DEVOTED TO THE INTERESTS OF THE BREEDERS OF DUTCH,

America's Finest Rabbit

American Dutch Rabbit Club

July Aug 77

It is time again for another message to you Dutch Breeders. Be sure to keep plenty of water to those Dutch these hot days. I know it has been hot other places in our Country as it has here in Ohio. Had a Dutch Breeder from Mississippi stop to see me the other day. Sure is good to see some of our Club Members from other parts of the Country.

I received the nomination report from the Committee and only 115 of our 700 membership sent in ballots. Sure not a very good response from our Club Members. I hope more of you will vote when ballots come out this fall. This is your club and hope more of you will take time to vote.

I hope a lot of you Dutch Breeders are planning on the Convention in Texas this fall. It sure would be nice to have a larger display of Dutch in Texas than in any other breed. I hear they are planning on a great Convention.

We'll keep those Dutch as cool as possible and hope to see you at the shows.

Mike Stinehelfer - President

Ed's Note: Mike had included a personal note - and the only reason I am repeating any of it - is because Mike's wife Barb has been in and out of the hospital in June. No Mike, we didn't know this but we sure hope Barb is ok now. Folks, I don't know how many of you have had the pleasure of meeting Barb - well she is a very nice lady - - - - - except for one thing - - - be careful at the shows because she will snap your picture quicker than lightening. So be sure to have your eyes open and your mouth shut when Barb is around. Kathy

DON'T SOFT SOAP THE RABBIT MEETINGS

DUZ you DREFT along with the TIDE. VELL now is the time for ALL to CHEER up if you want real JOY. The TREND is to BREEZE to Rabbit meetings. But too many WOODBURY their heads in their pillows or work in their yards like HANDY DANDY. They forget that at meetings we learn to WISK through the TOP JOB with LES TOIL. Don't trust to LUX. You could be a ZUD, Nobody is PERFEX Shall we send out an S.O.S. for you? Shall we DIAL you and remind you of our IVORY palaces? This isn't just idle BAB'O. Meetings can AD to your LIFEBOUY. BEHOLD, our BIZ is to help your problems VANISH and SAFEGUARD your Rabbitries. Put your ENERGEINE to making a BOLD GAIN on a KLEAR FUTURE. So why not start a new ERA; dress up SPIC AND SPAN, DASH out the door, and DRIVE like a COMET to our next meeting. PLEDGE yourself to join the AXION and the FINAL TOUCH will be a life full of ZEST.

Yours Truly
 MR. CLEAN

REPRINTED from a Newsletter given to me by the post mistress. I have substituted Rabbit & Rabbitry but other than that everything is the same. Kathy

SECRETARY'S MESSAGE

Greetings once again. Seems like summer is a busy time of the year. The fair season has begun and these shows are a fantastic opportunity to get our Dutch in front of the public. In spite of the heat and often time poor facilities, it is something that we should attempt to work with. Both open and 4-H have potentials that we shouldn't ignore.

I especially enjoy seeing the youth, primarily 4-H, working with their animals. This is the learning grounds for these future breeders, and they need our assistance. I don't feel that we should do things for them, but rather, we should be available for guidance and help if they run into things beyond their control or experience.

Along the same line, we are still getting letters concerning a youth division of the Dutch Club. I don't know how much of a separate division we could economically enjoy, but there are ways of rewarding our youth members for their accomplishments. Come on youth members - get those cards and letters going to the officers telling them of your concern and desires.

The final election ballots will be mailed out before you receive this Dutch Reporter. Again, it will be done by 3rd CLASS PERMIT MAIL. I have to admit that I don't care for this method of mailing any more than you do, but we have to consider the relative costs and effectiveness. We only received two requests for ballots from people who did not receive their nomination ballots. Maybe this was due to indifference, but apparently most received theirs, or we would have heard about it. AGAIN, IF YOU DO NOT RECEIVE YOUR BALLOT BY THE 25th of AUGUST, send for a NEW BALLOT. Don't wait until the last day before the due date of the ballots, as you must allow a week for even the first class letters to get to us and back to you.

