President's MESSAGE

This is my first article as President of the ADRC. They won't be all as lengthy as this one, but I have several things that I want to mention.

We had two vacant Board seats in District 1 that have been filled. The Board has approved my appointments of Martin Preede of New Jersey, to fill the vacant three year term, and Todd Uran of Ohio, to serve the last year of my term. The board has also approved the appointments to the new Standards Committee. They are Eric Mixdorf, Chairman; Erik Bengtson; Ray Brewer; Sue Peters; and Martin Preede. Other committees will be filled as they are needed.

In my monthly communication to the Board, I stressed a couple of goals for the ADRC. The first is to see the membership grow. We have been at about the same number of members for many years. We have many new members each year, but many of our first year members do not renew. What can we do to keep some of those who are not renewing? Why doesn't a member renew? Did they join when they first bought a Dutch and they haven't had any luck raising good ones? OR, did someone sell them poor stock? The reasons could be many.

What can you do to help the new member-breeder?

1. Sell only stock that you would use in your herd. If you would never use it, why would a new breeder want it?
2. Offer to give new breeders a good animal or two. This can only help you in the long run, and it helps them get a good start without investing a lot of money.
3. Give advice. Keep it simple. Listen to what their problem is, and help them find an answer.
4. Don't be afraid to discourage a breeder from buying Dutch from someone who doesn't have a reputation for selling good stock. This may mean the difference between that breeder having Dutch for a year or a lifetime.

The board is working on some ideas to help member retention as well. We will

keep you posted of anything that we decide to try. If you have any ideas, contact a director, or myself.

I would also like to see more informational articles on breeding Dutch in the DR. The only way that we can accomplish this is to have some of you write some articles. I try to write one for each issue, but sometimes I figure you are tired of hearing from me. Write your article, and if it is good, it will be in the DR. If it is not good, and doesn't make print, try writing another. Your first litter of Dutch wasn't your best, so your first article may not be either. Try writing one, you may surprise yourself.

This issue is a bit larger than most. It not only contains an updated membership list, but it has all of the proposed changes to the ADRC Constitution and BY-LAWS. Please review them.

We are planning on having four judges for open class at this year's NDS. This will make more work for those running the show, but it should allow us to finish and rest a bit before the banquet. We are using the proceeds from last year's show towards this year's NDS. We will be happy if we break even, but we won't be upset if we don't. Our goal is again to pay back the \$500 that the ADRC gives us for sponsoring the show. We will be having the AOV class again this year, so keep those nice oddballs.

The last issue, I mentioned the idea of having the youth members vote. The only feedback I have heard on this was that we could allow youth to vote if they had carried a continuous vote for two or three years. I would add that we would still have a minimum age of 13 or 14. What other ideas do you have on the youth being eligible to vote. See you in Greenville!

Kevin Hooper

Vice- President's MESSAGE

Hello again everybody, A new year and a new group of club officers. I would like to welcome everyone aboard and success in their new endeavors. Also a late congratulations to the winners in Peoria. That was some great convention and a really enjoyable time.

I hope this year also brings bids of the all Dutch Show. It is not small thing putting on one of those shows. And requires sacrifices from individuals so that the majority can enjoy themselves. Those individuals earn high praise in my estimation. Also not to be forgotten are the work the breed chairpersons at the ARBA conventions. Especially the great job done by those in Peoria in open and youth. And the hours that Julie Billups put in at our booth does not go overlooked.

Have had the chance to surf the web the last few weeks. There are several chat rooms and web sights on rabbits. The disappointing part that I have found is the lack of Dutch breeders on the sites. Wouldn't it be nice to have our club have a chat room somewhere maybe one day each month or so? The sites seem to be mainly made up of angora, lop, and dwarf people. By the way the hot topic seems to be limiting the entries at the ARBA conventions. Some people have put forward the idea you must first qualify at local shows to exhibit. I think personally that is one dumb idea. You will see soon changes taking place to limit the entries on a more permanent basis. That is something that they will be forced to do to have enough cooping for everyone. There was one lady at a past convention that brought 20 Sr. REWDwarf bucks. Entries like that are helping to cause the current problem, and will be one of the reasons for a change.

The best to everyone,

Wayne MacKinnon
Taunton, MA
Ptvn@aol.com

Sec/Treas MESSAGE

Hello! We just passed February 2nd and here in Minnesota, Lewistonie Bill, the black Dutch, came out of his snow burrow and didn't see his shadow and so spring is on the way. Good job Bill! You just can't keep a good Dutch down forever.

As promised, this DR contains the resolutions. I think when we started all this we had 15 of them, however when preparing them for inclusion in this issue, I discovered that we had duplicated one, so we in actuality have 14. Please look them over very carefully, you will be asked to vote on them later on this year. If you have any questions, I would suggest that you contact your director.

We try to be as member friendly as we can be, but I must call your attention to membership dues. On page 13 of the ADRC Guidebook, Article 1 - Dues, it says that you have 60 days to renew your membership. You may renew after the 60 day period and ask that your membership be backdated, but that anytime beyond the 60 days and **YOU LOSE ALL SWEEP-STAKES POINTS** accumulated before the expiration date. In fairness to ALL of

our members we must enforce this rule. I spend extra time hi-lighting your expiration dates on the DR labels if they will lapse before the next DR, and when time permits do send notices of lapses. I have asked Jeff Andrews to keep his eyes open and let me know if someone is on the top 20 list who is past renewal time, but we aren't running a pre school and you and only you are responsible for maintaining your membership.

I spoke with Dawn Schwartz the other day and we decided that she would bring the unclaimed 1996 Convention Award plates along to Greenville in May, rather than spend the large amount of money that it would cost to mail them. If you are waiting for your award, please arrange for its collection at the NDS. Thanks.

Start saving "Proof of Purchase" labels from Purina feeds. No, I'm not advocating that everyone start feeding Purina feed, but if you or someone you know already does feed it, the labels are worth 1 cent per pound, or 50 cents for a label from a 50 pound bag of "Advanced Nutrition" Purina feed. You may send them to me (Doreen), or give them to me at the National Dutch Show, or ARBA Convention, and I will gather them and send them in periodically. These funds will become the base for our ADRC scholarship fund.

As you may notice from the financial statement, the ADRC is doing quite well financially. We must thank the many members who have included the \$3. sur charge with their renewals, the Upper Midwest Dutch Rabbit Club and the Ohio State Dutch Club who have returned money to the ADRC from their National Dutch Shows, and the many other members who have given so generously to the ADRC. The ADRC is richer in the people who care than in dollars. Thanks.

It is not to early to begin thinking about the next ADRC Guidebook. If I remember right, the last issue was 3-4 years in the works, and the next one is probably due just after the turn of the century. It should probably coincide with the ARBA Standards. The last GB ran \$1.24, it wouldn't surprise me to see the next in the neighborhood or \$2.00. That would put at \$5,000. bite in our contingency fund.

I hope to see many of you at the NDS. Have a great spring, we've earned it!!!!

Doreen Bengtson
Lewiston, Minnesota
DOREEN@SELCO.LIB.MN.US

DISTRICT TWO NEWS

NEWS FROM SHARON

Just wondering when the weather will make up its mind what it's doing. 40 degrees one day and below zero the next. About once a month our yard turns white. Then it all melts again just in time for the guy to haul away our manure.

I was reading an old article of Fran's and in answer to her questions, we see many double Dutch shows in this area and the average entry fee per rabbit is \$2.00

We haven't been getting many rabbits bred lately. We seemed to have a problem with our feed. The rabbits got quite thin and were extra hungry, but are doing much better on the higher protein feed they are on now.

