President's MESSAGE

There is an issue which is of grave importance to the rabbit industry

right now! It effects not only our Dutch, but all breeds of domestic rabbits. That issue is the rabbit calici virus (RCV) also known as viral hemorrhagic disease (VHD). I bring this up at this time because there has been another outbreak here in the U.S. Details are still sketchy at this time, but the outbreak was in a rabbitry in Montana. This was a large rabbitry (600 rabbits). Apparently they had sent several rabbits to Illinois, and there were confirmed deaths there that were being checked for the RCV.

I mention this as it is imperative that we are smart about obtaining new stock. Health certificates are a must if having them shipped, and you should only be buying from those who have a sound reputation.

The RCV is present in Europe. It has not been present in the U.S., other than in this breakout, and one a year or two ago in Iowa. It is not, in my opinion, a wise idea to be importing rabbits from other countries! I know the chances of bringing it in by importing are small. But, if you do import it, the consequences are grave. Are the benefits of the animals that you want to bring into the country, worth the risk to your rabbits, and all of the rabbits of those who you may come in contact? It is my personal opinion, that all rabbit importations (live and dressed), should be banned. This sounds like the easiest way to prevent the spread of this disease, without harming anyone.

Now to Dutch business. The ARBA Convention will be here shortly. It doesn't sound like many breeders from the midwest will be making the trip. I, unfortunately am included in that group who is not going. I feel for those on the west coast who yearly make the trip east to the ARBA Convention, or NDS, while most of us from the eastern one-half of the country don't head west when the big

shows are on the coast. We are spoiled in this area as most of the time the big ones are less than ten hours away.

I'm sure Fran can use the specials money if any of you would like to send some her way. It still takes the same amount of money whether there are 300 or 900 Dutch.

One thing that will be taking place at the Convention this fall is the first showing of the Harlequin Dutch. I am to appoint a committee to examine the animals prior to the ARBA standards committee. If our Dutch committee feels that the variety is worthy of consideration, then the ARBA Standards committee shall examine the presentation as well.

If both the Dutch committee and the ARBA Standards committee approve of the variety, then the Dutch club will vote, by special mailing, on whether to accept the harlequin variety. If the membership accepts the variety, then the variety must pass through a second and third showing at the next two ARBA Conventions, before it is fully a recognized variety that is eligible to compete.

The website is up and running. Angie Aisbet has been adding more all the time. The digital pictures should be on by the time you receive this DR. We will be adding more to the website as time progresses.

The new guidebook should be out by the end of the year. We are still needing a few articles, and additional ads before we publish. We have only had about a dozen

DISCLAIMER

articles and ads contributed by the membership.

I don't know of any more happenings at this time. If you have ideas or items that you wish to have brought before the board, send contact one of the directors prior to the ARBA Convention.

DISTRICT ONE REPORTS

NEWS FROM GREG

Hello everyone. This is my first Director's report since being named to the Board of Directors by our President, Kevin Hooper. (A decision he may come to regret) It is my hope that members from this District and especially that part of the District located here in the South will email me information that they wish to see reported in this column. My email is vadutch@hotmail.com please let me know what is going on of interest in your area and any concerns that you would like to see addressed.

The heat has rolled in here in the South and most all the shows have stopped. It will have cooled off some by the time you are reading this report. Did attend the Firecracker Special at Saluda, South Carolina around the 4th of July. It was a hot one but Ray Brewer and Company did a good job of keeping things cooled down some. Dutch numbers seem to be down a bit at the late spring and early summer shows that I have attended. There usually are a couple of entries in the 20-25 ranges and then a few more exhibitors' show a Dutch or two. Numbers range from 40-55 usually and that seems to be about the average in the District when I review the show reports in the Dutch Reporter. Youth exhibitors are very scarce.

There is concern among the members that

I meet about the Dutch Reporter and the delay in receiving it. The Dutch Reporter is many folk's only method of getting information on the club and everyone looks forward to receiving it in the mail. Our club officers ARE AWARE OF THIS PROBLEM and are working to correct it. The club may have to change printers or take other action to bring this problem under control. I think we will see some improvement soon. I read in the last Dutch Reporter of the "ever-present" and "are-these-people-serious" issue of what the membership is getting for its money. My initial first response to this question is always "WHAT MONEY?" Club membership fees are low compared to almost any organization a person wants to join or belong to. It is amazing to me that the Club can do all that it does with the limited money it receives. The concern may lie more in the area of providing information to the membership on how their money is spent. There does seem to me to be a void in how our club reports on the money issues. I would like to see a policy whereby all income that the club receives as well as all disbursements the club makes is listed in the Dutch Reporter. If that were feasible then membership could see everything that comes-in and goes-out. This may not be feasible due to the work it might entail but I personally like such an idea and believe that an open-book policy with the membership would go a long way in assuring those folks with questions and keeping the rest of us informed. I realize that for a first-time director's report that this may be a bit controversial but what the heck. I figure if our President wanted someone who did not speak up he would not have appointed me in the first place. Send those area reports in and "keep them bunnies cool." I will see you at a show down the road.

