PUBLICITY NOTES

by Dorothea Shufflebotham
 Publicity Director

Our Christmas mail indicated a lively interest among the Dutch breeders of America and on the long, chill nights we vision the Dutch fanciers snow-shoeing their way to their rabbitries to check again on those top-notchers they are going to show at the spring convention show. According to all weather reports we hear in the mid-west, the whole country has been cool!

Bill Hobin, of Cranston, Rhode Island, has joined the publicity committee and promises to keep us informed of activity and plans of the ADRC annual show in late May.

I have had some inquiries concerning back patches and would suggest that the Dutch rabbit as shown in our club emblem could be applied to a coat by any supplier of commercial shop coats. I'll bet some smart wife could do the job with a slant-needle sewing machine! These back patches have to be ordered in quantity -- say one hundred -- and since they only move at the rate of about ten a year that's tying up a lot of money. I know these outlines can be applied by one of the textile marking pencils and it isn't much of a job to keep them bright by re-marking at intervals.

At the Louisville convention we heard of a local club that was using flyers like our own yellow tear-sheets to advertise their club. Several of the other specialty clubs use the same device and used at local shows as intended, they certainly do a nice job of club promotion! If you would like some to use at your own shows just write -- they are free!

SECRETARY'S CHIT-CHAT

by J. Weinhardt

I suppose that all of you have now received the letter from the Eastern Dutch Rabbit Fanciers Club with regard to the catalog for the coming National Dutch Show? Now that the new year is under way the committee is shifting into high gear for the purpose of making this, if not the BEST National Dutch Show yet, at least one that will be remembered as ranking right up there at the top with other unforgettable ones. The committees are as follows: Show Superintendent, G. C. Sturgis, Sr.; 1704

OFFICERS

President: George Bayliss; P. O. Box 504, Hayward, California
 Vice-President: Melvin C. Emery; R# 2 - Box 133C, Elyria, Ohio
 Publicity Director: Mrs. Tom Shufflebotham; Box 257, Valparaiso, Indiana

BOARD OF DIRECTORS

Tom Shufflebotham: Valparaiso, Indiana-----Roger Eich; Templeton, Iowa
 E. C. Bickley: Sandusky, Ohio-----Don Reid: Lockport, Illinois
 William C. Stedman: Newfane, New York-----Bill Summers: Colorado Springs, Colorado

EDITOR & SEC'Y.-TREAS.--Mrs. W. A. Weinhardt, 17990 Bethel Church Rd., R #3, Manchester, Michigan

Opinions expressed in articles and letters published in the Dutch Reporter do not necessarily represent those of the American Dutch Rabbit Club, the Editor or the Publisher.

The date your membership expires is shown on the address label of your Dutch Reporter. Dues \$3.00 per year. NOTE: Our Club is affiliated with the American Rabbit Breeders Association, Inc., and by sending \$6.75 instead of \$3.00, you will become a member of both Associations.

All material for the Dutch Reporter must be in the hands of the Editor by the 15th of the month preceding issue.

Please notify us immediately of any change in address so that you will not miss copies of the Dutch Reporter

Newport Gap Pike, Wilmington 8, Delaware. Show Secretary, Alan Kacsur; 125 Sycamore St., Newtown, Penna. Trophies, Albert (Jimmy) Campbell; Rockland Rd., Rockland, Delaware.

The rates for catalog advertising are: Full Page, \$15.00, Half Page, \$10.00, Quarter Page, \$5.00, Eighth Page, \$2.00 and Boosters, \$1.00. There is no question but what these advertising rates are about as reasonable for the coverage received obtainable anywhere. I am sure that every single one of us could afford at least a booster ad, and if such should come to pass we would certainly have the finest catalog ever produced for a National Dutch Show. All ad copy is to be sent to Mr. Sturgis at the above address, while all checks for specs are to be sent to Mr. Campbell. The closing date for the catalog is April 1, so don't put it off and forget about it. This is OUR show, so let's support it in a grand manner. Just so you won't forget the dates for our show, they are May 26-27, 1962 and the place is the Pipefitter's Hall, Rtes. 31 & 141, Cranston Heights, Wilmington, Delaware.

Another committee that is also shifting into a higher gear is the new Guide Book committee of which Tom Shufflebotham is the chairman. No doubt you will soon be contacted by Tom and his committee and it is my hope that you will give him your best cooperation.

