FROM THE PRESIDENT

Season's Greetings from your President. I hope everyone has a happy holiday season and prosperous new year. One of my new year's resolutions is to finally build that new rabbitry I have been promising myself for the past 20 years. My personal goal is to have 50 working Dutch does representing all six varieties by the end of 1987. The purpose here is to breed and promote more high quality Dutch rabbits. Not very many things rank higher than the excitement of raising and winning with Dutch.

Attached in this issue of the Dutch Reporter is a ballot for you to complete and return by March 1, 1987. Please detach this ballot, complete, and return to secretary Norma Hart at the address properly noted. I strongly urge the acceptance of each proposal or amendment. With these changes, the American Dutch Rabbit Club will continue its forward progress. Please vote, today!

The 1986 A.R.B.A. Convention was very successful for the ADRC and its members. Jack and company did an excellent job coordinating the shows activities for Dutch. Congratulations to Dick Evenburg and Kay Stearns (E & S Express) for winning best of breed AND best opposite sex in the open. Bob and Mike Myers won best and Jeanette Demers captured best opposite in youth competition. Competition was keen in both open and youth divisions. Another very successful Seller's Class was sold at the 1986 ARBA Convention. Total gross revenue amounted to \$2216.00 A special thanks to Tom Dietrich and company for soliciting such high quality animals. Evenburg and Stearns donated their half of the selling price ($\frac{1}{2}$ of \$300) of their rabbit they put in the auction to the 1987 NDS sponsors - the Texas State Dutch Rabbit Club. Thanks, Dick and Kay! MKC rabbitry redonated their purchase in the youth seller's class to be resold. Thank you, Mary. Additional thanks goes to all the sellers and buyers, particularly our number one buyer: Sandy Merritt of New York.

In closing, the rabbit fancy lost a well respected breeder, judge and person: Don Lovejoy passed away the week of the ARBA Convention. His presence and wisdom will be greatly missed in the rabbit industry. All of us who had the opportunity to really know Don, loved him, respected him and certainly admired him. He was truly one of the "great ones." His memory lives on through his friends and family. Please remember his family in your prayers and thoughts.

"Keep the faith"

Fellow Dutch Breeders,

First I'd like to congratulate our newly elected officers and hope you will continue to cooperate with them and make their term in office as pleasant as you did mine. It was a pleasure serving you all and I did my best.

The convention is now history. I want to congratulate the winners and hope the losers will try again. I will. I will not mention names as I don't want to miss any. You can read them all in the report. I do want to thank all who helped with the Dutch in Columbus. It sure was a pleasure working with you all and we got a big job completed and in fine time and shape.

I'm looking forward to Texas for the National Dutch Show in 1987 and planning on the convention in Portland. Watch your Dutch Reporter for news from Bill and Sharon Reid from Texas. They have a big job to do in so little time. I know it takes time and is a big job. Anyone who has been down the road knows.

Thanks again to the Ohio Dutch Club and the exhibitors at the Convention for showing and all your help to make a big success, I am proud of you all! I do not want to forget our three fine judges; Scott Williamson and Al Butler in the open and Dick Gehr in the Youth. All I have said before goes to you Youth members. I was very proud of you and the way you helped run your show. It made the job easier.

Vice President, Jack Wireman

Dear Friends,

This is my last issue as editor of the Dutch Reporter. It has been an interesting two years and I have several people to thank for helping me do my job. First I must thank my husband, Scott, and two children, Kate and Beau, for their patience and cooperation during printing and coalating. Vicki Hertel has been a great sweepstakes chairperson. Thank you Vicki for always sending your material before the deadline to give me a head-start! Also much thanks goes to Norma Hart for her efficiency and always keeping me up to date on club business. But most of all, thank you to all the members who took time to write an article over the last two years. The Dutch Reporter is only as good as the members who contribute knowledge and past experiences to make this a quality breed newsletter. During 1987 let's all try to send in an article and make this a great year of Dutch Reporter issues! And lastly a big thank you goes to Kay Stearns for accepting the responsibility to continue as Dutch Reporter Editor. I know Kay will do a great job! All future correspondence should be sent to:

FROM DIRECTOR BILLUPS

Since winter is quickly approaching, I decided to write an article dealing with the ways to prepare your rabbitry for the cold weather ahead, hoping it will help someone. When my brother and I first started out in rabbits, we had wooden hutches with wire bottoms which sat out unprotected from the elements of weather making it rough on both the rabbits and ourselves. Towards the end of November or early December we would always staple plastic or cardboard to the open sides of the wooden cages, thus protecting the rabbits from the cold, but mainly from the draft. I personally would use a plastic of somekind to allow for sunlight to get to the rabbits. When the weather was forecasted to be bitterly cold, we would place cardboard over half of the bottom wire and place enough straw in the cage to allow the rabbit to burrow into it. The cardboard served two purposes; it kept the straw in the cage and not on the ground, and allowed the rabbits to get off of the cold wire floor.

