PRESIDENT'S MESSAGE

Fact Sheet: Volume 42, Number 1

As we start another new year for the American Dutch Rabbit Club, we can be proud as we reflect upon our accomplishments and look forward to a bright future. The growth of the American Dutch Rabbit Club continues and the advancement of our total program may be placed in high esteem by other specialty clubs. Although we do not have the largest membership among the specialty clubs, we are the number one club raising the number one breed -- "You Can't Beat the Dutch."

Some items that merit our attention are summarized in the following outline:

1. Sweepstakes

- a. When entering a show, be consistent in the name you use. (Name, rabbitry, or both) This is a must to insure that you get proper credit and transfer of exhibition points for the sweepstakes standings.
- b. YOUTH: Results from the youth opinion poll indicate that district divisions are still favored. In addition, an overall sweepstakes listing as in open will be reported. Rosettes will be awarded to district winners and suitable plaques or trophies will be presented to the top ten youth "point-getters" overall.

2. The 1985 NATIONAL DUTCH SHOW April 26-28 York, PA

- a. Write Beth Bachschmid for a show catalog
7067 Wolfree Lane
Rockville, MD 20852
Phone: (301) 468-9282
- b. An outline of National Dutch Show specials appear in this Dutch Reporter.
- c. Judges - ???
Glen Carr, first choice, has indicated that he is now unavailable -- he wrote to me in a letter dated January 11, 1985 that he had not yet been contacted.
- d. Host club, Eastern Dutch Rabbit Fanciers, has a fine reputation as previous National Dutch Show sponsors.

3. Dutch Standard

- a. Several problems exist, particularly with the interpretation of gray - brown gray or pale gray.
- b. Membership of the American Dutch Rabbit Club voted on brown gray; pale gray description only should supplement and clarify "gray" breeding efforts.

4. Dutch Reporter

- a. Three ad spaces remain available before the inside front cover can be printed. The cost of these ads is \$25 each.
DEADLINE: March 28, 1985
- b. Deadline for the next Dutch Reporter copy is March 10, 1985.
*NOTE: Deadline for future Dutch Reporters is the 10th of each odd month.

On January 12, 1985, the Williamson family arrived in sunny California. What a change in climate! I often think of the current weather in the Midwest, but to date haven't missed any part of the snow, ice, or subzero temperatures. We are looking forward to making good friends in California and the West Coast. The only negative part of our move has been the number of close friends and family we left in the Midwest. You're always welcome in our home.

Scott

-----*-----*-----*-----*-----*-----*-----*-----*-----*-----*

Fellow Dutch Breeders,

Here we go steaming into '85 already.

What became of '84? Time sure passes by quickly. Soon be time to head for York to the National Dutch Show. Should be a good one as those Eastern folks go all out.

I wish to thank all of you for your vote of confidence again as your Vice President for another term. I'll do my best.

Seem's I failed to get the membership drive off the ground. I had lots of help though. Not one reply or volunteer wrote in, so this time don't write me, but let's all get our names listed in the Dutch Reporter as getting a new member.

I hate to see Scott leave us for California, but that's life. We'll miss you, Scott, Dianne and Kate. Wish you all the luck and happiness in your new surroundings.

I wish to thank Norma for all the good Reporters and welcome Dianne to the task of the future ones. I know you will do an excellent job also.

Welcome back to our new Directors: Roger Eich and Wenton and Wilbur.

This is something I think is very important. Maybe it should be a separate article, but I will add it here. All of you interested in your club should read the new business of the meeting in Florida. I like Wenton's formula for instituting Directors of the A.D.R.C. by districts. Keep this handy and read it again and again. In my opinion, this is a very important piece of legislation for the betterment of our club. This will spread out our directors and get more breeders represented evenly. Your president and vice president will be elected by the membership and our directors by those whom they represent in their district. Let's see some more ideas about this. I've voiced mine, how about some of the rest of you?

Till the Next Time
See You at the Shows
Vice President, Jack

No bids for NDS for '86 yet.

Jack

FROM THE DESK OF THE SECRETARY:

We're now well into a bright "New Year",.....may all your dreams and expectations come true!

