PRESIDENT'S REPORT

Fred Mullinax

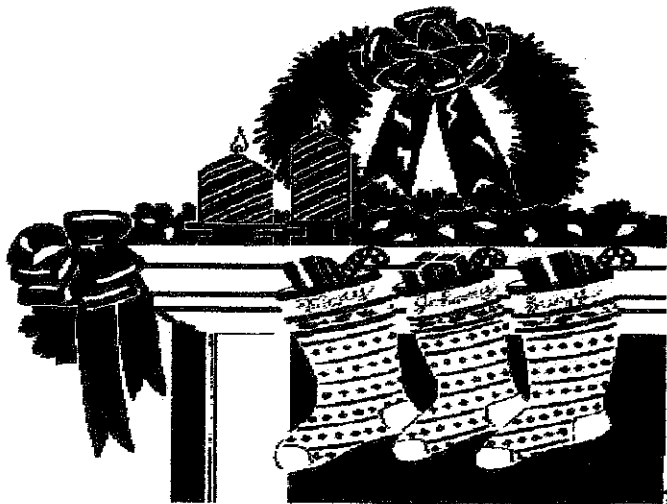

Hi Dutch Fans,

Well if you missed the 1994 convention you really missed a great show. It had some outstanding Dutch. There were a lot of different winners also. A pair of super blacks won. B.O.B. was a black senior doe, B.O.S. was a black junior buck. The black senior doe also took the fur class. Congratulations to the winners and all who came to the show.

I was just looking over our Dutch reporter and it looks like no one is interested in running for office or directors. Out of four directors positions we only had one, and no one for vice-president. Has everyone given up on the Dutch club?

I have been to a few shows since the convention and Dutch seem to be on the rise. We've had a lot of new breeders and real nice Dutch. Grays have been real popular with real good color and ring color. A gray has won the last two Carolina shows.

I hope everyone has a Merry Christmas and a Happy New Year.

SECRETARY'S REPORT

Norma Hart

Well, 1994 is about to close it's cover and a brand spanking '95 will open up in front of us in just a very short time! My how time flies when you're having fun! (?)

Correspondence after the ARBA Convention is always slower than I would like, but it's almost impossible to get things out any quicker after having been gone a week at that time of year. I left home on Thursday, October 27th and didn't get home until Friday, November 4th. With the memberships I brought home with me, and a week's worth of mail to pick up at the post office, (it was falling out of one of their 'large' white mail tubs) it's been hectic to say the least! I'm now just trying to get over a three week bout with one good cold!... 'Tis the Season....! Now, we are still having allot of problems with our mail service. It seems that some mail is taking up to ten days or more to arrive while some is being delivered after our post office has delivered it to an incorrect party. It appears that our qualified help sorts by last name and not address. Therefore, much of my son's mail is coming here and to another Hart while I'm getting mail that belongs to still another Hart two streets over. I've done everything but take the roof off our post office. If I thought that would help, I'd be half tempted to give it a try! In any case, I'd like to 'THANK' each of you for your patience!

My family and I hope each of you enjoy a beautiful Christmas and we extend our very best wishes for a happy, healthy and blessed New Year!

THE PICTURE BELOW WAS SUBMITTED BY TERRI BULLIS. SHE ENTERED IT IN THE ARBA PHOTO CONTEST AT TULSA AND WON 3rd PLACE.

CONGRATULATIONS, TERRI !!

DISTRICT I - Kevin Hooper

A big THANK YOU and CONGRATULATIONS should go out to the Kansas State Dutch Club, led by Rick Lehmann. They put in a lot of effort to host the ARBA Convention and did a tremendous job.

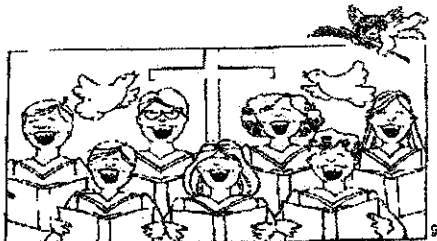

Congratulations to all the winners and non-winners who showed in Tulsa. A good bunch of Dutch were shown.

The minutes from the Board of Director's meeting will be enclosed in this issue. You'll find that we are in the process of establishing a "Dutch Hall of Fame" to recognize those individuals who have contributed to the promotion of the Dutch rabbit. As you look over the rules, you may see something that you feel should be changed. I'm sure there are going to be some rule changes after we get the "Hall of Fame" process rolling. If you have a concern, contact your Director and express your feelings.

Once again, there was a proposal to change the sweepstakes points system which the Board rejected. If we are going to change the sweepstakes system, we need to keep in mind that the change needs to be kept simple. We have over 600 open shows each year plus the youth shows. This large number of shows requires lots of work and an easy system. Any change in the system should be written down and forwarded to your Directors prior to any meeting of the Board (held at the National Dutch Show and ARBA Convention) so we may have time to study the proposal.

The Fall Ohio Dutch Show was held November 20. The youth show had 30 shown with a nice Black Sr. Buck of Karen Shoemaker taking B.O.B., and B.O.S. went to Regina Thomas with a Tort Jr. Doe. The open show had 132 Dutch with B.O.S. going to a Black Jr. Buck of Todd Uran's, and B.O.B. going to a Steel Sr. Doe of mine. Judging was done by Larry Bengtson.

The show season will soon be over in the Midwest by mid December with a break coming until early February. The only way to improve your Dutch over the winter is to continue breeding. Take the steps necessary to winterize your rabbitry, utilize heat lamps and lights, and continue to spend time in the cold to care for your Dutch.

