The opinions expressed in articles and letters published in the Dutch Reporter do not necessarily represent those of the American Dutch Rabbit Club, the Editor, or Publisher.

The date your membership expires in the American Dutch Rabbit Club is shown on the address label of the Dutch Reporter. Dues \$2.00 per year. NOTE: Our Club is affiliated with the American Rabbit Breeders Association, Inc., and by sending \$4.75 instead of \$2.00, you will become a member of both Associations.

OUR JUNIOR DEPARTMENT

By Wm. C. Stedman
ADRC Director

The thought of a Junior or 4H Department of the Dutch Club has been running through my head for some time now. I've hashed it over, pro and con, in my mind and even have written some letters to several members about the possibilities of such a department. Would it succeed or would it be a hopeless failure, if such a program would be set in motion? The only way to find out would be to try it out.

It all happened at the spur of the moment, and caught on very quickly with the Club Officers. We decided that it was about time that something should be done to encourage youngsters to raise and show Dutch Rabbits. There had to be a beginning, and I am glad to say that the Michigan State Dutch Club has started the Junior Department, just as they started the National Dutch Shows over twenty years ago.

The plans were quickly formulated, and put into working order. Our very able Secretary was appointed Director of the new Department by our Club President Bayliss in order that the A. D. R. C. would have an official who would be able to act, and report, on any matter that needed immediate attention.

The FIRST JUNIOR DEPARTMENT SHOW of the American Dutch Rabbit Club was a huge success. There were 71 Dutch exhibited by twenty-one youngsters from six states. By checking both the Open and Junior Department show reports, you will note that several youngsters exhibited in both departments, and gave a fine account of themselves in competing against the oldsters.

In the past our American Dutch Rabbit Club has done nothing to instill interest in the young people to continue, or even commence, Dutch breeding. Now we have opened the opportunity for our Club members to encourage youngsters in their hobby, or small business operations. The future American Rabbit Breeders Association members,

OUR JUNIOR DEPARTMENT CON'T.

are the youngsters of today, many of whom will "grow into" these organizations if properly encouraged and informed. Our future will be sound if we can continue this new policy. The A. D. R. C. Junior Department shall have a part in all future National Dutch Shows, as this was provided for by our membership at the Detroit meeting. There will be a Committee appointed by our President to establish rules, etc. for these future Junior Shows. It will be up to the Club members to provide Specials etc., for their shows. The small costs should be offset by the compensation of seeing the enjoyment of these youngsters receiving their trophies, cups, ribbons, etc. "for keeps" on the rabbits they have raised.

Remember, our Junior Department is still in its infancy. Let's help it grow strong and hardy in the ensuing years!

YOU CAN'T BEAT THE "JUNIOR" DUTCH

FROM THE PRESIDENT'S DESK

George Bayliss

As President of your Club, I want to take this means of expressing my personal thanks to all of you for your fine cooperation in the recent undertakings that have come before your Club. I especially want to bring to your attention the recent membership drive, which has certainly proved an outstanding success. This drive for new members was more or less "a baby" of our Publicity Director, Jerry Leisenring, and to Jerry, I want to say,—"Thanks for a job well done!" I know Jerry will still want to continue this drive, and will report with something new at an early date.

Members, upon taking office as President of your Club, there was a great deal of "new" work to be done. Committees to be appointed, and plans to be made to keep ourselves in line with the progress that the Club is making. Some of this work has already been accomplished through Committees that have worked harmoniously among themselves. The Chairmen of some of these Committees are about ready to report what progress has been made.

There is one Committee that is going to need full Cooperation from the members to attain success. I refer to the GUIDE & STANDARD BOOK COMMITTEE. This Committee, whose Chairman is Director L. E. Settle, is in charge of preparing material, soliciting advertisements for the publication of a 1955 Guide & Standard Book. I sincerely hope the membership will respond 100% when Mr. Settle makes known his wants and requirements. Don't let him down, members!

Another important Committee is the Constitution and By-Laws Committee, of which Herb Nitzsche is Chairman. This committee is bringing our Constitution and By-Laws up to date, and preparing revisions which will be presented at the York meeting.

