presidents message

If you missed the National Dutch Show in Illinois, you missed a good one which was very professional.

It looks as though the money was pretty well distributed for winners. Louise & Lester Johnson got plumb greedy in the blacks as well as having the Best Dutch. Congratulations to them.

There were 115 Torts, second only to the blacks. We only needed 12 to tie them. That beats 92 Torts we had at Malakoff, Texas.

There was also an outstanding youth show, ably judged by Oren Reynolds. The Best in show was won by Lori Snodgrass.

The 1982 National Dutch Show was awarded to the Kansas Dutch Club. If you were at the last one they put on, I don't have to tell you how good it was.

The temperature has been in the 90's and I know you have heard this before, but take good care of those rabbits: plenty of water and protection from the sun. Also remember, some bucks saved now may save you from missed litters when breeding to older bucks that are sometimes sterile. Watch that feed. A Dutch fattens very easily and a fat doe is hard to settle. Also remember that a plastic bottle full of ice may save that doe who is kindling. If you haven't done so, right now cull every questionable individual. The price of feed alone is a good reason not to carry any marginal rabbits over and especially going through the summer with them is a waste of time and money.

Our next big show will be the ARBA convention at Syracuse.

Wonder what Judge Glen Carr is going to do with his gift hog?

Don't forget to vote.

Don Brady

Remember, the next Dutch Reporter will contain all those articles written by you fine dependable, knowledgeable, conscientious, good looking Dutch breeders. I already have one article from a well known fancier and need yours too. THE TOPIC IS TEETH, TEETH, TEETH, TEETH, TEETH, TEETH. Thanks.

We became interested in rabbits when a stray Black Dutch came to our back yard and stayed. After a while he would leave via the driveway each morning and come hopping across the patio to eat each evening, with the regularity that people go to and from their jobs. After a few months he did not return, and we missed him so we bought a pair of Black Dutch which we still have.

Arnold found the rabbits such a refreshing release from the tension of his work with computer systems design and programming, that soon we were raising French Lops, more Dutch, and Mini Lops. Besides feeding and caring for the rabbits and building cages, he can become engrossed in all the various magazines and other written material about rabbits. In the last three years, he has acquired a great deal of 'rabbit education' through reading and experience.

Arnold has written computer programs for processing and recording such information as pedigree records, doe performance reports, and buck performance reports. We have our office in our home, and this seems to be the most fun part of his work.

Our rabbits are housed in wire cages attached to a wood fence along the east side of our back yard and in wire stack cages with drop pans under a 10' X 20' aluminum patio cover attached to the east side of our garage. We use tarps and clear plastic sheeting to protect them in the winter, and some fans to keep them cooler in the summer. We use Fine-X feeders and ball waterers with 1/2 gallon soda bottles.

An active market exists for our rabbits both as pets and as breeding stock, but our biggest reward is the rabbits themselves. The Black Dutch are still among our favorites because of their diverse personalities. Although some are very nonchalant, one little buck always dances around the cage with his tail in the air when he sees Arnold; one of the does is a good communicator - she runs toward the person she sees to get her attention, then runs over to her feeder when she is hungry, and she will repeat this process several times unless she is fed immediately. Some of the other Dutch really demand and appreciate attention. We do not have children, but it is easy to see that some of the Dutch, French Lops or Mimi Lops would make great pets for children.

We have not shown our rabbits, but we plan to do this in the future. We would like to attend and support more shows.

Ed: Thanks Don, for another interesting breeder profile.

A HELPING "HAND"  
by Barb Gioielli

At the Spring meeting and show of the EDRFC held May 16th, Carl Decker, a long time active member, breeder and showman, was presented with a small token of affection made especially for him by Director Jenn Gioielli.

"The Box", as it is lovingly called, has quite a story behind it: Once upon a time at an NDS in Canton, Ohio, Carl won so many trophies he needed a box to carry them. Fortunately, there just happened to be one in his car. Well, word travels you know and soon Carl was being asked at each show he attended if he had his box with him. This year at Champaign, Carl again won more trophies than two hands could manage and he didn't have a box to help him out. Jenn came home from Champaign and immediately set to work making a special box, equal to none, so Carl would be forever prepared.