I guess I didn't explain a couple of things very well last issue. Darrell Bramhall was left off of the nomination ballot for judging next year because we had not heard from the convention committee that he would not be judging at the date the ballots were published. I discussed this with President Stinehelfer and we decided to place Darrell's name on the ballot this fall, as has been done in the past when the selected judges did not get to judge at the show they were elected for.

The other item that seemed to arouse some people was how I phrased the statement that Darrell was not selected to judge Dutch. Another club had offered to pay Darrell, so the convention would not have to pay their judge. Apparently the money spoke, as this is the way it was done. Apparently there is no way of insuring that we get our choice of Judges unless we hire and pay our own. We did make an offer to guarantee that there would be enough Dutch entered to cover the two judges we requested, and that if there was not enough, that we would pay the extra cost of the additional judge.

I guess I have to admit that I would not be pleased with whatever the show committee did, unless it included giving us our choice (CONT.)

SECRETARY'S CONTINUED

of judges. At the same time I realize that it is impossible for them to satisfy everyone. I feel that I have to do my best for the Club and the members that I represent when I do these things. It was easy in York, as our staunch Dutch members in that area greased the wheels for us and got us our choices. It wasn't so easy in Milwaukee, as the committee wouldn't even consider our selections, and we were forced to pay both judges. If we have a professional mediator in the audience, would he or she please step forward and offer their assistance for this task in the future?

A REMINDER to all MEMBERS - - - The SWEEPSTAKE RIBBONS are supposed to be picked up at the show. Usually the secretary will bring the ribbons and rosettes with them. If they don't or if you don't see them, ask the secretary about them. If somehow you don't receive all your ribbons or rosettes, write us, and we will send you your prizes. We have had very few complaints about this, so again, we presume that it is working fairly well.

Start gearing up for the convention show. Texans are hospitable and friendly, and can put on some fine shows. Long ways for us, but we are planning on attending anyways. Look forward to seeing old friends, making new friends and having a good time.

Get your BALLOTS IN AS SOON AS POSSIBLE. VOTE for those you think will benefit the club. Good slate of potential officers again! Makes it easier to vote when all the candidates are qualified and capable. After the votes are counted and the dust settles, I'M sure that the DUTCH CLUB will again be the WINNER.

Larry Bengtson

CANDIDATES' CORNER

CANDIDATE'S MESSAGE TO MEMBERSHIP

I have accepted the nomination of President to the A. D. R. C. If I am elected I will do my best for the ADRC and the Dutch Rabbit.

This is your club. We have 700 members and only 115 voted. How about the other 600? All you have to do is mark and X and lick a stamp and the envelope. Not much work involved. Maybe you don't care about YOUR club enough to vote. If you raise and show Dutch Rabbits and belong to the A.D.R.C. why not vote also?

After you vote, if you have any questions, suggestions or ideas or even a gripe, anything to say, do it. Write to Larry, Kathy & Bob, or any other Officer. Don't forget. A CLUB OF 700 ACTIVE MEMBERS IS BETTER THAN ONE OF 1,000 INACTIVE. So let's see a little action. Let's make the election committee work a little. Let's make them count 700 votes.

Don't forget to put your return address on the outside envelope so your X and stamp is not wasted.

Thank You

Jack Wireman of Jack's Bunnies
Candidate for President ADRC

Ed's Note: Jack seems to be the only candidate running for anything.

I HAVE A PROBLEM

I have two brothers, one brother is a member of the American Dutch
Rabbit Club. The other brother was just sentenced to the Electric
chair for murder. My mother died of insanity when I was three years
old. My two sisters are prosititutes and my father sells narcotics.
Recently I met a girl who was just released from the reformatory
where she served time for smothering her illegitimate child and I
want to marry her. MY PROBLEM IS..... If I marry this girl,
should I tell her about my brother who is a member of the American
Dutch Rabbit Club??????

This was sent in by Jack Wireman of Ohio, the only thing I changed
was American Dutch Rabbit Club, Jack had Ohio State Dutch Rabbit
Club. Hope everyone has a sense of humor. Kathy.

HOUSES are made of brick & stone, but HOMES are made of love alone.

A BIG THANK YOU

Those of us in Kansas who hosted this year's National Dutch Show want to take this opportunity to thank each and every Dutch Breeder for all your great support.....

