PRESIDENTS REPORT

Fred Mullinax

Hi Dutch Fans,

Well Summer here in the South has come and gone, and Fall is just around the corner. I hope everyone has raised a lot of good bunnies. The ARBA Convention will soon be here and I'm hoping there will be six or seven hundred real good Dutch.

We just held our Carolina's Dutch Show but it seemed like a smaller turnout than our last show. We only had 67 but they were all real nice. A Gray Jr. Buck won BOB. This is the second time that a Gray has won this show in a row. BOS was won by a Steel Jr. Doe. Grays and Steels seem to be doing alot better.

We will be holding a meeting in Tulsa, so if anyone has any new ideas to help the club you need to let us know. We will also be discussing the Hall of Fame, so keep this in mind.

We've had a lot of members who have been sick. Some have to give up their hobby because of illness, so maybe we could send a card or give them a call. I'm sure they would like that.

So, until Tulsa, hope to see all of you there.

EDITOR:

Here we are with another issue. Despite the amount of time given to produce this publication, I cannot seem to ever get it done on time. This issue is about 3 weeks late. There will be another issue coming out in December, in order to have the election and judge's selection completed before the first of the year. I intend to start the last issue of the year sometime around November 20th and mailed very shortly thereafter.

Due to my judging schedule, work schedule, and other interests, I will be unable to continue to publish the Dutch Reporter after the first of the year. If you have an interest in doing this job, please contact President Fred Mullinax and confer with him about your desires. I have enjoyed working on the DR, and apologize for the lateness of issues. Perhaps the next person will have more time to devote to the DR and get your issues to you on time.

Thanks to all that have contributed to the DR over the past several years.

Should I ever be able to assist any of you with questions or concerns, please feel free to contact me.

SECRETARY'S REPORT

Norma Hart

Hi Everyone! By the time this issue of the DR reaches you, the 1994 ARBA Convention in Tulsa will be over. I'm always anxious for the NDS & Convention to get here, but the workload that awaits your arrival home is always nothing you look forward to! The Postal Department is always eagerly awaiting the pickup of bundled mail that accumulated while I was gone, - at least the mail that arrives!! We're having quite a bout with the postal service in our area. There were approximately 800 government checks in this area that never arrived and their whereabouts is still unknown! I've been getting mail that belongs elsewhere and I know that I'm not receiving all of mine! Some pieces of mail have taken up to three weeks to get here from the date of postmark. Just last week I had one article of mail delivered here that was addressed to a totally different name at a very different address. I wrote in red ink across a portion of the front, "incorrectly delivered to Norma Hart at 190 N First Ave" and I took it to town and dropped it in the mailbox. Two days later, the same letter was again delivered to me! I wrote on the front on the other side of the printed address, "please read, this was again delivered to the incorrect address". I decided to take it to the local post office and give it to them.! They really didn't seem to care that this had happened and just asked 'me' where it was supposed to go! I told them that I had highlighted the name and address in green and that they shouldn't have a problem. We've been having problems ever since the burnt bags of mail started in and around the Chicago area.

If you are calling to check on something or just need to ask a question, please remember that we are in the central time zone and 10 PM to some of you is midnight to us while 6 AM to others is only 5 AM to us. I'm always happy to assist whenever possible but please look at the time before making your call.

Your NDS and Convention judge(s) nomination ballot for '96 is enclosed in this issue. Also enclosed, and on the reverse side, is your final ballot for Vice-President and directors for the ADRC. Won't you please take the time to vote!? Youth paid members may only vote for youth NDS judge. This is for the show sponsors consideration only as they are not obligated to this choice! We just ask that they consider this choice whenever it's feasible.

Remember to check each of your DR labels or your membership card for your expiration date and thank you for your support of the American Dutch Rabbit Club!!

VICE - PRESIDENT'S MESSAGE

Wayne MacKinnon

Hello Everyone,

By the time this DR is in the mail we will be getting ready to go to Tulsa. Had the pleasure of attending the last Tulsa Convention, and it was top notch. If you are new to the club or raising Dutch, please introduce yourself to any of the club Officers, Directors, or other members at our Dutch booth. Yes, I said our booth. It is there for your convenience and information. It will have knowledgeable staff available to answer all your questions on Dutch rabbits.

I would like to take some space to thank Dick Gehr for the job he continues to do on the DR. It is a job that not too many of us would care to do. Thank You, Dick.

It will be sad not to see Dr. Reed at this convention. He will be missed by all of the Dutch fanciers. A man more generous with his time to help others than can be imagined. He was a friend, a confidant, and one heck of a rabbit judge.

