Luke 2 It came to pass in those days that a decree went out from Caesar Augustus, the emperor in Rome, that all the world should be taxed. This taxing was first made shen Cyrenius was governor of Syria.

Everyone went to be taxed, each to his own city. And Joseph went up from Galilee, from the city of Nazareth, into Judea, to the city of David which is called Bethlehem, because he was of the house and family of David, to be taxed with Mary his wife who was soon to have a child.

So it came to pass that while they were there the day arrived for her chld to be born. She brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger, because there was no room for them in the inn.

GLORY TO GOD IN THE HIGHEST AND ON EARTH PEACE TO MEN OF GOOD WILL.

Thanks

It was with deep regret that we of the Eastern Dutch Rabbit Breeders heard that the Bengtsons were relieved of their duties as Secretary/Treasurer of the ADRC.

Larry & Doreen have been and am sure will remain in our minds as the piece of reinforced concrete that held most of us together the past seven years.

Those of us that remember the previous seven years have seen the office blossom into respectability with gracious editorials and openness of mind, printing both sides of controversy thru many administrations. No, they are not perfect but then those of us who are not will readily agree that under the frustrations imposed upon us by our government and society in general, we do try to be.

Those of us who do care, wish both of you the best in any endeavor you wish. To your family, the best health and lastly the best show dutch you ever raised.

We of Eastern Dutch are grateful for your help the past seven years.

Bill Geitzenauer, EDRC President.

Hi Bill!

After typing the above I suddenly feel at a loss for words. Probably just a temporary situation.

It is time for me now to clarify the situation in the Secretary/Treasurer and DR Editor department. That is going to be very difficult to do, because I have no details and know nothing about what is going on.

The Bengtsons term of office as General flunkies for the ADRC runs out as of January 1, 1982. We were appointed by the Board of Directors to serve a term of three years. It is now the duty of the Board to determine who will hold this office for the next three years. We informed the Board in Champaign, Illinois at the National Dutch Show that we were considering letting the job pass on to another at the end of our term. However, after considering that the children would now be in school all day nearly everyday, we decided that we would again be candidates for the position. Larry was informed by Scott Williamson at the Syracuse Convention that he wanted to appoint another person as Secretary/Treasurer. Scott was to get something into the Dutch Reporter so that all of you would be informed and the transition to a new person would be as easy as possible. We have heard nothing from Scott, just rumors and gossip. Seems to me to be shabby treatment for those of us who have cared for the ADRC for seven years. To make a long story short, The ADRC will have no secretary as of January 1, 1982. I have no authority to accept memberships, sweepstakes or anything. This puts all of us in a difficult position. However, to prepare for any eventuality, ALL DUTCH CLUB MATERIALS CAN BE PICKED UP AT OUR HOUSE ON JANUARY 2, 1982.

So, there you have nothing. I would really like to give you a complete answer as to what is happening, but this office has no information. If we are to remain in this position, there are things we should be doing to keep things going, however, if things are to move we should also know so that we can be prepared. At this point it doesn't really matter to me what happens, I can adjust either way, but not knowing anything is rather difficult.

If any of you members out there get any information, maybe you could write and let me know. Just kidding folks.

Since this may be the last time I edit the Dutch Reporter, I want to take this opportunity to thank everyone who did his or her part to support this publication. Special thanks to Bill Geitzenauer who is the most steady supporter of the Dutch Reporter with his articles. No other member or officer has contributed as regularly as Bill. I know how hard it is sometimes to knock out that next article when you feel that you have exhausted all of your ideas. He has always come up with a new thought provoker. Something that gets a response or answers a question.

Thanks - Doreen

Presidents Message

This will be my last message as your President. I have really enjoyed the past two years and want to thank all the members who have helped me and had faith in me.

If you have been a member very long, you know we have the best club, the best news media in the Dutch Reporter, and if you go to a National Dutch Show or an ARBA convention, you can see what Al and Barb Butler are doing with our booth and Publicity items. Most of all, we have the best rabbit.

Larry & Doreen have done an outstanding job as secretaries and editors of the Dutch Reporter. They have been criticized for things that were beyond their control. That seems to be human nature; to complain about something when we don't have the facts. During the past two years, the books have been audited by a committee, chaired each time by an accountant who makes his living in that field, and found to be acceptable. For this, I want to publicly thank Roger Eich and Wenton Carlton and their committees.

