MAKE CHECKS PAYABLE TO THE AMERICAN DUTCH RABBIT CLUB

PRESIDENT'S REPORT

Wenton Carlton

The National Convention is now history. We had a very large show and a record number of rabbits were shown. The Dutch also set a record as far as numbers go. Larry Bengtson and I had the privilege of judging this show. We had many very nice rabbits. I would like to congratulate the winners. Thanks to the crew who helped Kevin Hooper as breed chairman. He did a great job.

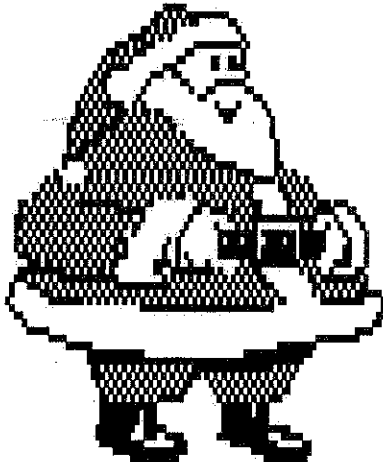

The result of this show and minutes of the meetings are in this Dutch reporter. Be sure you read the minutes as a lot of business was conducted. It is always nice to see old friends and make new friends, so if you haven't been to a Convention plan on attending one. You'll have a great time.

It is now winter and shows in our area are in full swing. Those who are in the colder areas will need to protect your bunnies for the Spring. If anyone hasn't attended a show, find one in your area and attend. You may get bit by rabbit fever. We can use all the new breeders we can get.

Those who are planning to go to California for the NDS will need to request a catalog. If you have specials you would like to contribute please send them to Fran Schettler. Watch the DR for more news.

There is not much more news so I would at this time like to wish everyone the best of Holidays.

Hope you have many nest boxes with many good bunnies for 1993.

ARTICLES, STATEMENTS, AND THE OPINIONS PRINTED IN THE *DUTCH REPORTER* MAY NOT BE THOSE OF THE ADRC OR THE EDITOR, AND ARE SOLELY THE RESPONSIBILITY OF THE AUTHOR.

VICE-PRESIDENT'S REPORT

Fred Mullinax

Hello Dutch Fans,

My, time sure does fly by fast. It's already fall of the year and nearly time for the Convention in Ohio. I hope everyone is ready and have raised alot of good Dutch over the summer.

A lot of breeders I've talked to haven't had much luck this year with their rabbits. There aren't going to be but around 350 - 400 Dutch in the open at Columbus. I don't have any number on the Youth show. I thought this would be the biggest Dutch show ever, but I might be wrong again.

Shows here have been down some too. We went to a show in Greenville, SC in September. It was a double show and we had a few more breeders, but the numbers of Dutch shown were down. There was around 55 to 60 in both shows. The Youth were down with only 15 or 20 being shown. Abby Mullinax won Best In Show with a Gray Sr. Buck. She was happy with the win because it was her 14th birthday. Wade and Linda Anderson surprised her with a birthday cake, and that made it even better.

I hope everyone remembered to vote and hope also all of you win lots of B.O.B.'s and Best In Shows.

See you soon at Columbus if not sooner at some of the local shows.

P.S. Abby also wanted to Thank Barbara Rhyne for the beautiful basket she gave her for her birthday.

DISTRICT II

Richard Gehr

Not a lot to report this time of the year.

Had a great turn out at Columbus. Kevin Hooper and the Ohio gang should be commended.

Chuck Christ mentions in his report that he believes if a youth shows in open because there is no youth sanction, that the points should count in the youth sweepstakes. I do not believe this would be fair. The number of animals in open are much higher in the majority of cases, so the points earned would not be proportional to what they would have been if only youth rabbits were shown together, so it would not be fair to the youth in those areas that do have youth sanctioned shows. I think it would be much easier for the youth to solicit \$5.00 for a youth sanction from fellow youth Dutch breeders.

I hope everyone enjoyed the Holiday season, and the 1993 year brings all that you have hoped for.

See you someplace.

FROM THE DESK OF
THE SECRETARY by Norma Hart

What a Cionvention! The largest entry of Dutch that I can remember, and the quality was just as great as the numbers.

Congratulations to Wayne MacKinnon on his Best of Breed open, and Shanna and Mick Snyder for Best of Brede in the youth. Mark Pecaric (open) and John Hayhow (youth) won Best Opposite Sex with some nice animals.

Elsewhere in this issue fiond the minutes of the meetings, the Treasurer's report, Publicity report, and several other items of interest.

Being as busyt as we have been with the Convention, the Holidays, everyday chores, and many other things, there isn't really much rabbit business I can talk about. Sure will be glad when the new year gets going, so I can find some extra time (Ho, ho, ho).

