## President's MESSAGE

**A**nother National Dutch Show has come and gone. I hope it was enjoyable for all of those who attended. A record entry of 375 was entered in the youth show and 624 in the open for a total of 999 Dutch. There were 160 entered in the fur classes, and 12 in the AOV class.

I can't thank those who helped out enough. We had seventeen people show up to help set up. Thanks go out to those who drove in from Indiana, Illinois, Pennsylvania, and Ohio to assist. It was very nice to be able to leave the showroom on Thursday evening at 7:30, with most of the set-up finished. And to those who helped clean-up, many thanks! Breeders from not only here in Ohio, but those from California who had a later flight, and some from New Jersey who still had to drive home, helped dismantle the showroom. We even had some breeders come to the show with no Dutch, yet they came to help write and did so all day. Once again thank-you.

Congratulations to the winners of the show! Fran Schettler had a nice showing with Best Dutch, Best Choc and Best Tort! Val Slack from Indiana had the Best Opp in open. The youth winners were Kristina and Michelle Blythe from South Dakota, and Emily Smith from Michigan. The winning was spread out among breeders in both open and youth. Good job to all!

We had a productive Board meeting on Friday night. To highlight a few items that were discussed; It was decided that our youth do have voting rights - providing they have an adult membership. The youth membership was created to give a price break to families. It only costs a couple of dollars more to have voting rights. Seems fair to me. Our Breeder of the Year was discussed and it was approved. Look elsewhere in this issue for details. We voted to table the Rabbit of the year pending some more work on the guidelines for selecting the winner.

Eric Mixdorf led a discussion on the early issues that the standards committee has been discussing. I would encourage you to make your opinions known on the various sections of the standard that they may be proposing to change. Letters to Eric and the Dutch Reporter will make sure

that we have plenty of discussion before it is time for the membership to vote.

The Board approved the Bid from the Kansas Dutch Club for the 1998 NDS and the 1999 Bid to host the NDS from the Upper Midwest Dutch Club in Wisconsin. Any help from you on these shows would be appreciated.

The Board also discussed creating a quality points contest. This was tabled until the fall pending more detailed information.

The Board had a lengthy discussion on new member retention. We will be working on this over the summer and hope to have something put together by the fall meeting.

Roger Guetschow has blocked off forty rooms at the Fairfield Hotel in Madison. He says that it is much nicer than the ARBA Headquarters.

One item that I want to mention. I was walking through the showroom at the NDS and a small doe caught my eye. I recognized this animal from the ARBA convention last fall. It was entered in the Jr Doe Class then, and now! It had the longer toenails of an animal that is well over six months of age, and it had the same owner. Then as I was watching the Blue Jr Doe Class, I saw the judge turn over a doe, which also had daggers for toenails, and it had dark rings on the toenails. The judge saw this as well as you could see by the expression on his face. Both of these animals were small and too old to be juniors. These two animals should not have been in the show - even if they were good. Toenails are a dead giveaway. Why would you show that animal?

If you have an issue that you would like to address, contact the Board member in your area, or myself.

Until next issue.....

*Kevin Hooper  
New Vienna, Ohio*

## Vice-President's MESSAGE

**M**y congrats to the winners at our Ohio ND Show. I was especially happy for the Shettlers. Fran has been a devoted fancier of this club for many years. She has served as a director and has written many fine articles for the DR. She is also a valuable member of the Hall of Fame committee.

Eric Mixdorf had an excellent presentation for the standards committee in Ohio. More will be presented in upcoming DR'S make sure you read all proposals carefully. Your opinion counts so make your feelings known to the committee members.

I am pleased to announce the appointment of Jill Dobson to the hall of fame committee. She joins Al Butler, Al Miller, Eric Mixdorf, Mark Pecaric, Fran Shettler, Terry Bullis and myself on this committee for 1997. Address all your questions to the above committee members.

Well, I hope everyone's nest boxes are full of prospects for the fall shows. There was a noticeable lack of juniors in Ohio. I have had a hard time of it the last six months. I just didn't put enough time in getting it done and produced only six litters in the last six months. Have been more attentive this spring and litters are coming in better now. Am looking forward to the fall shows already.

If you have a computer and are on line we have a Dutch chat for Wednesday nights. The time is 10pm est. 7pm pst. All are welcome we can talk Dutch till the sun comes up. Click on people to people, private rooms, type Dutch rabbit and you're in.

Please do not send any dues to Dawn Bradshaw to join the New England Dutch Club. She does not correspond with anyone, has the club's money, and will not hand over the clubs' records. This is a sad thing to have to report, and we must be careful whom we put in positions of trust.

Have a great, safe summer

## Sec/Treas. MESSAGE

I really enjoyed visiting with so many of you at the Dutch Show in Greenville. The show was so well run, but then we are getting used to the fine job the Ohio Dutch Fanciers do with a show. It looks like we will be giving them a little rest in the future, because the 1998 NDS will be hosted by the Kansas State Dutch Club in Hutchinson, Kansas. It is always fun to visit another part of the country, see new faces and make new friends. We look forward to traveling west on the last weekend in April 1998. And then we'll try to "hold the snow" and welcome (warmly we hope) all of you to the Upper Midwest for the OSHKOSH NDS of 1999. But, those of us working on future NDS will have to really work to live up to the standard set by the Ohio NDS. Thank you, and well done!

Congratulations to the sweepstakes winners for 1996. Plaques and certificates were awarded to all of the winners that made it to OHIO, and all of the others have been sent, as well as the ADRC medallion logo that came after the plaques and the NDS. If anyone has not received your award, please check with friends in the area where you show and live and see if maybe someone brought your award back for you. If you have any problems with this let me know and I will be glad to help trace your missing award.

I can't leave the subject of awards without mentioning again the fine job done by Jeff Andrews in managing the sweepstakes department. All of his reports are timely and well done. Thanks, Jeff.

