PRESIDENTS MESSAGE

Fellow Dutch Breeders;

The National Dutch Show weekend is over and now history. My congratulations to the winners and condolences to the losers. We had to have some of each to make a good show. 420 crossed the table, with 43 fur. Best of Breed went to John Nelson of Ill. and Best Opposite Sex to Larry and Doreen Bengtson, our co-secretaries. The complete show report is elsewhere in the DR.

I hope each and every one of you did your duty and sent in your nomination ballot to the election committee.

The minutes of the board meeting on Friday night and the open meeting on Saturday night are here, so read them. If you have any ideas or don't like or care for any of it, let your officers know. We only try to do our best.

I would like to again thank all who helped at the show and made things work out. Now we can look forward to and plan on going to Janesville, Wiscon. for the 1979 NDS. Let's see some more new faces and also the old ones.

Now for some sad news. Bob and Kathy will not put out our Reporter after June 1978. They are going to Missouri to live. The news is sad to the Dutch people, but good to Bob and Kathy. Who ever takes over the Reporter will have some pretty big shoes to fill. The Reporter kept getting better each time. This will be a job, as Bob and Kathy will take their shoes with them.

I have written all officers and will await their replies, and we may know who the next editor/editors will be soon.

Lets all let Bob & Kathy know what a fine job they have done and wish them luck in their new adventures. If you get down their way in Missouri, stop in and tell them Jack said for Bob to cook them a dinner, and Kathy serve it.

GOOD LUCK BOB AND KATHY.

We still don't get much response for or from our youth. Get ideas to Mark Bean. Mark, have you gotten any correspondance yet? How about some articles.

We would also like things for the booth at the convention. Anything to sell or for the raffle. Get in touch with Willard Morris.

All for now, till the next time - Yours in Dutch,

Jack Wireman, President ADRC

FROM THE VICE PRESIDENT

The 1978 National Dutch Show is now history. It was a real fine show, as the Ohio people always make it.

The plans are now underway for the 1979 NDS. The show will be held at the Rock County Fairgrounds in the Janesville, Wisconsin area, on April 21-22, 1979. We have a good building, and cooping for about 800 rabbits. Janesville is located about 40 miles south of Madison, Wisconsin, or approximately 120 miles north of Chicago on I-90. There are plenty of motels and resturants within two miles of the fairgrounds. More about the headquarters motel later.

We are hoping to make this show something special, as we will be celebrating the GOLDEN JUBILEE of the American Dutch Rabbit Club.

Roger Guetschow

Did you know that this issue of the Dutch Reporter is Number 3 of Volume 35. The Dutch Reporter has been an important part of our club for almost 35 years.

As of the evening of May 24th, 1978, we have become the editors of the DUTCH REPORTER. We will make every effort possible to continue the tradition of the DR being one of the premier publications of the rabbit industry.

Because we received the DUTCH REPORTER only a short time (six days) before the June 1st publication date, we had to rush this issue off the presses. Undoubtedly we have made some mistakes - bear with us, we will strive to improve.

We only ask that YOU, the membership of the greatest of all clubs, continue to support the DR with your articles, correspondance and ads, as you have in the past.

SEC'Y MSG

This will be the shortest secretary's message I will ever write, as I am trying to fit it into this space.

1. It was a great NDS, with one of the outstanding things being the fantastic number of Dutch people attending.
2. The GOLDEN JUBILEE year long celebration of the Dutch Club is coming soon. Get thinking folks...
3. It is Doreen's and my pleasure to accept appointment as Sec'y-Tres. for three more years starting Jan 1,79.
4. Support the increase in dues so we can continue to provide you with a great club.
5. We are pleased to be editors of the DUTCH REPORTER. Look at the changes and new features, and let us know how you like them.
6. We will have a special Dutch issue of RABBITS in the January issue. Next DR will solicit ads. Help us. There will also be a special issue of DOMESTIC RABBITS next year. These are part of the GOLDEN JUBILEE.
7. A grateful thankyou to those who responded with ARBA convention specials.

Larry

The following resolution, concerning the raising of dues will also be on the ballot. Look for more information in the August 1st D.R.

IMPORTANT RESOLUTION !

FROM ROGER GUETSCHOW, chairman of the constitution committee:

The following proposed change to the ADRC By-laws will be submitted to the membership on the 1978 final ballot.

Change the first sentence of Article I of the By-laws to read as follows:

Membership dues shall be \$7.00 per year, payable in advance, with a combination membership being provided for husband & wife at \$9.00 per year expiring on the same date.

Insert after the first sentence the following additional sentence:

One dollar of each yearly membership fee is to be placed into a separate account called the "Guidebook/Contingency Fund" and the provisions of Article III, sections 1 and 2 of the By-laws shall not apply to these monies.

This proposed change has been considered by the Board of Directors, who have directed the Constitution committee to submit this resolution for inclusion on the ballot. The membership in attendance at the 1978 National Dutch Show passed a motion in favor of this resolution, and encouraging the entire membership to approve the change.

