## *A Quilt From 750 Ribbons*

In 1945 the C. Jay Millers of Kalona entered the rabbit business, and it, of course, grew by leaps and hops. They entered rabbits in a show for the first time in 1949, and walked away with three blue ribbons. Since then, they have won nearly 2,000 ribbons. They are shown here with a quilt Mrs. Miller made with 750 of the ribbons.

The July issue of the Dutch Reporter told of the activity of C.J. Miller of Kalona, Iowa. Since then, this picture (newspaper clipping) was sent to me by Bonnie Rush, of St. Ansgar, Iowa....(thank you, Bonnie)

How about it folks? What's going on in your area? Too bad C.Jay wasn't holding a Dutch, but he's raising them and providing many of our raisers with an outlet for the surplus.

WASTE NOT, WANT NOT

Noah's sons were fishing off the Ark when Noah came up behind them. After  
silently watching for a few moments, he said: "Take it easy, boys. You know  
have only two worms."

CHILD PSYCHOLOGY

A little boy who was being very mischievous one day was asked by his mother: "How  
do you expect to get into heav en?" After a thoughtful pause, he replied: "Well,  
I'll just keep running in and keep slamming the door until they say, 'for  
goodness sake, come in or stay out!'" Then I'll go in."

Zanesville, Ohio, boasts the only Y-shaped bridge in the middle west-or maybe in  
the nation. It spans the Muskingum river and it is always a source of wonder to  
the many tourists who crossed it. One day a native of Zanesvill, was walking  
down the street and a friend noticed that he had a black eye. "Where did you get  
shiner?" asked the friend. "Well was the reply," " a tourist asked me how to get to  
Columbus. I told him to drive to the middle of the bridge and turn right....and  
for that he punched me!"