The American Dutch Rabbit Club has purchased a new computer system and we are in the process of "trying" to change all of our bookwork and filing onto disc form. This will take a little time, so please bear with us! We are now the owners of a TRS-80 Model 4 computer and Epson printer. It really works wonders...."if you know what you're doing"! Your previous sweepstake chairman, Dick Gehr, is writing our programs. I've been giving him alot of problems with this!! When he finishes one, I decide that I would rather it be done differently,....he then starts making variations until he has it just the way I want it! It's a good thing he has "some" patience!! The membership list that will appear in the March/April issue of the Dutch Reporter will be done with the new equipment. I would like to take this opportunity to thank the committee appointed to look into the computer equipment available and the Board for their approval of the purchase.

The most difficult task concerning the above is typing ALL of the needed information into the new system. It won't work without it! I can now, in all honesty, say that errors are NOT made by computers, but rather the person feeding it the information! In this case, ME!

Be sure to check your expiration date to make certain that your membership is current. If it is not, your name will not appear on the new membership list. Your membership must also be current to receive a ballot. Ballots will be mailed out on or about the 1st. of April, so renew promptly! Remember, youth members are not issued a ballot!!

The 1985 NDS is just around the corner. I hope that you are all able to attend. If circumstances won't allow you to be there in person, at least try to send that "special" one or two out to York. Who knows, you may have the "Best of Breed"! Specials for the 1985 NDS had to be in by January 15th. in order to make the catalog. If you didn't get your's in, I'm certain that they will accept late specials and post them in the showroom. I hope to see a large showing of Dutch in both the open and youth division.

Illinois was sad to see "three special" people leave us....Scott, Dianne and Kate Williamson are now residing in California...I wonder if they left their snow shovels behind,....I know they left the snow! We hope that the move doesn't keep them from visiting whenever they're near. We hope that the state of California realizes and appreciates their gain. We wish them our "best"!

May each of you enjoy a "BEAUTIFUL" New Year!

Norma

"HI THIS IS THE DUTCH REPORTER EDITOR CALLING....." by Dianne
Williamson

As new editor of the DR, I plan to write a column interviewing Dutch Breeders from around the country. When you read the show reports, haven't you often wondered about rabbit shows and breeders in different areas and climates of the country? Well I have, so I plan to call Dutch breeders and find out, then report my findings to you.

I would like to introduce myself as your new editor. I am Dianne Williamson and yes, Scott is my husband. We have just recently moved our home and rabbitry from Champaign, Illinois to Fresno, California. We are really enjoying this change in the weather-which has been sunny and hitting the 50's every day of January! We have a 16 month daughter, Kate, who keeps me busy when I'm not fighting the mimeograph machine for the Dutch Reporter. I married into the Dutch rabbit hobby, having a husband and father-in-law who are die hard Dutch Fanciers. In fact Scott took me to see his rabbitry on our first date so I knew what I was getting into!

Blacks are my favorite color of Dutch with blues running a close second. The biggest thrill I have had showing Dutch was winning Best IN Show in Illinois with a Tort Dutch named Kenny. That was a first for me and I'll never forget it. If you have any information for or questions about the Dutch Reporter, please send it to me (before the 10th of every odd month) at: Dianne Williamson
5594 National
Fresno, CA 93727

----------*-----*-----*-----*

Vicki Hertel is the Dutch club's new Sweepstakes Chairperson. She and her husband, Charlie, operate a dairy farm in Forest Grove, Oregon near Portland and about 50 miles from the ocean. Vicki has two children Christopher, age 9 and Stephanie, age 7 who has been on the cover of Domestic Rabbit holding a Dutch and is pictured in the new rabbit book from Oregon State! In addition to all these responsibilities, Vicki became an ARBA Judge last year. Congratulations!

Vicki tells me that the weather in her area of the country has been dry. They have had no rain for a month, which is unusual. They have however, had some snow and a cold snap of 15 degrees, but it has been a sunny winter. Vicki has about 200 rabbits with 22 working does- Grays, Steels and Blacks. She has a liter on every Dutch doe but one and credits the sunny weather in December with helping her breeding program.

George and Maxine Parmer gave Vicki her start in Dutch. George and Maxine always seemed to have such fun showing Dutch that Vicki caught their enthusiasm and now has mostly Dutch in her herd. Vicki told me that the biggest thrill she has had raising Dutch was having Best Gray at the Portland NDS and winning the auction class and offering the two highest selling Dutch in the auction.

I have to add that Vicki has done a super job with the Sweepstakes and I appreciate all the help she gave me with my first issue of the DR!

