President's MESSAGE

Many thanks go out to the Kansas crew who hosted the Dutch at the ARBA Convention. Bob Bergene and Rick Lehman headed up the show. Everything was well organized and the banquet was great! Overall, it was a very well run convention.

Congratulations go out to Eric and Sharon Mixdorf who won the open show with a fancy little black junior buck, and to a nice little steel doe of Mike Smiths' who had the Best Opp Dutch. Winners in the open were quite varied. Congratulations to all who placed in the top ten, and to those who just made it to the show! There were quite a few new breeders there who were there to learn, and they seemed to have a good time.

The Youth honors went to Courtney Pease with a nice little black junior doe, while Best Opp was a very solid blue junior buck belonging to Katie Spellmire. The youth show was good size with quite a few very nice animals.

This is one of the only major shows (NDS and ARBA Conventions) where the demand for Dutch seemed to outweigh the supply. Tom Dietrich said the same thing I was thinking, we could have sold 20 more Dutch if we had them for sale.

We had two major items that were discussed at the Board meeting on Sunday evening. The first was the timeliness of the Dutch Reporter, with the second being the breeder listings on the ADRC web page.

We understand it is important to get the DR out on a timely basis. It is not a good situation when we receive the DR with articles talking of an upcoming event, only to have that event a week away, or even passed. We have made a few modifications to our publication schedule. The new deadlines for you to submit articles for the DR, to the DR editor, will be the February 1st, May 1st, August 1st, and November 1st. These will only be 10 days earlier than the old deadline, but it should work with our schedule.

The second item of discussion revolved around the breeders listing on our web page. Angie Aisbet reported that we had nonmembers listing their Dutch on our site. We made two changes here. You are now required to be a member of the ADRC to list your Dutch on the site, and it will cost \$5.00 per calendar year for the listing. Your advertising fee will go to help pay for the site, and will be due at the beginning of January each year. Checks should be made out to the ADRC and sent to Angie Aisbet.

One other item of business was the awarding of the 2005 National Dutch show to the Upper Midwest Dutch Rabbit Club. The show will be held in Manitowoc WI., the last weekend of April. Warren Wiltman put the plans for this show together, and it is one of the most thorough bids we have ever received!

If the show goes as well as the bid, it looks to be fantastic!

I have appointed the following to various Board positions for the 2004 year. Vice-President, Sue Strandwitz, District 1 - Greg Gilbert, VA., District 2 - Warren Wiltman, WI., and District 3 - Jill Pfaff, OR. Greg and Jill were appointed to additional terms, with Sue being moved into the Vice-President position in place of Fran Schettler, who chose not to run again. Warren was appointed to fill Sues' position. It would be great to not have to appoint members to the Board each year, but if we have no one submit a resume for the position by May 1st, then we have no choice.

One topic had much discussion at the General Membership meeting on Wednesday morning. That was the judge selection process for the ARBA Convention shows. Several years ago, the Board voted to go from having the membership vote on the Convention judges, to having a committee appointed by the President, select the judges. This was done because we were voting a couple of years before the show, and the judges we wanted were reserving six or seven years in advance. So the judges we wanted could not commit to judging our Dutch, because they had previously committed elsewhere. The committee put together a system of how to select the judges, and the judges were contacted for the next several years.

The reason this came up was because this year, for the first time in quite a while, we had two judges who do not raise Dutch judging our breed. As you know from showing Dutch, or any other breed for that matter, many breeders question what a judge is picking. Well, you may question what the judge is picking, but if it is a judge who actively raises the breed, you may grumble, but you don't question their choices like you might if they don't raise the breed. There was a petition signed by many of the Dutch breeders who were there, which went along with the discussion at the meeting, stating that the selection committee should include at least one judge who actively raises Dutch as one of our Convention judges. That is the way it is set up for the next several years, except for one. I am working to swap two judges so that we can comply with the wishes of the membership. This is the kind of General membership meeting that we need. One with good discussion that leads to ideas. Thank You!

Lastly, we are coming up on the 75th anniversary of the ADRC. Ohio has the honor of hosting the NDS in our 75th year. We have had good response in variety sponsorships so far, and for that, we thank you! Our final planning meeting is coming up in 10 days, so more details will be made available once they are finalized. We hope you are planning to attend!

Remember, this publication is only as good as the information that YOU submit. So, try to write an article or two in the next year. We have 700 members, so it only takes a few of

you to write something for each issue, and our DR will be much better!

