President's MESSAGE

This year's ARBA Convention had many happenings, some good, some not so good. The not so good revolves around two of our prominent Dutch members. The week before the Convention, Dick Gehr had a heart attack and had to have major surgery. He missed the Convention. At last report, Dick was at home and doing much better. Then on Tuesday night, I received a phone call at the hotel informing me that Doreen Bengtson had been admitted to the hospital with chest pains. Although she did miss Wednesday of the convention, she was there walking around on Thursday. It was not her heart. You'll be glad to hear that she is doing fine now.

There was also a show at the Convention and it was a good one. Over 600 Dutch went across the open table and over 200 were in the youth. Congratulations to Evenburg and Stearns in the open and Julie Toth in the youth for their Best Dutch awards. Julie also had BOS Dutch in the youth while I had that honor in the open show. The quality looked very good in both the open and the youth.

I was disappointed with a few animals that showed up in the seller's class. A few of these should have never been kept longer than a few weeks, let alone be sold in the seller's class for breeding stock. There were some nice ones in the class, but the few bad ones tarnished the class.

There was much activity in the Board meeting and the General Membership meeting. We are looking to expand on the Sweepstakes contests that we offer. We are planning on the addition of a Rabbit of the Year, and a Breeder of the Year, both based on BOB and BOS winnings, as well as a Variety Sweepstakes contest, and a Quality Points contest. The Quality Points contest would only count the top four point earners show by an exhibitor at each show. We will begin these as soon as we have our Sweepstakes program. The Board approved the purchase of a sweepstakes program and we talked to Evan's Software

who makes the program. He is working to modify the program to meet our needs. These will only be implemented when and if the program has the capabilities. We cannot ask our Sweepstakes person to do more than he is currently.

This leads to another issue. All of the changes to the Constitution and By-Laws passed except for one. That was the amendment that would have allowed the Board to set the fee that we pay the Sweepstakes Chairmen and to allow us to list more than the top twenty in the sweepstakes standings. All of the changes required a two-thirds majority of the votes cast to pass. This amendment fell one vote short. The intent of this amendment was to allow us to pay the Sweepstakes person more as his/her work load increased. Currently, the Sweepstakes person gets paid \$1.00 for each show report that is processed, open and youth. The board voted several years ago ('92?) to pay the chairman for both open and youth. When we began to update the C&B we discovered that this wasn't provided for. It was decided that since we increased the workload on the Sweepstakes person, we would continue to pay him for the youth. The chairman currently processes about 1400 show reports per year. I have yet to figure out why there was opposition to this amendment.

We will begin listing the topics for the next four Dutch Reporter issues in each issue. This is to give you, the members, the chance to see the topic far enough in advance that you can write an article.

The Board has taken an aggressive approach to expanding what is available for the membership. What other ideas might you have? Please communicate them to one of the Board of Directors.

Vice-President's MESSAGE

Hello Everyone,

This will be my last message. It has been a pleasure working with the board these last few years. We now have in place a group of enthusiastic young, hard working directors that will take our club to great new things in the upcoming years. No need to elaborate further in this column as many of the new ideas will be listed elsewhere in this issue.

It is with great pleasure that I turn over my office to my friend from Wisconsin, Roger Guetschow. He will give this club the stability for the board meeting, and will have ability to fill in when needed.

I would like to again congratulate all the winners from the Madison, Wisconsin open and youth show. The hard work they put in to raise those fine Dutch was apparent, and the wins much deserved.

Special congratulation goes to Briony Barnes our new director from Kansas and the new ARBA rabbit Queen. That is a great honor and an award that takes a lot of studying, work and excellence. Congratulation Briony and I am glad you raise Dutch.

The Kansas Dutch has some fine people putting on the Spring National Dutch Show. Make your plans now to attend this Spring and support them. That was an excellent presentation that Alan Kennedy put on for the board. That is one young man that was on the ball, and it did not escape the attention of the board members present.

Here in the Northeast it has been a very good year for Dutch. Gene Kaminski of Attleboro, MA., took BOB Dutch at the midnight madness show in Topsfield with over 100 Dutch shown. Another new Dutch breeder Jack Texeria of Taunton, MA. has been sweeping the chocolate and Tortoise classes at the

large Northeastern Shows taking three best opposite sex along the way.

Last but not least, do not forget the Hall of Fame. The applications must be in by 1/10/98. There are some very deserving folks out there and lets get those applications in for them. I will be contacting all committee members shortly. There may be openings on this committee for 1998. If you are interested please contact me.

The very best to all of you for the upcoming Holidays, and a happy and joyous 1998.

Julia,

Just a few lines to let people know and stop all guessing. Johnny Baker's son, John sent me a letter which I received today. Johnny is suffering from advanced stage of Alzheimer's disease. He can not keep in touch with people any more or raise his Dutch. His son asked me to let his friends know his situation.

I was very sorry to hear this as Johnny & I go back a long way.

