American Dutch Rabbit Club

Jan Feb 77

We are starting a New Year and I am sorry I forgot last issue to wish you a Merry Christmas and a Happy New Year and I hope you had them both.

Well got my first show this year last Sunday under my belt. Can you imagine the Dutch there didn't have a prime coat. They were dense and heavy to keep warm as we have been having a lot of zero weather here in Ohio. We also have a foot of snow, a lot of shoveling.

One thing I want you to be thinking about this year is the election coming up for President, Vice-President and Directors; as I will not be a candidate this year for your President. It is getting close to my retiring age and I want to be free when that comes along. There are a lot of younger Dutch breeders that will make you a good president. I hope you keep this in mind when it comes to the nominations for this office. I have enjoyed working for the Dutch club and I think it is time for a change.

Also got a letter from the Kansas State Dutch Club and they are needing ads and specials. Please send them something big or small for their show APRIL 23 & 24, 1977. I have my vacation planned for their show and hope to see you there.

Mike Stinehelfer-President

NEW VARIETY - GREEN

This color is very popular and important to the KANSAS breeders working on the NATIONAL DUTCH SHOW.

BLANK PAGES

We have heard from one breeder that he has had two issues of the DR with a blank page. We are sorry that this happens. When we run the DR through the Collator I can catch any top blanks but the underneath side I can't. If it happens to you - let me know and if I have any loose sheets around I can send the page to you. We keep them (the loose sheets) for a couple of months, so remember if you have a blank write me and I will try to send you a good page. Once again we are sorry this happens and will try to send you a page. Kathy

Happy winter to you all. We have been SUFFERING through one of the coldest, most miserable winters that I can remember. In the last weeks the temperatures have been in the minus thirties several times, getting down to -38 on one morning. (Ed's Note: In this issue I had mentioned Minnesota was suppose to have had -100 with the wind chill, now I don't know if that was a rumor or not, Kathy) Don't ask me how we exist, cause I am not sure that we do. Keep wondering to myself why a reasonably intelligent person (as I fancy myself) doesn't have enough sense to move away from the cold. But those three beautiful months of summer make it all worth while.

Membership renewals have been a little slow. I haven't had the time to send out individual renewal notices the last few months, although I will again now that I will have more time. Everyone has had their membership noted on their Dutch Reporter and most of the renewals we have received lately have been with that notice included. BUT there are many members who I know will eventually renew, that haven't done so yet, and will probably miss a Dutch Reporter because of it. We can't carry you, as an individual, regardless of how much we would like to carry everyone. We get to know your name through your membership, the show reports and letters; we feel a personal loss when we have to drop your name off the list. Keep us happy, don't miss any DR's and as the membership listing for 1977 will be coming out soon, make sure your membership is current, so we can list you as a Dutch Club member.

The National Dutch Show is coming up again. I know they are looking for specials for their show. Why not send them a dollar. We could all afford a single dollar, with no great loss. Then it wouldn't be left to a few to have to contribute larger amounts to carry the club. Why not make an effort to send just one dollar in for specials for the NDS and for the convention show fund this fall and for those of us that enjoy raising more than one breed, why not do it for each breed. Be an economical way of supporting them. If you would like to, the next time you renew your membership, send in the extra dollar or two and we'll keep track of it and see that you get credit at the show for the contribution.

Started this article on Friday at the office and left it there. Had mentioned how cold it has been, but Sunday took the cake; -43 on Sunday morning, and never got above -26 all day. I'm ready to move away from this frigid spot at the slightest reason. Rough on the livestock.

Bob & Kathy Kahler mentioned in the last Dutch Reporter that THERE WOULD BE NO MORE 3rd CLASS DR'S SENT OUT. IF YOU ARE A MEMBER, YOU WILL RECEIVE YOUR DR, AS THEY ARE ALL MAILED OUT BULK. The Kahlers have been SENDING OUT SOME DR'S DURING THE MONTH BETWEEN THE REGULAR ISSUES TO NEW MEMBERS. But individual copies sent 3rd class are extremely expensive to the club and we have had to suspend this. I think the membership's concern about missing a single issue of the Dutch Reporter again says something about the quality of the publication, and how important a good DR is to the club. (CONTINUED)

SECRETARY CONTINUED

The Kahlers are doing a top job, so continue to support them as you have been in the past.