- Support with your specials and trophies
- Support with your ads.
- Support with your help.
- Support with your moral.
- Support with your entries.
- Support with your enthusiasm.
- Support with your friendship.

Without all the great people who make up this 'Great Dutch Fancy' we could not have had this show. It started two years ago as an idea and the anxiety built as show date approached. It all culminated in Hutchinson when some of the greatest fanciers in the world gathered for fun and fancy.

A special Thanks for those who had faith in us!

Nothing is ever 100% but we hope that this competition, friendship and fun is what most everyone will remember.

Dutch breeders are a dedicated loyal lot! Thanks for helping us put on a great show! We hope you will visit and show with us again, someday soon!
Barbara Addison and the Kansas State Dutch Club.

 Doreen Bengtson

I say, is it hot in your part of the country? It sure is here in Texas. But we are faring pretty well.

Sure enjoyed the articles in the last DR. Good to have new breeders write what they have on their minds, and feel this is one way we can encourage more and more breeders.

Want to clarify one statement made by our good secretary. Don't want all you members mad at us Texans about the judges.

Way back in September of last year I mailed a form to all Speciality Club secretaries, asking several questions, one of which was concerning the judges for our show. We asked if the club would select and pay for the judges. The Dutch Club does not pay for the judges, therefore we honored the selection of another Speciality Club who do pay their judges, when they stated they wanted Darrell Bramhall to judge their breed and they would pay him. Therefore, we went back to the voted list and picked up Cecil Green to judge, who had been next on the list, discounting the ARBA Directors, who are not allowed to judge. In case you are not aware of the National Convention and Show Rules as set up by the ARBA, it states, "That the Speciality Club recommendations are not binding on the Convention Show committee, that they should use them whenever possible," which we did. Now, hope you all understand and are not upset with our committee. We are just doing the best we can, and hope to have a good convention and show. Incidentally our two judges are Don Lovejoy and Cecil Green.

We were glad to see that Oren Reynolds has a relief for wry neck. We had been testing an ear medicine our Vet gave us for our poodle's inner ear problems. It has done the same thing and we feel that this will help the breeders a lot. Now if we only knew what truly causes it, we might be able to avoid it.

So far this year, we have been lucky. Have had no re-occurrence of the problem we had two years ago when we lost so many of our good rabbits with diarrhea. But our sparrow population is way down this year. We rarely see one in the rabbitry and two years ago, there were more sparrows there than rabbits. Have a long report from A&M University after a test on two of our rabbits. They know it is a virus, but of course, had no way to tell the cause or how to avoid it.

Had a great trip to Florida. Looked around for property & spent most of the time with the grandson. Sure am getting anxious to move. But boy! what a job it will be.

Things are coming to a head with our catalog. It will be out about September 1. You can order one now by sending a check for \$2.50 to LINDA STONE. Then you will be on the list. This will cover one entry for the show. And other plans are falling into place.

Hope we hear from more breeders. I truly enjoy their articles and views.

ED'S NOTE: Our Thanks to Doreen for this above or preceding report. Not all Dutch exhibitors were listed because that would take quite a bit - of everything (paper, work & time) but this does give some of you an idea of how close you were to the top twenty. Also there are quite a few youth in this sweepstake. Congratulations to all of you. Kathy

1977 NATIONAL DUTCH SHOW

As the 1977 National Dutch Show was also our first, there were a couple of things that stood out in my mind. One was that a lot of Dutch breeders feel that their rabbits are not enough for the National. This, I think, holds true in new breeders - - those who have been in rabbits maybe less than five years. I know this was true with me. So we went just to see if this was true. There were some very good rabbits; however, I feel now that we should have taken a few with us. What I'm trying to say is, if others feel as I did, attend a National Dutch Show and see for yourself - - otherwise, you'll never remove this feeling.

In the last Dutch Reporter, in Larry's message about the seller's class, I agree that the breeder should receive one-half. There are a couple of other things: (1) I feel that all sellers should go through the regular show. These could be marked "seller" on the entry and no entry fee charged. Winnings are important to a lot of buyers; this could help the sale. (2) How about selling in pairs or trios? (3) After the entries are closed, a printed sheet of sellers could be worked up as a handout as people come to the show. These rabbits then could be watched as they are judged. The handouts could be shortly after the judging started.