Sec/Treas. MESSAGE

Joyous Holiday wishes to all you Dutch fanciers. I hope that 1998 brings more good things your way and nest boxes overflowing with winners. It was good to see everyone in Madison, even though I got waylaid for a day and missed the banquet. I am grateful and humbled by the concern and good wishes from everyone. I think the stress in my life and work caught up with me. But, I was ejected from the hospital when they found out I was just there to get a rest. But seriously, it was an experience I could have lived without. And they sent me on my way so they could give to bed to someone who really needed it. But thanks again to everyone.

As we look to 1998 we must remember the dues increase. Make sure that you ad the extra amount when renewing or soliciting new ADRC members.

If you want new membership applications, I would be happy to send you some if you would send me a self addressed stamped (32 cent) envelope. I can probably send you about 8 or 9 for one 32 cent stamp.

As you can see from the minutes, many exciting things are happening in the ADRC and some of us have some work to do. Please check your next DR from more information. And isn't it great, we can now have a Dutch Reporter that goes out

DISTRICT ONE REPORTS

NEWS FROM TODD

I do not show a lot in the summer. I have had the opportunity to judge a few 4-H shows. This is always a treat to work with the showmanship classes and question the kids on rabbits. I am always especially excited when a 4-H member comes to the table with a Dutch. Fortunately I have seen quite a few Dutch at the fairs this summer.

We had only one hot spell and those I talked to have not had any losses. I was fortunate this past summer, when it came to litters. This past weekend I had two litters of nine blacks. If nothing else, my odds are a little better that one of them will be a winner.

Todd Uran
Columbus, Ohio

NEWS FROM MARTY

I just returned from Madison, driving 17 hours with Mark Pecaric. Unlike the rainy trip to get to the show the weather was clear and dry.

Hats off to the winners, Dick and Kay with their gorgeous BOB black jr. doe and to Kevin for his BOS blue jr. buck. Scott and Al did a great job picking these two winners.

A big vote of thanks have to go to the two breed Co-Superintendents, Sue Strandwitz and Roger Guetschow. They did a tremendous job making sure the Dutch were checked in and out efficiently and expeditiously as well as handle the breakfast banquet that had over 90 people attending.

The shows back east are in full swing with new breeders showing Dutch. The New England Dutch was able to have a fall show thanks mainly to the efforts of Cookie Gittleman who secured the show location and judge. In December I will be attending a show in Pennsylvania. I will be meeting with the Eastern Dutch people and hope to revive this club that has fallen into the doldrums recently.

Winter is fast approaching. Get your does bred now so that you will have juniors for the spring shows.

Make your reservations now for the Kansas NDS. The hotels are filling up fast for other events in town.

I am on the Dutch Standards committee so please don't hesitate to relay your comments to me. You can use E-mail, snail mail, or call me.

A statement I heard at the Judges Conference in Madison:

TYPE MAKES THE BREED—COLOR MAKES THE VARIETY.

Have a great winter,

DISTRICT TWO REPORTS

NEWS FROM RICK

What a Convention! Congratulations to Evenburg and Stearns on winning Best of Breed with a nice black junior doe and Kevin Hooper winning BOS with a junior blue buck. The results of the convention should be found in this issue so I won't go into any details.

I have received information about our newest Dutch Specialty Club, the Louisiana Dutch Rabbit Club with Judy Duthu serving as the Sec/Treas. If we have any members interested in joining this new club, or showing at their Feb. specialty please call Judy at (504)594-9551. There is also talk of establishing a regional Dutch club in the southern portion of the USA. This club would include the states of TN, GA, FL, NC, SC, AL, and MS. That is if we have enough interested members. Please call Ray Brewer or myself with any questions or suggestions on reviving the All Southern Dutch Rabbit Club. This new club could offer sanctions, sweepstakes and specialty shows on a yearly basis.

Several things were accomplished during our board meeting in Madison so please read the minutes to keep informed about your club. The Kansas club is putting together a nice nationals for the Spring so please support them and their show. Remember to mail in your request for a catalog or simply place an ad and receive the catalog free.

I hope to see everyone in Hutchinson the weekend of April 24.

Happy Holidays and a safe New Year.

Rick Billups
Goodlettsville, TN

NEWS FROM SHARON

Congratulations to the winners at the A.R.B.A. Convention. I hope everyone made it home safely.

When we arrived home from Madison, I immediately bred all the does that had been with us, that were old enough to breed. Otherwise they would be unwilling to breed in this kind of weather.

We have gotten our rabbit building (the garage) ready for winter by putting the glass back into the window, closing the large overhead door and all the windows. I have replaced all the large glass water bowls with ceramic and plastic bowls, so they will not break.

I hope all the Dutch breeders are feeling better. Like Dick Gehr, Doreen, and hopefully my back will be better by the time you read this.

The convention could have been a lot more fun, but I did learn a lot while writing.

We are considering worming our whole herd. I had never seen worms on a rabbit before. We have never worried any of them.

The last I heard a Dutch rabbit was missing. I hope it was found. This is getting to be quite a problem at these conventions.

