NEWS

PRESIDENT'S MESSAGE

The 1987 National Dutch Show; by the time most of you receive this issue of the Dutch Reporter, may be history. The Texas State Dutch Rabbit Club with the leadership and guidance of Bill and Sharon Reid will have hosted this great event April 3-5. Who will have won the honor and \$500 award for the coveted BEST OF BREED? Look for the answer in the next issue of the Dutch Reporter.

The first Dutch Reporter printed by the new editor, Kay Stearns, was EXCELLENT! Kay did a fine job and sure could use your input in the form of articles or news. Remember the deadlines -- the 10th of each odd month.

I am pleased to announce the appointment of Wayne Mackinnon of Taunton, Massachusetts as A.D.R.C. District 7 Director. If you have any ideas or suggests for the good of the club, please submit them to your director and your president. The only way an organization progresses and grows is through the interest and leadership of its membership.

The American Dutch Rabbit Club has recently purchased two electronic typewriters to provide support and professional equipment for the information specialists working for the betterment of our organization: Norma Hart, secretary-treasurer; Kay Stearns, Dutch Reporter editor; and Vicki Hertel, sweepstakes chair. The A.D.R.C. now owns three electronic typewriters to better serve its membership.

In closing, I would like to announce that Jim and Bonnie Kelly of Kennewick, Washington will be the DUTCH breed chair and secretary for the 1987 A.R.B.A. Convention to be held in Portland, Oregon. Please send any specials money directly to the A.D.R.C. home office:

Norma Hart, Secretary-Treasurer
190 North First Avenue
Coal City, Illinois 60416

Your support will be appreciated and properly recognized. Remember: An organization is only as good as its membership! Help make the American Dutch Rabbit Club an outstanding specialty club -- become an active member. Let me hear from YOU!

DAFFY-DILL'S RABBITRY

Dear Dutch Friends,

SPRING HAS SPRUNG!!! No, I'm not a weatherman but before I travel to our barn, I grab a raincoat - protecting myself from the showers. Seems like every buck in the barn waits for my arrival so he can have his chance to spray me. May I say, they are all very accurate.

DILL'S LAW says never take a shower before going to the barn or put on good clothes - even when you're just running down to check a doe before leaving for town. They'll get 'yal

QUALITY POINTS are an item that was discussed by your ADRC Board of Directors and the general membership while attending the ARBA Convention in Columbus this past October. The main problem with the ideas suggested for quality points was that a rabbit winning Best of Breed over 150 rabbits would receive the same points as the rabbit who only had to beat 10 rabbits to be awarded BOB. At the general membership meeting, I suggested a method of awarding points that might satisfy everyone. This system would rate shows according to the number of DUTCH shown; Example - Class A might be 76 & over; Class B, 50-74; Class C, 25-49 and Class D, 1 to 24.

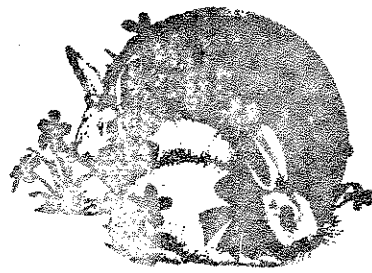

After checking through the show results that were published in the November/December issue of the DUTCH REPORTER, I found shows with less than 25 Dutch (46), less than 50 (24), less than 75 (10) and 76 & over - one show. In order for you to understand more fully, I'll include a hypothetical situation below.

POINTS	CLASS A = 4	CLASS B = 3	CLASS C = 2	CLASS D = 1			
	BEST FANCY = 1			BEST IN SHOW = 1			
EXHIBITOR	# shows	Class A	Class B	Class C	Class D	B/F	BIS
R & K Shull, IN	8		3 (1)		5 (5)	1	1
Daffy-Dill's Rabbitry, MI	8	4 (1 win)		4 (2)	3 (3)	1	
Evenburg & Stearns, IN	5	8 (2 wins)		2 (1)	2 (2)		

The above is only a suggestion for your consideration. This would not replace the Sweepstakes the ADRC offers at this time. Please think it over, jot down your thoughts and share them with either your District Representative or any of the ADRC Officers.

Keep Hoppin,

Marti Dill, Vice President
American Dutch Rabbit Club

FROM THE DESK OF THE SECRETARY...

Enclosed in this issue of the Dutch Reporter is your nomination ballot for the office of President and Directors for District #4, #6, #8, and #9. There is also a section to nominate the judge of your choice for the 1989 National Dutch Show and 1989 ARBA Convention. This ballot is for "ADULT PAID MEMBERSHIPS ONLY"! You will find complete instructions on the ballot, however, remember that you may vote ONLY for a Director of a District in which you reside. If you reside in District #1, #2, #3, #5, or #7, YOU WILL NOT VOTE FOR A DISTRICT DIRECTOR. There is a separate ballot enclosed for the youth to nominate a judge for the 1989 National Dutch Show. These ballots MUST BE RECEIVED in the Secretary's office no later than MAY 15, 1987 in order to be counted. My interpretation of a "no vote" is that the member HAS NO COMPLAINTS AT THIS TIME and WON'T HAVE ANY COMPLAINTS IN THE FUTURE!! Please exercise your right and privilege.....VOTE!

You will find a copy of the current membership list of the American Dutch Rabbit Club in this issue of the Dutch Reporter. Any membership, new or renewal, that was received after February 28th, is not included in this update. Materials must be submitted to the Dutch Reporter editor in ample time to ensure the promptness of it's mailing. Therefore, I must adhere to a time schedule in order to comply. As in the last issue of the D.R., just a reminder to always check your membership card and the label on your Dutch Reporter. Both of these items contain your expiration date.

The weather here has been beautiful! We've been between 45 and 50 degrees accompanied by plenty of sunshine and the ambition to get up and go! Our show season started in February and the entries so far show a definite increase in comparison to last year. I hope this proves to be the case in many of the states. It's time to get out and spark some new interests! Do you realize how many people have no idea how many different breeds of rabbits there are? When asked what my hobbies are and the list includes rabbit raising,...the laughing goes on for what appears to be hours! By the time we get done explaining the different breeds, bring out the Standard of Perfection, tell em' what a rabbit show is all about and get em' out by the rabbits, we find their laughing has ceased,...their questions are growing,...and we're now trying to return their interest to basketball, fishing, bowling or golf!! Sign up a new member today!

I'll leave you with a touch of spring in the air, bustling nest boxes, the hope for your "Best of Breed",...and these quotes;

Handle them carefully, for words have more power than atom bombs.
-- Pearl Strachan Hurd

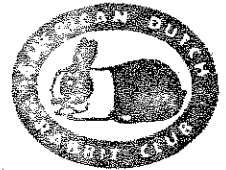

I've learned to admit it when I'm scared because it takes courage to know when you ought to be afraid. -- James A. Michener

Laughter is a tranquilizer with no side effects. -- Arnold H. Glasow

Spring is just around the corner with its nice weather and abundance of shows. By the time you read this the 1987 National Dutch Show will be history and maybe someone will have been lucky enough to derail the E & S Express, although it would be nice to see them win three in a row. I personally did not get the chance to make the trip to Texas due to tests and work, but I have already checked on the possibility of flying out to Portland in October for the Convention. The 1987 Nationals will be the first one that I have missed in several years and I can assure you that it will have been on my mind the whole weekend. For those of you who have not been lucky enough to attend one you don't know what you are missing, it is one of the two most prestigious shows in the country. An early congratulations to the winners and to the others(my category) there is always the thought of next spring.

In this issue of the Dutch Reporter I have decided to share some of my record keeping methods which I hope someone will find helpful. The first page(a) is what I call the "Litter Record sheet", it allows you to record the litter number in the left hand box. I use this number for the tattoo number on the rabbits by giving the best rabbit the litter number and the second best receives the number plus a letter either B,M or D,F depending upon the sex of the animal. An example would be in a litter of 3 babbies if the best one was a buck it would receive ear number 1 and the second best was a doe so her ear number would 1D and the next male would be 1B. The next box is for the date of birth with the weaning date to go directly below it. The third and fourth box is were information concerning the buck and doe belong, there is room for their tattoo numbers and color of each. The next to the last box is for litter size information and the color of the offspring. The last box is for the tattoo numbers ,color and sex of each rabbit with room out to the right for remarks.

Rabbit Performance Record sheet. The record sheet has room for extensive information the rabbit and its sire and dam. You may notice that there is no mention of the colors Gray or Steel, this is due to the fact that I have never owned one for a period long enough to add them to the sheets, the sheet can be made to fit anyones needs. The bottom half of the sheet is set up for production records on the rabbit and may be used for either sex. If the sheet is for a buck then it allows you to keep a record of his stud service and genetic throws.

Page C is for Livestock-Upkeep records and it allows you to record any business transaction during a period of time. The sheet is actually set up for monthly records and has room for the ear number and sex of any rabbit that you may sell or buy during that time. There is also room for purchases of feed to be recorded with its price and weight. The last two sections are for the purchase of equipment and other needed objects such as show expenses or memberships. If you would try and keep one of these record sheets you might be shocked at the amount you spend during a month.

The last page of records are for keeping track of your show animals. Page D is a Show Record Sheet which allows you to keep information on certain animals that are shown more often then others. The sheet has room for the name of the show, date of the show, the judge, place of finish, number in class, specials won and remarks made by the judge. This would enable you to go back through and see which judge your rabbit did better under for future shows and give a table record for the rabbit. The results of this sheet shouldn't be used as a reference for breeding since often the better show animals produce the worst offspring unless related which still doesn't produce a winner everytime.

I hope someone has found something helpful in the article and can make sense of it. Until next time, keep those nest boxes full and keep looking towards the future.