HALL OF FAME COMMITTEE

I was given the task of putting together a committee to study an induction process. Am glad to say at this time the committee is wrapping up the package for approval in Tulsa. PLEASE do not send any nominations as of yet. We hope to start the nominations in January, but let's not put the cart before the horse yet. FINAL approval of the nomination and induction procedures will come from the ADRC Board in Tulsa. Will have much more on this in the next DR. Stay tuned! If you have any questions or suggestions feel free to contact any of the committee members. The committee consists of:

Bob Bergene - Gardner, Kansas

Terri Bullis - San Francisco, California

Eric Mixdorf - Waterloo, Iowa

Mark Pecaric - Trenton, New Jersey

Wayne MacKinnon - Taunton, Massachusetts

Jack Wireman - Navarre, Ohio

FISCAL RESPONSIBILITY

A lot of discussion at the last Board of Directors meeting was centered on the shaky financial condition of our club. The Board is under pressure to find answers to our dilemma. In my view we need to do a little soul

MacKinnon, Con't:

searching in the way we allot funds. We also need to develop new innovative ways to raise money and earmark them for specific areas. Special areas of concern in my view:

1 - National Dutch Show allotment currently \$500.00. This money is forwarded to clubs for the purpose of running the National Dutch Show. The idea is to help sponsoring clubs that **need** the help financially in running the show. There have been times when the sponsoring club has made a large enough profit to pay some, if not all, the money back. However, they are under no obligation to do so. Maybe it's about time we ask them to.

2 - Currently the Publicity Department has a large assessed inventory, \$4,000.00. This is a lot of money for our club to have tied up on slow moving items. It is time for our Board to assess these items for liquidation and returning these funds to our General treasury.

3 - Our Auctions at our National Conventions have fallen on hard times. This used to be one of the most entertaining and financially rewarding areas for our club. We need to get interest going again in this area for the good of the club and its members.

4 - Sweepstakes Ribbons - Let's face it, there are a lot of Dutch showmen that don't care if they receive their sweepstakes ribbons. **Please**, if you are one of them say so when renewing your membership. Our club spends a large portion of our income on these ribbons and the cost of mailing them.

5 - Youth, The Future of Our Club - We must do all we can to encourage our Youth members. The sweepstakes ribbons are one way we can do this. I WOULD NOT RECOMMEND ELIMINATING SWEEPSTAKES RIBBONS IF THE YOUTH MEMBERS WANT THEM.

Thank You very much for reading this article. Hope to see you in Tulsa.

DISTRICT I - Kevin Hooper -- OH

The fall show season has just begun in Ohio and we have had good numbers of Dutch. We have a couple of new breeders who have been showing in the area. It's nice to see some new people working with the Dutch, but it is up to the experienced Dutch breeders to help them to improve their Dutch and increase their interest levels. A breeder will become discouraged if he is consistently finishing at the bottom of the class and will soon be out of the Dutch business. It's no fun to go to a show and win everything... if you are only competing against yourself and a few other Dutch.

The Ohio Dutch Rabbit Club will be meeting at the site of the 1996 National Dutch Show for our second planning meeting. Much thought is being put forth to make this one of the best National shows ever.

ALERT: The deadline for donating specials or taking out an ad for the 1995 National Dutch Show is approaching. These clubs can only put on great shows with our help. Volunteering a little time to help at the show or donating a few dollars is greatly appreciated.

I am currently doing something that hasn't been tried in the Dutch breed for a long time. I will be having the first showing of the Blue Steel Dutch at the ARBA Convention this fall in Tulsa, Oklahoma. I am sure some of you might feel that we don't need more colors of Dutch or that we might end up with as many colors as the Netherlands. That is not my intention.

A little about the Blue Steel. It is not a recently created color. It is a color that was once grouped in the Dutch AOV (any other variety). The AOV group was done away with long ago but the genetics to produce these other colors remain. The four animals I will be bringing would make very nice Dutch no matter what color they are. The Blue Steel is just as it sounds. A Blue with the Steel gene which gives an off-white coloration near the tip of the hair shaft. Their belly color is slightly lighter than the color over the body. Several Dutch breeders saw my Blue Steel Sr, Doe when I showed her in the Steel Doe class at the Ohio Dutch Show in June of '93. Those who saw her liked the color. There are some breeders using this color in their breeding programs. I am currently producing Blue Steels, Blues, and many Steels using the Blue Steels. I believe the addition of the Blue Steel will increase the interest and quality of our Steel Dutch as well. I hope you have a chance to see these animals in Tulsa. If you have any questions that I can answer regarding the Blue Steel or any other issue in the Dutch Club, don't hesitate to call or write.

Hooper, con't:

Also, a gentleman from Eastern Canada contacted me early in September regarding the purchase of some Dutch. I have lost his name, number, and address. I believe his first name is Troy. If anyone can help me to contact this Dutch breeder it would be greatly appreciated.

Hope to see you in Tulsa.

DISTRICT I - Ken Emerson -- NY

At this point all buzz is about the upcoming Convention. It seems that every Dutch breeder I speak to is going there except me. This is the first Convention I will miss since I started going to shows. I wish you all the best and hope that everyone is a winner.

There have been a few shows here lately, however the amount of Dutch being shown is discouraging (40 - 60).

