Responsible Dutch club members, please remember to use the nomination form in this issue of the Dutch Reporter to nominate a new slate of officers and the national Dutch judges. You will be sending the ballots back to Norma Hart, secretary-treasurer. Place the enclosed ballot envelope(s) in your (you must provide the outer envelope) standard letter size envelope with your return address and mail this to Norma. She will receive all ballots, verify and document the name and address on the outer envelope, remove the outer envelope, and forward the "ballot envelope" still sealed to the election chair. The election chair will open the "ballot envelope" and count the nominations at the conclusion. The election chair will report the outcome to the President, Secretary-Treasurer, and Dutch Reporter Editor by May 25, 1986. Please refer to page 9 in the new guidebook: Constitution, Article VI - Voting Procedures; Section 1 if you have further questions.

The following committees have been appointed by the President pending board approval. If I receive no disagreement from the board, these committees will be standing until January 1, 1988 or until activity of a committee may be redirected.

Publicity and Promotion Committee: Al and Barb Butler, Chairs  
State representatives: Chosen by Al and Barb as chairs of this committee.

Standard Committee: Vicki Hertel, Chair  
Members: Fred Cremer, Dr. T.E. Reed, Mark Pecaric, Dale Zentner

Election Committee: Myrl Milhahn, Chair  
Members: (Annual appointment) Maxine Milhahn, Craig Nelson

Auditing Committee: At the National Dutch Show - Wenton Carlton, Chair  
Other appointment contingent on members in attendance.  
At the A.R.B.A. Convention - Roger Eich, Chair

THE GUIDEBOOKS ARE HERE!!!!!! They were delivered on Friday, March 7th. What a pleasant surprise!! By the time you read this message, hopefully you have all received your copy. Regardless of how carefull we are, there will be a few of you who will not receive yours. This may be due to various reasons, ...third class non-profit rate mailing, no notice of change of address, human err, etc.!! Whatever the case may be, if you haven't received your copy by the end of April, please notify me and another will be sent. Husband/Wife memberships receive only one copy. Youth and single adult memberships will all receive a copy of the new guidebook. I am impressed with the new look of the guidebook! Marti Dill did an outstanding job putting this edition together and I would personally like to thank her for her devotion to the A.D.R.C. I can remember some time ago, Marti called and asked if it would be possible to look up the winners from the past National Dutch Shows and ARBA Conventions, along with the sweepstakes winners. She sounded a little shy at that time as she said that she realized that it would take alot of time to put this material together and she also realized the work load of ordinary day A.D.R.C. mail, etc. I assured her that it would be no problem and I would do my best to get this information to her as soon as possible. Well, thank heaven for old Domestic Rabbit Magazines, and Dutch Reporters, along with bits and pieces put together from here and there. Dick Gehr and I went through everything we could find to get this information to Marti as quickly as we could. I spent an entire day writing all of the information down for mailing. To my surprise, only a few days after I had sent the information off, there was a knock at my door. There stood the florist with a full bouquet of beautiful red roses!! I couldn't wait to get my hands on the card! It read, "Thanks for all your help - Marti". I couldn't believe that there were still people like this!! Well Marti, you didn't receive any roses, but the guidebooks are terrific and I would like to "THANK YOU" from each and every member of the American Dutch Rabbit Club.

This issue of the Dutch Reporter contains the 1986-1987 ADRC membership list. This was printed as of March 7th. If you joined after this date, your name will not appear on this list. If you renewed your membership after this date, it was not updated at the time of printing. Please check your expiration date!! If your membership expired before January 1st., your name was omitted. Those memberships that expired in January will receive the March/April issue of the Dutch Reporter only. If your membership is not renewed promptly, your name will be omitted from the membership.

This issue of the D.R. also contains the nomination ballots. Please be certain to vote!!!!!!!!!!!!!!!!!!!!!! You may only vote for a Director for the district in which you reside. Youth members may ONLY vote in the section provided for youth! Each issue of the D.R. will contain two (2) ballots and two (2) ballot envelopes. Husband/Wife memberships are entitled to two (2) votes. Since each D.R. must weigh the same, and contain the same information in order to mail under our permit, we must include two (2) ballots per D.R. Single adult members use only one ballot. Ballots will be mailed to this office so that the outside envelope with your return address can be verified for voting priviledges and districts. We can then also determine youth from adult. Remember, in order to have your ballot be valid, be certain that the outer envelope contains your complete name, address, city, state and zip.