Paul Dill is the current leader in Youth Sweepstakes points. When I called Paul he had just returned from a Mini Series workshop for 5 and 6 year olds promoting his Dutch rabbits! Paul is 13 years old and in the 7th grade. He lives in Galesburg, Michigan near Kalamazoo with his parents, Vern and Marti Dill and his sister Andrea, age 10. Raising rabbits seems to be a family affair at the Dill house! According to Paul, the weather in Michigan is cold and snowy with at least a foot of snow on the ground.

Paul got his start in Dutch from his Mother when he took over the Tort Dutch in the rabbitry. Paul and his family have 60 Dutch and all six colors of Dutch in their rabbitry. Even in the cold they just had four liters of Dutch and saved all of them with the help of heat lamps and plenty of straw in the nest box. Paul is the palpation expert in the Dill family, a technique he learned at a 4-H Leader Training Camp.

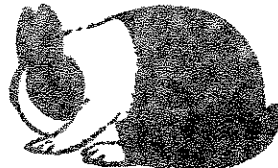

The biggest accomplishment in raising Dutch for Paul has been winning Best Opposite Sex at the National ARBA Convention in Florida with a black Junior Doe. Paul attended 24 rabbit shows last year, which explains his lead in the Dutch Sweepstakes. He is a very active 4-H member, participating in Showmanship and Veterinary Science with his rabbits as well as Gun and Hunter Safety, Leathercraft, Trees and Wild Flowers and Dog Obedience. Paul is certainly a busy 13 year old who seems to be very committed to his Dutch rabbits!

ANSWERS TO QUESTIONS ON THE DUTCH STANDARD by AL MEIER

There has been some questions raised by the ADRC Secretary about changes in the Dutch Standard after its submission to the ARBA. I feel, since I had some part in the changes, that it would be best if I clarified the ARBA's position on the two matters.

1. The stop description as sent in by the Dutch club read as follows:
"from the toes to a point one-third the length of the foot as measured to the heel of the foot".

Answer: This was changed to read: "from the toes to a point one-third the length of the foot as measured to the point of the hock".

The word "hock" was substituted for "heel" because the rabbit does not have a heel as such - and if it did it would come before the hock. My Webster's defines the hock as: "the tarsal joint or region of the hind limb of a digitigrade quadruped corresponding to the ankle of man but elevated and bending backward."

This change was made at the suggestion of Dr. Reed, who certainly, as a vet, would know the proper definition.

2. The belly color for the Gray Dutch, as submitted, read in part, as follows: "The belly should have a white or cream surface color with a slate blue undercolor....."

Disqualifications: "..... absence of slate blue undercolor....."
(no mention of color showing on surface other than white or cream)

Answer: This is almost the same description as the 1955-60 standard which resulted in every Gray Dutch but one being disqualified for showing surface belly color (I was there) at the 1956 Convention. Cream belly shows on the surface, as would a straw, or anything but white - one of but two positive colors we have.

When the controversy over Gray color arose, I sent an article to the Reporter citing the British description in effect for over one hundred years. The result of this vote only strengthens my belief that only breeders of a color should vote on it. The alternate, which lost in the voting was almost correct. It called for:
".....cream or straw surface color with a slate blue undercolor..."
It did disqualify for a white surface.

The belly undercolor as approved by the ARBA calls for "light straw" surface color. The ARBA version also mentions the Pale Gray color which is not preferred but is acceptable (it is useful in the breeding of Steels). The Pale Gray is the Dutch that has the white belly surface color.

3. I agree that the only correct eye color for the Blue should be "blue-gray" but in the interest of those ten percent (your figures) that have brown eyes I prefer to remain alive rather than reap the wrath of those who have Blues with matching brown eyes - God knows that breeding Dutch is tough enough without picayunish disqualifications.

Following is the description of the "Brown-Gray" that appeared on the A.D.R.C. ballot. The ballots totaled 91 for and 25 against:

Brown-Gray: The brown-gray is to have an agouti coat, showing distinct bands of color when the fur is parted. The color of the fur at the base of the hair shaft to be slate blue, followed by a medium tan colored band, next a thin band of charcoal brown, finished by a lighter tan tipping to the undercoat. The entire body color should be interspersed with an even distribution of black guard hairs. The broadest ring should be the base, followed by the intermediate medium tan band, finished by an even balance between the charcoal brown ring and tan tipping. The agouti color should be carried as uniformly as possible over the colored portion of the body. Narrow black lacing on the ears is desirable. Eye circles should be narrow and medium to light tan in color. (Option insertion) Medium tan lap spots are permissible. The topside of the tail must complement the body color with the underside of the tail to be the same as the belly color.