Probably one good thing that happened in my term of office was the new standard being published by the ARBA. Larry and I fought the Standards Committee and the ARBA to a standstill on this one for all the Dutch breeders. Since no one asked for any changes, we couldn't let the committee change our standard, especially when it would have set us back. As a result, we were put on the schooling list at the ARBA convention in Milwaukee. That didn't bother me since this has happened to me before in my position as a Union Officer. What really hurt was the people who had Torts with our ear number went down with us.

I want to thank Al Heinrich and Mr. and Mrs. Sears for the fine job as the election committee and especially Al for serving as Dutch Chairman at Syracuse.

Dutch are up and down depending on where you are, but never out. Look at all the new breeds accepted in the last ten or fifteen years. How many are doing anything?

Your new president, Scott Williamson will take office on January 1. You will see some changes. Let's hope they are for the best.

I have just learned by way of the Eastern Dutch Rabbit Club newsletter that the ADRC will have a new secretary as of January 1. Good Luck.

We will still be around raising good Torts and supporting the Dutch rabbit. That's the nice part of this business. That good little old Dutch rabbit will never let you down if you take care of it.

Don Brady, President ADRC.

Note from the Editor: Thank you to Don for a job well done. This office has had constant communication with the president during his term of office. It was a welcome experience to spend the last two years with Don. Many times I sit here at this typewriter and wonder if there is really anyone else out there that cares at all about this organization. I know for a fact that there is at least the Brady's. They have shown their care for the ADRC in the past and I am sure will continue to do so in the future. Don's term as President will be a hard act to follow. Doreen

JAN & RICK PLESKA, OHIO

Would you please reinstate my Dutch membership. I have had some pretty good luck with my Dutch. I started with very good stock which I purchased from Larry Nixon, and a lot of good advice from the same.

With the Guide Book, lots of good advice and good breeding stock, I've been able to raise some real nice Dutch. Of course, I think there was a little luck and a lot of mistakes involved also. All in all I have no complaints.

These little critters are easy to handle and one of the greatest challenges in rabbit raising. The first time you think you really have it all together and you come up with a superior animal, something happens and you are back to square one again. It's a little frustrating at times, but that is what its all about. If it came easy, there wouldn't be anyone raising Dutch.

The thing that is bothering me now is the fact that at the shows, Dutch are really down. I can't believe that there are no good Dutch being raised this year. Ohio has been very poor this year in showing Dutch, and the quality of the animals being shown is quite poor.

I sure hope next year will prove to be better. I'm sure not going to stop breeding and perfecting my line, I hope no one else is either.

Thank you ADRC and than you little Dutch. You can't beat the Dutch!

B.F. BLOODWORTH, SOUTH CAROLINA

I am retired - so you know this means I am elderly - 80 years to be exact. After retirement, having nothing else to do around the house except growing a garden, mowing the lawn, working the flower beds and shrubbery, I resorted to a boyhood hobby - raising rabbits. At first I secured a breed other than the Dutch, but after a few years finding it was not what I actually wanted, began looking at the Dutch. Joined the Dutch Club in July 1979 in order to get the names of some reliable breeders and all the information possible before making any purchase. Having studied the Guide Book Standard and all copies of the Dutch Reporter for a full year, finally secured my first Dutch in September 1980 from one of the breeders making a good showing in the sweepstakes. At the time I wrote four - received answer from two, and from the other two I never received a word, although I enclosed a self-addressed stamped envelope for a reply. I often wonder what they did with the envelope - did they throw it in the trash basket with a good stamp on it, or did they in some way use it on some of their other mail. They were in the sweepstakes - I'm not going to embarrass anyone by giving their names, but I think if these leading breeders are not going to cooperate with the beginners, they should be made known.

You might say the Reporter is my "Bible" so far as the Dutch rabbit is concerned. I still "hunger and thirst" for all the information I can get. Still consider myself quite ignorant, but I'm learning gradually and when I know it all, or at least think I do, then and only then I might write you an article.