I receive some reports of members having been fortunate enough to save some litters this winter, but whether they have saved little ones, or like us, have some that were too small for the fall shows, everyone seems to be more anxious than usual to get into the swing of the spring shows. Many breeders report that they are just about sold out of any breeding stock they want to sell and the demand is as high as ever, so if you have something to sell and want people to know about it, why not put an ad in your Dutch Reporter and help carry the load while helping yourself at the same time?

Have you returned your ballot on the Constitution and By-Laws to election Chairman Fred Cremer yet? Remember the deadline is March 1, 1962!

YOU CAN'T BEAT THE DUTCH

OPEN LETTER TO ALL DUTCH CLUB MEMBERS

Very shortly you will receive your ballot relative to the proposed new Constitution and By-Laws for our Dutch Club. I urge you all to study it very, very carefully -- ask yourself "do we need these changes at this time"? Note that under the new Laws the Secretary's salary is decreased but her work-load remains the same -- is this fair? Are you dissatisfied with your present Secretary and her efforts to date? Remember her present term of office is only half completed, she accepted the nomination and election predicated on the basis of certain duties and monies for same -- what has she done or failed to do to deserve a "cut in pay"?

Note also that under the new proposal the Dutch Reporter will no longer be edited and printed by your Dutch Club Secretary, but will become the responsibility of the Publicity Chairman who is a Presidential appointee. Why? Hasn't the Dutch Reporter proved itself to be a lively and interesting monthly visitor to our homes under each and every one of our duly elected Secretaries since its inception? Where else but in the Secretary's office do you find all the latest, accurate and interesting information relative to our Club that finds its way into the Reporter? Let's leave it as it is in the hands of our very capable Secretary whose policies, promptness and integrity certainly are above reproach.

I can assure you members that this proposed new Constitution and By-Laws does not have the support of the entire executive Board of your Club -- far from it. Certainly we could not have grown to be one of the largest Specialty Clubs, and by far the most active with the best monthly paper, if our Constitution and By-Laws were not good and workable and well founded. Why the sudden furor for a change? Who tends to profit by it either in prestige, power or monies?

Personally I intend to vote "NO" on the entire matter and am urging all by friends to help me defeat it.

Sincerely,

/s/ E. C. Bickley,

Member of the Board, ADRC

THINK BEFORE YOU VOTE!

by Bill Summers

I see by the January issue of the Dutch Reporter that within sixty days the membership will be called upon to vote on the revised Constitution and By-Laws. As an officer of the Dutch Club I feel it is my duty to express my views, and give the membership a little background on some of these proposed changes.

The most controversial perhaps, is the proposal to separate the Dutch Reporter from the Secretary's office. These changes were originally proposed by the Chairman of the Ways and Means Committee at the Ft. Worth Convention. These changes were prompted by the feeling that our club was not on a sound financial basis. I would like to quote a letter by Clinton Dennis, and read before the general meeting at the National Dutch Show in Colorado Springs. "They (the changes) were based on the fact that I had found by careful investigation that we were not on a sound financial basis." At the meeting in Colorado Springs our President asked the membership present to act as a sounding board in a final draft of the Constitution and By-Laws that would be most to the liking of the membership in general. In line with the President's request the following motions were made and approved by the membership in attendance, and I quote the minutes of the meeting as printed in the Dutch Reporter. "A motion was presented by Bill Summers that the Secretary's duties be left as they are but the financial set-up be revised to leave the treasury in the black. This was seconded by Jess Williams. An amendment by Don Guthrie would set the Secretary's fees at 25% of all dues and 25% of all show sanctions as full payment for services. The amendment was accepted by Mr. Summers and Mr. Williams and the motion carried." I heartily recommend that the membership vote "YES" on this section as I feel it will solve all of our financial problems.

Now then, to the matter of separating the Dutch Reporter from the Secretary's office, I would like to bring to your attention the following facts. Again I would like to quote from the minutes of the general meeting at Colorado Springs. "Al Meier raised the question as to whether she had ever expressed a desire for a lessening of her work-load, and if she had not expressed such a desire, was there some other reason for the proposed change. An explanation of the background for the action at Ft. Worth followed in which it was stated that the Dutch Reporter was running approximately \$400.00 in the red. Al Meier expressed displeasure at it being expressed 'in the red'. He raised the question as to whether the Secretary would be willing to continue with her present work-load for less money and her reply was an unequivocal 'yes'."