I'm really looking forward to the show in Minnesota at the end of January. Hopefully the weather will let us go to this one this year. We have a breeder in Minnesota still missing a rabbit from the ARBA

(continued on next page)

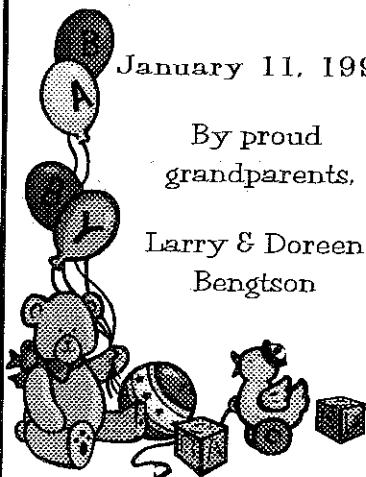

Welcome to the next

Convention. It is certainly a shame that someone would deliberately take someone else's rabbit that they have worked hard and were lucky enough to raise. I would think by now someone would have noticed they had the wrong rabbit in their cage. I wonder if they know that the breeder's membership was due in November and he almost didn't renew because of this loss.

The rabbit of the year and the breeder of the year guidelines are almost complete and should be ready for this summer. I'm hoping we can award these this Fall. You might want to start making copies of any legs sent in for Grand Champion certificates as you might need these for that great rabbit you will want to nominate.

I hope everyone has some juniors to show this Spring.

Sharon Mixdorf
Waterloo, Iowa

NEWS FROM RICK

I find myself writing this first directors report as Julie and I enjoy the warmth of the fireplace on a cold January night. A personal thank you to all of you who voted me into office, my plan is to help this club prepare for the future. I feel a director should use the Dutch Reporter to keep other members informed as to upcoming events and other news in their respective area as well as encouraging members to submit articles for publishing. In order for me to know what is happening in the surrounding states of AL, AR, KY, LA, MS and MO, I would like to establish a line of communication for those members in these states. If one member could volunteer 10-15 minutes of their time every other month, I would like to have a report from each of the mentioned states. If you have some interest in helping the club, please drop me a line either in the mail, on American on Line at jrldutch@aol.com or call me collect. This is the same type of network format that the ARBA uses with their directors. Due to the cost of the Dutch Reporter and the limited space available, I would like to keep all information brief but to the point.

The 1997 National Dutch Show will be held in Greenville, Ohio May 2nd - 4th, please help support the show in anyway

possible. The Ohio State Dutch Rabbit Club would like to return the \$500.00 received from the ADRC to host this prestigious show, but will need your support to do this. The Ohio group is putting the profit made from last years national into this one, with the goal of breaking even after paying back the ADRC. Look for additional National Dutch Show information in this issue and get your catalog request into Julie Billups.

Rick Billups
Goodlettsville, TN

NEWS FROM RICHARD

My apologies for not having anything in the past few Dutch Reporters.

The reason is actually two-fold. One is that with the ARBA National Convention, I was extremely busy concentrating on it all of last year. We are just now getting caught up on the finishing touches, and hopefully we will be back to the normal routine before too long.

The second reason I have not submitted anything for the Dutch Reporter is that I have been very disappointed with the way the "sur-charge" on the dues has been handled by the ADRC Board. I questioned the other Board members sometime ago about this issue, and have no knowledge of it being addressed. My disappointment has left me with little desire to write anything. If an issue of this nature is not important enough to receive any attention, I guess I wouldn't have any subject that is.

Everyone knows I am not opposed to a dues increase, or anything else, as long as it is done following the proper procedures. As there is a resolution being submitted to be voted on by the ADRC membership addressing the dues, and change them according to the Constitution and By-Laws, I feel advertising the dues with the increase is not appropriate. As I stated in a prior article, a note could have been added that a voluntary contribution by members would be appreciated, or something of that nature. But to advertise

the dues including the sur-charge, then print in small print that the fees included a voluntary sur-charge is misleading and out of order. Yes, the intention may be for the betterment of the ADRC, but the manner in which it is being done is inappropriate, in my opinion. Is it necessary to continue this practice with a club treasury that shows in excess of \$10,000.00 until it is initiated properly according to the Constitution and By-Laws? I am sure the additional \$3.00 that has been included in many memberships is a part of the \$10,000.00+, however at the Peoria Convention Doreen reported that there was 802 ADRC members. If each of these would have paid the additional \$3.00 that would only account for \$2,400.00. Enough of that subject.

The 1996 ARBA Convention is felt to have been a successful event, and the Dutch had a very good showing. We wish to thank Jan Coffelt for filling in as a judge when Al Butler was unable to perform the duties due to health problems. We hope Al is recovering quickly and look forward to seeing him out and about in the future.

Jan and Mike D'Amico did a fine job judging, and they picked some very classy rabbits. The Best of Breed was indeed an excellent representation of the breed, as were all of the winners. Hopefully the 1997 National Dutch Show will duplicate the quality. I know the show will be successful, as the Ohio group is very experienced in sponsoring top shelf events. I hope everyone will recognize the talents of Jan and Mike when considering judges for future shows.

As Spring is just around the corner as I write this, I am hoping to see many fine Dutch at the shows which will be coming up. It is my opinion that attention needs to be addressed to the problem of cow hocks. This is a very difficult fault to correct in a herd, but none the less needs to be done. Many other breeds similar to the Dutch in body conformation and size are without this problem, so we should be able to present animals lacking this fault also. With dedication, the problem can be overcome.

(continued next page)

I also would like to see a bit more substance to the Dutch breed. There are many fine animals shown as juniors that barely (if at all) make the required senior weight. Although these animals present good competition while they are juniors, they rarely seem to be advantageous to the breed as reproducers.

I wish every ADRC member a successful 1997, and hope to see you at some of the future shows.

Richard Gehr
Coal City, IL

D ISTRIC THREE NEWS

NEWS FROM FRAN

The weather seems to be the major topic of conversation here right now — California has had extensive flooding in major “rabbit breeder” territory, but, so far, it seems as if everyone has been able to evacuate without losing any stock. Just as we were all breathing a sigh of relief that the flood threat had passed, a “big chill” hit in the teens with wind chill factor into the minus figures, freezing our automatic watering system in the rabbit barn. This is California — it’s supposed to be warm! There is nothing like having to get u extra early before work get water to as many animals as you can without being late for work. I don’t know how all of you in the “frozen” states manage.

In other California news, the California Dutch Rabbit Club has announced its 1996 sweepstakes winners as follows: 1st: Jim & Fran Schettler, 2nd: John Eubank, 3rd: Julie Toth, 4th: Jill Dobson, 5th: Bryan Puente. Top youth: Julie Toth.

The California Dutch Rabbit Club held its Annual All Dutch Show in Tulare with 105 Dutch entered, and John Eubank took Best of Breed with a blue junior buck and Bryan Puente took Best Opposite with a steel senior doe. Glen Carr was the judge. At the annual meeting, interest was expressed in continuing to pursue a National Dutch Show in Reno in the year 2000, which is the 50 year anniversary of

the California Dutch Rabbit Club.

In news in Kansas, Briony Barnes (who is now officially a Registrar) has won Queen in the KSRBA royalty, and was also the District winner and national finalist in Management, as well as winning 1st in senior breed I.D. and 3rd in senior judging. Kelly O’Brien won the national finalist title. John Gardner was 2nd runner up Duke, was 1st in intermediate I.D., and placed in the National Education Contest. Emily Hederstedt was 1st in Senior Showmanship and was a state sweepstakes winner. Nicole Hergert was 2nd runner up Lady. Alan Kennedy was 1st runner-up King.

The Kansas State Convention saw the Colborn’s winning Best of Breed and Best 4 Class with a brown gray Dutch. Earl and Terese Bogart took Best Opposite. In the youth, Best Opposite was won by Emily Hederstedt with a blue. In the Dutch specialty, Earl and Terese Bogart won Best with a blue and Marvin and Majorie Cole was Best Opposite with a black. Emily Hederstedt won Best and Best Opposite in the youth with blues.

Briony reports that she is now seeing much more emphasis on type than there was, and she is seeing lots of nice Dutch, with condition frequently being the determining factor between the top winners.