You will certainly want to take note that if your membership expired before March 1, 1986, and you have not renewed, your ballot will be void! Any ballots received after May 15, 1986 WILL NOT BE COUNTED! After ballot envelopes have been checked for verification, all ballots will be forwarded to the election committee chairperson for opening and counting. Remember, it is a priviledge to vote -- it only costs 22¢....., and your vote counts!

FROM DIRECTOR CARLTON . . . . .

By the time this Dutch Reporter gets out, it will be just about time for the National Dutch Show. Let's all get a bag packed and wonder out to Des Moines to the big event. I am sure everyone will have a great time. I am looking forward to this one.

It is just about time also for elections and I have a couple of items I would like to bring up. First everyone should vote. If you don't cast a ballot, you don't have any say in the affairs of our club. This is the first election in which we will have Directors elected by Districts, which was voted upon in the last election. Most of this area has had little representation in the National Dutch Board in the past. Districts 5 - 2 are the exceptions so for the other three areas, here is your chance to elect a Director to represent you.

There is a move to scrap the election of Directors by district. Instead we would have nine Directors that would be elected from any areas of the country. In some cases, one state could have two Directors. I don't feel this is a good idea for several reasons. Everyone in the club had a say on this issue last year when it was voted upon. It passed by a large number of votes and I would assume that people knew what they wanted.

I am against having more than one Director from any one state. It is too easy for five, six or seven states to have all the elected officers. There are many good workers and breeders scattered through out this country. No one area has a majority of good workers.

If we as a club are going to increase our membership and the promotion of Dutch, it has to be done on a national basis with all breeders and workers doing their part. Many of the other speciality clubs in the A.R.B.A. elect their directors from areas or districts, especially the large ones. I hope this idea is not scrapped at this time. Let's give it a chance to work and see what happens.

Wenton

FROM DIRECTOR BILLUPS . . . . .

By the time you read this the snow will be melted and Spring will be upon us. We here in West Virginia had a mild winter except for several good snows in February. With Spring comes nest boxes full of bunnies, local shows and the NATIONAL DUTCH SHOW. The majority of my does started conceiving in late February leaving me with only a couple of juniors for the Spring shows. My does usually produce their first Spring litters around the end of April.

I hope to see most of you in Des Moines, Iowa for the 1986 NATIONAL DUTCH SHOW. It sounds like it's going to be a dandy! My first National show was in Canton, Ohio in 1983. It was nice to meet new people and see those I had not seen for a while. A person should attend at least one National Dutch Show in his or her career as a Dutch breeder. A newcomer can always find quality breeding stock and helpful hints from experienced breeders while at a National show. The Dutch are moving up in the state of West Virginia. We now have four new breeders to start up in the past month. It is going to be nice to show in the state against other mountaineers, showing alone got boring.

See ya at the shows,  
Rick Billups

In order for a rabbit to win a show he must first be in top condition. All of the old-time breeders have their own secrets on how to get a rabbit in good show condition. As with most of the other breeders, I have tried various methods and have found only a couple that work for my rabbits. In this article are some of the methods that I use and would like to pass on to anyone interested.

I often have problems keeping weight on certain animals but through the years I have found certain things that will put the weight back on the rabbit. A banana is a good food supplement which most rabbits seem to enjoy. When feeding bananas I usually feed  $\frac{1}{4}$  to  $\frac{1}{2}$  of the banana daily to the rabbit. Apples and potatoes also put weight on rabbits, but slower than the bananas. Another food additive is white bread, although it takes small amounts of bread forever to do the job. I sometimes add a  $\frac{1}{4}$  to  $\frac{1}{2}$  tablet of vitamin B-12 to the feed everyday for those rabbits that I plan on showing. The B-12 stimulates the animal to eat, helping it increase its weight. A good example of this would be the juniors that we took to Orlando. We started our Juniors on B-12 at two months of age and by the time they were five months old they weighed around 4 pounds. That was the first time that we had Juniors to weigh that much before.

The fur of the rabbit is the second part of conditioning. I personally feel that the main ingredient for quality fur condition is in the breeding of the rabbits. I have found that it is best not to breed rabbits that are going through molt for this usually produces rabbits with bad fur traits. I like to use some simple additives when preparing the rabbit for a show. A mixture of sunflower seeds and horse oats helps to put a glossy finish on the coat. A few kernels of corn during molt will help to rush the animal through this period, especially during the cold months. I have also tried putting cooking oats and wheat germ oil on the top of the rabbit's food. Both suggestions have been helpful but the first method is the cheapest. The color of the fur is a big part in the decision making of the judge. I try to keep direct sunlight off of my show rabbits, thus preventing fading or rust. Metal dividers and a clean cage are a must to prevent urine stains.

