## President's MESSAGE

I like to thank all of those who pitched in and helped make the 2000 ARBA Convention a success. There were many of you who contributed late specials - Thank you! There were also many of you who carried and hauled rabbits to and from the table all day - Thank You! To those of you who wrote the remark cards and recorded the results - Thank You! It takes a joint effort for things to run smoothly when you have a Dutch show this large - Thanks to all!

I would like to congratulate the big winners from the Convention. Many of you may already know but the winner of the Open Class Best Dutch went on to win Best of Group 4, and made it to the final four for Best In Show. No one could remember a Gray (Brown Gray) winning BOB at the Convention, until now. Congrats to Stan Goeglein of Indiana on his dandy little Gray Jr Doe. It was very nice to see a Gray win. I was the lucky one to get BOS in the open with a Tort Jr Buck.

In the youth, the competition was very good - the open breeders actually were able to see the judging for once - and the winner was a very nice Tort Sr Doe owned by Kelli Slack, from Indiana. Best Opp in youth went to Rachel and Maddy Paul, of Ohio, with a nice Steel Sr Buck. The quality in the youth was very nice. I was especially impressed with the Grays and the Torts. Good job to all.

The reason that we (open breeders)

were able to see the youth judging was that the youth didn't start judging until Tuesday morning. That was nice for us to get the chance to see it, but it threw a screw into the rest of our schedule. Our seller's class and the General membership meeting had to be moved to Wednesday so all could attend. It worked well for the general membership meeting as we had it before our Breakfast Banquet Wednesday morning. I'm not sure if moving the seller's class hurt it or not. The prices were way down on animals in the seller's class as compared to other years - and there were some nice animals entered. It may have been that most people had filled their wish lists by Wednesday afternoon, and were not willing to spend any more?

I bought the 1st place in the youth seller's class - owned by Cody and Danny Lape - for only \$65. She is a nice black doe right at breeding age. I believe the highest price in the entire seller's class was \$100. Most sold for \$50-\$60.

The only item of business that was of major importance was the awarding of the 2002 NDS to the Hoosier Dutch RC. It will be held on April 27 & 28 at Indianapolis, In.

Speaking of the National Dutch Show - you had better have your does bred for the 2001 NDS. It is April 21 & 22, in Springfield, Illinois. Dick Gehr & Norma Hart and crew will put on a nice show, with many exhibitor friendly ideas.

Keep you and your Dutch warm this winter season.

## DISTRICT ONE REPORTS

### NEWS FROM TODD

Well another show season as come to an end here in Ohio. It ended Nov 25 with the Ohio Fall Dutch show in Wilmington. This is the second year we held the show the Saturday after Thanksgiving. It is a Dutch only show with a potluck. This year we had a record entry and breeders from as far away as Wisconsin and West /Virginia. The results of the show are listed elsewhere in this edition. You will see that BOB went to Bob Hessick with the black doe that was best Senior all colors at the ARBA convention this spring. BOS went to Kevin's tort buck that was also BOS at the ARBA convention. In closing I would like to welcome our newest Ohio Dutch club member Rachel Billups daughter of Rick and Julie. Merry Christmas to all and I will see you in the spring.

## DISTRICT TWO REPORTS

### NEWS FROM SHARON

Congratulations to Stan Goeglein and Kevin Hooper for the big wins at the A.R.B.A. Convention.

This convention seemed a little less organized than the last time we were there. Somehow by Monday morning I woke up with sinus problems. I really felt tired for the rest of the time there and didn't do much.

I did sit in the Dutch booth and help out as all the directors were asked to do so. It was really fun and the time flew by. I was told the Dutch color poster should be ready by next spring. I am looking forward to getting one. The pictures were taken at the A.R.B.A. convention last year. Some other breeds have these posters. They are great for any kind of educational displays you do.

The Seller's Class seemed to have a good amount of rabbits in, even though the auction wasn't until Wednesday. There were some good bargains gotten there. If the rabbits didn't sell as high as last year, that's OK, as we watched one other breed's auction and those rabbits were selling lower also. (I got one doe for \$10).

I hope by the time you read this, that you have lots of litters for the Spring NDS at Springfield, IL.