Thanks to Clarice from Washington, I received a copy of the Northwest Dutch Rabbit Club News. Apparently over 150 Dutch were entered in the Dutch specialty show last November. I’m real impressed with those kind of numbers — wow! NWDRC is planning o having 3 open and 1 youth Dutch shows a year and it sounds as if that club is really moving! Their newsletter reports that most of their entries are coming from the Puget Sound and British Columbia areas, but they are trying to get more members from all over. Contact Mike Cleavenger, secretary, at 16841 - 121st Ave. SE, Renton, WA 98058, for more information about this club.

I certainly hope that if the California Dutch Rabbit Club hosts an NDS in Reno that these NWDRC people would support it with their attendance. **I’d be very interested in hearing some feedback from these Washington/Canada folks about this point.** As anyone who has hosted an NDS can tell you, attendance figures are all important to help defray fixed costs, which we anticipate will be very high in the Reno area. Out ability to put on a show there may very well boil down to this questions of anticipated attendance, so, NWDRC folks, if you’d like to see a NDS in Reno, let me know as soon as possible!

Fran Schettler
Danville, California
FSchettler@hcnc.com (work)

Dear Ms. Bengtson,

I have just received a new membership card for my mother, Floy Ann Cooper. it is my sad task to inform you of her passing, on August 31, 1996. She had a very sudden heart attack and went to be with the Lord very quickly.

My mother and father raised Dutch rabbits for many years and were very active in the rabbit club. After my Father passed on in 1978, my mother remained active in the club and was a life member. She was also a member of the ARBA and the Michigan Rabbits Breeders Association.

Mom had a lot of good friends and a lot of fond memories of the ADRC and she was always glad to receive her publication so she could keep up with what was going on.

Sincerely,

Alden L. Cooper

GREAT LAKES WINTER BREEDING

Here we are in the arms of a winter storm. We pull on "polartex" hats, wool gloves, snowmobile suits and barn boots just to do the chores. The wind chill is -22, with the wind off beautiful Lake Huron. My red cheeks and stiff fingers are screaming to go in, but a breeding we will go. Why? The Dutch ears appear shorter when they develop in cold temperatures and the coat of fur seems to get a better chance to develop thick and glossy.

We feed whole oats, rolled barley, alfalfa, and rabbit feed in the winter. The protein in these ingredients may actually help develop great fur. In our climate the extra calories from added fat probably helps fur develop as well as helping to keep the rabbit warm. We have also tried calf manna, black sunflower seeds, cookie meal (a dairy cow feed additive), sun flower oil (cooking kind) and canola oil.

The singing we do during breeding does not always result in a songfull next box of pudgy kits, because you have to watch the weather. One year got a Farmer's Almanac to plan ahead for breeding dates. Roger

Eich (Iowa) told me about this. The temperature has to increase by 10 degrees for the buck to be fertile. If I go out and do chores the temperature is 22 degrees I can come in early, because we won't breed that day. The next day if the temperature rises to 34, the bucks will tell you by their active behavior in their cages that it is time to breed. The Farmer's Almanac for tells weather patterns and temperature forecasts. Based on statistics for a whole year in advance, you could plan on breeding according to this handy book, even if it is winter.

Now the work really begins. Our rabbits are outdoors and having kits in the winter frozen to the wire is probably why many have a barn or nursery with heat. We don't have that luxury. One week before the doe is due, she comes in our house basement and is put into an extra large two hole cage. After four weeks they go into our garage and they stay there for another four weeks. After that they go to our outdoor pens. This is our winter juggling, I mean breeding experience.

So a breeding we will go. Forget about the snow, High Ho, its kits we want—a breeding we will go.

GET WELL MESSAGE

Roger Eich has been having a difficult time of it this winter. His health is poor and he is going through chemotherapy. His diabetes has been acting up too. Those of you who have been raising Dutch for some time, should all know Roger. Roger said he wants to hold out for two for years, as that would be his 50th year of raising Dutch. How about sending a little cheer his way? Cards can be sent to:

TERRI BULLIS
California Dutch Breeder

I acquired my first Dutch rabbits about 13-14 years ago, when I picked up two from a young lady in my neighborhood who was raising Dutch for 4-H. She gave me two of her mis-marks to sell to the pet stores. At the time I couldn't see a thing wrong with them. Soon after having the bunnies I had an itch to get into the rabbit show world. I had trained and shown dogs in obedience and had become disenchanted with the doggie show world, but I still had the desire to show animals competitively. Off I went to find show rabbits. I found an ad in the paper for show quality Netherland Dwarfs. Unfortunately for me the breeder selling out her stock had few left and it took me a year to get the papers on the animals. In that time I had come across a few ARBA rabbit shows in the area. I tried my hand at showing Netherlands but didn't have much success. I decided to stick to Dutch. My first show quality Dutch I acquired at the convention in Portland, OR in 1987. I was lucky enough to come across Jack Wireman of Ohio. He sold me my first pair of chocolate Dutch. The buck was in my barn for 5 years and was the stud to many of my first successes in Dutch breeding.

At this time I raise Blacks, Blues,

Chocolates and most recently Tort. Chocolates are my favorite. I've had a lot of help improving my herd from Mark Pecaric, Wayne MacKinnon and Tony Micallef. To get really good deep chocolate color it takes two things: Good Breeding stock for dark color genetics and, keeping the rabbits as cool as possible in the summer months. I have been accused of feeding my Chocolate Dutch fog to keep their nice color.

I live in South San Francisco 7-8 miles from the coast. My husband Gary is very supportive of my hobby. He helps feed, water and clean my animals and very often comes to rabbit shows. He is great! I have two beautiful little girls Megan and Melissa ages 8 & 10. Those of you who know me may have never seen my girls. Well the rabbit showing is Momma's way to get out and enjoy herself outside the home.

One of the questions asked on the breeder's profile is, "What needs to be done to improve our breed? Our club? The Dutch rabbit is one of the finest of all show rabbits bar none. Yet if I could change anything it would definitely be to have more judge's seminars on the Dutch rabbit and encourage the ARBA to have continuing education classes for judges. It is very frustrating to me to go to these shows where your have money invested in

the entry fees and travel expenses, to have one judge say one thing about your rabbits and the next say totally the opposite. I know that it is an opinion and yet how can your rabbits become increasingly better when there is very little continuity in what the judges are looking for? Just think of the newcomer. In California the competition is tough. Some of the top breeders in the Nation are here, so you have to hit as many shows as you can to be able to make it on the sweepstakes list Nationally and to get up to the top 10 in California.

I'd also like to see the Grey and Steel varieties bred to a workable standard color that is can be judged. I mean, where it is a recognizable color judges are not afraid to comment on. I am working with two California Dutch breeders on creating the "Standard" steel color.

In closing, I'd like to say that my experience as a Dutch breeder has been a very enjoyable one. Dutch breeders are a great group of people. I've made lots of friends from all around the county over the years and enjoy meeting new people at the conventions.

With Best of Breed Wishes,

Terri Bullis
S. San Francisco, CA

MEET YOUR ADRC DIRECTOR. UP CLOSE AND PERSONAL

Rick A Billups

In the fall of 1978, my brother and I purchased our first rabbits, two crossbreed does of Checkered Giant and Belgian Hare mix. We bred both does to a NZW buck borrowed from a neighbor across the hill and came up with our first "Dutch" marked rabbit that eventually weighed 10lbs. Our first breeding stock of Dutch was purchased from Andy & Sophie Barton at the Ohio State Fair in the summer of 1979, a pair of blacks and chocolates. During the spring of 1981, we made a trip down to Tennessee and had the opportunity to meet Mickey and Mae Watters who then introduced us to Lowell and Wilba Dean Jones. Lowell quickly got us started into Torts and working on ways of improving our overall body type of the herd. In 1983 one of our Torts won BOB at the ARBA Convention in Colorado Springs and was given to Lowell Simonson and Dale Zentner. The second biggest win during my early years as a Dutch fancier was BOS at the 1985 NDS in York, PA with a blue doe. I briefly served on the ADRC Board of Directors during the mid 1980's before getting out of Dutch between 1987-1990.

