OUR NATIONAL DUTCH SHOW

(Eaton, Ohio)

By the time you read this article, our National Dutch Show catalogue will be in the printer's hands.

While it is not as good in regard to Specials and Ads as we had hoped, yet we think it is attractive enough that you will ship your stock.

If you remember, we said last month that we were expecting to hear from you, and, while we might be disappointed, we would never believe it until the 20th of January. Well, you have about made a believer of us. We didn't expect 100%, or even 50% response. In fact, we would have been happy to receive a 25% reply. But, with less than 10%, we can't help but feel just a little disappointed with our efforts. I guess we just don't know how to sell you on the idea of supporting our National Dutch Show.

We want to take this opportunity to thank all of you who sent ads and specials, for we want you to know that your efforts are really appreciated.

Our Show will be held at the Preble County Fair Grounds, Eaton, Ohio. Our building has wonderful coops and good lights for judging.

Now again we are going to make an effort to establish a record and we sincerely hope that we have better luck with this undertaking than we have had with some in the past.

We want 500 head of Dutch in this show, and get the idea out of your head that your Dutch are not as good as some other breeder.

We have two well-known Dutch Judges, and two days for judging which will give these Judges plenty of time to look your stock over.

Anyone wishing hotel reservations and banquet tickets, write our Secretary, Dr. Gale E. Russum, 646 St. Nicholas Ave., Dayton 10, Ohio.

All specials received after January 20th will be posted in the show room.

EASTERN DUTCH RABBIT FANCIERS ASS'N. was formed in the Fall of 1949. It now has over 30 members. The E.D.R.F.A. Trophy Show is held twice each year, held in conjunction with a regular show and held in a different location for successive shows. Seven Trophies, one for each color, are featured by this fine Club. Trophies must be won three times for permanent possession and winners must be E.D.R.F.A. members. Members live in Massachusetts, Pennsylvania, Maryland, New Jersey, Delaware, New York. A group which believes "You Can't Beat the Dutch."

DUTCH SPECIALTY CLUB OF OKLAHOMA

This splendid State Club was organized in December, 1950. Following is a list of officers: President, J. M. Brown of Oklahoma City; Vice-President, Alva B. Yeaman of Moore; Secretary-Treasurer, J. P. Whitaker of Oklahoma City; Board of Directors: Tom Logan of Oklahoma City; Roy Yoesting of Edmond; C. V. Gooch of Oklahoma City; Earnest J. Cox of Jenks; a fifth Director to be appointed. All of the officers' wives are members. One of the primary aims of the Club is to help the Dutch Rabbit Industry in every way possible.

LILAC DUTCH AT THE BAKERSFIELD, CALIFORNIA SHOW -----

Lee Bowen

Notice to all you Lilac Dutch Breeders: Here is a fine opportunity to show your Lilacs again. The place is the Kern County Rabbit Breeders Show at Bakersfield, California, March 10-11, 1951.

There is a nice trophy offered for the Best Lilac Dutch.

There were 12 Lilac Dutch shown in the Kansas City Convention last year, so let us try to better this record at this show and get these Lilacs out and show them in force.

We have a beautiful color in the Lilac-colored Dutch, and, it is we breeders who want the Lilacs to become a standard color one of these years who must show them at every opportunity.

Another good feature about this coming show is that there is a fifty cent entry fee and a one hundred percent payback. The entry coming from the greatest distance gets a five dollar prize; this helps on the express rates.

All in all, this is going to be a swell show for you fellows who can make it.

* * * * *

Eleventh Regular Meeting of California Dutch Club

In the absence of the President, the meeting was called to order by Vice-President, Mr. A. W. Burnett, following the banquet held Saturday evening, December 9th, 1950, in connection with the All Dutch Show at Ventura.

Roll call of officers showed 5 officers present: A. W. Burnett, G. A. Sears, Robert Sprague, Odetta Burnett, and Elmer Paquette.

Minutes of the previous meeting were read and approved.

Treasurer's report read and accepted. Present balance \$73.45.

No Communications or Bills.

Committees: Elmer Paquette reported on the All Dutch show.

No unfinished business.

New Business: A discussion was opened by Mr. Bayliss regarding having ten officers and in case of a tie there would be no extra vote.