For a change to be passed it takes two-thirds majority of the votes cast.

BOARD OF DIRECTORS MEETING

The meeting of the American Dutch Rabbit Club Board of Directors was called to order at 8:30 pm, April 21, 1978, at the Holiday Inn, Masssilon, Ohio, during the National Dutch Show. Present were President Wireman, Vice-President Guetschow, Secretary Bengtson and directors Cooper, Brady, Geitzenauer and Eich. Absent were Reid and Lovejoy. Visiting were Glen Morgan, Willard Morris, R.C. Farrill and Al Butler.

A motion was made by Geitzenauer, seconded by Cooper to dispense with the minutes of the previous meeting, as they had been published in the Dutch Reporter. Carried.

Report of Officers:

Director Cooper reported that he is attempting to promote Dutch in Michigan, and that the youth in his area were to be commended for their achievements.

Director Brady reported that the Texas Dutch Club is growing once again, and that there seems to be a need to revive interest in Dutch throughout the country. He feels that expanded publication of show reports would help.

Director Geitzenauer reported that there are lots of complaints in the East concerning inconsistencies in judging Dutch, and that there is a need to assist new judges in learning about Dutch.

Director Eich voiced a concern towards keeping new members in the club, and the importance of seeing that new breeders get good stock to get them started properly.

Vice President Guetschow reported that Dutch activity seems to be a bit slow in his area, but that it is improving slightly.

A letter from Director Reid was read, explaining that he was unable to attend the NDS due to pressures at home, as he is in the midst of selling his present home in Illinois and moving to Minnesota.

Secretary-treasurer Bengtson gave the financial report and reported on the condition of the club. He reported that 733 ballots were sent out, and that there were 420 sweepstakes sanctions issued during 1977. He mentioned the need to increase the membership dues to maintain the present services of the club.

Motion by Brady, seconded by Cooper that the secretary-treasurer's report be accepted, subject to audit. Carried.

President Wireman reported that the Kahlers were resigning as Dutch reporter editors effective with the December issue. They have offered to sell their A.B. Dick mimeograph to the ADRC for \$550. This is a model 555 and cost \$900 when new. The DR financial statement was published in the last issue of the DR.

The publicity committee report was heard from Willard Morris. He spoke of his efforts to get new items, and the need for help from the members of ideas for new items. He mentioned the booth at the ARBA convention, and after a discussion concerning the 1979 NDS efforts to promote their show at the convention, and offering to split a double booth with the ADRC, a motion was made by Geitzenauer, seconded by Eich to approve this. Motion carried.

Under unfinished business from the last meeting, there was a motion by Brady, seconded by Cooper that the 1979 NDS be awarded to the Minnesota-Wisconsin-Iowa breeders group. Motion carried.

After a discussion of increasing costs of the club to operate, and the need for additional revenue, there was a motion by Eich, seconded by Guetschow, that we submit this to the constitution committee to write up as an amendment to the constitution and by-laws, to be submitted to the membership on the ballot this year. Motion carried with one dissenting vote by Geitzenauer.

There was a discussion concerning the Golden Jubilee Anniversary celebration that would be held in 1979. A club-wide effort is needed to make this a success, and a motion was made by Brady, seconded by Eich that the Board of Directors go on record to celebrate the 50th Anniversary of the ADRC during 1979. Motion carried. President Wireman then appointed Doreen & Larry Bengtson to be chairpersons of the GOLDEN JUBILEE committee to coordinate the efforts of this year-long celebration.

Minutes continued.

At 10:00 a ten minute break was declared. Meeting was reconvened at 10:10 pm.

There was a discussion by Willard Morris of the publicity items and procedures. The board expressed their opinions that the Publicity Committee had the ability to operate without Board approval for specific items, unless there was special reasons.

There was a discussion of the Youth situation within the ADRC. No conclusions were reached due to the lack of input from concerned youth, in spite of our efforts to solicit them.

Under new business, Brady discussed the sellers class. Following discussion, there was a motion by Eich, seconded by Bengtson, that the president be directed to appoint a committee of at least one board member plus two other members, to formulate a new arrangement for the sellers class based upon the club and the donator splitting the income from the sale. This would be attempted at the Saginaw convention. Carried.

There was a discussion by Brady concerning the printing of complete show reports in the DR for all shows. After discussion, it was tabled until the new editor of the Dutch Reporter can investigate this and report back to the board.

After discussion there was a motion by Brady, seconded by Cooper, that the Bengtson's be appointed for a new term of office as secretary-treasurer for a term of three years starting January 1, 1979. Motion carried. Bengtson accepted appointment with the stipulation that there be co-secretaries, Doreen & Larry Bengtson. The board concurred.

After a discussion concerning the buying of the mimeograph equipment from the Kahlers, it was tabled until we can further investigate the needs and requirements of the club and the new editors.