DISTRICT II - Dick Gehr

The end of 1994 is upon us. During the past year we have seen many new Dutch breeders at the shows, the number of Dutch seemed to be comparable to past years, and unfortunately we lost a few more prominent members of our Dutch family. Although we will not see them at the shows any longer, the memories of them shall be with us always.

CONGRATULATIONS to Dan and Dawn Schwartz of Illinois for their B.O.B. win at Tulsa.

The Board of Director's meeting at Tulsa was productive, with some fresh new ideas being kicked around. A "Hall of Fame" is just around the corner from being initiated, and personally I can think of a number of individuals deserving of induction.

The coming year will provide an opportunity for more progress within our organization, and hopefully giant strides will prevail. The membership must be instrumental in this area, and ideas from all are welcomed. Take them to your Directors, or send them to the Dutch Reporter Editor so the entire membership may be informed.

The Illinois Dutch Club members are excited about the 1996 ARBA National Convention coming to our state, and we promise to show you all a good time. The facilities are very modern, having no resemblance to a fairground atmosphere. There are several hotels within walking distance of the showroom. The river boats will provide for an enjoyable experience if you so desire.

Read through the minutes of the meetings held at Tulsa and if you have any questions, comments, or concerns regarding any area, contact one of the Directors with same. Without input and suggestions from the members, it is difficult to determine the direction of the ADRC. It is a club for all of the members, not just the Board of Directors.

At Tulsa, a new variety of Dutch was presented for the first time. It is now up to the membership of the ADRC to vote as to whether we would desire sponsoring another variety. I would ask that each and every one of you carefully consider the acceptance of this variety. Just because the ARBA Standards Committee passed the presentation does not mean the club must accept it. Should the club decide it would not be beneficial to our breed and vote not to sponsor the variety, the presentation from Tulsa would be voided.

Happy Holidays to one and all, and I hope 1995 will bring about the best year yet for you.

FROM THE EDITOR - Dick Gehr

In this issue of the Dutch Reporter you will find the nomination results for the 1996 ARBA National Convention and National Dutch Show judges. The appropriate people will be contacted to see if they want to be placed on the final ballot, which will appear in the Jan/Feb/Mar issue of the Dutch Reporter.

A ballot as to whether the ADRC will accept and sponsor the new variety, Blue Steel, is also included.

There are several articles included in this issue, and I would like to thank those that submitted them.

This will be the final issue of the Dutch Reporter by this Editor. It has been enjoyable, but as stated in the past, my schedule is getting to the point that I do not have the time to continue putting out the DR. I would like to extend my thanks to those that have contributed articles over the years, and hope they will continue to support the new Editor.

A special thanks to Jeff Andrews for his work on the ADRC sweepstakes and the manner in which he submits the show results for printing. At one time I also kept the ADRC sweepstakes, and believe me it is a time consuming job. Figuring all of the points from each show and keeping records for each exhibitor takes a lot of time and effort. Jeff has done an outstanding job, and he always submits his reports exactly as you see them printed in the DR. The extra mile that he goes is a tremendous help to the DR Editor, and I believe everyone should know of his commitment and dedication in performing the duties of his job. Thanks Jeff.

Starting with the first issue of 1995 you will have a new Editor. Julia Anderson from Portage, Wisconsin will be assuming the duties. (I am sure she will be rewarded in heaven.) Any materials for Dutch Reporters starting in 1995 should be sent to Julia. She has the technical means to put out a great looking DR, but it takes participation from not only the officers and directors but also the membership in order for her to have the material to make a good DR. I wish her luck, and hope you will all support her.

Julia Anderson
301 East Conant Street
Portage, WI 53901
Ph: 608-742-6526

Again, Thanks to everyone, and it's been fun.

*** NOTICE *** NOTICE ***

As 1994 is retiring, so is your Dutch Reporter Editor, as well as the ADRC Publicity Department chairpersons, Barb and Al Butler.

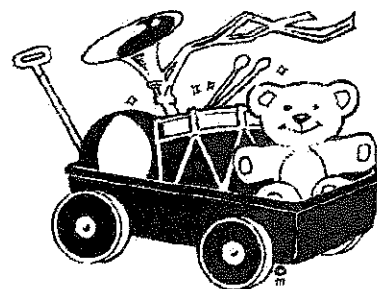

The efforts of Barb and Al in supplying publicity items has spanned many years, and the ADRC owes a debt of gratitude to them. Taking orders, mailing items, transporting materials to and from the NDS and ARBA Convention, working in the booths, etc. take a lot of commitment and dedication. Barb and Al have always done a good job putting our wares in front of the membership.

The Publicity Department will now fall under the direction of Julie and Rick Billups. They are excited and eager to begin their responsibilities, and it is certain the ADRC will be in capable hands. Those of you that have been around a while know Rick as a dedicated breeder and supporter of the Dutch breed. The quality of his animals speaks for itself, and we can be assured the Publicity Department will reflect this quality also.

Hello Everyone,

Let me introduce my wife Julie and I as the new coordinators of the ADRC Publicity Department. We have been asked by Barb and Al Butler to take over this job as of January 1, 1995 and are looking forward to the challenge. We live in northern Ohio and maintain a small Dutch herd of 30 rabbits. I started raising Dutch in the late 1970's and took a break during my college years from 1987 until the 1991 NDS. We would like to encourage suggestions and ideas to build upon the current items presently offered by the Publicity Department.

Rick and Julie Billups
14913 Garfield Rd.
Wakeman, OH 44889
Ph: 216-965-5875

TO THE MEMBERS OF THE ADRC

by Dawn & Dan Schwartz

I thought I would take a moment to sit down and write a letter to express both Dan and my feelings on our unbelievable win at the ARBA Convention in Tulsa.