Kevin Hooper and the Ohio gang did an outstanding job at the Convention. Our banquet was very well attended, and I thought it was as nice as most ARBA banquets I have been to. Didn't have the dancing, but the company was excellent.

Several of the state and local Dutch specialty clubs are having a number of shows lately. The interest in the Dutch breed is still strong, just wish we could recruit a few new breeders every now and then. Seems like it is always the "Old guard" that does most of the promoting.

The NDS in California will be upon us before we know it. Hope you are all making plans to attend. It should be a really great show. I am looking forward to going out a day or so early and looking around the area. I loved going to Beverly Hills when we were at the Pomona Convention. I know just what shops I want to visit.

Please encourage the shows in your area to apply for their Dutch sanctions early. Our rule actually states "60 days prior to the show". If we adhered to this rule, there would be many shows that would not have an ADRC sanction. As the exhibitors would be the ones to suffer from the clubs sending in late, I am rather lenient with this, but it sure makes it difficult to have a sanction to a club before the show when they only send for it a week before.

With the passing of the ARBA resolution addressing a judge's license for a single breed, I would think that several of you out there would be considering it. This should increase the number of qualified judge's for specialty shows, National Dutch Shows, and National Conventions. If you have any questions about a single breed license, just contact the ARBA office.

Hope to see you all in California, if not before.

DISTRICT II

Jack Wireman

Hi Dutch Breeders. Here we are in 1993 already. Just seems like the time waits for no one and keeps on rolling. along.

Hope you all had a nice Christmas and a very good Dutch New Year in the making. The shows will start before we know it. Also, don't forget the National Dutch Show will be here before you can say Dutch Rabbit. It's a little earlier this year, 23 - 25 of April. I'm still playing it by ear and watching the snow in the Rockies.

I'm sure the people in California will show us a good time. Lots and lots of miles to drive in between. As most of you know, I don't care to fly. It's not the flying, but the fooling around in and out of the airports. It just drives me up a tree and I'm getting too old to be going up a tree. Besides, all you get to see is space and no sight-seeing. Oh yes, I don't care for caves either.

I hope you all enjoyed the Convention. As for myself, I had a great time. Sorry we all couldn't have first place, but do yoy realize in the classes there could only be 24 first places, even if we had 5,000 Dutch?

Congratulations Wayne MacKinnon and Mark Pecaric. I think these two guys got their heads together and conspired against the rest of us. There were 541 shown.

Also congratulations to Shanna and Mick Snyder and John Hayhow for winning in the Youth. There were 226 shown.

I felt very good getting a 4th and 10th place in those classes.

Better stop this rambling for now. Will bend your ear next time.

Till somewhere, someplace, or sometime down the road..... keep the Dutch coming.

TING UP. PLEASE TRY TO GET
YOUR ARTICLES IN AS EARLY
AS POSSIBLE.

DISTRICT III

Chuck Christ

I must start this article by telling you of the passing of Leonard Wier of California.

Leonard was not a member of the ADRC the last few years, but if my memory is right he had placed 1st in sweepstakes and won B.O.B. at ARBA or NDS in the past. I first met Leonard back in the 1960's. He showed great Dutch then and in one of the last shows I went to in So. California his Dutch were still great.

Leonard was a case in point of why the ADRC needs a Hall Of Fame. Leonard showed new Dutch breeders what a good Dutch looks like, how to breed the different colors, and would sell you prime seed stock to get started right. I think all of us can think of at least one breeder without whose help we would not be in Dutch or doing as well as we are doing. These are the breeders that should be in the Hall Of Fame.

Now, for my feelings about the Dutch Rep[orter]. First, I think we have one of the best newsletters in the ARBA. I am one of many who reads the DR from cover to cover, looking at show reports to see how friends are doing in other parts of the country, reading articles, etc. If we must change for money reasons I will not like it but I can live with it. If we change, I hope they will publish BOSV per color and points per breeder in each show.

In the last DR I was looking to see how an Arizona youth breeder was doing. I know she had at least 300 points, but was not listed. Then I realized she showed against the adults because she did not have Dutch youth sanctioned shows available to her. I think if a youth breeder must show open his or her points should transfer to youth if a youth sanction is not available. I know this will be more work for our sweepstakes chairman but many state clubs work their sweepstakes this way.

Dick asked that we write about judges. First, you get what you pay for. You are paying for his or her opinion, you are not paying to like or agree with it. All I ask from a judge is a fair chance. I don't want to know the outcome before the Dutch are judged, and I ask that they be handled gently not throw them in and out of holding coops.

Winters in central Arizona are gentle. I will add more straw to the nest boxes and remove the running water from the evaporative cooler. Fall/Winter are the prime breeding period. Dutch juniors born during the summer tend to be long narrow with big ears. The same breeding during fall or winter will have 100% better type.

I hope your nest boxes are full, and I hope those exhibiting at Columbus had a great time.

FROM YOUR EDITOR

I thought right after Chuck's report would be a good location for mine.

