## President's MESSAGE

The winter has been pretty mild again this year in the Midwest. This should mean a large turnout for the NDS in Indianapolis in late April. Many breeders reported problems with getting does bred in the fall, so the juniors may be a bit younger than normal.

Since our last issue, we have three new Directors in the ADRC. I have appointed, and the Board has approved the following for open seats on the Board: District 1, Ray Brewer of South Carolina, District 2, Dawn Schwartz of Illinois, and Rick Lehmann of Kansas for District 3. Welcome to you all!

The following committees have also been appointed. This may be news to many of you. I contacted the committee chairs to make sure they were willing to serve. As a member of the committee, you will be notified of your duties when you are needed.

- Dutch Reporter Comm. (to decide the merits of controversial articles sent to the DR)  
Fran Schettler – chair, Rick Lehmann, Tom Dietrich
- Election Comm.  
Barb and Denny Kline – chairs, Vicki Bogan, Ken Giebel
- ARBA Judges Selection Committee

Pete Nelson – chair, Sue Peters, Greg Gilbert, Rick Lehmann, Keith Weber

I am also working on a new chair for the publicity committee as our current chairs, Rick and Julie Billups, are resigning after the NDS.

Speaking of publicity, the Dutch poster is ready to go. We had a couple of small samples at the NDS last year, but when the company tried to enlarge it to poster size, the clarity was lost. So in the mean time, we have been working with the company who printed the ARBA poster. The poster will be available at the NDS for a good price.

We have received a formal bid for hosting the 2003 National Dutch and by the time this is received, the bid will have been approved. The bid is from the Washington County, PA RBA. This is a large local club with plenty of experience in helping with the state convention as well as local shows. The effort is being headed up by Howard and Colleen Dunmire. The Ohio State Dutch Club members will be assisting their club during the actual show. The

date of the show will be April 25-27, 2003. Washington County, PA is about 30 miles south of Pittsburgh.

The Board will be reviewing a bid for the 2004 NDS that is being prepared by the Ohio State Dutch Club. The proposed date and location of that show is April 16-18, 2004, at Greenville, Ohio. More data will be out on this once the bid is finalized.

Is your club interested in hosting a National Dutch Show?? If you need information on what is required or how to do it, then contact me and I will get you information on what has been done in the past.

The Guidebook is in the final stages and may even be to you prior to receiving this issue of the DR. It hard to publish when we don't have many articles submitted.

Since we are on the topic of publishing, we are well aware that the DR has not been on schedule. We know that this is the most important part of your membership. We know that this is what keeps your interest during those times of year when the show season is slow. We are looking at what the problems are and what we can do to correct this tardiness.

I hope to see all of you at the NDS in Indianapolis.

## Vice President's Message

By Fran Schettler, California

The 2001 ARBA Convention show has successfully come and gone, and here it is almost time for the National Dutch Show. It is amazing how time flies. The spring shows are kicking into high gear here in California. Unfortunately, I have had to cut back on the number of shows that I attend as well as the number of rabbits I can maintain. Life only seems to get busier and busier!

The quality of our Dutch stock here in California remains high. Those of you able to attend the NDS had better watch out for Scott and Beau Williamson who are planning on attending. They have really been kicking you know what out here. Anyone who can show 7 chocolate junior does in one class gets my attention! They have really been doing well with their blacks too and have really been racking up the sweepstakes points. They may well be the only representation from California as I doubt that I will be able to make it. On the unfortunate news side, Chris Lowey, who was one of the larger breeders of California Dutch in recent years, has gotten rid of almost all of his animals, and has gone over to the meat rabbit side. Sad too is the fact that San Diego resident Joanne Purpus has sold out of most, if not all, of her Dutch. I feel fortunate to have acquired some of her good grays, and I am happy that I was able to find good breeders for the rest of

her grays to go to. I am still working hard on good gray ring color, especially in the middle of the back at the saddle line.

I have been noticing an interesting phenomenon and I'm wondering if anyone else has been seeing an increase in the number of babies born with "stub" tails. I've gotten some from some purchased animals and started wondering if this is something that is widespread or not. Drop me an Email if you have some feedback on this:

Fschettler@telocity.com

## Sec/Treas MESSAGE

Dear Friends,

Hope this finds you dealing successfully with winter. It certainly has been an unusual one. It will be good to get to National Dutch Show time. I hope that by now you have got your plans all made. It promises to be one of our better Spring get-togethers. The catalog looks great and I'm sure that the Indiana crew will do a bang up job.

