Opinions expressed in articles and letters published in the Dutch Reporter do not necessarily represent those of the American Dutch Rabbit Club, the Editor or the Publisher.

The date your membership expires is shown on the address label of your Dutch Reporter. Dues \$3.00 per year. NOTE: Our Club is affiliated with the American Rabbit Breeders Association, Inc., and by sending \$7.75 instead of \$3.00, you will become a member of both Associations.

Help! Help! Help!

WHAT IS THE MATTER WITH OUR DUTCH CLUB? WE ASKED FOR SPECIALS FOR THE 1971 ARBA CONVENTION AND ONLY RECEIVED WORD FROM TWO PEOPLE. THE SPECIALS ARE NOW ALL FROM THE EASTERN STATES AND MINNESOTA. WHAT IS THE MATTER WITH DUTCH RABBIT PEOPLE FROM MIDDLE AND WESTERN STATES? THE SHOW IS OUT YOUR WAY, SO CAN'T WE HEAR FROM SOME OF YOU RABBIT RAISERS OUT THERE. IF YOU WANT A GOOD SHOW, WE'VE GOT TO HAVE MONEY TO RUN IT, SO PLEASE SEND SOME SPECIALS FOR THE CONVENTION SHOW AT ALBUQUERQUE.

This matter of raising specials is always a vexing problem. I am sure that each of us does the best that they feel that they can, but it does seem as if it is always the same few that donate. Stop and think, can you spare a dollar? Could you spare two dollars? One for each of our two big Dutch Shows, the National and the ARBA Convention? Are you a "giver" as well as a "taker". How many times do I hear that the Dutch Raisers want the best. It takes cooperation and participation.

SHOW THOSE DUTCH

An impressive array of trophies and specials at the National Dutch Show, sponsored by the Eastern Dutch Fanciers at Ellicott City, Md.

The National Dutch Show Banquet well attended. Good food and all one would want to eat. Life member, Mr. Seeman, a friend, Mrs. Seeman and friend.

PRESIDENT REPORTING by Don Reid...

I had the pleasure of judging the 1971 National Dutch Show at Ellicott City, Maryland. A real nice Senior Black Buck owned by Glen Sturgis Sr. took top honors, Best of Breed and a sharp Senior Black doe owned by Carl Decker Jr. took Best Opposite Sex. A sincere "thank you" to the Eastern Dutch Fanciers for a job well done.

Your secretary was instructed to poll the Board for reactions to various questions because we did not have a quorum at the Maryland Board meeting.

The results are; The Publicity fund will be tapped for \$104.50 for Special at the ARBA Convention Dutch Exhibit. 1971.

The majority of the Board does not think that extra points should be awarded to Best of Breed and Best Opp. Sex.

Dues should be raised due to the ever increasing cost of operating the ADRC. Jessie Weinhardt will be awarded a Life Membership and last but not least

THE 1972 NATIONAL DUTCH SHOW IS HEREBY AWARDED TO MADISON, WISCONSIN. We thank both groups for extending an invitation.

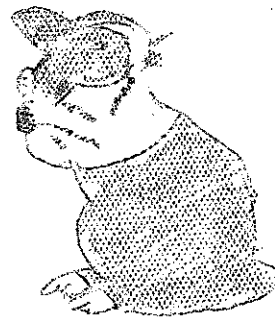

On this matter of incorporation. The intent is not to incorporate on a national basis, but rather under the laws of Minnesota in order to conform to requirements to qualify for non profit bulk mailing privileges.

Elsewhere in this bulletin you will note an appeal from Mike Stinehelfer, ARBA Dutch Show fund chairman. Let's go, you western Dutch raisers. The show is out your way. We can certainly support our Dutch better than what has been done so far. Late specials will be posted in the show room.

You will be asked your opinion on the election ballot regarding the awarding of extra credits for B.O.B. and B.O.S. One times the number in the class and 1/2 times the number in the class in that order. Every effort is being made to give the membership and the Directors the opportunity to participate in the management of the ADRC. We're here to carry out your will.....