When it came time for a doe to kindle it never fails to be on the coldest night of the week. When we had wooden cages we would carry them up the hill to our patio and run electrical cords to them. My brother would hook up 60-100 watt light bulbs over top of the area the doe was to kindle. We knew nothing of nest boxes since no one in our area would give much advice to two kids. It was helpful to place aluminum foil behind the bulb to serve as a reflector and a guard made of hardware cloth around the bulb so no one would get burnt. When we started going to shows in Ohio, we finally were told about nest boxes by the Dutch breeders and I now have roughly 30 different sizes. Several of the nest boxes are made for nest box warmers while others have a plywood shell and a layer of insulation between it and the inner shell of cardboard. Several books that I have read dealing with nest box warmers recommend using them during the time of extreme cold weather or until the babies have their fur. I also recommend that if the temperature warms up, it would be a good idea to disconnect the nest box warmer so that you don't have a cooked rabbit. In our barn we are lucky enough to have the nest boxes regulated by thermostates. Both types mentioned above have worked very well in my rabbitry.

During the winter months I often supplement corn into the rabbits diet to provide extra body heat. The major problem during winter isn't the food, but keeping the water crock thawed. I can't offer any methods to keep the water from freezing, unless you are lucky enough to have a heated building, then you wouldn't have to worry about the cold. I often have to carry the frozen crocks up the hill to thaw out by the fireplace which takes several hours. Another method that I use is to carry buckets of hot water down to the rabbitry and place the crocks in them. This may cause the crocks to chip and eventually crack, but it does result in quick thawing.

I hope someone has found this article helpful in some way. For those of you who have ideas to winterize the rabbitry, please send them into the editor so they can be published in the Dutch Reporter. If anyone has a question dealing with the Dutch or rabbitry, please also send it to the editor so it may be printed and hopefully answered by someone.

NEWS FROM TEXAS

The members of the Texas State Dutch Rabbit Club are busy attending to last minute details and preparing for the '87 NDS to be held April 3-5, 1987 in Euless, Texas. Sharon and I have just returned from the ARBA National Conv. and we are very excited about the enthusiasm and support the Dutch members gave us. From all indications we will have a large exhibitor turn out. If this is true, then it will be a show to remember. We in Texas will provide a fantastic show, but only you, the exhibitors, can provide a large quality NDS.

The show will be held at the Western Hills Motel in Euless, Texas. The motel is 5 miles from D/FW Airport and furnishes shuttle services to and from the airport. The motel restaurant serves three meals daily at very reasonable prices. The showroom is air conditioned and has plenty of light. Just outside the showroom is a lounge area with sofas, chairs, and tables. Adjacent to the showroom and lounge area is a wing with approximately 45 rooms which will be blocked off for the Dutch exhibitors. We cannot get room prices at this time, but have been guaranteed a discount off of the regular prices. The current price is \$38 for a double room. When you call for reservations be sure to tell them that you are with the National Dutch Show. We are planning to hold the general meeting early Saturday morning before the judging. The banquet will be held in the motel Saturday evening. The meal will be a "Texas Style B-B-Q Buffet". Award presentation and social hour will be immediately following the banquet.

We are now accepting ads for the catalog and specials for the show. The deadline for accepting ads will be Jan. 15, 1987. If you want to advertise your rabbitry and let people know you support the NDS, get your ads in as early as possible so we can avoid a last minute rush. The prices for ads will be as follows:

Full Page (5½ X 8½) - \$45.00

1/2 Page - \$25.00

1/4 Page - \$15.00

1/8 Page - \$10.00

Breeder Listing - \$4.00

Send your ads and specials to: Charles Pipes
6417 Dream Lane
Watauga, Texas 76149

When sending specials be sure to specify if they are for open or youth. Make your checks payable to Texas State Dutch Club NDS. We now have a Big Bonus for the winners of open BOB and BOS of \$500 and \$100 respectively. Taking either of these awards home would certainly make your trip worthwhile.

