PUBLICITY NOTES

by Dorothea Shufflebotham
 Chmn. Pub. Committee

Crossing our desk in the past month was a rush order for Dutch stamps to be used on a Special Dutch Edition of the Washington State "Bunny News". We are sure that Bruce Nicholson and the other Washington State Dutch members came across with an outstanding issue -- and we recommend the idea to other state clubs.

I think here it is good to call attention to Don Guthrie's splendid editorial on the use of voting privileges in the July issue of Small Stock.

I should like here to point out that Public Relations cannot be controlled by a committee -- you are making public relations every time you speak of your rabbits or your club. If members wish good public relations they must first cultivate a happy, outgoing attitude toward their favorite breed -- a really rabid breeder will do such a good job that the mention of his name (locally, at least) brings up a vision of his hobby! Whenever I meet new people in our county they invariably nod knowingly, "Oh, are you related to the rabbit man?" Honestly! And I can add that many of the Dutch breeders I have met throughout our travels (and always and ever there is a stop somewhere along the line to visit with rabbit raisers -- in fact as we plot our journeys we are not attracted to modish motels, fine roads, and the customary tourist attractions -- our trips are plotted with the membership list of the ARBA and ADRC!) share a great enthusiasm with their Dutch! There isn't any doubt that the Dutch is THE rabbit -- it stands heat, it keeps economically, and so on.

Mail is coming in from all corners of the country indicating that there will be a large and excellent entry of Dutch at Louisville. There seems to be a great number of outstanding juniors on the way up!

SECRETARY'S CHIT-CHAT

by J. Weinhardt

So many interesting letters have been coming to me during the past few weeks that I just feel that I must touch on some of the material in a few of them. Mrs. Pierce, who furnishes so very much fine publicity from the state of Colorado has written me one of her always newsy letters. She tells me that she and her husband

have just moved their rabbits into new quarters. She says, "It's 90 here today but the rabbits are comfortable. We have them in all new welded wire coops, self feeders and are installing dew drops. Some are in but not hooked up yet. The center section has to come down to get them between the 3 decked rows in the middle. We had to get the animals back in them until Sunday. Also have some more hutches to go in. It's shaping up nicely. We have metal trays under the upper ones and may put fishworm bins under the bottom -- haven't decided yet."

She goes on to say, "If you know of anyone out here (in the vicinity of Pueblo) who needs hutches they are \$20.00 per 3 coop section, trays extra. Buck cages 24 x 36, doe cages with baby saver wire 30 x 36. This man also charges the same for smaller developing pens. I can't see any difference between them and commercially made ones. He had made the ones I bought for himself and then had to dispose of his rabbits due to his wife's health as he has to help care for three children besides working an 8 hour day. I am thrilled to death with mine. It is a 20 year dream come true." Mrs. Pierce will be more than happy to put you in touch with this worthy man should you find yourself in need of his services. And I know she would be more than delighted to show off her new rabbitry. Congratulations, Virginia.

Mrs. Pierce also puts in a word about the Colorado State Fair which is in charge of H. F. Pedigo, assisted by A. L. Hambrick. Show secretary will be Mrs. Jack Vaughn with Mrs. L. L. Earle as her assistant. The judges will be C. E. Lewis and Don Guthrie. She goes on to say that their club is planning a fried rabbit dinner for their next meeting and they will invite the State Fair Manager, Clyde Fugate and his wife to attend.

I also received a correction on the report of the Niagara Frontier Rabbit Club show, held on April 9th. Mr. Zimmerlay of the South Erie Rabbitry tells me that he won Best Tortoise with his junior buck and not the junior doe as reported in the July Dutch Reporter.

A letter from Lee Oelka of Wayne, Michigan requests help with a problem which he and some of the other Dutch breeder members of the Auto City Club are having trouble with. He felt that if this problem were presented to the membership at large, perhaps someone might have an answer. It seems that a source of supply of small size (2 lb.) meat cartons just cannot be located since the ARBA discontinued handling them. He says they do not like to use the trays and cellophane, but would much rather have a carton, preferably one with a window as these stack easier in a freezer and are much more distinctive. Should any of you know where such cartons can be procured kindly drop Mr. Oelka a line, or write me and I will see that he gets the information. His address is: Lee Oelka; 6021 Newberry Rd., Wayne, Mich.