"The Box" is quite a piece of artwork. One side is hand lettered with the owners name; the other side is a hand drawn Choc Dutch rabbit and a trophy with the inscription "Mr. Choc Dutch" NDS 1981. One side panel has place for shows attended and the other side panel was signed with an affectionate message from each member present at the meeting.

I hope all you other Dutch clubs have as much Comradery between your members as we do ours. It's the biggest asset a club can have.

A special thank you to all you faithful ADRC members who voted. And also to the election committee led by chairman Al Heinrich and assisted by Geraldine and Robert Sears. Their nice complete report arrived at the ADRC office just a few days after the close of the nominations. The election committee received 151 ballot

Ed: We have 140 votes cast in last years nominations. So with our membership down just a hair we have more ballots, so that raises our percentage a bit. Dutch people take their club seriously.

Congratulations to all the above individuals. Someone thought enough of you to put your name on the ballot. You will be getting some mail from the ADRC office soon to qualify the candidates that will appear on the election ballot in a couple of months.

American Dutch Rabbit Club  
Minutes of  
1981 Board of Directors Meeting

Champaign, IL

May 1, 1981

The ADRC Board of Directors meeting was called to order at 8:00 pm at the show room of the 1981 National Dutch Show, held at Champaign Illinois, May 1st, 1981. All officers were present with the exception of Directors Eich and Lovejoy. Also attending were Al & Barb Butler and R.C.Farrill. Director Eich arrived at 10:00.

The minutes of the previous meeting were read, and there was a motion made by Watters, seconded by S. Williamson that they be approved as read. Carried.

Officer Reports:

Vice-President Scott Williamson reported that the interest in rabbits in general and Dutch in particular, due to their size and challenge, was good in his area. He reported that the Illinois Dutch Club was going very well, with a strong membership.

Director Geitzenaar reported that the Eastern area is doing well. There is a shortage of good breeding stock, and there also seems to be many old timers that are returning to Dutch.

Director Wierman reported that the Dutch seem to be down a bit in the Ohio area, possibly due to higher costs, and the periodic cycles that rabbits go through. He also mentioned a concern about the ADRC payback for best of each variety is usually less than the entry fee.

Director Wilbur Williamson reported that the Dutch entries varied in his area, depending upon the individual show. Again a lack of good breeding stock was mentioned. He also reported a strong growth in 4H youths with Dutch rabbits. He said that there is a strong interest in rabbits in general.

Director Watters reported that although the southern entries in many breeds are down from what they had been, that the Dutch were still number 1! He said that breeders were getting fussier about which shows to attend, picking out the ones that were most attractive to them. He also reported the attendance of several Southern breeders in attendance at their NDS.

Secretary-Treasurer Bengtson reported the recent postal rate increase has really upped the costs of mailing the sweepstakes ribbons and the guidebooks to members. The membership seems to be holding well, with 699 ballots for nomination being sent out.

President Brady reported that the Texas entries were down, along with the rest of the Southwest area. He also brought up the fact of the large mail order companies carrying a line of rabbit equipment signaled the overall general rise in rabbits and would probably help the industry.

Committee Reports:

The Publicity committee, Al & Barb Butler reported that the sales at Milwaukee were excellent. They noted the higher costs of mailing items due to the postal raise. They reported that they have a double booth for the convention at New York. They also reported that they have added the new ARBA book of standards to their offering.

Standards committee: R.C.Farrill reported that the committee had nothing pending at this time.

Youth Committee: Wilbur Williamson reported that he had been working trying to solicit youth activity, and interest, but was receiving few answers. He and Jack Wireman presented the resolution to the Board concerning a youth membership for the ADRC. (See old business)

Guidebook Committee: Bengtson reported that we have received some advertising, but needed more to make the book a success. It has been delayed due to his not being able to devote the necessary amount of time towards it. We still have a good supply of the old guidebook, but we still need to get this book out because of the age of the old book.

Board of Directors meeting minutes continued:

Old business:

The National Dutch Show bid of the Kansas Dutch Club was considered, and a motion was made by Wireman, seconded by S. Williamson that they be awarded the 1981 NDS, to be held in Hutchinson, Kansas. Motion carried.