See you there,

# 2001 NATIONAL DUTCH SHOW

## SPRINGFIELD, ILLINOIS

April 20 - 22, 2001

Hello all Dutch Enthusiasts,

With the ARBA National Convention in Columbus, Ohio now history, it is time to turn to the next premier event for the ADRC, the National Dutch Show.

The Illinois Dutch Rabbit Club is honored to be presenting the 2001 NDS in Springfield, Illinois. The weather will be beautiful, camaraderie will be at its peak, and we all plan on having one great time...but only if YOU will show up. It takes much more than the sponsors to make an event successful, and over the years we have discovered that a whole room full of Dutch people can make any event a pleasure to attend.

The Dutch were plentiful and quality abounded at Columbus. We certainly hope all attending the NDS in 2001 will bring along a few to show that we're sure will reflect the same excellence.

### FACTS

Location of the show will be the Illinois State Fairgrounds in Springfield, Illinois. The building in which the show will be held is the Orr Building, which is comprised of 40,000 square feet of room and will be very ample to house our event.

The building is currently undergoing renovations to provide heat should the need arise, although it is not anticipated heat would be necessary during the time frame we will occupy. The building also contains windows which can be opened for fresh airflow, as well as several large ventilation fans at the top of the building.

The Illinois State Fairgrounds is easily accessible and is located just a couple miles from Interstate 55. Interstate 55 is intersected by other major interstate highways directly linked to several states.

All cooping is provided directly on the Fairgrounds and consists of cages large enough for the Dutch breed. All coops are double walled, which should help prevent any injuries by one animal to another.

With the available space and cooping provided, we will be able to handle in excess of 1,000 animals in only 1/2 of the building.

Our event will be held in conjunction with the American Checkered Giant Club national specialty show. In speaking with Glen Carr and other officers of the Illinois Checkered Giant Rabbit Club, they will have an anticipated entry of less than 250 Checkered Giants. This would require a minimal amount of space in the building. Their entire setup will be at one end of the building and will not interfere in any way with the National Dutch Show.

Entry fee will be \$4.00 per animal Open and Youth. Fur classes will be \$3.00 per animal. All entries must be postmarked on or before April 7 in order to be accepted.

Activities are planned for Friday evening for both youth and adults. Details will be available at a later date, as well as included in the show catalog. The "no ear number" entry system will be used, allowing each exhibitor the opportunity to leave home with the animals that are in the best condition, without having to make any substitutions.

The system works in such a way that when the entries are sent in, only the variety, class, and sex would be necessary. This permits the exhibitor having 4 animals that would be eligible to be shown in the same class to enter only 2 or 3 if desired, and bring the 2 or 3 best animals out of the 4 to choose from when leaving for the show.

All show reports, legs, and payback will be handed out to each exhibitor upon checkout.

Our headquarters will be the Signature Inn at 3090 Stevenson Dr. Our rate is \$59.00 plus a 10% tax, totaling \$64.90 per room. This rate is for up to 4 people per room. We currently have 58 rooms blocked which have 2 queen size beds in each room, and 2 rooms which have 1 king size bed. All rooms contain a microwave oven, refrigerator, coffee maker, and ironing board. The Signature Inn provides a free continental breakfast in the lobby. You must mention you are with the Illinois Dutch Rabbit Club block to get these rates. Phone the Signature at: (217) 529-6611. (IDRC Block becomes available November 15).

The banquet will be held at the headquarters. We are currently working with various caterers in an attempt to provide the best menu at the most reasonable cost possible. We anticipate a very good meal which we hope will provide all you care to eat, however we do not have a completed menu at this time.

The Springfield airport is only a few minutes away from the showroom and offers 3 rental car companies. It is currently serviced by American Eagle, United Express, and TWA's commuter service. It is suggested however, that if you are planning on flying in from a distance, you may wish to consider flying into St Louis, MO (approximately 100 miles) or Chicago, IL (approximately 200 miles), and renting a vehicle to drive to Springfield. This would allow many more options as for airline services, and is all Interstate driving. Both offer transfer services to Bloomington, Peoria, or Springfield. You should check with your carrier to insure acceptance of rabbits. Springfield Airport website address is:

### 2000 ARBA CONVENTION BOS YOUTH WINNER

This year at the 2000 ARBA Convention in Columbus, Ohio I received Best Oposite Breed and Best Fur. This year was my first convention. I got BOS with my steel Sr. Buck, *Joe Cool*. I bought *Joe Cool* last year from Bob Hessick. *Joe Cool* is one of my first rabbits. Since then he has won for me and produced a lot of nice offspring.