Please note that it is just about election time again. In order to have your name entered as a candidate for a director's spot on the board you need to get a short resume of your commendable qualities to me on or before **May 1**. These short biographical works give the members in your district a chance to know you a little better.

I know that I keep trying to convince you that a healthy organization has members that present themselves as candidates out of concern for the good of the organization. It usually involves a sacrifice in that some of the time at the National Dutch Show in the spring and the ARBA Convention in the fall will be spent in meetings. But Kevin does a very good job of keeping things moving and the meetings usually are not too long. So, if you are a member and have thought about jumping in, please do so. I will accept your biographical sketches at the National Dutch Show, or via snail mail or email. **The deadline is May 1, 2002.**

I would like to take a moment to thank the retiring members of the ADRC board of Directors. You have served well. We ALL appreciate your dedication. And then to welcome the new members to the Board. We will see you in Indianapolis in April.

The Guide Book is nearing its conclusion. By the time you read this it may be too late for an ad. We usually figure to print a 5 year supply of Guidebooks and that makes the add prices very reasonable. And really, one of the very important parts of the Guidebook is the presentation to new members of sources of breeding stock.

At this time I am going to ask each of you to give me a hand at keeping up on the secretary's work. Please make sure that if you send a Sanction request it is complete. There is a mountain of mail coming here each week and it is VERY difficult to keep

track of a sanction application that says " ARBA code number not yet received. Will forward that information when it arrives." Then also make sure that the show location is indicated. Sometimes the only location on the form is the location of the secretary's address. Many times that is not the show location. If you send a sanction and a membership at the same time, it would be helpful if you would write two separate checks. I will have extra membership applications and sanctions applications with me in Indianapolis, please grab a supply.

Try to remember to get your membership in on time. It helps to not have to search the expirer's files to dig your name back out. For the time being I have decided to go to a larger mailing label for the DR in order to insure that your expiration date is included on that label. In the past we have found it difficult to get the date on the label because of the smaller size.

So, I will close with a thank you in advance for your help and will see you all in Indiana.

*Doreen Bengtson*  
*Lewiston, Minnesota*

## DISTRICT ONE REPORTS

### NEWS FROM RICK B.

I hope this is the first of many reports I will be writing as your Director of District One. The show season has just begun with Lima hosting their show last weekend and the Nationals only 2 ½ months away. Mike Smith had BOB in the open show at Lima and David Stump won the youth with a nice black senior buck. Both breeders are from the state north of the Ohio border.

The Hoosier Dutch Rabbit club during the weekend of April 27 & 28 will host the 2002 National Dutch Show in Indianapolis. I hope everyone is making plans to attend this special event. You will find information throughout this issue of the Dutch Reporter.

Julie and I have had very few litters even though the weather has been very mild this winter. We still have our rabbits in our barn which was

built in 1905 and isn't what I would call the ideal rabbit barn. Our goal was to start construction of our new rabbit barn this spring but Julie demanded the windows in our house be replaced first. I tried to convince her that the windows were good enough when the house was built in 1890 and that they would last another 10 years, I lost. So we have pushed back the new rabbit barn until fall or possibly spring of 2003. Please send in pictures of your rabbit barn to Julia with a short description so that Julia can publish them in the Dutch Reporter. Condolences go out to Todd Uran and family on the recent passing of Todd's dad Mike on February 15<sup>th</sup>. All who knew him will miss Mike. See ya at the shows...

## NEWS FROM GREG

Hello everyone!

**H**ave been out-and-about here in the South just a bit. Went to the Pensacola, Florida triple show around the first of February. This is the SPARK show. I had heard a lot about the show but had never been. Dutch numbers were not huge but had a nice show. Met some newer exhibitors who did well in the show with only a few rabbits. I did win a nice grooming table in the club raffle. I am not known for my excessive grooming skills so maybe that was a hint or a sign. Also attended the Dalton, GA triple show around on March 2, 2002. The Dalton show is always nice, they had several judges and things moved along rather well.

I have noticed that many shows bog-down at lunch time regardless of whether the club actually breaks for lunch or not.

The youth show had several entries. I have noticed that we have several youth members on their "final-leg" of youth showing. Several of our most active youth members will soon be too old to show in youth. It will be interesting to see if they stick around and show in Open competition. Hope they do as they are fierce competitors and their rabbits are always in better condition than mine. (They probably actually brush and groom, etc)

Don't know the timetable but the NDS may be history by the time you read this. The show seems to be on-tract and well organized. It takes a lot of work to organize a

rabbit show and I admire all who undertake such a task.