In the President's message in the January issue of the Dutch Reporter, he has this to say and I quote, "Much study pro and con has been given to the revision: some of the parts of the present Constitution and By-Laws are out-dated rulings; some of our members have been hurt or embarrassed. I hope that each and every member will read and give earnest unselfish thought to the revisions, and then vote to support the recommendation of the Committee that has worked hard in submitting this revision----" The reason that I quote the preceding is that I feel the President is trying to create the illusion that the whole committee is agreed that the revisions as presented are what they want -- this is not the case. In my conversations and correspondence with several members of the Committee I find they are adamant in opposition in particular to separating the Dutch Reporter from the secretary's office. I, for one feel this way. Jessie has brought the Dutch Reporter to us for almost six years in a satisfactory manner. We now have the best publication of its kind, so why should we change a system which has worked so well in the past?

Most of the changes you will vote on concerns the separating of the Dutch Reporter from the Secretary's office, so be sure you understand each section before you vote on it -- in short, THINK BEFORE YOU VOTE!

NEWS AND NOTES FROM ALL OVER

East Bridgewater, Mass. I guess it is about time that I got acquainted with other Dutch Club members. I have had Dutch about 9 years now. In fact I had the first ones in our club. Now several have them, one being Wayne MacKinnon, who lives about three

miles from me, so I see him quite often.

I work on a large farm and with the long hours I do not have too much time for rabbits so keep a small herd. Also I cannot get to too many shows because I have only one weekend in six off. But sometimes I can swap days off to go to a show. I was able to get to more this year than I usually do.

At present I have 6 breeding does and 3 bucks -- all black -- but there are 2 or 3 good young does and a junior buck coming along. I have a good barn to raise rabbits in and hope in the near future to put in some more hutches and expand a little.

I raise some rabbits for meat and I believe that Dutch make a good meat rabbit. My wife and I eat quite a few miss-marks. I had some White New Zealands, but they sort of ran out on my. Started losing young and missing litters so now I have a pair of Californians. The first litter looks real goos, so I will try them for a while as some buyers around here claim the Dutch fryers are too small.

Respectfully yours,
Ranald A. Belcher

F. Pedigo, and A. L. Hambrick.

This club will be showing their stock in the "Top of the Nation Show" at the National Western Stock Show in Denver this week with the exception of me, your reporter (Virginia reports that she has just spent another 24 days in hospital following a serious heart attack.) as the weather turned so cold my Doctor wouldn't let me out to tatoo my stock.

The achievements of this fine club this year was the largest Specialty Club, one breed show ever held in America with 473 of the nation's finest Dutch. Breeders and exhibitors came from various parts of the nation to enjoy this fine show and meet friends and become acquainted with persons they had had correspondence with but had never met. The club was also well represented, both in exhibits and personal attendance at the May show of South Colorado Rabbit Breeders Ass'n, All Breed show in May in Pueblo.

Some of you will be interested to know that our dewdrop water system did not freeze, even during our three day 25 degree below zero temperature. We turned the pressure up some as it did freeze during the previous cold spell due to insufficient pressure. There is a plastic hose attached to the outside water faucet on the east side of the house. The faucet is about two feet high and also gets the cold air from the north. It is buried four feet under ground until the hose rises about three feet to enter the wooden east side of the rabbitry. Our rabbitry is all welded wire hutches built in a white frame double garage. The pipes inside are regulation lead pipes with the outlet the same height as the inlet. We ran a pipe from the outlet to the ground, outside, where it drains on the grass.

Mrs. Wm. (Virginia) Pierce, Pub. Director

Quakertown, Pennsylvania: At a meeting of the Eastern Dutch Rabbit Fanciers Club last Sunday, the Show (1962 National Dutch Show) was the main topic of conversation.

Various routes to the show room will be mapped out. On the way down to the meeting on Sunday, which was held at the home of Henry Paruszewski, we checked the mileage from the DOWNINGTOWN Exit of the Pennsylvania Turnpike, which is the exit for those

using the Pa. TP going to the Showroom.

The election of officers for the EDRFC are as follows: Presiden, Henry Paruszewski, Vice-President, Glenwood Sturgis, Sr., Sec'y-Treas., Christine Hall and Directors, Jack Messner, Warren McNamara, A. Campbell, William Thompson and Floyd Tobias.

Anyone planning on combining a vacation trip with their trip to the National Dutch Show in May will find many places of Historical interest within easy reach driving distance of the show. Not too far off the track are Philadelphia, Valley Forge and Washington D. C.

Mrs. E. P. (Christine) Hall, Sec'y-Treas.
