PRESIDENT'S MESSAGE

Wenton Carlton

Time sure does fly! Here it is winter again and Christmas and New Years are just a month away. The new year will be a big event for Dutch breeders; new officers, up-coming National Dutch Show, and the National Convention in Tulsa this coming Fall. I would like to congratulate the new officers. I am sure you will have a good term in office.

I would like to Thank the Northwest Dutch breeders for a great show. They did a great job putting on the Convention. Winners are listed in this Dutch Reporter, and I would like to congratulate them in both Open and Youth. The awards were great and I am glad to see such a great turnout in our Youth. We received a special honor this year in that the Open Dutch winner was best 4-class for the Convention. Nice going, Jill.

I would like to take this time to Thank all of you Dutch breeders for the support and help you gave to me the past 5 years. Thanks again. It takes everyone working and pushing together to make this club a success, so let's keep up the good work.

Time is short and we must put out a new Guidebook. We need articles, history of Dutch, and most of all ads. This Guidebook will be around for 5 or so years, so contact your Directors with ads, articles, etc. for this needs everyone's help. Let's give our new officers a hand and make this a great Guidebook.

The minutes of the Board and General meeting will be printed in this Dutch Reporter. Be sure to read them as we had alot of business conducted this year.

To all of you, have a Merry Christmas and a Happy New Year. Hope everyone gets a lot of nice bunnies for our shows in 1994. See you at the National Dutch Show in April.

VICE-PRESIDENT'S REPORT

Fred Mullinax

Hi Dutch Fans,

Well, another year has somehow gone by. I hope everyone had a Merry Christmas and a Happy New Year. I want to Thank everyone that voted and everyone that voted for me to succeed Wenton as President. When I assume the duties of President in 1994, I hope our club will continue to grow with new officers and directors. I want to Thank Wenton Carlton for the job that he has done in the past six years. I hope that I can fill his position and keep this club running smoothly.

Shows here in the South have been down with Dutch. At two shows that I attended, there were only thirty to forty at either show. At both shows, a chocolate Dutch won Best of Breed. That is something that I have never seen in all the years that I have been showing rabbits. You can see that I am learning all of the time.

In both Youth shows, two different black Dutch won Best In Show. So you can see that here in the South, Youth are starting to raise some pretty good Dutch and that the adults have trained them well.

I hope everyone is ready for Pennsylvania and the National Dutch Show. I know that the Eastern Dutch Rabbit Fanciers will put on a fantastic show. So, let's get all those fine Dutch ready. From what I hear, there are a lot of good rabbits that will be there. Everyone come on down to Reading and just maybe you will be the one with B.O.B. or B.O.S.

Hope to see all of you at some shows, or I will see you at Reading.

P.S. Congratulations go out to Kevin and Vicki Bogan on the birth of their Daughter and future Dutch breeder. Rebekah Danielle Bogan was born on October 19, 1993 and was 7 pounds 7 ounces and 20 inches long. (Sounds like a keeper!).

From the Desk of your Secretary.....

I hope that everyone enjoyed a happy and beautiful holiday season and that all of your wishes come true in the New Year. (I also hope that all of those resolutions that we all made are easy to keep...). May 1994 be a beautiful New Year for each of you.

In this issue you will find your election ballots for the 1995 National Dutch Show and ARBA Convention judges. This is for our adult membership only!! If you hold a husband/wife membership, please vote both ballots. If you are a single adult membership, you are entitled to vote only one ballot. Please take the time to vote for the judge of your choice for these special events in 1995. Also remember to read the directions on the ballot closely to avoid your ballot(s) being voided. Youth members, please do not send in one of these ballots as they are for the adult membership only.

As of the first of the year, the ADRC sanction fees have been increased to assist in the cost of sweepstake ribbons, postage, etc.. These costs continue to rise and the sanctions have not had their cost raised in YEARS! So if you are applying for a sanction, please note that open sanction fees and youth sanction fees have been increased by \$1.00 each. Open fees are \$9.00 and youth sanction fees are \$6.00. Please pass this information along to any local club or show secretary that you may be in contact with. The application forms and the form in your DR have been changed to include the new fees. Membership fees have remained the same.