As is evidenced by the Sweepstakes Sanction requests coming in now, the show season is just around the corner. When they do start, do your share of promoting and backing the Dutch. This is a good place to look for new members too. When you see those people showing Dutch for the first time, talk to them, tell them of the club, and give them a membership application. You may make a new friend in the process. See you at the shows, and DON'T FORGET the NDS in APRIL

Larry Bengtson

IN MEMORIAM

It is with deepest regret and sympathy that we have to announce the death of a very popular, Indiana Judge - Carldon Gaddis. Carldon was a life member of the American Dutch Club and we are sure his passing will leave a void in our club.

We received the following post card the other day and I will probably send it onto Larry - I just thought maybe someone close to Brian could help him out. Kathy

Dear Sir:

I have Dutch Rabbits for my 4-H project. Please send me information on the breed and a list of breeders in this area.

Sincerely,

OHIO STATE DUTCH RABBIT CLUB

President: Mike Stinehelfer, Vice-President-Jack Wireman, Secretary-Treasurer-Mildred Hand, Directors: Glenn Morgan, Elmer Hand & Don Whitehall. On behalf of your O.S.D.R.C. Officers, we thank you for your vote of confidence in the recent election. We will continue to serve you to the best of our ability in the coming year.

Our first meeting of the year is scheduled for January 30th at Springfield.

Did you know that Ohio Dutch will be celebrating it's 25th anniversary in 1978? To help us in this CELEBRATION of our SILVER ANNIVERSARY we have submitted our bid for the National Dutch Show next year. We will need the help of every member to realize our dream of a very special '78 for Ohio. Won't you help?

SPECIAL CONGRATULATIONS to Beth Ann Szymanowski. Beth Ann was named youth Queen at the 53rd A.R.B.A. Convention and Show.

Our Ohio Dutch Spring Show will be held March 5th at Canton, in conjunction with the Stark County RBA.

GREETINGS FROM MARYLAND - EASTERN DUTCH RABBIT FANCIERS CLUB

Our 53rd ARBA Convention is now a pleasurable experience that we can sit back and reminisce with fond memories. A delectable DUTCH Banquet with about 100 people was superbly handled by Larry Thompson. Along with his duties as Show Superintendent, Larry took charge of the banquet and did a tremendous job. A BIG BOUQUET of ROSES to you Larry for the superlative management of both the dinner and the never ending position of Show Superintendent. I don't know how Larry kept his cool and accomplished all the necessary arrangements that were needed, plus everyone requesting his attention all at the same time. Of course, he had his faithful followers and the Good Man up above on his side; and the backing of our Sponsors the E.R.&C.F. Assoc., Inc.

We the members of the EDRFC would like to express our Thanks for a truly magnificent job and all of us are indeed exceptionally proud of our President, Larry Thompson for a job well done. The major rewards of the Convention were the many compliments given as compared to the minor complaints, which were few. These were aptly handled by Larry and his assistants to the satisfaction of all concerned. So, all in all, I think we can all say it was a GOOD convention.

We all learn by our mistakes and the sponsors of the next Convention can look to the previous convention for situations that maybe could be changed for the betterment of a convention show they are responsible for. This is how we grow and help each other to perform for our exhibitors to the best of our knowledge and ability. So you see, we all are better educated in putting on a show by attending all possible shows and conventions to take back information for your own club's shows, so they too, may be improved to suit the needs of our exhibitors.