The Youth membership resolution was brought up and considered. After discussion, a motion was made by Bengtson, seconded by Watters that the Board of Directors would go on record as supporting the resolution. Motion carried. The resolution reads as follows, as ammended by the board, "In the By-laws, Article 1, add Subparagraph B as follows: "All junior members of the American Dutch Rabbit Club shall pay dues at the rate of \$2.00 (two dollars) less per year than a single adult membership. They will retain all priviledges as adults except voting. A junior member shall be difined as being a youth under the age of 18 years, on the dtae of applying for membership." This resolution will be placed on the final election ballot during 1981 elections.

New Business:

The statement on the nomination ballots concerning the not voting for officers residing in the listed states was considered. After discussion there was a motion by Eich, seconded by Wireman, that the additional words be added: "unless advancing a present officer of one of the states listed to a higher office." Motion carried. There was a motion to adjourn the meeting by Roger Eich. Motion carried, the Board Meeting was adjourned at 10:00 pm.

#### Minutes of the General Membership meeting of the ADRC, 1981 NDS.

The meeting of general membership was opened by President Brady, at the 1981 NDS, held in Champaigne Illinois, on May 2, 1981. All officers were present except for Director Lovejoy. President Brady thanked the Illinois Dutch Club for presenting a fine National Dutch Show.

President Brady called for a reading of the minutes of the Board of Directors meeting. There was a motion by Butler, seconded by Wayne Willmann that the reading of the minutes of the previous membership meeting be dispensed with, as they had been published in the Duthc Reporter. Motion carried. President Brady then asked the auditing committee of Wenton Carlton and Elmer Guetschow report on the books. They reported that the books were in order tho thefinal balances had not been totaled. They suggested that the auditing of the books be changed to be done only once a year, and that it be done on a calendar year basis.

There was a cash collection taken for the next show, with \$141.02 being collected, from members in attendance at the NDS banquet.