It's time to start thinking about the 1994 National Dutch Show in Reading, Pennsylvania, April 29th. through May 1st.. I'm looking forward to this event and hope that many of you are able to be there also. I'm sure that we will all enjoy an excellent time, with excellent company and an excellent run show! You might want to start thinking about that Best of Breed winner that you're planning on bringing along! Start getting your things together, get ready and I'll see you all there! Bring a raffle gift to possibly assist in their raffle, and by all means, why not send in a donation or offer your assistance in some way. I'm certain that it will be appreciated.

We're starting the new year out with a couple of new officers and a new ADRC President. Fred Mullinax is now your new President and I'm sure he will be willing to assist you in any questions or matters that you may have. Fred is a great promoter of the Dutch breed and he and his family always come in with some excellent quality bunnies! If you haven't met the Mullinax's, you'll look forward to it in Pennsylvania! They're a great family.....a great DUTCH family! We would also like to welcome Ken Emerson to District #1. Ken is from New York and comes in with alot of Dutch knowledge, excellent stock and quite a 'nice' guy! Floyd Dopler from Illinois comes into District #2 and Floyd is a real go getter. Sometimes I fail to see how Floyd can get everything done that he does and gets it all done right. Floyd is a 'BIG' Dutch promoter and another 'nice' guy. Each of you will enjoy meeting these people if you haven't already! If you haven't met the directors and officers and they're within reach and sight....just go right up and introduce yourself, get to know them and always remember that our mailboxes are always open to suggestions.

I look forward to the new show season and I hope that I am able to meet many of you that I haven't already and certainly look forward to visiting with my many fine Dutch friends. HAPPY NEW YEAR!

Fall shows are about over and I'm happy to say the Dutch showings have been up.

At Berks Co. PA, Sue Peters took Best In Show with a beautiful Blue Jr. Doe, it was excellent. Congratulations Sue!

At the two shows in Maryland there were 65 to 75 Dutch shown. Billy Bounds (new breeder) took B.O.B., at Carroll Co., with a Black Jr. Buck. I took B.O.S. with a Gray Jr. Doe. Gordon Hamersley took B.O.B. at the Baltimore Howard Co. show with a Gray Jr. Doe. I'm so happy that the Grays and Steels are coming into their own. I've been working hard for that and it looks like it's paying off.

Hope you can all come for the 1994 NDS. The show accommodations are really plush - you'll love it. The food is delicious (we ate lunch there). Everything is in one place, no trying to find parking places. Ladies, there is a bus stop at the door to take you to the outlet centers. We think everyone will enjoy being in Reading, PA in April.

Hope you're breeding some good Dutch for Reading. We in the East are looking forward to some competition. See you in Reading !!

DISTRICT II by Richard Gehr

There really isn't too much to report at this time. The fall shows are through. Our Dutch were down some in numbers, but quality still maintains a respectable level.

The Illinois Dutch Rabbit Club held several specialty shows last year, and is in the planning stage for several during 1994. In addition, the thought of sponsoring another National Dutch Show is still making its way into conversations around the state. We'll have to wait and see how things transpire.

Hope everyone has the best of Holidays, a very prosperous New Year, and a winning Dutch in every litter.

EDITOR'S REMARKS

Here it is, another set of Holidays, another New Year, and another Dutch Reporter. There isn't very much in this issue, but in order to get it out close to schedule, I went with just what I had. Hope you find the reading interesting!

!!! REMINDER !!!

Don't forget to bring items for the raffle table at the 1994 National Dutch Show at Reading, PA on April 29 - May 1, 1994.

Some donation suggestions: Arts and Crafts, rabbit equipment items, potted plants, gift items, novelties, etc.

Bring your raffle items to the raffle table on Friday April 29 when you enter your rabbits, or if you can't make the show and

ADRC Publicity Funds not received from ADRC Secretary since September, 1992.