The Texas State Dutch Rabbit Club members are looking forward to seeing all our friends at the show; so pack your bags, come to the show, and have a Texas good time.

Your friends in Dutch,

Bill Reid

THE DUTCH REPORTER

LETTER FROM COLUMBUS

Your reporter and fellow Dutch breeders had a wonderful time in Columbus, Ohio, during the 63rd ARBA convention on November 3-6, 1986. It was an awesome event by any standard. The Buckeye Rabbit Shows organization had everything well planned and effeciently managed. It was the largest show ever. There were over 13,000 rabbits and cavies in the glittering state fairgrounds building, and 1,123 ARBA members registered from 43 states, England, Canada, and New Zealand. Our Dutch speciality club was represented with 76 exhibitors from 24 states. Some 385 Dutch were entered: 129 black, 90 blue, 42 chocolate, 58 torts, 31 steel, and 35 gray. Evenberg and Stearns took best of breed with a junior black buck and also won the best display. Other major winners are listed at the end of this report. A black New Zealand won best of show.

Scott Williamson and Al Butler judged, and the large classes of perfectly splendid animals challenged their skill in discriminating and deciding upon the good, the better, and the best. Judging was not without risk. Al's hands had bleeding gashes (as did many judges), and a senior buck nicknamed "the wolf" sank his fangs into Scott's coat sleeve and would not let go. (Jimmy Carter was not the only person in recent history to get attacked by a rabbit.) We Dutch breeders should be especially grateful to Scott and Al for their remarks and comments on each animal as they judged, as they were very instructive to the exhibitors. Judges of other breeds sometimes gave only cryptic reasons for their choices; spectators were often in the dark as to why one rabbit was better than another. On the other hand, one specialty club held a post-show seminar on judging, using several animals as examples. This would be a great help to breeders of any variety, for the standards of perfection have to be interpreted by the experts. To the more inexperienced Dutch breeders, the better animals look pretty much alike and subtle differences are not always readily apparent. Many would be grateful if our judges and "old hands" would instruct the others on the fine points of typical animals on exhibit. We should consider scheduling such an activity at our ADRC show in Texas next April, after the judging has been completed, and we can gather informally to watch, listen, learn, and ask questions.

The seller's class brought in good money for the club and owners. Top dollar went to a Tom Dietrich junior blue buck (\$360) and an Evenberg and Stearns senior blue buck (\$300). Scott Williamson was once again the auctioneer. As a matter of comparison, the top winners in a popular larger class, the satins,

were going for less than \$100. Thanks to the breeders who made their animals available for sale.

There were many interesting events as the show went on. On Sunday a number of pickets stationed themselves at the fairgrounds entrance to protest "cruelty to rabbits" and the whole idea of eating them or using them for lab testing. Apparently they are a regular feature at every ARBA convention. The media did not take them seriously, and they left after the first day. Some of the classes were huge, often more than a hundred, requiring careful accountability. And some animals hardly looked like rabbits: the French Angoras were a mop of fur and looked like dogs, or toys. Some of the dwarfs had such short ears they almost resembled cavies. It confirms that our beautiful Dutch are real rabbits and not novelties. The youth were well represented throughout the breeds (and certainly in the Dutch), and it is encouraging to see their interest and enthusiasm.

Our club meeting was very lively. After spirited discussion, it was confirmed that we would mail ballots for voting on the proposed changes to the constitution. We also discussed whether to continue using ribbons as awards, as they frequently are tossed away afterwards by the recipients. Suggestions are solicited as to what our members would like as awards when their rabbits place in a class.

And now to look ahead. Our 1987 ADRC show is scheduled for Texas on April 4th. Bill and Sharon Reid told us about the plans, and they are exciting. It will be an exhibitor's dream. The air-conditioned showroom and motel will be under one roof about five miles from the Dallas/Fort Worth airport. Transportation will be provided, so no one need rent a car. There will be a cash prize of \$500 for best in breed and \$100 for best opposite sex. Other attractive specials are solicited and others are already in place. Our Texas hosts are going to great effort to make this a wonderful event, and everyone is encouraged to attend with the kind of animals that will make it the best show ever. The airport is a major hub and air fares should be reasonable.