See you down the road.

*Greg Gilbert  
Wise, Virginia*

## NEWS FROM RAY

**G**reetings from the Sunny South. After the obligatory late February cold snap that froze a couple of litters, the weather has turned absolutely gorgeous! Nights in the 40's and daytime highs in the mid-70's. Boy, if you can't get does bred in the springtime, you just won't be able to ever get'em bred.

Dutch activity in the Southeast at shows so far this year seems to be down a little. We have seen numbers approach 65 or 70 on occasion. But, that's the exception and most shows are down around 40. The quality of the Dutch shown, however, has been good to excellent. This year started off well enough at the C.S.R.A. Show in Aiken, SC. Old Timers Fred and Kathy Mullinax and Greg Gilbert came down and got waxed by a couple of Brewer Dutch in first show. They got their revenge in the second with Greg Gilbert (I think) winning BOB and BOS. (It's hard to watch the Dutch table when you are judging two tables away.) A couple of young Dutchmen dominated the youth shows with Carlos Boggs (VA) taking BIS in the first show and Jessica Sobczynski (GA) taking the top honors in the second. Good numbers and super quality in the Youth Shows! Jessica has also picked up a BIS OPEN at the Carrolton Georgia show earlier this

year with a typey little Steel Jr. doe. Renee Renner of Florida is making a big splash with another classy little Steel doe. She took BOB at both Florida State shows in January.

After that show, I decided to take 5 or 6 back to the Central Florida Fair in early March, figuring I had a chance against them Floridians. Got beat (one BOS), but didn't get to see by whom. I did a little better at the Georgia State Show, picking up my first Best Reserve in quite a while. Due to low numbers of Dutch shown the previous year the show committee decided not to sanction them - Bummer! I just had a hunch that my little black doe was good enough to go up for Best in Show, so I took her along to this show anyway. If she had been able to beat just one more rabbit she would have gotten a G.C. Leg! As Best Reserve, the judge thought she was better than 534 of the other 535 rabbits there, and still, no Leg! It's funny how just a couple of nice juniors will get the old competitive juices flowing! I'm looking forward to Indianapolis!

## DISTRICT TWO REPORTS

### NEWS FROM DAWN

Hello Fellow Dutch Breeders,

**T**his is my first report as Director of District Two, what were you thinking Kevin? I will try and stay on top of things as much as possible. I will

be honest with you all in saying that Dan & I really don't go to a lot of out of state shows. However this year we may try to attend a few. If anyone has any input within District Two, please feel free to email me with your info or concerns.

Our numbers here in Illinois go up and down all the time, there never seems to be any rhyme or reason for it. However, our show season is now in full swing. Starting the first week in February, we had 5 shows scheduled. Which brings me to my first lesson for all New & even us Old Time Breeders. PLEASE don't ever go home & cull rabbits due to one judge's opinion. Dan & I showed recently at a Double show, so we had one open show & one specialty show, which means we had two different judges opinions. Of course Dan & I both knew in our minds what were our best rabbits, at least what we think is the closest thing to the standard & what WE like. The one judge picked what we felt was our weakest animals, where as the second judge picked exactly what we liked. The lesson to be learned here is, if we would have only had one show & had listened to the one judges interpretation of our rabbits, we would have went home & culled our very best & kept in our minds what were the weakest. When you raise rabbits you MUST try to interpret the standard & raise your animals by it & what you like. Remember, you are getting only one opinion on that given day. It's very important to know what you like as a breeder & raise it. Dan & I have always emphasized round heads & thick ears on our Dutch. I know a lot of the breeders don't feel this to be important but we

always have. We think it will make for a classier animal on the show tables. Hope this helps all the new breeders that get discouraged at the show tables the first few times. Don't give up, it takes Time & ALOT of patience, but when you get that good one it is SO worth it.

Till Next Time,

*Dawn Schwartz  
Lockport, Illinois*

### NEWS FROM TOM

As I write this article a sun shiny, yet cool and crisp day awaits me as I visit my rabbits, I'm thankful for a nice warm basement rabbit nursery. The Dutch exhibitors youth and open continue to show extremely high numbers of quality animals at the shows in Michigan and neighboring states. The youth often have the highest number shown of all breeds.

Tony Micallef has had some serious health setbacks, but is improving so keep him in your prayers and thoughts.

The Michigan Dutch Club explored the possibility of hosting a National Dutch Show but as of now all the pieces needed to do this, did not fit.