Greg Gilbert
Wise, Virginia

**DISTRICT TWO

Julia - For Dutch Reporter,

I have not been attending shows due to work commitments. I will be attending in the fall, the Michigan Dutch club show should be well attended as it is a 2 in 1 show.

NEWS FROM SHARON

Dutch club members, we are preparing to leave for the Iowa State Fair. Good things the weather just got cooler after weeks of heat and high humidity. We will sleep overnight at the fairgrounds. Lots of fun.

Eric is in today getting new glasses and I'm writing this while waiting for him. It seems he hasn't had his eyes checked in 4 years. Last November as he was about the judge his first show, his glasses feel apart. He judged that day with them taped together.

I didn't rerun for the director position because there was someone else really interested but I am disappointed to see that they didn't submit a resume.

There have not been a lot of Dutch at the 4-H shows that Eric has judged. All the entries in these county fairs have been down from last year's numbers.

At our fair in Waterloo, Iowa the fair board works out a deal with our local club to put on a rabbit display for 4 days. We have rabbits out for the public to see and ask questions about them.

Sorry we won't be in California, but

are looking forward to Indianapolis, Indiana next spring.

We will be busy this fall planning our new rabbitry, which might go up in October.

See you at the shows,

Sharon Mixdorf

**DISTRICT THREE
 REPORTS**

NEWS FROM BRIONY

Hi Dutch Breeders!

I hope everyone's herds have been doing well in the hot summer weather. Mine finally started getting used to the 100+ temperatures, and fewer and fewer went swimming in the afternoons and settled for ice bottles. Hopefully there will be a good showing of quality Dutch in San Diego this fall! From the sounds of things, this will be a convention to remember! I still am not sure whether or not I am going but sure would love to.

The big news from me is that I have now moved away to school. After changing my major as a result of one newspaper story I wrote (an interview with my favorite band) I was offered the position of doing music reviews for the University of Arkansas paper. I gladly accepted, but didn't tell them that although I'm plenty opinionated, had never written an actual review before! As I write this I have been in my apartment in Fayetteville for about a week and a half and will start classes tomorrow as a junior. I like it here but am missing home.

For those of you who have looked at the listing of states under District III, no, Arkansas is not included. I talked this over with President Hooper and since my legal state of residence is still Kansas (the proof is in my tuition bills!) and I will still be

showing and judging there, I will remain a Director throughout my term. I do still own and raise Dutch, since my mom, who is REALLY AWESOME, has agreed to take care of them while I'm gone. Of course, I get the privilege of feeding hers when I'm back but it's a tradeoff I can accept. She's after me to cull a few more, little does she know that I'll be home for Thanksgiving to do some breeding, then back for Christmas in time for litters to be born!

My email address will remain the same, but here is my new address and phone number:

554 S. Buchanan Ave. Apt. 19
Fayetteville, AR 72701
(501) 571-2581

My permanent address will still be listed in the front of the DR, and if something gets sent there it is no big deal because it'll just get forwarded here.

On another subject, congratulations go out to Jodi Heins of Kansas for her successes with her Dutch this spring! I didn't know until the results of the youth judging came out in the DR that Jodi won first place Tort Sr. Doe and placed some grays. She has also won some BOB's and BOS's at ARBA shows with nice animals in both varieties. Not to mention that her Grays especially have beautiful color! Jodi is very active in Kansas 4-H in

showing and has judged showmanship at least one county fair this year. Congratulations, Jodi, and we're glad you picked Dutch! It's good that I don't know whose rabbits are in front of me when I'm judging but sure does make it harder to get news from that side of the table!

Good luck with all of your litters and best wishes for a successful fall show season!

Briony Barnes

NEWS FROM PETE

The Northwest has had several very large shows in the last few months. We have had two double and two triple shows all with between 100 and 150 Dutch. In June we had a "Much Money" triple open show. Any breed with 100 or more entries won \$100 cash for BOB. Debra and I were the lucky winners of all three shows. Needless to say, we thought it was a very fun show.

One thing I would like to mention is the importance of communication in a club. I serve on the ARBA Liaison Committee where we try to resolve constitution violations within affiliate clubs. So far this year we have had 4 or 5 complaints brought before the committee. Almost every single complaint could have been settled within that club if they would have had better communication between the

members and the officers. If you have any questions or concerns about an issue within any club that you are a member of, contact your area director or officer of that club and ask for an explanation. That is the job they were elected to do. Also, attend the club meetings. Become involved, stay informed and be active in your club and you will not only be a better member, you will have a better club. See you in San Diego.

NEWS FROM THE YOUTH REP TO THE BOARD

Hi all! I hope everyone had a good summer. I haven't heard too much from the youth members as yet, but I'm hoping to see some more reports come in as we start the fall show season.