YOU CAN'T BEAT THE DUTCH

DUTCH DEN NEWS by DORIS

Getting to know you, getting to know all about you. Getting to like you, hoping you like me too, could well be the theme song of the Maryland National Dutch Show. A successful National, sponsored by a wonderful group of people. It never fails to amaze me the misconceptions and misunderstandings that can be resolved by meeting and talking "it over".

I was sorry to miss the Saturday afternoon judging. My suitcase didn't catch up with me until time to go home, and just had to get a change of clothes, so did a bit of shopping.

The show report will tell the story of the winners. The Banquet was well attended. Eastern seafood is u'm'm'm good. An impressive array of trophies were distributed to the winners, then a short, but productive general meeting took place.

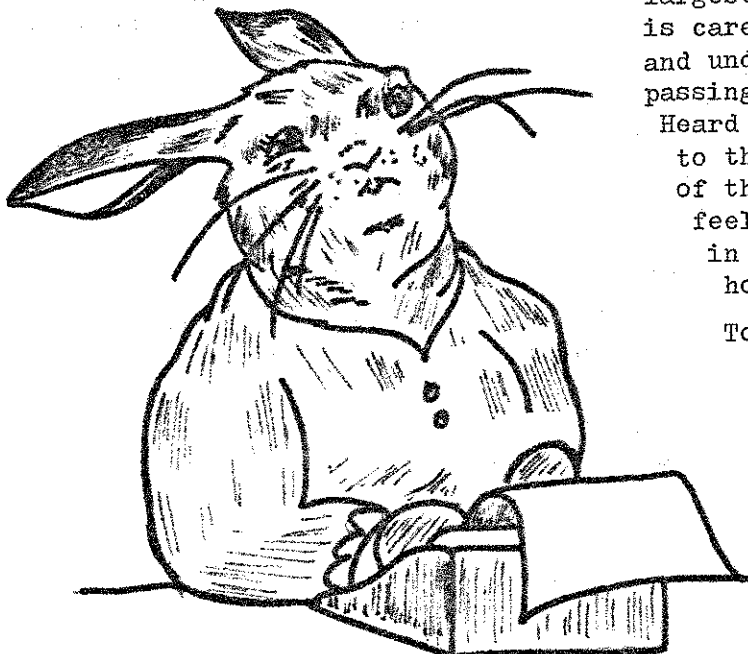

It appears that those in attendance want full show reports, regardless of cost. For my part, anything that YOU are willing to pay for is all right with me. I am most fortunate at the present time, having help in the typing of these reports from Don Unruh. Some interesting financial facts were discussed. I am not a mathematical wizard. I can keep an honest set of books, but when we get into ratio costs etc. will have to depend on others. I was asked the cost of publishing the Dutch Reporter. I can only refer you to the financial reports which I will publish quarterly. It doesn't take much figuring to see the difference in getting two-three reports to a page instead of eight or nine. The difference lies in the cost of materials and weight for bulk mailing, not to mention the amount of time that it takes for typing a full report against an abbreviated report. Like everything else, what has to be done, can and will be done. Nothing is impossible.....

Membership service costs are on the upgrade. Look at the basic facts. You join an organization, then received 12 issues of the monthly bulletin, Guide Book, postage is becoming a big factor. A show is sanctioned for \$6.00 (some still sending only five) Your show is listed in the D.R. and the resultant show report takes 1/3 to 1/2 page (ad rates for 1/2 page in the D.R. is \$10.00) The winners will be receiving Rosettes and Ribbons. Points will be posted on cards. Basic office supplies are no small item, to do the job right. I mention these things because elsewhere in the bulletin you will find notice of a dues increase for your action.