Dan and I are sure that there are a great many Dutch breeders that have no idea who Dawn and Dan Schwartz from Illinois are, so I'll tell you a little about us.

We live in Lockport, Illinois which is about 25 miles southwest of Chicago. We have two children, Clarke our son is 9 and Paige our daughter is 4. We have been raising rabbits for 3 years come this February. We raise 2 different breeds of rabbits, Dutch and Netherland Dwarfs. We have 70 holes and house about 40 Dwarfs and 30 Dutch.

Dan started raising rabbits back when he was a youth with the help of a gentleman by the name of Don Reid. I'm sure a great many of you have heard of this man and his great knowledge of rabbits. Don had given both Dan and his brother each a rabbit to go home and breed. Although it was only Dan who caught the bug and wanted to keep it up. Dan was able to go to different shows with Don as he traveled around judging and showing his rabbits. From my understanding there was a lot of rabbit talk that took place on these trips. Dan always came home a lot wiser than the trip before. Dan stopped raising rabbits when his family had to move from their house into an apartment. Although somewhere deep inside that love of rabbits never died.

In 1992 we went to a local show and thought we would buy a pair of Dutch for our son Clarke to get him started in raising rabbits. Although we were unaware that when our son went to the show that he would choose to raise Dwarfs instead. I think Dan was a little bit heart broken that his son didn't choose Dutch, however that gave Dan the perfect opportunity to start raising them again for himself. So, the first thing Dan did was call Don Reid in Minnesota to ask him who to get in touch with to get some good stock. The name we were given was John Nelson of Crete, IL. Unfortunately when Dan called the Nelson home we were unaware that Mr. Nelson had just passed away. His son however said all the rabbits were gone except for one buck that his father had thought was pretty special, and that if we wanted to come and take a look at him we were welcome. That rabbit turned out to be a hefty investment, however I feel that he was well worth it for he is the father of our doe that won at

Dawn and Dan Schwartz con't.

Tulsa. Our senior Doe, Show Stopper, received her first leg when she was a mere 8 weeks old. When this doe was shown at the Nationals in Reading, PA she took a 2nd in the junior doe class. I have to admit, we always had high goals for her, but we never really thought in our hearts that she could go all the way. Show Stopper now has come home and is bred to her dad, to hopefully produce something even a little close to her caliber. Our kids, I am happy to report, have chosen to raise the Dutch also.

I would like to take this opportunity to say it was nice meeting all of the breeders that we have heard so much about. We hope that you all have the opportunity that we had in Tulsa.

See you all in Oshkosh.

ED: Thanks for the article Dawn and Dan. It is great to have our members write and tell the other breeders a bit about themselves. Too bad it isn't done more often. It would be nice to have someone write about themselves, or interview someone else, for each issue. I always wanted to do that, but guess I failed. Maybe Julia will have the time and/or opportunity.

For those of you that don't know Dawn and Dan very well, I can attest that they are two of the finest people you could know. Upon entering the Dutch scene, they were interested enough to ask question, always willing to help in any way they can, never too busy to stop and have a chat about Dutch, they congratulate anyone that wins at a show, and are two dedicated supporters of our breed. We are indeed lucky Dutch is one of the breeds they chose to raise.

Their win at Tulsa was well deserved, and I hope they enjoy many more.

HAPPY HOLIDAYS

Hello from the Upper Midwest!

We have been enjoying a wonderful stretch of fall weather. It has been mild and sunny for many days. Today (Nov 13) brings us some wind and rain, but still mild temperatures. The rabbits sure do enjoy this. They are full of vim and vigor, and looking for the next feeding time when chore time roles around. Coats are coming in prime, you Arizona and California fanciers should see these Minnesota finishes. We expect that the weather will change soon and the rabbits are surely well clothed for it. It is however, getting to be the time of the year when good winter preparations and practices show. We breed in an old drafty dairy barn, and so we have been busy covering windows with plastic to keep the snow and breezes to a minimum and to help create that insulating air that lets the winter sun in to warm us. We are able to keep the minimum temperature at freezing or just a hair above. This allows us to keep water in front of the animals and keep diseases at a minimum. In the very coldest weather we operate a couple of kerosene heaters. Last winter we were very successful and raised many winter litters. The kerosene heaters provided just enough warmth to keep things thawed. Another thing that helps us is the addition of a layer of styrofoam in the bottoms of the nest boxes. It stops the cold from creeping up into the litter. If the doe were kindling on the ground, she would have the warmth from under her nest to keep the kits warm and cozy.

The reason for all the good information is to help all of you get ready for the 1995 National Dutch Show in Oshkosh, Wisconsin, April 28-30. It is one that you don't want to miss, so get ready. Your juniors will be coming for the next couple of months. You will find information on National Dutch Show activities in other parts of this Dutch Reporter. We all know what a great group the American Dutch Rabbit Club is and what an unbeatable rabbit the Dutch rabbit is. In order for the 1995 NDS to be "the best" we must have the support of everyone. First of all, we'd like to encourage everyone to show their very best Dutch. And if yours are maybe not the very best, your club deserves your support anyway. So show one or a couple just to be able to say that you showed at the National in '95. Donate specials, it takes a lot of money to make a Dutch Show that "Can't be beat!", and we want to recognize the top winners with our admiration and a little cash reward. Advertise in the show catalog. What, you haven't got anything to sell? That's all-right, advertise to show your support, the Dutch rabbit that lives in your barn, garage, basement, or whatever deserves it. And, everybody needs a shirt, so loosen your grasp on some of that green that you have been hoarding and buy a shirt. It helps to advertise your interest in "DUTCH".