In the Reporter in the column listing the officers, it states it is published on the first of Feb., April, June, August, September, & December. It is, and shouldn't in the place of September it should show October? (Ed: You're right, you will notice I have corrected the error. Thanks!)

Well, so long for this time - I'm heading down the road to another show (my second with the Dutch) with the hope I will come back with another trophy - just like I did from my first. Best regards to all the DUTCH.

EDITOR: Please, folks, you don't have to "know it all" to write for the Dutch Reporter. None of us "know it all" we just appreciate the Dutch rabbit and want to be of service to others who need to learn about it, or need help in another way. You will find that people who think they "know it all" rarely do. Doreen

DAVID MACHELL, MASSACHUSETTS

NOW HOLD ON: Please don't take any one or two letters at heart. PLEASE. Where the heck do we get another editor to do the job you and Larry do? I am a member of a number of clubs and a lot of the editors feel the same way you do. Some have quit and some are talking of it and what is to happen. Today is the 14th of October, recieved the DUTCH REPORTER and it sure is worth waiting for. When the members that complain can do the job you are doing and getting no money or no thanks then it is time for them to complain. Until then all I can say is either put up or dry up. All the best to you.

Editor: Just one correction, the DR editor is a paid position. Each issue of the DR is representative of an income of \$75. to the editor. I figure that comes to somewhere under \$1. per hour for my work. Although the money is an added incentive, as you can see, the job doesn't get done with the monetary rewards as the primary factor. Doreen PS as far as thanks are concerned, my mailbox contains some nice comment from a member nearly every day. It is impossible to please everyone all the time, but I feel that many of the members are happy, at least the mail would indicate that. D

MRS JEAN COYNE, NEW JERSEY

Hi! One service that I would appreciate is the names of laboratories in my area that accept Dutch culls. What labs in New Jersey take the culls and what price do they give? I find the pet shops in Jew Jersey only want rabbits at Easter time. So this limits the amount of breeding one can do. If you have any names of any outlets I would appreciate it. For in a litter of six or eight Dutch what percent of rabbits can you keep? Say one or two percent and then the others must be culled. Any information would be appreciated.

Editor: It would be very difficult to keep track of local labs from this distance. I would suggest that you talk to other Dutch breeders in your area and see what they know. I think that usually you would find that labs do not buy from individual producers. At least this is generally true in this area. They usually have a supplier that buys from many raisers and then fills their orders as needed.

HELEN SCHMALL, CALIFORNIA

At the recent Central Valley Rabbit Breeders show in Hanford, California, the Schmall Family rabbitry (Glenn & Cathy Schmall) offered a years membership in the ADRC as part of the prizes for winning Best of Breed Dutch in the youth show.

So I hereby send you the new subscription plus the renewal of Glenn & Cathy.

Editor: A fine idea! An ADRC membership as a special at a show. What a good way to help the ADRC and the local breeders. D

ALLAN MCPHERSON, TENNESSEE

Well, I let the time slip up on me again. Thought about my dues last month, but it never got beyond the thought stage. Anyway, here they are for another year.

Haven't raised too many prize winners this year, but will keep at it and hope for better results next year.

Hope this find you well and that you on't freeze over or out this winter. We'll try to think about you this December, if we have to roll our sleeves down.

Have a nice Christmas and expecially a Happy and GOOD New Year.

Editor: Thanks for the wish for the holidays,. As far as the thoughts you are going to send when you roll your sleeves down, don't send thoughts, send heat!

Booster ad running out, enclosed \$9.00 for three years. Also you should place price of ad "near" where they are run. Had to look up to see price. Can newcomers who would like, know how much per year?

No, not giving you guys hell! You and Larry are doing excellent job! Wish I were as talented as you - mother, wife, show woman, socialite, writer, editor, printer, also novelist! Will write article /s later this month for consideration.

Editor: Thanks for the kind words, my christmas present for 1931. I accept the words about ad price. Will strive to do better in the future. Doreen

DALE A BOROFF, OHIO

I was glad to hear that the ADRC has finally got a youth division. The ADRC was one of the National clubs to sponsor a youth show in the early 50's at Detroit.

