President's MESSAGE

The winter has been pretty quiet as far as the ADRC goes. I will update you on a few issues.

I know the last issue of the DR was quite late. I am working with those involved in the production of the DR to insure it gets to the membership in a timely basis. We will be sticking to the deadlines for publication, so look on page one for the dates.

The ADRC web site has been developed and is awaiting someone who has the knowledge to update the site on a monthly basis. Hopefully we will have someone for this prior to you receiving this issue of the DR. The address will be www.dutchrabbit.com. I believe that this will help on the promotion and visibility of the ADRC and our Dutch rabbit. We may be able to pick up some members from outside the U.S. as well.

There has been discussion of holding the 2001 National Dutch Show in Illinois. We have not received a formal bid as of yet. I understand that it would be in Springfield in conjunction with the American Checker Giant show. The building is quite large, and I understand that the plan is to have the Checkers in the far end of the building, with the Dutch having the majority of the building. (The Checker show only has about 125 in the show.) I also understand that there would be a partition put up to divide the areas. We have never held a NDS with another breed,

but this is a very large facility. We have not seen the details yet. Therefore, nothing is finalized.

The Dutch numbers in Ohio remain quite high. Our first show of the year at Lima on Feb 6, had 112 in open and 156 in youth. I've been in Dutch in Ohio since 1975. We have never had the Dutch numbers this high on a consistent basis. Our numbers will be going up a bit more in open as Rick and Julie Billups will have moved back to Ohio by the time you read this. We are using one or two judges per show just for Dutch.

On a sad note, Jo Ann Uran passed away just before Christmas. She was a fixture at our shows and she, along with her husband Mike, were always willing to help out with whatever we needed. She will be missed, not only by Mike and her son Todd, but by all of those who knew her in the Dutch world.

I hope you have made plans for attending this year's National Dutch Show in York, Pa, the last weekend of April.

Kevin Hooper
New Vienna, Ohio

Sec. MESSAGE

Dear ADRC members, I expect we will see a multitude of spring litters in the north central part of the US. Along with the lengthening days

DISCLAIMER

Articles, statements, and opinions printed or expressed in the DR may not be those of the ADRC or the editor and are solely the responsibility of the authors.

and the mild temperatures it is not much of a chore to get those does settled. UNLESS of course, winter chooses to return with a vengeance and strike those litters down. All roads lead to Pennsylvania for Dutch Breeders the end of April. Check your catalogs and make sure you take your opportunity to win Best of Breed.

Try to remember that May 1 is the deadline for board member wanna be's. The offices of Vice President, and a directorship in each district will be up for grabs. I know that I have said this before, but it is important that our membership participates in the running of this club. It would be much better if we could send out ballots with competition in each race. Apathy is a real threat to any club. So, if you would be able to attend the national shows (National Dutch Show and ARBA Convention) and feel you have something to offer the club please send your resume to the Sec's office by May 1. I will also accept those resumes at the National Dutch Show, or by email.

The Dutch Club seems to be in a growth spurt. In checking the roster I counted 730 members on the list. Much of the increase is due to our new family memberships. Many of our families have chosen to purchase a family membership and then include all of their children.

I look forward to seeing everyone in York, Have a great spring and may all your boxes be filled with winners.

NEWS FROM TODD

Happy spring to all. I have only been to one show so far and that was Lima. We had a huge turn out especially in youth.

I did want to let everyone know that my mother passed away on 12-22 from cancer. My mother loved the Dutch club and all the friends she made through Dutch rabbits. I can not tell you how much the time I was able to spend with my mother while traveling to rabbits shows, cleaning cages and all the other little rabbit time we spent together means to me. I hope everyone takes a moment every once in a while to really appreciate those special people in our lives. My mother was and will forever be the most special person in my life and I am sure that her warmth touched many of you also. My family and I truly appreciate the many cards and letters we received from many of you in these very difficult time. I am fortunate to still have a very strong family and my father has taken over the daily care of my rabbits. We will continue to show as always and look forward to seeing you all in the future.

DISTRICT TWO REPORTS

NEWS FROM SHARON

Well we've finally joined the ranks of the computer owners. Don't expect us to be on line though, as

we need a lot of time to get used to using it.

Not a whole lot of luck with litters this winter.