Now, besides all that, I have a special project. If I can collect enough five dollar ads, the 1995 NDS can give special exhibitor shirts to all youth exhibitors and maybe, if everyone is very generous we could manage one to both youth and adults. The \$5. will buy you a three line business card size add on the back of the above mentioned shirt. I have asked the Dutch Specialty Clubs to each buy an add and I hope you will help me encourage them to do so.

So fellow Dutch breeders, this is your call to action!
Jump on the bandwagon and join the rest of us in the 1995
National Dutch Show endeavor. All the before mentioned responses
can be mailed to: The Upper Midwest Dutch Rabbit Club
Doreen Bengtson, Secretary/Treasurer
Rt 1 Box 95
Lewiston, MN 55952

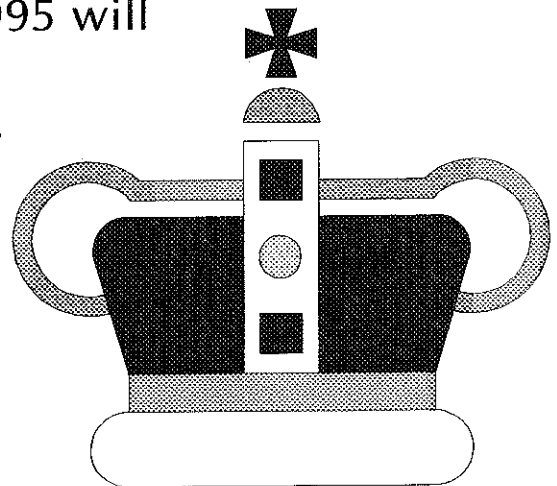

And I will make sure that your contribution to the 1995 National
Dutch Show gets to the right place.

Until I hear from each of you, may all your nest boxes be
filled with barn burners and may there be a Best of Breed in your
next litter.

"In" Dutch
Doreen Bengtson

Notice to all youth Dutch breeders:

The Upper Midwest Dutch Rabbit Club, who is the sponsor of
the upcoming NDS in Oshkosh in 1995 will
have special events for the youth. If
you are interested in the royalty con-
test please contact the 1995 Youth
Special Activity Chairperson, Cherie
Anderson. She can be reached at
(608)635-7157 or W8076 Thomp-
son Rd. Poynette WI 53955. She
has lots of exciting and fun things
for the youth to do in Oshkosh.

MOTEL

1995 National Dutch Show Motel Information:

Headquarters: 45 rooms blocked off
 AMERICINN of Oshkosh - opened fall of 1993 (Indoor pool)
 1495 West South Park Avenue
 Oshkosh, WI 54903

1995 National Dutch Youth Show

April 28, 29 & 30
Oshkosh Wisconsin

The Upper Midwest Dutch Rabbit Club invites all youth exhibitors to come one and all to the 1995 National Dutch Rabbit Show. We are all very excited to have the honor of hosting the 1995 show and we sincerely hope to see youth from all over the U.S. and Canada with their beautiful little Dutch Rabbits.

The UMDRC has planned alot of exciting activities for the Youth Show, including a royalty contest, poolside pizza party and if all goes as planned, a educational presentation. If YOU have any ideas, don't hesitate to contact the youth chairpersons right away. The headquarters youth motel is the **AMERICINN of Oshkosh**. This is a new motel that has an indoor pool. There is 45 rooms blocked off. Call them at (414)232-0300 and make your reservation today.

Competition has been very keen the past couple of years in the midwest. We are looking to rival the open exhibitors with our youth contingent of rabbits. From all reports, everyone in the country is busy making plans and clearing their calendars to make this trip. We really need you, to make this show complete and show the older folks, what outstanding Dutch breeders the youth have become.

Order your NDS special items today. Proceeds will go towards the 95 NDS. Logo is black, unless otherwise indicated on items.

"T"Shirt-short sleeve gray/teal	\$7.00	"T"Shirt-long sleeve gray/teal	\$11.00	Hat-gray w/1995 NDS logo	\$5.00
"T" ringer-short sleeve gray/teal neck & teal sleeve	\$12.00	Sweatshirt-long sleeve crew neck-gray/teal	\$18.00	Tote bag-natural color teal/black logo	\$7.50

NOTE: For larger sizes, please add \$1.00 for each X after XL. Allow six weeks for delivery. Please indicate size (adult sizes only) and send check made out to UMDRC. Mail order to Doreen Bengtson, Secretary R 1 Box 95 Lewiston MN 55952

The UMDRC will be presenting very special youth awards, so be sure to bring your finest and maybe yours will win Best of Breed. You can't win, if you don't come. Make your plans today!

RELUCTANT DOES

by M.J. (Marti) Dill

We all love the doe who lifts immediately when placed with the buck, but unfortunately many are not receptive. Also, a large percentage who are willing to accept the buck do not kindle in 28-31 days. The older I get, the more tricks I use to get does to conceive when I want them to. I'd like to share a few ideas with you.

Coming from a really cold climate, breeding does in the winter months when the temperature was zero and the wind chill was even lower, we found by placing the does we wanted to breed in a carrying case, and bringing them into a warmer, sunnier environment (usually my kitchen or inside a vehicle where the sun warmed) relaxed the doe/s and they bred readily immediately after being in a temperate environment.

A normal procedure that is used in the sheep breeding industry is to "flush" ewes with oats. Flushing consists of increasing the amount of oats for one week to ten days. In does, we remove pelleted feed and use steamed oats and good alfalfa hay. Yes, the hay is expensive and difficult to find but worth the effort. The oats seem to set off the breeding time clock in the doe that says "Spring has arrived, breeding time is here". It has worked for us and may help you also.