And now your reporter would like to acknowledge some of those who made the Columbus show such a success. (If I miss someone, it was unintentional, so please do not be upset if your name is not included.) Jack and Ruth Wireman were the focal point and seemed to be everywhere, especially during the long hours at checking in. Larry Nixon headed up the carriers, who included Bill and Becky Przybylowicz, Glen Morgan, Steve and Sally Esterly, Kevin Hooper, the Billips brothers, and Andy Barton, among others. The writers were Ruth Wireman, Marti Dill, Vicki Bogan, and Bonnie Kirker. Jean and Tom McMurray fed and watered the animals. Tom Dietrich

Jean and Tom McMurray fed and watered the animals. Tom Dietrich managed the sellers class. There was a great spirit of cooperation and a good mix of savvy old timers and eager newcomers. The youth, under the leadership of Marti Dill, are particularly commended for their refreshing attitude and fine Dutch in which they can take pride. They are our future.

Another ARBA Convention is over and "Buckeye Rabbit Shows" certainly has something to be proud of!!! They ran an excellent show -- one that I'm sure won't be forgotten! I'll be more than happy to go back whenever they decide to do it all over again!

I'd like to congratulate our open and youth Dutch winners. There should be a Convention report elsewhere in this issue. The Ohio State Dutch Rabbit Club were the breed chairpersons for this event and I'd like to personally thank them for all their work. It was greatly appreciated by each of us.

Now,.....it's on to Texas and the '87 National Dutch Show! If you haven't sent in some specials or ad monies for this event, please do so now! Ad prices are 1/8th. page \$10.00; 1/4 page \$15.00; 1/2 page \$25.00 and a full page is \$45.00. Send your ads to: Charles Pipes 6417 Dream Lane Watauga, Texas 76148. Money specials should be sent to Bill & Sharon Reid 22 Shadowbrook Hurst, Texas 76053. You'll find more information regarding this show in the minutes of the meetings listed elsewhere in this issue. I'm looking forward to this event, April 3-5, 1987 in Euless, Texas. MARK YOUR CALENDAR!!!

.....sgqbbom a' ydrtors2

This issue contains a ballot on proposed changes to the ADRC Constitution and By-Laws. You must be a current ADRC member to vote! Husband and Wife memberships are each eligible to vote, single memberships may use only one ballot; --- YOUTH MEMBERSHIPS MAY NOT VOTE ON THESE ISSUES! Please look over the proposals --- read each one INDIVIDUALLY and CAREFULLY BEFORE YOU VOTE EITHER TO ACCEPT OR REJECT IT!.....NOW VOTE!

I would like to comment on the fact that the Secretary/Treasurer now receives a travel allowance to and from the National Dutch Shows and ARBA Conventions of .20 per mile round trip or round trip coach air fare, whichever is the lesser. Some believe that this is additional payment for the work done in this office and a step forward in remuneration by the ADRC. I would like to take this opportunity to emphasize that the work done in this office must be completed regardless of whether or not I attend either of these two shows! If my schedule does not permit me to attend, I receive only my regular fees, a percentage of sanction fees and memberships! I receive no compensation for information answered, life memberships handled, miscellaneous income recorded, or etc. This is classified as part of the job. I am not at all complaining, however, I do not wish for anyone to construe my payment for attendance at these shows as additional funds collected for work done. My work must be completed and my books made available at both of these events, regardless of how they get there. Therefore, please do not assume that this is additional payment for work done but rather an incentive or bonus to attend these shows whenever possible!

I realize that our D.R. Editor is getting this material late as it is being mailed on the 13th. and normal deadline is the 10th. Since I attended the ARBA Convention in Columbus, Ohio and didn't arrive home until 10:30 Thursday evening the 6th., it made getting material and D.R. labels together by the deadline a little difficult. My son had a cardboard box of mail on my desk awaiting my arrival. He's learned to hand each days mail separate and date it so that it can be recorded properly. (Now all I have to do is teach him to take care of it while I'm away! -- I don't think I'm ever going to get that lucky!!!). If your memberships are not processed as quickly as they should be, it's because along with all that was waiting for me here, I brought alot of work home with me. I'm going just as fast as I can.....please bear with me!

.....sgqbbom a' ydrtors2

I would like to wish everyone a very "HAPPY THANKSGIVING" and a safe, happy and healthy "HOLIDAY SEASON"....GOD BLESS!

Norma

It is better to become bent from hard work than to become crooked from avoiding it!