The next issue of the DR will contain ballots for the Constitution & By-Laws changes and a slate of candidates with someone's name presented for each vacant office. I would like to thank the people that presented petitions to the secretary's office for grabbing hold and presenting their names as candidates for the Board of Directors of the ADRC. **WE NEED INTERESTED PEOPLE TO BRING IDEAS AND OPPORTUNITIES TO THE ADRC!!**

I must present to you a word of explanation concerning the absence of expiration dates on your last Dutch Reporter mailing label. On January 1, 1997 I had Erik help me run the membership list to get it ready

for the January/February Dutch Reporter. About 10 days after completing the membership list, the ADRC computer crashed. We really scrambled to get a set of mailing labels ready to prepare the DR for mailing and were not able to get the expiration dates shifted from the old program on to our personal computer with a Windows '95 program. So, rather than hold up the DR until we could get the expiration date on the label we decided to settle for what we could have. You will, however, see your expiration date on this issue (barring any unforeseen problems). And remember, if your membership is more than 60 days late, you **WILL LOSE YOUR SS POINTS.**

We hope (Erik, my computer guru & I) that we will be able to begin to send renewal notices to each of you as your memberships expire. We plan to do this on a trial basis, so if you receive a letter from the ADRC office, just fill in the information that is missing on the letter and return it to this office with the correct fee.

I have had some questions about why the last Dutch Reporter was the January/February Dutch Reporter, and the answer can be found in the present Constitution and By-Laws, because it specifically states that the Membership list and the resolutions to change the constitution and by-laws must be printed in the January/February Dutch Reporter. We are really trying to follow the rules as much as possible. This issue of the Dutch Reporter will be the March/April/May/June and the next issue will be the July/August issue, because once again it specifically states in the C & Bylaws that the ballots must be presented in that issue. Hopefully, if the votes are positive in the next election we can stop playing these little games and get on with the business of promoting Dutch.

This club is a wonder to behold. It is just full of terrific people, all doing a fine job of raising and showing and promoting Dutch. With such a rabbit and such an association, how can we go wrong?

Support the Madison ARBA Convention and the Hutchinson National Dutch Show, and look for another Dutch Reporter real soon.

Doreen Bengtson

## DISTRICT ONE REPORTS

### NEWS FROM SUE

Hi, Dutch Club Members! We are now half way through our show season, and looking back at the National Dutch Show. It was great. Again, the Ohio Dutch people did a wonderful job with putting on a quality, very well organized show. Kevin Hooper had things running well along with Rick Billups and Todd Uran. Shelley Thompson was working hard, and I don't think Julie Billups ever came out of the office. It was a terrific show.

And I want to congratulate the winner — Jim and Fran Schettler with their gorgeous Tort. I talked with Frank after the show wondering how she keeps the condition on her rabbits when she travels with them. They really looked good. I don't have the names of the other winners, but I know the BOS was won by a very typy steel buck. I saw a lot of very nice rabbits that weekend.

The Dutch were well represented in the shows we have attended this spring. The two shows at Wheeling were down a bit, but the Southern West Virginia show had 52 Dutch, and the Waynesburg (Green County) show had 72 Dutch. It was the Green County Club's first show, and rather exciting to see so many Dutch there. Thanks to all of the Dutch Club members who made a special effort to attend that show.

I hope everyone has good luck with spring breeding for those fall Convention rabbits. I talked with some of the Wisconsin people last weekend, and it sounds as though they have a real nice show planned. Hope everyone can attend.

Sue Peters  
Morgantown, WV

## DISTRICT TWO REPORTS

### NEWS FROM SHARON

**T**he director's meeting in Greenville was fun. Thank you Ohio State Dutch club for the food. The atmosphere was more relaxed and much business was discussed.

One thing brought up was that some members were afraid to speak up at the general membership meeting for fear this would delay the start of the judging. I've also felt that the meetings were usually rushed along.

With four judges in the open, the judging got done in time for everything.

If any member has an issue they would like discussed, a good place to do this would be in an article in the Dutch Reporter. Otherwise talking to your district directors can help.

We also want to work on keeping new members beyond the first year. If you see someone has just joined and they are at shows in your area, go up to them and welcome them to the Dutch family.

*Sharon Mixdorf  
Waterloo, Iowa*

### NEWS FROM RICK

**T**he 1997 National Dutch Show is now history and I would like to congratulate all the winners in both the Open and Youth show. Please be sure to take time and read the results of this year's show. With the large numbers in the classes, anyone who finished in the top half of the class should feel good about their results. I would like to take this time and personally thank all of the members who helped to make this a successful weekend for all involved. The Ohio State Dutch Rabbit Club provided the facilities and *YOU* the members of the ADRC pitched in to make everything work. I am glad to say that the Ohio State Dutch Rabbit Club will again be able to return \$500.00 to the ADRC from profits earned at this year's show.

Due to Julie and I being involved with this year's NDS, we have not attended any of the local shows in our district and therefore can't report on anything. We are planning to attend the Kentucky State Convention over Memorial Day weekend and will try to file a report before the next issue. Again I would like to ask for any information from members in my district, I have asked Marti Dill to serve as a state rep for Alabama and she has agreed.

The Publicity Department would like to solicit new art work for the ADRC arm patches and apparel. If you or someone you know would like to submit a design, please mail it to the my address before September 15, 1997. All artwork will be shown at the 1997 ARBA Convention so that the general membership can vote on their choices.

That's all for now, I hope everyone has an enjoyable summer and keep those bunnies cool.

*Rick Billups  
Goodlettsville, Tenn.*

## DISTRICT THREE REPORTS

### DIRECTOR'S MESSAGE

By Fran Schettler, California

I'd like to take this opportunity to thank the Ohio Dutch Rabbit Club for stepping up to the plate and assuming the last minute responsibility of putting on two National Dutch Show's in a row. It is quite an accomplishment and everyone responsible for this year's successful show deserves a round of applause. I guess one benefit of doing it two years in a row, both as a show organizer and as an exhibitor, is that you learn how to do things better the second time around, although Jim and I still got lost trying to find the new motel that was built since our visit in 1996. Thank goodness I had my cellular phone and thank goodness it worked in Ohio! However, we knew where the Hardy's restaurant was, and I had no problem finding the Board meeting at the Greenville Inn.