The upcoming National Dutch Show should be a good one. As an open exhibitor I feel we have three of the best Dutch judge's present – so you should get an accurate assessment of your animals.

Later this month I will be flying to St. Louis as part of the Purina Mills Inc. rabbit ambassador program. It

should be an interesting and educational endeavor. I'm looking forward to the upcoming show season as raising and showing Dutch rabbits continues to be a fascinating hobby.

Best of everything,  
*Tom Dietrich  
Mayville, Michigan*

### DISTRICT THREE REPORTS

#### NEWS FROM RICK L.

Hello everyone! I hope all of you had a great holiday season and in light of the tragedies on the East Coast this fall, I wish you, your family and loved ones a safe, prosperous and peaceful New Year.

Kevin Hooper called and asked if I would take the Directorship of District 3. I thought about it a while, phoned Kevin and humbly accepted. I've never been very political - the last office I ran for was in high school (only 4 short years ago!) when I was elected President of my class. Kevin said that what he wanted in a Director was someone who went to shows and was not afraid to speak his/her mind when called upon to do so. Anyone who knows me, knows that I am somewhat introverted and never really have much to say... but, I'll do my best! Actually, the more I thought about it, the more I realized it definitely was time to give back to the A.D.R.C. I've been a member 25+ years and this club, along with its "two-toned" rabbit, have given me so much enjoyment over the years

it is likely a debt I can never repay! Now to the important stuff. How's the weather where you are? Winter has proven generally mild here in the Heartland and through out the Midwest but the temperatures, as is the norm, continue to be erratic. One day it's 15° outside and three days later it's 70°! There is an old adage repeated throughout Kansas City that couldn't ring more true than this year: "If you don't like the weather in Kansas, stay a few hours and it will change!" This degree variation has occurred 9-10 times this year already and I don't look for it to change any time soon. As I put fingers to keyboard, Kansas City is currently recovering from and digging out from under a freakish and lengthy ice storm. 300,000 people have been without power for up to as many as 10 days! Lot's of fun and fortunately no loss of electricity at our home however, I know several other Dutch Club Members who were not so lucky. Temperatures the last 10 days have been cold – extremely cold for those without power yet today –as the city continues to dig out, will be near 70°! The fluctuation is making the coats of my Dutch go crazy and my sinuses are following suit as well. Okay, now I'm starting to sound like a Meteorologist, which provides a perfect segway to my next comment. Several years back I auditioned to be a weekend "weatherman" at a television station in Milwaukee. During the audition I was asked what an Isobar" was and wittily responded with, "It's a tavern where you go to drink alone." The television station thought I not only had a face for radio, but the brain of a

radio broadcaster as well. Needless to say, I did not get the job.

Not much to report on the show front. Spring shows start during the first week of March. It's early February as I write and I don't believe March could come soon enough for my tastes.

On the local District 3 news front, Kansas is excited to be the host of the 2003 A.R.B.A. Convention which will be held in Wichita from November 2<sup>nd</sup> – November 6, 2003. I understand the location is a great facility and I will keep you closely updated on details as the year progresses.

Belated congratulations to Bob and Char Bergene for winning Best In Show at the Kansas State Fair in 2001. The winner was a beautiful Black Junior Doe – richly deserving of the honor she received.

I would also like to thank my Black Junior Doe, Lehmann's D8 (what an awe inspiring name, I know...), for winning Best in Show at the Kansas State Rabbit Breeders Convention this past October. Some 1,500 animals were shown and I couldn't have been more pleased.

Well, now that I've rambled on endlessly, I will take my leave of you for now. If you would like to contact me, you can do so at: [ricksdutch@hotmail.com](mailto:ricksdutch@hotmail.com), feel free

## NEWS FROM PETE

**H**appy New Year! I hope that all of you had a Wonderful Holiday and that the New Year has already been good to you.

Well, it is hard to believe that it's 2002. Really, I don't know about you, but I just got use to writing 2001. Just one of the challenges of living in the new millennium. I've been looking over last year's newsletters from the Northwest and I'm reminded of a couple of things. First, what a GREAT year we had in the Northwest. The Northwest Dutch Rabbit Club (NWDRC) had a well-attended show year. I want to congratulate all who participated in that 2001 Sweepstakes contest, 19 club members competed in the sweepstakes contest. What a year! We have 4 youth finishing in the TOP 10, and 2 of the 4 made it to all the shows! That's a most encouraging result. We gave out the most amazing trophies to date at the Nothing But Dutch Show for