DIRECTOR'S MESSAGE: Bill Geitzenauer, NJ

On behalf of my husband, Bill Geitzenauer, I'll write his report since he is required to but is not physically able to do so as yet. As most of you know, from seeing me at the 63rd ARBA convention, Bill suffered a stroke on October 9. He was totally paralyzed on the right side and speechless. Bill has made remarkable progress and during my stay at the convention I was told that he began to walk, although his speech still suffered severely. I was delighted to be able to bring him home a 2nd place ribbon won by his Steel doe. By Thanksgiving he was walking on his own and could come home on weekends.

Bill was discharged on December 18 and it was great having him home again! He continues speech therapy as an out patient. It's a big help for me having him home to help feed and clean our 60 bunnies (half of them - of course - Mini Lops!). He helped me breed some of my bunnies but didn't start breeding his again until February. We have our reservations for the National Dutch Show in Texas and are really looking forward to seeing everyone again.

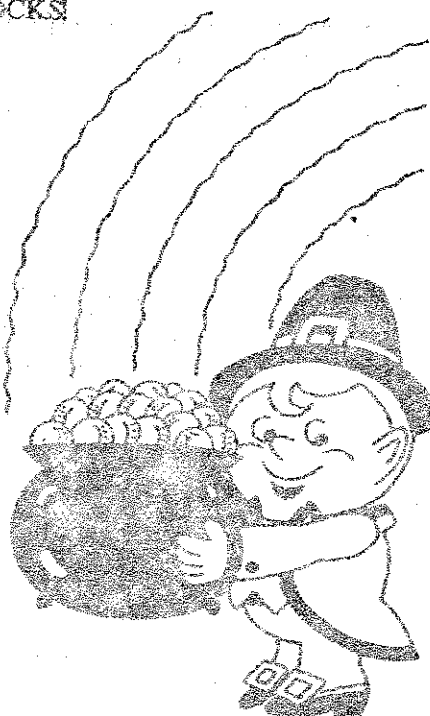

Bill is still disappointed about how prevalent cow hocks are in the Dutch breed. More and more breeders and judges seem to be overlooking this serious defect which certainly doesn't enhance the cobby type of the breed. Although I still believe Mini Lop are tops, I have taken an interest in the Steel variety of Dutch as my secondary breed (though I won't tell my Mini Lop peers). I figure I have the time and patience to try to work out Larry Thompson's formula starting from scratch. In the meantime I've also agreed to help develop a pamphlet of information about the Dutch breed. Hopefully, it will be presented during the Board meeting in Texas.

We attended the last show of our winter season here in these northern parts on December 7th at the Rabbits Show in Somerville, NJ. There were 134 Dutch shown; Best of Breed went to Rickey Wood of Virginia with a Blue junior doe and Best Opposite went to Katie Fine of New Jersey with a Blue senior buck. After the "too long" winter with below zero weather and "umptooump" feet of snow on the ground it was thrilling to attend our first "spring" show March 1 at York, PA where Rickey Wood from Virginia took Best of Breed with a Steel senior buck and Bill took BOS with a junior Steel doe (Steels right in my own backyard!). There were 83 Dutch shown that day. I'll report on the next show, March 7th in Flagtown, NJ in the next issue of the Dutch Reporter.

We look forward to attending many more shows and would really appreciate hearing from you about your concerns and dealings with the Dutch. Bill may not be able to fully write or speak as yet but he can certainly read and comprehend - and has "edited" this report.

We'd especially like to thank all of you who sent us your cards and prayers for a speedy recovery.

Till the next issue, let's **CULL OUT COW HOCKS!**

DIRECTOR'S MESSAGE:

George L. Farmer, Oregon
District #1

Hi out there, being one of the so called "new kids on the block" I guess I really blew it last issue by being so slow I didn't get an article into our editor in time for printing. Sorry about that -- and so here goes.

I am 63 years old, married for the last 40 years to the same good woman Maxine, and am more or less retired. We have two grown children, and two wonderful grandchildren, and have been raising Dutch rabbits for approximately eighteen years, do have other breeds on the place, but Dutch are for sure Maxine's first love, have often said that if I should ever try to get rid of the Dutch I'm sure I might as well go along with them.

Our rabbits are housed in a double unheated garage, not to well blessed with natural light, so we use two fluorescent light fixtures each with two four foot tubes each. These lights are on an automatic timer and the bunnies wake at 6:00 A.M. and the lights don't go out until approximately 9:00 P.M. day in and day out. I realize our weather here in Oregon is far milder than a lot of you have, but we breed the year around, and never really have any problems, other than the usual (getting a favorite doe get too fat, etc.) (This is partialy in reply to Rick's question in last issue).

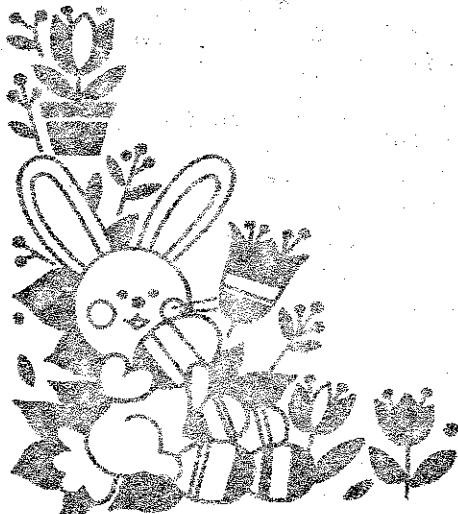

We raise all six colors of the Dutch with the Steel being by far the majority in our rabbitry. Perhaps it is the strain we have developed, but our Steels produce better with less problems and remain in better condition, both flesh and fur. Running a close second of course come the Grays and the Tortoise, of course I don't contend that a Tortoise stays in condition like the Grays and the Steels. What is someone else's opinion out there?

I hope everyone who can will make it to Texas to THE NATIONAL DUTCH SHOW, Maxine and I are looking forward to see a lot of our old friends there and of course making a lot of new ones. Be looking for you there.

Last but not least, now is the time to be breeding for those young Seniors that you are planning on bring to OREGON for the National A.R.B.A show next Oct. 12-15, 1986. Even tho Maxine and I are adult Advisors for the ARBA YOUTH we still plan to spend a lot of time with the DUTCH.

Don't forget the DUTCH HEADQUARTERS WILL BE AT THE COSMOPOLITAN HOTEL, 1030 N.E. UNION AVENUE, PORTLAND, OREGON 97232 (503) 235-8433. They have given us special rates, so if you call for a reservation be sure and tell them you are with the ARBA Convention, but also with the NORTHWEST DUTCH CLUB.

Enough for this time, more next time. Be seeing some of you in TEXAS, and if not there then in PORTLAND in October.

George

RULES? CHANGES or NO CHANGE?

We have some rules, but how far do we go?

Cowhocks are a problem. It seems to me alot of so called cowhocks are a result of pinched or undercut rear ends. That is a fault on type - and should be discounted as such. If the judge sees that it is enough to warrant it, place the animal further down the line. If a breeder sees he is not going to win with this fault, they will try to correct this problem on their own. Everybody likes a winner. Some breeders are not going to like this decision but you are not going to please everybody. The judge is not in a popularity contest. The rules we already have, the judges differ on the severity or importance. A judge that handles the rabbits with care - a thorough look to each rabbit - being consistent and in their own mind, placing such animals, gains alot of my respect. I nvere agree with every judge, even if I win sometimes, but I'll probably have respect for them. If a judge tries their best, that's about all we can ask of them.

They've changed the rules on the Grey Color twice that I can remember. I'm not a breeder of Grey Dutch, but after listening to some that are there still seems to be alot of dissatisfaction.

They tried to change rules on the weights for Junior Dutch. The thinking behind this was: too heavy as a junior would make a larger senior. I've had 4½ lbs. juniors at 5 months of age, when they were 8 months to one year old they never did get over 4½lbs. Fast maturing - some more than others!

It looks to me that some breeders let some faults get away from them. They don't win, so try to change the rules to fit their needs.

The Constitution and By-Laws: First changed to 9 Districts, after only 1 year try-out, don't think it will work so now want 3 Districts. We have some good and dedicated members that would be good prospects for being on the Board of Directors. But being in another State that is in the Same District as a person already holding a position, we can't elect them and use their abilities. Are we picking Officers and Directors only on where you live or qualifications? I'm not saying there are not qualified people in every District, but why tie it down? I believe if something is working well, why change it? Are we getting a stronger and unified Club? The voting percentage is a good indication.

Maybe if some changes are to be made, give them to a Constitution and By-Laws Committee say a year in advance, plenty of time for pros and cons to be printed in the Dutch Reporter. Members would have them for discussion at the National Shows and the committee could offer their recommendation as to their feelings to accept or reject for the best of the A.D.R.C. Let a well informed membership vote on each item as it deals with Their Club.

I have some strong convictions on some things but after discussing the topic, maybe I can see the other side and learn about a few things in a different light. So maybe I was wrong! Comments are welcome - these are my opinions and reasons - What's yours? If you have an opinion - write to Kay Stearns. State, I AGREE or DISAGREE and Why - even if it's just a couple of sentences. If I'm way off-base, say so - I don't mind. GOOD DISCUSSION make for a Strong er and more Unified Club!

THANK YOU!

Lowell W. Simonson

P.S Rules and Laws does not eliminate a problem but Education seems like a very good tool in Helping.

The 1987 show season is off to a great start. I have had the opportunity to attend three shows so far.

The first was the Southwest Exposition and Fat Stock Show in Ft. Worth, Texas. They had a nice sized entry, with some real fine rabbits. The Best of Breed Dutch belonged to Bill and Sharon Reid, and was a dandy little Blue.

Getting back into Illinois, I attended the Peoria Area RBA show, which had a Dutch entry of around 80, I believe. Best of Breed was a Black owned by Don Baird.

My third show was the Livingston County RBA show in Odell, Illinois. Evenburg and Stearns captured Best of Breed and Best Four Class with a Blue. I don't know how many Dutch were shown, as I was judging the Youth.

All in all, the Dutch entries have been very respectable at the shows so far, and I am looking for an increase in numbers as the Spring litters start coming.