After completing college, I was hired by Loveland Pet Products and was soon moving from West Virginia to the Cleveland, Ohio area. During the fall of 1990 I picked up a young black doe from Jack Wireman at a local show and she was my roommate until the spring of 1991. At the 1991 NDS in Wellington, Ohio I purchased a buck from Sue Peters and had Larry Nixon keep him until I could move out of my apartment and into the country. Julie and I were married on September 21, 1991, she had to inherit the rabbits

and all the crazy friends that go with them. A big help in getting me started over again and back on the show tables has been the never ending support and friendship from Kevin Hooper. Julie and I took over the Publicity Department at the same time we were asked to move to Tennessee in the beginning of 1995. Even though we find ourselves hundreds of miles away from Ohio, we still try to stay active in the Ohio State Dutch Rabbit Club and support a few of their shows every year.

We currently raise five of the six recognized varieties of Dutch and a few non-recognized ones along with a few English Spots. Over the past 19 years I have raised or tried to raise eleven different breeds but the one that will always be in my barn is the Dutch. My goal is to win a NDS and an ARBA Convention within the next 5 years and to see our club continue growing upward.

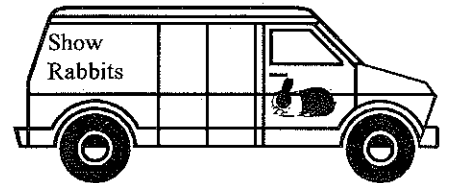

NICE LOOKING BLACKS by Kevin Hooper

I was recently asked what I do to get my blacks to look so good. Well, the secret is many hours of grooming, polishing, and using special feeds to get them in shape, and anyone who knows me knows that that is bull. It is in the breeding.

Yes, I will try to give them some extra attention before the NDS or ARBA Convention. I may even use a little late season alfalfa if the animal could use a bit more condition (fat). I feed only rabbit pellets, no conditioners.

My latest blacks have a relative that helped them greatly. My Tort buck that I won with in Peoria, was bred to a black doe in the fall of '94. This was the first introduction of a tort into my blacks. The young from this cross, which carried tort, were then bred to

Looking for a top notch Dutch to add to your herd? Check out the ads FIRST in the Dutch Reporter!!

my other blacks. Offspring from this breeding are test bred to a tort to determine if they carry the tort gene. If they don't produce any tort out of a litter of 6-7, then they don't carry tort. They would then be a normal black.

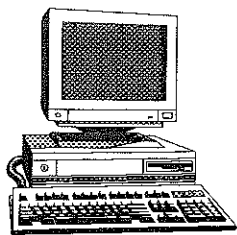

The reasons for this first cross were many. Rick Billups had told me that when he was raising Dutch in the early eighties, their best blacks came from their torts. Also I figured that the tort with good fur and color would improve the depth of color on the blacks. The tort has color that goes clear to the skin. If you can get the blacks to come close to this, then the color should be more of a deep black color. My tort bucks had other excellent features as well.

Only a few of my blacks have tort in them. It is important if you make a color cross such as this to test breed the third generation to determine what color they carry and then cull accordingly. This will prevent the production of unwanted colors.

I have no secrets. I simply breed for body, fur, color, and markings, in that order. I keep only animals that show good balance.

FROM THE E MAILBAG

Hello,

I am Myron Millman in Kewanee IL, I've been showing Dutch for a few years and finally decided to join the American Dutch RC while talking with some club members at the ARBA convention in Peoria.

I talked my buddy Mike Rose from Galva IL into joining too, next I'll get my niece, Amy Nyert (Kewanee, IL) to join, even if I have to pay her dues myself. Mike, Amy and myself raise our Dutch together, freely sharing the same bucks for breeding and exchanging does without exchanging money, our rabbits are all the same blood. Mike doesn't show as often, but when he does, he does real well, check the Davenport Iowa results from a month or two ago, he only brought three rabbits.

Amy has been showing in youth for 11 years and has had some nice wins over the years. Mike and myself have had Dutch for many years too.

Amy just turned 19 in November, so she is no longer in youth. Now tall three of us will be showing against each other. That should be interesting, and fun.

I just got my first issue of the Dutch

Reporter, and saw a few places that I could have had my name mentioned. I had a BIS with a black Dutch buck at Henry Co, IL., June 96, and I've had some other wins too. I did get my name in there for 7th place sr black bucks at ARBA conv.

Well, I just read your contribution to the Dutch Reporter and thought I'd send an e-mail to say hello. I'm happy to be in the club!!

Myron Millman
mmillman@gte.net

Hi Julia!

I'm sure that you have heard about the recent floods here in sunny California. We continue to get extensive rains—we had seven inches over this last weekend! I still haven't heard of any rabbit breeders actually losing stock, but I know some have had to evacuate for varying periods of time.

It might be nice to show some published support in the DR along the lines of "if any Dutch breeder has been negatively impacted by the recent floods in California, many local California Dutch breeders would like to help in whatever way possible. Please contact Fran Schettler of the California Dutch Rabbit Club at 305 Romae Court, Danville, CA 94526 for assistance in obtaining new stock at reduced prices."

Fran Schettler
FSchettler@hcnc.com
(work address)

A BIG WIN IN FLORIDA

On December 7, 1996 there were 523 rabbits entered by 60 exhibitors in a show in Deland Florida. Awards were given for Best 6 Class, Best 4 Class and Best in Show. At the end of the best of breeds selected, our jr. Californian doe won Best 6 Class. Our jr. black Dutch buck ("Knockout") won Best 4 Class. "Knockout" was picked Best in Show over the Californian judged by David Somers and Rusty Westoff. This was a show A.

My friends informed me I would perhaps take Best in Show in Show B, the same day, as I won best Dutch (46 entered) and best Californian in show B. However the hour was getting late and I do not like to drive in the dark, so I left before the Best in Show judging in show B took place.

My brother Robert Grabenbauer is superintendent of the fairgrounds in Cambridge, Minnesota. They hold rabbit shows there. Please contact him, if you are looking for a place to hold a show in that area.

Sincerely,

Dale Grabenbauer
Sebastian, Florida

....our future stars

COVER STORY
A VERY SPECIAL
YOUNG LADY

My name is Stephanie McMurray. I am nine years old and a member of the Highland County Rabbits 4-H Club. This year my wins have included: Best of Breed in our Jr. Fair Show with my Brown Grey Sr. Buck. Best of Breed Dutch in the Open Show with my Black Jr. Doe at the 1996 Highland County Fair. Best of Variety with my Brown Grey Jr. Buck at the 1996 Ohio State Fair Jr. Show. Best of Breed at the Portsmouth Fall show, with my Brown Grey Jr. Doe. Best of Breed at the Lancaster Fall Show with my Steel Sr. Doe.

I have been showing Dutch with my mom for several years. I would like to thank all the people who helped us out when my mom was going through treatment for cancer. Last year we had to get rid of most of our stock. I was able to keep a few in our basement. I would like to say thank you to Paula Shaw, for letting me acquire good foundation stock to start over again, Mike Leach for helping to feed them, and being there to help when my mom needed it. Also, thank you to members of the Ohio State Dutch Club for their support. And a very special thank you to my mom who is my 4-H advisor, for teaching and showing me how to show & care for my Dutch rabbits.

You can't beat the Dutch or the Dutch people. Thank you to everyone, without all of your help I could not have won four Best of Breeds in a row.

Stephanie McMurray

FRIDAY MAY 2ND AT 9 PM

meet in the hotel lobby of the Greenville Inn

JESSICA GITTLEMAN

Hello. My name is Jessi Gittleman and I am 14 years old. Needless to say, I raise Dutch rabbits. I became interested in rabbits when I was in the 1st grade, where we had a rabbit as a classroom pet. My love of animals, particularly rabbits, began there in that classroom. Of course, shortly after a summer of "baby sitting" the class pet, my mother bought me a bunny. Joining 4-H led me to raising and showing rabbits. I dabbled in Netherland Dwarfs and Mini Lops, but soon I became frustrated as everyone had those breeds. I wanted to see other breeds of rabbits and, that was how my mother and I came to look at Dutch at the Easter Dutch Rabbit Show back in 1992. I knew as soon as I saw them that they were the breed that I wanted to raise and show. I wanted to know all that I could about the Dutch and that was how I met the late Carl Decker Jr. and Wayne MacKinnon. It was Mr. Decker and Mr. MacKinnon who took the time and energy to talk to me about Dutch, carefully explaining every answer to my ever so many questions. I fell in love with a little black junior buck that Mr. MacKinnon had. When Mr. MacKinnon said that I could have him, it was one of the happiest moments of my life. I promptly name him MacKinnon's Black-berry Delight. I then watched and listened to the judges and decided that I wanted to join the ARBA.