I think that everyone from California had an adventure getting home with their rabbits. Delayed flights abounded for the Toth's and Puente's, Terri and Gary Bullis had some interesting events happen, and Jim and I ended up flying home on United Airlines instead of Delta. Everyone at Dayton was very helpful in making sure our rabbits transferred all right—our baggage and the rabbits had already been checked in on Delta when the problems started. It is always an adventure flying with the bunnies!

The National Dutch show was certainly successful for region 3 exhibitors and contestants. Briony Barnes (Queen) and Alan Kennedy (King) of Kansas prevailed in the Royalty contests. In the open show, Best of Breed, Best Chocolate and Best Tort went to Jim and I, and Best Blue went to Pete and Debra Nelson of Washington and Best Opposite Blue went to Earl and Terese Bogart. In youth, Best Fur went to Julie Toth of California and Best Opposite Brown Gray went to Bryan Puente of California.

On other fronts, the Northwest Dutch club has established their calendar of Dutch specialty shows for 1997. August 9 is "a cluster of specialty shows" at the Monroe fairgrounds in Monroe, WA. Oct. 4 will be a specialty show in conjunction with the Evergreen RBA in Enumclaw, WA. with an additional open show on Oct. 5. Nov. 8 will be their final 1997 Dutch specialty in conjunction with Northwest RBA in Monroe, WA. Thanks go to Mike and Kim Cleavenger for sending me this information.

The winners of the Doc Reed Memorial Scholarship to the Animal Sciences Workshop were chosen, and, of the three winners, two are ADRC members, Kristen Lewis of Texas and Briony Barnes of Kansas. Congratulations!

I have received a listing of some of the Kansas Best and Best Opposite of Breed winners in the recent shows. Jack & Charlotte Colborn, Kevin Rugen, Earl and Terese Bogart, Alan Kennedy, Briony Barnes, Bob Bergene and Emily Hederstedt all have recent Best of Breed wins. Nick & Wendy David, Briony Barnes, Earl and Terese Bogart, Ed

Lahmann, Emily Hederstedt and Natalie Powell have had Best Opposite of Breed wins.

Alan Kennedy was recently named a Reserve Champion 14 & over quiz contest winner. Briony Barnes was named Grand Champion 14 & over showmanship, and Grand Champion 14 & over quiz contest. These wins were at the Rabbit Habbit ARBA youth show on February 8. Briony's tort senior doe also won Best Marked.

Congratulations to all of the winners. I'd also like to thank everyone who has been sending me information on their District Dutch activities and I'd like to encourage them to continue. Please try to include all activities of interest, and not just show wins. I'd like to hear from some of the other district states too!

Have a good summer and keep those Dutch cool.

## WE GET LETTERS

Dear Doreen,  
I am sending a donation of \$10.00 to be used as needed for the National Dutch Show. I don't have any rabbits any more, and will not be able to attend the show as I don't drive any more. It is hard for me to write letters, but if you go please say Hello to every one of the old members.

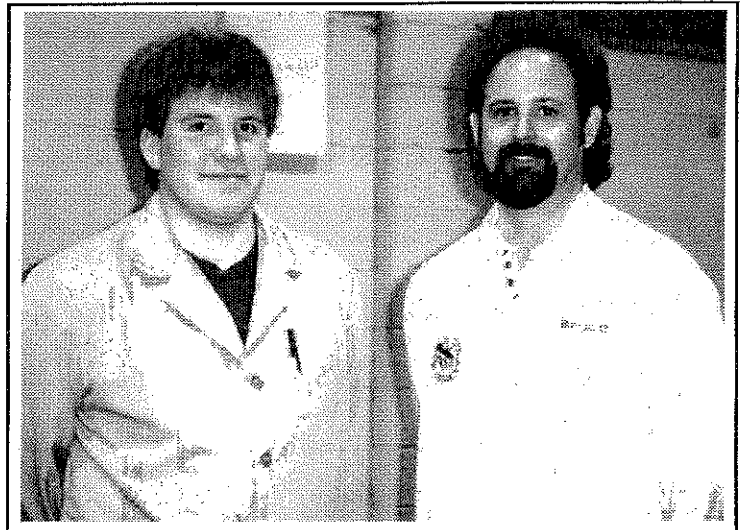

Sincerely,

Anna Cook

\* For the old timers that would like to drop Anna a note, her address is ANNA COOK 32 Iuka Drive, Cherokee Village, AR 72529. I'll bet she would enjoy hearing from you. DB

# ODDS AND ENDS

BY Kevin Hooper

✓ How to rebuild a water system. It crashed. The early warm weather that we had in April fooled me into thinking the cold weather was gone. (It normally is by then for us.) I was working in the barn and I turned the thermostat off that controls the heat cables in my water lines. Fifteen degrees shattered many of the pipes and I had to rebuild. Moral of this story - The system is good, but don't turn off the thermostat.

✓ The Blue Steels are proving to be very productive. The Best Opp Dutch at this years NDS was out of a Blue-Steel and a Blue Steel Grandfather. My Best Gray was out of the same Blue-Steel doe, and she has very nice color. My Best Opp Gray had the same Blue Steel Grandam. In all I had 11 Steels or grays at the NDS that had a Blue-Steel parent or Grandparent. The Gray and Steel Color out of the Blue-Steel is nice.

✓ I have raised my first litter of Gold to Gold. Three Golds and a Tort. The Golds show much improvement in the brightness

of their color and less of the Agouti factor form the gray is showing up. The tort was a nice Tort buck with good color. A long coat of fur spoiled the brightness of his color. He did not have a white tail as was cautioned by our ARBA Standards Chairman, Tex Thomas. His caution was that since breeders would be crossing Torts to Golds, and the Golds have a white bottom to the tail, we would see more white tails on our torts. Not so far. I will keep everyone advised of this as I get more Gold bunnies.

✓ One proposal on a possible Standard Revision was to take two point and allot those to feet and legs. These point would come from the body type, yet indirectly would be still on the body - feet and legs. I like trying to increase the importance of the proper feet and legs, but I don't like to see those points come from the body point allotment. A breeder working on her registrars license asked me for a Dutch lesson the other day at a show. She said that by reading the Standard, the body type is not that important. We know that it is, but that is not the impression. Would we dare steal a point from every marking to allot for the body type? Most Dutch breeders know that a good Dutch will have good body and okay markings. While a Dutch with Great markings and no body type, is a bad Dutch.