the 2000 Sweepstakes Contest. So impressive, that when Erik Bengtson was in the area to judge and saw the 4th place trophy, he joined to club on the spot. Thanks Erik. We'd love to have you at a show! Seven shows were sponsored by the NWDRC last year and our biggest show was a double show in August with 134 Dutch shown in each show. Debra wrote articles about some outstanding members in the NWDRC like Jill Dobson that appeared in the Dutch Reporter. We had the ARBA convention in San Diego. For those of you who didn't get to come, it was a well-organized Convention and an outstanding facility. The California weather was great, and it was so good to see all the Dutch Club members from all across the country. People are working really hard in their rabbitries, I can tell. A good time was had by all. A belated Congrats to Karen Leonard (BOB) and Beau Williamson (BOS), who walked away with Top honors. Convention was well attended by NWDRC members who mostly drove the 1200 miles along the coast to show their Dutch Rabbits. Debra, Megan and I were joined by Missy & Cathy Wolfe, Don & Carol Johnston, Linda & Jenna Arnett, Linda Loucks, & the Rooke Family.

Finally, Looking ahead to 2002. **We have committed to 8 specialty shows for 2002;** the show schedule for this year looks this way... Feb 16th.....Saanich, BC, Canada  
 Apr. 5th .....Central Point Oregon Jill Dobson- Pfaff is Sec.  
 Ore. show Apr 13th.....  
 YVRBA, Yakima, WA May 25th...

Nothing But Dutch, Bothell, WA (1=Youth 1=Open) August no date yet... Monroe WA Cluster of Specialties Double show. We spread our shows out over the Northwest From Vancouver Island Canada, to Central Point Oregon some 20 miles from the California Border. And we have the rest in Eastern or Western Washington.

So that's a wrap from the Northwest. I never want to leave anyone out, so my appeal goes out to YOU in my district. I am fortunate to know what's happening in the Northwest because it is my backyard. But, please tell me what's happening in your neck of the woods? If you have something to report please email me, I would love to hear from you.

My email address is:

Hope all your nestboxes are full, and that all is well with you...

In case some of you haven't visited the LDRC website, I wanted to make sure that you know when our upcoming shows are. We have the following shows scheduled for this year.

**May 4 Double Open/Double Youth Dutch Specialty Night Show (Clinton, LA)**

**October 26 Double Open/Double Youth Dutch Specialty Halloween Show (Montegut, LA)**

Mark your calendars for these shows. Great food, great awards, great friends and GREAT DUTCH!!

March 23, 2002

What a day for Dutch! A good turnout of rabbit folks and beautiful weather made for a most pleasurable rabbit show in Brandon, MS.

Louisiana Dutch Rabbit Club hosted an Open and Youth Dutch Specialty show in conjunction with the Mississippi Southern Hospitality RBA Double Open and Single Youth Shows and boy, did we have a good time!

Congratulations to Judy Duthu for winning Best of Breed with a Steel Jr. Doe and to Barbara and LuCristia Stanga for BOS with a Black Sr. Buck.

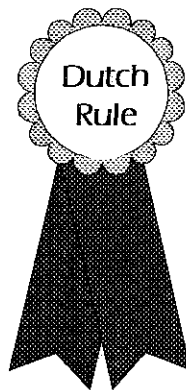

Thomas Lee Trosclair won BOB Youth Dutch with an outstanding Steel Sr. Buck.

Results and photos can be viewed from the following the LDRC's web site.

Many thanks to the MSHRBA for having our Dutch Specialty and congratulations to all of the Dutch winners.

## youth HAPPENINGS

.....our future stars

### YOUTH DIRECTOR REPORT

I had the pleasure of helping a first year member learn more about rabbits. I spent the day with her at the rabbit show and told her all about Dutch. She was extremely excited to find someone who knew "all about Dutch". I did my best to help her find the tools it would take her to get started. Her parents were enthusiastic and listened attentively to my answers to their questions. It was nice to see a family that was so dedicated to starting right. She ended up buying a rabbit from an exhibitor and several from me, in fact she's so excited about Dutch she can't wait to come to the National Dutch Show and was already begging her parents to take her there in April.

I know this may sound like a common occurrence, but it seems like there are fewer and fewer youth Dutch breeders. Without youth breeders, there will be no open breeders. I took the time to help this girl and her family. I hope that they will raise Dutch for many years, and make many friends along the way. If you have the opportunity to help and encourage a younger member please take, it's hard to imagine how happy he/she would be for help from a breeder that knew "all about Dutch."