I have raised and shown every color in Dutch, and have enjoyed working with them, however, my heart belongs to the blacks, torts and brown/grays.

With any color, I always breed first for type and then for markings. I have also learned to look carefully at the pedigrees

for the colors in the background. The color genetics have become very important to me. I don't particularly like to look into a nest box and see beautiful bunnies with "designer" colors. Therefore, I breed my colors true. For example, I breed black to black, tort to tort. However, I will breed black to blue, if I need to deepen the depth of the blue on the shaft of the fur. Usually, before I do any breeding out of the color I consult my friends, Mr. MacKinnon, Mr. Pecaric, Miss Dahl and Mr. Bounds.

A long time ago I learned that great rabbits depend on great care. You can buy the winner of the ARBA convention, but if you don't take care of it properly, that rabbit will never win another show. For me, care consists of cleanliness in the rabbitry, maintaining healthy rabbits, quality feed and grooming. I clean my rabbitry every three to four days all year round. This includes cleaning not only the cages and trays, but also scrubbing the crocks and floor. Thanks to Chris Rusch and her knowledge of preventive health care for rabbits, I run Albon twice a year and wormer.

I feed bred does, a few days before they kindle, a top dress of calf manna and continue this practice for two weeks following kindling. I also give the does papaya as soon as they make their nests and continue until the kits are no longer using the box. In addition I feed papaya to other rabbits when they are in a moult or as an occasional treat.

I love the ADRC's Dutch Reporter. It has had many articles which are interesting, enjoyable and informative. Some of these articles have been very helpful to me. I would like to see the ADRC offer some kind of recognition to the sweepstakes winners by district. It would not have to be anything big, just a patch maybe. I have seen his done in other specialty clubs and I think that it is a nice way to recognize a person's hard work.

When I first started in Dutch, there were not any youth breeders in my area, however, now I am glad to say that there are quite a few. I think that this is due to the willingness of the adult breeders to talk with the youth and share their knowledge. I only wish that there were more youth sanctioned shows in my area. For me, those shows that sanction youth as well as open are the best. While it is great fun to show off your rabbits, it is also a great opportunity to learn from the open

breeders. After all, remember it was because of an adult's willingness to talk to me that I got started with my love affair in Dutch.

I should take this opportunity to thank my parents, for all of their help and support. I should also mention that I am only allowed to have three rabbits, but my parents never bothered to count them.

*Jessica Gittleman
Fanwood, New Jersey*

MEGAN'S REPORT

Now that I have easier access to a computer and AOL, I've been online at least once a day. I got to check out the Rabbit-based web page on the net and there is only 3 Specialty Clubs that have a site. But they all look pretty neat. I think that it is a great idea to create our own ADRC web page. There is a lot of new rabbit people that would be able to check it out and maybe even decide as a Dutch as their first breed. It would also give a chance for ideas to be shared faster than waiting for the DR. Plus we can add the results of important shows and maybe photos of Best In Show winners.

The National Dutch Show is coming soon. I hope that you all will have prime juniors to exhibit. I'd also like to encourage all the youth to start preparing for the Contests that will be going on there. One thing I've learned from entering things like that is that it is totally not worth it if you don't study.

Things in Michigan have been looking up. The number of new exhibitors in youth and open is rising. New competition is always great. The Dutch are getting better and better. Maybe this will be our year for a Dutch to take Best In Show at the National Convention.

Keep breeding for that perfect Dutch!

*Megan Gottschalk
Port Austin, Michigan*

Show of the year!

NEWS FROM OHIO

Kevin Hooper reports that Dutch breeders in his area are having good success raising bunnies this winter. The first show of 1997 show had 110 in open and 75 in youth. Kevin had Best Four Class (3300 animals total). Should be a big NDS in May!

The California Dutch Rabbit Club welcomes John and Kathryn Eubank, as they become the new editors of *The Dutch Blaze*. The Schettler's have done the Blaze for many years and have made this publication one of the best local specialty club newsletters in the country. Please continue to lend your support to the California Dutch Rabbit Club by sending John and Kathryn your news.

Winners of the California Dutch Rabbit Club 1996 Youth Achievement Award Winner are Julie Toth from Arroyo Grande, first place, and Megan McDonald from San Martin, second place. Congratulations to these outstanding youth Dutch breeders.

Proposed changes to the ADRC Constitution and By-Laws

The American Dutch Rabbit Club will be listed here as the ADRC.

Current Version, Article VI Section 1 Constitution

A petition shall be requested from the Secretary of the ADRC by any member who wishes to run for an ADRC office. The petition must be returned to the Secretary by June 1st, prior to an election with a required (15) signatures, all of whom are American Dutch Rabbit Club members. All candidates must be current ADRC and ARBA members. Those signing a petition may only sign one (1) petition for the office of Director within your District.

Be it resolved that we change Article VI Section 1 Constitution to read:

Section 1: Any member wishing to run for an elected ADRC office or Board position shall submit a resume to the Secretary-Treasurer, prior to May 1st, in the year the office or Board Position shall be voted upon, stating the position for which they wish to become a candidate. The resume shall be printed in the April-May-June Issue of the Dutch Reporter. All candidates must be current ADRC and ARBA members, and be actively breeding Dutch Rabbits. Any member to be eligible for office must have been in continuous good standing at least two (2) years prior to May 1st of the year in which the election is being held, and all candidates shall remain in good standing with membership fee paid in advance at least through the date of assuming office, January 1st.

Rational for the above changes: This will make the process to run for an office open to all. Some members may be in an area where they would not be able to get the required number of signatures on a petition.

Current version of Article VI Section 2 Constitution

Two final ballots and two (2) ballot envelopes shall be included in each July-August Dutch Reporter Mailed. All members with voting privileges shall remove their ballot from the Dutch Reporter, and upon completion of voting, place it in the ballot envelope and seal it. This ballot envelope shall be placed in another envelope addressed to the Secretary-Treasurer of the ADRC, with the voters name and return address on the envelope. Upon receipt of the envelopes, the Secretary-Treasurer shall verify the eligibility of the voter. The Secretary-Treasurer shall open and discard the outer envelopes. The Secretary-Treasurer shall receive these ballots until the 15th of September, at which time the polls shall be closed. The ballot envelopes shall then be packaged and sent to the chairman of the Election Committee, and he/she will assemble the Election Committee; open the ballot envelopes; count the ballots; and certify the results to the Secretary-Treasurer, President, and Dutch Reporter Editor by the 25th of September. The Election Chairman shall then package the final ballots and send them to the Secretary-Treasurer of the ADRC, and they shall be retained for a period of one (1) year, at which time they may be destroyed. These ballots, while in the hands of the Secretary-Treasurer, shall be accessible to any member in good standing, provided proper arrangements are made with the Secretary-Treasurer.

Be it resolved that the new Article VI, Section 2 Constitution read:

Section 2 Final numbered election ballots, shall be mailed out by August 1st to eligible voting members. Ballots shall then be marked and placed in a pre-addressed envelope and returned to the ADRC Election Committee Chairman by September 15th, at which time the polls shall be closed. The Chairman of the Election Committee, will assemble the Election Committee; open and count the ballots, and certify the results to the Secretary-Treasurer, President, and Dutch Reporter Editor, within 22 days. The Election Chairman shall then package the final Ballots and send them to the Secretary-Treasurer of the ADRC, and they shall be retained for a period of one (1) year, at which time they may be destroyed. These ballots, while in the hands of the Secretary-Treasurer, shall be accessible to any member in good

(continued on next page)

standing, provided proper arrangements are made with the Secretary-Treasurer.