What I would like to know is if the ADRC is giving youth sanctions? We have a show sanctioned for February 21, 1932 and I would like to know thae cost of a youth sanction. My club has already applied for one for the open show. Also would it be possible to list our show in the Dutch Reporter? The show is to be held on February 21, 1932 at the Paulding County Fair Grounds at Paulding Ohio. The open secretary is Loyce Russell Rt 5 Defiance, OH 43512 and Youth: Dale A Boroff Rt 1 Box 329 Paulding, Ohio 45379.

Editor: Sorry can't list your show in the Dutch Reporter (this time) It arrived after the show calendar was typed. The ADRC does not have a youth sanction at this time. In the future? Who knows. D

VERN & MARTI DILL AND PAUL & ANDREA OETMAN, MICHIGAN

I have this urge to write about what I feel is unfairness to our Dutch youth and I'm directing this letter to you folks as I know you'll get it to the right people. We are fairly new to the Dutch Club - 1 year members, and our children showed at their first show in South Bend, Indiana on November 1. Our daughter took Best Opposite Sex with her Chocolate Junior Buck. That is when we first noticed the differences. Our resolution, which was approved, states "All junior members of the American Dutch Rabbit Club shall.....retain all priviledges as adults except voting."

1. There are no ribbons for best of variety, BOB or BOS as there are in adults.
2. There is no listing of our youth winners in the Dutch Reporter - only the adults. (We also belong to other breed organizations & find they list their youth winners.)

My last suggestion does not pertain to youth only but to the whole Dutch club. In our listings of show winners, we list those not belonging to the Dutch club only as a NM - why not give their names and the denotation NM so we members can approach these folks and ask them to be part of our wonderful, friendly organization. There have been many times I've stood next to a fellow Dutch exhibitor - assuming that since he's showing Dutch - he must be a member. Our show listings tell us otherwise. I hope I haven't stepped on someone's toes as all suggestions are in good faith.

EDITOR: Because of the constitution and By laws of the ADRC, the membership area and the sweepstakes area are worked out as separate departments. In order for the ADRC to have a youth sweepstakes the board would have to work out the details and probably make it pay its own way, by selling sanctions. Doreen

DIXIE & DAVID PARKER, ARKANSAS

Just a note to thank people for all their help to new breeders. We are really enjoying Dutch. We have a lot to learn and want to thank Al & Becky Smith for getting us into rabbits and for all the help in learning what a good Dutch looks like. BARBARA A REEVE, INDIANA

Here is my request for a change of address for the Dutch Reporter. Greenhill r Rabbitry has been here over 2 years but I never got to change the address.

That piece on "The Body Beautiful" by Larry was just that. Thanks a lot.

I was able to get to the Michiana Show November 1, so now I know Al Butler. He liked my Chocolate buck "First". Some name huh? Wilbur Williamson tagged him that before I got him.

Lets hope we don't have too hard a winter. And that everyone has nice holidays including all the livestock.

CORRECTIONS

It is time to set the record straight. The following things need to be called to your attention.

1. Santa Cruz County Rabbit Assoc. June 7, 1931 at Watsonville, California - Shannon Sanford had best tort and was listed as a non member, she is a member in good standing and had 64 show points at that show. Sorry Shannon. Keep on truckin'.
2. North east Pennsylvania show May 9, 1931 change the show points from Barbara to Jennifer Gioielli. Show report incorrectly listed Barb.
3. Discovered after doing the sweepstakes standing that I missed George Strahler on the list. He has 1704½ points and should have been in tenth place on the list. Sorry George.

I think that clears everything up for now. I'm sure there will be other mistakes, can only try to keep everything straight and on the right track. Doreen.

1931 ARBA Convention & Show
Syracuse, New York
Minutes of the Board of Directors Meeting
American Dutch Rabbit Club

The meeting was called to order by President Brady, of the Board of Directors of the American Dutch Rabbit Club, Syracuse, New York, October 19th, 1931.

Present were President Brady, Vice President Williamson, Directors Wireman, Geitzenauer, and Williamson. Also present were Al & Barb Butler and Tom Dietrich.

The minutes of the previous Board of Director's meeting were read. Corrections were made by Wireman concerning the Date of the NDS, the time of adjournment and that it was Jack Wireman, Al and Barb Butler that presented the resolution concerning a youth membership in the Youth Committee Report.

