DUTCH RUMBLINGS

By G. C. Leisenring,  
Publicity Director.

Your writer has just returned from York, Pa. where I again witnessed another fine ARBA Convention--however saddened by the death of Charles A. Pine whom we all knew as an outstanding gentleman of the finest character and a loyal friend to all connected with the rabbit industry. Mr. Pine, as you know, was the President of our parent ARBA organization and was recently elected to the office of Director of the American Dutch Rabbit Club. He has long been an ardent booster of our breed. Charlie, as he was known to all, was a tireless worker on behalf of the rabbit world and an everlasting inspiration to all of us. His passing will be keenly felt by all. To his family we extend our heartfelt sympathy in the loss of their loved one.

the 1954 Convention brought out an entry of over 3100 head, all breeds. Our Dutch were well represented by 317 head, exceeded only the the White N. Z.s and Flemish. Although we had hoped for the largest entry of any breed I feel that we did very well in exceeding last years entry of 307 head at Amarillo. The ADRC meetings were very enthusiastically attended by the members present at the Convention and quite a few new members were signed during the 5-day extravaganza. There were several very important issues brought before the Board and proper action was taken in regards to them. There was also several very interesting discussions by the various Chairmen of our committees, namely our Standard and By-Laws Committees of which you will learn in detail from our "Dutch Reporter."

In reviewing past history of the American Dutch Rabbit Club and our recent achievements we find the year 1954 has been the most successful ever in the history of our fine organization. There are many contributing factors to the amazing success which our Club has enjoyed in the past year, however. The outstanding contribution to the cause has been the unselfish wholehearted support given by you, as members of our fine

organization; the overwhelming exhibits of Dutch at shows throughout the United States. These factors have brought our breed to the front in glorious fashion. Many other feats accomplished by the membership of the ADRC working in harmony as a team have been instrumental in a 100% increase in memberships thru the period April to November 1954. This, my friends, we as members of the ADRC can rightfully be proud of, and as we enter the twilight hours of the year may I leave you with this thought in mind: we dare not relax and rest on our laurels but should put forth every effort in the year ahead that we may again next December be able to say, another Crest year for the American Dutch Rabbit Club. Our next big outing as you all may know will be the 1955 National Dutch Show to be held at Norwalk, Ohio April 22-23-24. Plans are rapidly shaping up for the biggest "National" yet, so please start early, plan a large entry and also make plans to attend this Gala event.