A successful organization is not always the largest, it is one where the detail work is cared for and the membership is alert and understanding. A remark was made in passing that, "I sure don't like cliques" Heard a good definition of a clique once to the effect that a clique is composed of the people doing the work. I don't feel that there are any so called cliques in the ADRC, rather we are learning how to work together.

To me another important factor in a

DUTCH DEN NEWS (cont.)

in a successful organization is the ability to project our timing of activities. I don't like to see anything, for example, appearing on a ballot without prior notification in the Dutch Reporter. This is breaking "faith" with the membership. Always remembering that this is a NATIONAL organization. We should time our Committee activity with the deadlines as provided for in our constitution, taking into consideration the deadlines of other events etc. in order to obtain the fullest results from our efforts. Sometimes this is hard to do, for the other group doesn't allow time. Each of you who read this should have a Guide Book...Take time to read your constitution, National Dutch Show Rules, etc. You will have a better understanding of what makes the wheels turn in your American Dutch Rabbit Club.

Up to this point deadlines on show sanction requests and returns haven't been enforced. As the backlog diminishes and records become orderly more thought will be given to this phase of the work. On the whole response has been very good. Still receive a few isolated requests for sanctions with the \$5.00 fee, remember it is now and has been for two years \$6.00, which included a \$1.00 listing fee. Sending the wrong amount only dates YOU and shows that you are a bit behind time. I can't imagine any show secretary going to the bother and expense of sanctioning a Breed, then forfeiting the sanction by not following the rules. Any reasonable reason for being late will always be accepted. A few are neglecting to include their ARBA code number and where time is short I have issued the sanction with the notation that if the report is returned without the code number the sanction is forfeit. Without fail, the code has been inserted and time and postage saved.

Improper remittance and lack of information seem to make for the most problems. As I gain experience, perhaps will know better what to do in many instances.

Show Reports are coming back in good order. Do you like the new form? The one thing that does cause a bit of problems is the use of Rabbitry Names and me not knowing who the person that represents. This too, will work out as I become more familiar with your names etc.

Took in the Gladbrook, Iowa show and had a chance to visit with Director Dave Paul and Ron Cross. Ron had some good tips on incorporating. Gradually getting the work done from the National. Polled the Board of Directors as directed and received answers back from, Paul, Jones, Lovejoy, Stinehelfer. The July issue of the D.R. should have the results of many of these actions.....

There may be an increase in prices of Publicity Items. Haven't heard anything definite as yet, but it was discussed at Maryland. Again, costs have risen.....

This Dutch Den News could well be called, "rambling along" so TILL NEXT MONTH,

AMERICAN DUTCH RABBIT CLUB

BOARD OF DIRECTORS MEETING.....April 30, 1971

The Board of Directors Meeting of the American Dutch Rabbit Club was called to order at the Forest Motel, Ellicott City, Maryland at 9:10 P.M. April 30, 1971. Secretary Doris Leibel, asked permission to use a tape recorder in order to help herself with keeping track of the minutes. Granted. Attending were, Directors, and Officers, Reid, Stinehelfer, Griffith, Leibel, Absent were, Lovejoy, Paul, Herman, Goeglein and Jones. Invited guests were, Mr. & Mrs. Wireman, Mr. & Mrs. Walker, Mr. & Mrs. Hand and Mrs. Stinehelfer.

This was declared an unofficial Board Meeting due to lack of quorum, by Pres. Reid. Griffith moved that previous minutes be dispensed with as they had been published in the Dutch Reporter, Seconded by Stinehelfer and carried.

The Secretary reported on the mechanics of the job. Various rising costs connected with properly conducting the secretary's office and records. The records as received from the previous secretary. The rising cost of publishing the Dutch Reporter. As Treasurer, it was noted that the financial report had been published in the Dutch Reporter, April issue, the bank statement for May had not been received yet, but the check book showed a "now" balance of approximately \$63.00 above earmarked funds in the General Fund and the Dutch Reporter account has a "now" balance of \$61.88. The books were presented to the Board for examination. Stinehelfer moved that we accept the Treasurers report as published in the April Dutch Reporter. Seconded by Griffith and carried.