PUBLICITY REPORT

A big thanks to those who worked the publicity booth during the 1997 ARBA Convention. For those who were unable to attend, we rented two booth spaces this year. The additional space allowed for a coat rack and extra chairs to be kept in the booth for our member's use. This year was also the first for the "Membership Information Board"; a combination dry erase/bulletin board on a tripod stands in the front of the booth. This board allowed for members to post messages and events for all to see. We will have the "MIB" at all Conventions that we are able to drive to. The 1998 ARBA Convention will provide a challenge for Julie and I. This will be the first one that we will fly to since taking over the Publicity Department. Due to the high cost of booth space in Portland, we will be limited to one 10 x 10 space.

Our inventory is down dramatically due to our supplier discontinuing their work with all rabbit specialty clubs. The vendor was kind enough to inform us as we were placing our convention order. We currently are working with a new vendor and should be shipping out orders by the middle of December. I apologize for this problem, but we are working to correct ASAP.

The Publicity Department is sponsoring a new ADRC Patch/Logo contest. Please look in future DR's for details.

A MISSING DUTCH RABBIT

The ARBA Convention was a memorable one for me. Kelli won a class in both Dutch and Californians. My rabbit "Stealer" was Best of Variety in the open. My friend Bob Worden trusted me to take his finest rabbits to the convention. The bad moment happened when someone decided to take B75 out of his cage and not return him. B75 was Bob's Sr. Black Buck. I watered him Tuesday morning about 10 AM. At 1 PM two Dutch breeders asked to see him, but he was gone! I did speak with all show officials, checked the sick room and prayed he had just escaped. He was never found. I really felt as though I let my friend, Bob, down.

I hope in sharing this story, that you find a way to let people know how much it hurt to have a rabbit "disappear", especially one entrusted to your care. I would ask that if any Dutch breeder remembers anything about cage 17 that morning, to please let me or Bob know. It looks like I will be using locks from now on. What a bummer.

MEET YOUR NEW DISTRICT ONE DIRECTOR

My name is Todd Uran and I am a District One Director. I filled the vacant spot left by Kevin Hooper when he moved into the Presidency. I live in Columbus, Ohio and I grew up in Bryan, Ohio. I am currently working as supervisor of the Payment Systems department for CheckFree corporation. CheckFree is the nations leading provider of electronic commerce and home banking. I started with CheckFree three years ago, shortly after I received my Degree in Business Administration from Franklin University.

I have been involved with rabbits myself since I was eight. I am currently 29. My older siblings raised and showed Dutch prior to my birth. In fact, my older brother Mike won Best Blue at the 1968 NDS in Fort Wayne, IN. Rabbits have always been and continue to be a family affair. My first Dutch was a Chocolate doe from a pet store in Adrian, Michigan. I still have rabbits that go back to this original rabbit. A year or so later, I purchased a chocolate buck from Carl Ehnis and I was in the rabbit business. At the age of 12, I purchased a trio of Tort Dutch and this instantly became my favorite color and remains so today. Once again, my tort line dates back to this original trio of torts.

l to r: Todd Uran, Ray Brewer & Martin Preede

I could not write about my rabbit experience without including my parent's, Charles and Joanne. If you have met me, then you have met my parents. We travel together to all of the shows. My mother actually takes care of all of the daily chores and has for years. The majority of my rabbits are at my parent's house, which is a three hour drive from my home. My father did all of the driving to shows for years and still does a lot of it. He has also built the majority of my cages and carrying cages. He helps my mother with the daily chores also. If it were not for my parents, I would not be able to have the rabbits as I do. On a side note, the Ohio State Dutch club named my parents Dutchman of the Year this year, for all the hard work they put into the club.

I would like to take this opportunity to offer any assistance I can to any of the members of the Dutch club. Give me a call, or drop me a letter with any questions or concerns and I will do my best to answer or assist you. I can not say how much I enjoy my time together with its members and talk rabbits.

I want to commend Eric Mixdorf for the work that the Standards Committee has done so far. They seem to be looking at all of the factors when considering a revision.

A couple of people who were looking to take their registrar's test this spring came to me for a lesson on Dutch. I gave them a thorough lesson, mentioning that the main emphasis is to be on type. Both of these breeders, who did not raise Dutch, said "That's not how the Standard reads." They were right! We have 17 points on the body type, 25 if you add in the head, ears, and the eyes.

Two prominent breeders at the Convention were talking to me about the point's distribution of markings when I brought up this. Both told me to push for my idea. We know how they should be judged. We raise them with the emphasis on the type first, then markings/color and fur. Yet our Standard reads Markings first, then type. No matter what we would do with our standard, we will produce with emphasis on type first, then markings/color and fur. What if we changed our point distribution to show more balance between type and markings. This would not alter how we raise Dutch, or what a good Dutch is. It would NOT alter how the top Dutch judges — judge the Dutch. It would however, maybe help some of the not so good Dutch judges in their judging of the Dutch. It would help us in eliminating weak lower hindquarters, and it would more closely match how we select a good Dutch (Not to mention that it would start a new breeder off in the right direction).

The idea; reconfigure the point's system as follows.