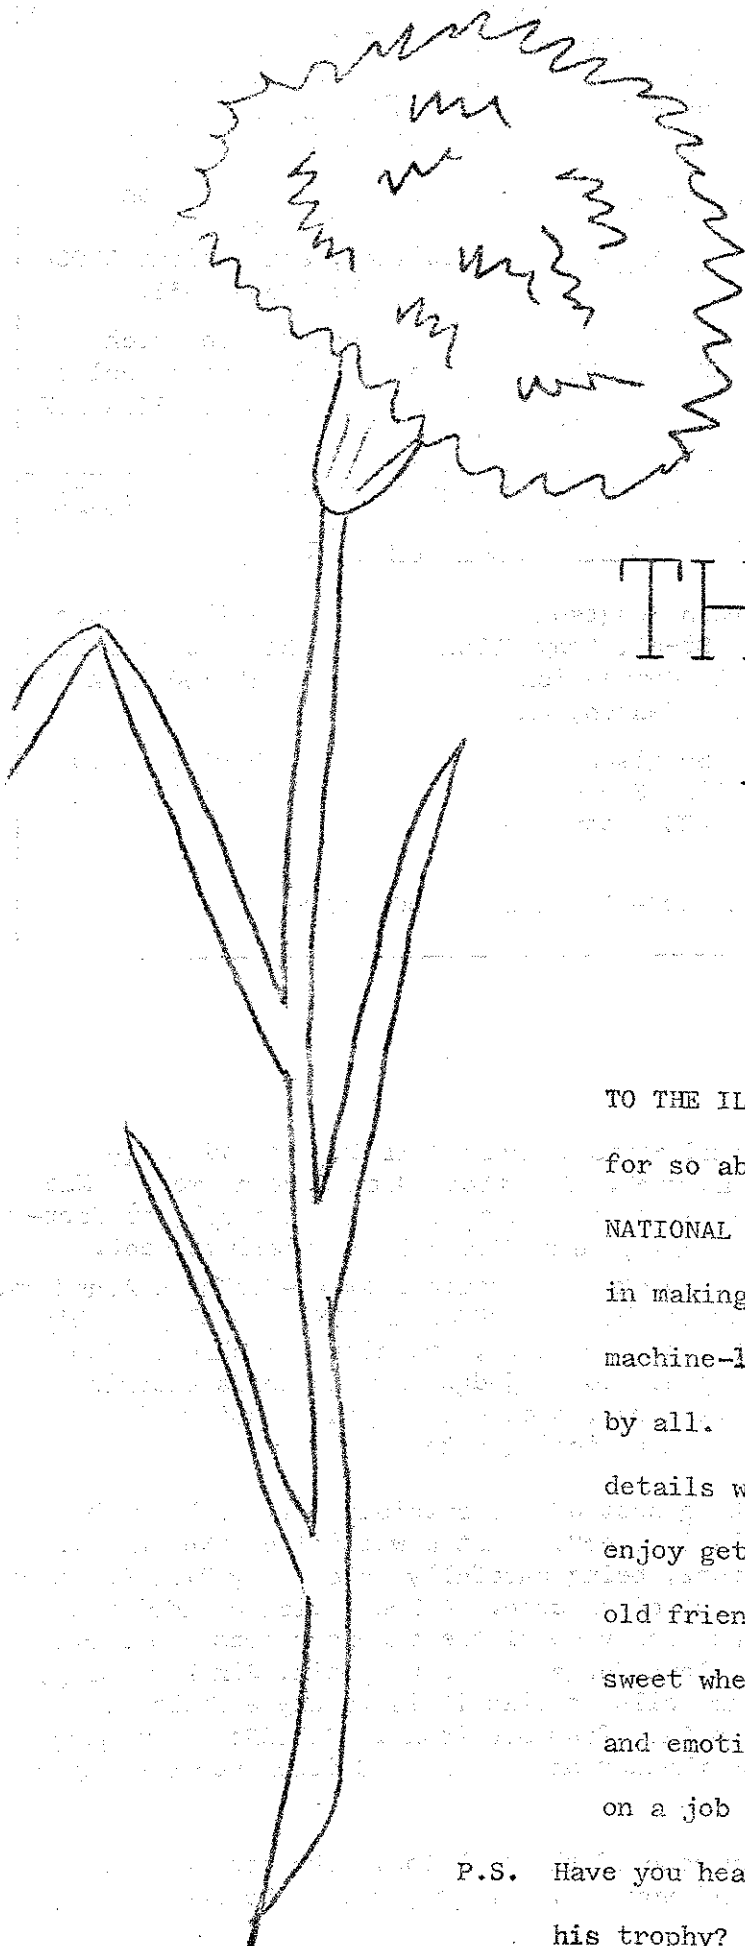

Al Butler spoke on the booths for Syracuse, and the publicity committees activities. They reported theat they had some tanned hides in Tortoise, but would like to receive some well tanned hides in the other colors too, for use in the publicity booths.

Les Johnson, of Kansas was introduced, and invited everyone to attend the 1982 National Dutch Show in Kansas. He reported that they had about 500 coops, all of which were permanantly set up, and that the facilities were good.

President Brady asked if there was anything else for the good of the order, and when there was not, the meeting was adjourned.

Respectfully submitted: L.A.BENGTSON, Secy-Tres.

A  
DUTCH  
THANK  
YOU

TO THE ILLINOIS DUTCH RABBIT CLUB  
for so ably sponsoring the 1931  
NATIONAL DUTCH SHOW. Your abilities  
in making the show a smoothly run  
machine-like effort were noticed  
by all. Your attention to the "little"  
details was impressive. We all always  
enjoy getting together and renewing  
old friendships, but it is especially  
sweet when the surroundings both physical  
and emotional are so good. Congratulations  
on a job well done.

P.S. Have you heard what Glen (pig) Carr did with  
his trophy?

Thus ends the list of open exhibitors at the 1981 National Dutch Show in Champaign, Illinois. A finer group of individuals you will not find anywhere. Certainly there must be an article about TEETH in that group of good looking fanciers. Now, after a compliment like that I had better put my trusty bushel basket out by the mailbox so the mailman can leave all those letters about TEETH. DB