Motion was made by Brady, seconded by Geitzenauer, that the meeting be adjourned. Motion carried.

RESPECTFULLY SUBMITTED, Larry Bengtson, Sec'y-Tres.

The General Membership meeting of the American Dutch Rabbit Club was called to order by President Wireman, at the 1978 National Dutch Show held in Canton, Ohio, on April 22, 1978. Answering the roll call of officers were President Wireman, Vice President Guetschow, Secretary-treasurer Bengtson and Directors Brady, Cooper, Eich and Geitzenauer. Absent were Directors Reid and Lovejoy.

There was a motion by Nelle Brady, seconded by G.A. Burke, to dispense with the reading of the minutes of the previous membership meeting, as they had been published in the DR. Motion carried.

The minutes of the Board of Directors Meeting were read. A letter from Director Don Reid was read. Reid was unable to attend due to his house being up for sale, and his imminent move to Minnesota. Motion by Bill Weinhardt, seconded by Nelle Brady to accept the minutes as read. Motion carried.

Secretary-treasurer Bengtson then gave his report. A copy of the financial statement for the past six months was given to each member in attendance, and it was explained. The club is in sound financial condition, however, due to the constantly rising costs of postage, supplies, printing and almost everything else, it is felt that there is a need to raise the cost of memberships. Bengtson explained the membership costs that the club must absorb. It was also reported that the nomination ballots went out to 733 members on April 3rd. Four hundred and twenty sweepstakes sanctions were issued during the calendar year 1978. Bengtson also thanked the Board of Directors for reappointing them as secretary-treasurer for an additional three year term. Motion by G.A. Burke, seconded by R.C. Farrill, that we accept the secretary-treasurer's report, subject to audit. Motion carried.

Minutes continued.

Director Eich, chairman of the auditing committee, reported that they had audited the secretary-treasurer's books for this period, and they found them to be in very good condition. Members of the committee were Eich, Glen Morgan and Al Butler.

Under committee reports Willard Morris spoke of the publicity committee, and their needs and plans. He asked for assistance in getting ideas for publicity items, and for donations for a raffle to be held at the ARBA convention show in Saginaw.

There was no unfinished business from the last meeting.

Under new business, Bengtson spoke about the 1979 National Dutch Show, which has been awarded to the group from Minnesota, Wisconsin and Iowa. The show is to be held in Wisconsin, probably the Madison, or Milwaukee area, and the sponsors intend to make this show a special event to help commemorate the ADRC's GOLDEN ANNIVERSARY YEAR.

Bengtson also spoke concerning the need for the dues increase. There was a motion by Jessie Weinhardt, seconded by R.C. Farrill, that the membership in attendance at the NDS go on record as being in favor of the dues increase, and recommend that the general membership consider this issue favorably. Motion carried.

Gloria Weber questioned procedures used on nomination ballots. A discussion and an explanation took place.

Carl Decker brought up the question concerning the importance of fur classes, and that the ADRC should emphasize fur more than is presently being done. After the discussion a motion by Bengtson, seconded by Nelle Brady, was made, directing the President to set up a committee to look into the fur situation and to make some recommendations to the membership concerning the promotion of more emphasis on fur. Motion carried.

R.C. Farrill then brought up a point concerning weight limits on juniors, and a discussion followed.

Under items for the good of the order, it was announced that \$101.00 had been collected at the banquet for specials for the ARBA convention show at Saginaw. This money is to be split equally between the open and the youth.

Larry Bengtson introduced former secretary of the ADRC, Jessie Weinhardt, and her husband Bill. Jessie was secretary for many years, and was recently honored in the ARBA magazine, Domestic Rabbits, with a life membership. Both Jessie and Bill are life members in the ADRC..

Roger Guetschow suggested that we go on record thanking the Ohio State Dutch Club and their members for the splendid job that was done for the 1978 NDS.

The members present also went on record stating that they had missed having Tom Shufflebotham present at the NDS, and that this is one of the few that tom has ever missed.

A motion was made by E.D. Smith that the meeting be adjourned. Motion Carried.

Respectfully submitted, Larry Bengtson

The ADRC has two new Judges in its midst. Our congratulations to Al Butler and Wenton Carlton. The membership lists of the ADRC contain the names of many of the ARBA's finest judges, and we can hardly have too many Dutch oriented judges. We have already seen Al's name coming in on a show report, and Im sure we will be seeing Wenton's soon. Best wishes to both of you.