(Notice the markings maintain their importance to each other except for the neck)

Markings

Cheeks	10	(-2)
Blaze	5	(-0)
Neck	3	(-2)
Saddle	8	(-2)
Undercut	6	(-2)
Stops	8	(-2)
Markings	40	(-10)

Body	25	(+8)
head	5	
ears	2	
feet & legs	2	(+2)
eyes	1	
General type	35	(+10)

Color	10
Fur	10
Condition	5
Total	100

This is an idea. What do you think?

ADRC Youth Representative

I am the newly appointed youth representative to the Board. Youth are of growing importance to the Dutch breed and we are beginning to see this more on the national level. My congratulations to Briony Barnes of Kansas as she will be serving as a district 3 director on the ADRC board. Briony, who was crowned as the NDS 1997 Queen, also is the new ARBA Queen. Great job Briony! All other youth Dutch members that won awards at ARBA convention please let me know so I can report them. I was very pleased to meet many of the youth members at Madison and I hope that many of you will be sending me items that you would like to see dealt with. Please read the minutes of the meetings held in Madison. I am interested in the youth reaction to the Standards Committee report. If anyone has comments, good or bad, send them to me. I can be emailed at kennedy@keycreations.com or snail mailed at RR 1 Box 26, Atlanta, KS 67008-9714 or called at 316-394-2467. I encourage all youth members that have an interest in this club to get involved any way they can. I would like to thank the Board for appointing me to this position and I hope that I can serve the organization in a beneficial manner.

A BIG WIN IN INDIANA

"DART" a black Dutch doe, won BIS just one day short of her four month birthday! DART'S sire is an E & S buck named "Black Bart" and her dam is Worden/Bergene breeding. There were 30 Dutch and 503 rabbits in the youth show on Sept. 27, 1997 at Logansport, IN. Joel Marshall was the judge. It was exciting!

DART is owned by Kelli Slack of North Manchester, Indiana.

As the King at NDS 1997, I would like to introduce myself to you. I am from Atlanta, Kansas and go to a school with less than 30 persons in my grade level. I live 30 minutes from school and sometimes have to ride the bus there. My family consists of my parents, Kirk & Nancy, a brother, Jeremy, and my sister Katrina. I am the current Vice Present of the Kansas Dutch Rabbit Club and was on the committee that prepared the bid for NDS 98. I am a co-superintendent for the show as well. I currently only raise Dutch, but have also raised American Sables and Himalayans. At this time I have Black & Chocolate Dutch and won my first show recently with a Chocolate. I would also like to thank a few people. First Jack & Charlott Colborn for letting me go with them to Ohio, Linda Gottschalk & the Michigan Dutch RC for putting me on the Youth Contests, also my parents for helping me with my application. I would like to encourage all youth members attending any NDS to compete for these awards.

A FLORIDA WIN

We attended a well-organized show in Cocoa, Florida on Sept 20, 1997. We were happy to feel the comfort and friendship with many folks who shared the same interests — the Rabbit. And the good people that watch over their rabbits 24 hours per day and every day of the year.

We show Californians and Dutch. Our Dutch received Best in Show that day, and our Cal was runner up. Don Oser, of Florida, picked the Cal BOB and Ray Brewer of South Carolina judged the Dutch. Kitty Lynch, North Carolina judged BIS.

Best wishes to all the Dutch people I have met, and to those I have not met.

And we worked on the National Dutch Show for April.

LDRC (Louisiana Dutch Rabbit Club)

There is a new Dutch club, that has been formed by some die-hard Dutch breeders in Louisiana. They have been busy promoting upcoming shows. Their first show was held on Nov. 15, 1997. They had a get together with a pot luck awards dinner. An upcoming Dutch specialty show will be held in conjunction with the Louisiana Rabbit Breeders State Show scheduled for Feb. 14, 1998. The LDRC plans to go all out for awards. They will not only award BOB and BOS trophies in open and youth, but will also award ribbons and medallions for BOV and BOSV in all the colors, both open and youth. They plan to do this for all of their Dutch shows, hoping to entice more folks to raise and show Dutch.

The LDRC has also instituted a sweepstakes system. They have lots of experience and dedication behind their club, and the goal is to eventually host the National Dutch Show in Louisiana. If you have never partied in New Orleans, then you have never partied!

BIG WINS IN CALIFORNIA

Long time Dutch breeder (since 1975) Jill Dobson took three Best in Shows this past summer. Her blue doe "Jill's Wild Gwenivere" went BIS at the Del mar Fair in July. A hot little black doe "Jill's Wild Tori", took BIS at Cardiff in August and BIS at Watsonville.

After visiting all of her Dutch friends in Madison, she returned home to prepare for a move to Oregon. Check out her DR ad, for her new address.

Congratulations Jill on these impressive Dutch wins!