The Walkers reported a Publicity Fund balance of \$925.82. Some replacement supplies have been obtained, others are needed. Prices on Publicity items will have to be raised due to increased costs. The question arose as to making an additional charge to Canadians due to increased cost of mailing into Canada. The Walkers were instructed to use their own judgement in this matter.

Discussion on apportionment of Show Fund monies and method of figuring same. It was explained that the National Dutch Show and A.R.B.A. Conbention Funds were figured at different times. Ways and means of bringing them together were explored.

Stinehelfer moved that we poll the Board on the advisibility of tapping the Publicity Fund for the 1970 portion of dues to the A.R.B.A. Conv. Fund. Griffith seconded and carried. This would be the sum total of of the 1971 ARBA Conv. Dutch Fund from the A.D.R.C. total of, \$104.50. This would leave us free to start earmarking these funds January 1st of each year and based on the previous years dues.

The Walkers reported that advertising rates have increased, affecting our advertising program.

Stinehelfer reported on Constitutional and By-Laws Committee and noted that the Sec. had jumped the gun, in publishing Pat Herman's letter regarding changes.

Methods of taking the election procedure out of the Secretary's hands were discussed. It is the opinion of the committee that all ballots should be sent out and received back by the Election Committee, details to be furthur discussed.

President Reid noted that the Election Committee and Standard Committee have agreed to serve another term.

Discussion on extra points for Best and Best Opposite Sex, etc. Griffith moved that we ask the feeling of the membership on this subject with the intent of placing it on the Ballot. Stinehelfer seconded and carried.

Discussion on financing the Club. Shall we increase dues? is so, how much? All in attendance were in favor of raising dues. The increased cost of membership service and increased cost of publishing the Dutch Reporter make this necessary. This subject to be discussed at the general meeting.

to be continued..

BOARD MEETING MINUTES, continued.....

Stinehelfer moved that we poll the Board regarding a Life Membership for Mrs. Weinhardt, seconded by Griffith and carried.

Two Bids for the 1972 National Dutch Show will have to be considered by the Board. One from the Three Rivers Rabbit Growers at Kennewick, Washington and one from the Madison, Wisconsin Dutch Fanciers. Griffith moved we poll the Board, seconded by Stinehelfer and carried.

Discussion on method of submitting bids. The Constitution calls for a copy of a Bid to be sent to each Director for consideration. The Secretary was instructed not to publish future Bids, however this needn't discourage groups interested in sponsoring a National Dutch Show from writing articles supporting their bids in the Dutch Reporter.

A Bid for the 1973 National Dutch Show had been received and published by the Secretary from the New England Dutch R.C. The Secretary was instructed to write them with our "thanks" but noting that their Bid will not be considered until the next National Dutch Show Board Meeting.

Discussion on Memorial Trophies. The Secretary was instructed to check the Tampa, Atlanta and Fort Wayne minutes for clarification on replacement of trophies with Plaques. It was noted that Alan Miller had sent the Secretary a Plaques replacing the Michigan Waterland Trophy. Final disposition will have to wait on clarification of procedure. Elmer Hand called attention to the Ev. Shilliday Trophy's to be given to Best of Breeds at the National Dutch Show and the 1971 A.R.B.A. Convention.

It was noted that a sanction had been issued to another Club under 200 miles away for May 2, 1971. The secretary explained the circumstances as she knew them and offers a very sincere apology to the 1971 N.D.S. Sponsors if she erred in judgement.

Discussion on Incorporation. In order to conform to regulations regarding Bulk Mailing privilege for a non-profit organization we need to be incorporated. The Secretary was instructed to check into it further.

Griffith moved we adjourn. Seconded by Stinehelfer and carried.

Respectfully submitted,

Doris Leibel, Secretary-Treasurer.