Officer Reports:

Wilbur Williamson reported that he has been attempting to develop more interest and action concerning the Youth, but was having little response.

Scott Williamson had several suggestions to present; a Dutch logo rubber stamp for the publicity committee, having a Dutch tape made up for the ARBA tape files, Having ribbons and rosettes sent out after the shows instead of prior to them, and he commented upon the lack of specials at the ARBA convention show in Syracuse. He also commented upon the excellent job the publicity committee was doing, with their many new items.

Don Brady reported that things were improving at the shows in Texas, with more members and exhibitors recently.

Bill Geitzenauer reported that things seemed to be going very smoothly for both the Eastern Dutch Fanciers, and the ADRC, and both are thriving. He said that he would have to return home to work the next day, we would miss the general membership meeting. He also reported that the members in his area would like to see the specials required for best of each variety raised to at least \$2.00, and that many thought that double sweepstakes points should be awarded for the two national shows each year.

Jack Wireman reported that the Dutch entries were still down somewhat in Ohio, part of the cyclic pattern of popularity of breeds, but that they were working to bring it back up.

Larry Bengtson reported on the financial condition of the club, noting that we were in excellent financial condition, considering the recent raising costs of postage, printing and ribbons. The membership is slipping slightly, as seems the case with several other specialty clubs. See financial statement elsewhere.

Committee reports.

Al and Barb Butler reported that sales for the year are around \$1400 with the purchases about \$1100. They presently have an inventory of about \$18 00 which is paid for. Jackets are picking up in sales. They reported that they did \$593 in sales at the NDS in Champaign. They also did \$139 in sales the first day at the ARBA convention in Syracuse. Business seems to be thriving.

Wilbur Williamson reported a lack of response to his inquiries concerning youth activities for the club. He has contacted several people who had earlier expressed interest in assisting, but has not received any responses. He needs some people from different areas to help, and is open for suggestions, help, or any assistance anyone would be interested in contributing.

NEW BUSINESS:

Motion by Jack Wireman, seconded by Scott Williamson that Roger Eich be awarded a honorary life membership. Motion carried by majority vote.

Motion by Bengtson, seconded by Bill Geitzenauer that a honorary life membership be awarded to Lester and Louise Johnson, to be awarded at the 1932 NDS in Hutchinson, Kansas. Motion carried.

Minutes of the Board meeting continued:

Motion was made by Jack Wireman, seconded by Wilbur Williamson that the Secretary be directed to accept any youth membership sent in with \$5.00, starting immediately, instead of waiting until Jan 1, 1982. Motion carried.

Motion by Bill Geitzenauer that the meeting be adjourned. Motion carried, the meeting was adjourned.

Respectfully submitted by L.A. Bengtson,
Secretary.

Our thanks to Scott Williamson for ably handling the ADRC Auction. He had it well organized, and within moments of the finish had presented us with a complete report and the monies were all taken care of.

While there were only five entries, it was a nice class. Tom Dietrich won the class with a black junior doe. The doe sold for \$80.00 to top the sale. Our thanks to Tom, and also to Scott Williamson and Al Heinrich, who donated the other rabbits in the sale. The money helps the club. Half of the sale price is returned to the donator of the animal, the club gets the other half.

Minutes of the General Membership Meeting

American Dutch Rabbit Club

Syracuse, New York 1981

The ADRC membership meeting was called to order at 3:15 pm on October 20th, 1981 by president Don Brady. Officers present were Jack Wireman, Wilbur Williamson and Scott Williamson. Dianne Williamson was appointed temporary secretary.

Officers absent were Larry Bengtson, Roger Eich, Mickey Watters, Don Lovejoy and Bill Geitzenauer. Larry Bengtson arrived at 3:40 pm.

Pat Herman moved, seconded by Cecil Green that the reading of the minutes be dispensed with as they had been published in the Dutch Reporter. Motion carried.

The directors reports were as follows: Jack Wireman reported that the numbers of Dutch shown in his area were down, fluctuating, and that this seemed to run in cycles. Wilbur Williamson reported that the number of Dutch shown in his area were also fluctuating.

