PRESIDENT'S MESSAGE
WENTON CARLTON

FROM THE EDITOR

It is about that time of the year again, when we must be thinking about the National Dutch Show. I'll be sending out a letter to all of the Officers shortly. Hope everyone has some input for the betterment of the Dutch Club.

Shows in this area are in full swing and there has been an increase in numbers shown by Youth. They have some good ones, and have taken a few of the adults to the cleaners. Keep up the good work.

We have several things we need to do in our Board meeting. National Dutch Show for 1991 - Bid from Ohio, approval is needed. We need bids from Clubs for the 1992 NDS. Let's get some bids in. We need breed chairmen for both Open and Youth at Tampa. We also need writers, carriers, and breed secretaries for both Open and Youth. We also need to get going on the Guidebook.

It is also time to start thinking about our elections this year. We need good people who attend the National Conventions as well as the National Dutch Shows. Let's get out our petitions and get them signed.

I hope everyone has made plans to go to the National Dutch Show this year. It will be a great show, as the Eastern Dutch and New England people put on good ones. Hope to see all of you at the National. Our Board meeting time and place will be posted at the Dutch booth. It will be held on April 27, 1990.

The membership meeting time and place will be decided by the Eastern and New England clubs. Time and place of this meeting will be posted.

No other news, so let's get those Dutch ready for the big show. Hope all of you have a few good ones. Let's have a big turnout, and give our judges something to work for.

See you in Connecticut.

Time again for another issue. I have several reports this time, but would like some other articles to print. Surely there is something going on out there that at least one of the 700 members could write about.

Bring your cameras to the NDS in New Haven this April, and send me some pictures after the show. I would like to have some for the May-June issue. Black and White always work a little better, but the ones from the Tulsa Convention were in color, so you can see how they turned out by looking back at the Nov. - Dec. issue. I believe the pics just make the magazine look a little better.

You will find a current membership list in this issue of the DR. This list was effective as of March 20, 1990. If you find an error on your name or address, please notify Norma or myself so we can make the corrections.

We could use some more advertising. I realize the prices increased, but you have to realize that this magazine is not printed for nothing. If you were to sell two animals from advertising, it would pay for the cost of the ad. Help us make this a better DR by advertising with us.

The NDS would certainly be the place for you to express your concerns regarding this publication. If you are not pleased with it as it is now being printed, get ahold of me at New Haven and let me know. (As long as you don't get ahold of me by the throat!) Any ideas or suggestions would be greatly appreciated.

Don't forget the upcoming election! This is the time for you to take an active part in the ADRC by electing those that represent you.

See you in New Haven!

Secretary....

This issue of your Dutch Reporter contains a current ADRC membership list and judges listing. If we have failed to list you as a judge, it is very possible that you have failed to notify us that your membership should be listed as such. Contact this office and we will be happy to include this in our files. If your membership is not current, your name has been omitted from this list and some of you may not be receiving this issue of the DR. Always be certain to check your Dutch Reporter label for your expiration date and renew promptly. If your membership has lapsed, when you send in your renewal fees, you may request that your membership be backdated in order to show no lapse. Remember, a single Life Membership may be purchased for the sum of \$140.00; a husband/wife Life Membership may be purchased for the sum of \$180.00. (Youth members may purchase a life membership by paying the required fees listed for a single Life Membership).

This issue also contains the ballots needed in order to select judges for both the 1992 National Dutch Show and the 1992 ARBA Convention. A husband and wife membership is entitled to two (2) ballots, one (1) each, while a single adult paid member will only use one (1) of the ballots provided. The youth have a separate ballot. Please note that the youth ballot is a poll only! We ask that the NDS sponsors use this poll when selecting their youth judge whenever possible. Please realize that it is not mandatory, however we feel that the youths' choice should be given consideration when the show