The fact that they are sellers should have bearing on the judging. I agree - - it was a good show, and I plan to try to attend more National Dutch Shows. It was great to meet many Dutch breeders whom we have heard and read about. The Dutch Reporter is great; and after meeting you both, I can better understand why.

TEXAS DUTCH

This is my first article for the Dutch Reporter and hope it won't be the last. I have really enjoyed this magazine this past year and thanks go to Bob & Kathy.

I would like to take this opportunity to express my THANKS to all the people who have helped me this past year.

I have been a Dutch Breeder for a year and a half. I was surprised to find myself the Texas Dutch Sweepstakes Winner. Special Thanks go to Mickey Farrill. I could never have come this far without his help. He answered so many of my questions so many times. He taught me so much about Dutch. I would also like to thank Landon Patschke. Landon has been very helpful and a good friend. Of course, how could I neglect Nelle & Don Brady. They are a world of information and know rabbits. They are always ready and willing to help new breeders with every phase of raising rabbits.

TEXAS DUTCH CONTINUED

The most important person to Thank is my crazy, wonderful husband. He put up with me during this past show season, and is ready for another year.

Thanks for letting me have this chance to publicly Thank these wonderful people.

Don't Forget the NATIONAL CONVENTION in NOVEMBER. We are really busy getting ready for the Biggest and Best convention ever to be held. If you would like any information in regards to the tours, please contact me and I will try to help in anyway I can.

ANOTHER THANKS

I've written to you before concerning my Black Doe, Brandy, and her diarrhea problem. It seems to have cleared up a little by itself. The real reason I'm writing is to thank you and the Dutch Reporter for the special gift you gave me. That special gift is a friend, I met through the DR. His name is John B. Miller and in August, it will be a year that we've been corresponding. He first wrote to me about my problem with Brandy and we've been corresponding since. You see, we both had one "pet" rabbit (Dutch). John is a very knowledgeable person when it come to rabbits and has many good, interesting theories about them. Having only the one rabbit, Virginia, a Chocolate Dutch, allows him, as it does me, to observe the rabbit more carefully and to understand it. Also, by reading books on the wild rabbit, one can often understand the origins of the tame rabbit.

Well, I met John, from Kerrville, Texas on May 18th at the airport. He brought with him a special little gift - a little chocolate Dutch 6 weeks old, from Virginia's litter. It's adorable, although like Brandy, my other Dutch the Chocolate Dutch has disqualifying markings. That's okay, I love her as a pet. We think she is a doe, but since John has only raised two litters, he couldn't be sure at 6 weeks and I'm still not sure at 3 months! I named her "Hershey" (after the article in the DR) but after having her awhile, I've given her another name "P.D.Q." PDQ is a Chocolate mixture but also means Pretty D---- Quick, which is how she moves. In closing, I'd like to Thank the DR again for giving me a friend and a new beautiful, little bunny. I never would have met John or gotten Hershey without the DR. That just goes to show you what a good magazine we have.

NEW ENGLAND NEWS

The New England Spring Shows are over and except for the Fairs during the latter part of summer most of our rabbits will be on vacation, till the fall shows begin. Don & I missed quite a few of the Spring Shows but hope to make up for it in the fall. We have a few "pampered" juniors coming along that we are anxious to show.

I liked Don Brady's article in the May-June Reporter, it was interesting and helpful. We have always used shavings to line the nest boxes before filling them with hay and it is very effective. His idea of filling plastic jugs with water and freezing them to use in the hutches during the hot weather has helped our rabbits tremendously. We have a few does that seem to really suffer from the heat. I used to put them in carrying cages and move them into the cellar and leave them there until the cooler part of the day. The ice filled jugs have eliminated that problem.

The National Dutch show sounded great and as Don & I lived in Topeka, Kansas for a year and a half (compliments of the U.S. Air Force) we agree that there's lots of hospitability among the Kansas people. Someday we hope to make it to a National Dutch Show.