ESTIMATED MEMBERSHIP COSTS

NEW MEMBER:

Guidebook, envelope, postage	\$ 1.44
Letter, membership card, envelope, postage	.23
Two ballots @ 13¢	.26
Secretary commission	1.25
Publicity funds	.625
NDS & ARBA convention show funds	1.25
Dutch Reporter subscription	1.27
Service letters, renewal notices, average	.25
ONE YEAR COST OF NEW MEMBERSHIP	\$ 6.57

RENEWAL MEMBERSHIP :

Same as above, less guidebook costs	\$ 5.30
-------------------------------------	---------

SWEEPSTAKES SANCTION COST:

Dutch Reporter editor fees	\$ 1.00
Secretary commission	1.25
Sanction paperwork	.30
Ribbons & Rosettes	2.50
Ribbon packaging and postage	.30
Sweepstakes trophies	.35
Service letter average	.10
COST PER SANCTION	\$ 5.80

The sanction cost is approximately the same as we estimated for 1975. The difference is that we no longer take \$.625 per sanction for the publicity funds. In essence, the cost has risen about \$.60 per sanction in the past three years.

Additional expenses: Office operational costs, supplies, printing, repairs and equipment. Officers travel costs to meetings, \$100 yr. ARBA affiliation \$20 yr. Secretary bond \$10 yr. Membership applications and promotional expenses.

Additional income: ARBA registration commissions. Sellers classes (which have been providing much of the necessary difference lately.) Returned ribbons and rosettes. ARBA membership contest. Multiple year memberships. ONE THING THAT IS OVERLOOKED MOST OF THE TIME, IS THAT THE GUIDEBOOKS HAVE BEEN PAID FOR, SO WE ARE IN EFFECT USING SAVINGS FROM PAST YEARS, WITHOUT REPLACING IT.

The DUTCH REPORTER costs are based upon the amount forwarded from the secretary's office in the past twelve months, plus partial costs for the covers bought two years ago, and less the \$441 from the Sweepstakes editor fees. This leaves about \$836 cost for 700+ members. The figure is not precise, but it is probably fairly close.

It should be obviously apparant that something must be done to improve the income side of the balance. As you have seen in the resolution which has been submitted by the resolution committee, the proposed increase in membership dues provides for both an increase in income, and also establishes a funding for future guidebooks and for contingencies such as DUTCH REPORTER equipment.

START THINKING NOW ABOUT WHAT YOU WANT TO SEE IN 1979 FOR OUR GOLDEN JUBILEE!

HEY YOU DUTCH BREEDERS !!!!!!!!!!!!!!!

If you didn't attend the NATIONAL DUTCH SHOW in Canton, Ohio, April 22, 1978, you really missed seeing a beautiful collection of Dutch rabbits. These animals were the nicest and best quality I have ever seen in my life, and I have been around for a long time. The judges really picked lovely animals for the 1st places. The Best of Breed and Best Opposite Sex seemed too nice to be real.

Now for all of us that were there, the show was so well planned from the time we arrived until we came home, that we felt honored to get beat all the way around. HaHa!

Jack Wireman, Al Butler and Glen Morgan plus many more really had this show organized from top to bottom. Of course, Ruth Wireman, Macel Morgan and Barb Butler are very efficient wives to keep the fellows in line.

This show will stick in my mind forever, as we had such a nice time.

Glen Carr and Scott Williamson are to be commended as they had a real tough job, and handled the animals as each one was his own. Always posing them to look their best.

Enough said from down South once again. Hang in there all you BEAUTIFUL PEOPLE we met this year, and truly hope we can all assemble again next year in good health and competitive fever again.

Mae Watters, Tennessee.

WE RECEIVED A VERY NICE THANKYOU NOTE.....

Dear Larry & Doreen,

Congratulations again on winning BOS at Canton, Ohio last month. It's a great thrill to have BOS out of 400++ rabbits. I want to thank you for donating the \$25.00 to the first place in the sellers class. Hope we can get more participation in the Sellers Class. However, I thought they brought a very good price.

I also thought the National Dutch Show at Canton was a very nice show. And those who did all the work should be commended. See You at Saginaw!

Dutchingly yours, WILBUR WILLIAMSON

FROM JOHN

AMERICAN DUTCH RABBIT CLUB

Dear Fellow Members:

I would like first of all to thank the Ohio State Dutch Club for the beautiful trophies I received for the Best of Breed award at the National Dutch Show. Also I would like to thank two very fine judges, Glen and Scotty for making the awards possible.

And now to all the membership, I missed being there with you. The Best Part of Winning is to be there with your friends, and thats what I think of my fellow Dutch breeders. I enjoy being with you, and wish I could have shared my happiness with you at the Banquet. Hope to see you all at the convention in Michigan.

Thankyou,

A Proud Life Member, JOHN L. NELSON

FROM LISA HOWALD, age 13, of Galena, Ohio:

I went to my first big show other than the Ohio State Fair. The show I went to was the National Dutch Show in Canton, Ohio. I met lots of people, and learned a lot of things about breeding and showing rabbits from talking to them. I learned a lot and had lots of fun. I cant wait for the next show I can go to.

Thanks to all the people that were so nice to me.