Again, the DR is late. Partially due to an extremely busy schedule, partially due to a lack of information to print. I find it hard to send this publication to the printer with a minimum number of pages. No one wants to read pages of show reports, and nothing else. Chuck states that we are changing to a quarterly instead of bi-monthly publication because of money. This is not the whole story however. Yes, part of it is money. Why spend \$700 6 times a year if you can get the same info done during 4 publications? As stated above, the other part is because of a lack of info. Do you have any idea how frustrating it is spending the time to set up the Dutch Reporter without having anything in it? As my schedule is rather full, I have to work this magazine in whenever I have the opportunity. That is another reason for going to 4 times per year instead of 6.

To address Chuck's comments about printing the BOSV for each color and the points for each exhibitor for each show, sure this could be done. All you have to do is tell the sweepstakes chairpersons that we are adding a bunch more work onto their job. Having kept the sweepstakes for several years, when we did print points per exhibitor, I can attest that it is a lot of work. Typing up the reports as they appear in the DR is a part of the sweepstakes chairpersons job. I do not print up the reports, nor does Norma. The person in charge of the sweepstakes sends the reports to me, and they are exactly as they go into the DR. I am aware that Kevin Hooper is contemplating giving up the sweepstakes job, at least that was mentioned when I recently judged a Dutch show in Ohio. Perhaps Chuck would like to take it over. This way he could be sure the BOSV and points per exhibitor were printed with the show reports. I am not trying to sound harsh or bitter, just stating a plain fact. If you want something done a certain way, offer to do it. If your excuse for not taking it is that you don't have the time, then think about how much time the other guy has. I am quite sure that my schedule is as busy as anyones in the country. That is why I have offered to let someone else have the DR if they wanted it. It would be expected that they too volunteer their services at no cost to do it though, unless the Board should decide differently.

Sorry Chuck, I don't mean to sound like I am striking out at you. I hear so many times though about how everything can or should be made better, but those that have all the answers are not the ones doing or volunteering to do the work.

Unless someone contacts Wenton and takes over the job of DR Editor, you can expect the next issue around the last part of March.

Hope there is something worth while to print in it.

CHANGES ARE NEEDED IN THE GRAY DUTCH STANDARD

By Sue & Fred Barlow

We have just attended yet another show where the judge neglected to check for ring color in the Gray Dutch. The Gray standard states that absence of ring color is a disqualification. The standard does not however, make it clear if this absence of ring color must be throughout the pelt. Some judges, because they can find partial ring color, are hesitant to disqualify these poor colored grays. Judges cannot be blamed for placing these poor colored grays if the standard remains as it is.

The Grays that result from some of the breedings that produce the so called "good colored steels" are often not show table grays. Some of these grays are missing part of their ring color due to the presence of the non-agouti and the dilute gene. This lack of ring color is most obvious on the back and upper sides but full ring color may be present on the lower sides and flanks of some gray animals. The reason for this is that the rings are naturally wider in the lower body and less likely to be totally diluted. Grays that are lacking ring color on the back approach the surface color of the Steel Dutch.

If we are going to have a specific and limited description of the Steel Dutch coloration, then the Gray should also be limited to full agouti coloration, with rings visible on all sections of the animal. We would hope that the current standard committee would consider changing the wording in the Gray standard so that any absence of full ring coloration on any part of a Gray Dutch was a disqualification.

AREA NEWS

Just a note to let all of the ADRC members know that one of Michigan's finest old time Dutch breeders is having some health problems.

Flo Ann Cooper is losing her eye sight and wanted all of her long time friends to be aware of this and not wonder why they no longer receive cards and mail from her. She isn't able to read or write but still has a friend read her the Dutch Reporter.

We in Michigan certainly wish her well.

ED: Thanks Rick. Many of us that had never had the opportunity to meet Flo Ann got to do so at the Michigan NDS. It was indeed a pleasure for me, and I believe I speak for all ADRC members in saying that we wish her well also.

Norma,

I arrived home from work the other day, tired and mentally exhausted after a whole day slaving over a hot microphone on my radio show and what do I find but my 10th place plaque for the 1991 sweepstakes. Well it made me smile and picked me right up. I'm thrilled - of all the trophies I've won with my Dutch rabbits, this one is the one I am most proud of. I only have at any one time, 6 to 8 producing does, and show about the same amount of Dutch when I go to a show. So to be able to reach the 4,000 point plus level in a year was quite a feat. Especially in a year that I moved from southern California to the Seattle, Washington area.

Thanks to the club and you again. I'm greatly honored.

Rick Lehmann

ED: Good job Rick. It is refreshing to see someone finish so high in the sweepstakes with only a few animals. You need to Thank them, not the club....