### MUCOID ENTERITIS

By Jessica Scobczynski  
*Youth Dutch Breeder*

I don't know about you other breeders out there, but I and a friend of mine have been hit hard by mucoid enteritis. Don't all of a sudden think to yourself "Oh my, I need to make sure to NEVER buy rabbits from her..she has DEISEASED animals". If you refer to you ARBA guidebook, under rabbit diseases that the cause is not quite known, but stress factors have seemed to contribute to the cause. Then you may think to yourself, "well, it SAYS that the cause is unknown, right, so it COULD be a disease". Well, I have had one animal in a litter come down with it, and the rest of the litter, AND the mother remained fine. Every animal that has come down with it has seemed to be around weaning age, give or take 2 to 3 weeks. I believe that when an animal is at such a young age, and is so delicate, that it is more that possible that the fluctuations in the weather are more than enough to stress them into a severe case of mucoid enteritis. After much trial and error, I have comprised a week to two week long treatment period that has about a 90% success rate.

First, and foremost, hay, hay, and more hay. The high fiber is very good for them when they are this stressed and delicate. You also need to cut out any treats or food additions, as their diet needs to be as bland as possible.

Next, you need Kaopectate. This helps to bind up the animal quickly and calm their GI (gastrointestinal system). For bunnies at about six weeks I give 1/2 cc and down or up from there depending on age and weight. You want to give this for three days. That's it, no more.

Last, and by far the absolute most important part of your treatment procedure, Dri Tail. Yup, that's right, when it comes to mucoid enteritis; this is your new best friend (well, actually the rabbits). Dri Tail can be found in the hamster and gerbil section of most pet

stores. The following are the dosages that I have found work best:

Under 1 pound: 8-16 drops (it comes with a marked dropper)  
1-2 pounds: 16-24 drops  
2-3 pounds: 1/2 cc  
3 pounds and over: 1cc

As you may notice I only use the dropper for the for the small/young animals, after that a 1cc syringe is more practical. After the first two days, dosages should be cut in half. Continue the use of Dri Tail until 5-7 days of normal stools have been observed.

Now, you may ask yourself, how do I know if my rabbit has mucoid enteritis? As quoted from the ARBA official guidebook "Jelly-like secretion in stool, pot bellied & water-bottle like filled abdominal cavity. Won't eat and grinds teeth." Also, you may observe the animal sitting in its water crock (later stages, usually the animal is to far gone by that time), as well as poor condition.

You know, I was thinking about it while I was writing this that some breeder may think to themselves, too much trouble, I guess I'll let nature take its' course. Well, yes, that would be easier, but when the animal you are trying to save could be your next potential Best In Show, why not try? Well, you may say, it's too expensive, with the average cost of about \$10 to treat 10-15 animals, I wouldn't say it is.

Look, all I can say is try, in long run it really has paid off. I saved a Blue Dutch Doe that came down with it when she was 4 weeks old, and she went on to win a BIS at only 10 weeks! Now, unfortunately, some animals really are never the same, condition wise. So, good luck, and remember, you never know until you try!

# Intestinal Parasites in Rabbits

V.L. Cooper, DVM, Diagnostic Pathologist  
*Wisconsin Veterinary  
Diagnostic Laboratory*

Rabbits can be infested with a wide range of intestinal parasites. Coccidia are the most common, causing frequent illness in young rabbits. Preventing this disease requires keeping rabbits in hygienic conditions, avoiding infected feces, and/or food and water contaminated with feces. New rabbits, with unknown history, should be quarantined for at least 30 days before being introduced to other rabbits.

Coccidia are microscopic one-celled protozoal parasites that affect the intestinal tract and liver of rabbits. All rabbit coccidia are members of the family Eimeria. Eimeria stiedae infects cells lining the bile ducts in the liver. Four species of intestinal coccidia are typically encountered in the United States: *E. irrisidua*, *E. magna*, *E. media*, and *E. perforans*. Rabbits become infected by ingesting feces, containing the coccidia oocyst. This may happen when the rabbit cleans its feet or fur that are fecal contaminated or eats and drinks from sources that has been contaminated with feces of another infected rabbit.

Signs of intestinal coccidiosis are variable and depend on the degree of environmental contamination, age, Eimeria species involved, level of stress, and host immunity. Infection immunity resulting from Eimeria infestation in rabbits is effective and may be life long, as coccidiosis is primarily a disease of the young. Light to moderate infestations are often clinically silent. Heavy infestations

Rigid sanitization procedures can stop the cycle of transmission, and reduce or eliminate how the organism is maintained and spread.

may result in reduced weight gain, "poor-doers", and varying degrees of diarrhea. Death is typically related to liver damage, dehydration, and secondary bacterial infections. Intestinal and hepatic coccidi-

osis, often occur simultaneously.