The first show of the year is the State Fair where Steve Schilling won BOB with a Blue Senior Doe under Helen Brose. He also won Best In Show under Helen. BOS was a Blue Buck. Approximately 125 Dutch.

The first regular show was down on Dutch. A Black Buck was BOB. The next show two weeks later was also won by the same Black.

This past week we had the NYS Grand Finals where the Andrews won with a nice Chocolate Sr. Doe, and a Tort Jr. Buck was BOS (56 Dutch shown).

I'm sorry that I have nothing interesting to say at this time, however it's been a hectic Summer, and Fall does not look any better.

I would like to Thank Kevin Hooper for all the work he has done on the Standards Committee and another Committee we are on. I hope everyone in the ADRC appreciates the work Kevin does and the time he spends on the breed.

DISCLAIMER

ARTICLES, STATEMENTS, AND OPINIONS PRINTED OR EXPRESSED IN THE DUTCH REPORTER MAY NOT BE THOSE OF THE AMERICAN DUTCH RABBIT CLUB OR THE EDITOR AND ARE SOLELY THE RESPONSIBILITY OF THE AUTHORS

DISTRICT II - Dick Gehr -- IL

ARBA National Convention time is upon us, and this promises to be one of the biggest and best to date. We will all be looking forward to judge Larry Bengtson evaluating our Dutch, and one of us will come away a big winner.

This Fall has been extremely busy for me with my judging schedule, helping Norma with the Illinois State Convention show, and getting ready for the Convention.

The Dutch I have had the good fortune to judge throughout the country seem to be of good quality. I am still seeing a tremendous amount of cow hocked Dutch, and this is something that will have to be addressed in our breeding programs before it gets way out of hand. I can remember several years ago this problem became very serious, and many of us got rid of some excellent marked Dutch in an effort to correct the situation. It is indeed a long, hard climb to build a herd from bare essentials, but it is better to take the time and effort than to keep breeding the cow hocked animals. One should not be able to check the length of the stops when the rabbit is in a posed position!

It is time to start winterizing your rabbitries. If we have the cold in the Midwest we suffered for a few weeks last winter, I am going to offer to judge all the shows I can in the South for free!!! I do have a pleasant trip to look forward to in the month of January. I will be going to Bermuda to judge their Island show.

I received a call from Sandy Reed, and she had a trophy that Doc had won at one time. She wanted to know if the Dutch club would like to have it as it didn't appear to be the normal Best of Breed trophy, so I am having her bring it to Tulsa. I asked our club historian, Jack Wireman, to track down the incidentals on the trophy and this is what he came up with.

The Dutch breeders in the state of Delaware put up a trophy for Best Dutch at the ARBA Convention held in York, PA in 1976, in the memory of Glenwood C. "Pop" Sturgis, Sr. Doc won this trophy with a Blue Sr. Doe. "Pop" Sturgis was a good promoter and breeder of the Dutch rabbit who passed away December 19, 1974.

I thought perhaps the Eastern Dutch Breeders or the New England Dutch Club would like to have the trophy for historical reasons, or maybe to present at one of their future shows.

That's it for now. Hope to see y'all in Tulsa.

DISTRICT III

Chuck Christ

I was saddened to hear of the loss of Doc Reed. We all have our special memories of Doc. If you had a rabbit problem you could always call Doc and get an answer to your problem. We will have to look long and hard to fill Doc's shoes, if we can at all.

We also lost Lowell. My memories of Lowell is that win, lose, or draw he was happy because he was around his beloved Dutch and Dutch breeders.

I have been receiving reports from the Wyoming area from Janet Baumert. It sounds like breeders, Open and Youth, are having fun with some great competition. If you get a chance check out one of these shows and keep those reports coming (they're great!).

It was great to read that the Hall of Fame is going forward. I hope we get to vote on our first members in Tulsa.

The show season is restarting after a long hot summer. I hope your shows are successful and that you kept the best for Tulsa.

It sounds like the Open meeting at the NDS was lively. I wish I could have been there.

--- NOTICE ---

I received a note from Paula Shaw announcing the dates of the Portsmouth Rabbit Breeders Association shows in Ohio for the 1995 year. The dates are April 23 and September 17. Anyone wishing more information on these shows should contact Paula at 208A Evans Rd., Portsmouth, OH 45663.

She also passed on some information about a couple of Best In Show wins she had with Black Dutch. Both were at the Scioto Co. Ag. Society show, one held on August 11, 1993 and one held on August 11, 1994.

REMEMBER TO MAKE YOUR PLANS
TO ATTEND THE 1995 NATIONAL
DUTCH SHOW IN OSHKOSH (By
Gosh!) WISCONSIN THE WEEKEND OF
APRIL 28, 29, & 30. THIS IS NOT ONE
YOU WANT TO MISS !!