Adding vinegar to the drinking water will encourage does to breed, and according to articles I have read, increases the does number of female offspring.

Placing a doe in a cage next to the buck with a wire divider will certainly get his interest and may encourage her to desire being mated after several hours or days.

On occasion the buck you have chosen to use for breeding may be aged and will tire easily. To save his limited strength, you may want to use a younger "teaser" buck. His nipping and teasing will prepare her for the older buck to mount and breed immediately. Be very careful NOT to allow the young buck to actually breed her.

Using a table large enough to accommodate both the buck and doe for the purpose of breeding has often solved the problem of an exhausted buck. It offers the breeder complete control of both of the animals. Place the doe on the table first. Then go and bring your buck to the table. Place your hand under the doe's belly, back toward the vent, and lift up approximately 1 to 2 inches above the table. Take your free hand and grasp a few hairs of the tail. Stretch the tail

RELUCTANT DOES con't.

upward slightly. (I have seen breeders tie a string to the does tail and gently pull when the buck refuses to mount because your hand is in the way). The majority of bucks will be over to the doe offering their services before you can get the doe positioned. If this happens, gently slide him over to the side of her. Reposition her and allow him to mount. For safety I would suggest that you have a helper stand close to catch the buck when he falls off the doe, protecting him from a fall to the floor.

Does who still refuse to accept the buck during table (restrained) breeding may need to be teased. By simply and very, very gently stroking the vulva, most does will start to moisten. I also find that when I remove the wedge of waxy build-up between the vent and the hind leg, it often stimulates the doe.

NEW DUTCH GUIDEBOOK UPDATE

At the ADRC Board of Director's meeting in Tulsa, it was noted that it may be advisable to wait until the new ARBA Standards of Perfection goes into effect January 1, 1996 to have the new Guidebook printed. This will allow for the revised Dutch standard to be included, as opposed to publishing a Guidebook that would have an antiquated standard in less than 1 year.

The suggestion received full support of the ADRC Officers and Directors.

Any and all ads sent to Kevin Hooper will be included in the new Guidebook when it is printed. Those not purchasing an ad may still do so until the completion of the 1995 ARBA National Convention in Louisville, Kentucky. Those that already have ads may make any changes they wish until that time also. If you are uncertain of what you had sent to Kevin, drop me a line and I will send a copy of your ad to you. You may then decide to use what was submitted, or change the ad to your desires.

Any questions, comments, suggestions, or concerns regarding the new ADRC Guidebook should be addressed to me.

Richard Gehr
190 N. First Ave.
Coal City, IL 60416
Ph: 815-634-2676

WOODY RABBIT

Submitted by Kevin Hooper

Those of you who were in attendance at the ARBA Convention may have had the opportunity to see Woody Rabbit.

Satin breeder and ARBA Judge Mike D'Amico has a set of five or six wooden, true to scale rabbits that he made to represent different body type faults. He took the picture of the Californian from the current ARBA Standards of Perfection and constructed his ideal typed rabbit based on the dimensions of this Californian.

There are two things that I feel we need to concentrate on as Dutch breeders.

First, the location of the high point of the back is most often too far forward causing our Dutch to lack roundness and depth of the hindquarter.

Second, the fullness (or lack thereof) of the lower hindquarters.

The diagram below shows how the lower hindquarters should appear. Too often our Dutch cut inward, thus lacking fullness.

The results of this work shows that the ideal type (for Dutch also), have these dimensions.