A note from **ROGER EICH**

A hearty "Thanks" to the Ohio Dutch Breeders for the outstanding Convention. Things were well planned and organized. The location of the show was excellent. The cages were more than adequate, not only did they hold the rabbits, but the bedding was such that it kept them clean for the entire show. One other item I always appreciate, is not having to worry about our animals fighting from cage to cage. We did not see one such incident at that show.

The banquet was elegant and was held in a perfect place. The meal couldn't have been more tasteful. Anytime you have a group of ladies from a church cook a meal and serve it family style you have good food and plenty of it.

As we were driving toward Louisville, KY. on Sunday afternoon, my wife, remarked how nice it was to have so much extra space to sit around and visit and not be trampled on, she is not one who normally enjoys hanging around the show room during judging, but she said it was like "Old Home Week", and they never did get up town to shop. (Lucky me)

Many people felt that having the Dutch Club Meeting at a separate location back at the motel did not penalize some of the adults and children who ordinarily would be forced into attending the meeting. Maybe this tends to cut the attendance a little, but those that do come mean business and it is much easier for the President to move the meeting along.

For what it is worth I have attended many convention shows in the past years and I believe this was the largest Dutch show I ever had the privilege to attend and for some of you clubs who plan to hold a Dutch Show in the future, it may be wise to follow this clubs excellent guide lines.

Since we were taking a few days vacation after the convention, we made surprise visits at two of our Life Time Members who were unable to attend, Tom Shufflebothams and Al Seeman's who were missed at the convention.

NEXT ISSUE

LOOK FOR Biographies of the candidates. A new column - meet a fancier. More GLAD TIDINGS. Possibly an article by an "OLD-TIMER" if we can find someone with enough ambition to write one. We may have an article from an EMINENTLY SUCCESSFUL SHOWMAN if he has any time left over from showing to write it. The SWEEPSTAKES FINAL for 1977-78 with a listing of top exhibitors from each state. More news from State/Area Dutch Clubs, and we hope this can be a regular column.

We can have a PHOTO PAGE each issue if we can get the photos. Must be very good quality, and preferably black and white.

We have articles already about Judging by Don Reid, Customer relations by Bob Gardner. Dont Sell Short, by Dan Rohrer, Jr., and Comment on Judging by Dan too. And of course we will have letters about this & that.

July 15th is the deadline. But send them in sooner!

AL & BECKY SMITH

THIS AND THAT

THOUGHTSMAFTER THE NATIONAL DUTCH SHOW - 1978

by Jessie Weinhardt

First I would like to explain why I feel qualified to make the comments which follow. I have been a continuous member of the American Dutch Rabbit Club since the mid-forties and suspect I may be one of the oldest (in terms of continuous membership) of living members of the ADRC. I've been a member of the ARBA since the early forties and an ARBA Registrar almost that long. Thus having qualified myself I feel that I must make the following comments.

I've no intention of blowing my own horn--I'm far from the most knowledgeable person regarding the Dutch Club or Dutch rabbits. In the presence of such people as Jim Blythe and Tom Shufflebotham and even some younger members in terms of years lived, who have raised and championed Dutch rabbits for more years than I have (Stan Goeglein & Don Lovejoy) I bow my head in deep humility.

However, all that aside, I do feel qualified to make the following comments. The point of all this is my burning desire to remark on the subject that was again raised at this years National Dutch Club meeting, i.e. "Why don't we set a weight limit on junior Dutch?" My first comment is in the form of a question: When is a Dutch a junior? Our standard says he (she) is a junior until he (she) is five months and 30-31 days old. At six months of age he (she) should have attained the minimum adult body weight and fur condition of a senior--but didn't he (she) have those conditions yesterday?

The argument is that some exhibitors are falsifying age by putting these animals (at five months +) into the junior class. So what should we do? Encourage the exhibitor to falsify the animals age and put junior in the senior class?

There is no way that we can force honesty on the breeder who is so anxious to have a winner that he will go to any extremes to achieve that result. It has been my experience that this type of exhibitor is soon judged by his peers and usually isn't around year after year to cheat the honest exhibitor.

My thinking on the subject is why should we penalize our honest exhibitors in order to control this type of exhibitor?

A far more serious problem to me is to see some of our judges fail to penalize the overweight animal (because the show committee failed to furnish him a scale).

Another thing that bugs me is a judge who fails to give credit to a young Dutch that has everything that they are ever going to have by way of markings, type, color, and fur as soon as they have shed their baby coat, which can occur shortly after it is two months of age. In my experience I have seen many such small juniors take top honors because the judge was knowledgeable enough of this breed to be able to recognize an early developing junior and not penalize such an individual simply on the basis of size. This brings me to comment on the remark "underdeveloped for its class" - this means exactly what it says - lacking in body development (roundness, smoothness, or prime coat) and is a far more legitimate comment than to say a rabbit is too small for its class. Actually size alone has nothing to do with it.