District II - Floyd Dopler -- IL

As of this writing the fall state conventions are yet to be held so I do not have any interesting show results to comment on. Many clubs are planning a specialty show in conjunction with their state convention, which should provide an opportunity to meet people, make new friends and perhaps even learn something. Illinois, Indiana and Iowa all plan double shows and it wouldn't surprise me if Minnesota or Michigan did also.

I am saving Dick Gehr's last column in this publication for future reference. I believe everyone will find all the information necessary to submit a bid to print the Dutch Reporter should they be so inclined. After looking over the number of pages and the number of copies produced plus the mailing involved, I find this to be a very competitive price. However, if anyone can find a better deal, please feel free to submit it.

I feel there are people more qualified than me to comment on the passing of our fellow dutch breeder Dr. Terry Reed. I will however make one observation on his behalf. Dr. Reed received a letter from a breeder in district II. At the time he knew two of us were running to fill the vacant position in district II. In his thoughtfulness he sent both of us a copy copy of the original letter, so that we would not be left in the dark, and he sent along a copy of his reply to the breeder. This is only one example of the many types of services he would do in order to be of assistance to everyone. Many times a lot of work is performed in the invisible area behind the scenes of our rabbit world. Dr. Reed deserves credit for his outstanding efforts on our behalf and this is how I will remember him.

President Fred Mullinax commented in the last issue about preventing bucks from biting each other at national dutch shows. With that in mind, I would like to say that I was show secretary for the national holland lop show in Moline, Il. this past spring and assisted in putting on the show. (No, I don't have any hollands.) The same issue came to light when the cooping was brought up. Solution: As I work at a corrugation plant (most of you would call it a box factory) I obtained some odd size sheets which were almost the precise size needed to push between the cages to prevent bucks from snipping at one another. Either the exhibitor should carry some corrugated board and a box cutter with him, or else the show sponsors could conceivably contact a local plant and explain the situation. With any luck by asking for these small TIE SHEETS you might even have them given to you. Most of this type of material at box plants are headed for the baler unit to be sent to a recycler.

DOPLER, con't:

The nice part of this is that the sheets will be the same size, which will help the appearance of your show room and the exhibitor does not really think about bringing his or her own. I also got the end rolls off the corrugator unit which meant we had large amounts of heavy brown paper to cover the tables with before setting up the cooping. As they can not use these either, your local company may also hand these over too. They start out as 5 ton rolls of paper and the last 2 or 3 inches of stock never gets used. Something to remember when confronted with a specialty coop show. Please note: such rolls are 5 to 6 feet long so you better have a van or truck to haul them home.

I recently talked to a breeder that was told by a local show secretary that they "might as well leave their chocolate dutch home since there usually isn't any shown and there would not be any competition for them." I also choked on this one. It was further annoying to hear the club did not want to sanction dutch because there was only fifteen shown the year before. I have been at this more than a decade and the rule of thumb has always been ten or more shown as being worthy of having a sanction the following year. As a show secretary I will take every entry I can get to help my own show. By the way: a breed does not have to be sanctioned in order for you to exhibit it. You are still entitled to your grand champion legs. Naturally having our sanction would help promote your breed, but I do not know what pressure we can exert on some of these clubs. We can only hope time and perseverance will cure this problem.

In the last issue I mentioned being on America on Line. Well, if you happen to have access to the internet (governmental bodies and universities) you can catch me there to. My mailing address on internet is: floyd.dopler@qcs.org I read my mail at least once every 48 hours if not sooner. As I am the monthly bulletin editor for our local gem and mineral club, I see quite a bit of mail from different geology departments and societies.

BEST WISHES to our members.

BY FRAN SCHESSLER

DIRECTORS MESSAGE

As the summer draws to a close here in California, several of us are looking forward to attending the Tulsa Convention. I find it hard to believe that the entries are due this week. It is always a challenge to try and guess which rabbits will look their best one month from now.

I will be able to attend Tulsa this year, thanks to a husband who is willing to stay home with our two kids, including a then seven month old. I hope to see many of you there.

The California Dutch Rabbit Club has held some recent specialty shows. One of the favorite summer shows for this club is held at the ranch of Barbara and Harold Baird in Morgan Hill. We have a morning and afternoon specialty show with a delicious pot luck lunch at the ranch cookhouse. Mature oak trees shade the show area of this outdoor event.

109 Dutch were shown in the morning show. Judge Don Matthews gave Best of Breed to the Steel Senior Doe and Best Opposite of Breed to the Steel Junior Buck, both owned by some surprised Schettler's. It is always a surprise to see steels take top honors-- it is so hard to get good steel color and markings and type!

The afternoon show was judged by Chris Zemny, who saw 105 Dutch. Best of Breed went to the Steel Junior Buck owned by Jim and I and Best Opposite of Breed went to Amber Miskell's nice Blue Senior Doe.