THE PET CONNECTION

Well, I am not exactly a youth, nor am I a breeder, but one of my best friends is a Dutch rabbit named Snuggles. I adopted her from a person whose group counseling center was being moved to another location, and Snuggles, the center's pet, was not allowed in the new location. I was a single apartment dweller, no roommate, and though I liked being my own keeper, I was lonely. I love animals of any kind and I wanted one that was small enough to enjoy an apartment and cuddly enough to withstand lots of love! So, on a crisp November day, I brought my new "roommate" home for the first time.

I have never had rabbits before and did not know what to expect. Though Snuggles was potty trained (and that helped), I was not used to her rabbit ways. Many of her mannerisms, thumping and incessant chewing puzzled me to annoyance. Plus she was not cuddly AT ALL. She ran from me whenever I wanted to pick her up, fought being held and scratched the heck out of my arms and legs. I was almost ready to give up and give her back to her previous owner. However, my parents started sending me all kinds of literature on rabbits and rabbit behavior and how to make your pet a companion rabbit. I used trust-building exercises, acceptance of her eccentricities and lots of patience. I read and practiced everything I learned on Snuggles and after about four months, I was most definitely her "mama."

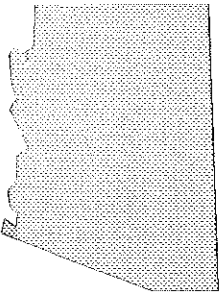

To make a long story short, this bunny follows me around the apartment wherever I go, recognizes her name with a cock of her ear, and recognizes the sound of my key in the door lock, always waiting expectantly in the top tier of her cage for me to love and feed her. Her only preferred way of being held is to be cradled, sometimes going into a "bunny trance" — head tipped back, mouth open, eyes' half-shut, paws limp. Many times she allows herself to be carried around like a sack of potatoes, or up by my shoulder, her head on my shoulder and her little feet dangling loosely. Whenever I return home I can always count on my little rabbit to be a wonderfully consistent buddy, always ready with lots of licks on my face, nose and eyelids, hopping about the house. At work, "Snugs" is a regular topic of conversation, "baby pictures" constantly being taken and shown to anyone who wants to look.

Such a little angel!! It still makes me laugh at how I almost gave her up. I would have missed out on so much. I would definitely say that I am a "Dutch fancier" and an avid watcher of what is going on in the rabbit world. I am thankful for each day the Snuggles is my pet!

You Can't Beat the Dutch!!!!

NEW ARIZONA DUTCH CLUB

There is a new Dutch club "The Dutch Rabbit Club of Arizona".

Pres.: Wenton Carlton, **Vice Pres.:** Amy Kroush, **Sec/Treas:** Sharon Mutal

All of the officers are members of the ARBA & ADRC. I have had Dutch for about a year, but was not having any luck with them. I also have 100 Holland Lops. I decided to upgrade my stock, and bought a trio from Jill Dobson, at the Madison convention, she is a nice gal. Really into promoting the Dutch rabbit. Dick Mattingly and family have also had Dutch for about a year, and bought better stock at Madison. Sharon Mutal bought her Dutch from Jill last July. All of us have been Holland breeders for years. Roger Eich has also moved to Arizona and is showing his animals. We are ready to show and very excited about our new breed. If all goes well with the ARBA, we will have our first specialty show on Jan 10 in Phoenix.

1997 ARBA CONVENTION OPEN BOB WINNER

Hello Dutch Friends!

First of all, we would like to thank the Wisconsin folks and our hard working Dutch members for making the show in Madison one of the best conventions ever. Along with excellent lighting and good air circulation, they even provided some snow for our warm weather friends.

It was an honor to have our little black doe selected as the BOB Dutch. A special Thank You goes out to both Al and Scott! We decided to get back into raising Dutch in 1995. The Convention is the best place to purchase stock so we did just that in Kentucky. The animals we came home with are the majority of our foundation stock.....so many of you are to be thanked for our success. No special treatments go into our rabbits. A quality feed (Nutritional Research), lots of fresh air, water and continuous care are the secret to conditioned animals. Hopefully we will be able to keep up the process and produce a few more and see everyone at the NDS in April. Until then, to all of our Dutch Friends and ADRC members: Enjoy the upcoming Holiday Season and best wishes for a healthy and happy 1998. Now go out and work those does....make 1998 the year of the BIS Dutch.

Sincerely,

Dick Evenburg & Kay Stearns

1997 ARBA CONVENTION OPEN BOS WINNER

I was once again the lucky one in winning Best Opp Dutch at the ARBA Convention. This is one of the more enjoyable wins that I've had. My little blue buck had never been to a show, and I really had not worked with him. He always did what he was supposed to do when I had him out of the pen, so I would put him right back.

I nearly lost his litter and the doe. I moved his mother into my nursery two days before she was due to kindle. She didn't eat much that first night. It was to be her first litter. She didn't eat the second night. She had her bunnies and still wasn't eating. I gave her hay, straw, bread, rolled oats, and apple twigs. The only thing that she would eat were the apple twigs. I moved two of her bunnies to another doe and left her with three. The bunnies were six days old and she still wasn't eating, but she was producing enough milk. I couldn't understand why she wouldn't eat normal food stuff, but would eat apple twigs. Why? What does an apple twig have that.....! Moisture!!! I had put this doe into a pen that I hadn't used for a few weeks. The last bunnies that were in this pen hadn't been doing as well so I had shut off their water valve, and I had watered them with a crock. For about seven days, the doe had no water, yet she raised the little blue buck and his brother.