Happy Holidays,

Kevin Hooper, President
New Vienna, Ohio

Sec/Treas MESSAGE

Dear Friends,

Finally finished all the work that came home with me from the Convention. Wichita was beautiful. The Convention was one of the best. Thanks to the Bergene family, Char, Bob and Julie for all the work they put into everything. Thanks also to their adopted son Rick. You all put in long hours and everything went very well. The banquet was well attended, the awards striking, the show set up with the booth and the Dutch all in the same area very handy. The show committee had a few extra \$\$'s after the awards were purchased, so they invested the money in a portable DVD player and raffled it off for a profit that will go to the Convention in 2004. And while we talk about 2004, we look forward to Providence, Rhode Island with the Mark Pecaric & Wayne MacKinnon show. Yes, Mark and Wayne will be heading up the 2004 Convention show and it is not too early to send them your donations to help make the show a success.

You will find a multitude of information in this issue of the DR. The show results from Wichita, Election Results, Board minutes and General Mtg minutes, and financial report to name a few.

Plan now to get to Greenville next spring. The OHIO DUTCH CLUB has some great plans for the spring National Dutch Show. See you there!

It is time for Hall of Fame nominations to be in the works. If you need a form, check your past Dutch Reporters and you will find one. If you don't find it just drop me a note, give me a call, or send me email and I will get one to you. Remember that all forms when completed

go to your District Director. Please give them enough time to get it in to me by the January deadline for 2004 consideration. I try to be very flexible with this project, but if the information doesn't come to me before it is mailed to the committee, I have to hold it until next year. Also, make sure that ALL the information is complete. A nomination with only a name cannot be considered. The committee needs something to work with.

As we approach a new year I look back and remember all my times with my Dutch Club family and thank you all for your support as life brings all of us changes that we need to deal with. All my best for 2004, and see you at the shows.

Doreen Bengtson
Lewiston, Minnesota

PS, Just read the above message again and want to clarify the adopted son Rick.. That would be Rick Lehmann, who has done so many Sellers Class auctions, and countless other things at every show he attends (not to mention BOB at 2002 Conv.) Thanks Rick. DB

NEWS FROM RICK BILLUPS

Well the 2003 ARBA Convention is now history and what a great show it was! The show room was perfect and probably the nicest I have seen in years. Hat's off to Bob, Rick and the rest of the Kansas Team for a job well done. I thought the show went smoothly and very few problems. Congratulations to all the winners in both the Open and Youth.

We also had two good meetings during the Convention. The Board meeting on Sunday night was the most productive meeting in several years and was well attended by the officers. The general meeting on Wednesday was even more impressive with great interaction between members. Make sure to review the minutes from the meeting so you can see

the motions that were passed. Plan now if you would like to run for office and help prepare the ADRC for the future!

The Ohio State Dutch Club is making plans to provide the membership with a memory or two as the host of the 2004 NDS. Remember, this is our 75th Anniversary Show and should be a dandy! Please see the insert in this issue for details on motels, catalogs and most important were to send your donations.

Sorry this note is short but I'm limited on time due to work and the deadline for this issue. I hope everyone has a safe and joyful Holiday.

NEWS FROM DAWN

Well another GREAT ARBA Convention behind us, this one was in Wichita Kansas. The facility was really nice & with well ventilation! I know because I didn't have to take an allergy pill all week. Congrats to all of the winners! Hat's off to a job well done by Bob Bergene & the whole Kansas crew. Everything seemed to run very smoothly, with great check out, we were on the road by 7:00 am promptly. Which put us home at a decent time to put the rabbits away & get ready for work on Friday. WOW what an outstanding seller's class, thanks to all of the donors & buyers. And of course thanks to Rick for his usual showmanship, it always makes it extra special!

Our directors meeting on Sunday evening went well. I do like this group of people, always a positive attitude & easy to get all in order. I believe we had some good discussions, you can read in the minutes elsewhere in this issue. Hope all of your barns are ready for the cold winter that is ahead of us, stay warm & keep those litters extra toasty.

NEWS FROM TOM

Congratulations to Eric and Sharon, Mike on their wins at the convention. I had an enjoyable time there, nothing like the ARBA convention or the national Dutch show.

On the local Michigan front high interest continues in the open and youth Dutch. The winning was spread around no one dominated and fun was had by all.