ILLINOIS DUTCH SPECIALTY SHOW

FEB. 28, 1993

GALVA, ILLINOIS

JUDGE: DICK GEHR

**DUTCH SECRETARY: Floyd Dopler Jr.
Box 511 Andalusia, IL 61232
309-798-5367**

THANKS

Barb and I would like to THANK everyone that helped out in the ADRC booth at Columbus. We were busy with the Youth show, and without your help the booth would have been closed most of the time.

Again, THANKS to all...

AMERICAN DUTCH RABBIT CLUB
MINUTES - GENERAL MEMBERSHIP
1992 ARBA CONVENTION. NOVEMBER

The General Membership Meeting of the American Dutch Rabbit Club was called to order at 8:45 AM with Fran Schettler making a motion to dispense with the reading of the last minutes as they were published in the Dutch Reporter. That motion was seconded by George Parmer. MC

NEW BUSINESS

Ken Emerson brought up the idea of the ADRC Sweepstakes awards being passed out at the National Dutch Shows. With the sweepstakes ending on December 31st of each year, it leaves ample time to calculate the winners and have them ready in time. He noted that he, along with many others works very hard throughout the year and felt that it would be appropriate to have this at that time. Kelly Cummings made a motion that the awards be handed out at each NDS in the future. This motion was seconded by Jack Wireman. MC

It was noted that the ADRC guidebook is in need of update as early as possible. The current guidebook in use has some changes and also current sweepstakes year used is not as listed in the GB. (PLEASE NOTE THAT ADRC SWEEPSTAKE YEAR RUNS FROM JANUARY 1 OF EACH YEAR THROUGH DECEMBER 31ST OF THAT YEAR). It was thought that any change now in effect could be listed in an issue of the Dutch Reporter.

A guidebook committee is needed and Kelly & Glenda Cummings were suggested for the committee. A full committee appointment will be made at the ADRC Board Meeting.

Larry Bengtson suggested that the winners at each ARBA Convention and National Dutch Show be listed through TENTH PLACE. He noted that he felt it was important for people to see who was in attendance and what points were won by who. Points earned at both the NDS and ARBA Convention are currently doubles as a bonus for that win.

There was a discussion with regard to a youth non-member who won at a previous National Dutch Show. It was felt that the exhibitor should be a member of the ADRC in order to win any awards. There was much discussion regarding this matter with numerous pros and cons on the subject. A statement by Reggie Shull was made that At National Level Shows, you must be a member in order to win any awards or points. Alan Miller made a motion that would require membership in the American Dutch Rabbit Club in order to assume any awards at these shows. The motion was seconded by Fred Mullinax. A question to the motion was made with regard to which shows and when someone could join and still be able to compete for the awards. Again, after much discussion, Alan Miller amended the motion to state: The American Dutch Rabbit Club requires all exhibitors at each National Dutch Show and ARBA Convention to be members of the ADRC in order to win any awards or join prior to judging. The motion was seconded by Fred Mullinax. MC There was discussion heard on the membership services available to ADRC members. If you are a member, you are entitled to these services. It was also noted that many shows are not sanctioning youth Dutch. The ADRC does not have any authority to force a show sponsor to sanction. Many of the members don't realize that they can pay for the sanction fee if they go to the sponsor and ask and receive permission. It is possible

GENERAL MEMBERSHIP MEETING MINUTES..(continued)

that after doing this one or two times and the show sponsors see the amount of Dutch shown. they will sanction at their own expense for future shows. Due to school courses, Amy Minter, our youth representative, was unable to attend.

Alan Miller noted that tags should be available on the cooped animals as to their placement at the show. Wenton Carlton stated that possibly this isn't always done to avoid 'theft' of the rabbit. It was noted that this should not matter as if someone wants to steal the rabbit, they'll do so regardless. Larry Bengtson noted that it is an ARBA Show Rule that placements stickers be provided on the coop tag. (note* This is an ARBA 'CONVENTION' show rule and is only publicized in the ARBA Convention Show Rules book issued to the Convention Sponsors. This is not listed under the ARBA General Show Rules in your ARBA Yearbook and is not known by every ARBA member.)

Being no further business, Fred Mullinax made a motion to adjourn. The motion was seconded by Jane Burt. MC

Respectfully Submitted.

Norma Hart

Norma Hart, Secretary

AMERICAN DUTCH RABBIT CLUB
MINUTES - BOARD OF DIRECTORS
1992 ARBA CONVENTION. NOVEMBER 2, 1992

The Board of Directors meeting was called to order by President Wenton Carlton at 2PM. Those present were: President Carlton; Vice-President Mullinax; Directors Hooper; Pugh; Wireman; Gehr; Parmar and Schettler; Secretary-Treasurer Hart; Those absent were Directors Reed; Milhahn and Christ. (Director TE Reed was present at the Convention but unfortunately due to other important prior commitments, was unable to attend the ADRC meetings). Fred Mullinax made a motion that we dispense with the reading of the previous minutes as they were printed in a prior Dutch Reporter. That motion was seconded by Jack Pugh. MC

REPORT OF DIRECTORS: Dick Gehr states that the Dutch seem to come and go in his area but do appear to be picking up. In his travels judging Dutch throughout the country, he's had the opportunity to see some very fine specimens and some large numbers.