## AMERICAN DUTCH RABBIT CLUB BOARD OF DIRECTOR'S MEETING MINUTES

The Board meeting of the American Dutch Rabbit Club was called to order at 8:15 PM on May 2, 1997 at the Greenville Inn in Greenville Ohio by President Kevin Hooper. **Board**

**Members in attendance were:** President Kevin Hooper, Vice President Wayne MacKinnon, Secretary/Treasurer Doreen Bengtson, District One Directors Martin Preede, Sue Peters, Todd Uran, District Two Directors Rick Billups, Richard Gehr, Sharon Mixdorf, District Three Directors Fran Schettler, Wenton Carlton and guests Eric Mixdorf and Julia Anderson. Absent was District Three Director George Parmer.

President Hooper entertained a motion by Richard Gehr to dispense with the reading of the minutes because they had been previously printed in the Dutch Reporter, seconded by Rick Billups, carried.

### Report of Officers:

**Rick Billups**- Dutch in the state and district are holding their own. Good showings in the Carolinas/DC areas. A member in the area is talking about a National Dutch Show in the Tennessee area by 2000.

**Todd Uran** - Youth in his area are increasing in numbers, several large shows are coming up soon.

**Wayne MacKinnon** - Things are pretty quiet in the northeast. The New England Dutch Club is having secretary problems.

**Martin Preede** - Martins part of the northeast at present doesn't have too many shows scheduled, but there is some youth activity starting to blossom.

**Sue Peters** - There have been some encouraging showings of Dutch in Sue's territory, especially the Waynesburg, Pennsylvania Dutch Special. "Dutch people will come out if the judge is good."

**Sharon Mixdorf** - Numbers at the shows are down, but Dutch is the highest showing breed in Iowa in open competition and the second highest in youth.

**Richard Gehr** - Numbers are down - Dutch are up. Lots of interest and quality is up. People are getting more educated.

**Wenton Carlton** - Pretty slim pickings in Arizona. California presented a show with 90 Dutch shown. New Mexico and Arizona shows Holland Lop breeders moving into Dutch, numbers should start to rise.

**Fran Schettler** - Washington Dutch have really taken off. There is a big comeback in that area both in enthusiasm and interest. In California, the numbers are off slightly. Californians are exhibiting less quantity but more quality.

**Kevin Hooper** - Judging from the interest in breeding stock, Washington and Illinois seem to be the areas to watch.

### Committee Reports:

**Publicity Committee** - Rick Billups reports that the committee is presently lowering their inventory. The Publicity department has purchased two booth spaces for the Madison ARBA Convention, thus providing ADRC members an area to "hang out". The biggest business is done by publicity at the ARBA National Convention. There is a new ADRC patch in the works, and new dry erase boards to

be used to post show reports as they happen.

**Standards Committee** - Eric Mixdorf presented a report on the views of the ADRC Standards Committee. Eric will provide a report in each Dutch Reporter to keep the members posted on the activities of the committee. There is some talk about re-configuring the point slightly.

**Hall of Fame Committee** - Wayne MacKinnon presented two nominees for the 1997 Hall of Fame, Andy Barton & Roger Eich. Both members were approved by the Board as recipients of the award.

**Constitution & By Laws Committee** - Things are progressing as planned, with the presentation of the resolutions to change the C & B.L.s. The resolutions were printed in the January/February Dutch Reporter and will be printed again in the July/August Dutch Reporter along with the ballot for voting by the membership.

**Dutch Reporter Committee** - Julia Anderson reports the Dutch Reporter is doing real well. Advertisers are renewing their ads as they come due and new people are advertising in each issue. Please keep the articles coming.

**Special Awards Committee** - Sharon Mixdorf presented a preliminary report of the actions of her committee. They are presently working on an outstanding Dutch rabbit of the year as well as an outstanding Dutch member of the year. The board approved the report and encouraged the committee to keep working in the directions they are moving.

**Auditing Committee** - The Auditing committee was hard at work during the board meeting, but reported later - "We the undersigned have reviewed the books of Doreen Bengtson. To the best of our knowledge, the books are in order." signed by: Lynn Shaw, Bob Worden, Fred Mullinax. 05/02/97.

**Guidebook Committee** - President Kevin Hooper called for a volunteer to head the 2000 Guidebook Committee. If anyone is interested, please contact Kevin or Doreen. The 2000 Guidebook needs articles and photos.

### Unfinished Business:

The secretary has contacted the Purina Feed Company and registered the club so that feed proofs of purchase can be redeemed. You may send your proofs to the secretary. Money from this will go into a scholarship fund for members of the ADRC.

The Board instructed the treasurer to place a portion of the money in the ADRC contingency fund into a higher interest bearing instrument. \$2,000. has been placed in a three year CD.

Member retention was discussed and it was the feeling of the board that the best possible member retention comes from each ADRC member selling quality animals and providing some support for new breeders. Other ideas included a letter from the secretary a couple of months before the membership is to lapse, a welcome letter, a membership list of members in the state, but action on the was tabled.

The 1999 National Dutch Show bid presented by the Upper Midwest Dutch Rabbit Club was approved. A motion by Wenton Carlton, seconded by Wayne MacKinnon to go to Oshkosh, Wisconsin in 1999 was passed.

### New Business:

The Kansas State Dutch Club presented by mail a bid to host the 1998 National Dutch Show.

This bid was presented to the board by mail and approved, with all voting members in favor and one abstention.

Discussion on a Quality Sweepstakes and Grand Champion Contest followed with no action by the board.

Youth voting privileges were discussed and it was the feeling of the board that any youth member would be able to vote by purchasing a full adult membership.

Petitions for office are being accepted. Anyone interested in running for office should contact the secretary for a petition blank.

Wayne MacKinnon announced that Wednesday evenings everyone is invited to join the "Dutch Chat" The chat is the work of Idaho ADRC member Janet Loucks, Idaho

President Hooper received a motion by Wenton Carlton to adjourn the meeting, seconded by Martin Preede, passed. The meeting was adjourned.