Probably the most important thing facing the ADRC right now is the upcoming election. Voting is a privilege that each paid adult member has. Why don't we all exercise that privilege, and have a good turn out in the election this year? In the past, so few of our members have voted that it seems like many don't care how the Club is run. What would the people that don't vote say if we took this privilege away from them? I imagine they would be the first to gripe, even though they don't really take an active part in the voting.

With the National Dutch Show taking place in just a few weeks, it is time to turn our attention to the ARBA Convention in Portland. It sure would be nice if the Dutch was one of the larger breeds exhibited there. If you can't make the Convention in Portland, try to get an entry out there with someone else, or by shipping them in.

The video tapes of the various breeds, taken by the ARBA at Columbus, are now available. I have been told that our President, Scott Williamson, did an excellent job with the Dutch tapes, and I would urge each member to make an effort to view this tape. Contact the ARBA Office for more information on this.

The complete membership list for the ADRC is enclosed in this issue. We have lost a few members over the past year or two. How about each and every member trying to sign up a new recruit for the Dutch Club. We do boast one of the best news bulletins in the rabbit industry, offer a tremendous Guidebook, have a sweepstakes for adult and youth members, and are some of the friendliest rabbit raisers around. With all of this going for us, there is no reason we shouldn't be one of the largest National Specialty Clubs in the country.

That's about going to wrap it up for me this time. I hope to see many of you in Euless, Tx. in April. I guarantee there is nobody looking more forward to this year's NDS than me. Judging the NDS will undoubtedly be the greatest thrill of my rabbit career.

D I S T R I C T - S E V E N - R E P O R T

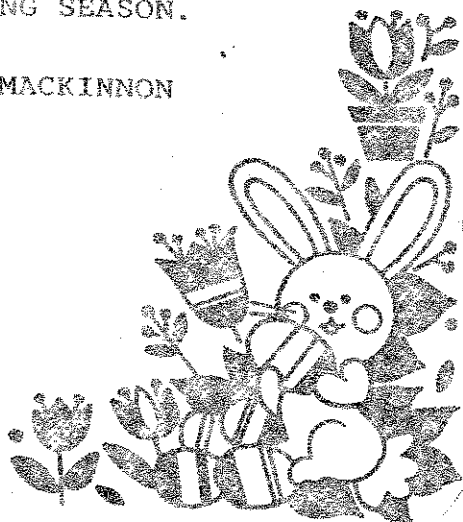

THE WORST OF THIS WINTER'S STORMS HAVE JUST ABOUT RUN THEIR COURSE IN THIS NECK OF THE WOODS. ALL OF US HERE IN THE NORTHEAST ARE GETTING OUR DUTCH READY FOR THE SPRING SHOWS. WITH THE SPRING BREEDING SEASON ON HAND, NOW IS THE TIME TO DO YOUR BREEDING FOR THE ARBA SHOW IN PORTLAND THIS OCTOBER. THE YOUNG KITS BORN DURING THE NEXT FEW MONTHS SHOULD MAKE THE BEST JUNIORS AND YOUNG SENIORS FOR THAT AND OTHER TOP FALL SHOWS IN THE MEANTIME, WE CAN KEEP OURSELVES BUSY IN TEXAS. THIS IS ONE SHOW I HAVE BEEN LOOKING FORWARD TO ALL WINTER, ESPECIALL WHEN THE WEATHERMAN KEEPS TELLING ME HOW WARM IT IS IN THAT PART OF THE COUNTRY.

I JUST ATTENDED A 4-H SEMINAR IN ASHLAND, MASSACHUSETTS. THE NUMBER OF YOUNG PEOPLE ACTIVELY INVOLVED IN RAISING RABBITS IN THIS DISTRICT IS TRULY AMAZING. THE ADULTS RUNNING THIS EVENT HAD EVERYTHING RUNNING VERY SMOOTHLY; THE KIDS LEARNED PLENTY FROM A SET UP SUCH AS THIS.

WE JUST HAD OUR FIRST SHOW HERE IN MASSACHUSETTS ON MARCH FIRST. SEEMS LIKE WE CAN'T GET ALL THE DUTCH FANCIERS OUT IN FORCE IN THIS AREA. BUT THE SHOW AS A WHOLE WAS WELL ATTENDED WITH OVER ONE THOUSAND TOTAL ENTRIES. THE MOST IMPRESSIVE LOOKING DUTCH AT THIS SHOW WAS ONE BRED BY PETER SAWYER, VICE PRES. OF THE NEW ENGLAND DUTCH CLUB. HE HAD A GOOD WINTER BREEDING SEASON. WATCH OUT FOR HIS JUNIOR BLACK DOE!

I HOPE TO HAVE A PICTURE OR TWO TO SEND IN ALONG WITH MY NEXT REPORT SO THE REST OF YOU CAN SEE WHAT'S GOING ON IN THIS DISTRICT. HAVE A GOOD SPRING SEASON.

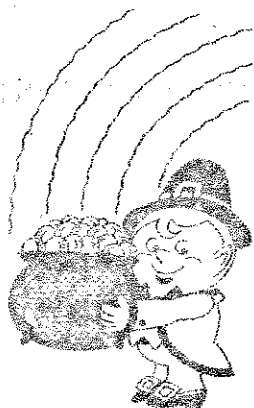

WAYNE MACKINNON

HELLO, MY NAME IS WAYNE MACKINNON, AND I AM THE NEW DIRECTOR FROM DISTRICT SEVEN. THAT DISTRICT, BY THE WAY, TAKES IN THE SIX NEW ENGLAND STATES AND THE STATE OF NEW YORK. FOR THOSE OF YOU THAT DON'T KNOW ME, I WILL TELL YOU A LITTLE ABOUT MYSELF. I HAVE BEEN RAISING DUTCH RABBITS SINCE 1954, I HAVE ON OCCASION RAISED OTHER BREEDS, BUT SINCE ABOUT 1960 HAVE RAISED MOSTLY JUST DUTCH. I OBTAINED MY REGISTRAR'S LICENCE IN 1960, AND SINCE THAT TIME HAVE ON OCCASIONS BEEN AN EXHIBITOR AT NATIONAL CONVENTIONS. I AM A FOUNDER AND CHARTER MEMBER OF THE NEW ENGLAND DUTCH CLUB EST. IN 1964. WHEN I FIRST STARTED RAISING DUTCH I OBTAINED MY FOUNDATION STOCK FROM: CHARLES WILLIAMS AND RUSSELL HALL OF NEW YORK, E.C. BICKLEY OF OHIO, BILL SUMMERS OF COLORADO. I AM NOW CURRENTLY NEWSLETTER EDITOR OF THE NEW ENGLAND CLUB, AND ACTIVELY PROMOTE DUTCH IN MY AREA. I HAVE BEEN HELPING OUT NEW DUTCH BREEDERS LOCALLY OBTAIN THE BEST QUALITY STOCK THAT I CAN OBTAIN FOR THEM AT CONVENTIONS I ATTEND. I CURRENTLY RAISE THREE VARIETIES OF DUTCH, BUT HAVE RAISED ALL SIX VARIETIES IN MY SEVENTY HOLE RABBITRY.

I HAVE BEEN MARRIED FOR TWENTY TWO YEARS AND HAVE THREE NEARLY GROWN CHILDREN. I HAVE BEEN EMPLOYED BY THE SAME COMPANY FOR THE LAST TWENTY ONE YEARS, AND THROUGH THAT TIME, HAVE BEEN A MEMBER OF THE AFL-CIO LOCAL. BEFORE THAT, I WAS EMPLOYED AS A SHIPBUILDER AT THE FORERIVER SHIP YARD IN QUINCY, MASSACHUSETTS. AFTER HIGH SCHOOL, I ATTENDED WENTWORTH INSTITUTE IN BOSTON, AN ENGINEERING SCHOOL FOR ARCHITECTURE. I HAVE REACHED A POINT IN MY LIFE WHERE I HAVE THE TIME, AND AM FINANCIALLY ABLE TO TRAVEL AND PURSUE MY HOBBY OF RAISING AND SHOWING DUTCH RABBITS ACROSS THE USA.

I LOOK FORWARD TO HELP THE ADRC REMAIN A STRONG AND PROGRESSIVE CLUB IT HAS BEEN OVER THE YEARS.

YOURS IN THE FANCY,

WAYNE

DICK EVENBURG, ELECTION CHAIRMAN

DISTRICT DIRECTOR #2

I HAVE ENJOYED READING THE ARTICLES FROM BREEDERS IN OTHER AREAS OF THE COUNTRY TALKING ABOUT THE LOCAL CLIMATE PROBLEMS AND THEIR DUTCH. IN ARIZONA, SUMMER CAN BE A MAJOR HASSLE. TEMPERATURES OF 100° OR MORE FOR 3 TO 4 MONTHS IN PHOENIX. WE USE ANYTHING FROM COOLING BASKETS FOR BUNNIES TO LARGE EVAP. COOLERS FOR THE BARN. WHEN I BOUGHT MY FIRST HOUSE - SIX MONTHS AGO, IT HAD TO HAVE A PLACE FOR MY DUTCH. THE HOUSE I FOUND HAD A CONCRET AND BLOCK WORKSHOP IN THE BACK THAT I CONVERTED INTO AN 80 HOLE RABBITY. NOW, I HAVE HOPEFULLY SOLVED THE PROBLEM OF HEAT WITH A EVAP COOLER AND THE NEW BARN - ONLY THE SUMMER WILL TELL. NOW IS THE TIME TO START THINKING ABOUT SUMMERIZING THE BARNS.

I WENT TO A SHOW IN SILVER CITY, NEW MEXICO - A SIX HOUR DRIVE AND OF COURSE IT SNOWED (I HAVE NEVER DRIVEN IN SNOW BEFORE AND HOPE TO NEVER AGAIN!). I WAS HAPPY TO SEE YOUNG DUTCH BREEDERS WERE SHOWING THEIR BEST AND DID WELL AGAINST THE ADULTS. ONE BREEDER HAD A YOUNG JUNIOR BLACK DOE I WOULD NOT MIND HAVING IN MY BARN. PLEASE REMEMBER, THOSE YOUNG DUTCH BREEDERS ARE THE FURTURE OF THE DUTCH CLUB. HELP AND ENCOURAGE THEM AS BEST YOU CAN, THEYHOLD THE FURTURE OF DUTCH IN THEIR HANDS.

