## SPECIAL ISSUE-NOMINATION BULLETIN

Elections are a part of the American way of life. To be able to choose the head of your Government, your Mayor, or your Club Officers is a privilege that came with your birthright, or your American citizenship papers. Just why we take this freedom so lightly, none of us really know. We only guess that it is due to the fact that we are an "easy-going" folk, trusting, and hoping to be trusted.

We are doing something this year for the American Dutch Rabbit Club members that to our knowledge has never been done before. We sincerely hope that the expense involved will be another incentive for each and every member to cast his ballot.

Nominations usually do not create much interest. It is usually a case of "let them do the nominating, and I'll vote in the Election". Believe me, you have to get your man on the Ballot to get him elected. Ever think of that? We all know members whom we believe would make fine Officers for our Club. The time in getting their names onto the nomination Ballot is negligible. An envelope is furnished, and it is addressed ready for mailing, after you affix the three-cent stamp.

Before you start filling in your ballot, check the membership list to see if your choice has his dues paid. This is the purpose of this list, as so many lost their votes by voting for non-members.

We believe you will agree that you have every reason to help select your Club's Officers. Our Club is growing, it is active, and it is comprised of those who are young at heart. Let's prove it by getting these ballots in the mail immediately.

Fill a crock with Kasco... hold it close to your face...  
blow HARD... see how little dust there is. The firm,  
hard Kasco pellets cut dust to a new low.

And the tasty Kasco "hay-an'-grain" flavor is preferred  
by rabbits. They eat it readily—relish every pellet.

Yes, and Kasco Complete Rabbit Ration (plus water  
and a salt spool) gives your rabbits everything they