**Respectfully Submitted by**

**Doreen Bengtson, Secretary**

\*Although this is not official business, the Officers of the ADRC would like to thank the Ohio State Dutch Club for providing the meal that we enjoyed at the Board meeting. It is very helpful to all us travelers to get to the meeting and eat rather than either go without food, or grab a snack and then try to find food at 10 PM or later. THANKS< OSDRC.

## Minutes of the NDS Membership Meeting, Greenville, OH, May 3, 1997

President Kevin Hooper called the meeting to order at about 8:30 AM. All officers responded to roll call except Director George Parmer.

A motion to suspend the reading of the minutes because they had been printed in the Dutch Reporter was offered by Reggie Shull, seconded by Alan Miller and passed.

The Treasurer presented the books for the inspection of the membership. Officers reports were given as previously presented in the board meeting minutes.

President Hooper announced that the Board has approved the bids of the Kansas State Dutch Club and the Upper Midwest Dutch Rabbit Club to host the 1998 and 1999 National Dutch Shows, and would like to start talking about the 2000 National Dutch Show.

Jack Colborn and Earl & Teresa Bogart were in attendance to answer any questions about the 1998 National Dutch Show at Hutchinson Kansas as well as offer suggestions for motel and other reservations. Cash donations are always need for NDS, so please be generous.

There was no new business.

A call for the good of the order brought a motion by Todd Uran to adjourn the meeting, seconded by Rick Billups, passed. The meeting was adjourned.

**Respectfully submitted,**

## FROM THE RABBIT'S VIEW

I have just read Kevin Hooper's article, the part about conditioning. One can learn a lot from Kevin, and I have had three bucks sent from him a few years ago and have been 500% happy with all three.

However, this is an opinion. It seems that more than a few people view their rabbits (especially show rabbits) more as living objects. I have had rabbits in 4-H and a couple of other times before I started breeding Dutch. I have always tried to keep my bunnies happy. How many people think about that? It is true a good rabbit is in the breeding, but rabbits are living and breathing beings with likes and dislikes and very capable of boredom.

They can do well on pellets, water and little or nothing else. But are they happy? The way to a rabbit's heart is through its stomach. Along with pellets I give grass hay twice a week. They dig and play, as well as eat it. Carrots & tops, apples, parsley, and romaine are fed to nursing does. They have pine cones to play with

and chew. Sure it takes extra time and a little more money, but are they not worth it? The pets, rescues and borders that hang out here are treated the same.

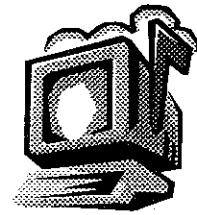

I also do not inbreed. Nature is not set up for their members to continually inbreed. I line breed at a distance and cross unrelated lines. My cages are roomy for the bucks too. I let them out to exercise when I can. They should have more. Just rabbits in a cage hides their personalities.

My Dutch have been winning for 6 1/2 years, lots of BOB's and BOS, a best 4 (& several honorable mentions) and just missed 2 runnerups to Best in Show after a standoff with a Florida White.

I do believe in animal welfare and it is common sense that any animal who has to spend its life or most of it confined to a cage, should be able to enjoy that life as much as possible.

## UP CLOSE AND PERSONAL WITH THE MIXDORFS

It's been said that if the Dutch rabbit had never existed, chances are Eric and Sharon Mixdorf may have never met. Between the two of them they share over 35 years of raising rabbits and Dutch in particular.

Eric inherited his rabbit skills, since the age of 4, from his father who has shown rabbits since the early 1960's. Also, almost all of his brothers and sisters continued with the tradition with rabbits as their 4H/FFA projects. His first rabbit that he can recall was a Chocolate Dutch buck suitingly named "Peter Rabbit". It was in his high school years that he began actively breeding, culling and showing his own Dutch. At that time, there was no youth division in the Dutch club and Eric learned quickly by showing against the veteran Dutch breeders — David Paul, Dale Zentner, Lowell Simonson, Roger Eich among others. Rather than get discouraged he continued to cull his herd closely and after a time began to win once in a while.

The interest in Dutch in Iowa began to blossom in the early 1980's and the Iowa State Dutch Rabbit Club was formed in which Eric served as secretary/treasurer for many years. Since then Eric has served as show secretary for the 1986 NDS, served on the seller's class committees, and is currently chairman on the Dutch standards committee. Eric considers his biggest win being awarded Best Tortoise at the 1991 NDS in Wellington, Ohio, and his biggest regret over the years, not being at that show to see the rabbit win alongside his fiancée Sharon Fait.

Sharon (Fait) Mixdorf began raising Dutch in October 1981, with a Chocolate doe that was found in a park near her home in Marshfield, Wisconsin. A week after getting this doe, it gave birth to two Chocolate Dutch bunnies.

Sharon and her twin sister Karen (Gates) had been raising mixed breed rabbits for about 3 years before this. After several litters of Dutch, they decided to show a

few at their local fair, where they learned about the ARBA. Through the ARBA yearbook they learned there was a local club which Sharon joined and from this club the twins learned of sanctioned rabbit shows.

This led to wanting Dutch with pedigrees and in 1986 they attended their first NDS in Des Moines, IA, where they first met Eric Mixdorf.

In 1987 Sharon and Karen had their first Best in Show, with a Blue doe they raised. This doe produced the Black jr. buck which won BOSV Black at the Madison ARBA Convention in 1988 for them. This same buck is pictured on the wristwatch Sharon wears to this day.

In 1989 Sharon and Eric became better acquainted at the ARBA banquet in Tulsa, OK. After talking and dancing that evening they continued to correspond with one another by letters and seeing one another at a few shows now and then. Things kind of fell into place from there and they were engaged on Easter Sunday in 1991.