BY THE TIME MANY OF YOU READ THIS; THE NATIONAL DUTCH SHOW WILL BE PAST AND THE WINNERS ARE HOME WITH THEIR HARD EARNED TROPHIES. I HOPE TO MEET MANY BREEDERS NEW TO ME AND SAY HI! TO THOSE OF YOU THAT WERE AT MY FIRST CONVENTION (A.R.B.A.) IN HOUSTON. I JUST HOPE I FIND SOMETHING IN THE BARN TO SHOW FOR THAT YEAR AND HALF OF WORK, IF NOT I WILL STILL HAVE FUN JUST MEETING OTHER BREEDERS - SEEING GREAT DUTCH FROM ALL OVER THE COUNTRY AND TALKING ABOUT DUTCH!

FROM THE WEST!

Chuck Christ

**SORRY I LISTED CHUCH'S ARTICLE AS 'NO REPORT SENT'. WHEN THE DIRECTOR'S PAGES WERE PUBLISHED, IT HAD NOT ARRIVED. TODAY'S (3-12) MAIL WAS EARLY AND HE MANAGED TO STILL MAKE THIS ISSUE. BETTER LATE THAN NOT AT ALL!

INSIDIE THE BACK COVER OF THIS ISSUE IS YOUR NOMINATION BALL OF...PLEASE USE IT...FILL IN YOUR CHOICES AND SEND TO SECRETARY HART - BEFORE THE ALL OFED DEADLINE.

JOHN NELSON CALLED AND THE FAMILY OF TOM SHUFFLEBOTHAM IS OFFERING A CLOCK ONCE AGAIN FOR B.O.B. AT THE 1987 N.D.S. ALSO, MRS SHUFFLEBOTHAM IS VERY ILL AND I'M SURE SHE WOULD ENJOY HEARING FROM SOME OF YOU. SHE IS AT THE WILLOWS NURSERING HOME IN VALPO, IN.

I'M PLEASD TO REPORT ALL OF THE OFFICERS CONTRIBUTED TO THIS ISSUE..THANKS! NOW, I'M GOING TO GET BUSY AND GET THIS IN THE MAIL SO MOST OF YOU WILL HAVE IT BEFORE THE N.D.S.

WELCOME

We, the members of the Texas State Dutch Rabbit Breeders, invite all Dutch Rabbit breeders and supporters to our National Dutch Show. We hope to have a show that will please everyone. We know that each N.D.S. is special and we have worked hard to make it worthwhile for everyone to attend.

We would like to thank all who purchased ads for the catalog. Also a big thank you for all your cash contributions for specials, all of which are needed if a club is going to sponsor a National Show.

We would also like to thank the ACCO Feed Co. for supplying the rabbit feed for this show. I feed it all the time and am very satisfied with the results.

RULES TO GOVERN "SELLER'S CLASS"

One year's membership in the American Dutch Rabbit Club for winner of first place in this class, with a perpetual record of merit under a heading "for Outstanding Service to the American Dutch Rabbit Club through showing the first Place rabbit in the Sellers Class at the National Dutch Show" (year listed) and recorded in future Guide Books.

1. All entries in this class subject to sale to the highest bidder. A minimum bid of \$10 to be set.
2. A 50-50 payback to consignors and National Dutch Rabbit Club will be in effect. (Consignors may donate their share to the National Dutch Rabbit Club if they so desire.)
3. No entry fee required for sellers class. Entries to be given to Sellers Class Chairmen. A separate caging area will be provided for the animals in the sellers class.
4. Rabbits may or may not be eligible to register. Sellers class rabbits do not have to be entered in the open show, but they can be.
5. All rabbits have to have an accompanying pedigree. Males will be accepted without pedigree. Rabbits are to have a permanent, readable ear number.
6. The sellers class will be judged as one class without regard to age, sex, or color. (The Dutch Standard will be the Judging guide.)
7. A Youth Sellers Class will precede the Open Sellers Class.
- 8 Sellers class will be held at the conclusion of all Open Judging.
9. The winner of the Sellers Class will receive:
 - A. A trophy from the American Dutch Rabbit Club and a one year membership in the ADRC.
 - B. The exhibitor with the highest selling price rabbit will win a one year membership in the ADRC. (No duplication of awards will be given if one rabbit wins the class and is also the highest priced animal.)
10. The sellers class committee reserves the right to reject any sick, injured, or poor specimen animals.
11. PLEASE ENTER QUALITY ANIMALS. THIS CAN ONLY BENEFIT ALL CONCERNED.
12. If trio or pair are entered, only one breeder's designated rabbit will be judged. The others will sell with that individual.

Getting up in the morning and arriving at a show on time is not hard. Having a couple cups of coffee and talking to some of the other people is easier yet! Putting on the show coat and getting behind the table doesn't even present a problem. But when it comes to pleasing the exhibitors, that's where the tune changes a little.

Since obtaining my Judges license, I have had the good fortune of working at quite a few shows. For the most part, the exhibitors have been great, shown very good sportsmanship, and I haven't been shot at yet! However, there are those that will disagree with every placement and remark. Ninety percent of the time, these are the people that need to sit down and read their Standards.

Every rabbit has some good point, or points. As a judge, I give each animal credit for these things. As a judge, I must also determine the faults of the rabbits. Every animal has one or more of these also.

Speaking as an exhibitor, I used to concentrate on certain characteristics or features of my rabbits. Speaking as a judge, I was crazy to do that.

Overall complete balance should be the ultimate goal. With this, if in the proportions called for in the Standards, your animal should be very competitive.

Too many times, I have heard an exhibitor remark, "Look at the coat of fur on that rabbit. How can you place it so low?"

If there are 50 points on type, and 10 points on fur, that should give them some inclination! The amount of points allotted to certain items in the Standard depicts the importance of that feature. Once the judge steps behind the table, all things must be considered in the order of their importance. Personal preference towards certain characteristics are set aside. This is where the judge and exhibitor differ at times.

Many breeders concentrate very hard on certain areas of their herds, and believe if they achieve their goal in this area, it should be the deciding factor. If it isn't, they become irritated. It seems they forget the other parts of the animal that the judge cannot.

I am not saying that all judges are experts on each and every breed. As much as we would like to be, we are not. But we spend much time and effort studying and working for our licenses, and are knowledgeable in each breed. The Cardinal Rule for us, is to judge according to the proportional breakdown in the Standards.

If the breeders would look at their rabbits according to the Standards, with no prejudice towards certain areas, I am sure they would see their animals closer to what the judge sees.

Believe me, there are many things that go through a judges mind when he is working a class of animals. It isn't just picking one out that he or she likes and forgetting the rest of them. Too often, and I say this from experience, the animal the judge really likes isn't the first place rabbit. Many times I have found an animal I would like to take home, knowing it could improve my herd because of some outstanding feature, and had to place it third or fourth in the class.

Judging is indeed a pleasurable experience and duty, but it isn't as easy as one might think. If you don't believe that, try it sometime! It is a different world than judging.

Hi, from California. Well another California Dutch club show was held December 7, 1986 at the home of Dorothy Bayliss of Hayward California. We appreciate her letting us use the facilities. The show was excellent with around 155 rabbits being shown. That figure is up from our 2 last previous shows that were held in December. Derek Carnahan did the honors of judging all the Dutch and it was a very close decision as it came down to picking Best of Breed. The results in each category will be listed below.

The lunch we had was also very enjoyable thanks to Dorothy & Nancy Strange for preparing and getting it ready and to those exhibitors who also brought in their favorite dishes for everyone to taste.

The raffle that was held also did very well in taking over \$77.00 in for the club., also there were items for sale from the A.D.R.C. and we would like to thank Bob Eisenraut for running the raffle.

Life memberships were presented to Velma Paquette & Dorothy Bayliss from the C.D.R.C. (Congratulations!)

The show itself ran very smoothly thanks to the secretary Fran Schettler, and also a big thanks to Rose & Katie Mead for doing the clerking.

ADRC YOUTH MEMBER IS NATIONAL RABBIT PRINCESS

Amy Minter, a 10 year old A.D.R.C. youth member from Flint, MI. was crowned National Rabbit Princess in Nov. at the ARBA National Convention in Columbus, Ohio. In addition to winning the National Rabbit Princess title, Amy, also won the National Judging Award, winning it with a perfect score (the only youth to ever do this at a national level). Amy also entered 4 Dutch rabbits at the ARBA Convention and all 4 did very well: 1st place black jr. doe; 2nd place black sr. doe; 3rd place black sr. buck and 5th place blue sr. buck. It was Amy's first national convention and what a wonderful time she has to remember.

Amy has raised Dutch rabbits for a little over 3 years and has over 75 animals that she cares for daily. She breeds and shows black, blue, chocolate, and tort Dutch. Amy competes in most sanctioned and 4-H rabbit shows in Michigan and is top point winner for Youth Dutch in the state.

She is a member of the Auto City R.B.A. chartered club as well as an active 4-H member in the Swartz Creek Hare Raisers 4-H Club.

Amy's goal for the future is to continue to raise and show quality Dutch and as National Rabbit Princess, to help spread the words "YOU CAN'T BEAT THE DUTCH".