The Florida White Club has already imposed this penalty on their members by setting a maximum weight for their juniors - only with Florida Whites the problem is different in that many young Florida Whites fail to fulfill their real potential type until they are nearly six months old and senior weight. They have forced their exhibitors to be dishonest and put their animals that are slow to develop good type but are over the junior weight into the senior class.

My final question is "When is a junior a junior and likewise, what is the meaning of "junior" or "senior"? Underdeveloped for its class should mean exactly what it says, body development (not size) and fur condition.

Enough on that subject, a few comments on the show. This was one of the finest displays of Dutch I have ever been privileged to witness. A large well lighted, well laid out show room, plenty of room to wander around between aisles to admire and discuss. Places to sit and renew old acquaintances and lots of new and young people to meet, and for my part, a large number of old acquaintances to renew friendships and recall those so-called "Good old days."

THANK YOU, OHIO DUTCH CLUB FOR A FULFILLING EXPERIENCE.

"LET'S THINK ABOUT REVISING OUR STANDARDS"

This topic will probably raise a few eyebrows, but maybe it's time we decide where we are going with our rabbit program. I feel that some consideration should be given to weight limits on Junior Dutch rabbits. In viewing the judging at the NDS at Canton, Ohio, I came to the conclusion that a 4½ to 5 pound junior Dutch is not a thing to be proud of, regardless of how well marked the animal is. A junior this size certainly will not become the compact, round hipped little Dutch we strive for and we defeat our breeding program by keeping an animal of that size.

In keeping to the best interest of raising Dutch, it might be a good idea to have a four pound limit on Juniors. This would put our breeding program back in line with what our standards call for. (4½ pound ideal Dutch Senior weight.)

Maybe another way of going about getting to the root of the problem would be to put a weight limit of 4½ pounds on senior bucks. This would discourage keeping those fast-growing, large-framed animals and help to bring down the size of large juniors. There is nothing that catches a judge's eye any quicker than a small compact round hipped junior Dutch between two and three pounds, and in my way of thinking, that is what I want my juniors to be.

I If we cull those large framed juniors out of our breeding program the problem would solve its self, so don't be tempted to keep biggies, even if they are well marked.

Give yourself a break today, THINK SMALL!

DON REID RESIGNS

To: Jack Wireman, President - ADRC

Dear Jack,

In the process of selling and moving rabbits and cages I did sell all but one Dutch, and then I sold him. This means I am not an active breeder of Dutch rabbits at this time. It also means I am not eligible to be a Director of the ADRC.

I therefore tender my resignation as Director of the ADRC as of June 1, 1973.

I hope to be back in Dutch after we get up in Minnesota and get organized.

It has been a pleasure being an officer and Director for many years. Thankyou.

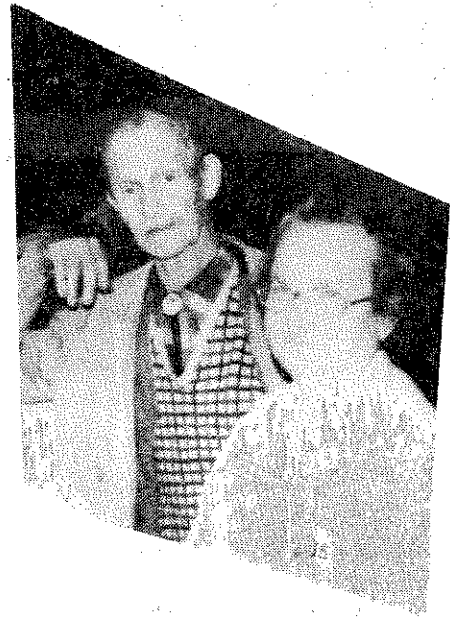

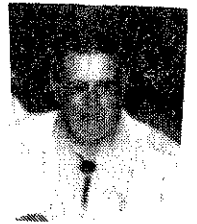

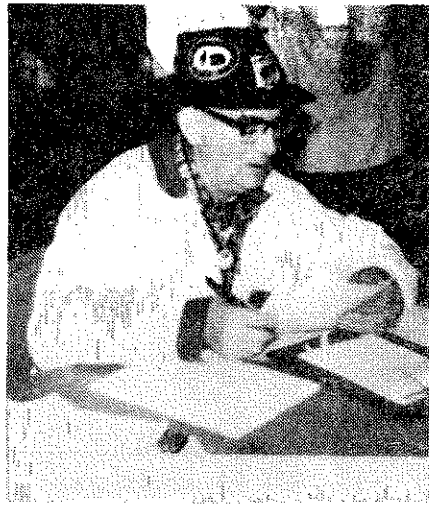

Sincerely Yours, DON REID

A NOTE FROM BOB AND KATHY

As you have already read elsewhere in this issue Bob & I have resigned as Dutch Reporter Editors. Not because of any disagreement or trouble, but since the last issue, we have been to Arkansas and Missouri, bought a home in Neosho, Missouri, came back home, got the house painted, tiled, remodeled, and have the FOR SALE signs up. We have been working like "Beavers" and know that we cannot keep up with the DR. Larry and Doreen have offered to take over the DR and when they volunteered for this issue, we were delighted. Larry and Roger came down on Wednesday May 24 and carried away half the house. Not really, but it seems that way. Thank you Doreen, Larry & Roger. So it is because of Bob & I that the DR will be late for this issue. For that we are sorry, but hope that all of you will wish us well in our new undertaking. Our new address will be Rt 3 Box 154, Neosho, MO 64850, hopefully no later than August 15. We sincerely hope a lot sooner.