Rational: A separate mailing will get more attention and better voter turn-out. The numbered ballots will identify who is voting. This will maintain the confidentiality of the ballot, yet allow the eligibility of the ballots to be determined. Currently about 1/3 of all ballots are being rejected because members have not been following directions.

~~~~~

**Current Version of Article VI, Section 3 Constitution reads:**

The Secretary-Treasurer shall then inform the candidates and the Board of Directors of the results and shall declare the candidate having the highest number of votes elected. The officers-elect shall assume offices on the following January 1st and serve their elected terms or until their successors have been elected.

**Be it resolved that Article VI, Section 3 Constitution be changed to read:**

Section 3: The Sec-Treas shall then inform the candidates and the board of Directors of the results within three weeks, and shall declare the candidate/s having the highest number of votes elected. The officer/s elect shall assume offices on the following January 1st and serve their elected terms or until their successors have been elected or duly appointed. In the case of a tie for any office, a majority vote of the remaining Board of Directors shall break the tie.

~~~~~

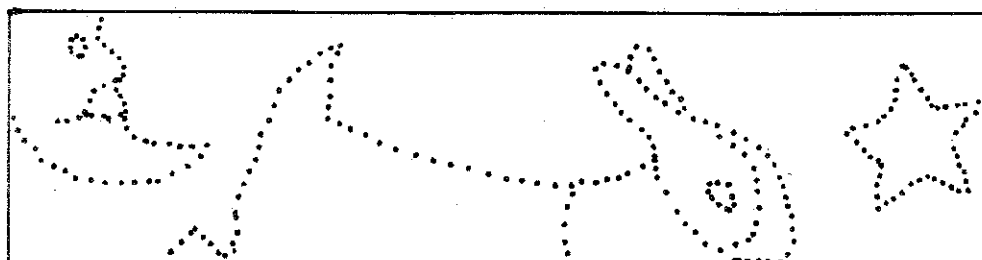

Current Version of Article VI, Section 4 Constitution reads:

Any member to be eligible for office, must have received at least 10 votes to become a candidate for office of President or Vice President; he/she must have received at least five (5) votes to become a candidate for the office of Director. Any member to be eligible for office, must have been in continuous good standing at least two years prior to certification date of election, September 20, and all candidates shall remain in good standing with membership fee paid in advance at least through date of assuming office, January 1st.

Be is resolved that Article VI, Section 4 Constitution be changed to read:

Section 4: If any candidate is running unopposed for office, they shall be declared elected. No ballot will be issued for an unopposed office. Any office where no candidate has submitted a resume, shall be filled by appointment by the President with a 2/3 majority approval of the Board of Directors.

Rational for above change: This will save the club money by not having to issue a ballot for a person running unopposed. Eligibility requirements are listed in section one of this Article.

Current Version of By-Laws, Article I-Dues:

The membership dues shall be seven dollars (\$7.00) per year payable in advance, with a combination membership being provided for husband and wife at nine dollars (\$9.00) per year, expiring with the same date. One dollar (\$1.00) of each yearly membership fee is to be placed into a separate account called the guidebook/Contingency fund and the provisions of Article III - Section 1 and 2 of the By-Laws shall not apply to these monies. A single paid life membership may be purchased for the sum of one-hundred and forty dollars (\$140), payable in advance. A husband/wife life membership may be purchased for the sum of one hundred eighty dollars (\$180), payable in advance. All deductions from paid life membership are excluded. After membership has expired, the member may renew within a period of sixty days (60); otherwise upon sending in membership fees, the member will be given a new membership unless they specifically request that their membership be back dated more than sixty (60) days to the original expiration date in order that they may keep their original membership number. Any member having been delinquent sixty (60) days or more, whether requesting old membership number or not, shall be deprived of all sweepstakes points accumulated prior to the expiration date.

Be it resolved that Article I of By-Laws be changed to read:

Dues - The membership Dues shall be:

Adult \$10.00

Youth \$8.00

Husband/Wife \$14.00

Family Membership \$20.00

Youth must be 18 years of age or under at the time of application. A family membership shall consist of no more than two adults and their children (18 years of age or younger) who are in the household, at the same address.

Only one Dutch Reporter and Guidebook shall be mailed to a Husband/wife membership or a family membership.

Lifetime memberships for Adult and Husband/Wife members can be purchased for twenty (20) times the current membership fees, payable in advance, by those members 35 years of age or older. All deductions from paid life memberships are excluded.

One dollar of each membership shall be placed into a separate account called the "Guidebook/Contingency Fund", and the provisions of Article III - Sections 1 and 2 of the By-laws shall not be applied to these monies.

Membership dues are good for a one year period, beginning from when the membership is processed. After membership has expired, the member may renew within a period of sixty (60) days; otherwise upon sending in membership fees, the member will be given a new membership number unless they request that their membership be back dated more than 60 days to the original expiration date, in order that they may keep continuous membership and the original membership number. Any member having been delinquent sixty (60) days or more, shall be deprived of all sweepstakes points accumulated prior to the expiration date. All youth members retain all of the privileges as adults except for voting.

Rational: The addition of the family membership would be a benefit to many of our members and we would be following the lead of several other specialty clubs. The membership fees have not been raised since back in the seventies. We have had to restrict what our club can do because of tight funding. The above membership fees are in line with other breed clubs. The last paragraph has been condensed while keeping the intentions intact. The life membership will be restricted to those 35 or older. This follows the lead of the ARBA.

Current Version of Article II Section 4 By-Laws reads:

It shall be the duty of the Secretary to edit or cause to be edited, the Dutch Reporter. If for any reason the Secretary is unable to perform this duty, it shall be the duty of the President to appoint an editor and the Secretary shall cooperate with the appointed editor by giving such news from the office as would be of interest to the membership.

Be it resolved that Article II Section 4, be changed to read:

It shall be the duty of the Secretary to edit or cause to be edited, the Dutch Reporter. If, for any reason the Secretary is unable to perform this duty, it shall be the duty of the President to appoint a Dutch Reporter Editor subject to 2/3 majority approval of the Board of Directors. The Secretary shall cooperate with the editor by providing such news from the office as would be of interest to the membership.

Rational: This makes the appointment of the editor consistent with other appointed positions by requiring a 2/3 majority Board approval.

Proposed Article III Sec 1a By-Laws

Current version of Section 1a Apportionment of funds reads:

The Sweepstakes chairperson shall receive one dollar (\$1.00) per open show sanction paid from the open show sanction fee as remuneration for time and effort spent by said chairperson in calculating, tabulating, and recording all show results. The sweepstakes chairperson shall provide the Dutch Reporter Editor with a typed copy of each show report listed chronologically and sweepstakes standing for both open and youth divisions listed numerically; top twenty open and youth divisions as well as top five from each district.

Be it resolved that Section 1a be changed to read:

Section 1a: The Sweepstakes chairperson shall receive compensation for each processed show report paid from the show sanction fee as compensation for time and effort spent in calculating, tabulating, and recording all show results. The ADRC Board of Directors will determine the appropriate fee. The Sweepstakes Chairperson shall provide the Dutch Reporter Editor with a typed copy of each show report listed chronologically and sweepstakes standings for both open and youth divisions listed numerically; at least the top twenty (20) Open and Youth as well as the top five (5) from each district.

Rational: Flexibility to pay the Sweepstakes chairman as they deem necessary and it allows more than twenty listed in sweepstakes standings.

Current Version of Article III, Section 2 of the By-Laws reads:

The dues shall be further divided with twelve and one-half (12.5) percent to be allotted for the ADRC Publicity Department. These monies are to be placed in a separate account and retained by the Secretary-Treasurer. Any portion of these monies may be transferred to the Publicity Department, or to any ADRC purpose, upon approval of a majority vote of the Board of Directors. The purpose, upon approval of a majority vote of the Board of Directors. The remaining sixty-two and one-half percent (62.5%) shall go to the General Fund. All percentage payments are to be paid on a monthly basis.

