EDITORS CORNER:

Hey! Where's the articles? What's the old saying? "Summer time, when the livin is easy" We live across the street from a Shopping Center and thought we were being bombed with 4th of July fireworks. The debris fell all around us, I worried about the new litters but all was well. My rabbits are used to noise at that, with the planes overhead most of the time, dogs barking and what have you. Do you realize how close the 22nd of Sept. is? We are looking forward to the Calgary trip. Linda sent for the brochure from the Canadian Govt. and it looks as if the scenery will be beautiful.