Now we would like to take this space to say a very big and grateful THANKS to each and everyone of you very FINE folks. It has been a pleasure knowing you and I hope if you ever are down our way PLEASE STOP IN. You have been just GREAT. We will miss your letters and articles. Just keep Larry & Doreen as busy as you have us and you will continue to have a good DR.

Bob & Kathy Kahler

DEDICATION

The 1978 Michigan State RBA Catalogue is dedicated to a man that has worked hard for this Association for many years, past & present, LYNN COOPER, we salute you.

Lynn has raised rabbits for approximately 56 years. He's an avid showman and rabbit fancier, as well as supporting not only our State Association, but also many of our local associations. Lynn received his Master Breeders Award in 1971. He has also been Vice-President of our Association three years prior to being elected Pres. for seven consecutive years following. With his guiding hand, the State Club was able to purchase the necessary coops to house a coop show the size of our State Convention Show and also purchase the equipment to keep the state publication in operation.

Lynns' kindness also shows on the faces of many 4-H and youth rabbit raisers. Lynns' rabbit herd has been the foundation of many fine rabbit projects. He's always willing to give that beginner some very important tips necessary to become a rabbit raiser.

If there's a job to be done, Lynn is always there to help. He's like the sun in the midst of a rain storm, always shining. He's so full of ambition and always interested in the present and what's to come. His warm smile and friendly "Hello," is always sincere and something we all look forward to.

Yes, Lynn, you're one of a kind and our club is lucky to have a man with your integrity, ambitions, and abilities as a member.

DESSERT RABBITRY

In Arizona and other parts of the southwestern desert, we have problems raising rabbits in the summer months. We have two different climactic conditions during the summer. I'll discuss each, and tell how I try to BEAT THE HEAT.

I keep my rabbits in a completely enclosed building, 60X100 with a high aluminum roof so no sun can enter. This building is used to protect my rabbits from temperatures ranging from 115 degrees daytime to 60 degrees or less night time. The humidity ranges from a low of 5 to a high of 90%. Our hot weather starts around the 5-10 of May and runs into the first of October.

The first part of the summer is the most critical time for the rabbits. We have high temperatures during the day with very low humidity, and the night time temperatures vary from 60-70 degrees. This with low humidity causes many problems in rabbits. They develop colds, bleeding noses, pneumonia, sneezing, heat exhaustion and death.

There are several ways to beat the heat.

1. Complete air conditioning, the best, but very expensive. The cost: about \$200.00 per month in electricity.
2. Shade trees with water foggers or sprayers. This is messy and in Arizona expensive due to the high cost of water. My water bill runs \$50. to \$75. per month.
3. Barn with evaporative coolers. The cheapest to run, about \$30.-\$40. per month.

I use the last method. I have two evaporative coolers, 1/3 HP motors on two different electrical lines, so if a fuse blows, I'll still have one cooler running. If both should fail I could lose my whole herd in an hour or less. In summer, the whole family checks the rabbitry first thing when they get home, to make sure the coolers are running.

I wet the floor and boards around the building at 6:00 AM and again at about 3:00 PM. This gives me moisture in the air and helps cool things down. I run my coolers about 12-16 hours per day and change cooler pads about 4-5 times a year.

If I lose rabbits due to heat it is usually during this period of time. The low humidity plays havoc with fur and the rabbits just don't want to eat. This period of low humidity lasts until about the 15th of July.

At this time of the year the rains are supposed to start. (In 1977 we were forgotten until December, January & February, and then had the fourth wettest winter on record.) Once the rains start then the humidity rises and some of your problems seem to go away.

During this period of time I run only one cooler with water in it. The other one I remove the pump and run only the fan. This keeps the air circulating. We usually have this type of weather until after Labor Day. Then it's back to both coolers and wetting down each day until about October 1.

Care of rabbits and litters in this kind of weather is made a lot easier with the coolers. I have only wire cages and use no wood at all so my air circulates well, thru out the rabbitry.

I use metal nest boxes with peg board floors. In the summer, I use straw about 2-3 inches deep in the nest box. I pull out most of the fur and watch closely that the doe doesn't fill the nest box up again.

I water two times each day and when I am home, I water three times per day. Water is most important as the rabbits drink a lot and lay next to the crocks and keep cool.