DEFINITION OF A FRIEND:

A friend is one whom one may pour out all the contents of one's heart, chaff and grain together, knowing that the gentlest of hand will take and sift it, keep what is worth keeping, and with a breath of kindness, blow the rest away.

The meeting of the ADRC Board of Directors was called to order by President Scott Williamson at 8:30 P.M.

A Roll of Officers was taken; those present were: President Williamson, Vice-President Wireman, Directors Dietrich, Williamson, Billups, and Eich. Secretary/Treasurer Hart was also present. Those absent were Directors Carlton and Geitzenauer.

Vice-President Wireman made a motion that we dispense with the reading of the minutes of the previous meeting as they were published in the May-June issue of the Dutch Reporter. Director Billups made a second to the motion. M.C.

REPORT OF OFFICERS:

Vice-President Wireman stated that it has been a pleasure serving the ADRC and working with the officers. He also stated that he would continue to work for the organization and to promote the Dutch rabbit. He noted that the number of Dutch shown in Ohio this year just about balances in comparison with that of last year.

Director Eich reported that Dutch are picking up at the Iowa shows and Dutch sales are up at this time.

Director Williamson stated that he hasn't attended enough shows this year to know if Dutch are increasing in the area. He expressed that his office of Director for the American Dutch Rabbit Club has been an experience.

Director Billups stated that he's been unable to attend many shows but he realizes that Dutch are on the raise along with several new members to the Dutch club. He expressed that he has been confronted with the growing problem of cowhocked rabbits crossing the tables and suggests that the next standard have the problem addressed.

Secretary Hart noted that we are in need of a pamphlet on the Dutch to send out when information on the breed is requested. Many people want to know a little about the Dutch, along with information for requested for 4-H before a decision to join is made. Membership at the present time totals 227 youth, 89 husband/wife, and 410 single adult memberships. We have 32 judges listed as ADRC members.

President Williamson noted that the quality of Dutch in his area are high. He also stated that they are in the process of forming a new club called the Great Western Dutch Rabbit Club.

REPORT OF COMMITTEES:

Youth Chairman Marti Dill, accompanied by youth representative Todd Uran, gave a report on the youth quizzes and contests available to our ADRC youth membership. If anyone has any input for the youth committee they should contact Marti Dill.

Director Eich gave a report on the audit of the ADRC books. The Secretary/Treasurer's books, the Publicity Department's books and those of the Dutch Reporter Editor were audited by Roger Eich, Mike Stinehelfer and Eric Mixdorf. All books were found to be in order.

Secretary/Treasurer Hart gave a financial report.

A motion to accept both the Audit Committees' report and the Treasurer's report was made by Jack Wireman and seconded by Tom Dietrich. M.C.

Vice-President Wireman gave a report on the membership committee: he stated that there has been no response to articles and each ADRC member should try to sign up a new member at the local shows. He also noted that Evenburg & Stearns from Indiana won both B.O.B. and B.O.S. at the Convention.

Vice President Wireman is to check on a breed secretary and chairman for the '87 ARBA Convention in Portland, Oregon and have the forms from that Convention Committee filled in and returned to the proper parties.

Director Dietrich stated that the Sellers Class would be held after the General Membership meeting. He noted that it has been a big financial boost to the organization. There is both an open and youth Sellers Class held.

Director Billups volunteered to chair the Guidebook Committee for the 1990 edition. Committee members are Roger Eich and Marti Dill.

Al Butler gave a brief summary of the financial status of the ADRC Publicity Department; items ordered and the possibility of new items.

UNFINISHED BUSINESS:

A discussion was held on who would take over the position of Dutch Reporter Editor. There were two possible candidates, Icele Case and Kay Stearns both of Indiana. There was a ballot cast for the position and Kay Stearns will be the new editor. Kay will take over for the January/February '87 issue of the D.R. There was a motion made by Director Williamson and seconded by Director Billups that we pay the D.R. editor a flat fee of \$200.00 per issue. M.C.

Director Williamson wished to express a big "THANK YOU" to Dianne Williamson for the fine job she has done as editor for the past two years. The Board would also like to express their appreciation at this time.

NEW BUSINESS:

The write-in candidates for District #1, #2, and #7 did not receive the required amount of votes needed to enter the office of Director, therefore, President Williamson requested Board approval to make the highest votes accumulated by the candidate in those respective districts an appointment. A motion was made by Roger Eich and seconded by Wilbur Williamson that the Secretary notify George Parmer, Charles Christ and Howard French to verify that they will accept the appointments. M.C.