That will never happen again! That is why this win was very satisfying.

Kevin Hooper

1997 ARBA CONVENTION YOUTH BOB/BOS WINNER

My name is Julie Toth, and I am a 16 year old from California. That's a long way from Madison, Wisconsin and a convention I will never forget. Several of my Dutch have attended conventions in recent years, but this was my first time to be there. After attending NDS in Ohio this past spring, I was very excited about showing my Dutch in Madison. They have been doing well here in the west, and I was looking forward to seeing how they would compete nationally. My goals for this show were to win a class, and possibly a variety. There were 4 or 5 of my rabbits that I felt had a chance to win at this level, but I was trying to be realistic about the competition. Not only did I win a class, but I won classes in the 3 varieties I entered. My black Jr. buck was chosen BOSV

to a beautiful black doe, and my brown gray Jr. doe helped achieve my goals when she won her variety. When the black buck was selected as Best Opposite of Breed, I was on Cloud Nine, so you can imagine how high I was when my brown gray doe was named Best of Breed! I had already won more than I ever expected, when we went to the coliseum for the Best in Show competition. Watching my rabbit being judged in Group 4, I was on the edge of my seat. When my Dutch was announced as the Group 4 Winner, I was proud. Proud of the little doe that made my dreams come true, proud of the past seven years of learning by trial and error, and proud to be a Dutch breeder and represent all the other youth Dutch breeders with a Group Winner.

I really enjoyed myself at this year's convention seeing all the breeders I've met or talked to from all over the country, and meeting new ones. I'm staying in touch with new friends through E-Mail, and would enjoy hearing from any of you. I hope you will stop by for a visit if you ever come to sunny California! The people involved in the Dutch breed are really very nice people. For example, I got started in ADRC when a judge at a local show signed all the youth Dutch exhibitors up for membership and paid the first years dues. That was seven years ago, and I'd like to thank Scott Williamson again for his support of the Dutch breed and it's breeders. I also appreciate all the other Dutch breeders that have offered suggestions or help along the way. They all helped make this experience possible.

I am making plans to attend next year's Convention in Portland. I hope to see all of you there. Until then, lets keep those Dutch in the running for Best in Show, after all, they really are "AMERICA'S FINEST RABBIT!"

Roger and Dean Guetschow's father Elmer Guetschow passed away at the age of 84 on Sept. 14. Elmer was a long time rabbit breeder who primarily raised Dutch. He was a long time promoter of the Dutch club and a friend to many. He was really looking forward to the Madison show. Through the years, Elmer attended many NDS & ARBA national conventions. Elmer will really be missed!

MINUTES OF THE AMERICAN DUTCH RABBIT CLUB BOARD MEETING OCTOBER 26, 1997

President Kevin Hooper called the ADRC Board meeting to order at about 7:15 PM at the Fairfield Inn meeting room, Madison, Wisconsin. **Answering roll call were:** President Hooper, Vice President MacKinnon, Secretary-Treasurer Bengtson, District One Directors — Uran & Preede, District Two Director Billups, District Three Director Carlton. **Absent members were:** District One Director Peters, District Two Directors Gehr and Mixdorf, and District Three Directors Schettler & Parmer. (Note* Director Mixdorf arrived after roll call.) Also in attendance were members of the Kansas State Dutch Club, Jack Colborn & Alan Kennedy.

The Kansas State Dutch Club presented a detailed report of the preparations for the 1998 National Dutch Show to be held in Hutchinson, Kansas. The report was very detailed and complete. After the positive response from the ADRC Board, the Kansas State Dutch Club representatives were thanked and excused.

A motion made by Wayne MacKinnon, seconded by Rick Billups to dispense with the reading of the minutes of the last board meeting because they have been printed in the Dutch Reporter was carried.

REPORTS OF OFFICERS

Wenton Carlton reported that Dutch in his area are rebounding with several new breeders in the area. Show numbers are starting to rise and competition is good.

Martin Preede noted some new breeders in the Northeast. Some "old" breeders have moved on and with special shows and renewed interest it may be time to activate the Eastern Dutch Rabbit Club.

Todd Uran said that youth exhibitors are showing consistently in the states of Ohio, Michigan and Indiana with some high quality animals.

Rick Billups reported interest in a State Dutch Club in Louisiana. It is their desire to host a National Dutch Show in two or three years. Also there is the possibility of a regional Dutch Club in the Washington DC area.

Wayne MacKinnon noted that the Eastern New England Dutch Club is not faring too well. However, Wayne says there is lots of good news in the area with very large showings of Dutch and many excited breeders.

Doreen Bengtson reported the club in healthy standing. Membership is stable and the treasury is showing a slow steady growth.