I'm not going to write about how to condition for fur as it was my idea to include this topic and I need to learn about it. I've decided to just try breeding for better fur.

We've been having timers on our lights and I hope that doesn't affect the moulting cycle. I've been told that for horses they leave the lights on to try to shed their winter coats out farther.

How far is too far, to travel? Can there be a show too far? Generally what we do is travel 3 1/2 or less hours. If it is farther away than that, we usually stay overnight.

I enjoyed the variety sweepstakes listing in the Dutch Reporter. This should give some more incentive to show.

I hope many make it to Pa.

Hope to see you there,

Sharon Mixdorf
Waterloo, Iowa

NEWS FROM RICK

I apologize for not submitting an article for the past issue of the Dutch Reporter but Julie and I have been busy personally and professionally since convention. I have accepted a promotion with our company and have been working in Ohio every week since

November. Julie and I have were lucky enough to sell our home the first day it was on the market and purchase the home of our dreams all in one week. Our new address will be in Blanchester Ohio, located 35 miles northeast of Cincinnati. Due to our busy lives and moving out of District 2, the Board will have to appoint someone to fill my term as your Director. I have enjoyed serving the district and working on the board in an effort to move the club into the future. Julie and I have decided to retain the role of running the Publicity Department so that we can be active members in the club. Serving on the Board is an elected position and one that requires responsibility to the club and its membership that elected you. There have been some rumblings that some of the membership feel the Board is cliquish and unreceptive to new members. I believe those members have confused the word cliquish with cohesive. The word cohesive means a molecular attraction by which the particles of a body are united. The current Board works towards the betterment of the club and often find themselves busy at the shows carrying rabbits and writing comments for the judges. If the membership wants the Board to serve as a welcome committee then we will need more help during the show. Over the past several years of attending the NDS and ARBA Conventions, you always see the same people doing the majority of the work. Again, this is not directed to the entire membership but a small group that would prefer to bicker and try to pull others down with them.

I do not have much news to report from my district since our show season won't start until after the

deadline of this issue. My move has forced me to turn over the role of SDF Presidency to Greg Gilbert of Virginia. I wish the club the best of luck and will retain my membership to support them.

Again, thanks for your support over the past couple of years and I hope to serve the club in the future. See ya in York.

DISTRICT THREE REPORTS

NEWS FROM BRIONY

Hi everyone! First of all I want to apologize for not having an article in the last DR, there went my perfect record! It had been one crazy fall, along with a show nearly every weekend from September to November I had work and adjusting to college, and to top it all off came down with mono during finals week! I never got really sick but it has taken awhile to recover and I still get tired easily.

The big news from me came a couple weeks after Louisville, and that was that I had passed my judge's test. What a relief! I was pretty nervous about the whole thing and was told that most of the week I was a little spacey. So far I have done four and have four more lined up in February and March so hopefully will have my license by early April.

Taking the test along with me was Bob Bergene, who passed the test for his Dutch Specialty license!

Shows have been plentiful in Kansas this fall, between Louisville and now I believe there were eight, one was a double and one was a triple Dutch show! There isn't enough space to list all the shows but big wins went to Bob Bergene, Tony and Cheryl Charles, Rick Lehmann (who had Best 4 Class at the Kaw Valley Show 10/23, Congratulations!!), Donna and Vicki Hinners, Kirk and Nancy Kennedy, Alan Kennedy, Pat Willis, Jack and Charlott Colborn, and Bonne Butler in Open, and in Youth Amanda and Samantha Brosseau, Julie Bergene, Brendan Stade, and myself took home awards. You can see especially in Open that things were spread around quite a bit which shows plenty of good competition, great job to everyone!!

On a personal note, I would like to thank Wayne MacKinnon for a special Blue doe named "Mac's Skye," who brought home 5 BOB and 1 BOS for me and is now raising some gorgeous babies. I really owe you, Wayne!!