The EDRFC held their meeting on Tuesday, October 5, 1976 at their booth at York, Pennsylvania, and the minutes and DUTCH Show Report were sent to all members and exhibitors. I hope that you all received yours. My thanks to Dixie Ranck for helping me get started on the right track. As this was my first experience on my own as Breed Secretary for the DUTCH, I hope I gave you what information you wanted. It was indeed a very enjoyable experience. If ever I can be of service to the members in the future, please feel free to contact me and I shall be only to glad to comply to your wishes.

Jeannette E. Warehime
Rec. Secretary & Pub. Chairman

ED'S NOTE: Jeannette had sent me a letter and she asked me a question that I would like to ask ALL OF YOU - - - Did you know that Larry Thompson took on the job as Show Superintendent just 4 months BEFORE the Convention? My answer of course was No. (Bet yours is too.) Knowing this - some of the things I complained about makes me feel pretty small - Yes York had problems but I am sure they have learned. Have we????? Don't Judge until you have been there. I do know that as of Monday morning the Dutch Banquet was just a dream in someone's head until Bob asked Larry about it and Like I have said in the last DR it was truly a nice banquet. That is pretty good organization - to get the restaurant in so short of a time. THANKS LARRY. Kathy

THE DUTCH are ALIVE and WELL and GROWING in NEW ENGLAND!

The annual Fall Show of the New England Dutch Rabbit Club was held in Rutland, Massachusetts on November 9, 1976. There were over 140 Dutch shown in the open class and over 70 in the youth. The competition in both Open and youth classes was extremely tough but finally the winners were picked. The quality of all the animals shown was extremely impressive with many of the classes being very close and the last few places being only a hair or so apart (sometimes it seemed that a loose hair was the only difference between those last places). Since the complete report will be in the Dutch Reporter next issue, I'd like to tell you about a few of the goings-on at the show and about a few of our N.E. Breeders.

First it should be said that BEST OF BREED went to JIM ROY with a beautiful little Black Buck. The Roys always make a really nice showing. Since the whole family lends a hand in the Rabbitry. They usually have entries in every color of Dutch and also usually do most of the winning. (By the way Jim's three daughters also did pretty well in the youth show, Missy Roy took B. Black & Best Opp. Dutch, Renee took Best Opp. Black and Kelly took Best Chocolate.)

Another exhibitor, Mr. Clarence Dansro who also did pretty well had something a little different to offer us. You see for the last 20 years or so Mr. Dansro has been trying very hard to perfect the golden dutch. He showed me a beautiful looking little doe, and the type on her would have made any Dutch breeder think about starting to breed the goldens. Mr. Dansro says, "He wants to perfect the color a little bit before starting to breed any goldens on large scale.

Some other folks who did some nice showing were Frank Jenks our local Lab Buyer who always seems to have some story for us, at least he's always talking. Then of course there were Don & Barbara Mahan-- the resident Gray Dutch Breeders & Experts. Bill Schaeffer who always seems to have a really nice looking Tortoise up his sleeve. Paul Jurgelonis who is working on the Grays, Paul wasn't judging that day, probably one of the only Saturdays or Sundays all year that he wasn't. (Paul also took Best Fur). A newer exhibitor who did rather well was Charlie Jalbert. Charlie bought a couple of rabbits from me two years ago and really started to become an addicted breeder - you want to talk about a spotless rabbitry, just drop in at the Jalberts sometime! Then there were those of us who just talked alot that day-with that competition it was about the only thing we could do.

The youth show went pretty well too with Don Baker taking Best Dutch with a nice steel. A lot of the kids showing youth could do pretty well in the open, Kathy Cavacco, breeds some awfully nice blues, some pretty good blacks too. Tom Cudworth has been doing really good with his torts and of course Don Baker always has a nice gray or steel.

Might be interesting to note that in the Open Show there were more Chocolates shown than Blacks, as near as I can figure this is the only show in the country, especially with over 100 Dutch shown, to have more Chocolates than Blacks.

Mark Bean-Massachusetts

OUR THANKS TO MARK. We didn't hold the article-it was too timely, Kathy

DIRECTOR from TEXAS.