SECRETARY NOTATION:

As per Section 2 of the By-Laws and the fact that the General Fund was experiencing difficulties, the monies allotted the Publicity Fund COULD BE transferred to that department or to ANY ADRC PURPOSE upon approval of a majority vote of the Board of Directors. Since there was no evidence that the Publicity Department is having any difficulties, no monies have been transferred to them. (Those funds that would be transferred are exactly one-half (1/2) the amount that your secretary earns for her percentage of each membership processed AFTER the \$1.00 contingency fund monies are taken out.) No percentage is received for life memberships processed!
 The amount that could be transferred at this time from October 1992 through November 1993 is \$487.75

American Dutch Rabbit Club
Minutes of the Board of Directors Meeting
1993 ARBA Convention/Tacoma, Washington

The regular meeting of the American Dutch Rabbit Club Board of Directors meeting was called to order by President Wenton Carlton. Those officers answering roll were; President Carlton; Secretary/Treasurer Hart; Directors Richard Gehr; Chuck Christ; Fran Schletter; and George Parmer. Those absent were; Vice-President Fred Mullinax and Directors Kevin Hooper; Jack Wireman; Jack Pugh and Dr. TE Reed. The Board was saddened to learn that District #2 Director Myrl Milhahn had passed away.

Director Parmer made a motion that the reading of the minutes from the last meeting be dispensed with as they were previously published. The motion was seconded by Director Fran Schettler. MC

The Treasurers' report was given by Secretary/Treasurer Norma Hart with a General Fund balance of \$ 3345.26 and the Money Market (Contingency Fund) balance of \$ 5232.81. The total funds available were \$ 8578.07. Director George Parmer gave the ADRC Publicity Funds report sent from the Butlers. After all income, and all expenses paid, the Publicity Fund balance was \$ 467.28.

REPORT OF OFFICERS:

Director Fran Schettler stated that there had been a definite increase in the amount of Dutch shown in California after the 1993 National Dutch Show. She said that there had been a double specialty show held in August that was record breaking and that there were many new youth showing interest. Director Schettler asked if the ADRC Standard Committee had missed the American Rabbit Breeders Association's deadline for material to be included. It was noted that this stated, as read, was actually incorrect. The ADRC Standard Committee received notice to start their recommendations for 'Dutch Standard' clarifications or changes. The 'actual' deadline to get our requests for this to the ARBA Standard Committee is June 30, 1994.

Director Chuck Christ noted that it is really only Wenton Carlton and himself showing Dutch with really no changes in his area.

Director Gehr and Secretary Hart noted that the Dutch are definitely not up in their area. Director Gehr stated that out east the Dutch seem to be plentiful. He said that he has noted both quantity and numbers at the shows that he has judged in that area. Director Gehr wished to go on record as saying that the 1993 NDS in California was one of the finest National Dutch Shows that he had ever attended. There were no problems encountered, the building was excellent and he stated that he was treated fantastic! It was just an excellent show!! Secretary Hart noted that the membership was increasing with 99 Husband/Wife (198), 246 youth and 336 adult memberships for a total of 780.

Director George Parmer stated that New Mexico and Colorado

Board Minutes continued.....

are really beginning to go with a Farmington, New Mexico show having 75-80 Dutch entered. He said that there were a couple of new breeders now getting into showing.

Director Schettler also noted that she has received many calls out of Idaho and Wyoming for stock as they have been unable to acquire any quality in that area.

REPORT OF COMMITTEES:

Director Christ briefly went over the ADRC Standard Club ballot that is in the current DR for membership vote. If there are any questions on this issue or what the ballot consists of, one of the Standard Committee members will be happy to assist.

It was noted that the ADRC Secretary has approximately one (1) dozen guidebooks available. The Guidebook Committee has not received the ads or articles needed to send a new guidebook to the printers. It is a 'possibility only' that we will have to make some necessary changes and/or corrections in the present edition and have to printer run off only the amount of guidebooks needed to get us through until January 1995. The ADRC Publicity Department will be contacted to see if they have any extra issues available.