SAN DIEGO NEWS

The Sun Valley Dutch Fanciers held their summer specialty show again this year in conjunction with the San Diego Beach and Rabbit Club open show. This show is also an outdoor show, held in a park in full view of the magnificent Pacific Ocean. 146 Dutch were judged by Scott Williamson in the specialty show, with Best of Breed going to Robert Brents and his nice Black Junior Doe. Best Opposite of Breed went to Jill Dobson with a Tortoise Junior Buck.

In honor of Doc Reed, the SVDF awarded Best Senior and Best Junior awards. Best Junior, of course, was the Best of Breed Black Junior Doe shown by Robert Brents. Best Senior was the Tortoise Senior Doe shown by Jim and I. SVDF gave out very nice plaques with "win" pictures on them in Doc's memory for these awards.

The open show saw 127 Dutch judged by Shannon Byrom. Best of Breed again went to Robert Brents and his Black Junior Doe. Best Opposite of Breed went to Joanne Purpus and her Gray Senior Buck.

OTHER NEWS

The California Dutch Rabbit Club's Youth Achievement Contest is now underway. This contest is open to all CDRC youth members and awards a \$50.00 gift certificate towards the purchase of a Dutch rabbit to the winner, plus a nice plaque. Judging criteria and deadlines are published in the current issue of *The Dutch Blaze*. If any youth is interested in learning more, please contact me.

CDRC's sweepstakes for 1994 is winding down. Current leaders include Jim and Fran Schettler, Jill Dobson, Joanne Purpus, John Eubank and Amber Miskell. Amber is currently the first place youth point earner, with April Worley close behind. Rounding out the top ten-- Tracy Robinson, Terri Bullis, Beau Williamson and Robert Brents.

GRAY DUTCH

I have been looking at a lot of the gray Dutch lately that are hitting the show tables here in California. While many of these animals are showing good type and even fairly good surface color, I am really dismayed at the large numbers being shown with little or no ring color in the middle of the back, especially up by the saddle area. My husband and I haven't kept a gray for almost a year as we have been culling heavily for ring color. While I do finally have a doe whose ring color is good, I am very frustrated as to why parents with good ring color don't seem to be throwing offspring with good ring color. It may be that our strong ring color line is getting too closely bred. Guess I'll be on the lookout for a top quality gray buck with good ring color at Convention!

A TRULY THRILLING EXPERIENCE...Jill Dobson

For some time I have wanted to write a story about my thrilling experience at the 1993 ARBA Convention. The part I have found the hardest was how to start. So I decided to start at the beginning - in 1975 when I decided to raise rabbits. My brother Scott already had Siamese Satins but I chose Dutch out of the Standard of Perfection.

There were no breeders in my area, so my family went on an outing, loading up the station wagon with my three younger brothers and me. It was a three hour drive to Crescent City, California to see Mrs. Betty Beckendorf, an ARBA Rabbit & Cavy judge very active in 4-H and FFA. I purchased a Black doe and litter of 3 week old kits, including one Tort, for ten dollars. My leader in rabbits was Mrs. Phyllis Caldwell, she ran our club like summer school and was an inspiration to me. My family was very active in 4-H over the years and my parents have been Swine project leaders. I showed in 4-H and Open shows until I graduated from High School in 1980. I was always one of those kids who set goals and was determined to reach them and had a lot of fun trying. I sold my rabbitry-including cages, and my other 4-H project animals and went to college in Portland.

Growing up with lots of animals to care for is how I first became interested in Veterinary medicine. In 1983 I graduated and became a licensed Animal Health Technician and moved to Winston, Oregon where I fulfilled a lifelong dream of working at Wildlife Safari, a privately owned wild animal park. Once settled in my new career I was able to get back into my favorite hobby, raising Dutch. I joined the Douglas County Rabbit Breeders and Northwest Dutch Club. During this time I had the opportunity to reacquaint myself with breeders in Oregon and meet new friends in Northern California, like the Mead's- George, Rose and Katie, Jim and Fran Schettler, and Jill Giron.

In 1987, I was ready for a change and moved to San Diego County, California where I met Peggy and Jannah Felt, Joanne Purpus, Dr. Paula Johnson and Allen Barr. Together with help from Gene, my husband of 5 years, we started the Sun Valley Dutch Fanciers (S.V.D.F.) in January 1988 and have since grown to over 50 members. I have enjoyed being President of S.V.D.F. for five years and serving two terms as a director of the California Dutch Club. I believe it is important to get involved because clubs don't run themselves; it takes people who are dedicated and committed, which is also the key ingredients in raising Dutch. Right now I am taking a break from club leadership to devote more time to my recently acquired position at the San Diego County Department of Animal Control's Florence Riford Medical Center. My profession has allowed me to better care for my rabbits. Dr. Reed's articles in the Domestic Rabbit have been valuable information that I have collected over the years in a notebook of rabbit medicine.