A discussion also followed as to the necessity of changing the Constitution and By-Laws to clarify the election rules.

It was moved by Mr. Paquette, seconded by Mr. Sprague, carried, that the Chair appoint a committee to go over the Constitution and By-Laws and recommend any necessary changes at the next meeting. The Chair appointed the following on this committee: Bayliss, Sabin, Sprague and Paquette.

Mr. Paquette brought up the subject as to where the All Dutch Show would be held next year. Mrs. Sternberg suggested that we might want to submit a bid to the American Dutch Club to hold their show out here and combine it with the All Dutch Show. A discussion followed. Mr. Paquette made a motion, seconded by Mr. Sabin, carried, that the Chair appoint a committee to discuss whether we should put in a bid for the

American Dutch Club Show out here next year, and present its findings at the next meeting and drop our plans for the All Dutch Show until we see what action is taken at the next meeting. The following committee was appointed by the Chair: George Bayliss, Elmer Paquette and Mrs. Sternberg.

It was moved by Mr. Paquette, seconded by Mr. Sears, carried, that a vote of thanks be extended to the Ventura County Rabbit Breeders Association for their assistance in setting up the show, clerking, etc. Also to the Universal Milling Company for furnishing the feed and supplies, and Lane's Feed Store, Ventura, and Carr's Feed Store, Oxnard, for the ribbons.

It was moved by Mr. Paquette, seconded by Mr. Sessions, carried, that our next meeting be held at the Bakersfield Spring Show.

The following new member was elected to membership by the Directors: Mr. Art Sessions.

Moved by Mr. Paquette, seconded by Mr. Sprague, carried, that the meeting adjourn.

Geo. Sears, Secretary.

THERE IS WORK TO BE DONE!

C. W. Dugan

I received a report from our Secretary dated January 3rd. In this report, she stated that there were 28 membership expirations in December and, as of that date, 23 had not renewed. (Two more came in by the 10th). Now this is a bad situation and one that I would like to be our first project for 1951. Our membership turnover is far too great. If we can hold our old members, the new ones we get would make our Club the largest of them all. We have the BEST rabbit, so why shouldn't we have the BEST and LARGEST Club? Then, another reason why we must keep our membership up...at the Kansas City Convention, the members present voted to have at least three more pages in The Dutch Reporter. Each of the six Directors is to have an article for the "Reporter" twice during the year, a page for the Publicity Director and a President's page. This is an added expense and we must do something to offset it. Getting our membership up will help and more ads from all you breeders should do the trick. If everyone will help just a little, we can go over with a bang - and I mean a loud one!

* * * * *

I received a letter, back in November 1947, from "Bill" Hawthorne, our President at that time, giving me a list of expired members in the territory where I lived and asking me to contact them. This I did. Every one of them who were still raising Dutch were glad to renew. Most of them had just neglected to send their dues in, just putting it off 'til another day. I would like to take his idea and go a little farther with it. I would like to appoint ten members as Representatives of the A.D.R.C. to work with me on this membership deal, also to help Mr. Wheelus get his publicity items before the public and to get ads for the REPORTER.

I will ask our Secretary to send me a list each month of the expired members who did not renew. Then, I will send them to the Representative nearest them, the Representative to contact them personally if possible but at least contact them. If successful, the Representative is to send the renewal to Mrs. Neubauer immediately and is to send me a report of each name given you so that I will receive it not later than the 10th of the month. All items for the REPORTER must be in the 20th of each month, and I believe the Membership-at-large would like to know how we progress with this idea.

This doesn't mean that the rest of the members are to just sit and watch those appointed as Representatives do all the work. The renewals or new members which you send in are just as important as the ones any of the ten Representatives or myself send in. When you joined the A.D.R.C., the application blank you sent in read: "I agree if accepted to abide by the Constitution and By-Laws and to further the interests of the American Dutch Rabbit in every way possible." Getting members is one of the best ways to further the interests. Just think of the Club we would have if every member would send in one new member each year. I don't believe there is one of you who could not get a new member if you set your heart to it. Let's try!

If any of these I appoint do not feel they can spend the time on it, I would like to know as soon as possible so I can ask someone else. I don't want this to be a flop. It will not take much time for each one, but it would be quite a job for one person. If we pull together, we'll succeed; if not, we'll just exist. Some of you will have a few names to contact before this goes to press. I will take my share of them along with you, the ones who are in scattered sections. Let's keep a score sheet and see who gets the best batting average.