1981 NATIONAL DUTCH SHOW 1981 NATIONAL DUTCH SHOW 1981 NATIONAL DUTCH SHOW 1981

From Bill Campbell: The 1981 National Dutch Show, held recently in Champaign, Illinois was a First for my family in many ways. This show was the first Rabbit show of any kind we had attended, also this was the first time we had ever showed our rabbits. I must say we were extremely impressed with the smooth organization of the show, with the High Quality of the Dutch, and with the Top notch Breeders we were able to meet. The Illinois Dutch Rabbit Club in putting this show on worked together like a Winning Super Bowl Team. All three of the Great Judges, Glen Carr, Larry Bengtson, and Oren Reynolds worked hard to give each Dutch rabbit their careful and proper consideration. We were also amazed at how helpful everyone was to us newcomers from Kentucky, people like, Scott Williamson, Wilbur Williamson, Dick Gehr, Norma Hart, Doreen Bengtson, Les Johnson, Stanley Goeglein, and Lynn Shaw, R C Farrill, and Tom Dietrich, just to name a few.

We also had the Honor to meet and get to know two very special people, Mickey and Mae Watters, two wonderful people really interested in helping a newcomer get started and get started right, they helped with advice, understanding, excellent breeding stock, and sincere support of our desire to show Dutch. I will always be a lifetime fan of the Watters family. Oh, by the way, the two Dutch we showed came out like this, our Senior Doe did not receive an award, but our Junior Doe placed 14th out of a class of 30, which made my day for this time, but I can assure you that we will be back to meet the people and watch those Beautiful Dutch. This is a Great C Club, with Great People.

From Bill Tuck: I am writing this article on working together. When we arrived at Champaign, Illinois for the National Dutch Show, the show arena had not been set up. (I guess you could say we were a little early.) About that time many of the Illinois State Dutch Club started arriving and it wasn't long until things were really under way. This show was really organized, because everyone seemed to know exactly what to do.

Scott Williamson had a stock truck loaded with cages and all the members pitched in to help. Many members were setting up cages, while others were putting shavings in the cages.

I would have to say this show was one of the most enjoyable rabbit shows I have ever been to. With everything organized, the show went just as a well oiled piece of machinery. Another thing I would like to comment on was the hospitality. Everyone was very nice to us and there was a smile on every corner. It seems at the present our Dutch club is growing by leaps and bounds, lets take note from this fine club and work together. I think one way we can work together is by helping out our new members and also our youth members. I think one way that we hurt our new members is by being too busy at shows to answer questions. Even though this question may seem silly to us, remember we are facing a new member who might really need help. The main problem most of us have is lack of patience. Please be understanding when you are approached by a new or youth member.

From the Johnsons:

THANKS from L & L

A thousand words could not say it any better. So from the bottom of our heart, in sincere appreciation to all, each and every member of THE AMERICAN DUTCH RABBIT CLUB. We do want you to know the great feeling received by winning BEST DUTCH at the 1981 National Dutch Show.

It has stirred our faith in mankind for the many handshakes, letters, and telephone calls of congratulations. Now that it is over and past, we will be the same Les & Louise you have always know.

We have cut our herd in half and will be showing less this coming year. So love these little dutch and think positive for next year, it may just be YOU.

# State and Area Dutch Club News

ILLINOIS: by Norma Hart, Sec'y.

I can't believe that the 1981 National Dutch Show is now a thing of the past. It took alot of planning and hard work to get this show off the ground and only a couple of days to conclude it. Well, next year it's a whole new ball game and we're looking forward to it.

Glen Carr and Larry Bengtson did a superb job with the 418 open entries along with 47 fur while Oren Reynolds did his usual terrific job with the 82 youth and 9 fur. Best Dutch went to L & L Johnson from Halstead, Kansas and Lori Ann Snodgrass from Downs, Illinois walked away with Best Dutch in the youth division. Our congratulations to you both!

At this time, I would like to be able to send out individual thank you notes to all those that made this show a huge success. Since this is next to impossible, as there are far too many of you, I hope each and everyone will take this as a very personal note of thanks from the entire membership of the Illinois Dutch Rabbit Club. Without your help, we couldn't have done it!