My rabbitry currently houses only Dutch for showing - Black, Blue & Tortoise. I have 30 pens for breeders and 20 for juniors. The number I show varies from 6 to 20. Part of the fun raising and showing Dutch Rabbits has been all the nice people I have met and become friends with over the years. My best friend in Dutch has been Joanne Purpus. We have traveled together, traded breeding stock, been partners on a few animals and have worked together to build S.V.D.F. into a successful Dutch Specialty Club. At one time Rick Lehmann happened to live near me for a few years and we enjoyed trading bloodlines and competing at the shows. When Rick moved to Seattle in 1991 he left his herd in my care until he was settled and I took advantage of his great herd bucks (sound familiar?), including animals from Mark Pecaric, Scott Williamson, and Andy Barton. There have been several other breeders who have influenced my herd. Marti Dill, past President of ADRC, had a significant influence on my herd. In 1989 I purchased a trio of grays from her. While I no longer raise grays those animals are the foundation to some of the blacks I have now.

Mr. Leonard Weir, who passed away in '92, traded with me in blacks & torts and has the distinction of winning BOB, BOS and Best In Show at the 1969 ARBA Convention with a pair of Blue Dutch. (At this 1993 ARBA Convention I had a similar experience, read on for the details). I wish Leonard could have been here this year to see my success, but I feel he is in good company with other Dutch breeders having a great time telling stories.

My thrilling experience at the 1993 ARBA Convention held at the Puyallup, Washington fairgrounds started with a 22-hour drive from Southern California. In the crisp early morning of the first day, the Miskell family (Denise, Amber, and Brian) and I hiked from the youth barns across the fairgrounds to the open barns to get checked in. The fairgrounds glittered from the frost and fresh paint. This was quite a contrast from the 80 degree weather we had left the day before.

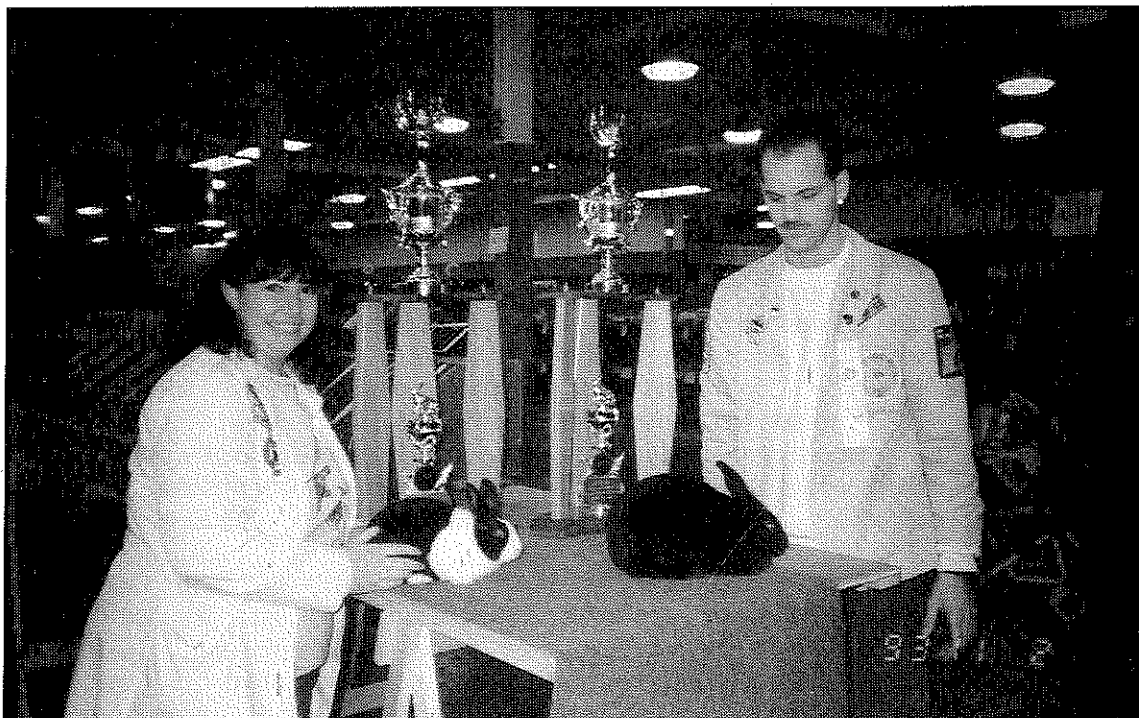

I helped George and Maxine Parmer, old friends from the Northwest Dutch Club, with the youth show. Dr. Reed judged 129 high quality Dutch. I was very happy to see youth members from California do well, especially Jeremy Hunzie, Amber Miskell, Jennifer and Tiffany Whalen, all who have purchased animals from me. It feels great to help young breeders do well! The first day of convention was such a success.

The big day for me was the open show, I entered 10 of the 246 animals judged by Dr. Reed and Scott Williamson. It's always fun before the show to talk to all the breeders from across the country and all the rabbit sales and swapping that goes on. Ken Emerson and I traded my pair of blacks for his beautiful pair of Torts. I had been wanting Torts from him since we first met at the 1991 ARBA Convention so this was a golden opportunity.