AMERICAN DUTCH RABBIT CLUB

GENERAL MEETING.....May 1, 1971

Mr. Jack Pugh, Master of Ceremonies, opened the General Meeting with a prayer. The impressive array of trophies were presented to the winners preceding the meeting.

The General Meeting was called to order at the Howard County Fairgrounds, Maryland, at 9:P.M. by Pres. Reid, who noted that the required attire was a string tie with the emblem, "You Can't Beat The Dutch"

Al Seeman moved that we give the Sponsors of the 1971 National Dutch Show a rising vote of thanks for a job well done.

OUR STANDARD - (CONT'D) By- Tom Shufflebotham

In the March Reporter I had Cheeks 12 points, Cheeks 5 points and it should have read Blaze 5 points.

Now let's take a look at our 1971 Standard and you will find quite a difference from the United Kingdom Dutch Standard that we first started with.

Type	15 points	Neck	5 points
Color	13 points	Undercut	8 points
Fur	10 points	Saddle	10 points
Head	5 points	Stops	10 points
Ears	2 points	Cheeks	12 points
Eyes	2 points	Blaze	5 points
Feet	2 points		
Tail	1 point		

Having started out with Dutch in England and then importing my stock from England I have always kept as close as I could to the old Standard which has never been changed by the U.K.D.R.C. until last year when they put an ideal weight on their Dutch. I have always felt that we should finish what we started out to accomplish before any changes are made. We have cut the Standard up so much it's hard to follow. Such as tail - 1 pt. eyes 2 pts. ears 2 pts. feet 2 pts. Points should be and were allocated according to the difficulty in getting them perfect.

Let's take the head for instance, as first written and still used in the U.K.D.R.C. we have Blaze and Cheeks 15 points - Now it reads - Cheeks 12, Blaze 5 points for total of 17 points. We find that the two go together depending very much on each other - should one fail they both fail. You cannot have a good blaze with poor cheeks. The blaze is actually part of the cheek. Both cheeks have to balance to make a perfect blaze. Both cheeks should be gracefully rounded, should extend to the edge of the jaw and not under or above. They should be as near to the whisker beds as possible without touching, and should continue up the face to the center of the face and join the neck by a very fine hairline. It is as much of a fault to have the cheeks above the whisker beds as it is to have them run into the whiskers. The blaze is very important indeed as the whole head markings evolve around it. If the cheeks have the tendency to be square, this makes a wide blaze. If they tend to run into the whisker beds, this calls for a long blaze. Should the blaze be blunt then it generally calls for a dirty neck, and I believe that the neck is about as important as the blaze. The cheek markings really decides the correctness of the blaze. Should the cheeks not run far enough over the eyes, it means that the blaze will be too wide and generally gives the impression of a wide head, and the neck should be just the top of the blaze (a perfect V) yet few judges or breeders pay too much attention to this important feature. It has always been important to me and nearly every one of my animals have it. Ears are very important to type - they used to be worth 10 points but now they have only two. Nearly everyone stresses short ears when writing for stock - here is where we SHOULD STOP LOOK and LISTEN. The ideal weight of a Dutch is 4½ lbs. and the ideal ear length should be 3½ inches it was written into the Standard this way, but was changed to read - to be in proportion to size of body - meaning to say you would not want a 3½ inch ear on a 3½ lb. rabbit but rather one that fits the animal. They should be carried in an erect position - close together and be of the correct type, well rounded at the tip, of good heavy substance, very well covered. Should the ears be too long, too thin or too short, they detract from the smart appearance and the alertness which is one of the chief features of a good Dutch.

## OUR STANDARD (CONT'D)

The only other feature of the head that we have not covered is the eyes. Although they only carry two points, they are very important and used to carry five points. The Standard calls for a dark hazel colored iris in blacks, torts, chocolates, steels and grays and a blue iris in the blues. I would say that some of the judges are paying too little attention to eye color or at least mention it in their remarks. Some off-colored eyes have been getting by, however, speckled eyes are not as common as they used to be.