There was discussion on some new items with a Dutch emblem on them that were for sale in the Publicity Booth and whether or not they had been approved by the Butlers. The sale of these new items were to bring additional income for the ADRC Publicity Department. The maker wanted a set fee for each product while the Publicity Department could charge any additional on each item that they determined profitable. The Publicity Department was to take orders for the product only and collect the required fee set by the department. The Publicity Department would then give the orders and only those fees required to the maker. The maker would send the product to the buyer and all extra proceeds from the sale (determined by the department) was theirs. The Board present voted in favor of (4 to 2) selling them at this show. Director Parmer and Schettler voted no. President Carlton asked and received approval to appoint Kevin Hooper to contact the Butlers with regard to some changes in items and also for their opinions on some publicity concerns.

President Carlton also noted that he had received a call from someone about the possibility of a new breed combining the Dutch and the Rex. The Board present unanimously agreed that we want "no" part in this matter and that should he wish to continue the issue, he would have to apply through the ARBA for a new breed standard.

Director Parmer stated that there were 259 Dutch entered in the open. After scratches, there were 248 with 47 exhibitors. There were 134 Dutch 'entered' in the youth.

Directors Parmer and Schettler are checking on the possibility of a Dutch breakfast for Wednesday morning about 8:00 AM. The membership will be notified via notice at the ADRC Publicity Booth when this is finalized.

Board Minutes continued.....