I was ecstatic when four of my animals placed first in their classes, while two others placed fourth and one seventh. Things started to get really exciting when both judges went over all the first place animals and began announcing the Best Senior and Junior and Best & Best Opposite of Variety - three of my rabbits had won! Then before I could catch my breath the judges announced my little blacks were Best of Breed and Best Opposite! I nearly fainted!!

Later in the day, the Best In Show was chosen. The room was packed and I barely managed to get my little black junior buck cooped. Then came the long wait as the judges went over all the best of breed animals. Luckily some nice Dutch breeders, Rose Mead, Fran Schettler, and Ken Emerson waited with me. I had not completely recovered from the shock of winning BOB & BOS. Personally I didn't think a Dutch had much of a chance - I am happy to say I was wrong! Jill's Lil' Buddy won Best 4 class and brought home the biggest trophy (three feet tall) that one of my rabbits has ever won! The Best 6 class went to a Black Satin doe that was also chosen Best In Show but I didn't mind a bit.

Now that I have regained my composure and some humility, I have lots of people to thank for helping me win this great honor. Special thanks and recognition to my parents Calvin and Phyllis Pfaff, Mrs. Betty Beckendorf, Mrs. Phyllis Caldwell, Marti Dill, Rick Lehmann, Mr. Leonard Weir, and Joanne Purpus. And a thank you to all the people from Washington State Rabbit and Cavy Shows Inc. who worked hard to host this convention. Also George & Maxine Parmer who secretaried the Dutch and gave beautiful trophies which I am enjoying and have proudly shown off to fellow employees and other rabbit fanciers. I wish everyone could have a similar chance to feel like all their hard work has paid off. People have asked me what my secret is but there really isn't a secret - for me it has been a test of patience and perseverance. My best advice is "Do it because you enjoy the challenge, the rabbits and the people".

July 28, 1994

Dear ADRC,

Just read the DR thru, and I thought Bob and I should renew our membership! Please find the check and the renewal slip enclosed.

I would like to comment on some articles in the DR. I also will miss Dr. Reed. Dr. Reed helped Bob and I with a few medical problems over the years and ponder if the replacement Vet will have Dr. Reed's ability and talent in medicine of rabbits. He made the comment about the "blue"'s undercolor in the DR. I don't know where I read it but I remember an article saying that a blue will never be penalized if the blue is a deep rich blue over a medium blue. And that it is really this Dark deep blue that "we" want. I have been shocked lately at the amount of lite blues (that may really be mediums) placing quite well at the local shows. (Some are even our rabbits). I guess Bob and I would like to know what is preferred, or what is the standard of now says. After all the standard places 10 points on color. That is 1/10th of the rabbit. In the rabbitry, they must have good color, and I have found that color is quickly washed out by using poor crosses. I would like to hear from Dick on this matter if he has the time to address it because he is a very good Dutch judge. I'm thinking that 10 points can not be overlooked, it is like the rabbit has a massively wavy saddle.... think about it-the rabbit wouldn't place. But one will place a poor colored rabbit well. It is puzzling.....

The other question so many had was to why people didn't vote. I wrote a lengthy letter to Kevin Hooper about this. I wonder if he received it or remembered it at all. The reason people didn't vote is that the "wording" wasn't any clearer. In some I didn't even understand what was being said, or if the point was to make it read clearer that it wasn't. (In my opinion). But, I also asked other local breeders what they thought and they said the same as I, that they were arguing between themselves what was being said and or changed. Doesn't sound to me like anything was made clearer to me?. I will not vote if I do not understand what I am voting for. Would you? There is also the other view point- if people care that much about what is being voted upon- those who care the most will vote. I tried to but couldn't. What ever is passed (or guessed not passed in this case), Bob and I will follow. After everything is said and done people will breed what they personally like anyways.

This year my five year old daughter Jackie will be putting up some dutch on the open table. She fell in love and is taking care of a blue dutch doe we purchased from Andersons'. She is due in a few weeks, maybe Jackie will be on her own in youth next season (Aug. of 95). She knows a Show rabbit from the others because they have a tattoo in the ear. She makes sure all are played with, some run loose on the porch. She is also an "EXPERT"

P.S. ALL OUR RABBITS ARE TATOOED!

rabbit catcher! Probably because she is so close to the ground?! She catches rabbits for other people at shows when they hop out of carriers even! Then she tells them to check if they are alright and didn't hurt their leg or teeth (if they fell far). She thinks she is a Dutch Bunny Mother. Her big sister shows the Hollands. I like a good Holland just like any other breeder but I don't love them. Bob and I love the Dutch. We have now learned to tolerate those rabbits that are a bit pinched in the HQ's. We have always sold them as soon as possible, because I personally can't stand that look. But, they win, not so often under Dick but other judges just expect ALL dutch to be that way. Yuck!