Last, but certainly not the least, is the STANDARD COMMITTEE. In 1953 I had the pleasure of serving as Chairman of this all-important committee, and through a great deal of work and thought, and close cooperation with those that served with me and the membership, we came up with an almost perfect Standard. Never-the-less, since the official acceptance of that Standard, it has been brought to our attention that one or two minor changes and wording should be made. This is being taken care of by your present Standard Committee, whose Chairman is E. C. Bickley. Mr. Bickley has taken hold of this important job in a fine manner, and with those who are working with him, I know that this committee will come up with a Standard that will satisfy the majority. Elsewhere in the Reporter you will find the complete personell of these committees.

Under the present administration of your Club, harmony and strong cooperation has built up and it is my sincere hope that this continues to prevail. We must be ever alert for the improvements that will benefit the members and the rabbit we sponsor. There are one or two important matters that will be brought before the members at our meeting in York, Pa. One important subject that I have given a lot of thought to, is the appointment of STATE REPRESENTATIVES. Another is our JUNIOR DEPARTMENT the wheels of this department have been put into motion, but we must further develop this Department. Remember, we are the only Specialty Club at this time that sponsors such a Department. We must encourage the breeders of tomorrow.

PRESIDENT'S MESSAGE CONT.

I touch on these subjects lightly at this time, but it allows the members to know that the ACTIVE working Officers are giving thought and time to the advancement of your Club. I use the words ACTIVE OFFICERS with malice towards no one, but it is only fair and just for those who have the interests of your Club at heart to be given credit for the work that is being done. Look over the appointed names on the Committees and you will find who are the hard working Officers, give them your full support.

In closing this report I want to ask all of you to try to send at least 4 Dutch to the York Convention Show. With each member doing this, what a beautiful display of Dutch there would be! Think it over and support the A.R.B.A. Convention Show.

PLANS FOR THE JUNIOR DEPARTMENT SHOW
AT THE 1954 A. R. B. A. CONVENTION

Madeleine T. Grables

You may have read in the August trade magazines the article "HELP THE YOUNGSTERS". This article, written by Frank S. Deane and Eva S. Lindner, Chairmen of the Junior Department of the coming National Convention Show, solicits your donations for their part of the show.

Since this article went to press, I have been in correspondence with the Convention Show Officials, who have asked my cooperation, as Secretary of the American Dutch Rabbit Club, to bring this matter before our Club. I have the kind consent of our President, George Bayliss, and our Publicity Director, G. C. Leisenring, to announce that HELP THE YOUNGSTERS is of NOW, a PROJECT of the AMERICAN DUTCH RABBIT CLUB.

The Chairmen of the Convention Junior Department, wish to place in the hands of the youngsters winning FIRST, SECOND, and THIRD, places a promising young rabbit. We have pledged the support of the American Dutch Rabbit Club to do everything we can to see that this desire is fulfilled. Naturally, we want the youngsters who are breeding and exhibiting Dutch to be given DUTCH for their awards, DON'T WE???? Should there be a class of 3 in every Dutch class, then this means WE SHALL HAVE TO POOL 84 DUTCH RABBITS. It would be nice IF we could obtain more than 84 Dutch; then we could distribute the over-supply to winners in other breeds, thereby starting some youngsters off with our favorite breed.

Your donated Dutch may be taken, if you so desire, right to the Convention show room. Why not enter it in the show, and pass along the Judge's remark card, along with the rabbit, to the winner.

If you have an acute shortage of Dutch, Mrs. Lindner will accept your cash donation, or special of any kind, and be grateful to you for your kind assistance. Here is her address; Mrs. Eva S. Lindner, Route 2, Box 103A, Vienna, Virginia. When you send in your offer, whether it is cash, a trophy, a rabbit, etc. BE SURE TO SAY THAT YOU ARE A MEMBER OF THE AMERICAN DUTCH RABBIT CLUB. We want to make it known that our Club is doing its proper share toward the Junior Department show. If you will please, and it will save Mrs. Lindner some valuable time on correspondence, drop me a line also, and let me know what you are donating, BECAUSE this information will be passed along to our Club members through the DUTCH REPORTER, and we want to keep you informed on OUR PROGRESS TOWARD OUR GOAL OF eighty-four (84) DUTCH RABBITS.

CAN WE DO IT?????

Now, let's don't be put-er off-ers. Let's get down to brass tacks, and check our Dutch youngsters today, and see if there is one, or more, to spare for this worthy cause; what shall we call it? OPERATION DL, for Deane and Lindner, and DUTCH UNLIMITED.