We have five points on type of head, little attention is being paid to this area. Here is another place where balance is very important. Don't want big course heads on small Dutch. Long, narrow and pear shaped heads on bigger animals. I feel like ears are very important as they certainly affect the type of the head.

Too little attention is being paid to the importance of the points that are allowed on the different parts of the head, neck, eyes, ears, blaze, cheeks and type. There are 31 points. We should realize that its as much of a fault to have cheeks not touching the edge of the whisker bed as it is running into them, also it as much of a fault when the cheeks do not touch the edge of the jaw bone as it is to have them running under. The important point is that they should both be even. There is one place that needs a lot of attention by the biggest percentage of the judges and that is the NECK. There are five points on the neck, that is more than there is on both the eyes and ears together. Naturally the first thing that you see when the animal is put on the table is the blaze, not the neck, yet they both carry five points. They are both as important as one another as they both go to form the cheeks. You cannot have good cheeks if you do not have both a good blaze and a clean neck. Both of them go to form the cheeks. The cheeks should both carry through the base of the ears to form the hairline that is called for in our standard. If this is done, then you get the clean neck that is called for. That is the reason that at one timewe had 10 points on this important feature and it is still the same in the U.K.D.C. Yet the biggest percentage of our Dutch do not have the clean neck. I see lots of Dutch that place well with full necks, drags on neck yet a good Dutch in every other aspect except the balze does not do much winning. To Be Concluded in My Next Article.

HEY!

A wife had asked her husband to buy her a hearing aid. He had promised that he would get her one for her birthday. She was waiting for him to come home and hoping that he hadn't forgotten his promise to her to get her a hearing aid. He finally arrived and handed her a package. She was overjoyed that he had remembered his promise but when she opened the package she found a wire about four inches long and a button.

"What's this" she shouted.

"Your hearing aid," he answered. "Just put the button in your ear and let the wire show. People will see it, think you're deaf and shout at you."

HE SAID IT!

"Sorry, I am not a medical doctor. I am only a veterinarian," said the man giving first aid to an accident victim.

"Good," replied the slightly injured driver. "Only a jackass would drive 70 miles an hour under these conditions, so you're just the man to treat me."

THANK YOU!

I wish to extend to all the people at the National Dutch Show, who remembered my birthday, my deepest thanks. Last year, when I told the Hands we wouldn't be there this year I was joking but as fate would have it, we couldn't make it. So to all of you who signed my birthday card and especially Elmer and Millie, a great big THANK YOU. Hope to see all of you again soon.

Dear Don,

I am using this antique letterhead just for fun. It sure is many year old. Old age has caught up with me and I have not been able to drive my auto for several years and just cannot get out to meetings and shows anymore. Our rabbit breeders here on Long Island are very few and all of a new age generation. I have accumulated much material of dutch rabbits and at my age if anything happens to me all of it will go in the trash cans.

I have an accumulation of year books of the Dutch Club from 1944 to date and also have many copies of Dutch Club Special issues of Small Stock magazine and copies of many items I wrote about Dutch and thought that if you would like them I will be gald to send them to you for use as Dutch Club President.

If you would like to have them, let me know and I will be glad to send them to you.

I sure miss my meetings and shows but can do nothing about it.

My regards to all the Dutch Breeders. Sincerely, Chas. O. Lewis

DEAD HEAT.....

It was the funeral of a woman thoroughly disliked in her home town and for good  
cause. With a barbed tongue and a violent temper she henpecked her husband, hounded  
her children and quarreled with the neighbors. Even the animals on the place wore  
a hunted look. It was sultry on the day of her funeral and the minister's voice  
droned on and on. The sky grew darker and darker. Just as the service ended, the  
storm broke. There was a blinding flash followed by a terrific clap of thunder.  
In the stunned silence a voice was heard: "Wa'al, she got there."