Following is the belly color option that appeared on the A.D.R.C. ballot and passed. 85 voted for this option. (28 voted for the cream or straw surface color).

The belly should have a white or cream surface color with a slate blue undercolor extending from inside the rear legs over the belly to the undercut. When the belly surface color is white, the undercut is determined by blowing into the fur.

Disqualifications: Absence of ring color, absence of the slate blue undercolor on the belly.

Following is how it appears after being submitted by the A.R.B.A. Standard Committee for our approval:

Steel-Gray - A dark uniform steel gray. This color is brought out with a moderate amount of light gray tipped guard hairs evenly distributed over the entire colored section of the rabbit. Slate-blue under color carried down to the skin. Under portion of the tail, belly, and inside of hind legs to be as near the body color as possible. Eyes - dark brown.

Faults: White hairs, sandy, brassy, or brownish tints. Extreme brassiness on head, ears, back, and feet too dark or not enough gray hairs distributed over these sections.

Gray - (brown-gray, as described, is the preferred color). Pale gray, lighter in surface color and lacking agouti banding is acceptable but is to be considered as being a fault.

Slate-blue at base followed by a band of yellowy orange capped by a thin black line, finishing with a lighter tan tipping to the undercoat. The entire body color should be interspersed with an even distribution of black guard hairs. The broadest ring should be at the base. The color should be carried as uniformly as possible over ears, cheeks, body and top of tail, hind legs. Narrow black lacing

on the ears is desirable. Eye circles (small as possible) and belly color to be a light straw color. Belly undercolor to be slate-blue; medium tan lap spots are permissible. Underside of tail to match belly color. Eyes - dark brown.

Faults: Brassy tinge, white hairs, light surface color on body, white belly surface color, lack of banding on hair shaft.

Disqualifications: Absence of belly undercolor.

The eye color for the Blue Dutch was voted on and passed. The vote was for the eye color to be "blue-gray". 107 voted for this color while 23 voted against.

The eye color for the Blue Dutch in that presented by the A.R.B.A. Standard Committee now reads: Eyes - blue-gray preferred, light brown acceptable.

NOTE* (I cannot find where brown eyes were ever acceptable in the Blue Dutch)!

I questioned our ARBA President, Dr. Terry Reed, regarding some changes that were made in the Dutch Standard. I sent a copy of this letter to Mr. Al Meier, ARBA Standard Committee Chairman. Mr. Meier sent an article for publication in the D.R. regarding the items mentioned. Although I feel that the stops are best described as "from the toes to a point one-third the length of the foot as measured to the heel of the foot", I will not expound on it being changed to "as measured to the point of the hock".

I do feel that the changes made in the brown-gray description and the blue eye color are not correct! Mr. Meier stated in his letter to me that, "as far as who is best qualified - I feel that breeder-judges (and we have those on the ARBA Standard Committee) are more qualified than the average Dutch breeder who does not breed grays or does not know enough about the rabbit anatomy to make a judgment".

I would like to make mention, at this point, that the majority of our membership did know what the proper color of the brown-gray Dutch should be. Many of us do not raise them as our "priority" color of Dutch, but we do raise a few. The brown-gray description submitted to the ARBA Standard Committee, I felt, was the best description we have ever had on this variety. Evidently, I do not know enough about it! I evidently have been mistaken in the proper color of the blue eye color. I always thought that a blue with brown eyes was disqualified. (At least they usually have been)! I can't find where brown eyes are permissible in the "English" standard!

In any case, the gray description has been completely gone over and our majority votes cast aside.

NOTE* In the steel-gray description, it states, "under portion of the tail, belly, and inside of hind legs to be as near as the body color as possible". Since the body color description calls for a dark uniform steel gray, are we supposed to raise these grays with as dark uniform steel gray as possible on the underside of tail, belly and inside the hind legs? Our grays have white or light cream in these areas!! Possibly I'm misreading the standard!

NOTE* Regarding the light straw color as described by the ARBA Standard Committee, here in Illinois, we have several different types of straw, each possessing a different color. Which one of these "straw" colors are we supposed to use according to the description?