Let's remember, also, we have the eyes of ALL SPECIALTY CLUBS upon us right now. We have made an overture toward the kids, the JUNIOR BREEDERS. There is no such thing as back-tracking in our Club. I am anxious to see just where the first offers for OPERATION D L come from. The results will be published as THEY COME IN. You'll be glad YOU DID. DON'T DELAY. DO IT TODAY!!!!!!!!!!!!!!

YOU CAN'T BEAT THE "JUNIOR" DUTCH

Lubbock, Texas

Dear Mrs. Grables:

I am writing you about the Jr. Department in the National Dutch Show. I believe it is a good thing to encourage these youngsters in their endeavors in Dutch breeding. We will need these young and energetic breeders in a few years.

I will not go into the subject of future leadership, as nature in its own way will take care of that for us and we will eventually pass from the picture. What I wish to go into is the fact that we have been missing the boat a long time on the Jr. Department.

We have been working at it from a give-away proposition which is the wrong approach. We will have to give these kids some kind of assurance that they can make

some money from their rabbits as projects in 4-H, FFA, or Boy Scout and Girl Scout work, or they will pass us by for other projects that have been sold to them either by their leaders or parents. Our primary job is to educate the leaders, and let them educate the kids. I am formerly an Agriculture Teacher and know of what I speak along this subject.

Another thing: there is a rule in the ARBA show rules whereby the show must offer a Jr. Department in the show. They don't specify any premiums be apid or any other thing, but you must have it in case the youngsters would like to show among themselves. It would be nice if this rule had some teeth in it. Something would be done about this situation, were that the case. So, it will not be the democratic vote that decides the question, but the ARBA show rules. In that case, I say that if the American Dutch Rabbit Club is going to sponsor a Jr. Department in the show, let's make it a good one, and go "whole hog" so to speak. The present one is a good starter, but I believe there are some improvements that can be made.

Now, the improvements as I see them. Never let the same rabbit be entered in Junior and Open competition. That is sticking the judges necks out a long way. In the first place, the class changes, and also probably the judge changes. The kids get two remark cards and they are not even similar. He is more confused than ever about the worth of the exhibit. I have seen this happen many times and it just won't work. Next, charge an entry fee. A small one perhaps, and return ALL of it to the exhibitors and more if at all possible. Be sure the judge is instructed to judge according to the standard written for that breed. Never be lenient on Junior exhibit, as that is encouraging them to be even more lax than they already are, and I know that teen-agers, regardless of the circumstances will become lax, if they aren't lead by the strict and narrow.

Set the shows up where the kids will have something to compete for and not where every one of them gets something. Encourage the production of meat, as this is the door to success in any venture as the leaders see it, so give them credit for having a brain or two, whether they do or not, but when it comes to judging the breeding classes, be strict and insist on quality and not quantity.

Sincerely,
Earl D. Hord.

YOU CAN'T BEAT THE "JUNIOR" DUTCH

AMERICAN DUTCH CLUB JUNIOR DEPARTMENT

Jessie Weinhardt

If I ever wore a hat, it would certainly be off to the American Dutch Rabbit Club for their splendid fore-thought in the inauguration of their Junior Department at their recent National Show in Detroit. It is an idea that can be copied to great advantage by all clubs, Specialty or All Breed.

A few statistics may give you some idea of what I mean. There were twenty-one Junior exhibitors from six states, as far west as Oklahoma and as far south as Kentucky. They exhibited a total of seventy rabbits. Seven of the twenty-one were members of 4H rabbit clubs and one was a Girl Scout with rabbits as a project.

According to the plan-trophies, specials and ceremonies were all donated by interested oldsters and the youngster's entries were without entry fees. However, if they wished to enter in the open division they could upon payment of the regular entry fee. Many of them did and believe me they sure showed us old-timers up. One fourteen year old, Bill Moore from Ft. Wayne, Indiana, took Best Opposite Sex Junior all colors and Best Chocolate Junior in the open classes.

Needless to say it isn't going to be many years before these kids, who ranged in age from eleven to sixteen years, are going to be among the top breeders in the country. Many of them are well on their way to that coveted spot right now.

How many more youngsters are there around the country, who given a little encouragement, could do equally well with any breed. It seems to me that this puts it pretty squarely up to us as established breeders to give them the needed help and incentive to make them ready to take their places as the FUTURE RABBIT BREEDERS OF AMERICA! THREE CHEERS FOR THE AMERICAN DUTCH RABBIT CLUB! ! !