I also had a letter from Bruce Nicholson regarding the August issue of the Washington State RBA's monthly Newsletter, The "Bunny News". I think this is a very commendable project and hope it will stimulate interest in Dutch rabbits in that part of the country.

I suppose most of you received a letter from Mr. Bill Hobin of Cranston, R. I. requesting your vote for him for the office of Director in the ADRC. It was my unpleasant duty to inform Mr. Hobin that due to the fact that his membership in the ADRC was of less than a year's duration, he was not as yet eligible to run for any office. Many a lesser man would have turned his back on our club and said, "the heck with you. I've spent a lot of my own money for postage, etc. and that is all it is appreciated." Not Mr. Hobin! My hat is off to him for the sportsmanlike manner in which he accepted my reproof. I'd like to share his reply with you --

"Dear Mrs. Weinhardt:

"I would first like to express my gratitude for calling to my attention the fact that I am ineligible for the office of Director of the American Dutch Rabbit Club.

"Second, if it is at all possible due to the fact that it is past the 15th. of the month, to put this letter in the August issue of the Dutch Reporter I would appreciate you doing so.

"You called to my attention on page 14 of the ADRC guidebook, section 4 under Voting procedure, 'Any member, to be eligible for office, must have been in contin-

uous good standing at least two (2) years prior to certification date of election October 20, and-----' As my membership dates from October 22, 1960 this would make me ineligible before next years election.

"The reason why I thought I was eligible for office was, because of the following: Page 8 Article V-Officers Section 2 -'The officers shall be elected from and by the membership by mail ballot. ANY MEMBER TO BE ELIGIBLE FOR ANY OFFICE MUST BE THE OWNER AND BREEDER OF DUTCH RABBITS. HE/SHE MUST BE 21 YEARS OF AGE.'

I would like to thank the many letters of well wishes from members who pledged their support in my behalf, and also apologize to them for wasting a most valuable vote.

Yours for better Dutch,
Bill Hobin

As you all know the 1960-61 Sweepstake series closed with the National Dutch Show held in Colorado Springs the last weekend in May. I would very much like to present you with a final report on the standings with this issue, however there are five show secretaries who are preventing such a final report. A report of the show held at Portsmouth, Ohio on Feb. 24-26, 1961 has never been filed, nor a show catalog received. The same is true for a show held by the South Jersey Rabbit & Cavy Breeders Club on April 16, 1961. Anyone who may have points coming from either of these shows and want them counted had better see what can be done about it before August 15th. as that will definitely be the deadline. There are three other shows for which the reports are on file, but I can't seem to locate copies of the show catalogs. These shows are as follows: Bay State Rabbit Breeders Ass'n., March 26, Des Moines Rabbit Breeders Ass'n., Inc., May 21, 1961 and Terre Haute Rabbit Club on May 28, 1961. If someone will send me a copy of the catalogs for these shows I will count the points and mail out the ribbons. Deadline, again, August 15th.

Art and Helen Osmon paid us a visit early this month to set up the specials for the Convention Catalog (a report will be found elsewhere). I can't help but mention that they were extremely disappointed in the support they received from the membership. Let me remind you that although the Convention catalog deadline is long since past, any contributions you would care to make will still be most welcome and you will receive full credit for same in the pages of the Dutch Reporter.

By the time you read this Dutch Reporter, your votes will all be in the hands of the election committee and undoubtedly will have already been counted. As you must have noticed the ballots were numbered and a total of 392 were mailed out. It will be interesting to learn just how many of our members were interested enough in the mechanics of their club to fill them out and spend four cents to return it to the committee.

Thought I'd better report to you that the two white mice (left by a vacationing small nephew) are now eight -- the mongrel rabbit has been kept safely in her own pen, so no increase there -- and one nephew is back for a second visit -- he just HAD to see those baby mice and also the twin kids (goats) that arrived after he had gone back home. Let's see, school starts -- when?

ANOTHER BULLETIN

Joining the ranks with the Florida State Dutch RC's "Dutch Flash News" and the special Dutch issue of the Washington State News is the June 1961 issue, Vol. 1, No. 1, of "Snooper", published by the Decatur (Ga.) RBA with Mrs. Bartlett as Editor. I want to thank Mr. C. W. Stinson for my copy which has five Dutch breeder's ads plus a couple of interesting items with reference to Dutch. Publicity is certainly where you find it and a few good Dutch Boosters in any area are bound to make themselves heard. JW.