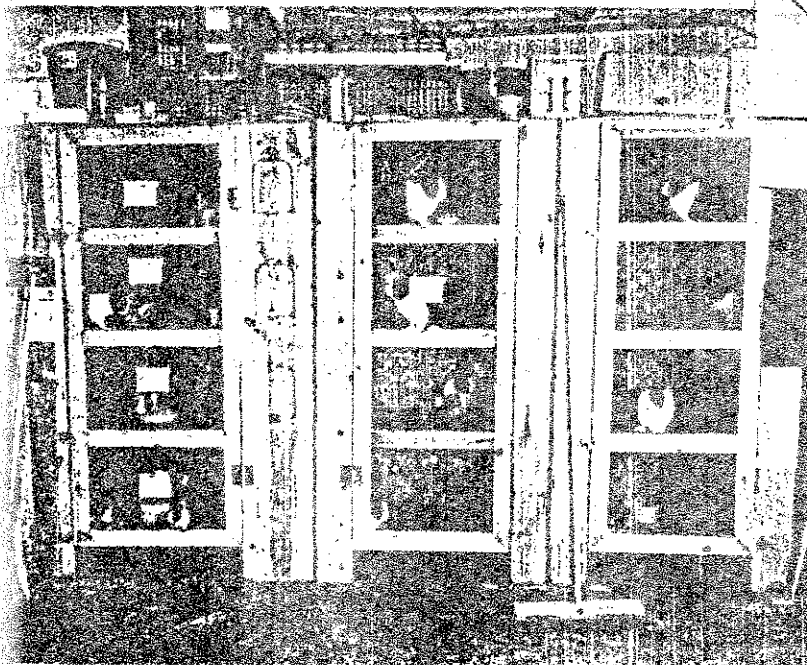

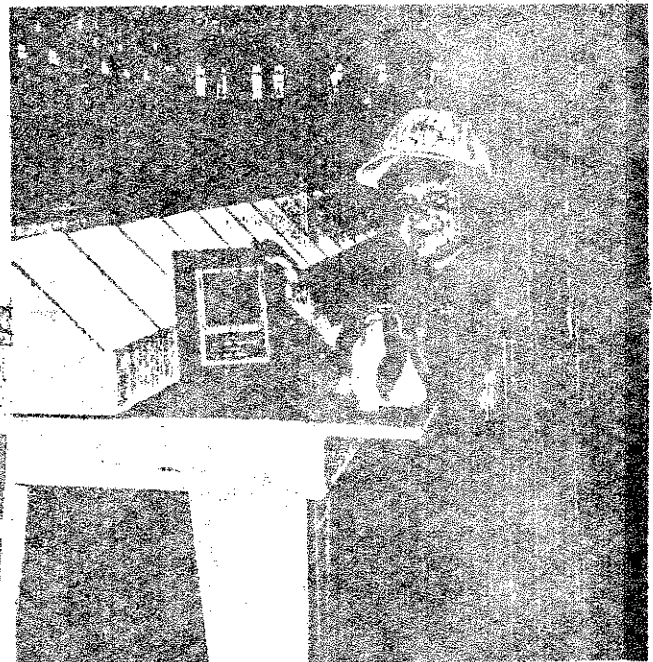

GIRLS CAN DO IT! Yes, girls can and do raise some of the best Dutch and to prove it I would like you to meet Jeanette Demers from Clifton, Illinois, and Mary Maxwell from Amesville, Ohio. Both young ladies are very active in the American Dutch Rabbit Club Youth Division.

JEANETTE DEMERS, 15 yrs. old has been raising Dutch for the past 3½ yrs. and doing an excellent job. She raises four of the six varieties: Black, Blue, Chocolate and Steel. Jeanette says she raises blacks because of two reasons, 1) "I can cross them with other colors", 2) "They don't fade as bad as some of the other colors." Her main reason for having blues is because she hopes to see a good blue take Best Fur at a National Show. She feels chocolates are a challenge and wishes that more people would raise the steels.

When asked about other breeds, Jeanette's answer was, "I have one Florida White." That's what we like to hear, a good "Dutch" person! Jeanette has given several demonstrations with her Dutch rabbits, one to her school class and another to her 4-H club - "How to raise a good Dutch Rabbit".

We ask Jeanette on her ADRC Achievement form, Give your views of the Pros and Cons of Dutch versus another breed. "The Pros are - they are fun to raise and a challenge, the cons - Dutch hardly ever win a show because they get beat by commercial rabbits."

Jeanette is a busy lady when she's not working with her Dutch rabbits. She is the Vice President of the Livingston County Rabbit Club, photographer for her 4-H Club, President of her school band and belongs to the school chorus. She also belongs to the Little League. She plans to attend a Junior College for two years after graduation from High School and then finish her education at a University.

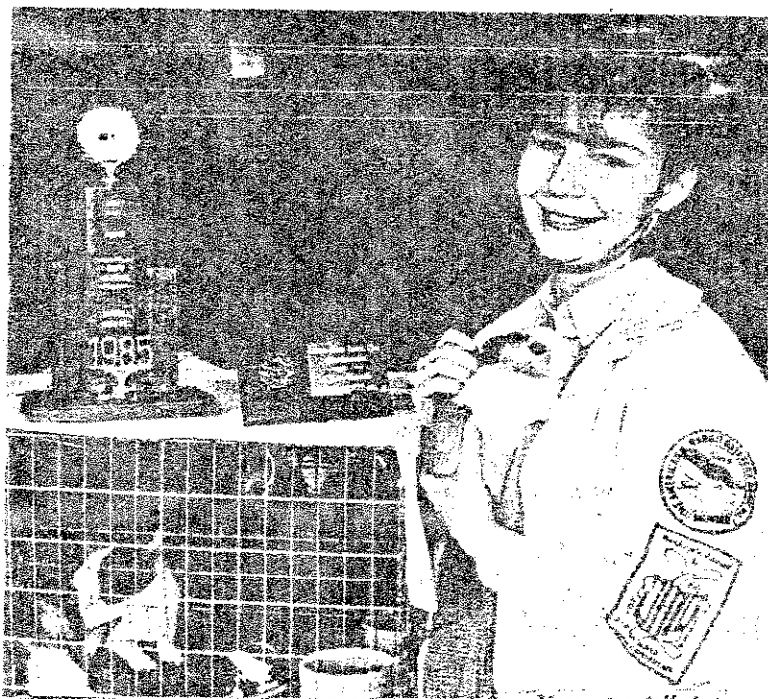

MARY MAXWELL is the second oldest with two brothers and a sister. Mary, 14 yrs. old is a gal that never stops moving or smiling. She's busy with 4-H clubs, The Hounds, Hares & Udder Animals and Nature's Crafty Kids, Ohio State Dutch Club, Girls basketball and on her school's Honor Roll. Mary has raised Dutch for three years. She raises Black, Blue, Chocolate, Tortoise, Steel & Grays. When asked why she raises all of the varieties, her answer was "It's hard not to raise them all! I enjoy raising rabbits."

Mary said, when asked about problems that she's had with raising Dutch, "I've had problems keeping litters alive in the harsh winters; does scattering their litters; and intruders (animals) causing injuries and sometimes death." She has solved some of her problems with keeping litters alive by using newspapers, a layer of wood shavings and hay in the nestboxes. She has culled does who scatter their young. Rat poison - plenty of it, and blocking their entrances into the barn have stopped many of the problems for intruders.

Mary is responsible for her own rabbitry with the family helping out during basketball season and if she's ill. She orders the feed, medications and equipment and pays for it out of the money she makes from the sale of her rabbits and steer. She has spent many hours promoting Dutch - in nursing homes, shopping malls and 4-H clubs.

In the ADRC Achievement form, we asked all of the youths, in your opinion, how can your Dutch Club be improved? Mary answered she felt it would be better if those people who grumble before and after the meetings, speak up during the meeting with constructive criticisms, "to see if we can improve".

Mary placed first in the 1986 A.D.R.C. Youth Achievement Contest - Jr. Division.

The secretary for the Ohio State Show and the Richaland County Show is: Joyce Gwartz, 6961 Quigg Road Crestline, OH. 44827.

Try to join us...should be a fun weekend!

SPECIAL NOTICE

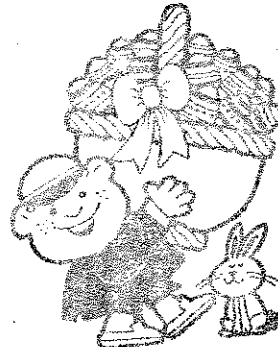

IN the Ohio Dutch Newsletter and the last issue of the Dutch Reporter (Jan.-Feb. '87), I made the same mistake and would like to make the correction!

I owe Amy Withrow an appology, in reporting the Youth wins at the A.R.B.A. Convention in Columbus - 1986.

I had Tibbs O'Connor as winning Best Opposite Black and Blue in the youth. Sorry, Tibbs but I have to take it back again.

I want all to know that Amy Withrow won Best Opposite Black and Blue in the Youth Division at Columbus. Amy works hard and I sure want her to get her credit. Sorry about this Amy but I know you will give an old man at least one mistake.

NOTE** So that a complete and current Treasurer's Report can be made up to and through March 30, 1987 for the semi-annual audit at the 1987 National Dutch Show; you will find a copy of this report in the May-June issue of the D.R. Norma.....

PAST NATIONAL DUTCH SHOW NEWS

In the following pages you will find a complete Show Report from the 1966 National Dutch Show. Some of the names are no longer with us but because of their dedication to the Dutch Breed and the American Dutch Rabbit Club we continue to grow as a club and the Dutch is among the top breeds in the four-class rabbit world.

I would like to thank Mr. Hugh Bowers, Hersher, IL. for the use of his old publications.

All of the following articles appeared in the June 1966 issue of the SMALL STOCK MAGAZINE. This issue will stir up memories for alot of you and I hope it will be of interest to the rest of the membership.

Hopefully, with each issue of the D.R. I can round up a few pieces of the past to share with you.

Tom Shullbootham scored the coveted best of breed win at 1966 National Dutch Show held in Amarillo, Texas. The winning black senior buck was the best opposite sex at last year's Decatur, Georgia, National Dutch Show and has won numerous best of breed awards the past year before winning the biggest of all at Amarillo. The little winner, "Duteheng Lucky Strike," is a direct descendant of the Dutch buck that appeared on the cover the first special Dutch issue of SSM.