Mark Bean's proposal on starting a separate youth sweepstakes in the American Dutch Club gives us "food for thought". The New England Dutch Club has a successful youth division and I think it encourages our younger people. Don't ever underestimate our youth exhibitors, they have some excellent Dutch (at least here in New England) and do well on the show table. Mark is very dedicated to the Dutch cause and always promoting the Dutch Rabbit. He would be a credit to any aspect of the Dutch Club.

The 1976 New England Dutch Sweepstakes went to the following members with the most points in each variety. Trophies were awarded to:

William Schaefer - Black	Barbara & Don Mahan-Grays
Barbara & Don Mahan - Blue	Wm. Schaefer - Chocolates
William Schaefer - Tortoise	Barbara & Don Mahan-Steels

Most points in Youth went to:

Kathy Cavacco - 1st place
Tom Cudworth - 2nd place
Donald Baker - 3rd place

Sincerely,

Barbara L. Mahan
Westboro, Massachusetts

Ed's Note: Our SINCERE THANKS to the previous four writers. We enjoy getting News from all of you. Barbara has touched on the youth and Mark Bean. Well I received a couple of letters which I will print but in the meantime I sent Mark their names and it seems Mark has been busy - which you will find in the following pages. As far as the YOUTH in DUTCH go we HAVE MANY THAT are Winning BOB, BOS and placing in the SWEEPSTAKES. CONGRATULATIONS to ALL YOUTH WINNERS - may you continue to beat the Old-Timers. Kathy

Y O U T H

We received our Dutch Reporter yesterday and thrilled to read of the possibility of a separate youth sweepstakes. My 11 year old son Derek raises Dutch and I feel this would be an opportunity for him. How can I as a member help promote and speed up this proposal?

Paul M. Drefke
Strafford, Missouri

Ed's Note: Paul had added how hot it was and what he was doing to help his rabbits - "We use a sprinkler hose on the roof now but it doesn't help all that much." Maybe not but every little bit does help those rabbits some. Right now we are in a cool period, days are warm not hot and the nights are good cuddling weather. Kathy

* * * * *

Just had to second Mark Bean's proposal in the last D.R. I think a youth sweepstakes would be a great idea.

My son just turned 14 and has been showing his Dutch against the adults for a year. He ended up in 5th place in the Texas R.B. Sweepstakes for Dutch which isn't bad - as he has only taken 5-7 rabbits to a show. His name is Tim and he is the Dutch member and has plenty of BOB & BOS rosettes from the club.

Tim has some very good Blacks, a few Grays and has been trying to get going with Blues, but just can't seem to get any. The rabbits he sells are producing Blue but the ones he keeps, just keep on producing Blacks. Oh Well, he never says die.

MORE ON YOUTH - MARK BEAN

I would like to take this space to Thank the Board of Directors for taking my proposed youth sweepstakes into consideration. I would also like to add some information and viewpoints that have come to me from several ADRC members who expressed great interest in this youth project. FIRST - I have heard that there is some concern over the life span of a youth member. The life span of a youth member would be no less than that of a perspective adult member. Since some adult members lose interest in Dutch, more to another breed or give up rabbits altogether - they do not stay in the ADRC. With a youth department in the club I feel that memberships would be stabilized and more members, when they become adults, will stay in the club. As for those youth members who go to college after high school, I can say that, if they truly enjoy rabbits they will arrange some way of keeping them. (I know several people who are going to college now and are maintaining their rabbit herds). Further if these people must give up their rabbit herds they will very often pick up the hobby after graduation - I have sold rabbits to people in this situation.

(CONTINUED)

YOUTH CONTINUED

Another thing that a youth department would do is bring in new members. Many youth breeders do not join the club because their is not a specific youth department in it. I've also heard of parents who have joined the club for their son or daughter thinking that the club did not accept youth members! I sincerely believe that the establishment of a youth department in the ADRC will do away with these problems, and attract more members and more stablized member-
ships.

Also, I would appreciate, as I'm sure the Board would, hearing from YOUTH MEMBERS and their parents on this subject. Don't forget as Kathy Kahler says, "This is YOUR CLUB and YOUR Magazine so don't be afraid to write something down and send it in.