sponsors select their judge(s). Please exercise your right to vote. You may also be aware of the offices that expire at the end of '90. In order to run for an office, you must request a petition from this office. The petition must be returned to me by June 1, 1990. Those offices that expire are listed inside the DR cover. No one (1) person can run for more than one (1) office during any election. The petition must contain a required fifteen (15) signatures, all of whom are American Dutch Rabbit Club members. All candidates must be current ADRC members and American Rabbit Breeders Association members. Those signing a petition may only sign one (1) petition for the office of Director within YOUR District. A member, to be eligible for office, must have received at least ten (10) votes to become a candidate for the office of President or Vice-President; he/she must have received at least five (5) votes to become eligible for the office of Director. The member must have been in continuous good standing at least two (2) years prior to certification date of election, September 20, and all candidates shall remain in good standing with membership fee paid in advance at least through date of assuming office, January 1. For your convenience, petitions will also be made available at the 1990 National Dutch Show. I hope that I am able to attend and I look forward to seeing many of you there.

Remember, 'Always do what you say you are going to do. It is the glue and fiber that binds successful relationships.'

HAPPY EASTER!

Boy, time to get Dick a few lines again. Wasn't this some winter? Crazy as the devil all over the world, not just in Ohio or any other single place. Sunshine and warm weather for snow and cold, and vice versa. Well, maybe it will get better. Let's hope so!

Shows are in full swing here in Ohio now. 136 Dutch at Lima (Ohio's first show of the season) and not too good of weather either.

I don't have any news from the other states in District 1. Perhaps Mark or Fred will have some.

How do you Dutchmen like the new D.R. by now? I think Dick is doing a good job. Why not jot down a few lines for him to include in the next D.R. [Ed. Thanks for the plug Jack. I wish some of the members would contribute something for the magazine!] Questions, remarks, or anything about your Dutch. How about you Youth out there? This is your job for tomorrow. As sure as some Dutch are mismarked and the sun comes up and goes down, us old duffers won't be around forever, so jump in and get your feet wet.

I haven't been able to get through much of old Dutch news and history this winter. It is very time consuming and when I get to it I really enjoy it. Brings back a lot of memories.

Hope you all have some nice ones for the NDS in Connecticut. I don't know about the number they will get, as none will come out of the Atlantic ocean, but there will be plenty of Quality on the coast.

If you can get there, give it a try. You'll have a good time.

Then on to Florida. This should be a good one also.

Until sometime here or there down the road.

Hi Dutch Fans,

Well another Carolina Dutch Show has come and gone. It was held in Monroe, N.C. March 3rd. Bob Caldwell won best of breed with a nice Black Jr. Buck. I took down best opposite with a Chocolate Jr. Doe. This show had some real nice bunnies.

The Carolina Dutch Club has put in a bid for the 1991 National Dutch Show. All of us in the south are real excited about putting on the show if the bid goes through.

Shows here have been averaging around 60 to 70 Dutch. They've all had good type and markings.

At the fall show in Bristol, Tenn. Abby Mullinax won Best in Show in the Youth show with a Black Jr. Buck. I'd like to see more Youth showing Dutch. There's not a lot showing them now.

Well, I hope everyone's ready for the show in Connecticut. We'd like to see someone here in the south take down B.O.B., If not, good luck to the winner.

Not much news to report coming off of a showless winter. The Mid-West didn't suffer extremely from the weather, but it sure wasn't 70 either, especially the week before Christmas. We had several days of 60 below zero wind chills. That affected the automatic watering systems a little!

I had the opportunity to judge in New Mexico last weekend, and got to meet John Norris, a Dutch breeder and member from that state. It is always enjoyable for me to meet Dutch people that I have only seen in print before. Rose and George Mead were at this show also, on their way to Connecticut. The show was on March 17! They are playing "Bronson" for a month or so, only a motorcycle was not their mode of transportation. It was indeed a pleasant surprise to see them.

There have been several shows in our area already this year, and the number of Dutch is down a little from what I would like to see. If everyone had the trouble getting litters that we did this winter, that would explain it. Hopefully, there will be a good entry in New Haven for Doc and I to sort through. I am already getting excited about judging the Dutch at the NDS.