THE AWFUL TRUTH

By A. Nonny Mous Dutch
Ear No. 7-11

I have a story. I wish to ask you kindly to take a comfortable seat while you hear my tail of woe. AND, WOE'S ME. What Woes I have got. You will feel better, too, if you sit in a dark corner somewhere where no one will see your blushing face. (Some of you who are my real thoughtful friends won't be blushing; you'll see what I mean, Just wait.)

Ready? Well, to start off with, my boss who operates a Dutch Rabbitry, thinks we little Dutchies are high and mighty. AND, aren't we? He takes good care of us; brags about us to anyone who will listen, even half an ear; he looks us over from head to tail, top and bottom side even, and has a real pleased look on his face when he finds among us what he calls "good show prospects", and mumbles, "this one's a keeper". You see, all this fuss that we get has spoiled us a whole lot. Some of us are in rabbit shows almost every month, and sometimes more often. It is a sight to see the way big, grown men gather around our show cages and brag about us, and tell about how many trophies, ribbons and cups, besides cash, that we bring home with us for our boss. This makes us proud, of course, to be able to do little things like winning, because this really puts the old pep in the boss, and we like to have him cheerful while he takes care of us. Keeps our digestion good, too.

Well, for the past two or three months our boss has been looking us over extra carefully, and muttering something like "This one should win; I hope he is in good fur by the last of October; I must send my Special to the Dutch Chairman". Of course, we knew he just had his eye on another rabbit show.

One evening our boss' friend came over, and we got another going over, and this visitor asked our boss if he had sent in his hotel reservation, whatever that is, but we couldn't see which way the boss nodded - up or down - because that old post that holds up the roof was between us; and the visitor said he had sent his Special to the Dutch Breed Chairman the other day, and called this fellow who would have charge a "Mr. VanNess". Then our visitor went on to tell how he just got under the wire to get his name in the big CONVENTION catalog which went to press August 1st. Then the truth came out; SO this show WOULD BE the ARBA Convention show, where we were to be entered to compete for the largest breed entry; and there probably would be just scads of Dutch There, (I don't know what a "scad" is, but I know it's a lot more rabbits than we have in our local shows, and I heard our boss' wife tell her girl friend this one day.)---anyway our boss was planning on taking at least four of us along with him to Pennsylvania, which is a might big sounding place.

But, there is more than just TRUTH coming out now. It is AWFUL. I feel so sorry for our boss. He dropped the tattoo set, and nearly dropped himself on the floor when our visitor said that day the catalog had gone to press. Then he straightened right up, the man that he is, and said "My name in the catalog, or no name in the catalog, I am sending a few bucks (meaning dollars, not rabbits) to Mr. VanNess for Dutch Specials". My boss then asked our visitor to walk up to the house with him and he said he was going to phone Lee (meaning Mr. VanNess) right away, to see if a late special would be in order. In about twenty minutes or so the two fellows came back to our rabbitry, and they were very excited, and perplexed. The visitor said "why should this be done to Mr. VanNess, our Dutch, and the A.D.R.C. when it shouldn't be done to a dog?" (I began wondering if there would be a dog show too, but I found out later a dog had nothing to do with it.) And then, he asked our boss "tell me once more, what Dutch Specials did you say came in before they locked up the catalog?" (I thought this was odd, because there is supposed to be those - what are "scads" of money, trophies, and things at Convention shows; but the way the two fellows looked at each other I knew something was wrong). Our boss said "Lee got \$66.00 in cash; 4 trophies, 4 Special Ribbons i Bikini Doll dressed in Dutch fur, and

a carrying case, and to think I was one of those who forgot to send my special in time for the catalog. I must be slipping". Then our boss said Lee told him it would be absolutely necessary for him to continue soliciting specials for the Convention show, else with these few Specials the Dutch Rabbit, and the A.D.R.C. would look mighty low at this show, and for a long time to come, and that it is a good thing we have the Dutch Reporter to announce the late specials in, so that the exhibitors, who are also ADRC members, will know just what there will be on that final day for all us Dutch to shoot at. Our visitor asked our boss to cheer up; that since all the specials would be listed in the Dutch Reporter, and no doubt from the small amount of specials received, there were lots of other fellows in the same boat; and told him that the thing for him to do now was to put out an effort to see that every Dutchman he met was reminded to get a Special to Mr. VanNess.