I'm excited that all of you will get the chance to visit Indiana next year with the National Dutch Show and I hope to see many new faces in the youth and open sections. We are planning to have contests and royalty set up, and there should be a set of contest rules included in the catalog. Hopefully we'll have it set and edited in the next few weeks.

I'd also like to encourage all of the open breeders to help the youth (and the same applies to the youth in regards to the open breeders)

learn more about the Dutch breed.

Remember, without the youth of today we will not have the leaders of tomorrow. So take that struggling younger member (or new member) under your wing. We'll gain a stronger membership and club by supporting each other. I want to thank all of the established breeders who helped me, I could never have learned as much as I did without your support.

I also want to remind the youth that your questions and comments are always welcome, so don't be afraid to call, write, or e-mail me! Good luck at the shows this fall; let's see more Dutch rabbits winning Best In Show!

REFLECTIONS FROM THE 2001 NATIONAL DUTCH SHOW

The National Dutch Show was a first class show, from the building to the banquet and all points in between. I personally had a wonderful experience judging the best breed in the standard. The competition was outstanding with the best exhibitors throughout the country at this show. I felt the facility was very well lit and I had plenty of room to judge. The runners did a good job in getting animals on and off, and a special thanks goes out to my table help, you made my job very easy.

All the classes had a very good top five with the chocolate senior does being the strongest of the classes that I judged. I thought the best of breed was a beautiful animal and an excellent representation of what a Dutch should be.

I would also like to thank the Illinois Dutch Club for a wonderful weekend. Congratulations to all the winners and I look forward to another opportunity to judge Dutch.

Sincerely,

John M Grimm

Rabbit Calicivirus Disease - Viral Hemorrhagic Disease of Rabbits - Brief Facts

V.L. Cooper, DVM Diagnostic Pathologist
Wisconsin Veterinary Diagnostic Laboratory

Recent events in the United Kingdom as well as other parts of the world with outbreaks and spread of Foot and Mouth disease bring to the forefront the importance of closely monitoring our own domestic species. Reports of crudescence of Viral Hemorrhagic Disease [VHD] of Rabbits in March to April of 2000, from a small backyard rabbitry in Iowa and more recent reports in August 2001, of infection involving rabbitries in Utah, and Montana accentuate the need for both dissemination of accurate information, monitoring for disease, and enhancement of biosecurity.

CAUSE: Viral Hemorrhagic Disease of Rabbits is caused by Rabbit Calicivirus. Rabbits of European lineage, from which all U.S. domestic, and commercial rabbits are derived, are susceptible to infection. Cottontail, and jackrabbits are not of the same genus and are not susceptible to the disease. This disease does not affect people and is not known to cause disease in other animals.

HISTORY: Initial appearance of VHD is considered to have

been in China in 1984. This disease is now seen in much of world including most of Europe, Asia, and Africa. Disease has been endemic in Cuba since 1993. Outbreaks occurred in Mexico in 1988; the disease was eradicated there by 1992.

DISEASE: Viral Hemorrhagic Disease is highly contagious. Ninety percent of affected animals may die. Progression of disease through a rabbitry is rapid, with death occurring from 24 to 72 hours after infection. Rabbits may die within 6 to 24 hours of onset of fever with few visible signs. The disease damages the liver, intestine, and lymphatic tissue. Terminal blood clots are often seen. Death rate may range from 50 to 100 percent.

This virus is extremely stable in the environment. Disease can be transmitted by direct contact with infected rabbits, their droppings, people, rabbit products, insects, rodents, cages, feeders, and clothing. Rabbits that survive, can become carriers. These animals can shed the virus for at least 4 weeks after they have recovered.

PRECAUTIONS: It should be kept in mind that suggested precautions to prevent introduction of VHD, are more than applicable to other common disease processes seen in domestic rabbits. Rabbit owners should be prudent and isolate new rabbits for at least 4-6 weeks. Rabbits returning from shows should be isolated for at least 7 to 10 days. Quarantine areas should be well removed from established rabbits. Quarantined animals should be the last group fed and watered, without returning to established rabbits afterward. Having dedicated garments that are used around these animals is suggested. Thorough clean up after being around quarantined animals is important.

Contact of visitors with rabbits should be avoided, or extremely limited. If visitors wish to have contact with rabbits, appropriate disposable garments and footwear are recommended. No one having contact with other rabbits, up to 3 days prior to visiting your facility, should have direct contact with rabbits. Use of footbaths with frequent changing of disinfectant is suggested.

Maintaining facilities which are easily disinfected with is imperative. Avoid using wood, and porous materials for hutches, feeders, and waterers. Remember that prior to using disinfection solutions, organic material must be removed. Hot water with detergent is most effective. Followed by rinsing, then application of disinfectant.

Dr. V.L. Cooper

If questions arise in how biosecurity issues should be addressed, close consultation with your veterinarian is highly recommended. A number of websites are offered by the United States Department of Agriculture Animal and Plant Health Inspection Service which provide accurate updates on this disease as well as additional information.