Fran Schettler says that they're working towards the '93 National Dutch Show in here area. The numbers in the Dutch there appear to be about the same. She says there are no big complaints.

George Parmar says that as Dick stated, the Dutch seem to come and go, with not much more to add.

BOARD OF DIRECTOR'S MEETING MINUTES.. (continued)

Jack Wireman noted that there seems to be more Dutch in MW F Pennsylvania than ever before. He said that there have been small shows in his area but he doesn't really get out that much.

Jack went to see a longtime Dutch breeder Dale Zentner in Iowa. Jack says he's looking very good and wants him to know that we're all thinking about him. Lowell Simonson from Iowa has moved and is presently out of rabbits. (Lowell is another longtime Dutch breeder and supporter and both Dale and Lowell are missed at the shows).

Kevin Hooper stated that being sweepstakes chairperson gives him the opportunity to see the number of Dutch shown in the different areas. He noted an increase in both the Vermont area and in Kansas.. He noted his concerns over the Gray Dutch description and the ring color. He said that the gray are becoming much too dark and something was in need of being done.

Fred Mullinax says that there are a few new breeders in the south but the numbers are down. However, the quality was very good in the animals shown.

Jack Pugh says that the Dutch in his area are holding up pretty good. The Eastern Dutch held a show but the numbers were down due to the ARBA Convention Show.

Wenton Carlton told the Board that Chuck Christ was unable to attend the Convention but would see everyone in California for the '93 NDS. Wenton said that the Dutch are about the same in his area. Usually only Wenton & Chuck are the only exhibitors. He said that entry fees have gone up considerably so the numbers have gone down. He noted that New Mexico and West Texas appear to have been hit very hard recession wise and shows are way down there. He noted that the Cardiff show was a very good one with over 100 Dutch being shown.

Norma Hart noted that the IDRC has been putting on some specialty shows with the hope of bringing the Dutch back around but the recession seems to have hit everywhere and the numbers are low. She noted that the IDRC is looking at the possibility of bidding on the 1995 National Dutch Show there in Illinois.

Wenton noted that we need a possible Director for the Seller's Class. Fran noted that Scott Williamson is in charge of this at the California NDS and it has to be declared in the morning what is entered in the Sellers Class so that a complete sheet can be run off before noon. (This is a very good idea). Kevin Hooper noted that we might possibly limit the number of entries in the Seller's Class. Possibly check show rules for Seller's Class and have a cut off time.

Wenton stated that it was again time for reappointment of the ADRC Secretary-Treasurer. Jack Pugh made a motion that Norma Hart be reappointed. This was seconded by Jack Wireman and approved by all Board members present. MC

President Carlton appointed Kevin Hooper chairman of the guide book committee with Kelly and Glenda Cummings as members. Wenton to ask for articles and ads via his message in DR. The committee appointment was approved by the Board.

The ADRC Standard Committee appointment was Dr. T.E. Reed, Director Dick Gehr; Director Kevin Hooper; Ken Emerson and President Carlton is to look into the remaining position being filled by Director Christ. This appointment was also Board approved.

BOARD OF DIRECTOR'S MINUTES. (continued)

George Parmer informed the Board that the Northwest Dutch Rabbit Club would take on the responsibility of Breed Chairman and Secretary for the Washington ARBA Convention. (This was a very pleasant surprise and those duties will be provided by a very capable and efficient group of fine Dutch breeders. - Thank You NW Dutch Club).

Fran Schettler stated that the NDS rules allow for a show catalog for each exhibitor of the previous NDS. Due to the improbability of each exhibitor at the Michigan NDS being in California and the expenses involved. Fran asked that they be exempt from this rule. Dick Gehr made a motion to grant California the latitude to send NDS catalogs out at their discretion. This motion was seconded by Kevin Hooper. MC

Dutch Reporter Editor Dick Gehr stated that he would get the DR out as early January as possible. The DR will then be issued on a quarterly basis. He stated that he has been extremely busy with his regular job, his judging and has not been able to put out the DR right on time this past year. Dick does this job with 'NO' pay and stated that if the ADRC wanted to look for someone else to take on this responsibility at no cost, they should feel free to do so. It was noted that to find someone willing to take on this position with no fee would be very hard to find and the ADRC would continue to accept Dick's generosity until such time that someone else offered their services at the same fee.

Dick Gehr noted that he received a call from Ohio with regard to a certain show not willing to sanction youth Dutch. It was again stated that we have no authority to force any show sponsor to sanction. It would be best for the youth (in this case) to try to have that club be willing to sanction youth to see if it would work out and pay for itself. There was the possibility of a new Dutch Club being formed in Ohio due to this problem.