We are busy now breeding like crazy for the Dutch Nationals next Spring in our back yard! It is only 1 hour and 15 minutes a way! Hopefully with persistence will have a few to put on the table and I hope not be laughed at. My saddest observations (Bob's also) is that at some of the local shows that not all the dutch breeders in the state (or midwest) don't come to the close local shows. I understand they have a life outside of rabbits, but we greatly miss the competition. At one show I was the only breeder there. Bob drove truck that day, so I drove alone and came back the next day with bob and then there were more breeders, but not much. I asked some breeders why they don't come and they say nothing looked great, mystuff didn't either, as Bob can also say his steels were kind of molty looking this spring, but we came anyways. It just doesn't look good when there is a low number of Dutch at the show, it is sad. I guess from what Bob and I have learned is that some breeders won't come if they feel they can not win. For some that is more important than promoting dutch! I have seen some new youth breeders recently, but have the hardest time getting open breeders to stick with it. The markings drive them nuts. I look at it as a challenge and it keeps me interested. I thank God for the Anderson's (inyouth), because they often place some of their animals in open. Those kids have great dutch. it is pretty sorry when BOS doesn't win you a leg. Those kids help the open when they compete!

Bob and I are also going to miss Dick from judgeing our juniors at State Fair this year. We were told by the show committee not to bring young rabbits, so we brought none. I can't risk any rabbit being stolen this year like what happened last year at state fair. Three other rabbits were stolen besides ours. We have to save them for the Nationals or for future parents.

Last year there was a blue buck sneezing a green discharge from his nose, and he was right next to our champion. I was always under the idea that those rabbits would be removed, I was wrong. Our champion always breathed funny after that. Too many risks. I won't put my friendly dutch in risky situations any more. I love the competition of state fair because Roger Guetschow and Larry Bengston are usually there, and the dutch usually number in the high 90's. (it is also the only time one get' any money for showing). Bob and I are happy with our decision and it makes us look forward even more to the State Convention and the Dutch Nationals in spring!

Take care and keep up the good work!

AMERICAN DUTCH RABBIT CLUB JUDGE NOMINATION BALLOT

Please nominate one (1) judge only in the spaces provided for the 1996 National Dutch Show and the 1996 ARBA National Convention. Please nominate a judge from the list of judges found on the other side of this page. If you have an individual adult membership you are entitled to only one (1) vote. If you are a husband/wife membership you are entitled to two (2) votes. There are two (2) areas in which to vote for Open judges on this ballot. Youth members may only vote for the Youth NDS judge.

Place your ballot in an envelope and address it to:

**The American Dutch Rabbit Club
Norma Hart, Secretary
190 N. First Ave.
Coal City, IL 60416**

This nomination ballot is to be returned with the FINAL ELECTION BALLOT for Officers and Directors. The FINAL BALLOT for the election of the 1996 ARBA Convention judge and the 1996 NDS judges will be included in the first issue of the Dutch Reporter for 1995.

Please be advised that the YOUTH ballot is for the National Dutch Show Judge consideration only. The show sponsors are not required to hire a specific Youth judge, but they are requested to give as much consideration as possible to the Youth's choice whenever possible.

SUBSTANCE

In my weekly travels from coast to coast judging shows, whenever I have had the opportunity to judge the Dutch breed I have noticed one thing. Our breed is fast becoming one of a miniature stature. There is no substance to the Dutch animal anymore.

I am not suggesting we raise large, massive animals with large bone, I am suggesting however that we get away from the "TOY" Dutch that I am seeing.

Sure, these little animals show very well as Juniors. I can attest to several that have won major awards, BOB, Best 4 Class, etc. as Juniors on many occasions. Problem is, these occasions were about 8 or 9 months apart.

Raising the smaller animal that shows well in the younger classes is not, nor will it help our breed and breeding programs in future years. I can remember when I got started in Dutch, it was not uncommon to see a 6 or 6 1/2 pounder. We didn't want these animals for showing, but they sure made good breeders, and their offspring had some substance. I wish I would have paid closer attention to the likes of Doris Leibel, Don Reid, Al Seeman, etc. back then, and kept some larger animals for breeding. It is very possible to have a larger animal (5 - 5 1/2 pounds) that still maintains the desired type: cobby in structure and compact. Look at the French Lop. Here is an animal that I have seen go in excess of 15 pounds that still calls for, and on most occasions, maintains a COMPACT structure.

Recently I have had conversation with several breeders that complain about not getting decent litters, or how hard it is to get their does bred. In most cases, after showing me some of their stock it is of the smaller stature with very fine bone. Too refined in structure.

Take a good look at the Dutch crossing the table nowadays. Our breed calls for a 4 1/2 pound IDEAL weight. I would venture to say that if you weighed every Dutch at a show, you would be very lucky if 10% of them weighed 4 1/2 pounds.

I think it is time we started getting our breed back up to the appropriate weights (and classes). Let's put some SUBSTANCE back into the Dutch breed.

Dick Gehr