Presidents Message

By Bill Summers

President A.D.R.C.

It is with great pleasure as President of the American Dutch Rabbit Club to present to you this special issue of Small Stock Magazine devoted to the Dutch rabbit. As was the case with the preceding issues, each in its turn, I fully expect this one to exceed the others. A pat on the back for a job well done should be extended to Stan Goggin and Bill Hobbs for correlating all this material for your reading pleasure.

In my travels about the country, I find the quality of stock to be much better than years gone by. In my opinion, the reason for this is the willingness of the old established breeders not only to share their stock, but to share their experiences. With all the articles made available by special issues such as this, beginners in the game may share the knowledge of many years' experience gained by trial-and-error. There are many things generally accepted as fact in the breeding of small stock, however, one is never so smart or well read not to listen to the advice of others.

The Dutch rabbit—ideally the little Dutchman should be neat in appearance, compact in body, and completely balanced. The round head with the stocky, well-furred ears should blend with the cobby body. The body should be smooth and give a round appearance from all angles.

The fur structure should be short, dense with a sheen to best enhance the markings and give it a sharp appearance. The color should always be well defined and even in order to properly show off the markings.

The blaze should form a perfect triangle. The point being directly in front of the ears and the sides a straight line to the whisker beds. The cheek markings are formed by a continuation of this color pattern following the edge of the whisker bed without going into it and then continuing along the jaw line upward to the back of the ears. If the head is round, the cheeks should form two perfect circles of color on each side of the head. The saddle and the undercut form the "belt" completely around the body as close to

Special Dutch Issue

In conclusion, let me again thank Stan Goggin for the many hours devoted to make this the best special issue ever. Let me also thank all the members who contributed articles and/or advertising in order to make this possible. With the cooperation and good will displayed by our members, is it little wonder that we can proudly say that "You Can't Beat the Dutch?"

Your Club And Mine

Jessie Weinhardt

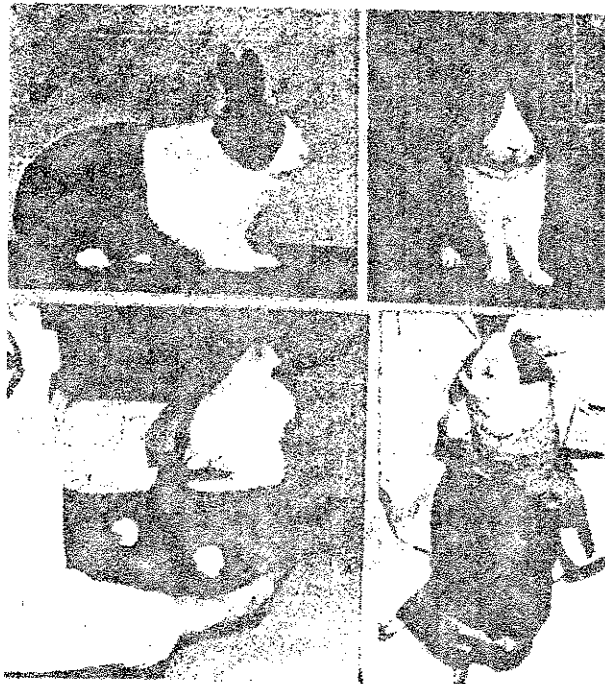

Secretary-Treasurer A.D.R.C.

Apparently "forward" is the only direction the American Dutch Rabbit Club can go. Continuing steady progress in this direction has been going on since 1961, when the previous Special "Dutch" issue of Small Stock Magazine was published. Seems as if someone of our loyal members is always coming up with another good idea for the betterment of our club. Our latest Guide Book which was first placed in the hands of our members in March 1964, is unsurpassed by any specialty club in the American. Our National Dutch Shows held each year in April, although perhaps not the only National show held by a specialty club, are certainly unrivaled in detail. Our publicity supplies, pedigree books, decals, stamps, jewelry, etc., are among the finest. Most important of all, I believe we have the most loyal membership of any specialty club. As my old Dad used to say, "Cuss me all you want, but leave my dog alone." That's the way our members feel about their club.

Our rabbit? Everyone always says, "You Can't Beat the Dutch," and we believe it, but new ways keep cropping up in which it cannot be beaten. Had a doctor call me the other day for some docs for lab work and he said he was doing cancer work and had found that Dutch built antibodies faster than any other breed. How about that?

I know that Small Stock reaches far more people than our Dutch Reporter (which is available to all members of the ADRC each month) does, so I'd just like to suggest to you people who raise other breeds of rabbits, why not put in a trio of Dutch and find out what we mean when we say "You Can't Beat the Dutch."

the front legs as possible without touching the first joint. The "belt" should be straight and even and the undercut is examined as illustrated in the photo. The stops should form perfect circles of color around the hind feet one-third of the distance from the toes to the first hock joint.

National Dutch Show Winners

By Don Guthrie

To a Dutch rabbit fancier, the annual National Dutch Show ranks in importance with the ARBA convention and show. The American Dutch Rabbit Club was one of the first specialty clubs to sponsor a National One-Breed show, and over the years it has grown in stature. Many specialty club shows are strictly regional events, but the Dutch fanciers have made theirs national in scope. The site of the show has been moved around the country and attracted many new breeders to the Dutch fancy. In recent years, the show has been held in Georgia, California, Michigan, Ohio, Colorado, Iowa, Indiana and Oklahoma.

The 1966 National Dutch Show was held in April in Amarillo, Texas. The sponsoring fanciers from the panhandle area of Texas went all out to make this a memorable event. The show was held in the new rabbit building at the Tri-State Fairgrounds. This provided an excellent setting for the top competition that gathered there from all parts of the country. It would be impossible to name all the people who put forth such an effort to make the show a success but we would be negligent if we did not mention the yeoman work done by show superintendent, J. C. Wilshire and show secretary, Mrs. Floyd Husted. Lee King handled the publicity for the show and Charlie O'Dell was m.c. at the banquet. This was a real good-time show and the Dutch club is indebted to all the folks who so ably demonstrated hospitality "Texas-style."

The competition at this show is invariably the "toughest" of the year and this year was no exception. Don Lovejoy made the placements and did it to the satisfaction of everyone.

Best Black

Tom Shufflebotham of Indiana won best black with his senior buck, Dutcheng Lucky Strike. It is fitting that Tom should win the big prize at this year's show since the winners are to be honored

Mr. and Mrs. Tom Shufflebotham with their BOB black buck

ed in this special issue, for Tom had served on the committee of two of the three previous Dutch issues. Tom's buck won best black and then went onto take best of breed.

Rabbits have been a hobby with Tom since he was a small lad in England. He came to this country in 1921, was married in 1928, and got his first Dutch in this country in 1930 and has been in "dutch" every since. He showed one of his first Dutch at Fort Wayne shortly after that under James Blyth and took best junior with him and then named the winner "Wayne King." He then traded a model-T Ford for another pair of Dutch that came from the stud of B. Ayres one of the country's leading Dutch breeders. Tom joined the Dutch club and named his rabbitry, "Dutcheng," and was really in Dutch.

At this time there were quite a few good imported strains brought into this country by well-known breeders. The Strickland Bros. brought some from Geo. Poord of England and Tom obtained some out of these first importations and has kept the same strain every since. In 1946 he imported four more from Poord and among them Lucky Boy Blue III. He had Tortoise from the Ashley Realshade strain and in 1949 imported the Tortoise buck that had taken best in show at both the British Dutch Club Young Stock Show and the annual Adult Show and has worked with these Tortoise since that time.

The American Dutch Rabbit Club was reorganized in 1934 and Tom has been director ever since, missing only one meeting 11 years ago. He is hoping that he can make many more and adds, "once in Dutch, you can't get out; for when they say you can't beat the Dutch, just try it."

Best Blue

Bill Summers has established a reputation for top quality Dutch and for being a mighty tough man to beat on the Dutch show

Bill Summers with his blue doe that won best blue, best junior (all colors) and best opposite sex.

tables. He reaffirmed this fact at Amarillo winning best blue with a lovely junior doe and went on to win best junior (all colors), best Dutch fur and best opposite sex giving the black senior buck a real tussle.

Bill began raising Dutch in Burlington, Iowa, in 1944, and as a young man exhibited throughout Iowa. He likes to remember that the first rabbit he ever showed was a blue senior doe that placed 2nd in a class of two. He made his first National Dutch show in 1945 in Muncie, Indiana. Following service time, Bill once again turned to the Dutch fancy in the area in which he chose to live, Colorado Springs, Colorado. He obtained stock with Beaver background buying from Dugan and Bickley and soon developed a strain of blacks and blues that have won at every national show he has exhibited at.

Bill is serving his second term as president of the American Dutch Rabbit Club and the club is prospering under his leadership. He comments, "I like the Dutch because you get the pleasure of anticipation from the first day the litter is born."

Best Opposite Black

Mrs. Berniece Hord scored a big win at her first National Dutch show, taking home best opposite black honors with a junior doe.

Mrs. Berniece Hord with her best opposite black doe.

Berniece just started raising Dutch about two years ago and did so out of self-defense. Her husband, Earl, is a dedicated rabbit fancier and spends every available moment working with his rabbits and hitting the road for rabbit shows. Frequently, when he is gone she has to care for his rabbits so she decided she might as well have some rabbits of her own. She had always liked Dutch and considered them real "eye-catchers" in the showroom. She now has about twelve does and lots of promising youngsters. In her words, "Having my own rabbits makes the fancy interesting to me and I can hardly wait to get the new crop of youngsters ready for the shows."

Best Opposite Blue

Best Opposite Blue honors went to a blue senior buck bred and shown by the Weinhardts of Michigan. These fine folks have been regular supporters and ex-

hibitors at National Dutch show for years and it would hardly seem official without them.