I worked the Michigan state fair rabbit exhibit for two and a half weeks in August. I had the privilege everyday to welcome the sea of humanity that delighted in rabbits. I had several baby rabbits who were vying for the Guinness book of world records as the most petted-photographed rabbits ever. I listened in amazement to all the pet rabbit stories I heard on a continuous bases from the general public. A half million people visited the fair and most spent time viewing the rabbits. Seems like I talked to all of them.

A lot of the Michigan Dutch club members helped Ed McKinley move his 100 plus cage rabbitry to his new home location, its amazing what can be accomplished when extra hands are available.

NEWS FROM JILL

Hello Fellow Dutch Fanciers,

The 80th ARBA Convention is now history and another year is nearly over. I was impressed to see an improvement in overall Steel color and would like to hear from breeders what techniques are working for them. The Youth exhibited many fine animals where I was able to purchase a nice pair of juniors from Kenny McDevitt, CA and Julie Bergene, KS for a new family in Colorado. The trio was rounded out with a beautiful Black Sr. Doe from Sue & Penn Peters. Welcome to the Dutch family to Dawn and her 7 year old daughter Mackenzie Condon.

This year I wasn't able to stay till the end of judging but a hearty congratulations to all the winners. A special thank you to my Kansas friends (Briony Barnes & her parents Keith and Sharon, Rick Lehmann and the Bergene family-Bob, Char and Julie) for helping me with hotel accommodations and transportation. The show facility was beautiful and I look forward to making the trip to Wichita again.

In my opinion these shows are more about visiting with fellow breeders, swapping stories and rabbits along with

escaping from our daily routines and seeing a bit of the country too. I was happy to see long time breeders Wayne MacKinnon and Mark Pecaric made the trip from the east coast. This Midwest convention was well represented with breeders from the extreme north and south also. I was pleased to meet breeders I had only communicated with by e-mail and phone. Rhonda Barfield of Texas and her friend Ginny Valentino, along with their sisters made the long trip. Also Sherry Patton and friend traveled from Louisiana just to see the show and purchase breeding stock to take home.

Next year will be the 75th Anniversary of our American Dutch Rabbit Club and "we've come a long way baby". I would have to say women have become a very involved part of our club as judges, leaders and make up a large portion of the active membership.

Our Dutch have changed also with more emphasis on a smother well-rounded animal. I noticed that "topline" was listed on the remark card at ARBA Convention this year. Personally I like the look of the modern Dutch but still feel we need to adjust the point distribution on the standard to reflect more emphasis on type. As a member of the current Dutch Standard Committee I would like to see this as a goal for the 2009 Standard of Perfection. I would like to invite members to contact me with their suggestions

so that in the coming years we can make changes. I realize this has been tried before but hopefully this time all parties will agree on a new point distribution. Personally I would like to see 50 points given to type alone and then adjusting the points allotted to markings accordingly.

Angie Aisbet our new publicity chairperson has been busy getting new merchandise designed to honor 75 years of Dutch shows. President Kevin Hooper and crew will be hosting this event in Greenville, Ohio on April 16-18, 2004. I sincerely hope many of you will be able to attend. I'm sure it will be a great show! I recommend preparing for cold weather as the first time I visited this site in 1996 it snowed and was quite chilly. Nearly 10 years ago this was the re-birth of showing Dutch of colors not recognized by our current six varieties and I would like to encourage breeder to bring out those typy Dutch of Any Other Variety (AOV). I continue to develop a strain of Harlequin and Gold Dutch. In the past there have been outstanding Blue-Gray and Lilac Dutch shown.

I believe it's the challenges and variety in life that keeps us all interested in moving onward.

I look forward to seeing everyone again next year and send my best wishes for good health and happiness for the holiday season.

Sincerely yours in Dutch,

Jill Pfaff

NEWS FROM BOB

Hello from the Heartland, With the Wichita ARBA convention over now, things are pretty quiet here in the Heartland. All of the Kansas local clubs have not scheduled shows this fall due to the National convention, so there is not a whole lot of show activity happening. Coming up in December, the Missouri State Convention will be held the first weekend and the Missouri Dutch Rabbit Club will be putting on a specialty show at that time.

Congratulations go out to the winners at the ARBA convention. The numbers and quality of Dutch were good and made for another great show. Else where in this issue is a recap of the convention, so I will not elaborate further.

It seems strange, when one show is over,

thoughts turn quickly to the next big show. I have been home only a week and already, I am looking in the barn, what I might have for the NDS in Greenville! Now is the time also, to be thinking of taking an ad out in the catalog for next year's NDS and also of possibly sponsoring a variety. It looks like Ohio has it set up so that you can sponsor a variety for \$50.