My best fur was my blue Jr. Doe out of my breeding.

I had a lot of fun and want to say congratulations to all of the other convention winners.

### DOUBLE DUTCH WIN

Megan Kline and Bob Hessick (pictured above) both won BIS with their Dutch rabbits at the Tiffin Ohio rabbit show on Sunday Sept. 24, 2000. The show was sponsored by the Sandusky Valley RBA. Bob won in Open with his black Senior Doe R448 and Megan in Youth with her Blue Senior Buck M24. How often do you think Dutch wins BIS for both Open and Youth?

## OHIO NEWS

### A Welcome Surprise.

I was proud and surprised at our recent fall Ohio Dutch Show to be named Dutchman of the Year. It is a great honor to receive this award which is voted on by other breeders in the ODC. Recent winners include Bob Hessick and Kevin Hooper. "Great Company" Also this year for the first time a Dutchman of the year award was given in Youth. Megan Kline is the deserving and first time recipient of this award. Megan is a great attribute to not only the ODC but also the NDC. Megan and her parents are working very hard to improve Dutch and are making a lot of friends along the way. I am proud to say I am fortunate enough to be included in that group of friends.

Again I would like to thank all of the ODC members for nominating me for this award it means a lot to me.

Thanks,

Todd Uran

## EASTERN DIVISION OF THE AMERICAN HARLEQUIN DUTCH CLUB

We would like to take this opportunity to keep you abreast of the happenings of the recently established Eastern Division of the American Harlequin Dutch Club.

The EDAHDC was pleased at the results of its first showing of Harle's West Virginia. The Blue Ridge Rabbit and Cavy Club welcomed the Harlequin's in the AOV portion of the show. There were a total of 15 entries and 5 breeders.

Jay Imes of Meadville, PA donated the trophies for Best of Variety and Best Opposite of Variety.

The response from other exhibitors on this new variety was wonderful. Many questions were asked, a few Harle's were purchased and we recruited a new member to the club.

The EDAHDC will also be hosting an AOV show at the Carroll County R & CBA show on November 12<sup>th</sup> and the Baltimore and Howard County R & CBA show on November 19<sup>th</sup>. The club hopes to have an even better turnout for these shows. It is the clubs objective to show the Harlequins three to four times per year in an effort to showcase the Harle's and to improve the variety.

The Harlequin Dutch Club is on a quest to re-establish this beautiful variety here in the United States. The EDAHDC holds monthly meetings to discuss the progress of the breeders involved. Hello from Louisiana. LDRC now has a new sec/treasurer - Anne-Marie Duhon. My address will be at the end of this article. I hope to do the club justice! If I can be of any assistance please do not hesitate to contact me. For those of you who do not know me, let me tell a little about myself. I am a mother of 5 children ranging from 11 to 1 years old. I am self-employed and that allows me a lot of free time to devote to my new position in this club. I have been raising and showing rabbits since 1995 and Dutch since 1998. I raise black, blue, and tort. I also have American Chinchillas, Netherland Dwarf, and Silver Marten.

Our show season started September 30, 2000 with a show in Pineville hosted by the central La Rabbits Breeders. The Dutch saw a great turnout! There were 68 entered in open and 28 entered in youth. Even with the hot summer there were some beautiful coats of fur! Congratulations go to out to BOB winner in open to Jimmy Daniels with a Jr blue doe and BOS Jimmy Daniels with a Jr black buck. Youth saw Trevor Guidry winning BOB with a Sr brown gray buck and BOS went to a new member, Charisma Tucker with a chocolate Jr doe. Congratulations to all!

Our next Dutch specialty show was October 14 and look for results in the next DR from that show. After that we have several other shows in the planning stages.