Mark Bean - ARBA Registrar
32 Park Street, Saugus, Massachusetts 01906

Ed's Note: I put Mark's complete address in HOPES that any YOUTH reading this will write Mark - so that he can report to You and the Board. You can send it to us or any board member and we will see that it gets to Mark. This next is a personal comment - Bob & I here in Illinois have seen some YOUTH outside playing while THEIR rabbits where being Judged at a youth table - the rabbits were put on the table by Mom or Dad. This does not help a Youth - but what Mark wants would be GREAT - Youth showing against adults and getting special recognition. Someone said once that it still might be Mom or Dad putting the rabbits on the table - well at least they will be showing in the OPEN. The kids who do win against the adults have really got something to crow about and I am personally all for them. Perhaps I should have not put this under Ed's Note as this is stricly my own feelings and not that of the DR Committee or the Board.

Kathy

QUESTION - - - - QUESTION - - - - QUESTION- - - - QUESTION

Would someone please explain - What Steel & Gray Dutch look like in the nest box. What color are they? Is there anyway to distinguish them from other colors? Do they show any ticking? The reason I ask is that I have a Black Doe with a litter from a Black Buck and this Doe's mother is a gray and the fathers a black and I'm wondering if any of these black looking animals could possibly be steels?

Mark Bean

ALSO - Iam disappointed in our many readers - maybe you answered Sally Jureatic personally but we didn't get a copy of your answer. Folks these people write in - asking a question in hopes of getting an answer. I just figured that since we have such great members surely we would at least hear from one of you. Maybe one of our board members can come up with some answers. Or better yet maybe we could hear from more than one board member. Seems Don Brady is our only Board member interested enough to write for us. Anyway if you still have the last DR then PLEASE dig it out and read Sally's question and if you send your answer to me - then I will forward them to Sally and Mark

EDITORS' COMMENTS

Bob has really goofed me up - - he at least writes half a page of comments and then all I have to do is finish up the page. This is the hardest page of all to finish up. We never know how much of a page we will have to fill.

TO EVERYONE - - WHO HAS WRITTEN for the DUTCH REPORTER - - A VERY SINCERE THANKS - - you do make it easy to put this DR out. I just wish we could get more articles from our Board of Directors - it would be nice to have something EVERY ISSUE from EACH & EVERY OFFICER & DIRECTOR. Sometimes we hear from some of our Directors and some we have never heard from and then there is Don & Nelle, - whom we all know - - do their part. They Iam sure are BUSY probably busier than most of us - but they find that extra couple???? of minutes to write and let us know what is happening in Texas and Dutch. Anyway we can always use articles.

Bob has just said to mention that we finally got our cool wave and the rabbits are enjoying it - probably more than we are. Really though our rabbits did pretty good during the hot spell - you see Iam a Tree nut and if I had my way we would have a yard full of nothing but trees - - so we have plenty of shade - makes it hard to sun bath but the rabbits are a little cooler.

Hope you folks don't mind me rambling but I just can't think of anything else to mention - that hasn't already been mentioned through-out this DR. Anyway we did get Bobbi's & Suzette's rooms done and they are keeping them so clean - I really can't believe it. I guess we should have done this years ago - - their rooms really did look like something a pig wouldn't wallower in. At least that is what I always said when I wanted them to at least make a path in their rooms. We got a new outside door and then we have started to paint the outside of the house. This may take awhile - first it was too hot and then we did get some much needed rain. Bob thinks we should be able to get another side scraped and painted this weekend - that is - if we get this DR done. As you can probably tell by now - we won't be going to Houston. Because once we get the outside done then we start again in the inside.

The girls and I have of course been swimming. I was asked to help with some pre-schoolers. It ended up with one class of kids who weren't afraid of me or the water. One class of a child who was afraid of the water, and one class of Moms & kids. It was fun but Iam glad it is just swimming time again. Bobbi has been taking diving lessons and seems to have gotten stumped on her back dive. Suzette can dive off the raft just fine but she belly-flopped off the board and has decided maybe she would wait until she is seven to try again. Oh Yes, on or about Aug. 10th-we will be grandparents. WOW! Bob&Kathy