Before I place a rabbit up on the judging table, I always try to go over the animal quickly. A haxsaw blade broken in half will make for a good brush. Brush the coat a couple of times before misting it with water and rubbing the rabbit down. This simple trick will give a clean appearance to the rabbit's fur. Although everything I have mentioned seems to work in my rabbits, I can't guarantee it will work on your rabbits. I hope that someone has found this article both helpful and enjoyable.

## RAISING DUTCH IN MINNESOTA

First, let me tell you fellow Dutch breeders something about myself. My name is Phil Shivers. I am 53 years old, single and live alone in Minneapolis, MN. My rabbits are raised in my garage (city ordinance, "no rabbits outside") which also houses two cars, a snow blower, lawn mower and etc. My rabbits are housed two cages high on 24" high tables. The cages are 30"x30" for Senior does, 24"x30" for Senior bucks and 30"x30" with a divider in the middle for Juniors. I use pans with pine chips, crocks for water and FineX feeders with screen bottoms. I feed Kent pellets, one quarter slices of Roman Meal bread which is a combination of wheat bran, whole wheat, whole rye, and defatted flaxseed meal. I also feed straw and sunflower seeds from time to time.

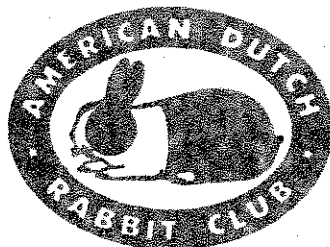

I sincerely hope that in writing this article and future articles I do not cause conflict or misunderstandings with any one. All articles are my own thoughts and feelings on subjects and are certainly subject to a difference of opinion. I will attempt to keep my fellow readers informed of my experiences and that of other Dutch raisers in this area. It is my hope, that by sharing my experiences, it will help other Dutch breeders to produce even better Dutch than we presently see on our show tables.

I received my first rabbit when I was 13 - a white New Zeland. I remember being fascinated that she had red eyes and when her bunnys were born they also had red eyes. But after a number of years and growing pains, I like so many of us lost track of the finer things in life, and got caught in the All-American rat race and thus lost sight of my enjoyment of raising rabbits.

Then several years ago, after losing my dog and thinking of another pet, I saw an article in Mother Earth News about raising rabbits to sell to pet stores. Of course they recommended Dutch. After buying the first pair and needing cages, I contacted Dan Tersteeg who told me about showing Dutch rabbits. My first show was Mason City, Iowa with the likes of Dale Zentner, Lowell Simonson, Bill Lane, David Paul, and John Bach. Talk about taking on the Royal Guard first time out. I didn't even know I had to brush my rabbits. However my Blue Junior doe - 7 weeks old - was second out of five and went on to be 1st Junior Blue doe at the Iowa State Show. She ended with 11 legs and her Grand Championship. I am also happy to say she helped me meet some of the nicest people I have ever met.

"Experiment of the Month" I use crocks for water. It seems more natural for the rabbits to drink from them, than from an automatic watering system. Also they appear to drink more water from crocks. I have seen an improvement in fur if I change the water at least twice a day.

Thanks for listening,  
Phil Shivers

*YOU CAN'T BEAT THE DUTCH*

Hi! Would like to introduce myself, I'm Sheryl Kaminski of Wooden Shoe Dutchery. I would like to get to know more "rabbit" people and thought it would be a good place to start by telling a little bit about myself. Since I haven't been able to show much to date, I haven't met many other breeders. I'm sure there are many beginners out there who feel the same way. So here goes!

I got involved with rabbits in 1980 when we received a crossbred Dutch buck as a pet. "Magic" soon became our "house rabbit". Being litter trained and very friendly, he had the run of the house quite often. That is until he chewed all the electrical wires in the living room one afternoon! Luckily none of the appliances were turned on! My husband, John, felt differently and Magic was banished to the basement! I also raised covies at the time and he shared a cage with several sows.

Well it wasn't long before I decided that Magic needed companionship other than the covies. We purchased a trio of pedigreed Dutch soon thereafter. However I also fell in love with the beautiful Rex and we brought home a pair of them also.

I'm sure many more people than not have made the same mistake that I did when buying my original stock. To a beginner - price - is the almighty dictator on which rabbits to buy. Not wanting to invest alot of money I purchased the cheapest rabbits I could find locally. Now I know better!