For more information on our club, contact me at 435 Bayou Teche Sub Rd. Opelousas, LA 70570 or email me at [meadowbrook99@hotmail.com](mailto:meadowbrook99@hotmail.com)

## KAREN LEONARD

### Breeder Profile

It was a terrific trip to Columbus for the "buns" & me. I have been raising Dutch for a little over 10 years, having got started in the hobby from my oldest daughter and her interest in showing rabbits. I have been a rabbit 4H leader for a number of years, only recently giving that up when all my children graduated from the program. I am married and have 3 daughters & 1 son ranging from 21 to 13. The girls got me started in this hobby, but deserted me when they discovered those "2-legged critters" of the opposite sex.

I have had the opportunity of showing in Tulsa/ Portland/ Louisville/ & Columbus ARBA conventions and having animal's place in the top 10 every convention. I raise all 6 colors and all of them are my favorite! Some of my Dutch wins at Nationals have included BOSV Steel & BOSV Brown-Gray in Portland; 1st place Tort Sr. Doe in Louisville; and BOV Black & BOSV Blue in Columbus. (Many of the breeders in Columbus think I lost my mind by having sold the black prior to the show...I told them it only took me 10 years to get there, so I'll come back with another in 10 years! LOL) I was very proud that I graduated from being called "Hey, Utah" to my given name this year! LOL

I have been very fortunate to pick up some breeding stock from such breeders as Kevin Hooper, Wayne MacKinnon, Jill Dobson, Martin Preede, Pete Nelson, Don Johnston, as well as a couple of breeders in my area. Some of the first "nice" Dutch I

bought came from Lindy Hall in Idaho. Another couple of breeders from that area that have contributed to my breeding program are Linda Loucks & Terry Welch. Someone remarked at convention that they didn't know there were any good Dutch in Utah (Idaho too). I hope I can get these breeders to come or send animals to San Diego next year as their rabbits will be very competitive.

What do I breed for? First, second, and last has to be type. I am very critical of hindquarters on my rabbits. "If they're not full, they're not kept" in my rabbitry. I also like a lot of depth to my animals. I want a Californian body in miniature on my Dutch.

I hate to admit this in a Dutch-only newsletter, but I also raise Cinnamons (raised BOS breed last year in Kentucky); Tans; and Holland Lops. But Dutch have been my first breed & first love. I truly have a love of rabbits and can appreciate the beauty and quality of an animal regardless of the breed. I have been a registrar for about 18 months now and plan on obtaining my judging license this coming year.

I'd like to thank everyone that cheered my little black doe on this year. (I hadn't named her until I sold her - so the name just had to be "Kiss Her Bye-Bye") LOL and for everyone in the Dutch club making me feel welcome.

Again, a big round of applause for all you "workers" at convention that made it run so well! Hope to see you all in San Diego.

## MISTAKE IN COLUMBUS

I would like to apologize to the Dutch Club for a mistake I made at the convention recently in Columbus. In an attempt to clean up and close down the booth on Wednesday evening I gave away some unclaimed raffle prizes. In one circumstance I gave away a prize that was won and very sought after by one of our members. Fortunately I was able to contact the Dutch member I gave the object to and she has mailed it to the appropriate person.

I would like to thank this person for forwarding this on and again apologize for the miss hap.

*Todd Uran*

### Local Dutch Clubs:

Think about bidding a future National Dutch Show. It can bring a lot of excitement in your area!! It is really not that difficult, as there are lots of people in the ADRC that can lend a hand.

## THE WEE HOURS OF THE 2000 ARB CONVENTION

By Tommy D's Rhoda & Tom Dietrich

Tom asked me to let hi know what the rabbits did to pas the time in the early morning hours (1 – 6 AM) of our 1<sup>st</sup> night at the ARBA Convention without human interference.

As the West coast rabbits would filter in we all marveled at their ability at their ability to fly all over the United States without anyone knowing where they were, had been, or going to.

The Erik Bengtson rabbits ran a comedy club and kept us laughing a good part of the night. On the hour, we watched a ten second film clip from the E & S Express Bad Line Rabbits starting with a shrill train whistle and a giant E & S Express Locomotive steaming straight at us before blacking out, "talk about nightmares".

Intellectual conversations were everywhere. Harold Campbell and Lynn Shaw's rabbits discussed if it was possible to hunt for mushrooms without getting lost.