Scott Williamson and Don Brady said that the numbers of Dutch shown in their areas were up. Illinois had 150 entries in their all Dutch show on October 3, 1981. Pat Herman reported that the numbers were fluctuating in his area too.

COMMITTEE REPORTS:

Wilbur Williamson reported that four members had volunteered to help put the Youth Program together. Ideas and contributions of ideas were needed.

Scott Williamson reported on the ADRC auction. Tom Dietrich won first place in the sellers class, and the rabbit sold for \$80.00. Tom will receive a years free membership in the ADRC. Five rabbits sold for \$191, netting the club a total of \$95.50.

Al Butler reported for the publicity committee. From Jan 1st to Oct 17th, \$1591.05 had been sold, with expenses of \$1109.00. New items added included Dutch pens and yellow tee shirts. Also a Dutch emblem stamp is soon to be added. Al urged that members buy at the shows to save on the expenses of postage. Don Brady expressed the club's appreciation for the fine job the Butlers have done.

Wenton Carlton reported for the auditing committee. The books of the Secretary treasurer and the publicity committee were both audited, and were both in very good order. Pat Herman moved to accept the audit report, seconded by Elmer Guetschow. Motion carried.

Don Brady questioned the membership about clubs being interested in hosting the National Dutch Show. No response was heard. Barbara Addison gave a report on the 1982 NDS planned for Hutchinson, Kansas. A brochure with pictures was located at the Dutch Booth in the showroom. The dates are April 16-18, 1982. The show will be held at the Kansas State Fairgrounds. There are many hotel facilities within two miles of the showroom, and camping facilities are available on the fairgrounds.

Larry Bengtson reported that the publicity committee did not receive any expense money to help defray expenses for bringing the publicity items to the 1981 NDS or the 1981 convention. Larry moved that the ADRC pay the Butlers \$25.00 for each show. Seconded by Pat Herman, the motion carried.

Don Brady complimented the New York committee on the fine show facilities. The membership thanked Al Heinrich for a job well done as the Breed Chairman.

Larry Bengtson read the minutes of the Board of Directors meeting. Motion by Pat Herman, seconded by Cecil Green to accept the minutes as read. Motion carried.

Don Brady expressed his thanks to the membership for their help during his term of President, noting that the Dutch club was a fine club, and he had worked to do his best for us.

Don Brady adjourned the meeting at 4:12 pm.

Respectfully submitted by Diane Williamson

[Thanks Dianne for the good minutes].

old fashion ideas — ain't gone yet!

My how things have changed - we're always on the run with only time to do those things absolutely necessary. AIN'T NECESSARILY SO!

We started in rabbits a year ago, bought a few at the local county fair, a few more from ads in the newspaper and a Dutch from a local breeder who has a reputation of selling animals as purebred only to find they are mixed.

Our first show experience was in the spring. Mom had read the books on what the Dutch was to look like and we were sure we had just purchased the greatest show rabbit for a steal! Then the judge laid his opinion on us - he didn't exactly call our rabbit great, but did say he had a good chance in the Youth Division at the National Dutch Show. So we packed our bags, grabbed the kid and even remembered the rabbits. (Now we had 2 Dutch.)

We fell in love with the whole bunch of people who called themselves "Dutch Breeders". The atmosphere was relaxed and friendly. We became friends with many but never had a chance to meet the couple I'm going to tell you about.

The judging was over and time to start the sellers class. We knew we wanted to take home some better breeding stock but they all looked good. We finally got our hand in the air at the right time and ended up with a blue buck (Now we have 3 bucks and 1 doe). Time flew by with the banquet and the saying of goodbyes and we were off for home in Michigan with a few more Dutch than we came with.

Things settled down - if you can call it that! We spent a lot of time in the barn, watching this new rabbit, chasing his tail. He provided entertainment by the hours.