There was a proposal addressed to change our balloting system to omit the nomination procedure. This was discussed primarily due to two reasons; 1) we would get serious candidates running for an office and 2) to let people know within the district that they are a candidate and desire the position. It was discussed and proposed that a petition be

requested from the secretary to run for an office. The petition must be returned to the Secretary by June 1st. prior to election with a required fifteen signatures, all of whom are ADRC members. All candidates must be current ADRC and ARBA members. Those signing a petition may only sign one (1) petition for the office of Director within your district.

Bill and Sharon Reid were present to give a report on the 1987 National Dutch Show in Euless, Texas. Bill stated that alot of work had been done on the preparation for that show but due to some unfortunate circumstances, it had a set back. However, all is well and the show will go on as planned. The Texas Dutch Rabbit Club needs our support to make this show a success. It was stated that shuttle service is available and there will be no need for car rental. The building is also air conditioned.

President Williamson expressed the need for budget committee to look into the possible cost of expenditures in certain areas as sweepstakes. Secretary Hart will act as chair to this committee with members Rick Billups and Tom Dietrich. Secretary Hart is to solicit the rest of her committee if needed.

Officers requesting reimbursement for ADRC business by phone or mail correspondence may do so by submitting copies of their expenses and bills to Secretary Hart.

President Williamson stated that in regard to membership services, he is doing a video on Dutch that will be available for use from the ARBA.

Director Billups discussed a separate contest for B.O.B., B.O.S. and Best In Show. This would be called "Quality Points" and would count as 2 points for a B.O.B. win, 1 point for a B.O.S. win and 5 points for a Best Fancy and/or a Best In Show win. A motion to implement the quality point contest was made by Director Billups and seconded by Vice-President Wireman. M.C.

Vice-President Wireman is to work on a possible membership contest, it's rewards, and come up with guidelines for same.

There was some discussion on the sweepstakes variety ribbons and whether we should continue to send them with the sanctions or send them out only to those who request them. Discussion was also held as to whether we should do away with the variety ribbons and possibly implement a different type of award for these wins. There will be a poll taken regarding the opinion of the membership on this matter.

Some discussion was held on the proposed changes that were listed in the past issue of the Dutch Reporter. District changes are to be listed in alphabetical order before printing.

Being no further business, a motion to adjourn was made by Director Eich and seconded by Director Dietrich. M.C.

Respectfully Submitted,

1986 A.R.B.A. Convention, Columbus, Ohio

General Membership Meeting, November 4, 1986

The meeting of the General Membership meeting was called to order by Vice-President Wireman at 10:30 A.M.

A roll of officers present was taken: those present were Vice-President Wireman, Director Dietrich and Secretary/Treasurer Hart. Absent were President Williamson, Directors Carlton, Billups, Eich, Williamson and Geitzenauer.

A motion to dispense with the reading of the minutes from the last General Membership meeting as they were published in the Dutch Reporter was made by Marti Dill and seconded by Ralph House. M.C.

At this time, Directors Eich and Williamson arrived.

Secretary Hart read the minutes of the Board of Directors meeting. With a correction from Director Eich that the results of the balloting for Dutch Reporter Editor were omitted from the minutes; four (4) votes cast for Kay Stearns and three (3) votes for Icele Case; a motion was made to accept the minutes by Jessie Wienhardt and seconded by Bill Reid. M.C.

REPORT OF OFFICERS: (NONE)

Marti Dill gave a report on the youth committee. She stated that participation in the Quiz Bowl at the '86 NDS was up, but we are having some difficulty getting are youth to participate in voting for youth judges. She also noted that next year the achievement contest would be divided into three areas to accomodate the ages rather than the two we now have. The judges for next years contest have already been set.

Al Butler gave a brief report on the Publicity Department and stated that now is the time to buy itmes as you are buying them without having to pay the postage.

Vice-President Wireman asks for comments and/or ideas on a membership contest. He also gave a report on the winners of the Convention both open and youth. The winners will be published in the Dutch Reporter.

A report on the Seller's Class was given by Director Dietrich. It will be held immediately following the General Membership meeting. Scott Williamson will be the judge for this event if he is done judging in ample time. One half of the proceeds goes to the seller and the other half to the ADRC. Director Dietrich asks that you get with him immediately following the meeting if you have any entries for this class.