In January, the DR will be published on a quarterly basis. There has only been three complaints with regard to the change. The editor noted that financially, the club would save in publishing in this manner and also that there has not been enough material submitted to warrant a bi-monthly issue. Issues have been small with very few articles and info.

The Board discussed placement stickers at the NDS and ARBA Conv. for recognition of wins. We are to check on the ARBA rules for the ARBA Convention regarding placement stickers and possibly we could purchase them for 1-5 at both of these shows. (It is an ARBA Convention rule but is not usually applied at the show unless done by the specialty clubs on their own).

It is suggested that for those offices running unopposed, that ballots not be issued to save funds. A resolution to change the present ruling should be made and submitted for next year. A resolution must be made and voted on in order to change the Constitution and By-Laws.

Being no further business, Fred Mullinax made a motion to adjourn, seconded by George Parmer. MC

Respectfully Submitted.

FELLOW DUTCH FANCIERS,

MANY THANKS GO TO ALL OF THE PEOPLE WHO LENDED A HAND AT THE ARBA CONVENTION. IT WAS INDEED A LARGE TASK TO KEEP THE JUDGING RUNNING SMOOTHLY AND MAINTAIN MY SANITY.

CONGRATULATIONS GO TO ALL WHO EXHIBITED AND MADE THIS THE LARGEST SHOWING OF DUTCH YET. IF THE SIZE OF THE PAST FEW MAJOR DUTCH SHOWS IS ANY INDICATION, I WOULD SAY INTEREST IN THE DUTCH RABBIT IS GROWING.

MANY THANKS ALSO GO TO THOSE WHO DONATED MONEY FOR SPECIALS AT THE CONVENTION. SPECIALS FOR THIS SHOW RIVALED ANY NATIONAL DUTCH SHOW I HAVE SEEN. FOR THOSE OF YOU WHO HAVE NEVER DONATED ANYTHING FOR A LARGE SHOW, IT'S EASY. WHATEVER YOU WOULD LIKE TO GIVE, NOTIFY THE SPECIALS CHAIRMAN AND SEND IT TO THEM. IT MAKES THE JOB OF PUTTING ON A SHOW MUCH LESS STRESSFUL FOR THE SHOW COMMITTEE.

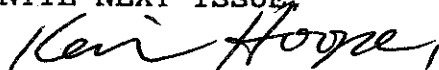

SHOWS HAVE COME TO A HALT IN THE MIDWEST UNTIL EARLY FEBRUARY. MILD WINTER WEATHER TO THIS POINT COULD MAKE FOR SOME NICE SHOWS COME SPRING AND THE NATIONAL DUTCH SHOW.

THE OHIO STATE DUTCH SHOW WAS HELD NOV. 20 IN CONJUNCTION WITH THE TRI-CO RBA. TWO YOUTH BREEDERS TEAMED UP TO WIN BOTH SHOWS. REGINA THOMAS WON THE OHIO DUTCH WITH A TORT JR BUCK AND ROBIN HESSICK WON THE TRI-CO SHOW WITH A BLACK JR DOE.

THE OHIO STATE DUTCH CLUB HAS DECIDED TO SANCTION YOUTH SHOWS IN THE STATE ON A ONE YEAR TRIAL BASIS. MUCH DISCUSSION WAS HELD ON THIS TOPIC. YOUTH SANCTIONS WILL COST \$3.00 AND SHOULD BE REQUESTED THROUGH: VICKI BOGAN 1033 SR 72 N, SABINA, OH 45169. YOUTH WILL NOW COMPETE AGAINST THEMSELVES FOR FIRST AND SECOND PLACE TROPHIES. WE WILL NO LONGER OFFER THE THREE YOUTH TROPHIES FOR THOSE YOUTH SHOWING IN THE OPEN CLASS.

DON'T FORGET THE NATIONAL DUTCH SHOW AND THE MIDWEST CLASSIC BEING HELD THE FIRST WEEKEND IN MAY AT FORT WAYNE, IN. DO YOUR BEST TO HELP THE GROUPS PUTTING ON THESE SHOWS. MORE DETAILS ON THESE SHOWS SHOULD BE FOUND ELSEWHERE IN THIS ISSUE.