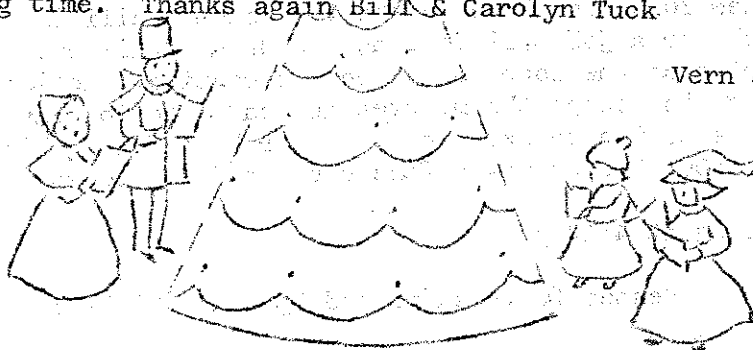

June was here already and with it came a surprise letter in the mail from the sellers of this little blue buck. It inquired, did we like him, had we shown him and how were the babies he was producing?

Summer came and went, ribbons and trophies were becoming the usual when we showed our Dutch. Our correspondence with these folks got on a regular basis. They took time to write from their busy schedule, give us information and just plain take time to listen to our silly questions.

Last month, we brought ROCK (our blue buck) home from the fair with what we thought was an ear infection. We went through many hours of working with him, with our Vet, with Dr Terry Reed and with Bill and Carolyn Tuck. We lost ROCK but not before Bill and Carolyn had searched for any clue that might help. They even went back through pedigrees in hopes of finding something to link with the sinus drainage that was now draining through the cornea.

We just finished another letter to Bill and Carolyn Tuck to tell them of ROCK's death -- but this letter is to let all of you know what wonderful people the Tucks are and how they still found time to help the new breeders.

Michigan to Tennessee is a long way apart, but that never stopped them from finding time to guide us along. I'm sure because of them, we'll be in the "Dutch" for a long time. Thanks again Bill & Carolyn Tuck

Another Sweeptakes Opinion

In the last issue of the Dutch Reporter (July-August), Bill Geitzenauer had an article on the minimum requirements for specials on Dutch. He stated that the local club would make about 33% profit if they do what he calls for. But he forgot a very important item and that is class money put up by the local club.

Using his figures of 60 to 90 Dutch in a show and an average of \$112.50 at \$1.50 entry fee per head. The cost to the local club will be:

Sanction fee	\$3.00
Special fee	\$16.60
Half Judges fee	\$35.00
Class payback	\$45.00
<hr/>	
Total cost	\$104.60

Using this with 75 rabbits entered in one breed like Dutch the local club now makes \$7.90. Out of this must come the cost of mailing in the sanction report and the checks to the exhibitors. If there are 9 exhibitors, the cost of mailing is \$1.80, envelope \$1.50, cost of checks \$.90, for a total of \$4.20. Now you have a total profit of \$3.70.

I would think that this would be a very good show. The reason being that the show paid for itself. But there are others that would not agree because the club did not make anything. The only thing that I can see with Mr Geitzenauers minimum requirements is some clubs raising their entry fee up to \$2.00 or \$2.50 per head.

Most of the breeders that I have seen at different shows did not even want the ribbons that they won and a few have even refused to take or have donated the trophies they won back to the club.

If a man is showing rabbits to make money he has made the biggest mistake. The reason for showing is to find out if what you are doing is right. Or if there is something wrong to find out what you can do to correct it. Another reason is to meet people with the same interest and make new friends.

Well, I think that I have taken enough of your time and maybe space in your magazine. So I will finish and say Thank you and hope to see some of you at the spring shows.

Respectfully, Dale Boroff, Ohio

Ed: Just had a thought as I was typing Dales letter. Wouldn't it be interesting to sometime have everyone write in and tell why they show rabbits. I can think of about 400 reasons just sitting here. I'll bet there would really be some interesting responses. Some show to have a judge do their culling for them. Some show as an ego trip. Some show to win only. Then I know some who show all the time and rarely ever win. Yet they are there often. Some others show for ribbons, or trophies, or other rewards. Some (not many) are involved in trying to show for money. Some for advertising. Easier to sell if folks know who you are. etc.

That concludes the show reports on hand November 30, 1931. I have a couple of odds and ends that arrived after I went past their date in the listing. I will print those on another page. This will be the last time I have to type these show reports, and if you hear a large sigh, it came from me because it is the most tedious job I have ever had to put up with. If anyone ever complains about show reports I would suggest that they be given the opportunity to do the job for just one month. Happy Points..... D
