Opinions expressed in articles and letters published in the Dutch Reporter do not necessarily represent those of the American Dutch Rabbit Club, the Editor or the Publisher.

The date your membership expires is shown on the address label of your Dutch Reporter. Dues \$2.00 per year. NOTE: Our Club is affiliated with the American Rabbit Breeders Association, Inc., and by sending \$4.75 instead of \$2.00, you will become a member of both Associations.

All material for the Dutch Reporter must be in the hands of the Editor by the 15th of the month preceding issue.

Although this article will go to press before the opening of the Convention at Columbus, Ohio, it will not reach you until after the 32nd. Annual Convention is History. I do hope that many of you had the pleasure of attending, and that you had a most enjoyable time. I will try to have some highlights of the event for you in this magazine next month.

We are now in the midst of the Fall and Winter show season and from now until early summer of '56 many fine DUTCH sweepstake shows will be held each week from coast to coast where we can enjoy our week-ends and show those good ones that we nursed along during the long hot summer months.

Each week I receive many letters requesting information as to where they can purchase Dutch breeding and show stock. The demand for our popular breed is very good and I suggest that if you have any stock for sale, you run an ad in this magazine. I am sure you will be pleased with the results and possible establish a new DUTCH breeder in our ranks.

Our membership is steadily on the increase and we want to keep it that way so why not carry an extra membership application blank or two with you at each show for here the new breeder and those contemplating the fascinating adventure of breeding DUTCH are very much interested. They need what the American Dutch Club has to offer and we in turn need their membership to continue our progress toward this goal, -- THE LARG-EST SPECIALTY CLUB IN THE A.R.B.A.

OUR APOLOGIES

Due to unfortunate circumstances that occurred just prior to the time the Convention catalog went to press there was considerable delay and confusion in getting the catalog in your hands, which of course was contrary to our plans, Ohio Rabbit Show, Inc. wishes to apologize to those who experienced this unfortunate delay, we also wish to state that no individual or group connected with the publication or mailing of the catalog should be held responsible for the delay, as it was due entirely to circumstances beyond our control.

To the members of the American Dutch Rabbit Club:

I wish to thank the members who voted for me for Director in the nomination for Officers. I declined the Nomination as I believe HAD I been elected it would have been unfair to have two Officers in the same family. I believe the offices should be distributed, if possible, to each section of the country. In this manner more of our members would have an opportunity to have direct contact with the Club. I am willing to do everything I can do for the ADRC and the industry, and should at some future date if I again have an opportunity such as this, I will give it every consideration.

Sincerely,

Raymond J. Grables

**Try it—
 BE CONVINCED!**

Fill a crock with Kasco... hold it close to your face... blow **HARD**... see how little dust there is. The firm, hard Kasco pellets cut dust to a new low.

And the tasty Kasco "hay-an'-grain" flavor is preferred by rabbits. They eat it readily—relish every pellet.

Yes, and Kasco Complete Rabbit Ration (plus water and a salt spool) gives your rabbits everything they need for fast growth, fine fur, good reproduction.