So after raising a poor quality rabbit for a few years, I decided to sell out my entire herd of Rex and Dutch and begin from scratch. About 2 years ago we made the decision to raise Dutch exclusively and began the search for a new bloodline.

I wrote numerous letters to breeders across the country. Many of which went unanswered (be sure that will never happen to anyone who writes to me!) After several months of correspondence, I purchased a trio of Dutch from Bill Geitzenauer. Later I bought a second trio from Bill and his partner, Carl Decker.

Bill began raising Dutch in 1948 and won BOB and BOS at his first show with 240 Dutch shown. He's won 105 BOB's and 3 BIS's. His lines trace back to Al Seeman and Jack Boughton, both immortal "Dutchmen"! The last outside cross to this strain was in 1974 and was again back to Al Seeman's stock. Bill and Carl borrow stock back and forth between themselves and their lines are very similiar.

Carl has raised Dutch since 1951 winning many trophies including BOB at the National Dutch Show in 1983. His original stock was from Carl Schalip of Ohio, but has been blended with Bill's for about 10 years.

Bill has been a big help to me. I don't know how many letters we've written back and forth and I can always count on a quick response and valuable advice. It makes me proud to be a member of a terrific group like the ADRC! With directors like Bill, I don't see how we can't help but promote that great little rabbit, the Dutch!

With only one generation from my new stock, I can already see the benefits of a linebred breeding program. The parents are producing consistantly and generally of a higher quality than themselves. Like the saying goes..."It's in there!" It will take me several generations of strict culling, but I am dedicated to improving the breed. If there's one thing I've learned, there are no short cuts.

Here in Wisconsin it seems as if Dutch are increasing in popularity. Entries were up for the fall shows, but we still have a way to go. We have a 3 year old son, Bradley, and our new daughter, Tera, who will be 1 year old in June. So I don't have a lot of time to devote to my hobby. But waatever time I do manage is a great escape from the pressures of our world. I'm sure you'll all agree..... there's just something special about those Dutch!

Sheryl Kaminski

## OUR DUTCH EXPERIENCES

We've been raising Dutch since Ken and Millie Storrer provided our 9 year old son with a little black Dutch bunny for a 4-H project. Well the son is now 24, and is busy surviving work, a new car to pay for and does of a different sort, if you know what I mean. He still checks out the rabbit barn now and then but the rabbit fever has got Mom and Dad now. We have three breeds in the barn, but Dutch have the place of honor. Many different breeds have come and gone with us, but we have always kept Dutch. At one time over the years when we weren't going to have rabbits anymore, we still kept a few Dutch just for pets.

Our Tortoise buck named very aptly Bucky, lived the longest. Even a bout with wry neck didn't kill him and he produced many fine babies for us. He was found dead one morning in his special bed of straw at the fine old age of nine years. Even our grown-up son cried a little with the rest of us.

Over the past 15 years, I have gotten many calls from rabbit breeders in the area asking, "Have you got a Dutch doe with a new litter? I need a foster mom for these babies the mother has deserted or didn't know how to take care of." They bring them to us, I put them down my shirt next to my skin so they have my scent. Then I pet the mother rabbit all over talking all the time. I rub the babies and wrap them in some of the nest fur, then put them in the nest with her babies. I've never had a Dutch doe refuse to take care of the the lot.

We have had a habit now to have at least one Dutch doe have a litter sometime in a month, just so these abandoned bunnies will have a chance if they get them to us in time. At the time of this writing, we have our blue Grand Champion doe fostering a little French Lop who is a week younger than her babies, and he is coming along just fine. She's just as protective of this little misfit as she is her own. She puts her body in front of them whenever anyone decides to take a peek into the cage.

It always gives us a charge when the little ones get old enough to start jumping out of the nest box. The surprised looks on visitors faces when a variety of colors, markings and breeds pop out is real funny. Our Dutch have fostered mostly Satins, Rex, Lops, Dwarfs, Polish, Palominos, Himalayans and Angoras. Once a Flemish Giant baby was bigger than his foster mama at six weeks old. This tells me that Dutch milk sure must be good

One doe sticks out in my memory. We called her Fancy and she was very mis-marked but came from out best bunnies. Why I kept her at the time, I'm not sure, but she had a marvelous personlity. She usually threw very nicely maked babies. However, she seemed to take over the care of whatever you gave her, even if they weren't the same age as her bunnies. I could put newborns in with her two week old babies. She would divide the nest, take care of both litters and continue to feed the younger ones even after she had weaned her own. She's raised some Grand Champaions Fancy was retired at 5 years old and lived another 2 years in her place of honor, the nicest cage we had at the time. Fancy wasn't much to look at Dutch wise, but had personality from her crooked blaze to tip of her crooked tail. No matter how many or what breed of bunnies we ever raise, there will always be a place in our rabbitry for Dutch!