Dr Chris Hayhow's rabbits read all of his current Domestic Rabbit articles, giving us all free dictionaries for current and future use. After hearing the articles we all thought, hey we are rabbits and we did not even know that.

Rick and Julie Billup's rabbits showed us all the new proposed Dutch publicity items ad we all jokingly said, "You got to be kidding, no one will buy that!"

The Kevin Hooper entourage paid us to recite on the half-hour "and the award goes to \_\_\_\_\_". After a short pause we said, Kevin Hooper.

We all sang "Bluer than Blue" with the Webber and Peters' pretty blue rabbits. California girls was the choice of the Schettler contingent. I especially liked the part about the Midwest girls.

Tony Micallef's chocolate Dutch proudly displayed their birth certificate, listing their birthplace as Hershey, Pennsylvania at the Chocolate Factory.

Funny thing Stan Goeglein's pretty gray doe slept through all this. "Looks like they all got a good night's rest." Only if they knew!

## DUTCH JUDGING IN COLUMBUS

by Dick Gehr

First, I would like to Thank the Dutch breeders for allowing me the opportunity to judge the breed in Columbus. Anyone that has had the chance to do the Dutch at a major show knows the feeling is filled with anticipation.

The normal group, Hooper, Billups, Uran, etc. did an absolutely outstanding job of keeping the animals up on the table, removing them after comments had been given, and generally taking charge to insure the judging went smoothly and without problem. Please forgive me if I failed to mention a name and you were helping, as concentration during judging is geared to the animals and I miss a lot of what is going on around me. They (you all) should all be commended, and it is most appreciated by this judge.

In addition, the writers also deserve a big pat on the back, as this is a Thankless job which is a must in order to get things done. I can only remember Doreen and Sue Strandwitz that were writing, and I apologize to the others. If you were there, you will know who they were. Unfortunately, my mind was focused on the rabbits and I did not pay attention to many of the incidentals, like I should have, as mentioned above.

Now to the rabbits.....

I have been judging Dutch at large shows since receiving my license in 1985. In the past 15 years I would have to say the overall quality has increased tremendously. Naturally, there were those few back then that were just as good as any today, however I am speaking of overall "class depth".

I feel the Dutch breeders have progressed in the uniformity of type, which is of the utmost consideration. From a breeder's standpoint, as well as a judge, I cannot emphasize the importance of type. We always say "If it ain't Dutch, it ain't much". In judging this breed, I always think to myself "no type, no hype". Regardless of the excellence of an animal's markings, it surely will not be

up at the top of the class with the winners if it does not possess the desired Dutch type. We all, as breeders, should know that.

There were very few animals I felt had type that did not represent the breed on a level good enough to have been entered in the convention. Naturally, there were some animals that were not what we desire as far as type goes, but those usually possessed other traits, such as markings, fur, or color, that would have warranted the animals being entered. We can't have everything, so we must accept what we have and use our best judgment as to whether they should be entered.

As usual, the Black Sr. Bucks were very good. Most of us are aware that a Black Buck never sees senior age unless it is better than average. This class is always fun, and really gets a judge's head in the game. Concentration becomes an absolute necessity, and it gets the blood pumping.

After working through that class, I had over 60 Black Jr. Does. What fun that was! I sorted my way down to 20, and thought that any one left on the table could win anywhere in the country at a local show. Finally after getting down to the top 5, I was glad to have Kevin check the ear numbers against the remark cards, as it gave me a moment to gather myself. Placing that top 5 was difficult, as there were a couple of extremely minute details that effected the outcome.

Probably the class I feel was the best that I judged, from top to bottom, was the Blue Jr Bucks. As it ended up, the class winner did not get chosen as BOB, however, going back to my expression of "class depth", this was the class that exemplified the phrase. I, personally, did not feel there was one animal in the class that had undesirable type. All animals were marked better than average, and most were in pretty good condition. I felt the Blue color was very consistent, and what I felt was a big improvement over the years was the "depth" of color. It carried well towards the skin, and wasn't simply confined to the surface.

The Chocolates, I felt, were better than I had seen in a while. Again, "depth" of color was improved, however the surface

color had an inconsistency. Most had the good rich color desired, but there were several showing more of a milky color.