I got a nice email from new Youth breeder Erica Crippen in California. She recently won a BIS at the Norco Valley Fair in Norco, CA with a Dutch! She has been helped along by Joanne Purpus and Terry and Linda Carter. Congratulations, Erica, and thank you to Joanne and the Carters for giving a new breeder a good start! I would like to add that I plan to run again for District 3 Director. I have given this a lot of thought since I am a

busy college girl now, but all of the schools I have looked at to finish my four year degree at are within District 3, and most likely I will stay within Kansas. As I am going for my Judge's license I don't think anyone in the rabbit raising world will be rid of me for quite awhile yet, least of all the Dutch club. Therefore to answer anyone's questions about my eligibility, no I am not going anywhere within the next three years.

Hope things are working out well in your nestboxes, I can't wait to see some more awesome Dutch in Pennsylvania!

way of participating. Even if you unable to hold an office, help at a National, or even attend a National, we are all still able to vote. So, Thank you so much. I have attended two shows this year. The first in Greshem, Oregon. BOB went to Don & Carol Johnston and BOS to P&D Nelsen. The second in Shelton, WA. BOB & BOS to P&D Nelsen. The exciting thing about the Shelton show was that I helped behind the youth table and was very impressed with the type and color of the Dutch. There were 30 some Dutch and the Youth breeders in this area are doing a fantastic job.

The Northwest Dutch Rabbit Club continues to grow. Looking back on 1999 we sponsored 3 shows that had over 140 rabbits, so we are excited at the possibility of surpassing those numbers this year. Last year we added 2 new shows in Oregon to our already existing 5 shows in WA. The 2000 season starts with a new show in British Columbia, Canada, Feb. 19th.

Good Luck to everyone in the upcoming 2000 season. See you at NDS!

"Breeding Tortoise Dutch"

Proper Conditioning - How Is It Done?

Let Kevin Hooper or your director know of something that you would like to see covered in future DR's.

Too Much of a Good Thing

by Kevin Hooper

It takes a while to get there, then it takes a while to figure out what has happened. In this case, I'm referring to inbreeding in your Dutch rabbits. We have all bred son back to mother, or half sister to half brother, in hopes of creating an outstanding line of Dutch. Sometimes it works, but then you loose track of how related these Dutch are and then the problems start.

It started happening to me over two years ago. I had very nice torts and they produced, very nice torts. Then I started having some trouble with a few of the does and their mothering instincts. They were not milking very well, then they were not covering their babies with fur etc. I thought it was just that the does that I had held back were not the best ones when it came to mothering ability. I brought in a few does which raised bunnies well, but they were a little longer in head and ear. I had one good tort doe who raised a couple of real nice tort litters. I culled out the does that I had brought in as well as their offspring with plans of using those out of the good litters. That didn't work.

Last fall I began to realize why these problems were occurring. I had tort babies that seemed to lack vigor. (I'm not talking enteritis or anything in the way of an ailment) They would not grow and some would eventually just die. That's when I started studying the pedigrees. I found (I knew this but the problem had never surfaced before) that on Tort buck seemed to be very heavily in the pedigree, KT139, the "Old Man" as most call him. He was the only great grandfather in some of my torts. This is a classic case of inbreeding.

The Fix - I decided to bring in one doe that was only partially related, and she is raising her second good litter right now. I also borrowed a couple of tort bucks that were out of my line that would be more distantly related to the does that I have. This fix is still in process.

I will know by the NDS how far I have to go. I believe the tort breeding will be back up to speed by the fall.

Use your best animal often, but keep in mind how many of the ones that you keep are out of your best one. Genetic diversity is a must.

More on Steel Dutch

by Kevin Hooper

It is interesting raising the steel variety. You can figure out what matings will produce steels with a bit of experience or an understanding of the genetics involved. It is another thing to see it work. I have been using blue-steels the past several years with great success in producing steels. A good colored gray buck to a blue-steel doe was the combo that produced many a steel and some very nicely colored grays.

Last fall, it finally hit me that I could just as easily use my good blue-steel buck on my gray does. Many steel babies were produced.

There is another sure way to get steels- entire litters of them. This would be using either a black buck or a black doe that is out of a steel to steel cross, and breeding it to a nicely colored gray. You will get entire litters of steel- IF- the black picked up a steel gene from both of the steel parents. The gray that you are breeding to needs to be gray to gray for several generations to ensure that it carries two agouti genes. The offspring of this combo will have only one steel gene - from the black, and one agouti gene, from the gray- thus producing all steels. The hard part here is getting the black that is not only good, but also carries the two steel genes.