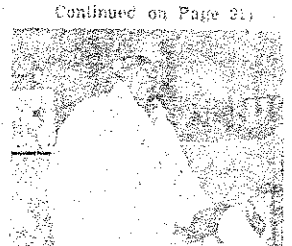

Jessie took over the duties of editing the Dutch Reporter when the former editor was unable to handle the task. And later she took over the tedious and time consuming chore of being secretary-treasurer of the American Dutch Rabbit Club at a time when the club was experiencing difficulties. She has fulfilled her duties for the club and the Dutch rabbit with dedication.

Dutch rabbits are a way of life to Bill and Jessie and they have been involved in the rabbit game for over 25 years. Jessie says, "There are no finer people than those who raise Dutch rabbits and I can think of no better antidote to boredom than to serve them. You can't beat in Dutch—can't you?"

Best Chocolate

Best Chocolate went to a new buck of J. J. Scharenberg of Llanock, Texas. This little buck is a dandy and the win could have gone to a nicer "guy."

Jake has been active in the Dutch rabbit fancy since the early 1930's. He has been instrumental in staging a National Dutch show in Abilene and was one of the real forces behind the successful Dutch display at the Amarillo ARBA convention. He consistently supports the show throughout the area and is a helping influence in any way while venture. It was good to see Jake in the winning circle at this year's Dutch show and hope it happens many times in the future.

Best Opposite Chocolate

Jodie Croker of Alpharetta, Georgia, showing under the name of "Jodies Eunnyland" won best opposite chocolate with a senior doe. This was Jodie's second Dutch show and she also scored best chocolate at Atlanta last year.

Jodie Croker with her best opposite chocolate senior doe.

Jodie is 32 years old, a wife, mother and commercial artist and in her words, "hooked on Dutch." A year ago she and husband Ralph were faced with the choice of giving up their rabbits or moving out of the Atlanta residential area—they moved to the country.

Jodie tells her story best—"I am a relatively new breeder, but have been blessed with my share of winners. I know of no greater thrill than that of looking into the nest box and finding that good marked little one that could be next year's best of breed. One reason I feel so strongly about the Dutch is that the Dutch rabbit offers a challenge and yet success is not limited to the gifted, the college educated, the strong in body or the idle rich, but anyone with enough interest and willingness to learn—and, a small investment can raise winning Dutch. I think the A.D.R.C. is the most."

Best Tortoise—Best Steel

Clyde and Doris Jones of Fort Worth, Texas, scored the only double variety win at this year's annual show. They had best tortoise with a junior buck and best steel with a senior buck. They also had best opposite junior (all colors) with a black buck and when the points were all totaled, the Jones' had won best display

in the show by a comfortable majority.

Clyde and Doris have raised rabbits since 1951, and the results offer proof that they have the knack of breeding, conditioning and exhibiting winners. They have raised White New Zealands for 15 years and Dutch for the past 10 years. They have a lovely, all-modern rabbitry of 200 cages that is a real show place. Clyde raised rabbits when he was a boy and wanted to have them again and since getting back into the fancy, they are convinced that rabbits offer the world's finest hobby.

Clyde and Doris were picked as Texas Rabbit Breeders of the year at this year's Texas State Convention. A wonderful honor to a couple of deserving people.

Best Opposite Tortoise

Roy McClung of Plainview, Texas, won best opposite tortoise with a junior doe at his first National show outing. Roy has raised rabbits since he was 14 years of age with time out for service and college. He is a County Agriculture Extension Agent and believes Dutch make a perfect hobby, as he can care for them with his limited available time.

Roy McClung had best opposite Tortoise with this junior doe.

Roy has about 50 does, all Dutch, and he dresses fryers for his family and friends. He chose Dutch for he believes they offer a real challenge genetically and there is always plenty of competition in the showroom. He has found a lot of nice people among Dutch fanciers who will take the time to help the younger and newer breeders.

Best Opposite Steel

Stan Geoglein of Fort Wayne, Indiana, won best opposite steel with a senior doe. Stan has

served the Dutch club as publicity director and this year was elected to the board of directors. At 28 years of age, Stan brings a wealth of enthusiasm to the club and the Dutch fancy.

Stan Geoglein with his best opposite steel doe.

He started raising Dutch in 1950 after selling out a number of different breeds that he had been raising for the previous couple of years. He continued raising Dutch from 1950 to 1955 when he entered the Navy for four years and upon his release in 1959 entered the Dutch business once again. Stan attended his first Dutch show in 1951 at Indianapolis and met the great Dutch breeder, Ancel Beaver, and has been a dedicated supporter of the fancy ever since. In his words, "I like Dutch because as a fancy breed they are second to none and offer a real challenge."

Best Gray

Roy Lee Callicut of Lubbock, Texas, won best gray with his senior buck. Roy operates a printing shop in Lubbock but finds time to take care of Dutch herd and competes at shows throughout the area. He has raised and exhibited Dutch for some time and is always "tough" competition.

Roy says, "I chose Dutch for the challenge they offer. I also

enjoy the fine competition that almost always prevails at the shows. For sure—you can't beat the Dutch."

Best Opposite Gray

Johnny's Ideal Rabbitry of New York won best opposite gray with a stylish senior doe. Johnny Mellozzo is a long time Dutch fancier with a history of big wins that dates back over several years. No matter where the National Dutch show is held

Don Lovejoy, '66 Dutch show judge, poses John Mellozzo's best opposite senior gray doe.

John has a few of his fine Dutch there to offer plenty of competition.

Over the years, he has concentrated on raising grays and steels that conform to the standard and has done much to keep the interest present in these two varieties. John is another fancier that says you can't beat the Dutch.

Memory Lane

By Tom Shufflebotham

Thirty years is a long, long time, and during that thirty years I have written many articles relative to the Dutch rabbit for publication in the Small Stock Magazine and our own Dutch Reporter. I feel it would be repetitive for me to pen another article for this, the 1968 issue of our special edition.

For the new members who have not seen the earlier copies of our special editions, 1937, 1948, 1954, and 1961, a few backward looks and a "walk down memory lane" may be interesting. To those who were then, and who still are, members of our fancy club, a nostalgic peek through these editions will prove warmly rewarding—as it does to my wife and I who have worked closely on all former specials.

On the cover of the 1937 issue is a fine picture of Strickland's Lucky Son—truly a fine buck and the equal of any shown today. This buck was a son of Lucky Boy, an outstanding buck shown and owned by Foord Brothers of Durham, England. Incidentally, the buck pictured on the cover of this magazine is a direct descendant of this buck and resembles him closely.

Inside there is a wealth of material—a fine article on Chocolate Dutch, by that master breeder, Charles O. Lewis of New York. This is one of the most enlightening articles on chocolates ever written, and is worth repeating over and over. There are also articles by Judge Goettel's of California (one of the better breeders of his day, who passed away years ago); an ad of Herbert Buck of California who used to send a blank check to the secretary of the ADRC annual show to purchase the BOB; an ad for the fifth annual ADRC show to be sponsored by the Michigan State Dutch Club with prizes of \$2.00, \$1.00 and 50c on an entry fee of 35c—a total of \$125.00 on specials; an ad of Jimmie Blyth offering juniors for \$5.00 a pair; biographies and pictures of club officers and directors; and an article and ad of my own.

John Furrer (who is still living, and a resident of St. Louis) served the club as president. Charles O. Lewis, also still living in Roslyn Heights, New York, was active as vice president, and Matt Welling of Detroit, who has been out of Dutch for years, was serving as secretary. Among the directors were Jimmie Blyth (still living); Robert M. Scott, deceased — whose son, Robert Junior, was elected to serve as a director several years ago but met an untimely death in an automobile accident; Judge H.

C. Gilbert of New York, who was a fine fancier and a good friend who passed away a number of years ago; Harold Brear of Detroit who is no longer interested in Dutch, and myself.

There is also a fine article on Breeding Dutch in Winter by Ben Swinburne who was among the best of Dutch breeders but who had returned to England before the 1937 issue was printed. There was also an article by D. F. Strickland who, with his brother Bob, was among the leading award winners of their day, and who were among the first to import Dutch stock from George Foord of England. Other articles were written by Judge Parker of Canada, George Bayliss of California, and W. H. Kennedy, who at one time was an avid booster of the Dutch and was active in the 1934 reorganization of the ADRC.

There were ads of Barnhart and Oliver of Endicott, N. Y., who were the first to import Tortoise Astley Reaishade Dutch from England in the early 1930's; Charles O. Lewis, Herbert Buck, Judge Goettel, John Woolough, John Furrer, the California Dutch Club whose secretary was George Bayliss, Tom Shufflebotham and "Gillie" Gilbert.

On the cover of the 1948 special appears a winner owned and shown by William Hawthorne, a minister who was at that time president of the ADRC but whose interest in the rabbit fancy flowered only a short time. R. L. Souers was at that time a dedicated, hard working secretary of the club who did much to put the club back on its feet—"Lou" passed on many years ago. Inside pages carry a three-page spread of breeder ads, listing some 80-plus breeders. Listed in this ad are many of the breeders who were active at the time of publication of the first special edition—and I would like to say here that the idea of an edition dedicated to a specialty interest was originated with Dutch club members. Among those listed in the '48 edition are Charles O. Lewis, Fish's Dutch Rabbitry, Ayres-McCuiston, John E. Griffith, Jim Blyth, Lester Wells, Jerry-Lou's Rabbitry (no longer interested in Dutch), Bud Shirrall, Joe Crawford, R. C. Shop-taw, W. T. Robinson, and the deceased George Slater, Wood Alexander, E. F. Kuntz, Dr. Ayres, Dr. Gale Russum, Ancil Beaver, R. L. Souers, Ralph Walborn. Other ads and articles include the Dutcheng strain, Judge Bass, Strickland's, L. A. Schutze and Charles Pine. An excellent article "The Good and Bad in Dutch," written by Dick Bernhardt, ap-

pears in this issue, illustrated with cuts made and paid for by Dick.

There is also a picture of Johnny Richards who, with Don Lovejoy and Johnny Baker, were officers of the Young Rabbit Breeders of America. And incidentally, dues for membership in the ADRC at that time were \$1.00.