I DO NOT regret that I have in my rabbitry, all of the wrong colors of gray,.....and NOT a blue with brown eyes!

Norma Hart

YOUTH NOTES by WILBUR WILLIAMSON

I want to remind all the Youth in the Achievement Contest that the deadline for these entries is March 31, 1985. Please send these entries to me at: Wilbur Williamson, P.O. Box 515, LaPorte, IN 46350. We are planning to have these entries judged as fairly and knowledgeably as possible.

For all the youth attending the NDS in York, Pennsylvania, we hope to have a little extra activity for you called the Quiz Bowl contest. All that will be needed for this is knowledge about the Dutch rabbit. There will be two groups. The Junior Division will be for Youth up to and including 13 years of age. The Senior Division will be for Youth 14-18 years of age. There will be a trophy for each division winner. Also for those attending the NDS in April, be sure to bring with you any display, poster or article telling about your rabbits from local fairs this past year. There are many different rabbit programs at these local or county fairs and we would be pleased to have you share your rabbit project with the Dutch Club membership.

YOUTH

YOUTH

YOUTH

ARE YOU LISTENING?

York, PA - That's where it's AT!!!

Two NEW Youth Programs

- 1) QUIZ BOWL - Two People Teams will be selected from the draw of the hat, giving you a chance to meet new Dutch breeders. The teams will be asked to answer questions about Dutch from the Standard of Perfection. Also general information will be asked (such as eliminations & disqualifications, cow hocks, rabbit types, etc.) Awards will be presented to Sr. & Jr. teams.
- 2) EDUCATIONAL TABLE - Show off your rabbit related projects or create a special one for the National Dutch Show. Suggestions are notebooks, posters, Vet. Science projects or articles that you have made which incorporate rabbits into them.

DON'T forget the ACHIEVEMENT CONTEST forms are DUE - MARCH 31st, 1985.

1985 NATIONAL DUTCH SHOW

YORK, PENNSYLVANIA

62nd. A.R.B.A. CONVENTION AND SHOW

SPONSORED BY

DOME CITY RABBIT SHOWS, INC.

HOUSTON, TEXAS

Dear Speciality Club Secretary,

It won't be long and another ARBA Convention and Show will be here. This year it will be back in Houston, Tx. For those of you that attended the '77 Convention it will be time to renew old friendships with some of the people in the Houston area and maybe visit a few of the same places or new attractions here in Texas.

This years show promises to be the largest ever and everyone here in Texas is working to make it a show to remember. So if you have never attended a Convention this is the year to start. Believe me if you attend the 62nd ARBA Show you won't want to miss another. As for those of you that are already hooked on ARBA Convention Shows, plan on bringing your Boots and Hats, as Texas hospitality will be at it's best between Oct. 28-31, at the Astro Dome Complex, the states No. 1 Livestock Exhibition Facility.

It's been about 8 years since Texas held an ARBA Convention and many of the breeders in this part of the country have never attended a Convention. We have a large number of new breeders hoping to buy breeding stock at the show, so it should be another excellent show to buy and sell top quality breeding and show stock. We have cooping for 10,000 animals and would be very happy to have to use all the coops. We are planning on having the entire show single tier, so the animals can be displayed in a manner mor becoming a National Convention.

The headquarters hotel is across the street from the show facilities. The headquarters rates are \$52.00 Astro Lodge and \$58.00 Astro Village, for single or double occupancy, and children under 18 are free. All rooms are large with 2 double beds.

There are 7 restaurants in the Astro Village Hotel Complex and also swimming pool and sauna. I have talked to some of the other motels in the area and prices range from \$40.00 to \$150.00. The room rates at the Astro Village are usually \$90.00 to \$100.00, so you can see they are giving us very good convention prices and remember if you stay at Astro Village, parking is free and they have a shuttle to take you to the door of the show room, also most of the banquets and meeting will be held at Astro Village. Parking at the showroom will be \$3.00 each time you go in, so in the long run, the best place to stay at the 62nd Convention will be Astro Village. We are also trying to work up some specials discounts on tours and banquets for those staying at Astro Village. More on this latter in the catalog.