Bill Reid gave a report on the '87 NDS. It looks like it will be an excellent show! There is plenty of lighting, 24 hour air conditioning and the showroom will be locked securely each night. The meeting room and banquet room is locatee in the motel. The motel is approximately five miles from the airport and 18 miles from downtown Dallas. The Texas State Dutch Rabbit Club asks for our support in making this show a huge success. You can contact Bill and Sharon Reid with your specials and Charles Pipes with your ad monies. 1/8th. page ad is \$10.00; 1/4 page ad is \$15.00; 1/2 page ad is \$25.00 and full page ad is \$45.00.

The Quality Points were brought up and Dick Gehr questioned the logic in the way the points would be awarded. He stated that it would be more justifiable to award 1 X the number in the breed for B.O.B. and 1 X the number of opposite sex shown for a B.O.S. win. He felt that this would be more fair to each exhibitor as in some cases a rabbit winning B.O.B. with only one Dutch shown would receive the same amount of points as a rabbit winning B.O.B. with 200 animals being shown in the breed. Dick Evenburg and Mark Pecaric agreed with Dick Gehr. Don Reid made a motion to appeal the Board to rescind the quality points as listed from the Board of Directors meeting. The motion was seconded by Martin Preede. M.C.

A discussion was held on a pamphlet for the Dutch Club. Dianne Geitzenauer felt that this was an excellent idea as

other breeds provide this type of material to potential members. A sample of one that it given out by the New England Dutch Rabbit Club was submitted as an example. Secretary Hart was appointed chairman of a committee to draw up a pamphlet. Stan Goeglein made a motion that the Secretary be authorized, at her discretion, to make up a pamphlet to distribute to potential members and those requesting information on the Dutch. The motion was seconded by Jack Pugh. M.C. There were many volunteers for assistance with this.

There was discussion on the variety ribbons and many felt that most of the adults didn't mind whether or not they received the ribbons but felt that we should encourage the youth with ribbons for their wins. There was also discussion on a different type of award for the wins.

At this time President Williamson arrived and Vice-President Wireman turned the meeting over to him. President Williamson informed the membership that an ADRC member and judge, Don Lovejoy passed away. We wish to extend our sympathy to his family.

NEW BUSINESS:

There was discussion on the petitioning for office rather than holding a nomination. Dianne Geitzenauer asked why there must be 15 signatures rather than a possible three, etc. She stated that it may be difficult to attend shows to receive the required amount. President Williamson advised that petitions can be mailed to those who desire to sign for that candidate and do not have to be gotten in person.

Due to a very lengthy discussion on the proposed changes to the Constitution and By-Laws and the legality of the balloting of only those members present at the General Membership meeting, it was decided that they would appear in ballot form in the November/December issue of the Dutch Reporter. It was stated that balloting should be provided in a more simple form without all of the "options" as it appears to be difficult for many to understand.

It was noted that any current officer may run for a higher office at the time of election.

President Williamson discussed the meaning of "Quality Points" and stated that it would be referred to in the Dutch Reporter and input from the membership would be appreciated.

Being no further business, Dick Gehr made a motion to adjourn seconded by Lowell Simonson. M.C.

Respectfully Submitted,

This was a pretty good year for Dutch in New York State. There was 669 Dutch shown for 14 shows for an average of 41.8 per show. We had 55 Dutch exhibitors. The largest was 79 Dutch for New York State Grand Finals show. The break for colors shown in 1986 was 270 Blacks, 125 Blues, 76 Chocolates, 57 Tortoise, 13 Grays and 4 Steels. The New York Dutch breeders have decided to try to organize a New York State Dutch Club. We hope that we can someday hold a National Dutch Show in New York State.

Steven & Rebekah Schilling

Dear Fellow Dutch Breeders,

My name is Michele Buck and I am a youth beeder. I have been raising Dutch since 1980 and I'm 16 years old now. I have only raised black, blue, chocolate and tortoise Dutch. I've had some the basic problems in Dutch breeding - wall eyes, one case of buck teeth (butting), low cheeks, and long stops. I've also had my share of diseases like one case of snuffles, abscesses, and rabbit syphilis. In Ohio this year, fly warbles were quite common. Out of six years raising Dutch, this year was the first I had ever seen a fly warble. The warbles I found were only on my young bunnies. The maggots were easily removed form their holes and it then healed up nicely. If at times raising Dutch is frusterating, just think, you probably had more good times than bad and you can't beat the Dutch!

Sincerely,

Michele Buck