Have a great Holiday season and best wishes for the coming year.

Congratulations to Courtney Pease of Wisconsin and Katie Spellmire of Ohio for winning BOB and BOS at the 2003 ARBA Convention in Wichita, Kansas! They both had very nice animals. The Dutch as a Forefather **By Megan Gottschalk**

The Dutch is one of the oldest breeds of rabbits. A popular belief is that they originated in the 1800's in Holland, but they were actually developed in England. There they were bred for consistency and soon became very popular. Eventually they made their way to the U.S. and were one of the first breeds raised here. For many years, the Dutch competed in numbers with the popular Belgian Hare.

The original Dutch was gray. As the years went on, more colors were developed and recognized. Black, blue, chocolate, gray, steel, and tortoise are now the six recognized varieties of Dutch in the U.S. A lilac will sometimes appear in a litter of chocolates. This variety used to be recognized until the 1960's, when the "any other variety" was dropped. Other possible colors of Dutch include yellow, blue-gray (opal), blue-steel, and harlequin. Most breeders have had a Dutch at one time or another in their rabbit raising career. It is a hardy breed that has been consistently popular at the shows. The Dutch also has had a hand in developing many of the other breeds recognized by the A.R.B.A.

The **Tan** was first found in a tortoise litter of Dutch. The **Polish** began as an albino Dutch. -**Florida Whites** were developed with the use of **New Zealand** white blood added to a Dutch and Polish cross.-The **Netherland Dwarf** was born by crossing Polish with smaller, wild rabbits.-The **Jersey Woolly** by crossing French Angoras with Netherland Dwarfs -A Netherland Dwarf x French Lop baby was bred to an English Lop and more dwarf genes were later added to produce the Holland Lop.-The **American Fuzzy Lop** came from Holland Lops with Angora wool.-The **Mini Rex** is a result of Netherland Dwarf and standard Rex crossbreedings. The broken Mini Rex came from breeding with a Florida White. **Havana's** were found in litters of Dutch in Holland. The Havana helped to create other breeds such as... -The Lilac was developed with the help from a chocolate Havana.-The American Sable also came from the Havana. It is a chinchilla sport that was crossed with a chocolate Havana to create its rich, sepia color. -**Satins** were first found in Havana litters. Their shiny coats were banned from showing because of the unfair advantage. -From the Satin came the **Satin Angora**. This breed was created by crossing fawn French Angoras and copper Satins.

The Dutch a great breed to raise and its markings provide a wonderful challenge. As you can see, without the Dutch, there would only be 32 breeds in the A.R.B.A. Standard of Perfection.

WICHITA ARBA CONVENTION RECAP

Another ARBA convention has come and gone. Hopefully all that attended had a good time. We extend congratulations to everyone who won...your rabbits beat some very stiff competition. Rick Lehmann and Bob Bergene were the Breed Chairmen (and superintendents, table ram rods, questions answerers and tour guides) for this year's convention. You could say that our heads are still spinning almost a week after the "Big Show" is over. Anyone who has been a Breed Chairmen at a convention knows of what we speak!

At the Dutch breakfast, it looks like the awards were well received. We wanted the awards to very special, so that all the winners would remember this Kansas ARBA convention for years to come. For those who could not attend, the awards were large silver cups for BOB and BOS and aluminum trays for BOV and BOSV. These awards were costly and at one time we were a thousand dollars short of paying for them. But because of the generosity of so many ADRC members, we paid for them and had enough to give cash awards to 1st place winners. And in addition to that, had enough money to buy a portable DVD player to raffle off in the Dutch booth. The raffle was very successful and the proceeds will go to the 2004 convention in Rhode Island. This will be a good start for Chairmen Wayne McKinnon and Mark Pecaric to make Rhode Islands ARBA convention awards even better than this years.

The seller's class at this year's convention was very well received. There were many nice animals consigned, with quite a few does in the consignment. It seems like this year we had more buyers than sellers! This is great and the prices reflected it.

On the last day during check out, one rabbit was left behind,— Co-Chairman Mark Pecaric in his haste to get back home and start his preparation for next year's convention, forgot to take a Black junior doe that he had purchased. The seller will keep it for you till next spring, Mark. Also, Karen Leonard forgot to take her Blue Senior Buck, ASN1 when she left. A check of the pens revealed it was not there, so if anyone knows of the whereabouts of Karen Leonard's Blue buck, ASN1; please get in touch with her.