Be it resolved that Article III, Section 2 of the By-Laws be changed to read:

Section 2: The dues shall be further divided with twelve and one-half percent (12.5%) to be allotted to the ADRC Publicity Department. Any portion of these monies may be transferred to the Publicity Department or to any ADRC

(continued on next page)

purpose, upon approval of the Board of Directors. The remaining sixty two and one-half percent (62.5%) shall go to the General Fund.

Rational: Removal of separate account retained by the Secretary-Treasurer. Publicity Chairman to maintain this account. Removal of payments being made on a monthly basis. Currently, the publicity fund is self-sufficient. Any payments that are made can be between the Secretary-Treasurer and the publicity chairman.

Current Version of Article III, Section 2A ByLaws reads:

An annual allotment of five hundred dollars (\$500) from the General Fund shall be awarded to the sponsors of the National Dutch Show, with further stipulation that the ADRC Receive recognition for this allotment. Said money to be sent by the Secretary-Treasurer to the sponsors on or as near to January 1st preceding the National Dutch Show for that year. Show sponsors must have all NDS Show judges secured before any ADRC allocation is made. The ADRC requires three (3) open judges, chosen by and from the membership, at each National Dutch Show. The ADRC Board of Directors has the authority to change the required number of judges if deemed necessary according to the entry. If a third open judge is required, the ADRC will make payment for this judge up to two-hundred-fifty dollars (\$250). The open judges at the National Dutch Rabbit Show shall be the top selections from the ballot if possible.

Be it resolved that Article III, Section 2a By Laws be changed to read:

Section 2a: An annual allotment of five hundred dollars (\$500) from the general fund shall be awarded to the sponsors of the National Dutch Show, with further stipulation that the ADRC receive recognition for this allotment. Said money is to be sent by the Secretary-Treasurer to the sponsors on or as near to the 1st of January, preceding the NDS for that year. Show sponsors must have all NDS judges secured before any allocation is made. The ADRC requires three (3) open judges, chosen by and preferably from the membership, at each NDS. The ADRC Board has the authority to change the required number of judges as deemed necessary by the number of entries. The open judges shall be the top selections from the ballot if possible.

Rational: In many instances, our judges that are chosen from the membership are not available. This enables us to use the same procedure we have been using, hiring who we have to hire to fill our judging requirements. This also removes the responsibility of the ADRC for paying for a third judge.

Current version of Article III, Section 2C By Laws reads:

An annual allotment of fifty dollars (\$50) shall be paid out of the General Fund towards the American Rabbits Breeders Convention, with further stipulation that the entire amount be used for youth Dutch Specials.

Be it resolved that Article III, Section 2C By Laws be changed to read:

Section 2C: An annual allotment of \$150 shall be paid out of the General fund towards the ARBA Convention, with further stipulation that the entire amount be used for youth Dutch Specials.

Rational: \$50 will not buy much in the way of awards and we need to support the youth showing Dutch as much as we can.

Current version of Article IV, Section 1 By-Laws reads:

The Publicity and Promotion Committee shall consist of a chairmen and State Representative, and shall be appointed for a term of two (2) years. The Chairman of the Publicity and Promotion Committee shall be known as the Publicity and Promotion Director, and shall have charge of all publicity and promotion work for the club except for the editorship of the Club's publication. He shall be custodian of and be responsible for the Publicity funds and give a financial report at each annual and regular meeting.

Be it resolved that Article IV, Section 1 By Laws be changed to read:

Section 1: The Publicity and Promotion Committee shall consist of a chairman and at least two members appointed from the membership by the President for a term of two (2) years with the majority approval of the Board of Directors. Chairman of said committee shall have charge of all publicity and promotion work for the club except for editing the club's publication. Said chairman shall be custodian of and be responsible for the publicity funds and shall give a report at each annual and regular meeting.

Rational: Clarification of the Publicity committee.

Current version of Article IV, Section 2 of the By-Laws reads:

The Standard Committee shall consist of a chairman and four (4) members, at least two of whom shall be licenses ARBA judges. The Standard Committee shall all be members, in good standing, of the ADRC. They shall be responsible for maintaining continuos study of the standards, receiving any requests for a working standard on a new variety, and transmitting any proposed revisions or additions to the entire ADRC Board. Upon majority Board approval, the Secretary shall cause such proposed revisions or additions to be sent to each member in good standing with a mail ballot so that they may register their vote for or against each change, revision, or addition. If these changes, revisions, or additions are approved by a two-thirds (2/3) majority vote of the ballots cast, it shall be the duty of this committee to submit them to the ARBA Standard Committee with the recommendations that such changes, revisions, or additions be adopted.

Be it resolved that Article IV, Section 2 of the By-Laws be changed to read:

Section 2: The Standards Committee shall consist of a chairman and four (4) members, at least two of whom shall be licensed ARBA judges. The Standards Committee shall appointed from the members in good standing by the President with majority approval of the Board of Directors. They shall be responsible for maintaining a continuous study of the Standards and communicating any proposed revisions or additions to the ADRC Board. Upon majority Board approval, the Secretary shall cause such proposed revisions or additions to be sent to each member in good standing with a mail ballot so that they may register their vote for or against each change, revision, or addition. If these changes, revisions, or additions are approved by a two-thirds (2/3) majority vote of the ballots cast, then the committee must submit them to the ARBA Standards Committee with the recommendations that such changes, revisions, or additions be adopted.

Rational: Current version is in conflict with the ARBA's procedure of introducing new varieties. Portion pertaining to the introduction of new varieties has been removed.

Current Version of Article IV, Section 3 of the By-Laws reads:

The Election Committee shall consist of a chairman and two other members, none of which shall reside in the same county as either the President or Secretary-Treasurer. The Election Committee shall be appointed annually by the President, from the membership, with majority approval of the Board of Directors. The Election Committee shall assemble, open the ballots, tabulate the results, and certify the results to the President, Secretary-Treasurer, and the

(continued next page)

Dutch Reporter Editor within ten (10) days after the closing of the polls. If all three members of the Election Committee are unable to meet to carry out these duties, the President shall be notified immediately, and different Election Committee members appointed as needed, prior to the opening of the ballots. It is necessary that the signatures of all three (3) members of the Election Committee accompany the results as sent to the President, Secretary-Treasurer, and Dutch Reporter Editor. No member of the Election Committee shall be eligible for election to any office. Any member serving on the Election shall not be eligible to serve on this committee again for a period of three years.

Be it resolved that Article IV, Section 3 of the By-Laws be changed to read:

The Election Committee shall consist of a Chairman and two other members, none of whom shall reside in the same county as either the President or the Secretary-Treasurer. The Election Committee shall be appointed annually by the President, from the membership, with 2/3 majority approval of the Board of Directors. The Election Committee shall assemble and count the ballots, tabulate and certify the results to the President and Secretary-Treasurer within 22 days of receiving the ballots. If all three members of the Election Committee are unable to meet to carry out these duties, the President shall be notified immediately, and different Election Committee members appointed as needed, prior to counting the ballots. It is necessary that the signatures of all three members of the Election Committee accompany the results as sent to the President, and Secretary-Treasurer. No member of the Election Committee shall be eligible for election to any office. Any member serving on the Election Committee shall not be eligible to serve on this committee again for a period of three (3) years.

Rational: Requiring a two third majority approval by the Board makes this consistent with other positions.

Current Version of Article IX Constitution & Article VII of By Laws reads:

Amendments: Any alteration of, or amendment to the Constitution shall be made by way of a resolution. This resolution to be submitted to the Secretary of the ADRC with the signatures of twenty-five (25) adult members in good standing of the ADRC. Said resolution to be submitted no later than January 1st of the year in which the resolution will be voted on. The secretary shall send copies of the resolution to each officer of the ADRC and shall have the resolution printed in the January/February issue of the Dutch Reporter so that the membership shall have ample time to form an intelligent opinion on the resolution. The resolution shall also be printed in the issue of the Dutch Reporter containing the final ballots on which the resolution will be voted. The ADRC voting membership shall then cast their votes by mail. The Constitution may be amended by a two-thirds (2/3) majority of all eligible votes cast. All amendments shall take effect January 1st of the year following acceptance.

