LARGE AND SMALL DUTCH

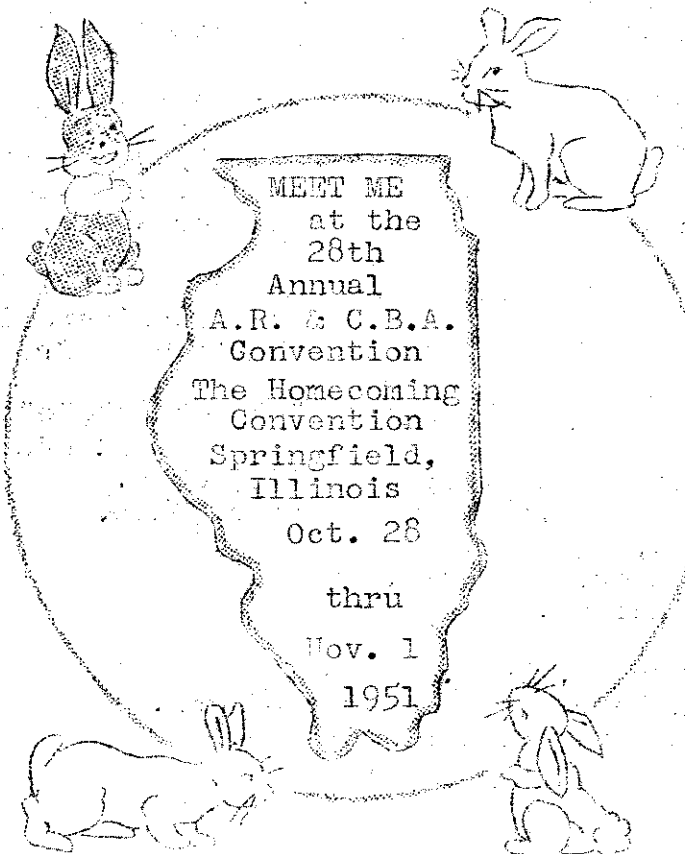

Lester C. Wells

Inasmuch as many of you have expressed your opinions in The Dutch Reporter, I guess I will stick my chin out for once and see how many critics I can get to write to me.

First, on my mind, is that too much has been said from the standpoint of knocking good Dutch fanciers. This only creates sore spots and hard feelings and doesn't help our Club membership or Dutch any.

Whether you raise small Dutch or the larger ones, we all like our Dutch and the Standard covers both; so, inasmuch as we are all human and have a right to raise the size we like best, why should we do so much knocking?

The fancier, who raises small 3-4 lb. Dutch gets letters from breeders praising his Dutch, while the breeder of the larger 4-5 lb. Dutch says he gets mail praising his larger Dutch.

CALIFORNIA DUTCH CLUB NEWS

The regular meeting of the Club was held at the Orange County Fair, August 19th, but was not official due to so few members attending.

However, we did have a fine get-together and talked over many items of interest on Dutch. There was discussion on our coming All Dutch Show to be held at Pleasanton, Dec. 2nd and 3rd. And all you members who have pledged trophies for the show are urged to get them in early, because of the metal shortage it is going to be hard to find what you want. So, get busy now on this, and send them in to me.

The new ruling on our sweepstake points was discussed and I hope that next month I can give you some figures on how each of you are doing.

It was too bad that I had to win the trophy on the Best Lilac Dutch at the show, as it was really a nice one. However, I have put up an identical one for the Best Lilac at the Convention Show in Springfield.

It's getting around election time for officers - so start thinking on the new officers you will be wanting for next year. Nomination blanks will be in the mail soon.

It was surely good to see our President, Fred Cremer, all over his recent eye injury. He looks as good as ever now, but he says he will have to wear glasses to strengthen that bad eye.

In closing, let me urge all of you to make an effort to get your Dutch in shape for the coming All Dutch Show, Dec. 2-3, at Pleasanton, California. This is a centrally located spot for all breeders, and every member in the Club should have his best Dutch at this show. So, let us all really set this date and be there and show your Dutch.

And, last but not least, let's each one here in the Club send as many Dutch as possible back to the AR&CBA Convention Show in Springfield. This will be your chance to help on the Dutch entry.

Lee Bowen.

COLORADO STATE DUTCH RABBIT CLUB

Minutes of August 19, 1951.

The meeting was held in the Rabbit Building in the State Fairgrounds on Sunday, August 19, 1951, at 9:00 P.M. following the State Fair banquet.

Meeting was called to order by President Crane.

Members present were: A. L. Nelson; Mrs. E. J. Grimes; L. C. Chesney; Ray Bond; A. L. Stallings; Mr. and Mrs. Ralph Green; Mr. and Mrs. A. W. Hageman; Mrs. Dorothy Confer; Mrs. Virginia Pierce and Mr. and Mrs. John Crane. Mr. James Small was a visitor, making a total of 14 members and visitors.

Roll Call of Officers: The following officers were present: Mr. Stallings; Mr. Chesney; Mr. Nelson; Mr. Hageman and Mr. and Mrs. Crane.

Minutes of the meeting of May 13, 1951 were read and approved.