President Carlton will check on the ADRC Seller's Class at the Convention and we will receive notice of that ASAP!
Being no further business, Director Parmer made a motion to adjourn. This motion was seconded by Director Schettler.

~~~~~  
American Dutch Rabbit Club  
Minutes of the General Membership Meeting  
November 1, 1993 '93 ARBA Convention Tacoma, Washington

The regular meeting of the General Membership of the ADRC was called to order at 2:30 PM by President Wenton Carlton. A motion was made by Ellis Houseman and seconded by George Mead that the reading of the minutes from the last General Membership be dispensed with as they were printed previously in the Dutch Reporter. MC. The minutes from the Board of Directors meeting were read and Director Schettler requested that a correction be made to the minutes in that the Board also felt that Kevin Hooper should check with the Publicity Department about seeing their financial records. \*

Those answering roll were, President Wenton Carlton; Secretary/Treasurer Hart and Directors: Dick Gehr, Chuck Christ, Fran Schettler, and George Parmer. The membership was informed that District Director #2 Myrl Milhahn had passed away. Those absent were Vice-President Fred Mullinax and Directors Kevin Hooper, Jack Wireman, Jack Pugh, Dr TE Reed and Parmer. (Director Parmer was busyyyyyyyy as breeder chairperson in the Dutch department)!

REPORT OF OFFICERS: (See Board of Directors Minutes)

REPORT OF COMMITTEES:

Director Chuck Christ gave a Standard Committee report and noted that a ballot is in the Dutch Reporter.

The ADRC breakfast will be held at the Best Western Tacoma Inn on Wednesday morning. It will be at a cost of \$ 10.00 per person. Please sign up and pay at the Dutch booth with the Parmers if you will be going.

Dutch judging will be on Tuesday morning at 8:00 AM with Dr. TE Reed and Scott Williamson doing the judging honors. Immediately following the judging, the ADRC Seller's Class will be held. Rabbits are to be brought to Ken Emerson that

\* The ADRC Board is trying to determine if the Publicity Department is self-supporting.

General Membership Minutes continued...

will be in the Seller's Class. Assistance in carrying animals to the table for judging will certainly be appreciated!

OLD BUSINESS: (none)

NEW BUSINESS:

Mrs. Kivi states that she would like to see a family membership implemented in the ADRC. This would have to be submitted in the form of a resolution as it would be a change to the constitution and by-laws.

Director Christ states that we should have a Hall of Fame to show appreciation and thank you to those so deserving. Director Gehr says that this is an excellent idea and it should be initiated. Director Christ made a motion seconded by Director Gehr that this be started immediately. MC Larry Bengtson agreed stating that these people probably all already have life memberships but we could do something else to honor them. Chuck Christ, Dick Gehr and Larry Bengtson will work on this.

Kevin Hooper and Kelly and Glenda Cummings are working on the new guidebook. Many articles are needed especially on how to cull, prepare, show etc.. These should be articles of quality and expertise. The guidebooks go out to all of the membership and especially the new members and the beginners really need good articles to get them going. Advertising is also needed. It was noted that Jack Wireman could assist these people with some history of the ADRC. It has been noted that the guidebook deadline has been extended. It is felt that some of the articles in the present guidebook are very good and could be used in the new edition but fresh, new, quality articles are desperately needed. Some dynamic activity by the guidebook committee may be needed. Possibly contact each Dutch specialty club (state and local) by means of a form letter in order to spark interest and get some ads. Larry Bengtson stated that a letter could be sent to each feed company and previous companies and/or people that have ads in the present GB. He said that they don't appear on your doorstep and you have to go after them. Larry Bengtson would be willing to help Kevin if he would like. The membership was informed that we need some guidebooks right now!

Director Christ said that the opportunity to approve and/or discuss the Dutch Reporter and the four issues per year was up in January. Director Gehr says so far it appears to be OK but does the membership like it quarterly? Postage will be going up in the very near future so this is another item to look at. A motion was made by Ellis Houseman that we continue on a quarterly basis at this time and discuss the matter again in the future. The motion was seconded by Director Schettler. MC. Director Christ said that he understands the cost but he personally likes it bi-monthly. Greg Hickmott asked about the deadlines for printing and also about the cost of pages. The DR must be in pages of

General Membership Minutes continued...

multiples of 4 or 8. Multiples of 8 is of less cost. Jim Schettler stated that it always appear that only a handful of people are doing alot of work and maybe it should be broke down so that more people could get involved and there could be some help. Larry Bengtson noted that it's deadlines. He said when deadlines aren't met, the whole thing fails. He said that the people who try the hardest fail! He said it's really hard to put anything out if you don't have anything to put in!