# YOUTH

Spring is here and with it comes a new YOUTH COMMITTEE. Please kids, contact these folks if you have any questions about the Youth program. We would especially appreciate hearing from each of you with new ideas for the Youth ADRC. Our new committee is:

Marti Dill, MI - Chairman  
Jeanette Demers, IL  
Mary Chamberlain, N J

Judith & Chad Johannes, NE  
Katie Mead, CA  
David Myers, OH

We would be happy to include any other member of the ADRC that is interested in the Youth program. Just drop your chairman a line.

YOUTH IN THE NEWS \*\* LEADERS OF TOMORROW \*\* STARS IN THE RABBIT WORLD

Congratulations to JEANETTE DEMERS! Jeanette, a perky brunette, was elected one of three Directors at Large for the Illinois Dutch Rabbit Club. She is the only youth to be an officer of the Illinois Dutch Club.

California Girls and Guys are making a big splash with their Dutch. ADRC youth member, JILL GIRON took her Dutch all the way to Best In Show at the San Joaquin County Fair. MARK DYKIS of Chino, CA showed his black Jr. Doe, winning Best In Show. Great going, keep up the good work.

PAUL DILL of Galesburg, MI has been a busy fellow according to the Michigan Report in RABBITS, December issue. Paul was the Team Captain for the winning Jr. Quiz Bowl and Carcass Judging Team. He also won three individual contests, Cavy Fitting & Showing, Meat Processing and Breed ID & Quiz. He is shown in RABBITS sporting a white beard of whipped topping while teammate JON STRYD gets the squirt-gun ready. Both boys belong to the ADRC.

KORI FITZGERALD of Colorado took Best 4 Class with a Tortoise Jr. Buck at the Long's Peak RBA Show, Loveland, CO. Approximately 700 rabbits were judged that day. Horray for Kori!

Those kids from Ohio are getting practiced for the ARBA Convention. AMY WITHROW just took BOB Dutch with a really nice Steel buck at Columbia City, IN and TODD URAN took home the BOS award at that same show. Lima, Ohio had a Youth Dutch entry of 115, yes in Youth. Winning that large Dutch entry with two very nice blues was BOB MYERS of VanWert. Bob took both BOB & BOS. Now if we could only convince those Ohio Dutch folks that the Ohio kids need a Youth Sweepstakes. How about it guys?

JIM SMITH of Ohio recently visited a Michigan show with his Dutch and really showed the Michigan breeders how to show those marked bunnies. Jim took BOB in both Open class and Youth. Congratulations Jim!

DON'T FORGET TO START STUDYING FOR THE '86 NDS YOUTH QUIZBOWL. ALL QUESTIONS WILL BE TAKEN FROM THE NEW ADRC GUIDEBOOK OR THE ARBA STANDARD OF PERFECTION.

Hoosier Dutch Rabbit Fanciers Club News:

Hope all of you are having better luck getting your does bred than I am. Seems like this winter is going to last forever.

Our Fourth Annual H.D.R.F.C. Show will be held Oct. 4, 1986 at the Delaware County Fairgrounds. Please plan to attend for a day of good fellowship.

I am happy to report that we have a good number of new Breeders-Members in the last few months. The number of Dutch shown is rising and the quality of Dutch in Indiana is out of this world.

Bob Sipkema, H.D.R.F.C.

Secretary's Note: The 1986-1987 Membership List of the American Dutch Rabbit Club printed in this issue is current as of 03/07/86. If you joined or renewed after this date, your membership had not been updated for this printing. If you are a new member, and joined after the above listed date, your name is not included on this list.

The American Dutch Rabbit Club does not send out expiration notices as your membership expiration date appears on each label of your Dutch Reporter and on your membership card. Please check your D.R. label for this information. If you paid for 1st. class mailing, your 1st. class expiration date also appears on this label.

Our membership list includes the names of approximately three (3) deceased members of the A.D.R.C. However, since they were all "life" members, and we received no notice from their families, we felt that their names should remain on the membership and all D.R.'s, Guidebook, etc. should be sent to their family.

An asterisk (\*) beside the membership name denotes a judge. A double asterisk (\*\*) denotes that both members are judges.