I have a black doe that has produced two litters of steels so far, out of two different gray bucks. A litter of six was followed by a litter of five, all steels.

I don't keep many steel does (I have four) to produce steels. I do some steel to steel crosses, which will produce some very nice blacks. These are then taken back to Grays or blue-steels.

It is important to not intercross these blacks to your regular blacks if you want to keep blacks to use in other colors or to improve the value of them when you sell. Many breeders do shy away from blacks that have steel in the background. I keep any blacks or blues that are out of steel breeding away from my blacks and blues that are all black, or blue.

Hope this helps you in your steel breeding.

PUBLICITY DEPT. REPORT

Julie and I would like to thank everyone who helped in the booth at the convention. We will be continuing our efforts as your Publicity Chairs for the next couple of years or until the membership gets tired of our contributions. We were able to raise enough funds from our booth raffle (\$611.00 to be exact) to purchase a \$1,000 CD for the Open BIS fund. Thank you to everyone who contributed to the success of the raffle. The next raffle profits will go towards the ARBA BIS fund for the Youth. Once this is accomplished, then I would like to start contributing ARBA raffle proceeds to the next convention for the awards. The money would be split 50/50 for open and youth trophies or cash awards. We are here to serve you and look forward to any suggestions that you might have.

NEWS FROM CALIFORNIA

I received my first Dutch in June of 99' from Joanne Purpus and I really enjoy the Dutch breeders in Southern California they are so friendly and willing to give advise to a new breeder. This is my 7th year in 4-H raising rabbits. I've been raising Mini Rex for 7 years and now just starting with Dutch what fun. I entered my first show with my Black Senior buck at the Norco Valley Fair in Norco, California there was only 1 Dutch , But the judge really liked his he went on to win BEST IN SHOW....I was floored...he

has been to 5 shows and has won BOB 4 times... What a great treasure he is... I want to thank Joanne Purpus, Terry & Linda Carter for introducing me to Dutch. I now have a black junior doe and maybe someday I will have babies of my own to put on the table.

Thanks,

NEWS FROM FLORIDA

Hello,

John Neff informed me Kevin Hooper will
 be coming to Florida soon to judge one of
 our shows. Welcome Kevin.

Our Jan. 15 show in Orlando welcomed
 Ricky Woods, Virginia and a lady from
 Connecticut showing their Dutch with us.
 Saturday Jan. 15, Brent Rice picked Ed
 Mannings black doe BOB & Dale's black
 buck, BOS. That same day there was a
 Dutch Specialty show and Fibber McGee
 picked Jim Lemons black buck BOB and
 Dale's black doe BOS.

I did not attend Sunday's Jan. 16 show.
 However, I was informed that Gene Styles
 took BOB with a brown gray and Ricky
 Wood BOS with a chocolate.

The Florida weather has cooled off and
 the Dutch seem to love it. When new
 comers purchase rabbits from us, they
 sometimes ask, "Do we need to take them
 inside when the weather cools off?" I say
 nooooooo, they love it. It makes them
 happy.

HOW FAR IS TOO FAR TO TRAVEL

by Kevin Hooper

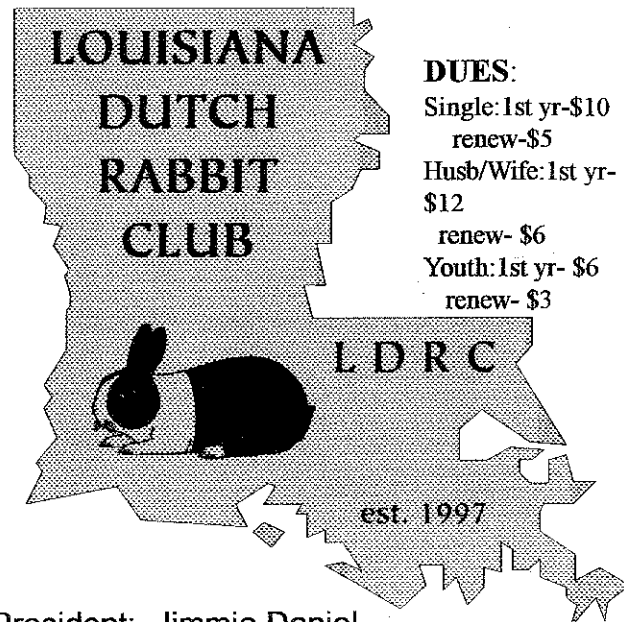

This is a question whose answer will vary depending upon what area of the country you are from and how long you have been raising rabbits.