Periodically a lot of complaints are heard about judging: the quality of the judging; the handling of the stock and the comments of the judge, and I guess under comments, the disposition of the judge.

The Dutch Reporter has had articles on this and other subjects, however on a number of them, the writer did not sign his name.

It is the opinion of this Director, which I think is shared by all the Officers and Directors that the Editors should not print any article which has not been signed by the writer. First of all, the accused has a right to know who is accusing him. If this person does not have enough face or conviction to sign the article, then it certainly is not worthy of printing. Surely the accused should have the opportunity to challenge the facts or implications in such an article.

Another thing about unsigned articles is that once one is printed, then we have opened up "a whole new can of worms" which might turn our paper into a media for throwing slurs at any of our members.

Anyone who wants to judge; be it rabbits, horses, chickens, or whatever, has my respect. The pay is pitiful and the conditions are usually ridiculous. Just stop and think for a minute what happened at your last show. If the judge came a long distance, maybe by air; was someone there on time at the airport to take him to his motel, or a member's home? If he stayed at a member's home, did he have a good bed and a good breakfast to start out on, or was he on a cot and had donuts and coffee at the showgrounds to start with, then expect him to work, like a mule all day? Did you get the show moving and keep it going so he could catch his flight home, or did you criticize that he had to leave to get his plane? And when the day finally come to an end did you have his check ready, or did he have to wait for a month for the secretary to mail it?

I would imagine that one of the many things that can irritate a judge are poorly constructed, wobbly tables which are too high or too low with no way to adjust to the correct height. A table that is too low or too high for a judge can put real pressure on his back and arms.

If the Superintendent doesn't keep the rabbits coming to the tables, or the clerk is not efficient, they can drag a show and cause the judge no end of trouble.

We do say in behalf of the clerks, that some judges do not speak loudly enough and with all the talking outside the table, it is difficult for them to get good comments. Most judges have a pattern to their comments and some secretaries learn to pick up that pattern and have no trouble in getting the comments, however we must defend them on that point.

It is claimed that we have the best judging system of all livestock judging, and I am inclined to agree. This good system imposes a responsibility on a person that other breeds of livestock (CONT.)

TEXAS CONTINUED

do not require.

We should remember, however, that when we put our rabbit on the table, we are asking for that particular judge's opinion according to his translation of the standard. This is sometimes disappointing to the exhibitor, however, it is his opinion.

As for the judges who have worked long enough to surely know the standard and how to handle a rabbit and do not do so, the best thing to do is to just stay away from the shows where he is judging. After so long a time either the judge takes the hint or the club does not hire him again. We do have some who could use some studying of the breeds and certainly the handling of the rabbits. So if you don't like him, just stay away.

The Houston Club is in the process of hiring judges for the 1977 Convention and it is very interesting to see who the specialty clubs want to judge their particular breed. Some are older and some are new, so guess we have good and bad in both old and new.

In my opinion, as long as we have the system of examining and issuing a license for judging, we will get some good and some bad judges. I feel that all judges should come before a panel at an ARBA convention and be examined, possibly from the standards committee, or some established judges to pass on their ability. This wouldn't solve all problems, but it would be a step forward.

Don Brady

ED'S NOTE:

Folks we printed a falsehood as far as the Dutch Reporters are concerned; with Bob & I as Editors. The falsehood starts with the 2nd paragraph of Don's article. Now I am going to type a reprint from our first (1st) Issue of the DR, Jan-Feb, 1975 under Editor's Comments, Bob & Kathy Kahler.

"We will Print most anything, if it is questionable we will have to have it ok'd by the DR committee. your articles MUST BE signed. We will print things that we, your editors, don't agree with, because we feel that only by airing everyone's view, can a club grow. A good healthy controversy on a subject can help a club. I DON'T mean nit-pickin' or fighting but discussion."

Now folks I have just spent 45 minutes going through 12 Dutch Reporters (ANYONE IS WELCOME TO COME AND EXAMINE THEM) and I CAN NOT find ONE unsigned article.