Financial Report:	Balance, May 13, 1951.....	\$49.53
	Receipts.....	\$ 9.50
	Total.....	\$59.03
	Paid out.....	\$19.81
	Balance, Aug. 19, 1951.....	\$39.22

New Business: Mr. Chesney was appointed as election commissioner, with Mr. Stallings and Mrs. Pierce to help count ballots.

The trophy awarded for the Best Display of Dutch in the State Fair was shown. Motion by A. W. Hageman and second by Mr. Green that we give the same kind of trophy for the Arapahoe Show, if it qualified, for the 1952 Denver Stock Show, and the Colorado Rabbit and Cavy Club show, if held. Motion carried.

Good of the Order: A discussion of the new standard and proposed changes was held. A motion was made by Mr. Chesney and seconded by Ray Bond that this club go on record as favoring the elimination of the A. O. C. class. Motion carried.

Mr. Green made a motion that Mr. A. L. Stallings be instructed to represent our club at the National Convention and present our views on this subject. Second by A. W. Hageman. Motion carried.

A discussion of the weight gap brought the opinion that the present gap is too large. This club does not favor the "Toy" type of Dutch as most of the members must butcher their culls in order to support their rabbitries. A standard of three and one-half to five pounds, with four and one-half ideal weight was favored. Motion by Mr. Hageman, second by Mr. Nelson that Mr. Stallings also be delegated to present this to the convention.

As there was no further business, a motion by Mr. Green and second by Mrs. Confer that we adjourn was carried.

Mrs. John T. Crane, Secretary.

Our President wishes to tell each of you to whom he owes a letter that he will answer as quickly as possible but right now he believes you will forgive him for not replying to your letters due to the fact that he is trying to finish his new house. He hopes to be able to move in before too much longer.

Here are two letters which Mr. Dugan sent.

Holland Rabbitry
Route 3, Box 962
Evansville, Indiana
August 28, 1951

Dear Mr. Dugan:

I think that the Dutch Club should have a 4-H Dept. but I also think that it would be a good idea if you would put this in The Dutch Reporter to get other member's ideas. We have 40 or more 4-H members in the Club now but they are not known. We could have a 4-H Dept. at the National Dutch Show and give some small special for them.

Let's hear from you and the membership on this.

Yours truly,
Gene Hollander

To Fellow Fanciers:

I have read with interest the articles which have created such a dissension among the club members, and, as I see it, it is all wrong because there is always room for improvement. As some will say the Perfect Dutch hasn't been Born - now, tell me, who is qualified to pass such judgment on such a Dutch. I believe that we, the Dutch members, should make such changes so that we can stress the importance of what correct type really is. COBBY is the word. Then, to have it, one will find that Dutch not over 4 1/2 shows much better type than those which crowd the top weight. Now, take the Himalayan Breed - ever notice how the breeders stressed the importance of correct Type, which is snaky. So, what has become of those

4 to 6 lb. Himmys? And consider the job the present judges are doing with that breed. Just why do so many of our present judges prefer Perfect Markings to Type in our Dutch? Try saving your remark cards on one certain Dutch Rabbit for one season, then compare them and see what a mess they are. So, if there is that much difference on the same rabbit, just how can the judges agree on what the Standard calls for. I have yet to hear or see a judge say Very Bad Type refer to condition. I do admit that the smaller toy type is more on the cobby side than the larger sizes as some appear too long for the width to balance up as cobby. Too many of our Dutch are on the Himmy type or too snaky. I think it would help our breed to adjust our point in scale of marking in favor of Type, then I think your larger will soon disappear in the showroom. As to the article about Polish, I believe they are about due for a boom as they are being shown more the past few years while some of the larger breeds of the commercial type. As to losing some members - well, if they are the type I assume they are, clubs are better off without them.

MATTATUCK RABBIT, CAVY & POULTRY ASS'N., INC.

TO YOUR WORTHY ASSOCIATION:

The Mattatuck Rabbit Association of Waterbury and surrounding towns is sponsoring the Wolcott Grange Rabbit Project, in which sixteen to eighteen boys and girls are interested.

The purpose of this project is to increase young people's interest in the industry to tie in with the Grange Agricultural program.

Each participating boy or girl will be given a pair of pure bred rabbits free to start their project, donated by some interested breeder.

The project will be supervised by Mr. Adolph Birkenberger, President of the Mattatuck Association. One of the features of the project will be a lawn show on the Grange grounds held by and only for these young people.

Each boy and girl participating in the program will be instructed and encouraged to keep in touch with the donor of their rabbits informing such donor of their progress from time to time.

This letter is to inform your club of this worthy project and to solicit from any of your members a pair of young rabbits, if there is anyone interested in donating a pair for this project.

Please contact Mr. Adolph Birkenberger, R. F. D. #4, Waterbury 12, Connecticut. All donated pairs of rabbits must be received by Mr. Birkenberger not later than October 15, 1951.

Several pairs from members of the Mattatuck club have already been promised.

Trusting to hear from you at an early date, I am

Fraternally yours,
Mrs. E. Salom, Sec'y.