Importance of good sanitation cannot be overstated. Acquiring cages with suspended floors, bottled or automatic water systems, and other means of preventing or limiting contact of rabbits with fecal contamination is paramount to reducing the incidence of disease. Rigid sanitization procedures can stop the cycle of transmission, and reduce or eliminate how the organism is maintained and spread. Agents are available for treatment, though they cannot replace proper sanitation practices. Consultation with your veterinarian for accurate diagnosis, and therapy is encouraged.

# A RABBITRY IN KANSAS

The Bergene Rabbitry is located in the Sunflower state. That's Kansas. We are near Kansas City in a small town called Gardner. Our address is 30165 West 154 St. We moved here from Wichita, Kansas where I had just built a 30 x 40 rabbit barn, but had to move because of a job transfer. When we arrived in Gardner in 1991, we put our rabbits in a two-stall horse barn. That summer we added a 30 x 60 metal fully insulated building on to the existing 30 x 30 building. Now the 30 x 30 section is used for storage of nest boxes, feed, etc. and an office/sales room combination.

The main rabbit barn has vent doors on the east and west side of the building which can be opened to allow fresh air to come in. They are closed in extreme cold

conditions, but I like to keep them open as much as possible. Inside the barn, I have a large air tube system the entire length of the building allowing fresh air to come in. This system is commonly used in greenhouses and was purchased from Acme Manufacturing in Oklahoma.

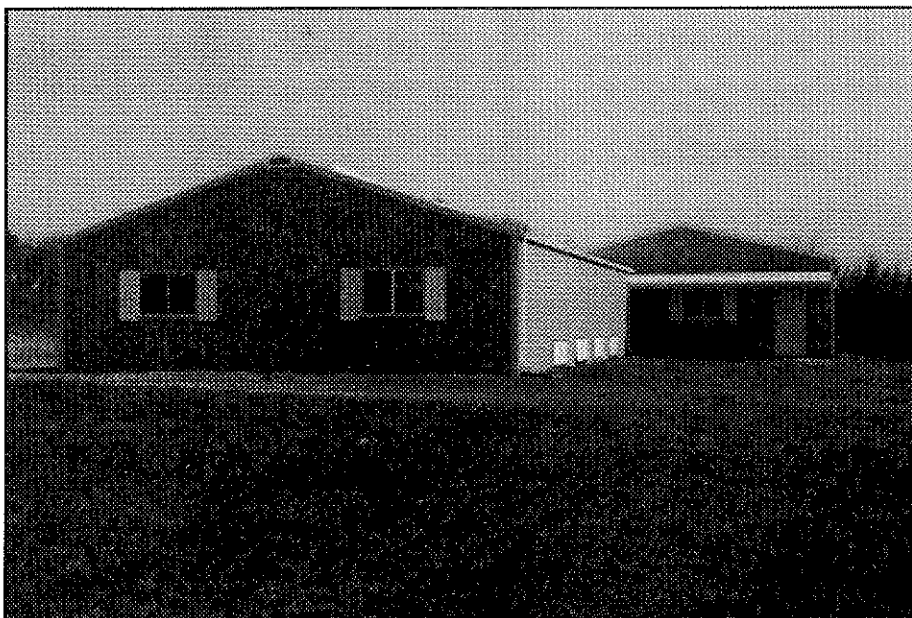

There are three double rows of cages in the main barn. Now most of my cages are 24' x 30" deep. I have reduced the number of my 36 x 30 cages, as we have switched from several commercial breeds to **MORE DUTCH (YEA!)**. I like the 24 x 30 size, as it works well for does with litters, bucks and show rabbits. Each cage has a metal divider in between as that prevents fur chewing and urine stains which is a must if you plan to show your

Dutch.

Water is supplied by an Edstrom watering system in the main barn, which I have used for 20 years now. In the back barn (horse barn) we use crocks for watering. This is where I keep most of my show rabbits. In this barn many of the cages are smaller. They are 18 x 24 and accommodate juniors nicely.

In closing, you should strive to have fresh water available to your rabbits with plenty of fresh air for them also. The environment should be comfortable for you to be able to work with your rabbits year round in your rabbitry.