After all this conversation, I began to think my Ear Number had might as well been 13. But finally, our boss, and the visitor started talking how busy everyone had been this summer, and how easy it is to forget mighty important things sometimes, and that they believed everything would be all right yet, IF everyone would put a firm shoulder to the wheel, and push this drive for late Specials on Dutch. My boss said he would chip in a couple of dollars extra, because there might come a day when someone else might have to do this for him, so he would help shoulder some of a future load this year. Then they slapped each other's backs, and agreed that they would try to raise some money locally, to send to Mr. VanNess, like half-bucks, and dollars, that guys won't be bothered to send singly.

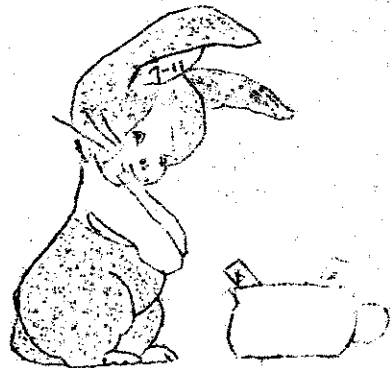

But I still wonder, should my Ear Number have been 7-11?

DEAR CLUB MEMBERS: You have read THE AWFUL TRUTH, part of which is fictional, but the part about the Specials is, I am sorry to tell you, TRUE. Now let's don't talk about it anymore. Send all or what you can afford to Mr. VanNess, or to me, for Dutch Specials for the Donvention. We simply cannot afford to allow this paltry amount stare us in the face at the Convention. Do it as soon as possible.

M. Grables, Sec'y

 West Caldwell, New Jersey

by Bill Moore

I have been asked to write an article for our Dutch Reporter. As I am unable to put my thoughts into printing, I have asked an older person to write them for me.

One year ago I placed myself in a position of accepting a project in 4H Club work. I considered rabbits, and since Dutch was my favorite breed, I bought a Chocolate Doe. I had great success by winning the first in class and Best Best Opposite Dutch which aroused my interest, and so the pens grew and my herd of rabbits increased.

In April 1954, I entered my rabbits in the National Dutch Show in Detroit, both in the Open and Junior Departments. I shall not pat myself on the back, but I shall place the good luck, and my good beginning to the best stock possible to find. I fill with pride as my Dutch are on the table waiting to be placed by our Judges. I want to say to all the good Dutchmen whom I met in Detroit, you make me proud to belong to an organization such as the American Dutch Rabbit Club.

I send greetings and thanks to those loyal people in our Club who were able to accomplish a note-worthy National Dutch Show for 1954. Without the tireless efforts of those who sponsor the good National Dutch Shows each year, we could not have prospered and expanded as has the A.D.R.C.

As a Junior Breeder I would like to give my suggestions. We should build up the enthusiasm among my brother Junior breeders. Let us pay an entry fee in our shows, and in time we could control and finance the Junior Department. Do not keep us out of the Open Class, if we pay our entry fees. If I cannot show in the Open Class, I will not be interested in showing in the Junior Department. Again, I want to say, this is my personal feeling as a Junior breeder. At the State Fairs where there are rH shows, we show also in the big class.

Some thought came to me that on Sweepstake shows throughout our country, I would like to see a raise in entry fees on Dutch Rabbits, and a small amount contributed to the American Dutch Club as premiums toward a National Show.

We have rambled to no end, but feel that we should pledge ourselves to indoctrinate every Junior member so thoroughly that they will get the utmost benefit from their interest in rabbits, and then the local associations, the A. D.R.C., and the A.R.B.A. will in turn be strengthened by the participation in our activities. It is just plain common sense that every organization should have such an indoctrination program.

YOU CAN'T BEAT THE DUTCH

FOR BEGINNERS' EYES

J. Russell Hall

One time I read an article on Dutch written by a prominent English breeder, who wrote a good many little tips about our favorite breed. One of these tips was that rabbits should be prepared for shows ahead of time by handling them, and daily rubbing of their fur to help improve the condition of the coat. Some breeders do not do this, and many times they are heard to say, that they picked some certain animal out of its hutch and brought it to the show, "just like that."

I watched the judging of the Junior Department at the recent show in Detroit, and noted that the fur of a number of those Dutch could have been improved by working on them beforehand.

Another thing that many breeders do (even I, myself, at times) is to put several young does together in a hutch after they are weaned. This should not be done if any one of these individuals is to be saved for future use. That one should be placed in a separate hutch where no harm can come to it. If young animals are in a hutch together there is a tendency for one or more to try riding the others. When any of these resent this action there is apt to be a fight, resulting in torn skin and possible infections. So, the best way of prevention is to use separate hutches, even if it means more work in feeding and even more construction. The above applies to bucks as well as does.