Writers of articles in this issue include such names as Charles Pine, Gertrude DeAtley (who pioneered in the development of red Dutch but was unable to get them into orbit), R. L. Souers, William Hawthorne, Herman Roerig and Charles O. Lewis.

The cover design of the 1954 issue was the work of Herman Roerig. W. G. Book appeared among Dutch breeders of this time and during his interest and work with Dutch he designed the present cover of our Reporter and the cut used on club stationery. Active at this time also was Madeline Grables (recently deceased) who was serving the club as its capable secretary. In four pages of breeder ads we find again the names of Bayliss, Jim Blyth, Dr. McCuiston, Joe Crawford, Charley Pine, John Griffiths, Charles O. Lewis, "Pop" Sautters, and we note that club dues had been raised to \$2.00 per year. Other breeders active at that time were the O'Havers, Herb Nitsche, G. C. Leisenring, Bill Stedman, J. C. Lowit, Cooper's, Dr. Russum and many, many others. Several articles by members of the United Kingdom Dutch Rabbit Club are also featured in this issue and we find an article on the controversial AOC which has since been discontinued; an article on Dutch in Canada, and an article by Charles Williams who has long been a member and supporter of the Dutch fancy. Hall's (Russell served as publicity chairman for a number of years) Backyard Rabbitry also appears among the ads. Also to be found in the articles are one on Dutch fur by "Buddy" Jaynes and one on commercial values of Dutch by Pete Leeuwenburg.

The cover of the 1961 edition was again designed by Herman Roerig. We find again among the breeder ads such familiar names as Charles Williams, "Pop" Sautters, Hall's Backyard Rabbitry, Jim Blyth, Bill Stedman, Dutcheng (Shufflebotham) Rabbitry, Cooper's, Don Guthrie, the Weinhardt's and others. Featured in the magazine are the Clint Dennis', Osman's, Stan Goglein, Bill Summers, Bickley, Jack Boughton (for the past several years vice president of the club), Al Meier, Jr., Mrs. E. P. Hall, Jimmy Sinclair, Roger Eich, Don Reid, Hulda's Rabbitry, a fine article by the late Oliver Milliken

of Florida, and many more. Since there should be numerous copies of this edition scattered throughout the country among Dutch breeders, I shall not go into detail further.

If you have borne with me throughout, you will have noticed that many of our outstanding breeders have a rich background in the fancy, and have been exhibiting and raising Dutch over good long spans of years. I have, I know, omitted names of men who have a deep and abiding interest in the Dutch rabbit and these I offer a sincere apology—this article is overlong and in fact, may be "cut" by the editor—but writing it has given me deep satisfaction and hours of pleasant retrospect.

Dutch Out of the Past

By James Blyth

In the early years of Dutch in the United States, Mrs. M. M. Guggenheim, G. W. Abbott, John Shaanon and several other breeders imported outstanding Dutch exhibits from England. They exhibited these throughout the Eastern part of the United States which some of us had the pleasure of viewing since Mrs. Guggenheim, in the year 1913, exhibited her prize winning Dutch at the Cleveland Convention. The other importers remained generally in the East.

One thing were two animals that impressed me and were the product of the master breeders of Dutch—A. H. Bentz of Akron, Ohio. The Bentz', father and son, who now is an outstanding Poultry Judge and Secretary of the American Bantam Assn., was a master in breeding rabbits as well as poultry. They produced these two outstanding Blue Dutch bucks that were known as Knobby and Blue Perfection. Both of them had outstanding color and beautiful cheeks and blaze. I do not know of any Blue Dutch that surpassed these two bucks for the shape of their heads and head markings, and the sharpness of the markings. It is too bad that Paul Bentz left the Dutch rabbit fancy to enter into the Poultry fancy. His father, who was an outstanding breeder, passed away some years ago. Any breeder who saw these two bucks would be impressed and realize what wonderful specimens they were.

Loomis and McLaughlin showing under the Watershed Rabbitry of Akron, Ohio, and W. F. Gilbert, who is still alive and resides in California but lived at Maumee, Ohio, owned two outstanding bucks. Their color was excellent. There was no brassy cast to it and the color resembled a fresh broken piece of steel. They were well-marked and exhibited in various shows over Ohio. One would win at one show, the other at the next. I hope

grave Model, this too was outstanding in all characteristics and was the best Dutch at the Lima Convention in 1924. It was later purchased by B. Peterson of Cuyahoga Falls, Ohio, who I believe kept this buck as long as he lived and had some excellent stock from him. These Dutch were excellent specimens and while there was not the keen rivalry there is today among the Dutch, these old-time breeders had some outstanding stock like those we mentioned.

Another buck that impressed me as an exhibition animal was a little Black Dutch buck owned by Charles J. Plunkett of Long Island. He imported this buck and it was the smallest and most well marked buck I had seen.

Shortly after this, Charlie Williams of Pennsylvania produced Sunshine Don which was an outstanding buck for color and type. His color was as good as any I had ever seen, however, he was misshapen to a certain extent. Still, he made a great name for himself in rabbit exhibits through the East. While Sunshine Don was in his "hayday," Scott, Sr., produced another Black buck of his own mating which was extremely well-marked. However, his coat was a trifle long, his markings not as sharp as Sunshine Don and he was longer in body. Judges of that day differed in these two bucks. Some would place Sunshine Don over the Scott buck and others would place the Scott buck over Sunshine Don. There was keen competition between these two animals for several years, until Williams sold this buck and he was later known as the Puffer buck, as this was the man's name who purchased him from Mr. Williams.

About this time or shortly hereafter, Marshall of Indiana came out with a small light Grey Dutch buck that was very well marked and small. Many of the breeders remarked this could have been a cross with a Polish. There was much talk in those days about outstanding specimens. I believe that Ancel Beaver of Indianapolis later purchased this buck and Beaver too proved to be a master breeder of Dutch. He produced some of the finest exhibition animals of that day. And was a great success. It is reported that Beaver was a fancier of bird dogs and understood selective breeding, therefore, counting for his great success with Dutch rabbits. He had several beautiful black specimens that gave a good account of themselves at all exhibits.

About this time, the Strickland

Bros., Dan and Bob, of Endicott, N. Y., imported a number of rabbits from England and some from Charlie Williams and Red Shaw. They had a great success with what was known as the Foord buck and the Phillips buck named after the English breeders who exported these two to the Strickland Bros. They had one buck known as the cobby buck. This buck had exceptionally good black color and beautiful type. He could be recognized by the shape of his ears. His ears were shaped much different than any Dutch of the past or present and some judges gave a great deal of consideration in making awards at shows. At the first Fort Wayne Convention, the Stricklands exhibited four of their outstanding bucks—Foord buck, Phillips buck, one that I cannot recall the name of, and the Cobby buck. There were predictions the Cobby buck would win. However, the other three bucks won over him with Pop Sauters' outstanding black Dutch buck at that time placing 5th. The competition was getting keener and the rabbits closer to perfection than they had ever been before.

Then Swinburne, an outstanding Scotch breeder of Endicott, N. Y., who had worked with Charlie Williams, Red Shaw, Dewey Mains, and others in that area, had proven himself to be a master breeder. Mr. Swinburne produced many of the rabbits that were winners at that time. Later he returned to Scotland and became an outstanding judge in that country. We do not know today if he is alive but had some correspondence with him shortly after he left this country. When he left, he left a buck with Charlie Williams which he exhibited at the Detroit Dutch show that year. In keen competition, this little black buck that was in the pink of condition and outstanding in every respect, was placed Best Dutch at that early Dutch show. This buck was later sold to A. S. Gibbons, an ardent Dutch fancier, and later years always known as the Gibbons buck.

In Tortoise, two outstanding specimens imported from England—one by Charles Williams, the other by Carl Oliver—will long be remembered for their clean, good color and outstanding markings. They were as close to the standard in color as any Dutch that will ever be produced. It is the opinion of some that the Oliver buck had better color over the back and was free from any smudge and had outstanding shadings. These two bucks battled it out at many shows and there was much difference of opinion between the exhibitors and judges as to just

which one was the best.

Then along came Clyde Dugan of Iowa who fancied small Dutch. During his regime as an outstanding Dutch breeder, the question came up of Toy Dutch or Western Style Dutch and Eastern Style Dutch which caused quite a controversy between breeders and judges. However, I am sure we are over that period and the judges and breeders today are not classifying Toy Dutch, or Eastern Dutch or Western Dutch but looking for the ideal Dutch as set forth by the Standard of Perfection of the ARBA.

It seems that only so long an outstanding breeder could maintain top place in the Dutch fancy, and there were such men as Tom Stufflebham and others who were producing outstanding Dutch, in some case which came down from the Swinburne stock or the Oliver or Williams stock. Williams kept on breeding Dutch and today produces winners every once in a while.

Then came Jack Boughton who had had a great success in raising White New Zealands, which proved beyond a shadow of a doubt that he was an outstanding breeder in any type or breed of rabbits. He purchased rabbits from various sources and by careful selective breeding has produced a most outstanding strain of Dutch we have had. He has sold many of his winners and breeders until there are many Dutch over the country today that lead back to the Boughton strain. He produced stock that was outstanding in both color, type and markings. And has proven his skill as an outstanding Dutch breeder over the last few years. How long he will manage to head the list no one knows or who will take his place as a master breeder. Boughton, to my knowledge, did not outcross his Dutch by staying within the same strain and understood the selection of good breeding stock which is so essential to the success of Dutch breeding.

We look back on these old fanciers of by-gone days and the specimens which they exhibited. We turn our heads and look into the future and we are sure the American Dutch Rabbit Fancy today are attempting to produce their own Dutch from American strain and bringing out a more uniform exhibit for Dutch that are closer to one another and the competition is keener today than it ever has been. The future for the Dutch rabbit looks bright and we can thank any of the old breeders, those who imported stock from England and those who improved it by careful breeding. It is through the efforts of these old timers and their rabbits that today the Dutch fancy is leading in America.