Eric and Sharon were married in May 1992 and continue to be active in the Dutch breed and ADRC. Sharon is currently a District 2 director and chairman of the special awards committee and Eric reports the Dutch happenings in the Domestic Rabbit magazine. They have raised all 6

varieties of Dutch but currently have Blacks, Blues, Chocolates and Tortoise. Their rabbitry, named Hawkeye Dutch, consists of around 60 adult animals of which a handful are Dwarfs and Tans and the rest Dutch. They show at around 15 - 20 shows a year with about 8 - 12 animals per show. The building consists of a garage with 70 holes. A north-side overhead door with a large screen door, along with eastside and southside windows provide ventilation. Fans are used for air movement in the hot humid summers and a furnace keeps it heated to around 40 degrees in the winter months.

Eric and Sharon have been working hardest on getting better heads on their does and nice full hindquarters on their Dutch. They enjoy helping out the youth and have donated many quality animals in the Dutch seller's class over the years. "Although it's fun to win, it's even nice to hear how much good luck other breeders have had with your stock" is a philosophy Eric and Sharon strive for. "It's then that you know you are really promoting the Dutch breed and not your pocketbook."

Whenever you feel like "talking Dutch", give Eric and Sharon a call or stop by when you are in the area. Bring an empty carrier. They live in Waterloo, a town of around 70,000 in Northeast Iowa.

*Dutch breeders — Eric and Sharon Mixdorf*

## CANDIDATE RESUMES

### CANDIDATE FOR DISTRICT 1 DIRECTOR

#### SUE PETERS

I am running for the position of District 1 Director and have been asked to introduce myself to members of the ADRC. My name is Sue Peters, and I am presently living in Morgantown, WV with my husband, Penn, our Siamese cat, Smudge and 100 or so Dutch rabbits. I am a real estate agent here in Morgantown, but raising the Dutch rabbits has been a wonderful way of relaxation for my husband and me.

My interest in rabbits began in 1969 when our son, Joe, then eight years old decided he wanted to join a local 4-H Club and he wanted a rabbit for his project. My husband and I hunted high and low for a local breeder who might have a purebred rabbit of some sort for sale, and we wound up purchasing a grey Dutch rabbit. Being a doe, we knew that sometime Joe would probably want to raise bunnies, but really didn't think too much about it at the time. As is the case fifty per cent of the time, the doe turned out to be a buck. There was a rabbit show coming to the area (at that time we lived in Seattle) and of course Joe wanted to show his bunny, who by this time was named "Thumper". We took Joe's rabbit and wouldn't you know — it won best of breed! Joe was thrilled. Winning was so easy! Then another problem came up. There were about 14 children in the 4-H club who needed a rabbit project leader. No one else was interested, so I volunteered. Really — what was there to know about rabbits? It could not be too hard to be a rabbit project leader or to raise rabbits, for that matter. But I found out that the more you learn, the more there is to learn about rabbits and kids. Our club grew, and through attending ARBA shows I was able to get quality purebred rabbits for each of the members of the rabbit project group. Then there was showmanship. Through training by Cindy Wickizer, I was able to learn how to teach the children's showmanship, and our club had several winners at the King County Fair near Seattle. Those years were a lot of fun.

We moved to Oregon, and by this time Joe had developed other interests. I, however, had been bitten by the bug, and decided to try my hand at raising Satins. They are a beautiful breed, and I did enjoy limited success with them. Limited because we only stayed on Oregon for four years, and then were off to West Virginia.

It was impossible to bring any rabbit to West Virginia — the trip was too long and we had no

place to keep them in Morgantown. However I did figure out a way to raise rabbits in Morgantown after trying to go through "rabbit withdrawal" for four years. I decided to go back to raising Dutch, as they were smaller, and much easier to take care of. The years was 1985. I contacted a well known breeder in Huntington, WV by the name of Rick Billups, who very kindly set me up with a trio of nice blacks. He continued to help me in the selection of quality animals, and I still credit him with really helping me to get started. After some success in showing blacks and blues, my husband decided it would be fun to join me in this "rabbit habits", so he now raises chocolate Dutch, and we run all over the US showing the little animals.

I think the one thing that I really enjoy about the Dutch Club is the people. As far as I know there is not another Club anywhere that is so willing to help each other, whether you are a new breeder, or an old one (and getting older, like myself). I hope the Club never loses its good sense of sportsmanship and genuine friendliness to each other.

### CANDIDATE FOR DISTRICT 2 DIRECTOR

#### TROY IHRKE

I am announcing my candidacy for District Two Director of the ADRC. I am from Owatonna, Minnesota. I show in the five state area. The reason I go to shows is to meet and become friends with people. The other is to beat those over rated blacks.

I have had rabbits since 1982. I have raised every Lop breed except for English, and still have a few Mini Lops around. I know how to win without the best genes. All I do is relate things from other animals to rabbits. I have been raising Dutch since 1992, with Grays and Steels. Then I started to show Chocolates. I am my county's 4-H judging team coach. I am a current ARBA registrar, and should take my judges test this winter but that depends on my school work load.

As your Director, I will always listen to your ideas and will present your opinions if you tell me them (remembering majority rules). I have always wanted to get more involved with this great club. I will promote the Dutch rabbit, club, and people.

I am 23 years old and still going to school which gives me homework. I am employed by Viracon, a glass fabrication company. I also play softball & golf, and last but not least is watching the Late Models tear up a dirt track.

### CANDIDATE FOR VICE PRESIDENT

#### ROGER GUETSCHOW

I'd like to introduce myself to you for I am seeking the office of Vice President of the Dutch Club. My name is Roger Guetschow and I live in Arlington, WI, not far from where the 1997 ARBA convention will be held in Madison. At the present, I work for the Postal Service but always seem to find time to do the things I have enjoyed doing; collecting antique cars and rebuilding them, and, of course, raising and showing Dutch. I've also become a collector of the model cars and have several in show cases on display in my home. My wife, Darlene and I have two grown sons who are now married and shared in the rabbit hobby at various times during their youth. Our home is always open to friends who might be passing close by when either enroute or returning from a weekend at the shows.

I started raising Dutch in the 1956. My first pair were a black buck and a chocolate doe. I soon expanded to blues. I have been showing in open since 1960. Over the course of the next few decades English Spots joined the herd as well, but the Dutch were always my favorites. Many a mile has been traveled with Larry Bengtson as we drove to National Conventions to show our rabbits. Today the Dutch are the lone stars in the barn and it will most likely stay that way. I have raised all six colors but now have every color in the barn except Steel.