In summary, we would like to thank all of the ADRC members that helped take comments, work in the booth, carry rabbits and just be helpful throughout the week. This cooperation certainly made it a fun event for both of your breed chairmen. This cooperation is why, — "YOU CAN'T BEAT THE DUTCH"

**RICK LEHMANN
BOB BERGENE
CO-CHAIRMEN**

Through the Years by Tom Dietrich

As having shown Dutch the last twenty five plus years locally and nationally I have numerous experiences that stand out and seem like yesterday. I will share some of these with you. Jack Wireman recently turned 80 years old and seeing his birthday announcement reminded me of the first time I met Jack. It was in the late 1970s at a national show. I was showing a hot shot blue buck and figured to win. Jack mentioned that down the road I would remember all the people, friendships etc, I would make through the rabbits and the blue buck would be forgotten. Being a young whipper-snapper I was thinking what does an old guy like Jack know. (Jack was old even then) I thought I would always remember the blue buck. Through the years Jack had always talked greatly about a chocolate buck I had sold him. Funny thing, now I do not remember the chocolate buck and that hot shot blue buck could have been a blue doe or maybe a black buck. Happy Birthday Jack

Another memory that seems like yesterday was the first time that I met the Bengtson's. I was breed chairman at the 1978 ARBA convention in Saginaw Michigan. Really not knowing what a breed chairman does I was informed by the host club I

was supposed to feed and water the rabbits and plan a banquet. The national Dutch club would do everything else. Seemed real easy as I enjoyed feeding rabbits and we would have the banquet in Frankenmuth a world famous tourist town. I can remember the Bengtson's filing into the Dutch club area. They were eating a carry out chicken dinner; I had a chicken dinner with them. The conversation turned to how the show was going, I mentioned the rabbits were fed and watered and the banquet was at such a time and place. They could see I was wet behind the ears and was sold a bill of goods on what a breed chairman should be doing. They quietly helped organize what would be needed to make the show run smoothly. During the week I did feed and water the rabbits even though most people wanted to feed their own. Our banquet in Frankenmuth was awesome. Also later I did write an article on what a breed chairman should be doing at a national show.

I appreciated the helpfulness and understanding given by the Bengtson's. Little did I know that in the future the little guy with the first name that started with an E and held a baby polish rabbit during the week would be such a breathe of fresh air when I saw he would be judging my Dutch.

2004 National Dutch Show
April 16-18, 2004 Greenville, Ohio

The Ohio State Dutch Rabbit Club is honored to be hosting the 2004 National Dutch Show, the year in which we celebrate the 75th anniversary of the American Dutch Rabbit Club!

We will be holding the show at the same locations that the 1996 and 1997 National Dutch shows were held. The building is very large with plenty of natural light. We are planning to have enough coops for 1400 Dutch. If we have more coops than we have entries, then those will be used as sale coops.

We are making a few changes in the schedule so that we may be able to have an easier schedule on Saturday. The showroom will be open to accept rabbits at 9:00 on Friday morning (Thursday night for those that come and help with setup.)

The **Friday night** activities will include the judging of the Fur class. This will open things up a bit at the end the day on Saturday. We will list the exact starting time so that everyone knows whether they should enter or not, based on their time of arrival.

Friday night activities will include the **Ladies Choice Class, AOV** and this year a **Judging Class**, open to all. We will be using a "**No Ear Number**" entry system. Just send in your entry listing two Black Jr Bucks. Select your best two before you leave home, and give us the ear numbers when you arrive. This means no need to substitute!

SELLER'S CLASS - The Seller's Class entries will be accepted only until 10:00 AM on Saturday. Please review the Seller's Class rules and note the limit of two Dutch entered per exhibitor. Plan to enter your seller's class entry upon arrival at the show!

BANQUET - The Banquet will be held in the large area adjacent to the showroom.

When you send your donation, simply list what you want the money used for, or ask it to go where needed. It will then be used to pay for whatever award is needed.

Open Class Winners 2003 ARBA Convention

2003 ARBA CONVENTION BOB OPEN WINNERS

Ever since we returned home from the National Dutch Show in Pennsylvania this spring, our main focus was to immediately start preparing for Wichita. The chant "Breed, breed, breed" was a weekly, if not daily ritual. Anyone that looked like a doe and smelled like a doe and was old enough, was bred.