Another cause of trouble which often happens with the inexperienced rabbit breeder is the leaving of a doe, unattended, in the buck's hutch at breeding time. If the doe doesn't accept service at once she should be taken out and tried again the next day. If she is left in there, harm could come to one or both of the animals. A young friend of mine put a buck in a pen with several does and left him all night, and in the morning the buck was dead.

In hutch construction, care should be taken to see that your stock is not in drafts, which sometimes happens when wire floors, or partial wire floors are used. Nor should they get wet. Rabbits are susceptible to colds and pneumonia just the same as you and I; and so they should be kept dry and out of drafts. Although I like wire floors, I have found that they do get clogged at times and have to be cleaned. So for this New York climate, especially, I think solid floors are to be preferred. Of course that means cleaning once or twice a week, but most of us can arrange to do it week-ends, and if necessary, between.

IMPORTANT

Lee VanNess

ALL MEMBERS OF THE A.D.R.C.--PLEASE READ THIS CAREFULLY, AND IF AT ALL POSSIBLE, DO SOMETHING ABOUT IT!

WE ARE CONFRONTED WITH A VERY SERIOUS SITUATION, AND WITH YOUR HELP, WE STILL HAVE TIME TO CORRECT IT.

AS YOU ALL VERY WELL KNOW, WE HAVE BEEN ASKING YOU AND EVERYONE THROUGH THIS AND OTHER PUBLICATIONS, FOR SPECIALS, TO BE USED ON THE DUTCH BREED AT THE NATIONAL CONVENTION. (YORK, PA. OCT. 23-27, 1954). THIS IS TRULY THE SHOW OF SHOWS, OR AS I MIGHT PUT IT, THE SHOW OF THE YEAR, AND A WONDERFUL OPPORTUNITY TO GET THE DUTCH RABBIT IN FRONT OF THE PUBLIC. THE LARGER THE ENTRY THE BETTER, AS THIS WILL SHOW HOW POPULAR THE LITTLE DUTCHMAN REALLY IS.

WE BOAST OF HAVING ONE OF THE FINEST RABBITS, EVER POSED ON A SHOW TABLE.

I THINK WE ALL AGREE ON THAT. WE ALSO BOAST OF HAVING ONE OF THE FINEST SPECIALS CLUBS. THAT--NO ONE CAN DELY. THEN TELL ME WHY WE SOULD NOT HAVE ONE OF THE BEST PREMIUM LISTS EVER PRINTED IN A NATIONAL CATALOGUE. LET ME TELL YOU FELLOW BREEDERS & EXHIBITORS, WE DO NOT HAVE THE BEST AND PROBABLY NOT THE 10th. BEST EITHER.

WHEN THE AUGUST 1st. DEADLINE ROLLED AROUND, IT WAS CERTAINLY DISHEARTENING TO SEE THE SPECIALS I RECEIVED FROM A MEMBERSHIP THE SIZE OF OURS.

THIS IS CERTAINLY NOT DOING THE LITTLE DUTCHMAN JUSTICE, LET ALONE YOURSELVES, AND THE A.D.R.C.

I AM SURE OF JUST ONE THING. I AM SURE WE HAVE MORE THAN TWENTY-SIX MEMBERS IN THE A.D.R.C., AND I AM SURE THERE WILL BE MORE THAN TWENTY-SIX EXHIBITORS AT THE SHOW. THAT IS EXACTLY HOW MANY MEMBERS OFFERED SPECIALS, AND I AM THINKING THAT IS A RATHER SICKLEY PERCENTAGE.

I JUST KNOW THERE ARE MANY OF YOU, THAT WOULD HAVE SENT SPECIALS IN, BUT PERHAPS THE DEADLINE CREPT UP BEFORE YOU REALIZED IT, AND THOUGHT IT WAS THEN TOO LATE.

HOWEVER IT IS NOT TOO LATE. WE ARE GOING TO ACCEPT LATE SPECIALS RIGHT UP TO SHOW TIME.

DO NOT PUT IT OFF ANY LONGER, MAIL THAT PLEDGE OR SPECIAL TODAY. SHOW TIME WILL CREEP UP ON US BEFORE WE KNOW IT TOO.

NO----DO NOT PUT IT OFF----DO IT NOW! ! ! !