If you live in areas of the country where it is necessary to drive long distances to get anywhere, then your answer will vary. Those of us in the Midwest are blessed with many shows that are packed into a small area. I will generally travel no further than two hours for a non-specialty local show. I could go to about twenty shows per year that would be no more than two hours away.

If you have been showing for many years, you may not enjoy the local shows as much anymore, and two hours may be too much. Then again, it may be old hat and you may not care how far you must travel to a show. Therefore, it is all relative.

What's more critical to me than the distance, is the weather conditions that you will be hauling the animals in. Those of you who don't use a SUV, van or car with A/C to haul your rabbits in understand this. Rabbits can handle the cold, as long as they don't have the wind blowing on them. The heat however is different. When an un-air conditioned vehicle heats up in the hot weather, two things become critical for the rabbits survival- air movement, and no direct sunlight. In very hot conditions there is no such thing as too much air blowing on the rabbits. I have tinted my truck cap windows and have curtains hanging over them to block any sun light. If you haul your rabbits in a truck with a cap as I do, the most air will circulate if you can prop open the back window. It is not feasible to use your a/c and blow it back into the back. That air will heat up prior to cooling your rabbits even if you use a fan between the cab and the back.

I generally leave my rabbits at home if the weather is going to be very hot, unless it is a big show or a specialty show. If that is the case, I have learned how to get up to twenty-five Dutch with me in the cab of the truck (comfortably - for the rabbits).

2000 NATIONAL DUTCH SHOW

April 28,29,30, 2000

The York Fairgrounds

Convention & Expo Center in York PA

Mark these dates down and plan to attend. The Eastern Dutch Rabbit Fanciers Club will be putting on a great show.

The Holiday Inn Holidome 200 Loucks Rd. (717) 846-9500 has been chosen as the Headquarters Hotel. We have chosen this facility because of its closeness to the fairgrounds and it has an indoor swimming pool. It also has facilities for a banquet, which is still in the planning stages. We have reserved 60 rooms \$84 is the per night charges.

If this is too much for you there are other motels nearby which are less costly.

Red Roof Inn - 323 Arsenal Rd (717) 843-8181

Super 8 Motel- 40 Arsenal Rd (717) 852-8686

Best Western - 1415 Kenneth Rd (717) 767-6931

Holiday Inn - 334 Arsenal Rd (717) 845-5671

Martin Preede and Mark Pecaric will be the General Chairpersons. Cookie Gittleman will be the Youth Activity Chairperson. She is planning an exciting youth program, one in which all the youth will thoroughly enjoy.

If you not already done so, please consider sending a special for the show.

Send all checks to:

Martin Preede

49 Addicks Road

Westwood, NJ 07675-3507

Tel (201) 666-2683

Please make all checks payable to Eastern Dutch Fanciers Club (EDRFC)

Events planned for the show include a wine and cheese party at the show room and a woman's only class to be held on Friday. We will also have a AOC class.

The National Dutch Show is your show. The Eastern Dutch will make every effort to make it one of the best. If you have any suggestions to improve the show please call either Marty, Mark or Cookie.

COLUMBUS, OHIO ARBA CONVENTION

The following is the information thus far put together for the 2000 ARBA Convention in Columbus. I have 40 rooms blocked off at the Travel Log/Howard Johnson (this is the same hotel as the last ARBA convention in Columbus). Located at the Dublin/Grandview (161) exit off of I-71. The phone number is 614-885-4484. Please make sure to mention you are with the Dutch club. The price for a **double room is 49.95 per night**. The location of the breakfast to be held on Wednesday 11/3 is yet to be determined. If you are interested in donating money for specials please send those to me at 881 W 11th Avenue Columbus Oh 43212. If you have any questions please email me at TURAN@CheckFree.com or call me at 614-488-8656 (I am never home). That is all I have for know.

