DUTCH RUMBLINGS

By G. C. Leisenring  
Publicity Director

Now that our 1954 National Dutch Show is History, and what a fine show it was, I would like on behalf of the entire membership of the A. D. R. C. to congratulate the Michigan State Dutch Club for a very fine job well done. We are now approaching our next big show - the A. R. B. A. Convention at York, Pa. October 23-27. From recent reports from Mr. Lee VanNess, Dutch Breed Chairman, we have a golden opportunity to achieve what we so narrowly missed at Amarillo, Texas, and THAT IS the largest entry of any breed. This is our chance, fellow members. LET'S NOT MUFF IT. To help encourage a record breaking entry of Dutch, a Special Cash Pot was started at the National Dutch Show in Detroit. We hope this pot will grow in size to be the largest single cash award ever offered on any one breed. This award will go to the exhibitor owning the four (4) Dutch accumulating the most points. Plan to be a winner of one or more of the many fine awards that will be offered on our Dutch. I feel confident that this is our year to top all entries at the Convention so, Come on, Guys and Gals, let's get 'em ready!

I would like to bring to your attention at this time the negligence on the part of all of us Dutch Breeders in keeping our Dutch registered. This has been very evident at so many shows in the past year, as an ever increasing number of fine Dutch on the show tables today fail to carry that very distinctive mark of quality, an A.R.B.A. Registration number. I feel we are missing the boat in more ways than one by not keeping our Dutch registered, for we have in the A.R.B.A. a superb registration system, and I believe we Dutch breeders should take full advantage of it. Certainly, if we are proud of our Dutch, and I am sure we all are, their pedigrees should carry this superior mark of quality. Let's make an attempt to get our eligible Dutch registered and continue to carry on this practice.

CORRECTION SPECIAL DUTCH ISSUE

Mrs. Grables; Will you kindly print the following in the May Dutch Reporter, as I want to keep the records straight.

My article in the Special Dutch Issue of April 1954 Small Stock Magazine should have read as follows: "Another Black Buck, BLS, who was Best Junior in a class of 14 at the Michigan National Show in 1937, and was also Best in Show, was bred from stock which I sold to my good friend Ben Swineburn." I also wish to say I gave Ben the cup the Junior Black BLS won before he left to go back to Scotland.

Mr. G. C. Leisenring  
Fostoria, Ohio

Dear Mr. Leisenring,

After reading my April Small Stock Magazine I have become more Dutch concious. I seem to favor the Black color the most and they seem to have a more distinctive look. At present I have about fifteen breeding does and four bucks all White New Zealands and most of them with young. By cutting down the size of my W.N.Z. herd I could start with Dutch.

To start, I would like to do as I did with W.N.Z. Get a bred doe and then line breed.

Please quote me a price on a trio of Jr. all Black and a 6-8 or Sr. Doe, registered and bred to a good color black buck. Jim Blyth says rabbit color does not mix as well as paint so I will take mine like a newspaper in black and white.

Sincerely,

Frank M. Waldo  
43 Ivory St.,  
Frewsburg, N. Y.

Fellow Members;

The letter above indicates we will soon have another Dutch breeder and member in our fold. If any member reading this can supply Mr. Waldo with his wants in Black Dutch, will you please contact him?