We the Dutch Reporter have taken the blame that people are reading in the DOMESTIC RABBIT that is where you will find CRUSADER RABBIT. Also I have just learned there is a Crusader Rabbit in the California State News but they are different Crusaders. Even my Ed's Note, Comments or whatever are either started in just that way or I sign my name or Bob's. PLEASE folks try to remember WHERE YOU READ AN UNSIGNED ARTICLE AND SEND THAT MAGAZINE YOUR MESSAGE. We feel like Don-if you write it SIGN IT. Bob & Kathy

THIS 'N' THAT from TEXAS

Well, the alligator is back in the creek and the bull is back in the pen, and my hand is improving. To tell the truth, the window I walked into has been replaced. But sure had lots of fun at York alibing as to what happened to my hand. It is better. The tendons have healed and I have about 80% use. It is still painful, but try to ignore it and hope it will go away. I am so lucky to have any use of it and am satisfied with what I have.

Sure was glad to see so many good Dutch friends at York. Guess I was pretty noisy, but had to let everyone know about Texas. But you know rabbit people are nice no matter where you go. All you have to do is let them be nice. Satchel Paige had several rules he lived by to have a good life. The last one was "Don't look back for some-thing might be gaining on you." That's the way to do. Look ahead. There's nothing ahead but good things.

Bad Apple! No, just has his own ideas perhaps. And we as Dutch people can let bygones be bygones. Think Positive! That's one thing I live by - "The Power of Positive Thinking" You can do anything you want if you just believe you can. I know I can do it. And WE know we can put on a super convention. Plan to come and see. We are really working hard to try to have everything in readiness so when you walk in we can visit and enjoy the people. Getting the meetings and banquets set. Some groups are having luncheons and breakfasts. Sure sounds good. The Shamrock Hilton has so much to offer so should have some nice get-togethers.

We hope the Dutch breeders will open their hearts (and pocket-books) and get some great specials up. We are really appealing to all Dutch breeders to come up with good ones. We feel the Dutch will really be one of the biggest breeds here.

You'll be hearing from us during the next few months, and sure hope we hear from you.

Don & Nelle Brady

CONVENTION NOTE: We are working like beavers to get the show into shape. It sounds like it is a long way off, but time has a habit of rushing up on you. We hope the Dutch members will have lots of good specials for the show. We do not have a Breed Chairman named as yet, but if you want to send them on to me, I will see that they get to the proper person.

We have been having some northern type weather. Cold & rainy and even some sleet over the holidays. But things are beginning to look better and warmer.

Just a note to our good Maryland friends. Don't forget this is Cougar Country and Cougars EAT Terrapins.

Nelle

DIRECTOR - MICHIGAN

Friends, I'm afraid I am a bit tardy in getting this communication out for our Reporter, but sometimes it seems with all the fine articles that have appeared in the past, you wonder what to write about.

First let me Thank all of my friends who supported me for office of Director of our club. I really appreciate everyone of you.

I believe you will all agree that we Dutch Breeders and all Rabbit Breeders in the mid-west and east have had a very rough winter. We have had the worst litter losses in years and many of my friends report the same. The Tortoise does still do the best job of raising their young in winter for us. A large percent of Tortoise does are pretty spunky. Hot headed but they are good mothers.

Having sold a large number of Dutch by mail and telephone over the past years. I believe in putting considerable emphasis on the faults of the rabbit and a less or reasonable amount on the good points. We have made this a practice and the buyers have been very well satisfied. The buyer this way knows he is not getting a world beater and he may get a lot better animal then he thinks he has ordered.

Shipping rabbits in a cold winter like this is as bad as hot months and we try to avoid either extremes as much as possible. I must say we have no complaints on the Airline's service in getting our rabbits to their destination.

On another subject concerning conduct at judging table, there have been at least four incidents this past year about breeders leaning over the table and talking to the judge and laughing during his placing of rabbits. This did not happened where I was concerned. I'm not talking about the judge being dishonest but this can not help but distract from his work. This did not concern the Dutch. Our members are to be complimented on their behavior at all shows I attended.