UNTIL NEXT ISSUE

KEVIN HOOPER

GUIDELINES FOR 1996 ARBA STANDARDS

The time for specialty clubs to begin work on the next ARBA Standard of Perfection is just around the corner. Each specialty club is to have a Standards Committee of at least 5 outstanding breeders appointed by January of 1993 to collect, investigate, and confer on standard changes. Votes by the specialty clubs must be taken and any changes returned to the ARBA Standards Committee by June 30, 1994. The changes, as submitted to the ARBA Standards Committee, must be incorporated in the form of a complete finalized standard. To meet the final deadline of June 30, 1994, it is suggested that specialty clubs start now and allow at least a full year to complete the suggested changes. Otherwise changes will not have enough time to be printed in your newsletters and adequately discussed and voted on by the membership. These changes are also going to be more complicated due to the volume and special requirements in this Standard of Perfection, and if they are not submitted on time and within the correct procedure, they will not be considered. In the past, several specialty clubs have not had their requests honored because they did not complete all requirements with enough time to allow follow up on the changes. Just submitting the proposed change does not mean that it is going to be approved. Both the ARBA Standards Committee and the ARBA Board have the right to reject any change proposed by a specialty club. This is why a big cushion of time needs to be left to discuss and resolve these issues prior to the deadline. As a practical matter, I would hope that most clubs would have their changes voted on by June of 1993. **DON'T CUT YOURSELF SHORT ON TIME. THESE CHANGES TAKE LONGER THAN YOU THINK!**

Goals and Objectives: One goal of the upcoming Standard of Perfection is to bring the breed standards into a more uniform compliance. To accomplish this task, the ARBA Standards Committee has compiled a list of changes that we are recommending that the specialty clubs incorporate in their breed standards. You will find that many of these changes are editorial in nature and designed to clean up unclear or conflicting terminology in present standards. Each individual specialty clubs list of recommended breed revisions will be attached under a separate letter. Individual differences in descriptions and requirements of the same variety in different breeds is discouraged. Ease of application of the Standard and uniformity of judging is facilitated if the requirements of the same variety in different breeds is uniform. Your club may be one recommended to change their description slightly based on this goal.

I would caution specialty clubs against making wholesale changes in their standards. Standards are the goals against which every breed of rabbit and cavy must be measured. The ARBA Standards Committee is not going to look favorably on changes which liberalize a standard simply because the breeders are having trouble meeting its requirements. Standards should work towards getting more demanding and further improving the breed. Certain changes are necessary, and valid problems will be considered and allowed, but if they are not felt to be improvements in the breed standard, it will be rejected by the ARBA Standards Committee. Remember, this is a guide to PERFECTION in your breed and not necessarily what you see coming across the showroom table!

The ARBA Standards Committee and the ARBA Board have passed several requirements for the upcoming Standard of Perfection which each club should be aware of in considering their changes.

1. It has been mandated that all breed standards be made grammatically correct. Descriptions within the breed standards should be made in full sentences. If your club has difficulty in accomplishing this task, the Standards Committee will work with you and assist in making the grammatical changes on the final form of your standard. This will mean that you have to have your changes made with ample time to formulate the grammatical corrections and have them approved before June 30, 1994. Again, don't get caught short on time!
2. In all normal furred breeds the type of fur will be listed in () after the Fur section of your standard. The fur will be designated as being either Fly back, roll back, or standing coat. An example of the American standard would be: Fur--(Fly Back) Points 20: To conform to the ARBA Commercial Normal Fur Standard. The Silver Fox standard would read: Fur--(Standing Coat) Points 20: Each normal furred breed should include this designation in their next standard.
3. The Showroom Classes & Registration Weights section of the standards will be reworked if a club desires to allow juniors and 6-8s to be bumped up in a class if they are overweight. Clubs do not have to allow overweight animals to be shown up in a higher age classification if they do not so desire. What this effects will be the Grand Championship legs. Any club which does not allow the showing up of overweight juniors or 6-8s will not have any leg honored that these animals earn outside of their true age classification. As example, if the Dwarf club chose not to allow bump up weights, a five month old, 2½ pound ^{Junior} senior could not earn a leg in the senior class. For those clubs desiring to allow for bump up in weight (which include most clubs in the present Standard), the required wording will be changed in the next Standard. Too much confusion has developed over the statements currently in the standards. All references to "having attained minimum senior weight" and "or over" will be dropped from the standards. A note will be added at the bottom of Showroom Classes which states:

"NOTE: Juniors or intermediates exceeding maximum class weight may be shown in higher age classifications. No animal may be shown in a lower age classification than its true age." (Intermediate will be dropped if your breed is a four class breed.)

The wording to correspond with this note in the class designation would be changed to read as follows, Californians used as an example.

Senior bucks--8 to 10 pounds

Senior Does--8½ to 10½ pounds

Intermediate Bucks--Under 8 months. Maximum 9 Pounds

Intermediate Does--Under 8 months. Maximum 9½ pounds

Junior Bucks and Does--Under 6 months. Maximum 8 pounds.

Netherland Dwarfs allowing bump up in weights would read:

Senior Bucks and Does--Not over 2½ pounds. Ideal weight 2 pounds

Junior Bucks and Does--Under 6 months. Maximum 2 pounds.