The Torts, in my opinion, are just as well marked as they always have been. It seemed to me, that when Norma and I had Torts, they were the easiest to get good markings, thus the competition is always keen in this variety. However, I was rather disappointed with the percentage of Torts shown that were extremely dark and smutty over the back area. Naturally, the shadings are excellent when this occurs, however the animals need to be much "cleaner" throughout. I felt my top few animals had very good clean orange color, but overall the class lacked uniformity color-wise.

Grays and Steels are so much fun, because it always seems to me like they have the superior fur. If we consider the actual density and texture, and forget about the gloss, slick, or whatever you may call it, I feel they excel. A Gray or Steel that is finished in coat is a joy, and they also seem to have the length of fur I feel is most correct. The longer coats we find on Blacks, in many cases, that have a great finish, are sure nice to look at, and they have the flyback that really makes you look twice. However, the longer coats will give the appearance of more of a flowing return than the shorter coats, because the fur is longer, thus takes a little more time to return to the natural position. If the coat is fully finished, this gives the optical illusion of being a better coat. I guess it is kind of like taking a stack of paper and "fanning" it. If you hold the paper length wise and fan it, it appears to have a great "flow" to it. If you then hold it width wise and do the same thing, it returns quicker, due to the shorter length, but doesn't look as impressive and "flowing" in the return. Might sound way out of left field, but I know what I am trying to say...ask me sometime at a show if you don't get my drift.

All in all, judging the Dutch at any show is fun, but when you get into the kind of competition and animals experienced at a National Convention, it doesn't get any better than that! The opportunity to

*continued on next pg.*

handle so many animals that you would just love to have at home, look at those that exemplify the breed standard so closely, and know that the breeders have the confidence in you (or at least you hope they do).....is something to look forward to and enjoy.

I hope I get the chance to judge at this caliber show again in the future, and hope all enjoyed the convention in Columbus. If you had Dutch entered, you were a winner no matter where they placed.

*Dick Gehr  
Illinois*

### COMMENTS FROM ERIK BENGTON

It was my pleasure to judge the Dutch at the 2000 ARBA Convention. Their were many quality animals in all the varieties and the winners were outstanding. Thank you to all those that wrote and brought rabbits to the table. The show went very smoothly.

Judging youth on Tuesday was really great. That gave us two full days of Dutch on the tables! What more could you ask for. It was also nice to see all the open breeders watching the youth judging and vice versa.

*Erik Bengtson

### COMMENTS FROM BRUCE ORNSBY

Judging the Dutch in Columbus, was a tremendous honor. With entries just under 700, the classes were very large and very deep with good quality animals. I would have loved to judge each and every animal, as I have never seen so many good Dutch at one time. I would like to thank the committee for a very nice show, and the opportunity to judge one of my favorite breeds.

The Dutch were very well represented, and what an ending with the Dutch winning one of the Groups for Best In Show.

Congratulations to all the winners, and thank you for making this a great Convention for me.

**Words from BOS winner, Kevin Hooper**

Once again I have the honor of writing on the winning of Best Opposite Sex at the ARBA Convention. It is always fun to predict which Dutch will win while the selection of the winners occurs. This year was tough as they went through several Dutch over and over again prior to selecting the BOB and BOS.

It was nice to win with a tort. As I had written in the past Dutch Reporters, I had been having trouble in producing Torts. This buck was out of a doe that I bought from Megan Kline, one of our top youth Dutch breeders. She was out of Todd Uran's torts - which my torts go back to as well. She produced a litter of five, from which I eventually kept just this one buck. He was pretty slow to develop any maturity, but he started to look a little bucky in mid September. I had never paid much attention to him until then when I took him out to the Illinois Dutch show. The lighting in that building is quite nice and I saw how he was starting to bloom. The question was, what would he look like in six weeks? The answer was.. pretty good. The best thing about this buck is that he is still maturing and his head is continuing to grow as well. He was a great grandson of the old man.

Glen Morgan has been under the weather for some time. He had an operation on his throat and his voice box was removed. He is home and doing OK so far. Glen would sure appreciate hearing from his friends and those who know him. We traveled to lots of Dutch show over the years together.