In talking with Norma, there hasn't been any petitions taken out for Officers this year. We will be electing a President, and a Director from each District. I am certain that there will be petitions available at the NDS, so think about picking one up.

In two days I leave to judge in Phoenix, Az. and I am looking forward to some conversation with Chuck Christ and Wenton. I may get to see some Dutch in that area, as these two are great supporters and showmen.

See you someplace down the road.

DIRECTOR'S MESSAGE

by Fran Schettler

1990 started off with bad news with the passing of Dutch enthusiast Mike Salerno. Mike had been in the hospital in December, but had been doing well enough to come home for Christmas. However, he suffered a relapse in January, and passed away from heart failure. All of California will miss Mike-- he was dedicated in his retirement to helping everyone with their rabbits, and was particularly fond of the Dutch. He had been a Director in the California Dutch Rabbit Club (CDRC) for several years, and was looking forward to showing more in 1990. He was particularly pleased at the November CDRC show when his blue doe won a large class. Mike usually only had blacks because he was color blind and couldn't properly evaluate the color of the other varieties. But, as Mike told me, many times he sold off a rabbit from the other varieties and it would end up doing some big winning for the new owner. Although he was glad the new owner was happy, he decided to keep some of them to see what would happen!

Californian's Rose and George Mead are heading out in their RV in early March to travel out east, eventually ending up at the NDS in Connecticut, with many interesting stops along the way, including, of course, several rabbitries! Unfortunately, due to the length of their trip, they won't be able to take any rabbits to NDS with them, but I expect to see them there cheering everyone on and, as usual, providing help to anyone who needs it.

The California Dutch Rabbit Club, as well as the new Roadrunner Dutch Club, and the Sun Valley Dutch Fanciers are all planning many Dutch specialty shows in California this year. I don't know how it is outside of California, but many all breed clubs here are disbanding or are unable to hold all breed shows anymore due to the lack of member support, as well as internal disagreements. This decline in the number of all breed shows means that breed club specialty shows become even more important, so I am glad to see the Dutch clubs getting involved in sponsoring specialty shows. Anyone interested in these clubs, or in finding out about Dutch shows in California, or even in finding a Dutch breeder in their local area of California should contact me at 415-838-8036 after 6:00 p.m. weekdays.

The Roadrunner Dutch Club represents Dutch fanciers from the desert areas of California, Nevada, and Arizona, while the Sun Valley Dutch Fanciers holds their shows in the San Diego vicinity. Of course, the California Dutch Rabbit Club represents Dutch breeders all throughout California, and welcomes out-of-state members as well. I encourage all ADRC members to help support and promote Dutch at all levels, both nationally and locally. There is a lot to be gained by being active, and from providing help and support to whomever may need it.

YOUNG DOE SYNDROME IN DOMESTIC RABBITS

BY DR. T. E. REED, RABBIT SPECIALIST

Young Doe Syndrome is a name given to the condition where does die three to ten days after they have kindled with no apparent abnormalities. The condition is most prevalent in does during the first and second litters; but, can occur in does that have had more than two litters.

The only sign that is usually seen is that the doe is apparently doing well following parturition and then the doe is suddenly found dead with no apparent cause. This condition has two basic causes that are almost totally impossible to differentiate between without a necropsy on the dead animal.

The first and most common cause of Young Doe Syndrome is an acute enterotoxemia. After the doe has kindled, it is very common for the owners to place the doe on full feed. Due to the increased milk production, the doe's appetite is oftentimes very voracious; especially, if the feed has been limited during the latter stages of the gestation period and the doe ingests more carbohydrates than can be adequately digested and the doe dies from the enterotoxemia related to a bacterial imbalance in the cecum of the doe due to the presence of an abundance of carbohydrates.

This cause of Young Doe Syndrome can be very readily controlled by the

implementation of the management practice of gradually increasing the feed until approximately the tenth day after kindling as compared to placing the doe on full feed immediately after kindling.

