Blyth

A short time ago I received a beautiful photograph of a new breed called "Piruvian Dutch" a very rare breed. This card appeared behind a photograph of the so-called rabbit. Two gentlemen or three who were instrumental in bringing out this so-called rare breed were careful to cover up the name of the exhibitor. However, I notice in the photograph that two of our leading dutch breeders, Mr. George Bayliss and Mr. Fred Cremer, both of California, seemed to be greatly impressed with this new variety and with the cooperation of Mr. Vincent Hunter, Editor of Small Stock Magazine, it seems a beautiful photograph of this wonderful exhibit was forwarded to me with the notation that it was photographed expressly for James Blyth.

I can tell by the expression on the faces of Cremer and Bayliss there is something in the wind and those boys believe they are really putting something over. The only fault I find with this so-called rare breed of Piruvian Dutch is that it looks as though somebody hit the rabbit in the eye. It has a black eye. Furthermore, it is very difficult to understand the design of the hind-quarter markings. Whether it is the revised map of Europe or whether somebody had a wild dream and attempted to draw something.

It is greatly appreciated the humor that this picture carries and what it really carries home to the fancy breeders.

I hope that both Mr. Cremer and Mr. Bayliss as well as Mr Hunter had a very enjoyable time at my expense and such a scrubby looking rabbit.

I hope that the American Standard Committee will sometime go over the distorted map of Europe and see if they can't make a better hind drawing of this rare breed. I sincerely hope these three gentlemen, Mr. Bayliss, Mr. Cremer and Mr. Hunter will have a very interesting time promoting this to the American Fanciers. (Ed's. Note: Men will be boys, Jim.)

Try it—

BE CONVINCED!

Fill a crock with Kasco . . . hold it close to your face . . .
 blow HARD . . . see how little dust there is. The firm,
 hard Kasco pellets cut dust to a new low.

And the tasty Kasco "hay-an'-grain" flavor is preferred
 by rabbits. They eat it readily—relish every pellet.

Yes, and Kasco Complete Rabbit Ration (plus water
 and a salt spool) gives your rabbits everything they
 need for fast growth, fine fur, good reproduction.