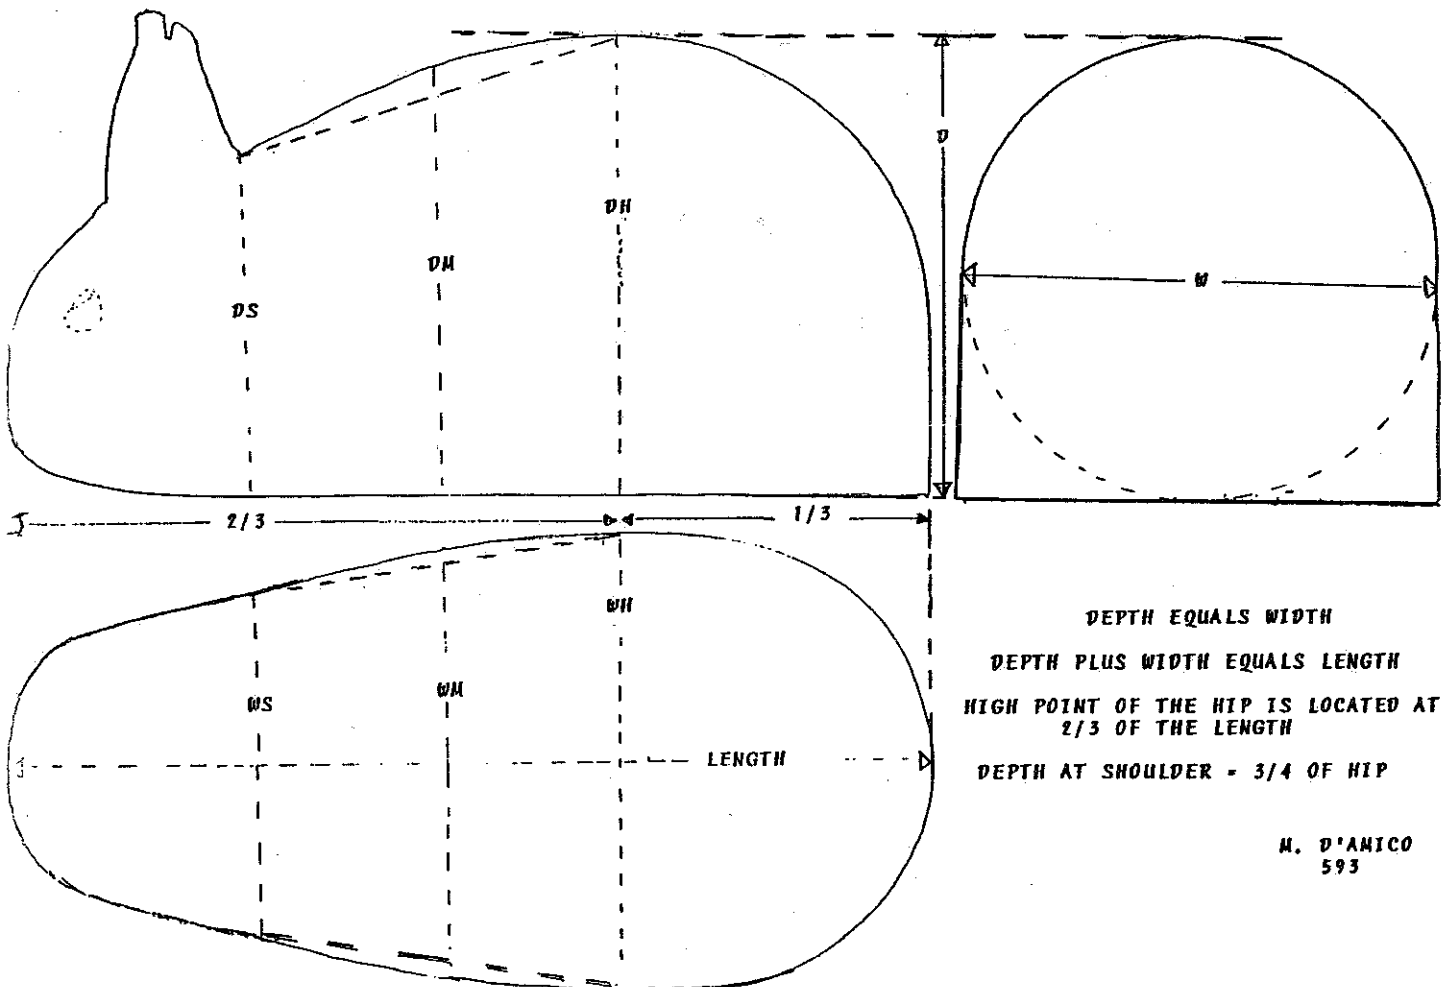

DEPTH EQUALS WIDTH

DEPTH PLUS WIDTH EQUALS LENGTH

HIGH POINT OF THE HIP IS LOCATED AT 2/3 OF THE LENGTH

DEPTH AT THE SHOULDER EQUALS 3/4 THE HEIGHT OF THE HIP

The diagram below should help you understand proper Dutch type.

DEPTH EQUALS WIDTH

DEPTH PLUS WIDTH EQUALS LENGTH

HIGH POINT OF THE HIP IS LOCATED AT 2/3 OF THE LENGTH

DEPTH AT SHOULDER = 3/4 OF HIP

M. D'AMICO

MINUTES OF THE BOARD OF
DIRECTOR'S MEETING
TULSA, OK 1994

The Board of Director of the American Dutch Rabbit Club was called to order at 7:15 PM by President Fred Mullinax. Roll Call of Officers & Directors: Present were President Fred Mullinax, Vice-President Wayne MacKinnon, Secretary-Treasurer Norma Hart, Directors Kevin Hooper, Fran Schettler, Lynn Shaw, and Dick Gehr. Absent were Directors Chuck Christ, Jack Pugh, Floyd Dopler, George Parmer, and Ken Emerson.

There was a motion by Kevin Hooper, seconded by Lynn Shaw that the reading of the last minutes be dispensed with as they were printed in a past Dutch Reporter. Motion carried.

OLD BUSINESS:

Lynn Shaw made a motion that the Publicity Department inventory report received be resubmitted at "true cost" rather than at potential retail, seconded by Wayne MacKinnon. Motion carried. Barb and Al Butler will be retiring as Publicity Chairpersons as of the first of the year. Julie and Rick Billups will take over the position at that time.

It was discussed and felt that the ADRC Board should have the authority to check the profit and sales and make necessary recommendations from time to time.

NEW BUSINESS:

Wayne MacKinnon gave his committee report on the introduction of an ADRC Hall of Fame. Proposed guidelines were submitted to which the Board had suggested some alterations. Wayne is to take this back to his committee and resubmit their final draft for Board approval at the earliest possible time.

Kevin Hooper made a motion, seconded by Dick Gehr to initiate a Dutch Pioneer's Award for those people contributing to the promotion of the Dutch breed that have been deceased for over 5 years. Motion carried.

Dick commended Wayne and his committee for the fine job in developing these proposed guidelines.

Kevin Hooper gave a report on the new Dutch Guidebook. He has put a lot of information on computer disk and submitted the materials to Dick. He noted that his committee was also working on a revamp of the show rules and seller's class rules. Discussion followed with suggestions to possibly improve the seller's class. Kevin is to go over these and submit

MINUTES CON'T.

proposals to the ADRC Board for possible change.

Since the new ARBA Standard of Perfection goes into effect January 1, 1996 it was felt that a new Dutch Guidebook should be printed at that time so the information included would be current. The Guidebook committee will continue to take ads, and changes to those ads already received until approximately November 1, 1995. The Guidebook will be printed and distributed in early 1996.