Sharon Mixdorf said that her district is still on top, however youth exhibitors are down because they are switching to exhibiting in open classes. The Iowa Dutch Club is sponsoring their own Dutch Sweepstakes.

Fran Schettler, although unable to attend the meeting and convention sent a report to each of the officers indicating that there are some changes in California in that breeders in the southern parts of the state are becoming more scarce.

REPORTS OF COMMITTEES:

Youth - Since the youth representative is not presently active, Pres. Hooper offered the name of Alan Kennedy as a new youth representative. A motion by Todd Uran, seconded by Martin

Preede to approve that appointment was carried.

Publicity & Promotion - Rick Billups reported lots of "out of stock" items because their supplier unexpectedly went out of business. A motion by Wenton Carlton, seconded by Sharon Mixdorf to accept the report was passed.

Standards - Eric Mixdorf, chairman of the standards committee presented a detailed report of activities and thoughts of committee members, along with the input from the ARBA Standards Committee. A motion made by Todd Uran, seconded by Wayne MacKinnon to accept the standards committee report was passed.

Election - The election committee report was presented by the secretary. All resolutions passed except number 7.

Auditing - Sue Strandwitz, David Graflund & Steve Blythe revued the treasurers' books and reported them in good condition.

Hall of Fame - Wayne MacKinnon reports a need for new nominees. Application blanks were printed in the last Dutch Reporter and national shows are a good time to secure signatures for this honor. It was requested that the Hall of Fame Honoree's be listed in each Dutch Reporter.

Special Awards - Rick Billups and Kevin Hooper reported on the establishment of a quality award. A motion by Wayne MacKinnon, seconded by Wenton Carlton that the ADRC start the quality point awards as soon as possible was passed. There was also discussion about variety points.

Guide Book - Todd Uran reported that it is time to start collecting articles for the new Guidebook. Target date for the next Guidebook is Spring 2000.

UNFINISHED BUSINESS

Member Retention - Rick Billups presented the report of his committee on member retention. A survey of members was suggested with no action. The secretary was asked for listed of new members so that directors could contact new members. It was agreed that since the secretary regularly emails the membership action to the sweepstakes department, it would be no extra work to include the directors in each message. When each director presents their email address to the secretary it will be done.

1999 National Dutch Show reports that the building has been secured in Oshkosh. Judges have been hired and plans are proceeding. The 1999 NDS committee announced that since 1999 is the 70th anniversary of the ADRC, that contacts have been made to celebrate the event with a "Dutch Special" issue of the RABBITS ONLY magazine.

NEW BUSINESS

The appointment of directors to fill upcoming vacancies was presented by President Hooper. Appointed as District 3 Director: Briony Barnes, Kansas. Appointed as District 2 Director: Troy Ihrke, Minnesota. Appointed as Vice-President: Roger Guetschow, Wisconsin.

A motion made by Wenton Carlton, seconded by Sharon Mixdorf to accept the appointments was carried. After a discussion of the National Dutch Show Rules, there was no action.

The Dutch Reporter was discussed and it was decided to start collecting topics for each issue. This would be done at the membership meeting.

Rewards for membership longevity was discussed and a motion by Martin Preede, seconded by Rick Billups that the secretary pursue the establishment of recognition of long-standing members in 5 year increments was passed. Special Awards were discussed again and a motion by Wayne MacKinnon, seconded by Rick Billups that the ADRC look into purchasing a program that will help the sweepstakes counter do his tasks was passed, with the stipulation that the sweepstakes counter be consulted as to the need and desirability of it.

A last special award was presented by the Publicity Department. After discussions, Wayne MacKinnon made a motion, seconded by Wenton Carlton that the ADRC Publicity Committee can use the funds from the Convention and ND raffles to build a fund of \$1000 to be offered for any DUTCH winning OPEN BEST IN SHOW at an ARBA National Convention and \$500 for any DUTCH winning YOUTH BEST IN SHOW at an ARBA National Convention. The motion passed. The award to begin being offered at the ARBA National Convention in 1998.

Call for the Good of the Order Adjournment

A motion made by Wenton Carlton, seconded by Rick Billups that the meeting be adjourned was carried. The meeting was adjourned.

Respectfully Submitted,

Doreen Bengtson, Sec.

97 ARBA CONVENTION YOUTH JUDGE'S COMMENTS

It was my pleasure to judge the youth Dutch at the Madison Convention. Thanks to the writer's (parents) who helped keep the paperwork moving smoothly. Thanks also to the table assistants (youth) who kept animals on the tables in front of me so that the show could progress at a good pace. I slowed my usual pace out of respect for the time, effort and expense that had gone into bringing these fine examples of the breed to the premier show of the year. That worked well for me as I was able to give the rabbits a little more time to show their stuff.

From the first class of senior Black bucks, it was obvious that I would be handling very good rabbits throughout the show and, without exception, there were several first rate animals in every class. Nearly all of the animals were well groomed and ready to show and this helped them place as high as possible in their classes. I was especially pleased that the Best of Breed winner was able to win its group in the Best in Show competition.