## THE WEIGHT OF A DUTCH RABBIT – WHAT'S HAPPENING?

by Fran Schettler

The longer anyone is involved in showing rabbits, the more you develop certain policies about how to optimize each show for each of your rabbits. Sometimes these policies will work fine for years and then, all of a sudden, something will happen that makes you say “whoa, what happened?” This happened to my husband Jim and I one November at the first show we attended after one ARBA Convention.

The policy in question is one that we have followed for many years with good results—once a junior has won at least two junior grand championship legs and then makes senior weight, we consider showing that animal as a senior, even though the rabbit is less than 6 months old. Winning a senior leg on a Dutch even though the rabbit chronologically is still a junior still qualifies the animal for its grand championship, once it finally attains 6 months of age and is successfully registered. The rabbit that has now caused us to question this policy is a blue buck of ours that was a consistent winner as a junior.

In mid-November he made senior weight but was less than 6 months old. There was a triple Dutch show weekend in late November, so we pre-entered this buck in the first two shows as a senior. A judge whom we highly respect put this rabbit off close to the bottom of his class with “a very nice rabbit but goes off early with a severe cut for being less than ideal senior weight.” The rabbit weighed 3-3/4 lbs at the time—ideal senior weight, of course, is 4-1/2 lbs. Whoa, what happened? This was the first time in all the years of showing we had heard this as being a “severe cut.” In the second show that day, the buck also showed as a senior and was judged Best of Breed. In the third show the next day, we demoted him to a junior, and he took Best Blue under Scott Williamson.

A consultation with Scott took place after the show, and he confirmed that since we are judging against an ideal standard of perfection, a less than 4-1/2 lb. animal should receive a cut in points and an animal over 4-1/2 lbs. should too. I guess the question boils down to one of “how many points should be cut?” Certainly this is strictly a judgment call for the judge and he is entitled to his opinion. However, since our Standard of Perfection allows our senior Dutch to range

from 3-1/2 to 5-1/2 lbs., assuming that the animal otherwise carries good type proportionate for its size, is a “severe cut” really appropriate? We have certainly noticed that some judges are heavily biased against “large” Dutch (5 lbs +), no matter how nicely they carry their type. We also have observed that many judges show heavy preference for the smaller Dutch (3-1/2 lbs. to 4 lbs.) In fact, it is our observation that many breeders have a preference for the smaller animal (3-1/2 to 4-1/2 lbs.), especially for bucks.

Personally, we do not feel that severely penalizing a senior for being less than ideal weight or more than ideal weight is appropriate as long as the rabbit is within the senior weight range and carries proper type in proportion to its size. We feel that, weightwise, this animal should be given even consideration with an animal that is exactly ideal weight.

### IN MEMORY OF MIKE URAN

Following a brief battle with cancer, Mike Uran passed away at the Dilworth Center in Montpelier, Ohio on February 15. Mike and his wife, Joanne, were well known figures in the Dutch Rabbit Club. They could be found near the Dutch table at most shows lending support not only to their son Todd, but to all other exhibitors as well. I first met Mike in 1995 when I attended my first rabbit show, put on by the Williams County Rabbit Breeders. Mike was one of a small group of people instrumental in the construction of a new rabbit barn on the fairgrounds in Montpelier. The building, one of the nicest rabbit barns in the state for 4-H kids, will stand as a memorial to he and Joanne in memory of all their hard work and dedication.

We members of the Ohio Dutch Club will especially miss Mike's great stories, quick smile, and sincere love of the hobby. He was always ready to share the quickest route to a show, the best place to stay overnight, and the restaurant with the tastiest food. He enjoyed talking with everyone including our kids. It was a common sight to see a group of children standing around his and Joanne's lawn chairs, giving Mike their full attention. I'll never forget my kids using my new show cart as a race car at the Fall Specialty in Wilmington a couple of years ago. A board had been placed on it by Mike, along with a few carpet squares, my youngest son sat in the middle, intently receiving driving instructions from him, as my oldest son prepared to push. As I came over to retrieve my cart, I was met with a big grin and an admonishment from Mike that they were just being kids and having fun.

Dutch Nationals will seem a little less fun this year without Mike Uran. I'm going to miss walking into the showroom at Indy and hearing that voice boom out, "So, which way did you come, and how many rabbits did you bring?"

*And from Tony*

Dear Rabbit Friends,

I want to thank all my rabbit friends for all of their calls, concerns about my health, all of their cards (I received so many) and all their well wishes while I have been ill. It's been a long time.

I miss you all and hope to see you all very soon. Many, many thanks!

Your rabbit friend,

Tony Micallef