Ken Emerson noted that they are looking for a pair of Dutch for the research and Development Raffle for the '94 ARBA Convention in Oklahoma. If you have anything to donate, please contact Ken. Ken Emerson will handle the Seller's Class.

Being no further business, Larry Bengtson made a motion to adjourn, seconded by Director Christ.

Respectfully Submitted,

*NORMA*

70th ARABA CONVENTION, TACOMA, WA LOSING TO ONE OF THE BEST

by Rick Lehmann

Having just relocated to the Kansas City area this past April from Seattle, and also starting a new job with the #1 rated radio station in the Kansas City market (94 FM KFKF plays continuous country favorites) they would never forgive me if I didn't get that in., I found it impossible to attend this year's ARBA Convention in Tacoma, WA. It seems like every time there is a convention, almost in my backyard, I end up moving right before the convention. The Southern CA convention I moved to Seattle, Tacoma convention - on to Kansas City, and next year Tulsa - (oh no ! I hope not again !) Anyway, my good friend and neighbor and an excellent Dutch breeder, Bob Bergene, was driving to the convention and offered to take my entry for me. (Actually I don't think he really wanted to, but I'm 25 lbs. heavier, 9 years younger, and am prone to fits of rage when I don't get my own way!). So, I was very happy when Bob offered, and Bob's lovely wife Charlene says that Bob should be as good as new when the cast is removed, which goes to show - you must be very careful when you twist somebody's arm.

After culling the size of the herd down once again for the move here to Kansas City, I'm just now starting to get it back to where it was. Last spring I noticed that my Dutch were starting to get a little on the large size, by that I mean adults were pushing 5 lbs. consistently. They were nicely marked and typed, but "BILLIG". So once again I turned for help to Bob Bergene, Bob has this little black buck named "EAR" (named because when he was born his mom wanted to help him be born a little too aggressively and nipped off the tip of one of his ears). EAR is built like a little tank, but just 2 1/2 lbs. At three years of age Bob still thinks he'll grow some (yeah, right). This rabbit has it all, massive head, cobby and marked excellent. So, I breed EAR to one of the best brood does I have, named SUE. SUE is a black doe who was one heck of a show doe, winning many Best of Breeds during her show career. In late April a litter is born, most were marked very good, but there was one that was a heart stopper. One of those I call a "1 in 300" bunny - about once in every 300 kits. There is that one that you know is destined for great things, well this kit kept getting nicer every day. He had it all... type, markings, "the whole ball of wax". (For you younger breeders that is an old guy phrase, which means the rabbit was "a major league happening, solid, too cool for words Dutch hopper dude"). I tried each day when I fed him not to get too excited but it

Lehmann, con't.

was tough. Then one day at eight weeks of age, I find him in his cage (you guessed it) dead! I didn't cry but the four letter words were in abundance. I immediately took the brood doe SUE back to Bob Bergene's house, Bob and his family were gone for the 4th of July holiday and I was taking care of his rabbits while they were gone. I bred her again to EAR (my wife Trudi said I did it because I'm a pervert and I just wanted to see a 2 1/2 lb. buck try and mate with a 5 lb. doe - it really is quite funny!) Anyway, Bob still doesn't know I did this, 'til now, and what's he going to do about it, unless he wants to be known as "lefty" Bergene? August 2nd another litter arrived, another nice little black buck is born with almost the "whole ball of wax" (youth breeders see above for description of "whole ball of wax"), except this little guy, SAM is his name, has a full neck. Other than the full neck this buck was going to be tough to beat, so on to Tacoma he goes along with some other fairly nice Dutch (the preceding comments were personal comments and not based on any Dutch judging expertise). To make a long story short, and my goodness this has been a long story (sorry about that) SAM came in second in a class of 26 black jr. bucks, to a buck owned by Jill Dobson of Escondido, CA. According to Dr. Reed's comments, he lost only because of that full neck. The first place buck of Jill's went on to win Best of Breed and Best 4 Class rabbit in the Convention, which brings me to the title of this article "Losing to One of the Best" (it took me awhile to get here, but finally.....). Jill took not only Best of Breed, but also Best Opposite Sex with a black jr. doe. Jill traded these two rabbits away before the show even started to Ken Emerson for some Torts. That Ken has a good eye (and just what he needs, two more excellent rabbits for his herd!). Now that Jill has achieved some National attention the whole Dutch club will know what I and most everyone in the Southwest knows, that Jill Dobson is one of the best Dutch breeders in the country.

Jill, along with the late Jackie Duncan, have done more to promote the Dutch breed in Southern California than any two people I know. She started the Sun Valley Dutch Fanciers of San Diego several years ago. At the time a rabbit show might have had 15 to 20 Dutch shown, now local shows in the Los Angeles area will have 50 - 60 Dutch average and Sun Valley Dutch specialty shows have 100 or more per show on a regular basis.

Jill and her husband, Gene, have raised a herd of solid winners over the years. Jill is also the kind of person to sell top quality Dutch at very reasonable prices, especially