Congratulations to all of the exhibitors for putting such fine animals on the table.

97 ARBA CONVENTION OPEN JUDGE'S COMMENTS

Hello Dutch Breeders, What a pleasure it was to be able to judge so many good Dutch rabbits in Madison, Wisconsin at the ARBA Convention and Show. The following are a few observations about the Dutch and their colors.

Overall I would say that the type is becoming more consistent whether they are the 3 1/2 lb. or the 5 1/2 lb. Dutch. The better balanced Dutch shows the markings off to its advantage.

The Black and Blue colors are very strong and show not only excellent surface color but very good depth of color.

The Chocolate is beginning to show better surface color again, but lacks depth of color. We need to work on this. Remember Jack's Bunnies, Carl Decker and Wilbur Williamson. These breeders chocolate Dutch color carried all the way down the hair shaft. This should be the goal of the Chocolate Dutch breeders.

I believe the Steel color is looking much better, but there are still a few too brassy to be the color the standard is calling for.

The Brown Grays are getting a little better, but several have too much color on the belly. Once this is gone, I feel the top color will improve. We must still decide if we want wide or narrow bands on the ring color. There has to be a happy medium reached by the standards committee so the breeders and judges can be consistent.

The Tortoise color is my favorite color as a breeder. Most of those I judged in Madison were too dark. Once most of the better colored juniors become seniors they are too dark. Keep the blacks and blues away from the Torts and CULL wisely. You will then get the best Tort color. **NO OTHER COLOR IS NEEDED IN THE TORTOISE COLOR.**

One last item of interest. Registered rabbits, by ARBA rules, are to be OVER 6 months of age. A registered rabbit was found in the JUNIOR class. WHY?

Keep up the good work on the colors. I may have the good fortune to judge the Dutch again in the near future. Thanks for the opportunity in Madison in 1997.

Roger and Dean Guetschow's father Elmer Guetschow passed away at the age of 84 on Sept. 14. Elmer was a long time rabbit breeder who primarily raised Dutch. He was a long time promoter of the Dutch rabbit and a friend to many. He was really looking forward to the Madison show. Through the years, Elmer attended many NDS & ARBA national conventions. He collected every award his son's ever won -- every trophy and every ribbon! He could tell you exactly how many shows they showed in too! He also raised many bunnies in his basement during the cold Wisconsin winters. Elmer will really be missed!

EDITOR'S REMARKS

As many of you already know, these past 4 months have been extremely difficult for our family. My son Adam (age 26) was in a roll over car accident on August 12. He sustained a traumatic brain injury and a broken neck. He was taken to the same hospital that my daughter April died at 8 years ago. It was pretty scary going back, but life doesn't always give us choices. After about 3 weeks in the hospital, he was sent to a nursing home. He was in a coma for over 2 months, and then was minimally responsive for the next month. Then very slowly he has begun to emerge from this state. Today they finally said he was ready for acute rehab. He still has a very long ways to go, but we are very hopeful as he seems to be remembering many things from the past. He can't speak, but gives a thumbs up for yes. He doesn't remember the past year too much, but before that he is doing very well. Thank you all for your well wishes and prayers. I really do believe they were a force that helped, what I call a miracle, in Adam waking up. I guess that is why so many people, stay involved with Dutch rabbits. It is not just because we love that little rabbit. It is because of the closeness we feel for each other and the support that is given when times are tough.

I want to personally thank outgoing Vice President Wayne MacKinnon. From the very beginning of my taking over the editor's job, he was very encouraging. I have come to regard him as one of the nicest guys in this hobby, always striving for the good of the club and always willing to help out the youth. He will continue to chair the Hall of Fame committee.

I enjoyed seeing so many of you in Madison. What a great show it was. Thanks to Roger and Sue for their many hours of work as breed chairpersons. We especially had a very nice evening, at Roger's house as we watched the Green Bay Packers beat the New England Patriots (and there were a few eastern Dutch breeders there)!. They took it rather well (the loose). And the Dutch booth, looked extremely nice. Rick and Julie continue to do an excellent job and have much enthusiasm for the publicity department. The Dutch club should be proud, to have one of their new director's win the title of 1997 ARBA Queen. Congratulations Briony Barnes of Kansas. Way to Go!— to Julie Toth on winning BOB/BOS in youth and then winning her group in the BIS competition. Doreen gave us all a scare, as she ended up in the hospital Tuesday night. Much of the reason the ADRC is doing so well these days can be directly attributed to her hard work and diligence.

Speaking of Kansas — make your reservations now and get your ads and money in. I hope many of you are planning to go and support the Kansas Club as they present the 1998 National Dutch Show.

In closing, I truly wish all of you Happy New Year. Enjoy your rabbits and strive for each litter to be a little bit better than the last.

Again, thanks for all the hugs and well wishes. They have fit me like a warm coat on some days that I really didn't think I could or would survive. Sometimes struggles are exactly what we need in our life. If we were to go through our life without any obstacles, we would be crippled. We would not be as strong as we could have been. Give every opportunity a chance, leave no room for regrets.