*General Chairman
Mark Miller*

OCTOBER 28th. — 31st. , 1985

62nd. A.R.B.A. CONVENTION AND SHOW

SPONSORED BY
DOME CITY RABBIT SHOWS, INC. HOUSTON, TEXAS

Dear Advertiser:

Dome City Rabbit Shows, Inc. will present the 62nd American Rabbit Breeders Assn. annual Convention and Show, at the Astro-Domain Facilities, in Houston, Texas, Oct. 28 - 31, 1985.

Two years of hard work will culminate with a show that, with all indications, will be the largest in A.R.B.A. history. Our convention committees are starting to put together the best possible convention, but this can only be done with your help and support. Our convention catalog will be full of information, one that will be saved as a memento of the "Greatest Show on Earth". Your ad will be seen by thousands and an ad of one-half page or more will be acknowledged by a letter of appreciation and thanks, as well as a complimentary catalog.

Of course, we have deadlines, and we want to do an excellent job on your ad, so please, sit down and send us your check along with your ad copy and we will do the rest.

Remember, any size ad will help and is greatly appreciated.

Send all ad copy and payment to: Rick Schleider, Rt.#1, Box 1340, Pearland, Tx.77584

-----*-----*-----*-----*-----*-----*-----*-----*-----*
Following are two letters received by Norma Hart from Lester and Louise Johnson. On behalf of the ADRC we wish Lester and Louise our best for the future and extend our thanks for producing some first rate Dutch rabbits!

Dear Norma,

Hello to you and yours. Hope this finds you well. We seem to be getting along. You will note we are returning our membership cards, but do not be alarmed. We have no quarrel with any one and will always remember the Dutch people as our best of friends. But we have decided to give our time, money, and efforts to our church and working for the Lord and we feel that we should not be free riders.

We still have a few Dutch and probably always will have. But to be active and show, which is usually on Sunday, we do have to make a choice.

We only hope that all will understand, and say again we love you all and carry no ill will to anyone. But just to make a clean sweep, we have also dropped our ARBA, Californian and New Zealand cards. We will always remember you for your untiring efforts for the Dutch Reporter.

Sincerely,
Lester and Louise Johnson

Dear Norma,

Good morning today. Hoping this finds you well and busy. Louise works her eight hours, then is busy baking cookies, peppernuts and other things.

We think too, it would be nice and proper to put our letter in the Dutch Reporter. Then all will know our feelings and that we will always have a warm friendship to the many fine friends we made thru the Dutch club. Our home will always be open to any who may pass this way.

We are having a little Winter now-have had two snows and eight degrees yesterday.

Still have a few Blacks and Grays, but lost a nice litter of five that were a week old. Why we never seem to know.

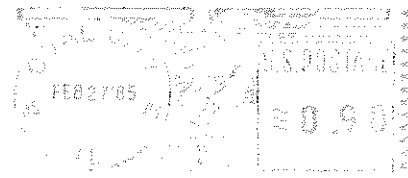

Often think of Scott and his new job in California and our good friends Tom Shufflebotham, Walter and Anna Cook and Pat Herman for his considerate and humble ways. Many, many others will always be remembered in our prayers.

