## THE PRESIDENT'S MESSAGE

by George Bayliss

The wheels of time grind slowly but surely, and as we enter into 1962 time holds a challenge to all of us in what accomplishments will be made for the advancement of our Club. It has already been mentioned of the several "firsts" achieved by the membership and our Club as a whole. The one shining light that is the brightest, is the increase in our membership, much of this increase in members has been made possible through the personal contacts made by members of the Publicity and Promotion Committee, and to the personnel of this committee my sincere thanks for the results already shown.

There is one big major project that should be accomplished as soon as possible, and that is the publishing of the new Guide Book. The committee that will handle this job is already set up, and complete success cannot be attained with this project unless there is 100% cooperation from the membership. It is one thing to say that we have to have a new Guide Book, but it is far greater to get it printed and published. When the Guide Book Committee asks for support it is up to the membership to respond, both financially and in submitting reading material.

Within sixty days the revised Constitution and By-Laws will be submitted for acceptance or rejection. Much study pro and con has been given to the revision; some of the parts of the present Constitution and By-Laws are out-dated rulings; some of our members have been hurt or embarrassed. I hope that each and every member will read and give earnest unselfish thought to the revisions, and then vote to support the recommendation of the committee that has worked hard in submitting this revision-----"If you do not think about the future, you cannot have one."

I wish to take this means of thanking the membership for returning me to the office of President. I am entering into my 10 years of serving the Club as President. I have been very proud of the honour, and have tried in various ways to justify your continued confidence. I will continue to serve the Club to the best of my ability, and will strive to bring at all times, better relationship among our members, and to keep the Dutch Rabbit on a high pedestal; in attaining some of this ambition, I may tread on some toes, but as the saying goes,---"You have to be cruel to be kind."

JUDGE'S CONFERENCE - A.R.B.A. NATIONAL CONVENTION  
October 1961

by G. A. Burke

(Editor's Note: Due to the many requests that a brief synopsis of Judge Burke's fine talk at the above conference, he has complied with the following article.)

Having been asked to talk on Dutch Rabbits at the Convention, just past, and then asked to present a few of the highlights of that talk for publication in the Dutch Reporter for the benefit of those who could not attend, I will outline some of that talk.

I described the ideal type as found in the Dutch breed and then demonstrated the proper manner of posing a Dutch to present this type at the best advantage on the show table, explaining that it was not to be stretched out, but posed in a cobby position. When the animal is checked for the undercut it should be held in the same position for examining the undercut as when checking the saddle, that is, in a sitting position, not stretched, or pulled out. It is my belief that many of our judges do not check the undercut in the proper position.

The ears should be in balance with the body, cheeks to come down to the whisker bed, but not into them. The head is not to be long and narrow and should be rounded like a baseball, believing that too many of our Dutch are getting away with too long and narrow heads and that much more attention needs to be given to this feature.

The belt should come as close to the front legs as possible without touching or running into the first joint.

Interest was great and many questions were asked on different points on judging Dutch, which I tried to explain to the best of my ability.

FROM THE EDITOR'S MAILBAG

Hornell, N. Y.

Dear Jessie:

Just rec'd a letter from Mr. Johnson (whose article on "Control of Colds and Snuffles" appeared in the Nov. DR.)

He says he gives 600,000 units of penecillin per dose to his American Chins. One dose every 3 days (72 hrs.). The size of the dose curbs their appetites for a day or so.

He writes, "Your Dutch are a small breed, and if it were me, I would give them 300,000 units (as per my article), then the distemper serum."

Sincerely,

Russ Hall

SECRETARY'S CHIT-CHAT

by J. Weinhardt

It looks as though winter has arrived somewhat earlier this year than usual -- at least here in the middle west, and I am getting similar reports from our members in other areas. This means that more than usual care will have to be taken to bring those litters through for the spring shows. Each year there seem to be more and more December and January shows to hold the breeders interest and in the areas where the shows are impossible, for various reasons, during these months, many are "champing at the bit" -- burned up with anxiety to show that "good one" that came too late for the fall shows. Oh, well, the holidays are over and the spring shows just can't be far ahead!

In fact, now is the time to start planning for "the Big One" -- The National Dutch Show, which is being held in Wilmington, Delaware on May 25-27. The committee had begun to get things in motion at Louisville and I am sure they are now getting down to the serious business of laying the ground work. They will need plenty of support and I have the advertising rates for the catalog. These rates run: \$20.00 for a full page, inside; \$10.00 for a half page; \$5.00 for a quarter pate and \$2.00 for a Judges or Registrar's listing. All catalog advertising is to be mailed to G. C. Sturgis, Sr.; 1704 Newport Gap Pike; Wilmington 8, Delaware. I understand that all

specials and trophies are to be sent to Mr. Jim Campbell, but as I do not have Mr. Campbell's address, I feel sure that should you send such donations to Mr. Sturgis or to this office they will be channeled into the proper hands and full credit will be given in the catalog and the Dutch Reporter. Don't delay, as the catalog is now in preparation and the sooner the material is in the easier it will be for the committee to do a creditable job.

Before the next Dutch Reporter goes out, you will all have received copies of the proposed new Constitution and By-Laws for approval or rejection. Each section in which there is any proposed change will be listed, with provision made for voting either "yes", you want such a change made, or "no" you prefer the wording of the present Constitution and By-Laws. As a member of the committee responsible for the drawing up of these proposals, it is my hope that each and everyone of you will not only read the proposals carefully, but will refer to the old form as published in the 1955-60 Guide Book and then make your own decision as to how you wish to vote.

I would like to refer the membership to a motion that carried at the Louisville meeting that needs some serious reconsideration. Following a discussion of the American Dutch Rabbit Club Trophies which are offered at National Dutch Shows and at Convention shows, and are rapidly being retired by having been won the third time by some of our members, there was a motion, and I quote: "Al Meier, Jr. motioned that when these three win trophies had been retired they not be replaced and we accept no more rotating trophies but instead the ADRC offer smaller, one win trophies at each show in the same categories with continuous listings of the winners. Motion seconded by Floyd Tobias. Carried" A second motion set the cost of these trophies "not to exceed \$10.00 each." If you will turn to page 54 of your current Guide Book, you will note that there are pictured there six trophies for the Convention shows and 12 for the National Dutch Show. This could eventually amount to a cost of \$180.00 per year to the Club, which it can ill afford. Such smaller trophies for the 1962 National Dutch Show have been pledged by various members, but this could come to a point where it might be impossible to get pledges, too. One alternative suggestion has been that we secure Plaques, either with adequate space for engraving, or with pendant plates for listing each years winners, along with a continuous listing in the catalogs and Guide Book, of all winners. One such Plaque has been pledged to replace the "John Furrer" trophy for Best Blue Dutch, which has been retired.

Of course, nothing can be done about this matter until the meeting at Wilmington come May, but it is the hope of some of your officers that you will give this matter serious thought and perhaps let us know, through the Dutch Reporter, how you feel about this matter.