When a doe is due to litter, I put a milk carton or jug, frozen in the deep freeze next to the nest box. This helps keep her cool during this period of stress.

I hope this might help some breeders and if any one has ideas which I haven't discussed, I would appreciate hearing about them.

Wenton Carlton

DUTCH CLUB LEADS ARBA CONTEST!

If you check page seventeen of the ARBA magazine, DOMESTIC RABBITS, you will see that our club leads the way in signing up new members for the ARBA. This is an excellent commentary about our club and its members.

Besides looking good for the club, and making me feel good, as I have been promoting this, the club reaps a commission on each new member, and also stands to win a monetary prize at the end of the contest each year. We have placed near the top the past two years. Lets shoot for the TOP this year.

Incidentally, here is another opportunity to support the Dutch Club without expending very much effort. Individuals do not receive the commission unless they sign up at least five members. Thanks members, keep it up.

A special thanks to Walter and Anna Cook, Who do their share (and more) of winning, for sending us a box of sweepstakes ribbons and rosettes. We will re-cycle these and save the Dutch Club some money. Others have done this over the years, and we appreciate it. Package them well, tho, as Uncle Sam's newest money saving practice in the PO is utilizing the INCREDIBLE HULK to sort mail on his free days.

THANKS TO ROGER GUETSCHOW for taking a day off of work to drive down to the Kahlers with me last week. It was 720 miles round-trip, and much more enjoyable with his company. Roger is one of those people who are always willing to help whenever asked.

STATE AND AREA DUTCH CLUB NEWS

NEW ENGLAND NEWS

The New England Show Circuit Annual Banquet was held in Worcester, Mass. on Sunday March 12, with over one hundred people attending. After a Buffet Style Dinner, presentation of awards took place. In the Dutch Sweepstakes the places were as follows:

1. William Schaefer of Connecticut
2. Barbara/Don Mahan of Massachusetts
3. Thompsons Rabbitry of Webster, MA
4. Charles Jalbert of Lynn, MA
5. Mark Bean of Saugus, MA

There was a total of 730 Dutch shown during 1977, quite a drop from previous years, I hope we can push them to the top again. There is also a decline in the number of people exhibiting in most breeds.

A meeting of the New England Dutch Rabbit Club was called to order by Pres. Bill Schaefer after the Banquet. The New England Dutch Club awards were made at that time, with trophies for most points in each variety of Dutch going to the following:

- Black Dutch: Bill Schaefer, CT
Blue Dutch: Barbara/Don Mahan, MA
Chocolate Dutch: Bill Schaefer, CT
Tortoise Dutch: Bill Schaefer, CT
Steel Dutch: Shawn Nixon, N H
Gray Dutch: Barbara/Don Mahan, MA

Best Junior Dutch for 1977—Charles Jalbert, Lynn, MA

In the youth division of the New England Dutch Club, Kathy Cavacco of Kingston, MA had the most points, for the first place trophy. Second place went to Glen Dodge of Plymouth, MA, and Third place to Kevin Kennedy (Triple K Rabbitry).

At least four of our youth members are ARBA Registrars, which I think is quite an achievement for these young people. Our Youth members can show in either open or youth, but we do not mix the points.

FULL SHOW REPORTS ?

The past eight and a half pages have contained 35 show reports. Last year we issued 420 sweepstakes sanctions. With six issues of the Dutch Reporter each year, this means we have to average 70 show reports per issue. The actual number varies with the show seasons, with spring and fall being much busier than summer and winter.

There has been some recent comments concerning the publishing of full show reports. I think that most of our members who remember the full show reports that were published in years past miss not having them. I am one of those people. I can dig out an old Dutch reporter, with the full listing, and can actually recreate some of those classes I showed in, winning or losing. I can see that John Q. Member had 3rd place in 25 senior bucks, which is a nice win, even though it isn't first. I've known animals who placed second or third consistently, but were always beat by that super animal whose record is well known. So, in my heart, I favor the full show report. But in my head, I know that while it is not impossible, I doubt that very many members would be willing to pay the price necessary to produce them.

I have gone back in some of the old Dutch Reporters that I have, and they seemed to average between three and four full show reports per page, depending upon the size of the shows. At 3½ per page, it would take 120 pages of the Dutch Reporter to list all the shows, and the number of shows seems to increase a little each year. This would take twenty pages per Dutch Reporter. That would be less room for articles, and other necessities that are found within the DR.

This short commentary wasn't meant to be a definitive statement, but I did have in mind providing some explanatory background for understanding both sides.

AS THIS DUTCH REPORTER DRAWS TO AN END, I would like to give special thanks to my wife, Doreen. Not only has she pitched in and done more than her share, she has also only once-in-a-while mentioned wistfully that these past days of fevered action were originally intended to be directed towards the installation of new windows and an entry way to the kitchen, that ultimately would include the remodeling of the whole kitchen. So the windows and materials are in the garage waiting.... Larry