I will not accuse the breeders and judges of anything off hand but some breeders of a popular breed were on the warpath and that can do very great harm to our shows. A couple of breeders are selling their stock because of this. To ALL old timers let's get where we belong at the shows and show the new breeders how we should act. They can really learn from you if you do your best.

The carrying case show took something away from us old timers. The old caged show, which we surely miss. I would personally like to see half as many shows by having two clubs in a given area to go together and put on a real old time caged show. Once a year and bring out the fellowship we once had instead of the hurry up judge my rabbits and let me out of here. I've got to do something else or be at a certain place at such a time.

(CONTINUED)

MICHIGAN CONTINUED

Back in the 50's and early 60's the two day shows were common and we had a good time and if we weren't right there when our breed was being judged we had no worries. Our bunnies were always on the table.

Many times I have carried rabbits a 1/2 to a day at a time when we knew where they came from and where to put them after the judging. The fun of going over the placements with your fellow breeding friends is missing.

Maybe we live in the past too much but the old timers I know share my views to a great extent. (Eds Note: I am a History Buff personally and to look back is great otherwise how can we ever learn how to face the future. Somethings in the past are great and these 2 day shows sounds like one of them. Kathy)

Let me say after 30 years as a Dutch Breeder and 54 years a rabbit breeder I still run into problems. I have helped many breeders over the years, with their problems and hope to do so a few more.

If anyone, especially beginners have some trouble or problems, I would be glad to hear from you and give you an answer to the best of my ability.

A belated Happy New Year.

Lynn Cooper

SICK LIST

Leonard Weir from California has been in and out of the hospital and as of January 8, 1977 he is back in. Don't know what's wrong with Leonard but We all hope you get better. Leonard's Address is: 3981 Lindsay, Riverside, California 92509.

Flo Cooper has been having problems with her foot. Flo is home now and we understand the Coopers had a good holiday.

ALABAMA

Your excellent articles in the DR have really helped me in raising better Dutch (the ultimate specimen of the rabbit world). Enclosed is a check for \$3.00 for my first booster ad in the DR.

Fred Perry - Gadsden

Thanks Perry for your ad and for the kind words. We have excellent articles because we have excellent members. Wish we could get a Dutch article from you.

Kathy

THIS 'n' THAT

1/10/77 - We have about 6" new snow, 25 mile winds, temperature 10° above to -30° with the chill factor. Please tell me you have Spring in your area and/or Spring is just around the corner. Millie Hand.
Ed's Note: Sorry Millie but we even have to cut down on our electricity because we are in a deep freeze but not as bad as what we heard on the radio today about Minnesota - With the Wind Chill it is a cool 100° below. I hope we get some southerly breezes soon so that we don't get that temperature from Minnesota. Kathy

E. L. WORTHERN - An Illinois member is in the Hospital for the removal of a cataract. Hope you get out soon and can use your eyes again E.L.

Heard from Marlin Stellar of Wisconsin - Seems Marlin has been a member but has not been getting credit for his points. Sorry Marlin.

A SUGGESTION - Any member that does not renew in time --- send extra postage for the last DR, that is if they wish to receive it. Kenny Thompson. Ed's Note: Would be nice but Bob & I don't make up that many extra copies. If we have them and a member wishes to have a copy send 50¢ & I will see what I can do. Kathy

NATIONAL DUTCH SHOW - - HUTCHINSON, KANSAS - - APRIL 23-24

WEATHER

I just have to let you folks know that this morning, January 28, 1977, I woke up to the radio going and the announcer saying, "It's -13 with a wind chill of -65, most roads in Illinois are closed, and instead of giving the school closings, we will give you the schools that are opened." We are all home and I checked and made sure Kathy got home from work last night and she is ok, so Bob & I are working out here and the girls have strict orders, not to run or fight because the closest Doctor is 5 miles away and the hospitals are 17. Pleasant thought! I keep telling myself that Spring is just around the corner and I am thanking the Dear Lord for something to keep me busy. I did get to the store across the street from us and on the way over I noticed the snow had sand on top of it, apparently the wind has stripped the fields bare and is now working on the sand. Don & Muriel Reid were suppose to go to Minnesota this weekend but I don't know if they made it before the snow and wind or not, if they did we may not see them until June or July. Western Illinois Rabbit Club is suppose to hold a show on the 30th, hope they don't go broke, because you see this is on the Iowa border and all of us are snow-bound.