The second common cause of Young Doe Syndrome is an acute inflammation of the doe's mammary system with various types of bacteria causing mastitis. The bacterium causing the mastitis produces an abundance of toxins that causes the doe to go off feed and die within twelve to twenty-four hours. The onset of the symptoms when the cause is due to mastitis is usually a little slower than those with the acute enterotoxemia. The astute manager may notice that the animal goes off feed one to two feedings prior to death. If the mastitis is identified at this time, treatment of the doe with the proper antibiotic therapy may be successful.

It is extremely important that Young Doe Syndrome be differentiated from Pregnancy Toxemia as the causes are totally different; but, the end result is the loss of a very important economic entity to the herd. Oftentimes one must necropsy the dead does to differentiate and identify the cause of death. Does that die from Pregnancy Toxemia will have a tremendous amount of pathology in the liver; while those that die from Young Doe Syndrome will exhibit typical signs of enterotoxemia in the cecum or an inflammation of the mammary gland.

VOTE VOTE VOTE VOTE VOTE VOTE VOTE VOTE VOTE

Dear Richard Gehr:

I have just received the current issue of the Dutch Reporter. It sure hasn't been a dead time for Dutch raisers in our district. Of course I must remember that the feelings expressed were happening right after the holiday season and that is a let-down time.

On February 17th we held our MINNESOTA STATE JUDGES CONFERENCE AND RABBIT SEMINAR. Attendance far exceeded our expectations, in fact at the last moment we had to move to larger quarters. We are so fortunate in having the cooperation of our Minnesota Extension Service. Our program featured a morning session devoted to the Judges Conference during which time many questions from the audience were fielded. The afternoon session was devoted to the commercial aspects of rabbit raising. What to do with your surplus???? There were those who felt that we wouldn't be able to hold our audience for the full day, what a pleasant surprise to see that all stayed even through the processing demo. You may be interested to know that we used Dutch to process. This demonstrated the reason why a few of us raise Dutch that will produce litters of eight or so, be good mothers and have young that will reach about 3# in about 12 weeks. The dress out percentage is excellent and the servings of meat are in line with small family dining. We held the processing demo at the end of the event and we lost about 6 4-H girls from the audience. In fact our audience stayed after 5:p.m. asking questions. The hours were from

8:a.m. to 5:p.m.

We had rabbit raisers from Canada, surrounding states and were especially pleased to meet Roger Artman from Shannon, Ill. Roger showed his T.V. clip promoting rabbit meat.

A great deal of interest was shown in the presentation of Prof. Tom Straw. Tom had participated in the 1986 trip to China to observe the Chinese way of handling rabbit activity. It certainly was an eye-opener. We could learn from them.

We had, John Story, a marketing manager from Fairway Foods, speaking on the obvious, marketing. There was Larry Jacobson speaking on Building Ventilation, then Tom Straw spoke on Rabbit Raising Aspects, showing slides on a Minnesota modern rabbitry.

Over 200 people indicated upon their evaluation forms that this was an excellent program, so our committee can be proud of their efforts.

Dan & Marilyn Tersteeg, Bob and Barb Brown, Annette Wiemann Jan Steinhaus and Ross Becker are to be commended for their dedication to rabbit promotion during this event, not to mention our very receptive audience that demonstrated their interest and good humor to the end.

Did you know that in order to sell to Pet Shops you should be U.S.D.A. inspected so one should realize that there are other ways of disposing of those mismarks.

Doris Leibel, Chwm. of event.

The final point standings for the open class dutch looks much different then the last time it was published. This was due to several addition mistakes found. The major errors were found in the following peoples points: Ricky Wood, Wenton Carlton, and Anthony Micallef.

As of January 1, 1990 due to my health I shell retire from judging. I wish to receive the National News bulletin and news letters. It is my regret that I must give up at this time. I plan to keep in time with the rabbit news from the Iowa state club, the Dutch Club, and the A.R.B.A. I wish to THANK the members that show, and the clubs that I have judged for. I have raised rabbits for 64 years. Rabbits have also been a part of my life. I will miss the shows and the rabbits, and the many friends I have made through the rabbits.

To all nmy friends, goodbye.