Here are my appointments:

Clyde Sabin; Bakersfield, Calif.	John T. Crane; Golden, Colo.
Chas. Pine; Overland Park, Kansas	E. J. Cox; Jenks, Okla.
Dick Bernhardt; St. Louis, Mo.	Ancel Beaver; Indianapolis, Ind.
S. M. Thatcher; Bellefontaine, O.	Wally Wallace; Bellaire, Texas
Chas. Lewis; Roslyn Heights, N. Y.	S. T. Wheelus, Sr.; Atlanta, Ga. (also reappointed as Publicity Director).

Let's go to it, gang!

* * * * *
"Musings"
by

S. M. Thatcher

Are you an exhibitor? If so, do you show your Dutch locally or Nationally? Do you show at your local club's show or in the neighboring towns and those are the big shows of the year, or do you ship them out away from home occasionally?

I would like to give you an urge to try your chances a little farther away if you exhibit only locally. More often than not, as I show my

Dutch away from home I find that the Judge favors another's rabbit instead of mine. I know that it must give you, as it does me, a thrill when you rabbit wins over someone who shows all around and has attained a Sweepstakes Standing by major winnings. Yet what happens when you win at your local show? Your bunnies go back in their hutch for another year or six months until the local puts on another show.

Along come the National Dutch or National Convention Shows. Your bunnies stay home. Mine go! Yes, the same ones you beat at your local show! Maybe they win or place well up there. Why? Because you kept yours home! Now, some of these locals put on real good shows but do you know it when you read it in the Reporter? Sometimes you say, "Why, Joe won that big buck class, I wonder where he got the good buck," -- chances are that Joe sent the same one that you had beaten.

But when you read about the National Shows what happens? You say, "Hope I have one good enough to send some day." Chances are the some day has already arrived. Did you know it? Don't do as I did in my first Convention Show...I entered three or four, then got cold feet and only shipped one. A few months later I was privileged to see several of the winners of the classes that I had entered in and didn't ship them. That cured me -- almost.

Sometimes I still get "buck fever" when the big ones come up. What do I do then? Send two in the same class. Then when the Judge misses that real good one, he sometimes accidentally picks up the other one. What do you know! He picked them both! Of course, if you'd have had that nice one of yours there, it wouldn't have happened.

I'm going to use a real personal illustration. The boys from California are real good fellows, and I know they won't mind, so I will use the Long Beach 1949 National AR&GBA Convention. They show lots of Dutch out there and are very active in everything they do. But they all kinda bogged down in the Long Beach show and didn't show as many as they might and it was right in their own backyard. They could have filled those classes up. Some classes didn't have an entry. Easy pickin's! You say, "I've never shipped that far!" What happened to our friend, Chas. O. Lewis. He shipped several from New York to Long Beach, about the longest sweep possible across our United States. You say, "But they wouldn't be in any shape to win after such a long trip." Again, look at that entry from New York which not only took several firsts and Bests of Color, but Best of all in the show.

Put some carrots in the crate when you ship. Carrots are not only food but they furnish moisture as well. Make friends with your local express agent. Find out which is your most direct route and quickest. Often a train one hour later will arrive first. I watched a florist get quick attention one day in a crowded express room. When someone complained who had waited longer, the agent said, "the flowers are perishable!" He didn't mention the two-bit tip that the florist gave him. Don't be afraid that your Dutch will die enroute. I have shipped hundreds yearly for several years now. I lost one at a show! Your Dutch are hardy - you know that. Mine are in an old barn, the weather boarding full of cracks. So they are used to drafts and don't take cold. It is better than being outside where the fur will discolor (rust) when exposed to the sun or excessive light.

I shipped eight Dutch to both Long Beach and Pueblo in shipping crates made from 1 x 2 welded wire, with 1/4" hardware cloth partition and 1/4" plywood bottoms and door. No covered top, back or sides. Light in weight, durable, beats the cost of a heavy shipping crate. No colds from exposure.

You're shipping to the National in March? What have I done? Should have kept my big mouth shut! Guess I'll have to settle for 31st in a

class of 31 as I did once before. Stay home or it may cost me!