Our most important thank you goes out to the University of Illinois for the use of their facilities to enable us to hold this very special event. To the contributors, workers, and especially the exhibitors, we thank you! You people are GREAT!! Next comes Scott and Dianne Williamson and all the hard work they did towards the outcome of this show. Since they were nearest the facilities, there was always something that had to be taken care of. Scott handled the trophies, ribbons, catalogs and many more things too numerous to mention, that I'm sure he let many of his own chores take second place. Dianne was in charge of the banquet, which didn't leave an empty seat, and we all left with a full stomach and a smile on our face. (ed: and some of us with a pig in our carrying case.) Maxine Milhahn baked all the cookies you found on the banquet tables, and I believe when it was all over, there wasn't a crumb to be had. Myrl Milhahn took charge of the raffle and did one fantastic job! One half of the proceeds were donated to the Kansas Dutch people to help sponsor the 1982 NDS. We know that this will be another fine show! Orville and Erma Bloomquist, along with two exceptional helpers, Buck and Dixie Monson, saw to it that the cooping arrived. It took these people no time at all to have everything set up and ready to house the entry. Tibbar Rabbit Breeders allowed us the use of their show tables and holding pens. Without these, we wouldn't have gotten very far. Wilbur Williamson, who was busy as a bee every time we saw him, made sure that every chocolate youth exhibitor left with a token of his appreciation. I could go on and on, but there are just too many of you to name individually. All we can say is that a very warm and gracious THANK YOU goes out to all!

## Thank You

for your support of the most important publication that the American Dutch Rabbit Club puts out. You responded to the call for help immediately. Thanks

---

The advertising total as of today June 1, 1981 is \$747.50 now, I quote from the March April issue of the 1976 DUTCH REPORTER:

The final cost of the guidebook came to \$2,319.82 including tax. The printer stayed within their bid price, even though it took us almost a year for completion. This price is higher than we had originally figured but the increase in cost is due to the increased size of the book. Because we had so much advertising, we had to expand the size of the book proportionally. The advertising totaled \$1,632.50, so the cost of the book to the club came to \$687.32. This figures out to be 77½¢ per copy full price, or 23¢ per copy after subtracting advertising.

The club was able to put out a nice product at a reasonable cost only because the membership gave their full backing to the project. Over 1/5 of the members helped out with their advertising, which from what I have heard of other publications of this sort, is fantastic. It might interest you to know that the last guidebook (1969) cost the club \$796.34 after advertising is subtracted, or a cost of 38¢ per book printed. So after 6 years of inflation & rising costs, we were able to get our new book for less money, (including 24 pages of additional copy) because YOU CARED ENOUGH TO SUPPORT YOUR CLUB. See how easy it is to be successful when we all work together, THANKS AGAIN. (I think that says it all! Doreen)

SEND YOUR AD IN NOW, SO WE CAN START SETTING UP THE NEW LAYOUT FOR THE GUIDE BOOK.

Pictures are welcome, with no additional cost. Just make sure that the quality is adequate for printing. Glossy black & white are best, but a good color shot will work.

The guidebook committee will offer a commemorative plaque to the member of the club who sells the most advertising denoting the service to the ADRC in behalf of the new guidebook.

Remember that we can only have a good guidebook with your support. We will be printing a five year supply, so your ad will be in front of the membership for years to come, which makes the advertising rates quite reasonable.

WOW, LOOK AT OUR BUTTONS POP!! by Bill Geitzenauer

We, as probably all Dutch specialty clubs, feel that the Eastern Dutch RFC is probably the most active in the United States. Those of us that are dedicated to the propagation of the Dutch rabbit have worked long and hard for this title.

Well, now we claim title to being one of the smartest! Our newest director, Jenny Gioielli, but not new to Dutch has bestowed on us the honor of being nominated to the national deans list as a student at Delaware Valley College. This honor is only given to the top one half percent of all college students. Recognizing the very highest academic achievement. Jenn, as her friends call her, is completing her studies to eventually become a veterinarian or research scientist in animal husbandry.

So please move over Mr Brain Trust, perhaps we can find out a little bit more about our Dutch's habits and environment.

Again, we claim the title and congratulate Jenn for being exactly what she is! A good human being, a good Dutch breeder, an excellent student and lastly our friend.

Congratulations from, The Eastern Dutch Rabbit Fanciers

ed: And from the American Dutch Rabbit Club too!!

ed: again: Hey Jenn, what do you know about TEETH? Our next Dutch Reporter is set to be a study of TEETH. Got any good theories to bounce off us?