Fran Schettler made a motion that the sweepstakes chairperson print the top 40 sweepstakes placements both open and youth in the Dutch Reporter. After discussion, Fran amended her motion to the top 30 open and youth. Motion seconded by Dick Gehr. Motion carried. Norma is to notify the Dutch sweepstakes chairperson.

Fran Schettler made a motion to amend the calculation of the sweepstakes points to only include the 8 rabbits shown by any exhibitor attaining the highest number of points at a show to count towards the sweepstakes. There was discussion on this and it was felt this was not feasible, and with the number of sanctioned shows and Dutch exhibitors this would be quite burdensome. Fran withdrew the motion due to no feasibility at this time.

A bid for the 1997 National Dutch Show was looked over and discussed. This bid was rejected and Norma is to notify those submitting the bid of the decision.

REPORT OF OFFICERS:

Fran Schettler stated that they are planning a big show in June of 1995 with the intent to keep the interest in Dutch up.

Norma stated that Dutch are down in her area and at the present time, thoughts are in possibly submitting a bid to host the 1997 National Dutch Show in Illinois.

Kevin Hooper says they are concentrating on the 1996 NDS in Ohio. They want everything planned to benefit the exhibitors and the animals. He stated they had a very nice facility and were looking forward to a good show. He also noted that he had a presentation of a Blue Steel Dutch that would go to the ARBA Standards Committee on Wednesday. He stated that he has no intention of introducing any other color but there has been much interest in the Blue Steel.

Dick Gehr noted that Floyd Dopler from Illinois has been planning and taking part in putting on some all Dutch shows to spark some interest in the breed. He noted that Floyd is an excellent promoter of the Dutch breed. He also noted that

MINUTES CON'T.

we need more Dutch shown in our area.

Wayne MacKinnon noted that the New England Dutch Club has a complete change of officers and they're doing a great job. He stated that there is a lot of interest and enthusiasm there and it's a great bunch of people.

Lynn Shaw said that right now he's basically filling Doc Reed's unfulfilled term. He noted that he's not trying to replace him, because that would be impossible. He's just continuing his 37 year love affair with the Dutch rabbit.

Fred Mullinax said that the youth and open Dutch in his area have really picked up and the stock shown has been of very good quality.

Being no further business Kevin Hooper made a motion to adjourn, seconded by Fran Schettler. Motion carried.

Respectfully submitted, Norma Hart

MINUTES OF THE ADRC GENERAL MEMBERSHIP MEETING TULSA, OK - 1994

The ADRC General Membership meeting was called to order at 2:15 PM by President Fred Mullinax.

Rick Lehmann made a motion, seconded by Jack Wireman, to dispense with the reading of the last minutes as they were printed in a past Dutch Reporter.

Roll Call: Those officers and directors present were: President Fred Mullinax, Vice-President Wayne MacKinnon, Secretary-Treasurer Norma Hart, and Directors Kevin Hooper, Dick Gehr, Lynn Shaw, and Fran Schettler. Directors absent were Jack Pugh, Ken Emerson, Floyd Dopler, George Parmer, and Chuck Christ.

NEW BUSINESS:

Wayne MacKinnon's committee is working on the ADRC Hall of Fame and have hopes of finalizing guidelines soon. When completed, the guidelines and forms will be printed in the Dutch Reporter.

Kevin Hooper and Ken Emerson are working on revising the seller's class and NDS show rules. Target date for completion of the revisions is next Spring.

Dick Gehr has materials from Kevin Hooper for the upcoming Dutch Guidebook. He explained the standard printed in the Guidebook would be

GENERAL MINUTES CON'T:

obsolete in 1 year if printed at this time, so the Board directed him to hold off with the publication until early 1996 when the new revised standard will be in effect. Changes in ads already submitted, or new ads will be taken until approximately November 1, 1995.

Fran Schettler stated that the list of sweepstakes placements will be extended to 30 people, open and youth, in future issues of the Dutch Reporter.

Norma read the minutes from the Board of Director's meeting and the officers reports.

Wenton Carlton was asked if he had appointed Chuck Christ to a Hall of Fame committee during his term as President. He stated some specifics were talked about, but nothing had been officially submitted to anyone.

Marti Dill asked about the financial status of the Publicity Department. A complete report had been submitted to the Board. She thought possibly the ADRC was looking for a better way to invest monies.

Doreen Bengtson stated she had many items for sale from the 1995 NDS in Oshkosh, forms for donating specials, T-shirts for sale, etc. Information for the motel, catalog ads, etc. was also available. There will be events for both the adults and youth on Friday night, with a pool and pizza party planned for the youth. T-shirts could be given to all youth and adults if ads were taken out for them.

Al Butler reported things were going well and there were still some Tulsa cups left over. The booth will be open until Thursday morning.

The Dutch breakfast will be at the Harvest Buffet at 8:15 AM on Wednesday.

The show went fairly smoothly, there is no Oklahoma State Dutch Club, and the breed secretary could not come to the convention. Rick Lehmann did a good job of filling in and thanked everyone for helping out.

The award plaques will be presented at the breakfast.

Being no further business Kevin Hooper made a motion to adjourn, seconded by Ellis Houseman. Motion carried.

Respectfully submitted, Norma Hart

LETTER TO THE EDITOR

by Kelly Cummings, Jr.