Be it resolved that Article IX Amendments and Article VII of By-Laws be changed and combined to read as follows:

Any alteration of, or amendment to the Constitution and By-Laws shall be made by way of a resolution. This resolution must be submitted to the Secretary of the ADRC in writing, no later than thirty (30) days prior to the opening day of the National Dutch Show or the ARBA Convention. The secretary shall send copies of the resolution to each officer of the ADRC for their review. Said resolution shall be reviewed and discussed at the next Board of Directors meeting, with the board, by 2/3 majority, either supporting or rejecting the resolution. The resolution and the Board's recommendations would then be read by the ADRC Secretary at the next general membership meeting, with ample opportunity for discussions. The resolution and the Board's recommendation would then be printed in the next issue of the Dutch Reporter. Voting on the proposed amendment would be held with the annual ballots, to be mailed out August 1st. The Constitution may be amended by a 2/3 majority of all eligible votes cast. All amendments shall take effect the January 1st after the election.

Rational: This would replace both Article IX of the Constitution and Article VII in the By-Laws would be deleted. This provides us with a process to amend the C & B with all of the member's having a voice, yet it is flexible enough that we can make changes as they are needed.

WATER, WATER-ALL THE TIME

By Kevin Hooper

This past year, I installed an automatic watering system in my barn. If your rabbits are in a barn, keep reading. If they are not, your job of caring for and improving your Dutch is harder than you think. I began this project from scratch, putting the system together from the little that I had heard about or read. This saves more time, energy (yours), and hassle than I could have ever imagined. The key is to do it properly.

The weather here is cold through the winter. Highs range from around zero to twenty-five for most of January, sometimes higher, sometimes lower. My main barn has a single layer of pens suspended above the floor of fine gravel. It has no heat. I can close it up from drafts using 6 mil plastic, or my drop tarps on the bottom of each side. Our temperature has only been above freezing for one day since New Year's day. My Dutch have had fresh water every day.

Generally, this time of year means frozen crocks and a limited supply of water for the animals. Even on the coldest morning here, minus 5, so far my animals have acted like it is spring. Here is how I did my system.

You have two options, an open or closed system. If you have running water in your barn, I would use a closed system. This requires a pressure regulator to lower your water pressure, a filter, and a pressure gauge to start. This is the easiest to set up and use in my opinion. You hook these up to your water route. After the filter, then you would use schedule 40, PVC pipe. This would act as a feeder line to your rows of pens. This type of pipe is easy to work with. Figure how long you need each row and put the pipe laid out in a row. Feed a string or a wire through each pipe as you put them together. This is only needed if you are in an area that has weather that gets below freezing. Tie something to the end of each string or wire, large enough not to be pulled through the pipe. Carry the pipe to the row where you are going to use it and mark the pipe with a permanent marker where the valve will go. (The pipe would run along the back of the pens.) Take the pipe and drill a hole for the valve saddle to sit in. Make sure you drill each hole at the same angle so the valves will be even. Fit the saddle into the pipe using PVC cement. Then screw the valves into the saddles. After you get each length finished, then the hardest part begins. If you are in an area that has weather that gets below freezing, then you will need to tie your string or wire to a water-line heat cable. This thin plastic coated wire will be pulled through the line. One cable will keep the lines from freezing down to about 20 degrees. Two will protect it to about zero to 5 above. This is more complicated as you cannot cut this cable. The one cable would have to be fed through all of your lines and then the two ends would fasten to a plug.

The heat cable would then be plugged into an outlet controlled by a thermostat. If you have a shut off valve as I do after the filter, the heat cable can not run through this. There is a small valve made to allow the wire to come out of the pipe, but not the water. For the pipe that brings water into the building, the faucet, and the line that goes to the pressure regulator, you will need to buy a heat cable to put on the exterior of those pipes, then wrap them with fiberglass pipe wrap.

This is a huge help to me and my animals. For the 90 coops in my barn, the whole thing cost about \$500.00. I don't have a medicator hooked up, but I have made it so that I can switch to an open system (30 gallon plastic drum mounted above the pens and hooked into the water lines) in which I can medicate their water for a few days at a time.

Occasional maintenance is needed to clean a leaky valve. You need to flush the filter occasionally also. You know if the rabbit is not getting water, because they will not have eaten. I offer my services to help you plan your system and I would give detailed diagrams as well. The automatic waterer is well worth the investment.

MEET YOUR SWEEPSTAKES CHAIRMAN JEFF ANDREWS

My adventure in raising rabbits all started with two pet Mini Lops that were given to me by a friend in 1986. I wanted to learn more about them so I joined a local 4-H Club. At the first meeting I discovered Dutch. They looked like a breed that would be easy for a beginner to raise. Little did I know how hard it would be to breed that nearly perfect one. I ended up coming home with a Blue Jr doe which started me on the road to showing rabbits.

It took no time at all to expand from 3 holes to our present size of 75 holes which fill our garage. I soon discovered that I didn't have the room to work with all six varieties so I decided to work with Chocolates since that was my favorite color. We currently have about half Dutch and half Mini Lops. My dad still complains about losing his workshop and a place to park the car, even the lawn mower sits outside!

In 1990 I attended the NDS in North Haven, CT., where I volunteered to keep track of the points for the youth sweepstakes. Several years later I added on the task of the open sweepstakes. Calculating points for over 1200 show reports a year is a time consuming job, but one that I enjoy very much since my minor in college is math. I have an A.S. in Science and I am now working toward a B.S. in Meteorology. I plan on working toward my Master's degree after graduation.

In between college, working part time as an assistant manager at a local grocery store and sweepstakes duties, in my "spare" time I still enjoy attending rabbit shows on a limited basis. It has been a real team effort in our family to keep everything running smoothly. My dad helps me with rabbit chores and my mother helps me with sweepstakes duties.

I live at home with my parents in the small town of Albion (about 5,000 people) which is located about halfway between Buffalo and Rochester in Western New York. We are close to Lake Ontario and experience some extreme variations in weather which can make raising rabbits difficult.

I have an older brother who is married with two little boys. Along with our rabbits, we also have two Basset Hounds, a very old (17 yrs) Siamese cat and one Cockatiel who should be named Lucky (lucky to be alive, only because the cat is so old).

Jeff Andrews
Sweepstakes Chairman

EDITOR'S REMARKS

What a treat it has been to receive so many of our member's

new ads and ad renewals.

The Dutch Reporter is in very much need of these ads, to help defray the cost of printing and mailing. This past couple of years, we have put out a plea for this much needed revenue, and we thank you for responding. Those of you who have not yet placed an ad, please do consider it. We could sure use some more.

You have been reminded many times, but please do look at your mailing label each time you get a Dutch Reporter. Renew your memberships on time. If

you are 60 days or more late, you will lose all of your sweepstakes points. Also remember, that if you move — let Doreen know. She is the one who generates the mailing labels. The DR does not get forwarded to your new address!!

All of us in Wisconsin are looking forward to visiting Greenville in May. It was a great show last year. I still can't believe that the Ohio Dutch Club was willing to do this show two years in a row. They are very special!! We need to support our local Dutch clubs, as every year we do need a place to hold our national convention. Do your part, and try to get your local club to consider putting in a bid for a NDS sometime. If you don't have a local Dutch Club, think about starting one up or joining the one closest. On that note, be

sure to come to Greenville, willing to work. The more workers, the faster things will get done and the less exhausted those that are carrying rabbits and writing, will become.

1997 will be a great year for the American Dutch Rabbit Club, under Kevin Hooper's leadership. He is very dedicated and he will continue to ensure that our club is the best of its kind. The ADRC has an excellent board of directors. Remember, that if you have a problem or need a question answered, to contact your director. They are there to serve you. All of us — ADRC officers, directors, and members, must remain faithful to the little rabbit that brought us together in the first place. We must strive to continue its place in rabbit history, as the best of the lot.