I have been very active with the Dutch breed, promoting it every chance I get. I have started many youth & 4-H ers raising Dutch, some of whom are still at it. I have helped put on three NDS in Wisconsin, and am working currently on the 1999 NDS.

The Dutch people are special friends. What has always been remarkable is that these friendships pick up where they left off at the next shows.

I believe I could bring some new and good ideas to the American Dutch Rabbit Club.

## 1997 NDS YOUTH ACTIVITIES

*Just thought you would like to know ....  
From the Michigan Dutch Rabbit Club*

The delegation from Michigan had such a great time at the 1996 NDS that they wanted to do more than just attend in 1997. The Michigan Dutch Rabbit Club has a variety of members from surrounding states. What could the club do besides donate money each year to the NDS? The Ohio Dutch Club asked Michigan to host the youth activities at the 97 NDS. The MDRC volunteers rallied from August to April to plot and plan just what to do with youth of the ADRC who attend the NDS in May. Meeting and enjoying each other's company for two days in May was not difficult for the "seasoned" youth breeder who had been to several National Dutch Shows. How could we plan activities for the youth who may be at their 8th NDS as well as the youth who was coming for the first time? The MDRC Vice President, Linda Regelin, her daughter Amy, Linda Gottschalk MDRC director with her daughter Megan started brainstorming. What could NDS youth do in two short days? MDRC President Anthony Micallef, and members Tom Dietrich and Ed McKinley gave the girls their "green light" and the club members started planning for NDS 1997, Greenville, Ohio.

### AND THE WINNER IS ...

Everyone and anyone who participated from home or in Ohio. The first weekend in May over 40 youth, ages 2 to 18, came to Greenville, Ohio to Darke County Fairgrounds. The MDRC hosted nine activities that included over 100 entries and participants. Many volunteers behind the activities did not get recognized. The MDRC wants to applaud the 38 adult volunteers who worked with us on NDS '97. Hooray, we did it!

I am listing the businesses with their addresses. Please take time to write a note of appreciation to them. A written note from our youth members is more meaningful than if our club sends a typed letter to them. Just tell them what you did at the NDS and say thank-you. Okay kids, buy a postcard, a stamp, a piece of paper from school and write!

Now you know,

**Linda Gottschalk**

**UPPER MIDWEST DUTCH  
RABBIT CLUB NEWS**

100 head of Dutch showed up at the UMDRC Fun Show in Stockton, Minnesota on Sunday June 1, 1997. Bob Koch came to enjoy the great pot luck that is always on tap for this show and then we put him to work. Actually for a while it looked like the only workers around were Valerie Worzella and Bob, but then a couple of other suckers floated by and gave them a little help. By the time the sun reached the judging table, the honor of Best of Breed went to Roger Guetschow with a Black Senior Buck and Best Opposite went to the Bengtson's with a Chocolate Senior Doe.

A short gathering to begin plans for the 1999 National Dutch Show in Oshkosh, Wisconsin followed. It was decided to send a questionnaire to exhibitors at the last Oshkosh NDS to see what they thought we should include in our plans for 1999, and the question of contacting desirable judges was addressed. Soo.....it begins.

**THE SHOW OF SHOWS**

First I would like to thank all the people who came to Ohio with their Dutch to make this the Show of Shows. Also all our Ohio people who showed. Next I would like to congratulate all the winners in both Open and Youth. Not everyone can win on the show table but you are still winners as for the time you had and what you learned and the friends you made. We make friends all the time in our lifetime but good rabbit friends are forever.

Next all who had anything to do with all the work and the show committee and the judges, writers, carriers and anything. Even just a good morning on such a nice, rainy and windy and chilly day. Sorry folks, but we just don't seem to get that real good Spring day for the show. But you have to admit it was a little warmer than last year.

Once again, thanks to all for a wonderful time at the 1997 National Dutch Show.

*Jack Wireman

P.S. Thanks to Ohio Dutch Club for the President's Plaque. Let us all get ready for Kansas next year. I will, bunnies or no bunnies. They will show us a very good time!

# NATIONAL DUTCH SHOW OPEN WINNERS

## OUR OHIO SURPRISE

By Fran Schettler, California

Ever since my husband Jim and I became active in Dutch, the National Dutch Show has been, at least to us, the most prestigious Dutch show ever, even surpassing the ARBA Convention show. Maybe it's because it's the three day, all-Dutch emphasis, but, whatever the reason, it is the show we always try to attend. It also has been an important show to us because, back when we first got into showing Dutch at the national level at the Des Moines NDS in May 1986, California Dutch were the joke of the whole country. At that time, over 10 years ago, California Dutch were big, long bodied animals with long, narrow heads and long ears. One of our goals has always been to reestablish the credibility of California Dutch and where better to do it than the National Dutch Show.

Having attended several National Dutch Shows and a few ARBA Conventions all over the country, another point of interest is that, for West Coast breeders, a National Dutch show on the West Coast is quite different than going to one elsewhere in the country. Not only is the overall "flavor" of the show different from what a West Coast exhibitor is used to, but you get to meet so many other breeders of Dutch that you've never met before, and you get to see the large quantities of outstanding Dutch in "hotbeds of Dutch" areas such as Ohio—it's quite special. Therefore, winning Best of Breed at the 1997 Ohio National Dutch Show carries an extra special "high" for us, more so than our win at the 1991 Pomona ARBA Convention.

We were certainly surprised that our junior tort doe did so well. I almost didn't even bring her! She was only three months old, but had been competing very well in a few earlier shows. She had gone slightly off feed about four days before the NDS, which caused her to lose some of her condition and started her coat slipping. Daily grooming helped the coat, and alfalfa hay and rolled oats kept her eating something. It was a last minute decision to go ahead and bring her. Fly to the show

with one empty hole? No way! I had hopes for her prior to her "hunger strike", only to be very disappointed when she apparently decided that California spring weather was too hot to handle. Either that or she can read a calendar, which was hung in the barn on the wall just opposite her cage. When you come to a show like this, you generally have a pretty good idea which animals you've brought have the best chance, and I was pretty sure that she'd temporarily lost her competitive edge. I was more hopeful about our junior chocolate doe, who, surprisingly, actually bloomed right in time for the show. (Now I know that she definitely CAN'T read the calendar from her cage).