I'm sorry to see our newsletter editor leaving. He has done a very fine job as editor. Most people don't realize the work that was involved with printing the Dutch Reporter. The hours put in typing articles, cutting and pasting the pages, making sure he has enough pages to be divisible by 4 for printing, and waiting until the last minute for reports and articles to get to him, just so he could have enough to put in the Dutch Reporter so all the members could have something to read. He then had to go to the printer to drop the main draft off to be copied and return to pick up the finished copies and sort them to take to the post office for mailing.

All of this while maintaining a full time job and trying to judge on the weekends. What's really the most commendable is that he devoted all this time and efforts to the American Dutch Rabbit Club and its members for free! I feel this was a tremendous giving of ones self for his club.

Everyone should applaud and thank Editor Dick Gehr for a job well done! I feel the Board of Directors should grant Dick Gehr a Life Membership in the ADRC as thanks for the job he has done as Editor of the Dutch Reporter. Thanks Dick!

ED: Thank You, Kelly. It is indeed gratifying to know my efforts as Editor are appreciated. I have been doing this job for quite some time now, and believe me, I wouldn't have done it if I didn't want to. I always felt it was a small contribution to the ADRC and its members. While working on each issue, there were times when I wondered why I did it, but after they were finished and the end product was in front of me, I knew. I am just sorry that my schedule has gotten to where I can't continue doing the Dutch Reporter.

I have seen some of Julia Anderson's work, and I believe she will do an excellent job, and feel the quality of the DR will improve. Sometimes it takes some new blood to improve on what seems to be acceptable, and I wish Julia all the luck in the world.

I will miss doing the DR, but I will remember the good times (?) I had doing it.

As for the Life Membership, that is a great compliment. Thank You for that, but I believe there are others just as deserving, or even more so.

The BLUE STEEL VARIETY

Submitted by Dick Gehr

At the 1994 ARBA National Convention in Tulsa, OK a proposed new variety of Dutch was viewed by the ARBA Standards Committee for the first time.

Kevin Hooper presented the Blue Steel Dutch.

In this issue of the Dutch Reporter you will find a ballot for you to vote whether you want the American Dutch Rabbit Club to recognize this new variety, provided it passes two more official showings to the ARBA Standards Committee.

As a member of both the ADRC and ARBA Standards Committee, as well as a breeder and exhibitor of Dutch, I have concern over the acceptance of another variety into the Dutch breed.

My first question would be what benefit this variety would be to the Dutch breed? I do not see where it can enhance or benefit any of the varieties already recognized.

My feelings are that 6 varieties are ample, and we should concentrate on perfecting those before we initiate any other varieties. The problems we face with the Steels and Grays presently should give anyone enough challenge to work with.

By the admission of the breeder-sponsor there will be varying shades of this variety. Kevin states that they will breed true, then states that breeding Blue Steel to Blue Steel will produce mostly Blue Steels and some Blues. I would ask if Grays and/or Blacks could be realized by mating Blue Steel to Blue Steel, depending on the ancestry? My concept of breeding true was that the litters were all of the same color as the parents.

I would be anxious to know the feelings of other Dutch breeders and judges in regards to the acceptance of another variety. It is too bad we did not have the chance to discuss this subject via the Dutch Reporter prior to having to take an official vote on it. The feelings of other breeders and judges may have shed some light for those that are unsure of their feelings.

I hope everyone realizes that if the vote is in favor of accepting the new variety, it cannot be changed if two more presentations to the ARBA Standards Committee are successful. However, if the vote is to reject the new variety at this time, it can still be introduced later.

Sorry Kevin, nothing personal. I just wonder if the ADRC really needs another variety to cope with at this time.

The Blue Steel

The first showing of the Blue Steel Dutch was accepted at the 1994 ARBA Convention. There are three more steps that must be taken before the Blue Steel would be accepted as a recognized color of Dutch.

The first step is that the members of the Dutch Club must vote to decide if we, as Dutch breeders, wish to have this as another variety. That ballot is in this issue with the ballot for judges for the 1996 National Dutch Show and ARBA Convention. We must have a majority of those who vote approve the Blue Steel if the acceptance process is to continue. Then the Blue Steel will have to be displayed and approved at the next two ARBA Conventions by the ARBA Standards Committee.

The Blue Steel is just that, a blue with a steel gene. If you can picture our current steel which has a black base color and replace the black base with that of a blue, then you have our Blue Steel. The Blue Steel will have a visible undercut just as our steel has. The belly color will be of a lighter shade than the top of the animal, but it will be very visible. The bottom of the tail will also be like that of the steel, very similar to the belly color but a shade lighter. If I was to select a variety from another breed that was similar, I would say that it resembles an Opal Mini-Lop, but with a higher gloss to the coat. The Blue Steel color will vary slightly from animal to animal because, unlike our black dutch, we have various shades of blue. As we put the steel gene on these slightly different shades of blue, we will have a little variance in the color. The working standard of the Blue Steel calls for a medium dark blue, just as our blue requires.

Once again, I have introduced this color for a few of reasons:

The Blue Steel can be bred with blacks, blues, steels, grays, and blue steels without any negative affect on those colors.

I think it will create more interest in our Steel Dutch. While working with Blue Steels, you will get steels, as well as blue steels, blues, blacks, and grays depending on what it is bred to.

It will breed true. Breeding Blue Steel to Blue Steel will give you mostly blue steels and some blues.

Several current well known breeders who don't raise steels or grays have said that if they are approved, they would raise this color.

If you are worried that all of these Steel genes will give us more stray white hairs in our Blues and blacks, don't. The Steel gene has nothing to do with stray white hairs. You will not get any more white hairs using a steel than you will a black.

I have no intentions of introducing any other colors. The Blue Steel will boost interest in the Breeding of the Dutch Rabbit.