Lehmann con't (again!)

to Youth members. I can't tell you how many times I've been beaten by someone who bought a champion rabbit "dirt cheap" from Jill. Jill and I have shared and traded rabbits for a long time. The knowledge of the breed she has is second to none. In this day of trying to get the most for your money from a responsible breeder who cares about your future in the hobby, I think you could do no better than to talk with Jill.

Jill called me from the ARBA Convention in Tacoma to give me the news (in fact she called me before she called her husband - eat your heart out Gene). She told me when her black jr. buck was named Best 4 Class in the Convention she "thought she was going to have a heart attack" (if it had been me I would have needed rubber underwear). She was thrilled. I couldn't be more happy for her. No one deserves it more than Jill Dobson.

So, I don't feel so bad if "I Lose to One of the Best".

ED: Thanks for the article Rick. Any of us that have been around for awhile know that Jill is indeed a very good supporter and promoter of our breed. I was thrilled for her when I heard she won Best 4 Class. A feat not too many Dutch breeders can say they have accomplished. We are proud of Jill.

To make a comment on a portion of your letter, if you ever get tired of those "BIG" 5 lb. Dutch, send some my way. As a judge, I would have to say the Dutch are becoming too small in the past few years. The "toys" show well, but aren't very good at production. At least that is my experience. Also, the ones that don't quite make the 2 1/2 lb. limit, end up beating juniors until they are ready to retire! Sad, but true. Give me a 4 1/2 to 5 lb. Dutch at maturity anyday.

LOWELL SIMONSON

It is very hard for me to report on the passing of one of our Dutch family, especially when it is someone I considered one of my best friends.

We received a call the other night from Eric Mixdorf, informing us that Lowell had passed away.

For anyone associated with Dutch over the past 5 years or more, and attending a National Dutch Show or ARBA Convention, you probably had the good fortune of meeting Lowell. He was a man of few words, rather quiet, but his presence was noticed by all that knew him. Leaning on the judging table, smiling, and thinking... who knows what?

In all the shows I judged at which Lowell was exhibiting, I always appreciated the fact that he would never complain about a placement. He might say that he saw a class different, but he would honor the judge's decision and accept it. That is one way that he and his old traveling buddy, Dale Zentner, were so much alike. As a judge, you had to appreciate these two gentlemen. Their accomplishments in raising Dutch speak for themselves, and you had to admire the fact that they probably knew more than most of us, but never acted like it or made remarks that would lead one to think that.

Lowell was a successful breeder, a good person to help others out when they needed a little something in their breeding program, he helped get new breeders started, and thought nothing of traveling any distance to attend a big show and visit with rabbit friends.

I called Scott Williamson to inform him of Lowell's passing, and we got to talking about some of the old times. We commented that the ADRC has lost several very good members in the past year or two. I said to Scott, "Can you imagine the show they are having up there? What competition." Lowell, Dale Zentner, Johnny Nelson, Myrl Milhahn, Del Cockey, along with some others that I can't recall at the moment. Scott's reply was, "Yeah, and Tom Shufflebotham is probably threatening to kick all their butts!" Anyone knowing Tom can appreciate that.

Alas, we have lost another good man, but the concession is that he is with many other good Dutch people that have passed that way also. Just like remembering special rabbits, shows, and wins, we shall also remember these special members of our Dutch family. Unfortunately, I could not find a picture of Lowell to include in this issue. Perhaps we will have one for next time.

Mr. Glen Carr, Secretary
American Rabbit Breeders Association
P. O. Box 426
Bloomington, IL 61702

Dear Mr. Carr:

I would like to inquire about a decision made by one of the judges at a recent rabbit show I attended and participated in. The rabbit involved was one which I sold to a young boy to show in the Youth shows. It was a chocolate dutch doe. The show which this occurred at was the Central Louisiana Rabbit Breeders Association show, held October 16, 1993 in Alexandria, Louisiana. The judge which was judging the dutch breed was J. L. Dino. Mr. Dino disqualified the rabbit after spreading the toes apart to see if the color bled down into the toes. The color was not detectable on the bottom of the paw. It was my understanding from Carrol Hooks, who judged her a month previous, that a judge was not allowed to spread the toes apart in order to see if the color bled down into the space. She said you are allowed to look at the top and bottom only. I would like to ask you which one is right? Which one is wrong? If it is not written anywhere in the standard how can one judge take it upon himself or herself to preach it as law. We need the judges to at least be consistent. It certainly does not look well for the seller of the rabbit and it certainly upset a whole family whose hearts were set on winning or placing high with this rabbit. Is there some way we can eliminate this among our judges?

Sincerely,

Claudia Warlick