Breeds not allowing a bump up should include a note that "No bump up or allowance is to be made for animals exceeding the weight of their true age classification."

4. A new section on color disqualifications will be included in the front of the ARBA Standard with the general disqualifications. If you have varieties covered by these rulings in your breed, you need to be aware of their requirements in the next Standard. Items approved for inclusion in this section include:

A. An elimination for "Smut on the usable portion of the pelt in Californian, Pointed white, or Himalayan marked breeds or varieties.

B. A disqualification for "Any Tan Pattern markings appearing in the marking pattern of Californian, Pointed White, or Himalayan marked breeds or varieties.

5. The ARBA Standards Committee and ARBA Board have approved a wording change requirement on Lops. They will be going back to the previous designation of judging groups as being Broken and Solids rather than Broken and Colored.

6. Separate eliminations and disqualifications sections will be combined to make one category--of Disqualifications from Competition. It will no longer be necessary to list eliminations and disqualifications separately in either the breed standards or in the list of General Disqualification and General Eliminations sections in the front of the Standard.

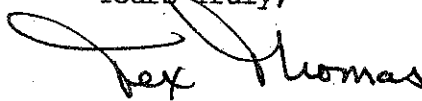

In addition to the above required changes, it is recommended by the ARBA Standards Committee that each breed (Other than Giant breeds)

set a top weight limit on juniors if they do not currently have such provisions in their standards. This is especially recommended in small breeds where the showing of seniors down in the junior class is often an advantage.

It is recommended that the specialty clubs include the Standards Committee Chairman on the mailing list for your club newsletter. This is especially recommended for issues that contain proposals and items voted on for changes. Monitoring the progress of the specialty clubs in these areas will help prevent conflicting issues arising later in the change process.

Members of the ARBA Standards Committee stand ready to assist any club in the formulation of their standard changes. If questions arise, please feel free to bring them before this committee for clarification.

Yours Truly,

Tex Thomas
ARBA Standards Committee Chairman

EDITOR: On the following page you will find the recommendations of the ARBA Standards Committee for consideration by the ADRC.

I personally do not agree with all of them, however it will be up to the ADRC members what will be presented to the ARBA Standards Committee and ARBA Board as considered changes, additions, or deletions from our Standard for the printing of the next Standard of Perfection.

PLEASE bear in mind that whatever is adopted is what the breeders, exhibitors, and judges of the Dutch rabbit will have to live with for the next 5 years, effective January 1, 1996. There is ample time for YOU to voice your opinions on these subjects prior to a vote being taken on the items.

If YOU have questions, concerns, or comments on any of the changes, contact a member of the ADRC Board, ADRC Standards Committee, or ARBA Standards Committee.

DUTCH

1. Body: A better description of the high point of the topline could be devised. "the highest point of the loin and hips perpendicular to the stifle" could be simplified in using wording in other standards, for example "reaching a high point over the center of the hips".

2. Body: There is a conflict in terminology in "side lines taper straight through from the shoulders to the hips". Suggest rewording to "side lines to taper from hips to shoulders". This is more consistent with the description of a taper as going from a large width down to a narrower width.

3. Showroom classes: Recommend setting a top weight limit on juniors. Also need to know if the club desires to include provisions to allow overweight juniors to be shown up in the senior class.

4. Fur: Sentence "The length and finish of the fur should complement the markings". should be dropped. While it is true that markings may be set off by a short fur, the ideal fur is described. Longer fur would not set off or complement longer markings.

5. Color: Drop medium from the description of blue color. The desire is to get the blue as dark and deep as possible, not medium blue.

6. Color: Steel color needs a better description of the desired coloration. Under the provisions listed, a blue steel could be shown. Standard needs to better describe the black steel, which is the desired color in Dutch. Also suggest listing a disqualification under the steel color for any ring color definition, especially over the top side.

7. All Varieties: Suggest moving the entire section "Free from spots in the iris, or any other eye discoloration. Both eyes to match". back under the description of Eyes. Much more appropriate in this area.

8. Markings: Dutch have traditionally considered color intrusions into the white as a drag and white intrusions into the colored area as a run. In this context it is suggested that the first sentence be reworded to color as being a drag rather than a run. Suggested wording "Markings to be clear, distinct, regular, and free from colored drags in the white section or white runs in the colored sections".

9. Disqualifications Applying to All Varieties: The freckle situation needs to be addressed in this area. Suggest adding a disqualification for any discoloration on nose or lips which is readily visible when animal is turned over.

10. Pictures currently in the front of the Standard showing how to determine if a Dutch is tied should be moved back to the end of the Dutch standard.

11. Good and Bad Dutch drawings: The disqualification listed under the stops on page 118 needs to be changed. Provisions for disqualification for stops which "Touches" the joint is listed on page 118, while the general marking disqualification on page 116 calls for a disqualification "When the foot stop reaches above the hock". These are two distinctly different areas.
