DUTCH DEN NEWS by DORIS

How is the summer treating you? Weather in Minnesota has been beautiful the past week but did go through a period of high humidity. Lots of rain and lots of weeds in the flower beds and garden. Rabbits all doing well, not as many well marked Dutch as I would like, but will keep trying. Those markers have to be somewhere in the gene pool.

County Fair time is creeping up on us along with all of the problems that the Fair shows bring. I'm beginning to agree with those who believe that Fair shows aren't worth the problems that they bring. The rabbits do come home pretty beat up, not to mention those that are injured or disappear.

Had a relaxing week end at the Grand Rapids, Minnesota show by the Itasca RBA. A wonderful day, nice entry and lots of friendly conversation. Best in Show won by member Bruce Morrison, not with a Dutch tho. Had a bouncy ride in the new boat with Pres. Reid and enjoyed the Reid hospitality in their new location in Northern Minn. There's a barn on that property that is a rabbit man's dream. Not big, but well planned and tight. What with one thing and another, came home relaxed and ready to go again.

FIRE When Ready

Two Frenchmen got into a hot argument and decided to settle things with guns. On the appointed morning one was on hand with his pistol, his second, and his physician. After about an hour a messenger arrived with a telegram from the other.  
"Dear Francois," it read, "if I am late, don't wait for me. Go ahead and shoot."

A PERMANENT SILENCE?????

A young mother, paying a visit to her doctor, was making no attempt to restrain her five-year old son who was ransacking an adjoining treatment room.

Finally, through, an extra loud clatter of bottles did prompt her to say, "I hope you don't mind Johnny being in your examination room, Doctor."

"Not at all," said the doctor calmly. "He'll quiet down in a moment when he gets to the poison cabinet."

oooooooooooooooooooooooooooo

Daughter of first film star: "How do you like your new father?"

Daughter of second film star" "Oh, he's very nice."

Daughter of first film star: "Yes, isn't he? We had him last year."