Kathy

Arizona State Fair	Blue	Jr.	Doe	??	56	John Frueh

Looks Like Roger Eich won the most Best In Shows with three (3) and Lester & Louise Johnson came in second with two (2). We would like to thank two Show Secretaries who took the time to let the Dutch Club know about the last two Best In shows and they are Eugene Johnston of Council Bluffs, Iowa and K.S. Eldredge of Phoenix, Arizona. I don't know for sure without looking it up if these two are Dutch members but it would be nice for you exhibitors to THANK them, for letting us know. Other show secretaries have let us know and then the exhibitors - Thanks to all of you.

Kathy

Just heard on the radio where Ohio is worse off than we are - - Hope that are Ohio friends make it through the winter. Kathy

EDITORS' COMMENTS

While we are finishing up this issue of the D.R. the weather is really bad. We are in the midst of a blizzard, all roads in the area are drifted closed, temperature -13° with a wind chill of -60° . This is Friday morning and it is not supposed to get above 0° until at least Monday. It has not been above freezing here since early December. As my work keeps me outside 8 hours a day I am quite ready for some warmer weather.

However, despite the bad weather, I have had pretty good luck with my Dutch litters all fall & winter. Have lost very few due to cold. But if the cold doesn't moderate soon it will be very hard to get any in show condition for all the Spring Shows. (Kathy's note: We do not have our rabbitry heated, just a building enclosed.)

Our first show here in Illinois is this coming Sunday, January 30th. I don't think there is any chance we will make it as it is 175 miles one way. Also we have to get the D.R. ready to mail by Monday January 31st.

It sounds like the National Dutch Show in Kansas is shaping up nicely. We have our reservations and if all goes well we hope to see many of you there.

Bob's comments are done, he didn't know I had mentioned the weather but thought I would type his comments so that you guys will know it's just not a scared woman talking about the weather. We have had some comments about the 3rd class mailing and I am sorry if I confused any of you. In Larry's Secretary's message he explains it all very well. Jeannette Warehime has asked me how much for First class mailing - It is about 50¢ an issue or \$3.00 a year as long as the Postal Rates stay the same. Mark Bean wrote me a letter with his article (by the way it is a good article) anyway Mark; your printing is very good and I could read it real good. Also Mark is one person who has had two issues of the D.R. with a blank page, I will try to find a good page and send it onto Mark. Terri Ellis of Ind., has moved to 1505 Lakestone Dr. Olathe, Kansas.

Last weekend we went to Peoria for our State Meeting and we did have a good time despite a flat tire - we were lucky though - you see if Bob had pulled another 6 inches off of the road we would have been in a snow filled ditch. Illinois is thinking about having a National Convention in 1980 - provided we can locate a building - I have been trying to find the coops and with the help of surrounding States we just might make it.

Last issue I mentioned that Kathy was moving out - well New Years Day she got settled into her own apartment and she is learning to make it on her own. At least she can cook, bake, sew and clean, her roommate tried to bake a potato - she turned the oven on, stuck the potato in and in 45 minutes was taking the potato out - of course it was a little hard. Nanette will be in San Antonio, Texas come June 28th, she really did lose 15 pounds in 18 days. It was touch and go for awhile and we were getting concerned about her health but she survived and is really looking forward to the Air Force. Bobbi isn't crying anymore so - we hope that phase is over. She had her 11th birthday last Friday, they had the day off of school, so I just took them to lunch, & Suzette somehow conned me out of a pair of shoes. Bob & Kathy