Thanks

COVER STORY

IN MEMORY OF A GREAT LADY: JOANNE URAN

Joanne Uran passed away on 12/22/99 after a short battle with pancreatic cancer. Joanne and her husband of 50 years Charles have 5 children and 4 grandchildren.

Joanne first became involved with raising and showing rabbits in the mid- 60's. Her oldest children Michael and Jacquelyn started raising crossbreeds and quickly moved on to raise and show Dutch. Meanwhile Charles began raising and showing Havanas. As I write this article I can jokingly say that my first National Dutch show was in 1968 when my mother (Joanne) was eighth months pregnant with me. My brother Mike took best blue at that show.

Shortly after that the family changed residence and in doing so sold all of the rabbits. That was a short-lived separation for when I was eight I was given my first Dutch for Easter. The result of this Easter present was that Joanne became involved in every aspect of raising and showing rabbits. Joanne enjoyed everything from the daily chores, traveling to shows, being an active member of several state and local clubs, and most of all making new friends at every show she attended.

Well 23 years later Joanne was the long time secretary/treasurer of the Williams County Rabbit Breeders Club as well as a member of the American Dutch Rabbit Club and the Ohio State Dutch Rabbit Club. One of Joanne's greatest accomplishments was leading a group of 13 people to raise enough money to build a new facility to house the 4-H rabbits at the Williams County Fairgrounds. The facility has also been used for numerous ARBA shows. Joanne had many other successes but closest to her heart was when the Ohio States Dutch Rabbit Club named her and Charles, Dutchman of the Year.

Although the rabbits where not shown under her name, there is no doubt that the greatest amount of credit goes to Joanne for any success of the Uran Dutch over the years. She will be greatly missed in the rabbit world and most of all in my world.

HARLEQUIN DUTCH

There are not 25ADRC members working with me on the Harlequin Dutch project. I decided to start a club to help with networking. The American Harlequin Dutch Fan Club will be a place for breeders to get information on the working standard and genetics, and breeding animals.

I am encouraging other breeders to also acquire a Certificate of Development from the ARBA. So far, Mark Pecaric and Sue Strandwitz both have theirs. I am busy working toward my first showing in San Diego 2001. What a coincidence that the San Diego area is where it all started for me.

Another exciting connection is the man that founded the line I am working with has surfaced in Topeka, Kansas. His name is Steven Wright. His job had transferred him from the LA area and Brenda Diaz had lost contact with him. He has confirmed that the Harlequin Dutch I am working with are descended from German imports about 1989.

Yours in Dutch,

Jill Dobson

EDITOR'S REMARKS

Rabbit breeders in the upper Midwest have had yet another mild winter. This should help immensely in the production of juniors for spring shows. Perhaps quite a few of them will end up in York, PA for the National Dutch Show. If you have never been to a NDS before – then make plans to attend the 2000 show. Doreen has reported many, many new members. Look on page 11&12 to see who in your area has joined the ADRC. I hope that some of these new breeders will attend the NDS. Questions about what to do at a NDS? Don't be afraid to contact other breeders in your area or e-mail or call up your local director and one of the Dutch club officers. In this DR is also a membership list. This should help breeders contact each other.

Remember that if you have a question about the delivery of your DR first check to be sure you have paid your membership. If you have, then contact Doreen, as she is the one who mails the DR. Always be sure you keep her informed of any address changes.

I am looking for a volunteer to put together an e-mail list for Dutch fans. This list could be put in future DR'S and make it much easier for people to contact each other. If you are interested e-mail me at: jadredit@palacenet.net.

When I fell in love with that pretty little Dutch rabbit, it was a family thing. My daughter Mandy was the exhibitor of the bunnies, but the whole family took part in the enjoyment and the care of the rabbits. It brought us all together, and I would not trade those years for anything. I see this all the time in the rabbit world, and it always gives me such a good feeling – to see families together. I remember the first time I met Joanne Uran. She introduced herself and I could see that in her case too – the rabbits were a “family thing”. I always looked forward to seeing her at national shows. She never missed an opportunity to chat a little and ask, “how are things going?”. After my son's car accident, when he was doing so poorly – she was especially kind. Her passing, is such a tragic loss to us all, as she was always willing to go that extra mile. National shows will never be the same without her. I extend my deep sympathy to her family.