Sincerely,
Les and Louise

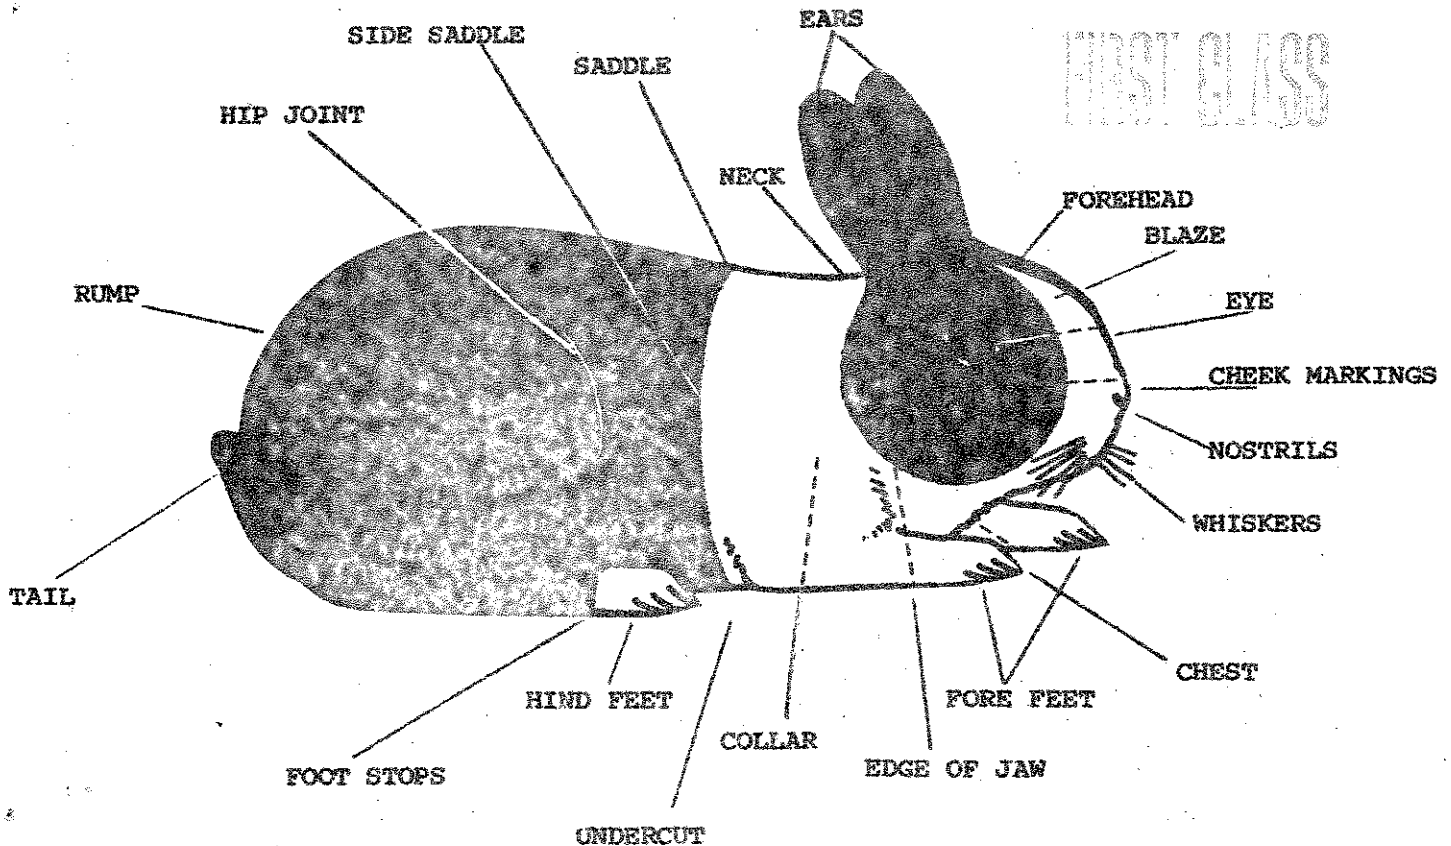

THE AMERICAN DUTCH RABBIT CLUB, INC.

NORMA HART

COAL CITY, IL. 60416

TYPE

TO BE COBBY IN TYPE, COMPACT IN FORM AND LIMB. GOOD DUTCH TYPE CONSISTS OF A NICELY ROUNDED BACK, BEGINNING ALMOST IMMEDIATELY BEHIND THE HEAD AND PROGRESSING OVER THE SHOULDERS, LOIN AND RUMP TO TAIL. SHOULDERS SHOULD BE ROUNDED AND SLIGHTLY NARROWER AND LOWER THAN HIPS. RIB SPREAD SHOULD BE SO THAT THE SIDE LINES CARRY STRAIGHT THROUGH FROM THE SHOULDERS TO THE HIPS. A GOOD DUTCH SHOULD HAVE NICELY ROUNDED HIPS, VERY SMOOTH, ROUNDED UNDER VERY GRADUALLY AND SMOOTHLY. THE DUTCH SHOULD RETAIN THE COBBY, STOCKY APPEARANCE WHETHER IT WEIGHS 3½ POUNDS OR 5½ POUNDS.

WEIGHT AND CONDITION

IDEAL WEIGHT - SENIOR BUCKS AND DOES, 4½ POUNDS. REGISTRATION WEIGHT - SENIOR BUCKS AND DOES, OVER 6 MONTHS OF AGE, 3½ TO 5½ POUNDS. FLESH FIRM AND SOLID, SKIN TO BE TIGHTLY DRAWN OVER THE FLESH, MAKING THE COAT TIGHT AND HARD TO GRASP.