It was very exciting to win one variety at the NDS, even more exciting to win two varieties, and we would certainly have gone home happy at that point. To then come to the realization that the judge's long deliberations were to try and decide between our two animals for either Best or Best Opposite of Breed was a total shock. Those two poor animals certainly were taken in and out of their judging coops a lot of times during the final accounting! I still find it amazing that the four open judges had to discuss the choice between the two does for such a long period of time before deciding. Talk about suspense! I think that the people we talked to were pretty evenly split on which animal they liked the best. I am even more pleased that two varieties who seldom take top honors over the blacks and blues were even considered. Thinking back over the years, I can't remember a chocolate ever winning, though I can remember a tort or two.

We'd like to thank everyone who has been so generous with their congratulations, both at the show and afterward through the Internet. And Jack Wireman, you rascal you, I'll never let you live down that comment about the tort! I wonder, too, if there is any significance to both the open show and youth show Best of Breed exhibitors being blond, and one of us winning with a tort?!!

## BOS OPEN WINNER

Val Slack

The National Dutch Show in Greenville was a real memory maker for me. I never dreamed my rabbit "Stealer" would bring home such a high honor. The trophies near my desk are beautiful, however, that rabbit and all the people who contributed to his winning are the things I remember the most. My daughter Kelli is the first one I need to thank. She fell in love with the Dutch breed when she was 10. She is in total charge of our rabbitry. She knows how difficult it is to breed a good Dutch. She is a wonderful daughter and a good friend. Without her, I wouldn't even have been in Greenville. The next person I want to thank is Scott Williamson. Good judges are great teachers. Lasting friendships are priceless. His big grin and great heart are second to none. Scott, you're the best!!

A big round of applause goes to the person who bred "Stealer", Kevin Hooper. Kevin works hard at breeding excellent rabbits and working to improve the breed and shows. I have yet to attend a show where Kevin isn't in the middle of all the work to be done. His contributions are many. It takes a special person to sell the quality of rabbit that he sold when he sold "Stealer".

The final person I need to thank is Bob Worden. Bob took a greenhorn mom and her 4-H daughter and didn't hesitate to guide them, teach them, laugh with them and sometimes listen to them cry. He provided friendship, sold breeding stock and spent hours with his "students". He's a Champion Dutch breeder and a Champion guy. I'm looking forward to having Bob as a partner on "Stealer" and his offspring.

(Some of you may think I keep misspelling my rabbit's name, since he is a steel. I call him "Stealer" because he stole my heart at the ARBA convention in IL. I thought he was the classiest Dutch I had ever seen!!)

Finally I want to thank everyone involved with the NDS. You put forth time, money, enthusiasm and friendship to bring people together to promote America's Finest Rabbit. Thank you for this once in a lifetime award. I will treasure it for a very long time.

**HALL OF FAME NEW  
MEMBER: ANDY BARTON**

I want to thank the Dutch club members and Wayne's committee for selecting me to the American Dutch Rabbit Club Hall of Fame. It is a great honor and it took me by surprise. My good friend and old buddy Jack Wireman called me on Sunday night after he got home from the show and told me. Also my good friend John Imes called. It came as a total surprise.

Since I am writing I want to brag about the Ohio State Dutch Club. We have a membership of tireless workers, three who stand out. Kevin Hooper, Rick Billups and Todd Uran.

If you look at the officers and directors of the ADRC you will find those three names also. I have known these three since they were teenagers just starting out and I know with three young men like that helping to steer the ADRC, has no where to go but up.

Thanks again for the honor.

*Andy Barton  
Carroll, Ohio*

**HALL OF FAME NEW  
MEMBER: ROGER EICH**

I would like to thank the American Dutch Rabbit Club, for voting me in to the Hall of Fame. Little did I realize 48 years ago, I would still be raising Dutch bunnies today.

I also want to thank the many, many members who sent me cards and letters during my illness. I am happy to report my condition looks very good and I feel fine.

I am down to 36 rabbits out here (Arizona) and they are doing fine in my air conditioned rabbitry.

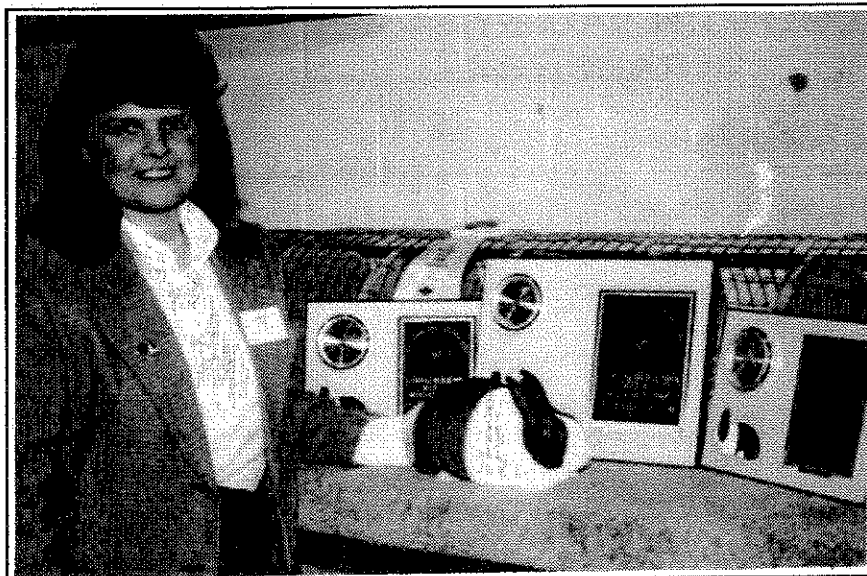

Thanks again,

*Roger Eich  
Arizona & Iowa*

P.S. I will be home to Iowa the beginning of July.