Little did we expect such a high conception rate, and soon bunnies were abundant. But there was one particular litter that we really had hopes on after we peeked at them. We said "Our next black herd buck is in this litter." Little did we know then that there would be 4 herd buck prospects in the litter as they started to jump out of the nest box.

Look at the head on that guy... boy is this guy smooth... and wow is this guy marked, were common phrases used for this litter.

One of those bucks named Hawkeye's Senator was the late bloomer. Having

never been out of the rabbitry to a show, we thought what the heck we'll enter him along with his 2 brothers and a cousin and take our chances.

We have had the privilege of competing at many National Dutch Shows and ARBA conventions over the years and every year it was the same. We would get our usual 11th place (just out of the top 10) or our usual 6th place (just out of the points). "Just once we would like to own one of the awards displayed in the Dutch booth" was a thought that passed through our heads.

When the judge took a look at Senator and said Wow and put him back in the holding coop it gave us a hint of hope. After shuffling through the class of 60 Jr. blk bucks, Senator came out on top... not 11th, not 6th. We finally got our 1st place. Our ultimate goal.

As judging completed on Tuesday and the Best of Varieties were preparing to be picked, it was time for one last quick grooming. Senator had eaten well the night before and somehow our late

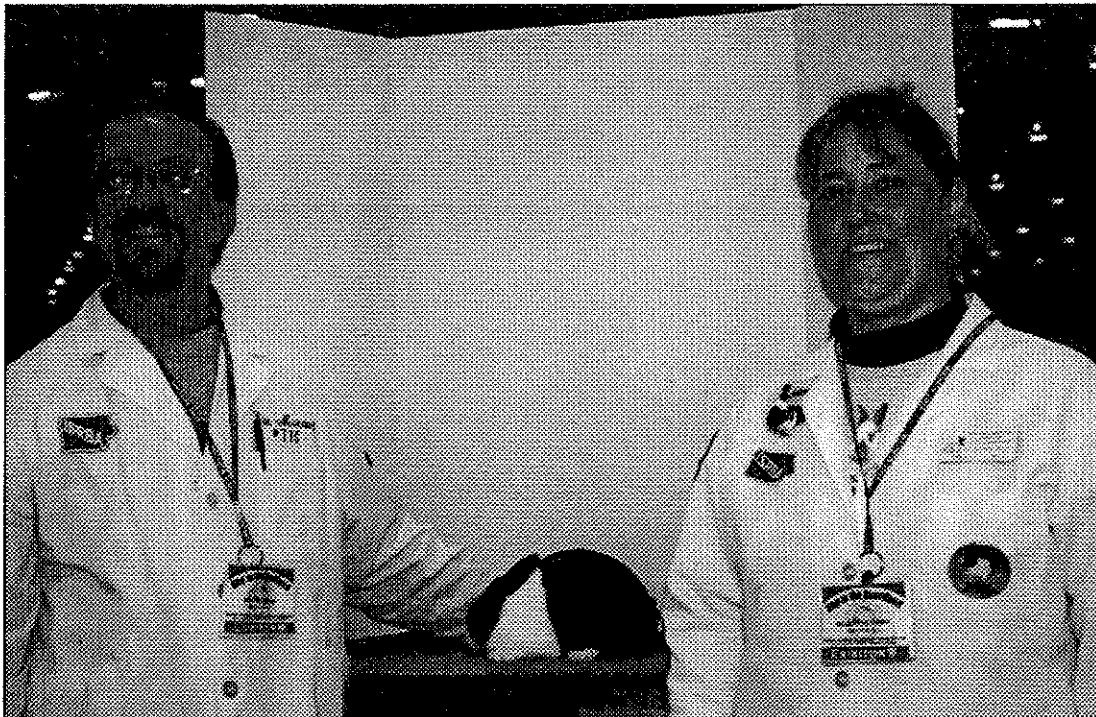

bloomer looked even better than the day before.

When Senator was named Best Black we were happy... o.k. elated. Finally we would get to take home one of those beautiful awards displayed in the Dutch booth. We did it. But Senator wasn't done yet. This would be His convention, His day and His moment to shine.

After the announcement was made that Best of Breed was the black Jr buck a sudden numbness came over us. Our late bloomer had pulled out our biggest win. All the handshakes, hugs and congratulations made it a moment we will never forget. The Dutch people are like our second family and you couldn't ask for a better bunch of people to be associated with. Our sincere thanks to everyone.

Well, there's a few hours left in the day, its back to the drawing board and breed, breed, breed.

Respectfully submitted,
Doreen Bengtson,
Secretary
